ADDITIONAL TERMS AND CONDITIONS (Construction Contracts Only)

1. CONTRACTOR'S LICENSE: West Virginia Code § 21-11-2 requires that all persons desiring to perform contracting work in this state be licensed. The West Virginia Contractors Licensing Board is empowered to issue the contractor's license. Applications for a contractor's license may be made by contacting the West Virginia Division of Labor. West Virginia Code § 21-11-11 requires any prospective Vendor to include the contractor's license number on its bid. If an apparent low bidder fails to submit a license number in accordance with this section, the Purchasing Division will promptly request by telephone and electronic mail that the low bidder and the second low bidder provide the license number within one business day of the request. Failure of the bidder to provide the license number within one business day of receiving the request shall result in disqualification of the bid. Vendors should include a contractor's license number in the space provided below.

Contractor's Name:	Thompson	Construction (Group, Inc.	
Contractor's License	No.: WV	WV055107		

The apparent successful Vendor must furnish a copy of its contractor's license prior to the issuance of a contract award document.

- 2. DRUG-FREE WORKPLACE AFFIDAVIT: W. Va. Code § 21-1D-5 provides that any solicitation for a public improvement contract requires each Vendor that submits a bid for the work to submit an affidavit that the Vendor has a written plan for a drug-free workplace policy. If the affidavit is not submitted with the bid submission, the Purchasing Division shall promptly request by telephone and electronic mail that the low bidder and second low bidder provide the affidavit within one business day of the request. Failure to submit the affidavit within one business day of receiving the request shall result in disqualification of the bid. To comply with this law, Vendor should complete the enclosed drug-free workplace affidavit and submit the same with its bid. Failure to submit the signed and notarized drugfree workplace affidavit or a similar affidavit that fully complies with the requirements of the applicable code, within one business day of being requested to do so shall result in disqualification of Vendor's bid. Pursuant to W. Va. Code 21-1D-2(b) and (k), this provision does not apply to public improvement contracts the value of which is \$100,000 or less or temporary or emergency repairs.
- 2.1. DRUG-FREE WORKPLACE POLICY: Pursuant to W. Va. Code § 21-1D-4, Vendor and its subcontractors must implement and maintain a written drug-free workplace policy that complies with said article. The awarding public authority shall cancel this contract if: (1) Vendor fails to implement and maintain a written drug-free workplace policy described in the preceding paragraph, (2) Vendor fails to provide information regarding implementation of its drug-free workplace policy at the request of the public authority; or (3) Vendor provides to the public authority false information regarding the contractor's drug-free workplace policy.

Pursuant to W. Va. Code 21-1D-2(b) and (k), this provision does not apply to public improvement contracts the value of which is \$100,000 or less or temporary or emergency repairs.

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

Disclosure of Interested Parties to Contracts

Pursuant to W. Va. Code § 6D-1-2, a state agency may not enter into a contract, or a series of related contracts, that has/have an actual or estimated value of \$1 million or more until the business entity submits to the contracting state agency a Disclosure of Interested Parties to the applicable contract. In addition, the business entity awarded a contract is obligated to submit a supplemental Disclosure of Interested Parties reflecting any new or differing interested parties to the contract within 30 days following the completion or termination of the applicable contract.

For purposes of complying with these requirements, the following definitions apply:

"Business entity" means any entity recognized by law through which business is conducted, including a sole proprietorship, partnership or corporation, but does not include publicly traded companies listed on a national or international stock exchange.

"Interested party" or "Interested parties" means:

- (1) A business entity performing work or service pursuant to, or in furtherance of, the applicable contract, including specifically sub-contractors;
- (2) the person(s) who have an ownership interest equal to or greater than 25% in the business entity performing work or service pursuant to, or in furtherance of, the applicable contract. (This subdivision does not apply to a publicly traded company); and
- (3) the person or business entity, if any, that served as a compensated broker or intermediary to actively facilitate the applicable contract or negotiated the terms of the applicable contract with the state agency. (This subdivision does not apply to persons or business entities performing legal services related to the negotiation or drafting of the applicable contract.)

"State agency" means a board, commission, office, department or other agency in the executive, judicial or legislative branch of state government, including publicly funded institutions of higher education: Provided, that for purposes of W. Va. Code § 6D-1-2, the West Virginia Investment Management Board shall not be deemed a state agency nor subject to the requirements of that provision.

