Re: \$100,000 Spending Requests

MEMORANDUM

Pursuant to Executive Order 4-25, signed into effect by Governor Morrisey on January 14th, 2025, all expenditures over \$100,000 must be reviewed by the Governor's Office in advance. Any solicitations, purchase orders, or other contracts currently in the possession of the Purchasing Division, which are estimated to cost over \$100,000 are being placed on hold for review. Our Division is providing documentation of those to the Governor's Office for review.

Any new requisitions valued over \$100,000 that are received by the Purchasing Division, must have a copy of this memorandum and accompanying signatures to process as usual. If there is no evidence of Governor's Office review or approval, your requisition will be returned to seek that approval.

Thank you all for your hard work, and please feel free to reach out with any questions on our end; if you have questions about the procedure for seeking the necessary approvals internally, I would recommend reaching out to your Cabinet Secretaries and/or your Department's Governor's Office liaison.

Dell is on a PNO hold. It is very weird that both of the contacts' emails bounced back.
Can you take a look at the forwarded email?

I am not sure who to contact for this. Would you have someone from Dell that could help?

thanks

IMPORTANT PLEASE READ THE BELOW ON CHANGES TO PLACING ORDERS

Dell is upgrading to fully digital ordering for a modern, secure experience. Starting February 2024, you will receive your sales quotes through an email hyperlinked to your Premier store. Dell account teams will continue to guide and collaborate with you on quotes, but instead of sending a PO to the Dell sales rep, you will securely order online with your preferred payment method. This process creates greater online order status visibility for you as well as processes the order faster. Let me know if you have questions.
