### **General Information**

No registration is required for Day 1 Contracts. Agreements become active on the date specified on the quote and the contract.

A contract, or specified lines on a contract, may be deleted with 30 days written notice. A pro-rated credit only will be issued for any unused portion of the contract.

Day 1 Contracts are not pre-packaged services, but instead are customized to the end user, per the reseller's specifications. Day 1 Contracts are considered by HPE to be annuity contracts. Future renewal quotes will be made available in the in services renewal, portal 90 day prior to experation,

http://www.smartenablement.com/Login.aspx

Return to Support are fees are applied to equipment that has had a lapse in support. These fees are calculated against each lapsed piece of equipment and the respective duration of the lapse. If you have any documentation which suggests that the equipment marked as eligible for RTS has been under support more recently than indicated by the attached warranty details, please provide

### **HPE PointNext Order Entry Information**

To purchase the DayOne Renewal quote, orders must be placed directly with the DayOne team HPEDayOne@IngramMicro.com

Please provide your Ingam account number for billing purposes.

Please call 800-456-8000 x77637 or Email HPEDayOne@IngramMicro.com with questions.

### **Aruba Order Entry Information**

To purchase the Aruba DayOne Renewal quote, orders must be placed directly with the Aruba team HPEAruba@IngramMicro.com

Please provide your Ingam account number for billing purposes.

Please call 800-456-8000 x76883 or Email HPEAruba@IngramMicro.com with questions.

Zone 5 & 6 - Next Day On-site Response) - External Comments for Quotation beyond 480 km (or 300 miles):

### Comments:

Please note, due to extended travel distance, 6-hour Call to repair has been modified to 8 hour CTR for sites located in zone 3 (51-100 miles) from a primary HPE designated support hub. For more detailed information on travel zones, please refer to the HPE Customer Support Technical Data sheet.

Please note, due to extended travel distance, 4-hour on-site response is modified to 8- hour on-site response for sites located between 161km and 320km (or 101-200 miles) from a primary HPE designated support hub. For more detailed information on travel zones, please refer to the HPE Customer Support Technical Data sheet.

Please note, due to extended travel distance, next day on-site response is modified to 1 additional coverage day for sites located between 161 - 320 km (or 101-200 miles) from a primary HPE designated support hub. For more detailed information on travel zones, please refer to the HPE Customer Support Technical Data sheet

Please note, 4-hour on-site response is not applicable to sites located more than 321km (or 210 miles) from a primary HPE designated support hub. On-site response time is established at time of order and subject to resource availability due to extended travel distance. All travel costs will be separately invoiced at the time of service. For more detailed information on travel zones, please refer to the HPE Customer Support Technical Data sheet.

Please note, due to extended travel distance, next day on-site response is modified by 2 additional coverage days for sites located between 321-480 km (or 210-300 miles) from a primary HPE designated support hub. All travel costs will be separately invoiced at the time of service. For more detailed information on travel zones, please refer to the HPE Customer Support Technical Data sheet.

Please note, next day on-site response is not applicable to sites located more than 480 km (or 300 miles) from a primary HPE designated support hub. On-site response time is established at time of order and subject to resource availability due to extended travel distance. All travel costs will be separately invoiced at the time of service. For more detailed information on travel zones, please refer to the HPE Customer Support Technical Data sheet.