The contracting business entity must complete this form and submit it to the contracting state agency prior to contract award and to complete another form within 30 days of contract completion or termination.

This form was created by the State of West Virginia Ethics Commission, 210 Brooks Street, Suite 300, Charleston, WV 25301-1804. Telephone: (304)558-0664; fax: (304)558-2169; e-mail: ethics@wv.gov; website: www.ethics.wv.gov.

Construction Bid Submission Review Form

This list has been provided for informational purposes only and is not to be construed as a complete list of request for quotation or bidding requirements for any individual construction project. This list does not and cannot include every item, mistake or oversight that could cause a contractor's bid to be disqualified. Rather, this list is intended to draw attention to some of the most common problems that the Purchasing Division encounters in the bidding process for construction projects. All potential bidders must read the request for quotation, all additional documents, and all instructions relating thereto ("Bid Documents") in their entirety to identify the actual request for quotation and bidding requirements. Failure to read the Bid Documents in their entirety and comply with the stated requirements contained therein may result in bid disqualification.

Errors That Shall Be Reason for Immediate Bid Disqualification

- 1. Failure to attend a mandatory pre-bid meeting
- 2. Failure to sign the bid
- 3. Failure to supply a valid bid bond or other surety approved by the state of West Virginia
- 4. Failure to meet any mandatory requirement of the solicitation
- Failure to acknowledge receipt of Addenda (only if stipulated as mandatory)
- Failure to submit bid prior to the bid opening date and time
- 7. Federal debarment
- 8. State of West Virginia debarment or suspension

Errors that May Be Reason for Bid Disqualification Before Contract Award

- 1. Debt to the state or political subdivision (must be cured prior to award)
- Workers' Compensation or Unemployment Compensation delinquency (must be cured prior to award)
- 3. Not registered as a vendor with the state of West Virginia (must be cured prior to award)
- 4. Failure to obtain required bonds and/or insurance
- 5. Failure to provide the sub-contractor listing within one business day of bid opening or one business day of the request to do so by the Purchasing Division.
- 6. Failure to supply West Virginia contractor's license number with bid or within one day of Purchasing Division request to do so.
- 7. Failure to supply a signed drug-free workplace affidavit with bid or within one day of Purchasing Division request to do so.
- 8. Failure to use the provided solicitation form (only if stipulated as mandatory).
- Failure to complete the Disclosure of Interested Parties to Contracts form (if contract has an actual or estimated value of \$1 million or more; does not apply to publicly traded companies listed on national or internal stock exchange)

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code* §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

Certification Regarding Lobbying

The undersigned Contractor certifies, to the best of his or her knowledge, that:

- 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- 3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, Thompson Construction certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

Safety Performance

Thompson puts safety at the forefront of all we do, regardless of project size or scope of work.

Thompson employs full time safety professionals to perform safety training and to conduct independent, unannounced safety audits at its job sites. Thompson also provides incentives to its employees that exercise safe practices in the work place.

Thompson's commitment to safety is evidenced by the safety performance summary provided below. Summary data was obtained from Thompson's OSHA logs.

MHU – Replacement, Bid Assumptions

- 1. **EXHIBIT A, PRICING PAGE NOTES** We have provided our square foot costs, which will be applied against the structure, porches, and outbuildings, as directed by state construction management.
- 2. Elevated MHU's within flood areas will follow a stamped, engineered design, which may or may not include perimeter cinder block foundation. The fixed fee for this elevation is up to 56" above surface. By code, the additional engineering, rebar, and concrete required for higher elevations is within this scope of work.
- 3. Contract terms to be negotiated/finalized after award of contract.
- 4. Lack of availability of vendors supplying on site storage (PODs, etc.), within the state of WV will be substituted with local storage solutions, keeping those funds within the state's economy.
- 5. Hazardous Waste discoveries, beyond lead, asbestos, and fully contained fuel storages, are too wide an varied to be priced with no information. Thus, such an extreme circumstance will be brought to the Construction Management Team naming a specialty contractor with the estimate for this specialty environmental work that will be invoiced with 20% O&P by TCG.
- 6. Assumes suitable access for dump trucks and equipment up to 14 feet wide, up to 42 tons in weight.

