The Three-Way Contract requires that specific additional terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the requirements set forth in this **Section C** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract and the MMAI. With respect to the requirements set forth in this

Section C, any capitalized terms that are used but not defined herein shall have the meanings that are ascribed to them in the Three-Way Contract. Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. The delegated activities and reporting requirements for which Provider is responsible are contained in the Agreement. Provider shall ensure that it and its downstream and related entities perform all such delegated activities and reporting requirements in compliance with 42 C.F.R. §§ 422.504, 423.505, 438.6(l), and 438.230(b)(1), as applicable. [Appendix C, ¶ A of Three-Way Contract]

2. HHS, the Comptroller General, the State of Illinois Department of Healthcare and Family Services (the "Department"), the Department's Office of Inspector General, the Medicaid Fraud Control Unit of the Illinois State Police, the Illinois Auditor General, and their designees, and other state and federal agencies with monitoring authority related to Medicare and Medicaid, have the right to audit, evaluate, and inspect any books, contracts, computer, or other electronic systems, including medical records and documentation, of Provider and its downstream and related entities, and the foregoing rights to inspect, evaluate, and audit any pertinent information for any particular contract period shall exist for ten years from the final date of the contract period or from the date of completion of any audit, whichever is later. [Appendix C, ¶ B of Three-Way Contract]

3. Provider and its downstream and related entities shall not hold Enrollees liable for payment of any fees that are the obligation of MCO. [Appendix C, ¶ C.1 of Three-Way Contract]

4. Any services or other activity performed by Provider and/or its downstream and related entities shall be performed in accordance with the MCO's contractual obligations to CMS and the Department. [Appendix C, ¶ C.2 of Three-Way Contract]

5. MCO shall revoke the delegation activities and reporting requirements or specify other remedies in instances where CMS, the Department, or the MCO determine that Provider and/or its downstream and related entities have not performed their delegated activities or reporting requirements satisfactorily. [Appendix C, ¶ C.4 of Three-Way Contract]

6. The performance of Provider and its downstream and related entities under the Agreement will be monitored by MCO on an ongoing basis and MCO may impose corrective action as necessary. [Appendix C, ¶ C.5 of Three-Way Contract]

7. Provider and its downstream and related entities agree to safeguard Enrollee privacy and confidentiality of Enrollee health records. [Appendix C, ¶ C.6 of Three-Way Contract]

8. Provider and its downstream and related entities must comply with all federal and state laws, regulations, and CMS instructions. [Appendix C, ¶ C.7 of Three-Way Contract]

9. To the extent that Provider and/or its downstream and related entities provide credentialing of medical providers under the Agreement:

   A. The credentials of medical professionals affiliated with the Provider and/or its downstream and related entities will be reviewed by MCO; or

   B. The credentialing process will be reviewed and approved by MCO and MCO shall audit the credentialing process on an ongoing basis.

[Appendix C, ¶ D of Three-Way Contract]

10. To the extent that MCO has delegated the selection of providers under the Agreement to Provider or its downstream and related entities, MCO retains the right to approve, suspend, or terminate that arrangement. [Appendix C, ¶ E of Three-Way Contract]

11. MCO has the right to terminate its contract with Provider with cause upon sixty (60) days' notice, and without cause upon 120 days' notice, and Provider shall assist with transitioning Enrollees to new providers, including sharing the Enrollee's medical record and other relevant Enrollee information as directed by the MCO or Enrollee. If a for-cause termination, MCO must have an internal grievance procedure that allows Provider to contest the grounds for the termination prior to the effective date of the termination. [Appendix C, ¶ F of Three-Way Contract]

12. MCO shall provide a written statement to Provider of the reason or reasons for termination for cause. [Appendix C, ¶ G of Three-Way Contract]

13. MCO is obligated to pay Provider under the terms of the Agreement, which includes a prompt-payment provision that has been developed and agreed to by both MCO and Provider. [Appendix C, ¶ H.1 of Three-Way Contract]

14. Provider and its downstream and related entities shall provide all services under the Agreement in a Culturally Competent manner to all Enrollees, including those with limited English proficiency or reading skills, and diverse culturally and ethnic backgrounds. [Appendix C, ¶ H.2 of Three-Way Contract]

15. Provider and its downstream and related entities shall abide by all applicable federal and state laws and regulations regarding confidentiality and disclosure of medical records, or other health and enrollment information. [Appendix C, ¶ H.3 of Three-Way Contract]

16. Provider and its downstream and related entities shall ensure that medical information is released in accordance with applicable federal or state law, or pursuant to court orders or subpoenas. [Appendix C, ¶ H.4 of Three-Way Contract]

17. Provider and its downstream and related entities shall maintain Enrollee records and information in an accurate and timely manner. [Appendix C, ¶ H.5 of Three-Way Contract]

18. Provider and its downstream and related entities shall ensure timely access by Enrollees to the records and information that pertain to them. [Appendix C, ¶ H.6 of Three-Way Contract]

19. Provider and its downstream and related entities shall not hold Enrollees liable for Medicare Part A and B cost sharing, and all Medicare Parts A and B services must be provided at zero cost-sharing to Enrollees. [Appendix C, ¶ H.7 of Three-Way Contract]

20. Provider and its downstream and related entities shall ensure that their EMTALA obligations are fulfilled as required by law and the Agreement and must not create any conflicts with any hospital actions required to comply with EMTALA. [Appendix C, ¶ H.8 and Section 2.9.9.1 of Three-Way Contract]

21. Provider and its downstream and related entities, including without limitation all primary care providers, shall not close or otherwise limit acceptance of Enrollees as patients unless the same limitations apply to all commercially insured Enrollees. [Appendix C, ¶ H.9 of Three-Way Contract]

22. MCO shall not refuse to contract or pay Provider for the provision of Covered Services solely because Provider has in good faith:

(a) Communicated with or advocated on behalf of one or more of the prospective, current, or former patients of Provider or its downstream and related entities regarding the provisions, terms, or requirements of the MCO's health benefit plans as they relate to the needs of such patients; or

(b) Communicated with one or more of the prospective, current, or former patients of Provider or its downstream and related entities with respect to the method by which such provider is compensated by the MCO for services provided to the patient.

[Appendix C, ¶ H.10 of Three-Way Contract]

23. Provider and its downstream and related entities are not required to indemnify MCO for any expenses and liabilities, including, without limitation, judgments, settlements, attorneys' fees, court costs, and any associated charges, incurred in connection with any claim or action brought against MCO based on MCO's management decisions, utilization review provisions, or other policies, guidelines, or actions. [Appendix C, ¶ H.11 of Three-Way Contract]

24. Provider and its downstream and related entities shall comply with all MCO's requirements and MCO Policies for utilization review, quality management and improvement, credentialing, and the delivery of preventive health services. [Appendix C, ¶ H.12 of Three-Way Contract]

25. MCO shall notify Provider in writing of modifications in payments, modifications in Covered Services or modifications in MCO's procedures, documents or requirements, including those associated with utilization review, quality management and improvement, credentialing, and preventive health services, that have a substantial impact on the rights or responsibilities of Provider, and the effective date of the modifications. The notice shall be provided 30 calendar days before the effective date of such modification unless such other date for notice is mutually agreed upon between MCO and Provider or unless such change is mandated by CMS or the Department without 30 calendar days' prior notice. [Appendix C, ¶ H.13 of Three-Way Contract]

26. Provider must comply with all Enrollee payment restrictions, including balance billing restrictions, and MCO may revoke or impose other specified remedies against Provider if Provider does not comply with such provisions. [Appendix C, ¶ H.14 of Three-Way Contract]

27. Provider and its downstream and related entities shall not bill Enrollees for charges for Covered Services other than pharmacy co-payments, if applicable. [Appendix C, ¶ H.15 of Three-Way Contract]

28. No payment shall be made by MCO to Provider, and Provider shall not seek payment from MCO, for a Provider Preventable Condition as defined in 42 C.F.R. § 447.26(b), and Provider shall, as a condition of payment from MCO, comply with reporting requirements on Provider Preventable Conditions as described at 42 C.F.R. § 447.26(d) and as may be specified by MCO and/or the Department. [Section 2.7.3.2 and Appendix C, ¶¶ H.16 and H.17 of Three-Way Contract]

29. To the extent Provider is a Primary Care Physician or a specialty provider, Provider shall ensure coverage for its practice twenty-four (24) hours a day, seven (7) days a week and have a published after-hours telephone number; voicemail alone after hours is not acceptable. [Section 2.9.2.1 and 2.10.4.1 of Three-Way Contract]

30. MCO shall monitor and ensure that all Utilization Management activities provided by Provider comply with all provisions of the Three-Way Contract, and Provider and its downstream and related entities shall cooperate with and utilize MCO's quality assurance program. [Section 2.13.2.1.2.2 and Appendix C, ¶ H.18 of Three-Way Contract]

31. Provider shall not bill Enrollees for missed appointments or refuse to provide services to Enrollees who have missed appointments. Providers must work with Enrollees and MCO to assist Enrollees in keeping their appointments. [Appendix C, ¶ H.19 of Three-Way Contract]

32. Provider shall not refuse to provide services to an Enrollee because the Enrollee has an outstanding debt with the Provider from a time prior to the Enrollee becoming a member. [Appendix C, ¶ H.20 of Three-Way Contract]

33. Provider shall comply with all applicable requirements governing physician incentive plans, including but not limited to such requirements appearing at 42 C.F.R. Parts 417, 422, 434, 438.6(h), and 1003. Contracts or arrangements with First Tier, Downstream and Related Entities shall not include incentive plans that include a specific payment to Provider or its downstream and related entities as an inducement to deny, reduce, delay, or limit specific, Medically Necessary Services, and (a) Provider and/or its downstream and related entities shall not profit from provision of Covered Services that are not Medically Necessary or medically appropriate, and (b) MCO shall not profit from denial or withholding of Covered Services that are Medically Necessary or medically appropriate. Nothing herein shall be construed to prohibit contracts that contain incentive plans that involve general payments such as capitation payments or shared-risk agreements that are made with respect to physicians or physician groups or that are made with respect to groups of Enrollees if such agreements, which impose risk on such physicians or physician groups for the costs of medical care, services, and equipment provided or authorized by another physician or health care provider, comply with Paragraph 34 immediately below. [Appendix C, ¶¶ H.14 and I, and Section 5.1.7 of Three-Way Contract]

34. MCO shall not impose a financial risk on Provider or its downstream and related entities for the costs of medical care, services, or equipment provided or authorized by another Physician or health care provider unless such contract includes specific provisions with respect to the following:

A. Stop-loss protection;

B. Minimum patient population size for the Physician or Physician group; and

C. Identification of the healthcare services for which Physician or Physician group is at risk.

[Appendix C, ¶ J of Three-Way Contract]

35. All contracts or arrangements with First Tier, Downstream and Related Entities for laboratory testing sites that provide services must include an additional provision that such laboratory testing sites must have either a Clinical Laboratory Improvement Amendment (CLIA) certificate or waiver of a certificate of registration along with a CLIA identification number. [Appendix C, ¶ K of Three-Way Contract]

36. Nothing shall be construed to restrict or limit the rights of MCO to include as providers religious non-medical providers or to utilize medically based eligibility standards or criteria in deciding provider status for religious nonmedical providers. [Appendix C, ¶ L of Three-Way Contract]

37. Provider shall meet all terms and requirements of the Three-Way Contract that are applicable to Provider. [Section 2.7.2.2.1 of Three-Way Contract]

38. Provider will collaborate with MCO on documentation systems reporting, communications, policies, and any other matters necessary for any readiness review required under the Three-Way Contract. [Section 2.2.1 of Three-Way Contract]

39. Provider shall collaborate with MCO, as requested and required under the Three-Way Contract, on activities relating to Care Coordination and the Enrollee Care Plans. [Section 2.5 of Three-Way Contract]

40. As requested and required under the Three-Way Contract, Provider shall actively participate as a member of the Interdisciplinary Care Team, and shall collaborate with the Enrollee and other members of the Interdisciplinary Care Team to perform the functions and tasks that are required of the Interdisciplinary Care Team under the Three-Way Contract. [Section 2.5.2 of Three-Way Contract]

41. Provider must maintain locations that are accessible to Enrollees with disabilities and that are ADA compliant. [Section 2.8.1.4 of Three-Way Contract]

42. Provider shall be responsive to the linguistic, cultural, ethnic, racial, religious, age, gender and other unique needs of any minority, homeless population, Enrollee with disabilities (both congenital and acquired disabilities), or other special population served by the MCO. [Section 2.7.1.6 of Three-Way Contract]

43. To the extent that Provider is multilingual, Provider shall understand and comply with its obligations under state or federal law to assist Enrollees with skilled medical interpreters and the resources that are available to assist Provider to meet these obligations. [Section 2.7.1.8 of Three-Way Contract]

44. Provider shall maintain a strong understanding of disability culture and **Long Term Supports and Services**. [Section 2.7.1.14 of Three-Way Contract]

45. To the extent that Provider provides Medicare-covered services, Provider shall be enrolled as a Medicare provider in order to submit claims for reimbursement or otherwise participate in the Medicare program. To the extent that Provider provides Medicaid-covered services, Provider shall be enrolled in the Illinois Medicaid program, if such enrollment is required by the Department's rules or policy, in order to submit claims for reimbursement or otherwise participate in the Illinois Medicaid program. [Section 2.8.1.2 of Three-Way Contract]

46. If a Provider provides any Emergency Services to an Enrollee, the Provider must promptly notify the Enrollee's Primary Care Physician of the Enrollee's screening and treatment. [Section 2.9.8.1.7 of Three-Way Contract]

47. If any Grievance or Appeal is filed with Provider, Provider must immediately forward it to MCO. [Section 2.11.1.1 of Three-Way Contract]

48. Provider must comply with the American with Disabilities Act (ADA) (28 C.F.R. § 35.130) and Section 504 of the Rehabilitation Act of 1973 (Section 504) (29 U.S.C. § 794) as outlined in the Three-Way Contract, and must maintain capacity to deliver services in a manner that reasonably accommodates the needs of Enrollees. [Section 2.9.1.6 of Three-Way Contract]

49. Upon MCO's request, Providers must provide the following information: (a) its name, address, and telephone number; (b) its areas of special experience, skills and training, including any expertise in treating the MMAI population; (c) its office hours, including the name of any provider site open after 5:00 p.m. (Eastern Time) weekdays and/or open on weekends; (d) its cultural and linguistic capabilities, including languages spoken by the Provider or by any skilled medical interpreter at the Provider's site; (e) Provider licensing information; (f) whether it is accessible for people with physical disabilities; (g) whether it is accepting new patients; (h) whether it is accessable by public transportation; and (h) any languages other than English spoken by Provider or by skilled medical interpreters at Provider's site, and whether translation services are available. [Section 2.14.5.2 of Three-Way Contract]

50. As requested and required, Provider must provide any information that CMS and/or the Department require (a) under the Three-Way Contract related to the performance of MCO's responsibilities, including non-medical information for the purposes of research and evaluation; (b) to comply with all applicable federal or state laws and

regulations; and (c) for external rapid cycle evaluation including program expenditures, service utilization rates, rebalancing from institutional to community settings, Enrollee satisfaction, Enrollee Grievances and Appeals and enrollment/disenrollment rates. [Section 2.16.1 of Three-Way Contract]

51. Collaborate with MCO in the collection and maintenance of all Encounter Data for all Covered Services that Provider provides to Enrollees, ensuring that all such data can be linked to the Department eligibility data. [Section 2.17 of Three-Way Contract]

52. In connection with the MMAI, Provider shall act in an independent capacity and not as an officer, employee, or agent of the federal government or the State of Illinois. [Section 5.1.3.1 of Three-Way Contract]

53. Provider shall not have any interest that will conflict, as determined by CMS and the Department, with the performance MCO's services under the Three-Way Contract, including without limitation any financial, legal, contractual or other business interest in any entity performing enrollment functions for the Department. [Section 5.3.17 of Three-Way Contract]

54. If requested by the State of Illinois in response to a background check of any officer, employee, or agent of the Provider, the Provider shall immediately reassign any such individual who, in the opinion of the State of Illinois, does not pass the background check. [Section 5.3.21.1 of Three-Way Contract]

55. Provider is prohibited from giving gifts to Department employees, and from giving gifts to, or accepting gifts from, any person who has a contemporaneous contract with the Department involving duties or obligations related to the Three-Way Contract. [Section 5.3.21.8 of the Three-Way Contract]

56. As requested by MCO, Provider shall submit disclosures in accordance with 42 C.F.R. § 455 and 42 C.F.R. § 1002.3. [Section 5.1.6 of Three-Way Contract]

57. Provider shall notify MCO immediately if Provider has lost any required license or state or federal approval, or has been excluded from participation in federal health care programs under either Section 1128 or Section 1128A of the Social Security Act, and implementing regulations at 42 C.F.R. Part 1001 *et seq.* [Sections 2.7.1.3 and 5.3.4 of Three-Way Contract]

58. Provider and its downstream and related entities shall allow MCO to access the medical records of Enrollees. [Section 2.13.4.2.3 of Three-Way Contract]

59. If the Provider is discharging an Enrollee from a hospital, Provider must assure that the Enrollee receives a written notice of explanation called an "Important Message from Medicare About your Rights" regarding the right to appeal the discharge decision from an inpatient hospital admission. [Section 2.12.7.1 of Three-Way Contract]

60. Providers shall offer hours of operation that are no less than the hours of operation offered to individuals who are not Enrollees. [Section 2.8.6 of Three-Way Contract]

61. Provider must be appropriately and continually licensed or certified, as applicable, pursuant to federal and statement requirements. [Section 2.7.2.2.4 of Three-Way Contract]

62. Provider shall conduct all activities in accordance with the Enrollee rights and protections set forth under

42 C.F.R. § 438.100, 42 C.F.R. §422 Subpart C, and Appendix B ("Enrollee Rights") of the Three-Way Contract. [Appendix B of Three-Way Contract]

63. Provider may not reuse or provide other entities access to the CMS or Illinois information systems, or data obtained from the CMS or Illinois information systems, to support any line of business other than the MMAI for which the MCO contracted with CMS and the State of Illinois. [Appendix F of Three-Way Contract]

64. Provider acknowledges and agrees that compliance with Sections 5.3.22 through 5.3.32 of the Three-Way Contract and each subsection thereof (collectively, the "Standard Certifications") is a material requirement and condition of this Agreement during the entire term thereof, including during any renewal periods. By executing the Agreement, Provider certifies compliance with the Standard Certifications in their entirety, and Provider is under a continuing obligation to remain in compliance with, and to report any non-compliance with respect to, the Standard Certifications. Furthermore, Provider shall include the Standard Certifications in any subcontracts or other contracts with downstream entities or related entities that Provider enters into with respect to the provision of Covered Services to Enrollees dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, including the performance of any activities delegated to Provider in connection with the Three-Way Contract and the MMAI; if the Agreement extends over multiple fiscal years, including the initial term and all renewals, Provider and any such subcontractors, downstream entities, or related entities shall confirm compliance with the Standard Certifications in the manner and format determined by the State of Illinois by the date specified by the State of Illinois, and in no event later than July 1 of each year that the Agreement remains in effect.

If the Parties determine that any Standard Certification is not applicable to the Agreement, such Standard Certification may be stricken without affecting the remaining Standard Certifications.

As part of each Standard Certification, Provider acknowledges and agrees that if Provider or its subcontractors, downstream entities, or related entities provide false information, or fail to be or remain in compliance with the Standard Certifications, one or more of the following sanctions will apply: (a) the Agreement may be void by operation of law; (b) the State of Illinois may void the Agreement; and (c) the Provider and its subcontractors, downstream entities, or related entities may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. Identifying a sanction or failing to identify a sanction in relation to any of the Standard Certifications does not waive imposition of other sanctions or preclude application of sanctions not specifically identified.

a. Provider certifies it and its employees will comply with applicable provisions of the United States Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101, *et seq.*), and applicable rules in performance of this Agreement.

b. Provider certifies, if applicable, that it is a properly formed and existing legal entity (30 ILCS 500/1.15.80, 20-43); and as applicable has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State.

c. Provider certifies it has neither been convicted of bribing or attempting to bribe an officer or employee of the State of Illinois or any other state, nor made an admission of guilt of such conduct that is a matter of record. 30 ILCS 500/50-5.

d. If Provider employs twenty-five (25) or more employees and the Agreement is worth more than $5,000, Provider certifies that it will provide a drug free workplace pursuant to the Drug Free Workplace Act (30 ILCS 580).

e. Provider certifies that neither Provider nor any substantially owned affiliate of Provider is participating or shall participate in an international boycott in violation of the U.S. Export Administration Act of 1979 or the applicable regulations of the U.S. Department of Commerce. This applies to contracts that exceed

$10,000 (30 ILCS 582).

f. Provider certifies that it has not been convicted of the offense of bid rigging or bid rotating or any similar offense of any state or of the United States (720 ILCS 5/33E-3, E-4).

