Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled “confidential,” “proprietary,” “trade secret,” “private,” or labeled with any other claim against public disclosure of the documents, to include any “trade secrets” as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

**22. INTERESTED PARTY DISCLOSURE:** West Virginia Code § 6D-1-2 requires that the vendor submit to the Purchasing Division a disclosure of interested parties to the contract for all contracts with an actual or estimated value of at least \$1 Million. That disclosure must occur on the form prescribed and approved by the WV Ethics Commission prior to contract award. **42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

**44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE:** W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

**DESIGNATED CONTACT:** Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

## Talbert Manufacturing Inc. Limited Warranty

**Limited Warranty:** Talbert Manufacturing Inc. (Talbert) of Rensselaer, Indiana, warrants to the original purchaser of each new Talbert trailer to be free of defects in material and workmanship under normal use and service for a period of (12) twelve months from the date of first retail sale of the trailer or date of in-service, whichever occurs first (hereafter referred to as "Delivery Date"). Furthermore Talbert warrants against defects in material and workmanship on the main structural members and supports of the trailer for a period of (36) thirty-six months from the date of first retail sale of the trailer or date of in-service. Our obligation under this warranty is limited to repair of the defective material, workmanship, main structural members or supports at a preapproved Talbert service facility (i.e. authorized Talbert dealer). This warranty is non-transferable.

Excluded from this limited warranty are:

1. Manufactured components of Talbert trailers (other than the trailer structure) or components supplied by other manufacturers and suppliers of components or accessories. Talbert will assign to the customer upon request any warranty rights it receives from the component manufacturer or supplier.
2. Normal maintenance services and wear parts, such as, but not limited to, tires, lights, brake components, flooring, paint/coatings, etc.

**Regulatory Warranty:** Talbert trailers are manufactured to conform to all applicable Federal Motor Vehicle Safety Standards in effect on the date of manufacture. We do not warrant trailers to be in compliance with any other federal, state or local laws, rules, regulations, or orders.

**Specific Exclusions:** Talbert limited warranty is subject to specific exclusions, and does not apply to any trailer which has been: 1) subjected to or operated with loads which, at any time, have exceeded the trailer's rated capacity or design limits; 2) repaired or altered outside of Talbert's factory in any way so as, in Talbert's sole judgment, to affect its stability or reliability; and 3) subject to misuse, negligence, accident, or has been operated in a manner expressly prohibited by the instructions; or not operated in accordance with operation of the trailer approved by Talbert. Please contact the factory prior to undertaking any repair or alteration including welding, burning, or drilling holes on or in the frame of your Talbert trailer so as to not void the warranty.

**Our Obligation:** Under the specific limited warranties set forth above, Talbert obligation is limited to making good at an authorized Talbert repair facility any trailer structure or Talbert manufactured component which shall be returned, transportation charges prepaid to Talbert, who shall examine the alleged defect and shall determine, in Talbert's sole discretion, whether the material or workmanship was defective at the time of manufacture and covered by this limited warranty. Any warranty claim must be made immediately to an authorized Talbert dealer who, in turn, shall notify the Talbert Warranty Department. Claims must be turned in to the Talbert Warranty Department no more than 5 days after the defective condition was discovered or should have been discovered. Talbert will not be obligated to pay for any repairs, alterations or parts which are made prior to authorization from the Talbert Warranty Department.

**Exclusive Warranty:** This warranty is the exclusive warranty given for trailers manufactured and sold by Talbert. It is expressly in lieu of, and supersedes, all other warranties, whether oral, written or implied, including the implied warranties of merchantability or fitness for a particular purpose, and of all other obligations or liabilities on the part of Talbert. Talbert neither assumes nor authorizes any dealer, or any other person, to make or assume for Talbert, any other warranty or liability in connection with the sale of any Talbert trailer.

**Limitation of Liability:** In no case will Talbert be liable for any consequential or incidental damages incurred, including, but not limited to, damage to any freight, loss of sales, profit or goodwill, loss of use of the trailer or any associated equipment, cost of rentals, substitute equipment, facilities or services, downtime costs; or any other damages, losses or claims of any third parties or attorneys' fees incurred by any of the foregoing claims set forth herein.

To activate this Limited Warranty coverage, you must register the trailer in the Talbert warranty system by selecting "Warranty Registration" located at [www.talbertmfg.com/warranty.html](http://www.talbertmfg.com/warranty.html). Registration must be completed within ten (10) days of first retail sale or in-service date, whichever occurs first. Failure to register within this proposed time frame will void all warranty obligations set forth herein and expressed or implied.

This contract shall be governed by and in accordance with the laws of the state of Indiana, and any and all actions, litigation or claims shall be brought and litigated in Jasper County, Indiana.