Post-Construction Support

Thompson can provide cost-efficient support to our customers on an ongoing basis through facilities maintenance, production equipment maintenance, and production support personnel. This strategy allows our customers to focus on their core competencies while leaving maintenance issues to people who specialize in that function.

A Culture of Safety

Thompson puts safety at the forefront of all we do, regardless of project size or scope. Our principle of doing business extends from top management down to field operations. We worked deliberately to develop a culture where safety comes first, and we are fully committed to sustaining it. As a result, we have zero tolerance for practices that do not promote a safe workplace.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders of

THOMPSON CONSTRUCTION GROUP, INC.:

I have audited the accompanying financial statements of Thompson Construction Group, Inc. (a South Carolina S Corporation), which comprise the balance sheets as of December 31, 2017 and 2016, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Thompson Construction Group, Inc. as of December 31, 2017 and 2016, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of earnings from contracts, contracts completed, and contracts in progress are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

THOMPSON CONSTRUCTION GROUP, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF BUSINESS

The Company is a South Carolina corporation established on December 31, 1986. The Company is a leading provider of industrial construction, maintenance, building construction, and disaster recovery services in the southeast.

REVENUE AND COST RECOGNITION

Revenue from construction contracts is recognized on the percentage-of-completion method, measured by the proportion of construction costs incurred to date to estimated total construction costs for each contract. That method is used because management considers costs incurred to be the best available measure of progress on contracts in progress. The Company utilizes the percentage of completion method of recognizing income on contracts for financial reporting and tax purposes.

Contract costs of projects under construction include all direct material and labor costs and indirect costs related to contract performance. Selling, general, and administrative costs are charged to expenses as incurred. Provisions for estimated losses on uncompleted contracts are made in the period in which such losses are determined. Changes in estimated profitability are recognized in the period in which the revisions are determined. The costs of construction contracts are charged to earnings on the percentage-of-completion method used to recognize revenues.

The asset, "Costs and estimated earnings in excess of billings on uncompleted contracts," represents revenues recognized in excess of amounts billed. The liability, "Billings in excess of costs and estimated earnings on uncompleted contracts," represents billings in excess of revenues recognized.

USE OF ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

CASH AND CASH EQUIVALENTS

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Certificates of deposit with original maturities over three months are classified as certificates of deposit.

BOOK OVERDRAFT

In order to maximize cash utilization, the Company's practice is to draw down on its line of credit only as checks are presented for payment. As a result, the December 31, 2017 book overdraft amount represents checks issued but not presented to a bank for payment.

MARKETABLE SECURITIES

The Company classifies its marketable equity securities as available for sale. Securities classified as available for sale are carried in the financial statements at fair value. Realized gains and losses, determined using the first-in, first-out (FIFO) method, are included in earnings; unrealized gains and losses are reported in other comprehensive income.

ACCOUNTS RECEIVABLE

Accounts receivable are stated at the invoiced amount. If the Company is aware of a specific customer's inability to pay, the Company records a reserve for the difference in the amount due and the amount the Company reasonably estimates will be collected. For other customers, the differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an offsetting entry to a valuation allowance for accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

PROPERTY AND EQUIPMENT

Property and equipment is stated at cost. Depreciation is provided using the straight-line method over the estimated useful lives of the assets.

LONG-LIVED ASSETS

Long-lived assets held and used by the Company are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of any asset may not be recoverable. In the event that facts and circumstances indicate that the cost of any long-lived assets may be impaired, an evaluation of recoverability would be performed. As of December 31, 2017 and 2016, the Company has reviewed all long-lived assets and determined that no adjustment is necessary.

DERIVATIVE

The Company applies the provisions of ASC 815, Derivatives and Hedging, for its derivative instruments. The Company is party to one interest rate swap agreement that serves as a hedge against the movement of interest rates associated with borrowing at a variable rate, which matures July 5, 2022. The Company uses the derivative to eliminate the variability of cash flows related to interest rate payments on the Company's variable-rate debt. The fair value of this derivative was a liability of \$14,386 and \$9,364 as of December 31, 2017 and 2016, respectively. The change in fair value is recorded in other income (expenses) in the accompanying statements of income and comprehensive income.

S CORPORATION - INCOME TAX STATUS

The Company, with the consent of its shareholders, has elected under the Internal Revenue Code to be an S Corporation. In lieu of corporate income taxes, the shareholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Usually no provision or liability for federal income taxes is included in the financial statements.