g. Provider certifies that it complies with the Illinois Department of Human Rights Act and rules applicable to public contracts, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (775 ILCS 5/2-105).

h. Provider warrants and certifies that it and, to the best of its knowledge, its subcontractors, downstream entities, or related entities, have and will comply with Executive Order No. 1 (2007). That Order generally prohibits contractors and subcontractors from hiring the then-serving Illinois Governor's family members to lobby procurement activities of the State of Illinois, or any other unit of government in Illinois including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State of Illinois employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

i. Provider certifies that it is not currently barred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or agency, and is not currently barred or suspended from contracting with the State of Illinois under Section 50-35(f), 50-35(g) or 50-65 of the Illinois Procurement Code, 30 ILCS 500/1-1 *et seq.* If at any time during the term of this Agreement, Provider becomes barred, suspended, or excluded from participation in this transaction, Provider shall, within thirty (30) days after becoming barred, suspended, or excluded, provide to the Department a written description of each offense causing the exclusion, the date(s) of the offense, the action(s) causing the offense(s), any penalty assessed or sentence imposed, and the date any penalty was paid or sentence complete.

j. Provider certifies that, to the best of its knowledge and belief, no federally appropriated funds have been paid or will be paid by or on behalf of Provider, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal loan or grant, or the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan or cooperative agreement, Provider shall complete and submit Standard Form LLL, "Disclosure Forms to Report Lobbying," in accordance with its instructions. Such form is to be obtained at Provider's request from the Department's Bureau of Fiscal Operations. Provider shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this Agreement was executed. Submission of this certification is a prerequisite for making or entering into the transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Exhibit A— Schedule 1

Medicare Required Provisions

CMS requires that specific terms and conditions be incorporated into the Agreement between a Medicare Advantage Organization or First Tier Entity and a First Tier Entity or Downstream Entity to comply with the Medicare laws, regulations, and CMS instructions, including, but not limited to, the Medicare Prescription Drug, Improvement and Modernization Act of 2003, Pub. L. No. 108-173, 117 Stat. 2066 ("MMA"); and

Except as provided herein, all other provisions of the Agreement between Company (or its Affiliate, as the case may be) and Provider (referred to in this Schedule 1 as "FDR") not inconsistent herein shall remain in full force and effect. This Amendment shall supersede and replace any inconsistent provisions to such Agreement; to ensure compliance with required CMS provisions, and shall continue concurrently with the term of such Agreement.

NOW, THEREFORE, the parties agree as follows:

A. **Definitions**:

1. Centers for Medicare and Medicaid Services ("CMS"): the agency within the Department of Health and Human Services that administers the Medicare program.

2. Completion of Audit: completion of audit by the Department of Health and Human Services, the Government Accountability Office, or their designees of a Medicare Advantage Organization, Medicare Advantage Organization contractor or related entity.

3. Downstream Entity: any party that enters into a written arrangement, acceptable to CMS, with persons or entities involved with the MA benefit, below the level of the arrangement between an MA organization (or applicant) and a first tier entity. These written arrangements continue down to the level of the ultimate provider of both health and administrative services.

4. Final Contract Period: the final term of the contract between CMS and the Medicare Advantage Organization.

5. First Tier Entity: any party that enters into a written arrangement, acceptable to CMS, with an MA organization or applicant to provide administrative services or health care services for a Medicare eligible individual under the MA program.

6. Medicare Advantage ("MA"): an alternative to the traditional Medicare program in which private plans run by health insurance companies provide health care benefits that eligible beneficiaries would otherwise receive directly from the Medicare program.

7. Medicare Advantage Organization ("MA organization"): a public or private entity organized and licensed by a State as a risk-bearing entity (with the exception of provider-sponsored organizations receiving waivers) that is certified by CMS as meeting the MA contract requirements.

8. Member or Enrollee: a Medicare Advantage eligible individual who has enrolled in or elected coverage through a Medicare Advantage Organization.

9. Provider: (1) any individual who is engaged in the delivery of health care services in a State and is licensed or certified by the State to engage in that activity in the State; and (2) any entity that is engaged in the delivery of health care services in a State and is licensed or certified to deliver those services if such licensing or certification is required by State law or regulation.

10. Related entity: any entity that is related to the MA organization by common ownership or control and (1) performs some of the MA organization's management functions under contract or delegation; (2) furnishes services to Medicare enrollees under an oral or written agreement; or (3) leases real property or sells materials to the MA organization at a cost of more than $2,500 during a contract period.

B. Required Provisions:

FDR agrees to the following:

1. HHS, the Comptroller General, or their designees have the right to audit, evaluate, and inspect any pertinent information for any particular contract period, including, but not limited to, any books, contracts, computer or other electronic systems (including medical records and documentation of the first tier, downstream, and entities related to CMS's contract with Company (hereinafter, "MA organization") through 10 years from the final date of the final contract period of the contract entered into between CMS and the MA organization or from the date of completion of any audit, whichever is later. [42 C.F.R. §§ 422.504(i)(2)(i) and (ii)] and [42 CFR §423.505]

2. HHS, the Comptroller General, or their designees have the right to audit, evaluate, collect, and inspect any records under paragraph 1 of this amendment directly from any first tier, downstream, or related entity. For records subject to review under paragraph 1, except in exceptional circumstances, CMS will provide notification to the MA organization that a direct request for information has been initiated. [42 C.F.R. §§ 422.504(i)(2)(ii) and (iii)]

3. FDR will comply with the confidentiality and enrollee record accuracy requirements, including: (1) abiding by all Federal and State laws regarding confidentiality and disclosure of medical records, or other health and enrollment information, (2) ensuring that medical information is released only in accordance with applicable Federal or State law, or pursuant to court orders or subpoenas, (3) maintaining the records and information in an accurate and timely manner, and (4) ensuring timely access by enrollees to the records and information that pertain to them. [42 C.F.R. §§ 422.504(a)(13) and 422.118] and [42 CFR §423.136]

4. Enrollees will not be held liable for payment of any fees that are the legal obligation of the MA organization. [42 C.F.R. §§ 422.504(i)(3)(i) and 422.504(g)(1)(i)] and [42 CFR §423.505(i)(3)(i)]

5. For all enrollees eligible for both Medicare and Medicaid, enrollees will not be held liable for Medicare Part A and B cost sharing when the State is responsible for paying such amounts. Providers will be informed of Medicare and Medicaid benefits and rules for enrollees eligible for Medicare and Medicaid. FDR may not impose cost-sharing that exceeds the amount of cost-sharing that would be permitted with respect to the individual under title XIX if the individual were not enrolled in such a plan. Providers will: (1) accept the MA plan payment as payment in full, or (2) bill the appropriate State source. [42 C.F.R. §§ 422.504(i)(3)(i) and 422.504(g)(1)(i)]

6. Any services or other activity performed in accordance with a contract or written agreement by FDR are consistent and comply with the MA organization's contractual obligations. [42 C.F.R. § 422.504(i)(3)(iii)] and [42 CFR §423.505(i)(3)(iii)]

7. Contracts or other written agreements between the MA organization and providers or between first tier and downstream entities must contain a prompt payment provision, the terms of which are developed and agreed to by the contracting parties. The MA organization is obligated to pay contracted providers under the terms of the contract between the MA Organization/Physician and the provider. [42 C.F.R. §§ 422.520(b)(1) and (2)]

8. FDR and any related entity, contractor or subcontractor will comply with all applicable Federal and Medicare laws, regulations, and CMS instructions. [42 C.F.R. §§ 422.504(i)(4)(v)] and [42 CFR §423.505(i)(4)(iv)]

9. If any of the MA organization's activities or responsibilities under its contract with CMS are delegated to any first tier, downstream and related entity:

(i) The delegated activities and reporting responsibilities are specified as follows:

[To be specified if applicable]

(ii) CMS and the MA organization reserve the right to revoke the delegation activities and reporting requirements or to specify other remedies in instances where CMS or the MA organization determine that such parties have not performed satisfactorily.

(iii) The MA organization will monitor the performance of the parties on an ongoing basis.

[To be specified if applicable]

(iv) The credentials of medical professionals affiliated with the party or parties will be either reviewed by the MA organization or the credentialing process will be reviewed and approved by the MA organization and the MA organization must audit the credentialing process on an ongoing basis.

[To be specified if applicable]

(v) If the MA organization delegates the selection of providers, contractors, or subcontractor, the MA organization retains the right to approve, suspend, or terminate any such arrangement.

[42 C.F.R. §§ 422.504(i)(4) and (5)]

In the event of a conflict between the terms and conditions above and the terms of a related agreement, the terms above control.

Individual Sites Regulatory Addendum – Exhibit A

Texas Medicaid Regulatory Compliance Addendum – Provider

This Texas Medicaid Compliance Addendum ("Addendum") is incorporated by reference into the Agreement and applies to Medicaid and CHIP products, including STAR Kids and the eligible populations covered by the State Contract.

If there is any conflict between the terms of this Addendum and any of the other terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum will govern and control; provided, however, if there is any conflict between any of the terms of the Agreement, including this Addendum, and the State Contract, then the terms of the State Contract will govern and control.

For purposes of this Addendum, the term "Provider" shall mean the health care physician, provider, group, facility or hospital executing the Agreement, as identified on the first page of the Agreement. Capitalized terms used and not otherwise defined in this Addendum shall have the meanings set forth in the Agreement or, if not defined in the Agreement, in the State Contract(s) or under Texas Law.

I. Texas Medicaid Managed Care Required Provisions

The State Contract mandates that Company's provider agreements, including the Agreement, include mandatory provisions included in the Texas Health and Human Services Commission's ("HHSC") Uniform Managed Care Manual, Chapter 8.1, "Provider Contract Checklist" (UMCM, Chapter 8.1). Company's Provider Manual and all amendments to the Provider Manual are incorporated by reference into the Agreement.

A. Access to Records. Provider agrees to provide to HHSC, at no cost:

1. All information required under Company's managed care contract with HHSC, including, but not limited to, the reporting requirements and other information related to the provider network, Provider's performance of its obligations under the Agreement; and
2. Any information in Provider's possession sufficient to permit HHSC to comply with the federal Balanced Budget Act of 1997 or other federal or state laws, rules and regulations.