The Company follows FASB ASC 740-10, Accounting for Uncertainty in Income Taxes, which provides guidance on accounting for uncertainty in income taxes recognized in the Company's financial statements. The guidance prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of December 31, 2017 and 2016, the Company has no uncertain tax positions that require either recognition or disclosure in the Company's financial statements. Generally, the Company's tax returns remain open for federal and state income tax examination for three years from the date of filing.

SALES TAX

The Company has responsibility for sales tax related to a portion of their sales to nonexempt customers. The Company collects sales tax from customers and remits the entire amount to the appropriate states. The Company excludes the tax collected and remitted to the states from revenues and cost of sales.

ADVERTISING

The Company expenses advertising costs as they are incurred.

RECLASSIFICATIONS

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

NOTE 2 - MARKETABLE SECURITIES

Cost and fair value of marketable equity securities at December 31, 2017 and 2016 consist of the following:

December 31, 2017	Amortized <u>Cost</u>	Gross Unrealized <u>Gain</u>	Gross Unrealized (Losses)	Fair <u>Value</u>
Available for sale:				
Equity securities	\$ 5,985,260	\$ 1,834,755	\$ (130 , 545)	\$ 7,689,470
Debt securities	4,853,596	39,214	(21,546)	4,871,264
Totals	\$ 10,838,856	\$ 1,873,969	\$ (152 , 091)	\$ 12,560,734

Totals	\$ 10,351,207	\$ 889,456	\$ (220,215)	\$ 11,020,448

At December 31, 2017 and 2016, the change in net unrealized holding gains (losses) on securities available for sale in the amounts of \$1,052,637 and \$774,547, respectively, has been charged to other comprehensive income.

The fair value of debt and equity securities has been measured on a recurring basis using Level 1 inputs, which are based on unadjusted quoted market prices within active markets. There have been no changes in valuation techniques and related inputs.

NOTE 3 - FAIR VALUE MEASUREMENT

ASC 820, "Fair Value Measurements and Disclosures," established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3). The hierarchy consists of three levels:

- Level 1: Fair value is determined using quoted market prices in active markets for identical assets.
- Level 2: Fair value is determined using quoted market prices in active markets for similar assets.
- Level 3: Fair Value is determined using unobservable market prices in a market that is typically inactive.

The following table provides a summary of the fair values, measured on a recurring basis, of certain of the Company's assets under ASC 820 as of December 31, 2017 and 2016:

NOTE 7 - RETIREMENT PLAN

The Company has a 401(k) plan for all employees who are twenty-one years of age or more. Under the plan, employees may elect to defer salary, subject to Internal Revenue Service limits. The Company has the option of making an annual discretionary contribution and can also match each employee's contribution. For the years ended December 31, 2017 and 2016, the Company contributed \$588,729 and \$460,781, respectively. There were no employer discretionary contributions for 2017 and 2016.

NOTE 8 - CONCENTRATIONS OF CREDIT RISK

The Company maintains cash balances at several financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2017 and 2016, the Company's uninsured cash balances totaled \$1,904,609 and \$10,900,763, respectively.

NOTE 9 - RELATED PARTY TRANSACTIONS

LEASE ACTIVITY

Effective June 1, 1993 the Company leases one of its facilities from a related party at a rate of \$4,000 on a month to month basis.

The Company leases a portion of its Sumter, South Carolina facilities to Thompson Industrial Services, LLC (TIS) under two leases. The first lease expired March 31, 2016 and the Company and TIS have verbally agreed to exercise the second five-year option on this lease expiring March 31, 2021. The second lease expired July 31, 2012 and the Company and TIS have verbally agreed to exercise the second five-year option expiring July 31, 2022.

The Company leases an industrial warehouse located in Louisiana to TIS for a five-year term beginning June 1, 2014 and expiring May 31, 2019.

The Company received \$42,537 and \$41,486 per month under the terms of the leases in 2017 and 2016, respectively. The income associated with these leases as of December 31, 2017 and 2016 was \$510,439 and \$497,826, respectively; and is included in the other income (expense) portion of the accompanying statements of income and comprehensive income.

OPERATING ACTIVITY

The Company provides services to and receives services from TIS. These services include, but are not limited to, contract labor and equipment repairs. These services are billed monthly by each party. As of December 31, 2017 and 2016, a balance due from TIS was included in accounts receivable in the amount of \$302,893 and \$464,359, respectively. As of December 31, 2017 and 2016, a balance to TIS was included in accounts payable in the amount of \$33,523 and \$460,753, respectively.

The Company believes that these transactions are on terms as favorable as those that could be obtained from/provided to an independent third party.

NOTE 10 - COMMITMENTS, CONTINGENCIES AND OTHER ITEMS

COMMITMENTS

The Company leases office space under noncancelable operating leases through April 2022. The following is a schedule of future minimum lease payments required under the leases:

	\$ 690 , 667
2022	 34,094
2021	115,900
2020	112,518
2019	198,570
2018	\$ 229 , 585

STANDBY LETTERS OF CREDIT

The Company maintains standby letters of credit in favor of Stone & Webster Construction, Inc. totaling \$926,095 as of December 31, 2017 as required by contracts currently in progress. As of May 24, 2018, these letters of credit total \$926,095.

SELF INSURANCE

In April 2008, the Company became a member of a Captive Insurance Policy (Captive) which covers claims up to \$500,000, and then the remaining exposure is re-insured through a separate policy. Based on the policy agreements, any claims submitted to Captive are paid through funds established by payments from the Company. At December 31, 2017, the Company provided a letter-of-credit with a commercial bank in a maximum amount of \$1,534,362 to secure a portion of the maximum obligation for claims in excess of the Captive Coverage Limits.

No events have occurred subsequent to December 31, 2017, which would require an adjustment to the self-insurance liabilities recorded in the financial statements as of December 31, 2017.

LEGAL CONTINGENCIES

The Company is involved in various legal proceedings arising from the normal course of business. In management's opinion, the outcome of the aforementioned matters will not have a material effect on the Company's financial position or results of operations.

NOTE 11 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through date of the report, which is the date the financial statements were available to be issued. All events that required recognition or disclosure in the 2017 financial statements have been incorporated.

From January 1, 2018 to May 24, 2018, the Company acquired equipment totaling \$1,268,706.

From January 1, 2018 to May 24, 2018, the Company paid dividends totaling \$1,779,074.

Greg A. Thompson President & CEO

Bio

Greg A. Thompson is the Chairman of Thompson Industrial Services, LLC, President and CEO of Thompson Construction Group, Inc., all located in Sumter, South Carolina. Greg has established himself as a savvy businessman, conscientious employer and dedicated family man.

Greg joined his family business right after high school. By 1986, he was prepared to start his own contract coating services business. His business knowledge and expertise have grown exponentially since that time. Greg's business has expanded to areas of construction, operations support, maintenance services and industrial cleaning.

Thompson Construction Group's focus is on construction, operations support and maintenance services in the petrochemical, utility, steel, pulp & paper, healthcare and other specialized industries. The general contractor division, Thompson Turner, is focused on commercial and institutional construction projects. The Thompson family of companies has a broad and diverse business that covers every aspect of the construction market as well as significant growth in operations support and maintenance services. Thompson's largest completed construction project to date was part of the largest construction project in the United States located in Mobile, Alabama, ThyssenKrupp steel plant, a multi-billion dollar project.

Greg serves as the Chairman of the Sumter Economic Development Board, a founding member of the Sumter Smarter Growth Initiative, and serves on the Sumter School District Finance Committee.

Greg has been a champion of the redevelopment of downtown Sumter. He has exhibited this commitment by renovating 100 North Main Street for the Thompson Construction Group and Thompson Industrial Services headquarters. He has also renovated and opened Hampton's Restaurant and Bakery on West Hampton Avenue, 7 upper story apartments in the downtown of Sumter and most recently SIDEBAR on MAIN restaurant.

Tim McCoy

Senior Project Manager

Bio and Professional Qualifications

Tim McCoy began his career in his home state of West Virginia at the age of 17 while attending Marshall University. For the next 23 years Tim polished his project management skills in many coal industry ventures. Those ventures included mine supply business, operating rail coal loading facilities, purchasing and removing distressed coal properties, operating multiple preparation plants, barge loading facilities, as well as operating multiple underground and surface mining operations in Alabama. The skills acquired from years in the coal industry were a perfect fit for the Disaster Recovery industry. Tim began his DR work in 2005 following Hurricane Katrina. Please find below a list of DR projects where Tim has acted as the Senior Project Manager in charge of all facets of the undertaking.