All information must be provided in accordance with the timelines, definitions, formats and instructions specified by HHSC. [CHIP, Uniform Managed Care Contract (UMCC), Att. B-1, § 8.1.20, CHIP Rural Service Area Contract (RSA), Att. B-1, § 8.1.20; STAR, UMCC, Att. B-1 § 8.1.20; STAR+PLUS, UMCC, Att. B-1 § 8.1.20, STAR+PLUS Expansion Contract (S+P Ex.), Att. B-1, § 8.1.20, STAR+PLUS Medicaid Rural Service Area (S+P MRSA), Att. B-1, § 8.1.22; STAR Health, Att. B-1 § 8.1.26; STAR Kids, Att. B-1 § 8.1.22]

Upon receipt of a record review request from the HHSC Office of Inspector General (OIG) or another state or federal agency authorized to conduct compliance, regulatory or program integrity functions, Provider must provide, at no cost to the requesting agency, the records requested within three (3) business days of the request. If the OIG or another state or federal agency representative reasonably believes that the requested records are about to be altered or destroyed or that the request may be completed at the time of the request or in less than 24 hours, Provider must provide the records requested at the time of the request or in less than 24 hours. The request for record review includes clinical medical or dental Member records; other records pertaining to the Member; any other records of services provided to Medicaid or other health and human services program recipients and payments made for those services; documents related to diagnosis, treatment, service, lab results, and charting; billing records, invoices, documentation of delivery items, equipment or supplies; radiographs and study models related to orthodontia services; business and accounting records with backup support documentation; statistical

documentation; computer records and data; and/or contracts with providers and subcontractors. Failure to produce the records or make the records available for the purpose of reviewing, examining and securing custody of the records may result in OIG imposing sanctions against Provider as described in 1 Tex. Admin. Code, Chapter 371, Subchapter G. [CHIP, UMCC, Att. B-1, § 8.1.19, RSA, Att. B-1, § 8.1.19; STAR, UMCC, Att. B-1 § 8.1.19; STAR+PLUS, UMCC, Att. B-1 § 8.1.19, S+P Ex., Att. B-1, § 8.1.19, S+P MRSA, Att. B-1, § 8.1.21; STAR Health. Att. B-1 § 8.1.25; STAR Kids, Att. B-1 § 8.1.21]

B. **Administrative Requirements**. Provider must inform both Company and HHSC's administrative services contractor of any changes to Provider's address, telephone number, group affiliation, etc. [CHIP, UMCM, Ch. 3.3; STAR, UMCM, Ch. 3.3; STAR+PLUS, UMCM, Ch. 3.3; STAR Health, UMCM, Ch. 3.14; STAR Kids, UMCM, Ch. 3.34]

C. **Advance Directives**. Provider must comply with the requirements of applicable state and federal laws, rules and regulations relating to advance directives for all STAR, STAR+PLUS, STAR Health or STAR Kids Members. [STAR, UMCC, Att. B-1 § 8.2.11; STAR+PLUS, UMCC, Att. B-1 § 8.2.11, S+P Ex., Att. B-1, § 8.1.32, S+P MRSA, Att. B-1, § 8.1.34; STAR Health, Att. B-1 § 8.1.34.1; STAR Kids, Att. B-1 § 8.1.35]

D. **Audit or Investigation**. Provider agrees to provide, at no cost, the following entities or their designees with prompt, reasonable and adequate access to the Agreement and any records, books, documents and papers that are related to the Agreement and/or Provider's performance of its responsibilities under the Agreement:

1. The United States Department of Health and Human Services or its designee;
2. The Comptroller General of the United States or its designee;
3. Company personnel from HHSC or its designee;
4. The Office of Inspector General;
5. The Medicaid Fraud Control Unit of the Texas Attorney General's Office or its designee;
6. Any independent verification and validation contractor, audit firm, or quality assurance contractor acting on behalf of HHSC;
7. The Office of the State Auditor of Texas or its designee;
8. A State or Federal law enforcement agency;
9. A special or general investigating committee of the Texas Legislature or its designee; and
10. Any other state or federal entity identified by HHSC, or any other entity engaged by HHSC.

Provider must provide access wherever it maintains such records, books, documents and papers. Provider must provide such access in reasonable comfort and provide any furnishings, equipment and other conveniences deemed reasonably necessary to fulfill the purposes described herein.

Requests for access may be for, but are not limited to, the following purposes:

1. examination;
2. audit;
3. investigation;
4. contract administration;
5. the making of copies, excerpts or transcripts; or
6. any other purpose HHSC deems necessary for contract enforcement or to perform its regulatory functions.

Provider understands and agrees that the acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's Office ("SAO"), or any successor agency, to conduct an investigation in connection with those funds. Provider further agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested at no cost.

[CHIP, UMCC, Att. A, §§ 9.02, 9.04, RSA, Att. A, §§ 9.02, 9.04; STAR, UMCC, Att. A, §§ 9.02, 9.04; STAR+PLUS, UMCC, Att. A, §§ 9.02, 9.04, S+P Ex., Att. A, §§ 9.02, 9.04, S+P MRSA, Att. A, §§ 9.02, 9.04; STAR Health, Att. A, §§ 9.02, 9.05; STAR Kids, Att. A, § 9.05 & Att. B-1 § 9.02]

E. Behavioral Health

1. Providers who are Primary Care Physicians (PCPs) must have screening and evaluation procedures for detection and treatment of, or referral for, any known or suspected behavioral health problems and disorders. [CHIP, UMCC, Att. B-1, § 8.1.15.4, RSA, Att. B-1, § 8.1.15.4; STAR, UMCC, Att. B-1 § 8.1.15.4; STAR+PLUS, UMCC, Att. B-1 § 8.1.15.4, S+P Ex., Att. B-1, § 8.1.15.4, S+P MRSA, Att. B-1, § 8.1.15.4; STAR Health, Att. B-1 § 8.1.17.4; STAR Kids, Att. B-1 § 8.1.16.3]
2. Providers who provide inpatient psychiatric services to a Member must schedule the Member for outpatient follow-up and/or continuing treatment prior to discharge. The outpatient treatment must occur within seven (7) days from the date of discharge. Behavioral health providers must contact Members who have missed appointments within 24 hours to reschedule appointments. [CHIP, UMCC, Att. B-1, § 8.1.15.5, RSA, Att. B-1, § 8.1.15.5; STAR, UMCC, Att. B-1 § 8.1.15.5; STAR+PLUS, UMCC, Att. B-1 § 8.1.15.5, S+P Ex., Att. B-1, § 8.1.15.5, S+P MRSA, Att. B-1, § 8.1.15.5; STAR Health, Att. B-1 § 8.1.17.5; STAR Kids, Att. B-1 § 8.1.16.4]

F. **Cancellation of Product Orders**. If Provider offers delivery services for covered products, such as durable medical equipment (DME), limited home health supplies (LHHS), or outpatient drugs or biological products, Provider must reduce, cancel or stop delivery if the Member or the Member's authorized representative submits an oral or written request. Provider must maintain records documenting the request. [CHIP, UMCC, Att. B-1, § 8.1.27, RSA, Att. B-1, § 8.1.27; STAR, UMCC, Att. B-1 § 8.1.27; STAR+PLUS, UMCC, Att. B-1 § 8.1.27, S+P Ex., Att. B-1, § 8.1.44, S+P MRSA, Att. B-1, § 8.1.16.7; STAR Health, Att. B-1 § 8.1.21; STAR Kids, Att. B-1 § 8.1.17.17]

G. Claims Payment

1. The process for payment of claims applicable to the Agreement is set forth in Company's Provider Manual. Information required for the submission of a clean claim is described in the main body of the Agreement and in Company's Provider Manual. Provider's rate of compensation is identified in the Services and Compensation Schedule to the Agreement. Where compensation is based on the Texas Medicaid fee schedule, Provider may obtain information about the fee schedule by contacting Company at the address or telephone number listed in Company's Provider Manual. There is no charge for this information. [CHIP, UMCC, Att. B-1, §§ 8.1.4.8 & 8.1.18.5, RSA, Att. B-1, §§ 8.1.4.8 & 8.1.18.5; STAR, UMCC, Att. B-1 §§ 8.1.4.8 & 8.1.18.5; STAR+PLUS, UMCC, Att. B-1 §§ 8.1.4.8 & 8.1.18.5, S+P Ex., Att. B-1, §§ 8.1.4.8 & 8.1.18.5, S+P MRSA, Att. B-1, §§ 8.1.4.8 & 8.1.20.5; STAR Health, Att. B-1 §§ 8.1.4 & 8.1.24.5; STAR Kids, Att. B-1 § 8.1.20.5]

2. Notwithstanding anything in the Provider Manual to the contrary, Company shall pay clean claims for: (1) healthcare services within thirty (30) days from receipt; (2) pharmacy services no later than eighteen (18) days of receipt if submitted electronically or twenty-one (21) days of receipt if submitted non-electronically. Company will pay Provider interest at a rate of 18% per annum on all clean claims that are not adjudicated within thirty (30) days. [CHIP, UMCC, Att. B-1, § 8.1.18.5, RSA, Att. B-1, § 8.1.18.5; STAR, UMCC, Att. B-1 § 8.1.18.5; STAR+PLUS, UMCC, Att. B-1 § 8.1.18.5, S+P Ex., Att. B-1, § 8.1.18.5, S+P MRSA, Att. B-1, § 8.1.20.5; STAR Health, Att. B-1 § 8.1.24.5; STAR Kids, Att. B-1 § 8.1.20.5]

3. Provider must comply with the requirements of Texas Government Code § 531.024161 regarding the submission of claims involving supervised providers. [CHIP, UMCC, Att. B-1, § 8.1.18.1, RSA, Att. B-1, § 8.1.18.1; STAR, UMCC, Att. B-1 § 8.1.18.1; STAR+PLUS, UMCC, Att. B-1 § 8.1.18.1, S+P Ex., Att. B-1, § 8.1.18.1, S+P MRSA, Att. B-1, § 8.1.20.1; STAR Health, Att. B-1 § 8.1.24.1; STAR Kids, Att. B-1 § 8.1.20.1]

4. Provider may request a description and copy of the coding guidelines, including any underlying bundling, recoding or other payment process and fee schedules applicable to specific procedures that Provider will receive under the Agreement. Company will provide the coding guidelines not later than thirty (30) days after receipt of the request. Company will provide notice of changes to the coding guidelines and fee schedule that will result in a change of payment not later than the 90th day before the date the change takes effect. Provider may terminate the Agreement in accordance with the termination provisions of the Agreement on or before the 30th day after Provider receives information requested without penalty or discrimination in participation in other health care products or plans. [CHIP, UMCC, Att. B-1, § 8.1.18.5, RSA, Att. B-1, § 8.1.18.5; STAR, UMCC, Att. B-1 § 8.1.18.5; STAR+PLUS, UMCC, Att. B-1 § 8.1.18.5, S+P Ex., Att. B-1, § 8.1.18.5, S+P MRSA, Att. B-1, § 8.1.20.5; STAR Health, Att. B-1 § 8.1.24.5; STAR Kids, Att. B-1 § 8.1.20.5; TEX. INS. CODE § 843.321]

5. A physician or provider who receives such information may only (1) use or disclose the information for the purpose of practice management, billing activities and other business operations; and (2) disclose the information to a governmental agency involved in the regulation of health care or insurance. [TEX. INS. CODE § 843.321]

6. Program violations arising out of performance of the Agreement are subject to administrative enforcement by the HHSC OIG as specified in 1 Tex. Admin. Code, Chapter 371, Subchapter G. [CHIP, UMCC, Att. B-1, § 8.1.18.5, RSA, Att. B-1, § 8.1.18.5; STAR, UMCC, Att. B-1 § 8.1.18.5; STAR+PLUS, UMCC, Att. B-1 § 8.1.18.5, S+P Ex., Att. B-1, § 8.1.18.5, S+P MRSA, Att. B-1, § 8.1.20.5; STAR Health, Att. B-1 § 8.1.24.5; STAR Kids, Att. B-1 § 8.1.20.5]

H. Complaints and Appeals

1. Company's complaint and appeal processes applicable to Provider under the terms of the Agreement are set forth in Company's Provider Manual. [CHIP, UMCC, Att. B-1, § 8.4.1, RSA, Att. B-1, § 8.4.10; STAR, UMCC, Att. B-1 § 8.2.4; STAR+PLUS, UMCC, Att. B-1 § 8.2.4, S+P Ex., Att. B-1, § 8.1.25, S+P MRSA, Att. B-1, § 8.1.27; STAR Health, Att. B-1 § 8.1.31; STAR Kids, Att. B-1 § 8.1.27]

2. Provider understands and agrees that HHSC reserves the right and retains the authority to make reasonable inquiry and to conduct investigations into Provider and Member complaints.

I. Confidentiality

1. Provider must treat all information that is obtained through the performance of the services included in the Agreement as confidential information to the extent that confidential treatment is provided under state and federal laws, rules and regulations. This includes, but is not limited to, information relating to applicants or recipients of HHSC Programs. [CHIP, UMCC, Att. A, § 11.01(a), RSA Att., A, § 11.01(a); STAR, UMCC, Att. A, § 11.01(a); STAR+PLUS, UMCC, Att. A, § 11.01(a), S+P Ex., Att. A, § 11.01(a), S+P MRSA, Att. A, § 11.01(a); STAR Health Att., A, § 11.01(a); STAR Kids, Att. A, § 11.01(a)]

2. Provider shall not use information obtained through the performance of the Agreement in any manner except as is necessary for the proper discharge of obligations and securing of rights under the Agreement. [CHIP, UMCC, Att. A, § 11.01(c), RSA, Att. A, § 11.01(c); STAR, UMCC, Att. A, § 11.01(c); STAR+PLUS, UMCC, Att. A, § 11.01(c), S+P Ex., Att. A, § 11.01(c), S+P MRSA, Att. A, § 11.01(c); STAR Health, Att. A, § 11.01(c); STAR Kids, Att. A, § 11.01(c)]

3. Provider shall protect the confidentiality of Member Protected Health Information (PHI), including patient records. Provider must comply with all applicable federal and state laws, including the HIPAA Privacy and Security Rule governing the use and disclosure of PHI. [CHIP, UMCC, Att. A, §§ 7.02, 7.07, 11.01, & 11.03(a), RSA, Att. A, §§ 7.02, 7.07, 11.01, & 11.03(a); STAR, UMCC, Att. A, §§ 7.02, 7.07, 11.01, & 11.03(a); STAR+PLUS, UMCC, Att. A, §§ 7.02, 7.07, 11.01, & 11.03(a), S+P Ex., Att. A, §§ 7.02, 7.07,

11.01, & 11.03(a), S+P MRSA, Att. A, §§ 7.02, 7.06, 11.01, & 11.03(a); STAR Health, Att. A, §§ 7.02, 7.06, 11.01, & 11.03(a); STAR Kids, Att. A, §§ 7.02, 7.06, 11.01, & 11.03(a)]

J. **Costs of Non-Covered Services**. Provider must inform Members of the cost for non-covered services prior to rendering such services and must obtain a signed Private Pay form from such a Member. [CHIP, UMCC, Att. B-1, § 8.1.23, RSA, Att. A, § 10.11(a)(7); STAR, UMCC, Att. B-1, § 8.1.23; STAR+PLUS, UMCC, Att. B-1, § 8.1.23, S+P Ex., Att. A, § 10.10, S+P MRSA, Att. A, § 10.10; STAR Health, Att. A, § 10.09; STAR Kids, Att. A, § 10.09]

K. **Durable Medical Equipment**. Please consult the Texas Medicaid Provider Procedures Manual, Durable Medical Equipment (DME) and Comprehensive Care Program (CCP) sections, and Company's Provider Manual under the heading "DURABLE MEDICAL EQUIPMENT AND OTHER PRODUCTS NORMALLY FOUND IN A PHARMACY" for information regarding the scope of coverage of durable medical equipment (DME) and other products commonly found in a pharmacy. For qualified children, this includes medically necessary over-the-counter drugs, diapers, disposable/expendable medical supplies, and some nutritional products. It also includes medically necessary nebulizers, ostomy supplies or bed pans, and other supplies and equipment for all qualified Members. Company encourages Provider's pharmacy's participation in providing these items to Medicaid clients. This section applies to STAR, STAR+PLUS, STAR Health and STAR Kids Members. [STAR, UMCC Att. B-1, § 8.1.21; STAR+PLUS, UMCC Att. B-1, § 8.1.21, S+P Ex. Att. B-1, § 8.1.42, S+P MRSA Att. B-1, § 8.1.16; STAR Health Att. B-1, § 8.1.20; STAR Kids Att. B-1, § 8.1.17]

L. **Early Childhood Intervention (ECI)**. Providers must cooperate and coordinate with local ECI programs to comply with federal and state requirements relating to the development, review and evaluation of Individual Family Service Plans (IFSP). Provider understands and agrees that any Medically Necessary Health and Behavioral Health Services contained in an IFSP must be provided to the Member in the amount, duration, scope and setting established in the IFSP. [CHIP, UMCC, Att. B-1, § 8.1.9, RSA, Att. B-1, § 8.1.9; STAR, UMCC, Att. B-1 § 8.1.9; STAR+PLUS, UMCC, Att. B-1 § 8.1.9, S+P Ex., Att. B-1, § 8.1.9, S+P MRSA, Att. B-1, § 8.1.9; STAR Health, Att. B-1 § 8.1.9; STAR Kids, Att. B-1 § 8.1.10]

M. **Electronic Visit Verification (EVV)**. Providers using the EVV system for services provided to STAR+PLUS, STAR Health or STAR Kids Members must maintain compliance with HHSC minimum standards detailed in the Uniform Managed Care Manual, Chapter 8.7, Section IX. [STAR+PLUS, UMCC, Att. B-1 § 8.2.17, S+P Ex., Att. B-1, § 8.1.33.3, S+P MRSA, Att. B-1, § 8.1.35.3; STAR Health, Att. B-1 § 8.1.37; STAR Kids, Att. B-1 § 8.1.36.1]

N. **Family Planning**

1. If a STAR, STAR+PLUS, STAR Health or STAR Kids Member requests contraceptive services or family planning services, Providers must also provide the Member counseling and education about family planning and available family planning services.

2. Provider cannot require parental consent for STAR, STAR+PLUS, STAR Health or STAR Kids Members who are minors to receive family planning services.

3. Provider must comply with state and federal laws and regulations governing STAR, STAR+PLUS, STAR Health or STAR KidsMember confidentiality (including minors) when providing information on family planning services to STAR, STAR+PLUS, STAR Health or STAR Kids Members.

[STAR, UMCC, Att. B-1 § 8.2.2.2; STAR+PLUS, UMCC, Att. B-1 § 8.2.2.2, S+P Ex., Att. B-1, § 8.1.22.2, S+P MRSA, Att. B-1, § 8.1.24.2; STAR Health, Att. B-1 § 8.1.28.2; STAR Kids, Att. B-1 § 8.1.24.2]

O. **Fraud and Abuse.** Provider understands and agrees to the following:

1. HHSC Office of Inspector General (OIG) and/or the Texas Medicaid Fraud Control Unit must be allowed to conduct private interviews of Provider and its employees, agents, contractors and patients;

2. Requests for information from such entities must be complied with, in the form and language requested;

3. Provider and its employees, agents and contractors must cooperate fully with such entities in making themselves available in person for interviews, consultation, grand jury proceedings, pre-trial conference, hearings, trials and in any other process, including investigations at Provider's own expense;

4. Compliance with these requirements will be at Provider's own expense;

5. Providers are subject to all state and federal laws and regulations relating to fraud, abuse or waste in health care and the Medicaid and/or CHIP Programs, as applicable;

6. Provider must cooperate and assist HHSC and any state or federal agency that is charged with the duty of identifying, investigating, sanctioning or prosecuting suspected fraud, abuse or waste;

7. Provider must provide originals and/or copies of any and all information, allow access to premises, and provide records to the Office of Inspector General, HHSC, the Centers for Medicare and Medicaid Services (CMS), the U.S. Department of Health and Human Services, FBI, TDI, the Texas Attorney General's Medicaid Fraud Control Unit or other unit of state or federal government, upon request, and free-of-charge;

8. If Provider places required records in another legal entity's records, such as a hospital, Provider is responsible for obtaining a copy of these records for use by the above-named entities or their representatives; and

9. Provider must report any suspected fraud or abuse including any suspected fraud and abuse committed by Company or a Member, to the HHSC Office of Inspector General.

[CHIP, UMCC, Att. A, Art. 9; B-1, § 8.1.19, RSA, Att. A, Art. 9; B-1, § 8.1.19; STAR, UMCC, Att. A, Art. 9; B-1, § 8.1.19; STAR+PLUS, UMCC, Att. A, Art. 9; B-1, § 8.1.19, S+P Ex., Att. A, Art. 9; B-1, § 8.1.19, S+P MRSA, Att. A, Art. 9; B-1, § 8.1.21; STAR Health, Att. A, Art. 9; B-1, § 8.1.25; STAR Kids, Att. A, Art. 9; B-1, § 8.1.21]

If Provider receives annual Medicaid payments of at least $5 million (cumulative, from all sources), then Provider must:

1. Establish written policies for all employees, managers, officers, contractors, subcontractors, and agents of the Provider. The policies must provide detailed information about the False Claims Act, administrative remedies for false claims and statements, any state laws about civil or criminal penalties for false claims, and whistleblower protections under such laws, as described in Section 1902(a)(68)(A) of the Social Security Act.

2. Include as part of such written policies detailed provisions regarding Provider's policies and procedures for detecting and preventing Fraud, Waste, and Abuse.

3. Include in any employee handbook a specific discussion of the laws described in Section 1902(a)(68)(A) of the Social Security Act, the rights of employees to be protected as whistleblowers, and Provider's policies and procedures for detecting and preventing Fraud, Waste, and Abuse.

[STAR, UMCC, Att. A, Art. 9; B-1, § 8.1.19; STAR+PLUS, UMCC, Att. A, Art. 9; B-1, § 8.1.19, S+P Ex., Att. A, Art. 9; B-1, § 8.1.19, S+P MRSA, Att. A, Art. 9; B-1, § 8.1.21; STAR Health, Att. A, Art. 9; B-1, § 8.1.25; STAR Kids, Att. A, Art. 9; B-1, § 8.1.21]

P. **Insurance.** Provider shall maintain, during the term of the Agreement, Professional Liability Insurance of at least $100,000 per occurrence and $300,000 in the aggregate, or, where applicable, the limits required by the hospital at which Provider has admitting privileges. This provision will not apply if Provider is a state or federal unit of government, or a municipality, that is required to comply with, and is subject to, the provisions of the Texas and/or Federal Tort Claims Act. [CHIP, UMCC, Att. A, § 17.01(b), RSA, Att. A, § 17.01(b); STAR, UMCC, Att. A, § 17.01(b); STAR+PLUS, UMCC, Att. A, § 17.01(b), S+P Ex., Att. A, § 17.01(b), S+P MRSA, Att. A, § 17.01(b); STAR Health, Att. A, § 17.01(b); STAR Kids, Att. A, § 17.01(b)]

Q. **Laws, Rules and Regulations.** Provider understands and agrees that it is subject to all state and federal laws, rules, regulations, waivers, policies and guidelines, and court-ordered consent decrees, settlement agreements or other court orders that apply to the Agreement and Company's managed care contract with HHSC, the HMO Program, and all persons or entities receiving state and federal funds. Provider understands and agrees that any violation by a provider of a state or federal law relating to the delivery of services pursuant to the Agreement, or any violation of Company's contract with HHSC could result in liability for money damages, and/or civil or criminal penalties and sanctions under state and/or federal law. [CHIP, UMCC, Att. A, § 7.02, RSA, Att. A, § 7.02; STAR, UMCC, Att. A, § 7.02; STAR+PLUS, UMCC, Att. A, § 7.02, S+P Ex., Att. A, § 7.02, S+P MRSA, Att. A, § 7.02; STAR Health, Att. A, § 7.02; STAR Kids Att. A, § 7.02]

Provider understands and agrees that the following laws, rules, regulations and all amendments or modifications thereto, apply to the Agreement:

1. Environmental protection laws:

    a. Pro-Children Act of 1994 (20 U.S.C. § 6081 et seq.) regarding the provision of a smoke-free workplace and promoting the non-use of all tobacco products;
    b. National Environmental Policy Act of 1969 (42 U.S.C. § 4321 et seq.) and Executive Order 11514 ("Protection and Enhancement of Environmental Quality") relating to the institution of environmental quality control measures;
    c. Clean Air Act and Water Pollution Control Act regulations (Executive Order 11738, "Providing for Administration of the Clean Air Act and Federal Water Pollution Control Act with Respect to Federal Contracts, Grants, and Loans");
    d. State Clean Air Implementation Plan (42 U.S.C. § 740 *et seq.*) regarding conformity of federal actions to State Implementation Plans under § 176(c) of the Clean Air Act; and
    e. Safe Drinking Water Act of 1974 (21 U.S.C. § 349; 42 U.S.C. §§ 300f to 300j-9) relating to the protection of underground sources of drinking water;

2. State and federal anti-discrimination laws:

    a. Title VI of the Civil Rights Act of 1964, (42 U.S.C. § 2000d et seq.) and, as applicable, 45 C.F.R. Part 80 or 7 C.F.R. Part 15;
    b. Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794);
    Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.);

    c. Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107);
    d. Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681-1688);
    e. Food Stamp Act of 1977 (7 U.S.C. § 200 et seq.);
    f. Executive Order 13279, and its implementing regulations at 45 C.F.R. Part 87 or 7 C.F.R. Part 16; and
    g. The HHS agency's administrative rules, as set forth in the Texas Administrative Code, to the extent applicable to the Agreement;

3. The Immigration and Nationality Act (8 U.S.C. § 1101 et seq.) and all subsequent immigration laws and amendments;
4. The Health Insurance Portability and Accountability Act of 1996 (HIPAA) (Public Law 104-191), and

5. The Health Information Technology for Economic and Clinical Health Act (HITECH Act) at 42 U.S.C. § 17931 et seq.

[CHIP, UMCC, Att. A, §§ 7.04-7.07, RSA, Att. A, §§ 7.04-7.07; STAR, UMCC, Att. A, §§ 7.04-7.07; STAR+PLUS, UMCC, Att. A, §§ 7.04-7.07, S+P Ex., Att. A, §§ 7.04-7.07, S+P MRSA, Att. A, §§ 7.04-7.07; STAR Health, Att. A, §§ 7.04-7.06; STAR Kids, Att. A, §§ 7.04-7.06]

R. Lead Screening. In accordance with Texas Health and Safety Code Chapter 88 and related rules at 25 Tex. Admin. Code Chapter 37, Subchapter Q, for all STAR, STAR+PLUS, STAR Health or STAR Kids Members, Provider must (1) report all blood lead results to the Child Lead Poisoning Program (if not performed at the DSHS state laboratory) and (2) follow-up on suspected or confirmed cases of lead exposure with the Childhood Lead Poisoning Prevention Program, and follow the Centers for Disease Control and Prevention guidelines for testing children for lead and follow-up actions for children with elevated lead levels located at http://www.dshs.state.tx.us/lead/pdf_files/pb_109_physicain_reference.pdf. [STAR, UMCC, Att. B-1 §§ 8.2.2.3.1 & 8.2.10; STAR+PLUS, UMCC, Att. B-1 §§ 8.2.2.3.1 & 8.2.10, S+P Ex., Att. B-1, §§ 8.1.22.3.1 & 8.1.31, S+P MRSA, Att. B-1, §§ 8.1.24.3.1 & 8.1.33; STAR Health, Att. B-1 § 8.1.28.3.5; STAR Kids, Att. B-1 §§ 8.1.24.3 & 8.1,33]

S. Liability. In the event Company becomes insolvent or ceases operations, Provider understands and agrees that its sole recourse against Company will be through Company's bankruptcy, conservatorship, or receivership estate.

Provider hereby agrees that in no event, including, but not limited to, nonpayment by Company, Company's insolvency or breach of the Agreement, shall Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against a Member or persons other than Company acting on their behalf for Covered Services provided pursuant to the Agreement. [UMCM, Chapter 8.1, no. 44]. This provision shall not prohibit collection from a Member for any non-covered service and/or Copayment amounts in accordance with the terms of the applicable Member's health benefits and the Agreement. Provider further agrees that: (1) this provision shall survive the termination of the Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Member; and (2) this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between Provider and Member, or persons acting on their behalf.

Provider understands and agrees that HHSC does not assume liability for the actions of, or judgments rendered against, Company, its employees, agents or subcontractors. Further, Provider understands and agrees that there is no right of subrogation, contribution, or indemnification against HHSC for any duty owed to Provider by Company or any judgment rendered against Company. HHSC's liability to Provider, if any, will be governed by the Texas Tort Claims Act, as amended or modified (TEX. CIV. PRAC. & REM. CODE §101.001 *et seq.*). [CHIP, UMCC, Att. A, § 4.05, RSA, Att. A, § 4.05; STAR, UMCC, Att. A, § 4.05; STAR+PLUS, UMCC, Att. A, § 4.05, S+P Ex., Att. A, § 4.05, S+P MRSA, Att. A, § 4.05; STAR Health, Att. A, § 4.06; STAR Kids, Att. A, § 4.05]

T. Marketing. Provider agrees to comply with state and federal laws, rules and regulations governing marketing. In addition, Provider agrees to comply with HHSC's marketing policies and procedures, as set forth in the HHSC/Company Managed Care Contract (which includes HHSC's Uniform Managed Care Manual). [CHIP, UMCC, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3, RSA, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3; STAR, UMCC, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3; STAR+PLUS, UMCC, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3; S+P Ex., Att. B-1, § 8.1.6 & UMCM, Ch. 4.3, S+P MRSA, Att. B-1, § 8.16 & UMCM, Ch. 4.3; STAR Health, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3; STAR Kids, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3]

Provider is prohibited from engaging in direct marketing to Members that is designed to increase enrollment in a particular health plan. The prohibition should not constrain Providers from engaging in permissible marketing activities consistent with broad outreach objectives and application assistance. [CHIP, UMCC, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3, RSA, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3; STAR, UMCC, Att. B-1, § 8.1.6 & UMCM, Ch.

4.3; STAR+PLUS, UMCC, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3, S+P Ex., Att. B-1, § 8.1.6 & UMCM, Ch. 4.3, S+P MRSA, Att. B-1, § 8.16 & UMCM, Ch. 4.3; STAR Health, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3; STAR Kids, Att. B-1, § 8.1.6 & UMCM, Ch. 4.3.]

U. **Company's Responsibility**. Company will initiate and maintain any action necessary to stop a Provider or employee, agent, assign, trustee, or successor-in-interest from maintaining an action against HHSC, an HHS Agency, or any Member to collect payment from HHSC, an HHS Agency, or any Member, excluding payment for non-covered services. This provision does not restrict a CHIP Provider from collecting allowable copayment and deductible amounts from CHIP Members. Additionally, this provision does not restrict a CHIP Dental Provider from collecting payment for services that exceed a CHIP member's benefit cap. [CHIP, UMCC, Att. A, § 4.05 & Att. B-1, § 8.1.23, RSA, Att. A, §§ 4.05 & 10.12; STAR, UMCC, Att. A, § 4.05 & Att. B-1, § 8.1.23; STAR+PLUS, UMCC, Att. A, § 4.05 & Att. B-1, § 8.1.23, S+P Ex., Att. A, §§ 4.05 & 10.10, S+P MRSA, §§ 4.05 & 10.10; STAR Health, §§ 4.06 & 10.10; STAR Kids, §§ 4.05 & 10.09]

V. **Provider Network Requirements, Medicaid Agreements, TPI and NPI**. Network Acute Care Providers serving Medicaid Members must enter into and maintain a Medicaid provider agreement with HHSC or its agent to participate in the Medicaid Program and must have a Texas Provider Identification Number (TPIN). All Providers, both CHIP and Medicaid, must have a National Provider Identifier (NPI). [CHIP, UMCC, Att. B-1, § 8.1.4, RSA, Att. B-1, § 8.1.4; STAR, UMCC, Att. B-1 § 8.1.4; STAR+PLUS, UMCC, Att. B-1 § 8.1.4, S+P Ex., Att. B-1, § 8.1.4, S+P MRSA, Att. B-1, § 8.1.4; STAR Health, Att. B-1 § 8.1.4; STAR Kids, Att. B-1 § 8.1.4]

W. **Member Communications**. Nothing contained in the Agreement is intended to interfere with or hinder communications between Provider and Member regarding a patient's medical condition and/or treatment options; Company referral policies and other Company policies, including financial incentives or arrangements; and all managed care plans with whom Provider contracts. [STAR, UMCC, Att. B-1 § 8.2.5; STAR+PLUS, UMCC, Att. B-1 § 8.2.5, S+P Ex., Att. B-1, § 8.1.26, S+P MRSA, Att. B-1, § 8.1.28; STAR Health, Att. B-1 § 8.1.32; STAR Kids, Att. B-1 § 8.1.28]

X. **Provider Reports of Abuse, Neglect or Exploitation**. Provider must inform Company of any reports of abuse, neglect, or exploitation made regarding a STAR+PLUS, STAR Health or STAR Kids Member. This includes Provider self-reports and reports made by others that Provider becomes aware of. [STAR+PLUS, UMCC, Att. A, Art. 2, Definitions & Att. B-1, §§ 8.1.4.6 & 8.3.12, S+P Ex., Att. A, Art. 2, Definitions & Att. B-1, §§ 8.1.4.6 & 8.1.52, S+P MRSA, Att. A, Art. 2, Definitions & Att. B-1, §§ 8.1.4.6 & 8.1.53; STAR Health, Att. A, Art. 2, Definitions, & Att. B-1, § 8.1.4.4.2; STAR Kids, Att. A, art. 2, Definitions & Att. B-1, § 8.1.4.4]

Y. **Payment for Services.** Provider is prohibited from billing or collecting any amount from a STAR, STAR+PLUS, STAR Health or STAR Kids Medicaid Member for Health Care Services provided pursuant to the Agreement. Federal and state laws provide severe penalties for any provider who attempts to bill or collect any payment from a Medicaid recipient for a Covered Service. [STAR, UMCC, Att. B-1 § 8.1.23; STAR+PLUS, UMCC, Att. B-1 § 8.1.23, S+P Ex., Att. A, § 10.10, S+P MRSA, Att. A, § 10.10; STAR Health, Att. A, § 10.09; STAR Kids, Att. A, § 10.09]

Provider understands and agrees that HHSC is not liable or responsible for payment for Covered Services rendered pursuant to the Agreement. [CHIP, UMCC, Att. A, § 4.05 & Att. B-1, § 8.1.23, RSA, Att. A, §§ 4.05 & 10.12; STAR, UMCC, Att. A, § 4.05 & Att. B-1, § 8.1.23; STAR+PLUS, UMCC, Att. A, § 4.05 & Att. B-1, § 8.1.23, S+P Ex., Att. A, §§ 4.05 & 10.10, S+P MRSA, Att. A, §§ 4.05 & 10.10; STAR Health, Att. A, §§ 4.06 & 10.09; STAR Kids, Att. A, §§ 4.05 & 10.09]

Provider is responsible for collecting at the time of service any applicable CHIP co-payments in accordance with CHIP cost-sharing limitations.. Provider shall not charge: cost-sharing or deductibles to CHIP members of Native American Tribes or Alaskan Natives; co-payments to a CHIP Member with an ID card that indicates the Member has met his or her cost-sharing obligation for the balance of their term of coverage; co-payments for well-child or well-baby visits or immunizations (CHIP MCO and CHIP RSA); or co-payments for routine preventive and

diagnostic dental services (CHIP Dental). . Co-payments are the only amounts Provider may collect from CHIP Members except for costs associated with unauthorized non-emergency services provided to Member by out-of-network providers for non-covered services. [CHIP, UMCC, Att. B-1, § 8.1.23, RSA, Att. A, § 10.11 & Att. B-1, § 8.1.25]

Z. **Pharmacies.** If prior authorization for a medication is not immediately available, a 72-hour emergency supply may be dispensed when the pharmacist on duty recommends it as clinically appropriate and when the medication is needed without delay. Please consult the Vendor Drug Program Pharmacy Provider Procedures Manual, the Texas Medicaid Provider Procedures Manual, and Company's Provider Manual for information regarding reimbursement for 72-hour emergency supplies of prescription claims. It is important that pharmacies understand the 72-hour emergency supply policy and procedure to assist Medicaid clients. [CHIP, UMCC, Att. B-1, § 8.1.21.1, RSA, Att. B-1 § 8.1.24.1; STAR, UMCC, Att. B-1, § 8.1.21.1; STAR+PLUS, UMCC, Att. B-1, § 8.1.21.1, S+P Ex., Att. B-1 § 8.1.42.1, S+P MRSA, Att. B-1 § 8.1.16.2; STAR Health, Att. B-1 § 8.1.20.2; STAR Kids, Att. B-1 § 8.1.17.2]

AA. **Primary Care Physicians (PCPs).** PCPs must be accessible to Members 24 hours per day, 7 days per week. [CHIP, UMCC, Att. B-1, § 8.1.4, RSA Att. B-1 § 8.1.3; STAR, UMCC, Att. B-1, § 8.1.4; STAR+PLUS, UMCC, Att. B-1, § 8.1.4, S+P Ex., Att. B-1 § 8.1.4, S+P MRSA, Att. B-1 § 8.1.4; STAR Health, Att. B-1 § 8.1.4.2; STAR Kids, Att. B-1 § 8.1.4.10.1]

To the extent applicable, PCPs must provide preventative care:

1. to children under age 21 in accordance with AAP recommendations for CHIP Members and CHIP Perinatal Newborns, and the Texas Health Steps (THSteps) periodicity schedule published in the THSteps Manual for Medicaid Members and/or the Texas Medicaid Provider Procedures Manual; and
2. to adults in accordance with the U.S. Preventative Task Force requirements.
[CHIP, UMCC, Att. B-1, § 8.1.4.2, RSA, Att. B-1 § 8.1.3.1; STAR, UMCC, Att. B-1, § 8.1.4.2; STAR+PLUS, UMCC, Att. B-1, § 8.1.4.2, S+P Ex., Att. B-1 § 8.1.4.2, S+P MRSA, Att. B-1 § 8.1.4.2; STAR Health, Att. B-1 § 8.1.4.2; STAR Kids, Att. B-1 § 8.1.4.10.1]

PCPs must assess the medical needs and behavioral health needs of Members for referral to specialty care providers and provide referrals as needed. PCPs must coordinate Members' care with specialty care providers after referral. Also, PCPs must serve as a Medical Home to Members. [CHIP, UMCC, Att. A, Art. 2, "PCP" Definition & Att. B-1, § 8.1.4.2, RSA, Att. A, Art. 2, "PCP" Definition & Att. B-1, § 8.1.4.2; STAR, UMCC, Att. A, Art. 2, "PCP" Definition & Att. B-1, § 8.1.4.2; STAR+PLUS, UMCC, Att. A, Art. 2, "PCP" Definition & Att. B-1, § 8.1.4.2, S+P Ex., Att. A, Art. 2, "PCP" Definition & Att. B-1, § 8.1.4.2, S+P MRSA, Att. A, Art. 2, "PCP" Definition & Att. B-1 § 8.1.4; STAR Health, Att. A, Art. 2, "PCP" Definition & Att. B-1 § 8.1.4.2; STAR Kids, Att. A, Art. 2, "PCP" Definition & Att. B-1 § 8.1.4.10.1]

BB. **Professional Conduct**. While performing the services described in the Agreement, Provider agrees to:
1. comply with applicable state laws, rules, and regulations and HHSC's requests regarding personal and professional conduct generally applicable to the service locations; and
2. otherwise conduct themselves in a businesslike and professional manner. [CHIP, UMCC, Att. A, § 4.07, RSA, Att. A, § 4.07; STAR, UMCC, Att. A, § 4.07; STAR+PLUS, UMCC, Att. A, § 4.07, S+P Ex., Att. A, § 4.07, S+P MRSA, Att. A, § 4.07; STAR Health, Att. A, § 4.08; STAR Kids, Att. A, § 4.07]

CC. **Quality Assessment and Performance and Improvement (QAPI).** Provider agrees to comply with Company's QAPI Program requirements. [CHIP, UMCC, Att. B-1, § 8.1.7, RSA, Att. B-1 § 8.1.7; STAR, UMCC, Att. B-1, § 8.1.7; STAR+PLUS, UMCC, Att. B-1, § 8.1.7, S+P Ex., Att. B-1 § 8.1.7, S+P MRSA, Att. B-1 § 8.1.7; STAR Health, Att. B-1 § 8.1.7; STAR Kids, Att. B-1 § 8.1.7]

DD. **Service Coordination.** All Home and Community Support Services Agency (HCSSA) providers, adult day care providers, and residential care facility providers must notify Company if a STAR +PLUS or STAR Kids

Member experiences any of the following: a significant change in the Member's physical or mental condition or environment; hospitalization; an emergency room visit; or two or more missed appointments. [

EE. Termination. The Agreement sets forth Company's process for terminating the Agreement. For CHIP HMOs and managed care organizations participating in the CHIP Perinatal Program, the process complies with the Texas Insurance Code § 843.306 and 28 Tex. Admin. Code § 11.901. [CHIP, UMCC, Att. B-1, § 8.1.4.9, RSA, Att. B-1 § 8.1.4.9; STAR, UMCC, Att. B-1, § 8.1.4.9; STAR+PLUS, UMCC, Att. B-1, § 8.1.4.9, S+P Ex., Att. B-1 § 8.1.4.9, S+P MRSA, Att. B-1 § 8.1.4.9; STAR Health, Att. B-1 § 8.1.4.10; STAR Kids, Att. B-1 § 8.1.4.7]

FF. Termination for Gifts or Gratuities. Provider may not offer or give any thing of value to an officer or employee of HHSC or the State of Texas in violation of state law. A "thing of value" means any item of tangible or intangible property that has a monetary value of more than $50.00 and includes, but is not limited to, cash, food, lodging, entertainment and charitable contributions. The term does not include contributions to public office holders or candidates for public office that are paid and reported in accordance with state and/or federal law. Company may terminate the Provider contract at any time for violation of this requirement. [CHIP, UMCC, Att. A, § 12.03(b)(5), RSA, Att. A, § 12.03(b)(5); STAR, UMCC, Att. A, § 12.03(b)(5); STAR+PLUS, UMCC, Att. A, § 12.03(b)(5), S+P Ex., Att. A, § 12.03(b)(5), S+P MRSA, Att. A, § 12.03(b)(5); STAR Health, Att. A, § 12.03(b)(5); STAR Kids, Att. A, § 12.03(b)(5)]

GG. Third-Party Recovery. Provider understands and agrees that it may not interfere with or place any liens upon the State's right or Company's right, acting as the State's agent, to recover from third party resources. [CHIP, UMCC, Att. B-1, § 8.4.3, RSA, Att. B-1 § 8.1.21; STAR, UMCC, Att. B-1, § 8.2.8; STAR+PLUS, UMCC, Att. B-1, § 8.2.8, S+P Ex., Att. B-1 § 8.1.29, S+P MRSA, Att. B-1 § 8.1.31; STAR Health, Att. B-1 § 8.1.34; STAR Kids, Att. B-1 § 8.1.31]

HH. THSteps. If applicable to STAR, STAR+PLUS, STAR Health or STAR Kids Members, Providers must send all THSteps newborn screens to the Texas Department of State Health Services (DSHS), formerly the Texas Department of Health, Bureau of Laboratories or a DSHS-certified laboratory. Providers must include detailed identifying information for all screened newborn Members and each Member's mother to allow HHSC to link the screens performed at the hospital with screens performed at the two-week follow-up. [STAR, UMCC, Att. B-1, § 8.2.2.3; STAR+PLUS, UMCC, Att. B-1, § 8.2.2.3, S+P Ex., Att. B-1 § 8.1.22.3, S+P MRSA, Att. B-1 § 8.1.24.3; STAR Health, Att. B-1 § 8.1.28.3.3; STAR Kids, Att. B-1 § 8.1.24.3]

II. Tuberculosis. Providers must coordinate with the local TB control program to ensure that all STAR, STAR+PLUS, STAR Health or STAR Kids Members with confirmed or suspected TB have a contact investigation and receive Directly Observed Therapy (DOT). Providers must report to DSHS or the local TB control program any Member who is non-compliant, drug-resistant, or who is or may be posing a public health threat. [STAR, UMCC, Att. B-1, § 8.2.2.6; STAR+PLUS, UMCC, Att. B-1, § 8.2.2.6, S+P Ex., Att. B-1 § 8.1.22.6, S+P MRSA, Att. B-1 § 8.1.24.6; STAR Health, Att. B-1 § 8.1.28.6; STAR Kids, Att. B-1 § 8.1.24.6]

JJ. Women, Infants and Children (WIC). Providers must coordinate with the Women, Infants and Children (WIC) Special Supplemental Nutrition Program to provide medical information necessary for WIC eligibility determinations, such as height, weight, hematocrit or hemoglobin. [CHIP, UMCC, Att. B-1, § 8.1.10, RSA, Att. B-1 § 8.1.10; STAR, UMCC, Att. B-1, § 8.1.10; STAR+PLUS, UMCC, Att. B-1, § 8.1.10, S+P Ex., Att. B-1 § 8.1.10, S+P MRSA, Att. B-1 § 8.1.10; STAR Health, Att. B-1 § 8.1.10; STAR Kids, Att. B-1 § 8.1.11]

KK. Waiting Times. Provider must provide services within the following timeframes:

1. Emergency Services must be provided upon the Members presentation at the service delivery site;
2. Treatment for Urgent Condition, including urgent specialty care, must be provided within 24 hours;
3. Routine primary care must be provided within 14 days;
4. Initial outpatient behavioral health visits must be provided within 14 days;
5. Community Long-Term Services and Supports for Non-HCBS STAR+PLUS Members must be initiated within 7 days from the date Company authorizes services unless the referring provider or Member state otherwise;

6. PCPs must make referrals for specialty care on a timely basis, based on the urgency of the Member's condition, but no later than 30 days;
7. Pre-natal care must be provided within 14 days, except for high-risk pregnancies or new members in the third trimester, for whom an appointment must be offered within five days, or immediately, if an emergency exists;
8. Preventative health services for adults must be offered within 90 days; and
9. Preventative health services for children, including well-child check must be offered to CHIP members in accordance with the American Academy of Pediatrics periodicity schedule. For Medicaid Members, well-child check must be offered in accordance with the Texas Health Steps periodicity schedule. For new Members birth through age 20, overdue or upcoming well-child checkups, including Texas Health Steps medical checkups, must be offered as soon as practicable, but in no case later than 14 days of enrollment for newborns, and no later than 90 days of enrollment for all other eligible child members. The Texas Health Steps annual medical checkup for an existing Member age 36 months and older is due on the child's birthday. The annual medical checkup is considered timely if it occurs no later than 364 calendar days after the child's birthday. For purposes of this requirement, the terms "New Member" and "Existing Member" are defined in Chapter 12.4 of the UMCM.

[CHIP, UMCC, Att. B-1, § 8.1.3.1, RSA, Att. B-1 § 8.1.3.1; STAR, UMCC, Att. B-1, § 8.1.3.1; STAR+PLUS, UMCC, Att. B-1, § 8.1.3.1, S+P Ex., Att. B-1 § 8.1.3.1, S+P MRSA, Att. B-1 § 8.1.3.1; STAR Health, Att. B-1 § 8.1.3.1; STAR Kids, Att. B-1 § 8.1.3.1]

LL. Mental Health Providers. If applicable to STAR, STAR+PLUS, STAR Health or STAR Kids Members, Provider must comply with 25 Tex. Admin. Code, Part 1, Chapter 415, Subchapter F, "Interventions in Mental Health Services," when providing Mental Health Reimbursement Services and Mental Health Targeted Case Management. [STAR, UMCC, Att. B-1, § 8.2.7.3; STAR+PLUS, UMCC, Att. B-1, § 8.2.7.3, S+P Ex., Att. B-1 § 8.1.28.2, S+P MRSA, Att. B-1 § 8.1.30.1; STAR Health, Att. B-1 § 8.1.1.7.8; STAR Kids, Att. B-1 § 8.1.30.1]

MM. STAR Health MCO Government Program. To the extent that Company administers and/or arranges for the provision of health care services to Members under a STAR Health MCO Government Program, and Provider is considered a participating provider in such STAR Health MCO Government Program under the terms of the Agreement, then the following terms shall apply:

Providers who are behavioral health providers must:

1. Submit to Company for inclusion into the Health Passport treatment plans and referrals to other providers.
2. Document the outcome measurement scores in the Health Passport.
3. Function as a member of the PCP Team by coordinating with the PCP and Service Manager as appropriate.
4. Testify in court as needed for child protection litigation.

[UMCM, Chapter 8.1, no. 10]

Providers who are behavioral health providers must provide a monthly summary form, to be provided by Company. The following information must be included in the monthly summary form for the Health Passport:

1. Primary and secondary (if present) diagnosis.
2. Assessment information, including results of a mental status exam.
3. Brief narrative summary of the Member's clinical visits/progress.
4. Scores on each outcome rating form(s).
5. Referrals to other providers or community resources.
6. Referrals to providers or community resources.
7. Evaluations of each Member's progress at intake, monthly, and at termination of the Health Care Service Plan, or as significant changes are made in the treatment plan.
8. Any other relevant care information.

[STAR Health, Att. B-1, §§ 8.1.12 & 8.1.17]

Providers who are PCPs must use the Texas Health Steps BH forms, at a minimum, for the detection and treatment of, or referral for, any known or suspected behavioral health problems and disorders, including possible substance abuse or chemical dependency. The PCP must submit completed Texas Health Steps screening and evaluation results to Company to include in the Health Passport. [STAR Health, Att. B-1, § 8.1.17]

Coordination Between Behavioral Health Services Provider and PCP. Provider must comply with the most recent version of the *Psychotropic Medication Utilization Parameters for Foster Children* found at http://www.dfps.state.tx.us/Child_Protection/medical_Services/guide-psychotropic.asp. [STAR Health, Att. B-1, § 8.1.17.4]

Provider Responsibilities. At the request of HHSC for Texas Department of Family and Protective Services (DFPS), Providers must testify in court as needed for child protection litigation. [STAR Health, Att. B-1, § 8.1.11]

PCPs must:

1. either be enrolled as THSteps providers or refer Members due for a THSteps check-up to a THSteps provider;
2. refer Members for follow-up assessments or interventions clinically indicated as a result of the THSteps check-up, including the developmental and behavioral components of the screening;
3. submit information from the THSteps forms and documents to the Health Passport.

[STAR Health, Att. B-1, § 8.1.4.2]

NN. Dentists.

Main Dentists must:

1. provide children enrolled in CHIP (birth through age 18) with preventive services in accordance with the American Academy of Pediatric Dentistry (AAPD) recommendations, and children enrolled in Medicaid (birth through age 20) with preventive services in accordance with the Texas Health Steps dental periodicity schedule;
2. assess the dental needs of Members for referral to specialty care providers and provide referrals as needed; and
3. coordinate Members' care with specialty care providers after referral.

[STAR Health, Att. B-1, § 8.1.18.2]

To the extent that Company administers and/or arranges for the provision of health care services to Members under a First Dental Home Initiative Government Program, and Provider is considered a participating provider in such Program under the terms of the Agreement, then Provider certifies that he or she has completed the training and registration requirements for Texas Health Steps First Dental Home Initiative providers. [STAR Health, Att. B-1, § 8.1.18.1]

Dental Providers must provide:

1. Urgent care, including urgent specialty care, within 24 hours of a Member's request; and
2. Therapeutic and diagnostic care within 14 days of a Member's request.

In addition, Main Dentists must provide routine preventive care referrals within 30 days of a Member's request. [STAR Health, Att. B-1, § 8.1.3.1]

OO. Medical Consent Requirements. Providers must comply with medical consent requirements in Texas Family Code § 266.004, which require the Member's Medical Consenter to consent to the provision of medical care.

[UMCM, Chapter 8.1, no. 52] Providers must notify the Medical Consenter about the provision of Emergency Services no later than the second Business Day after providing Emergency Services, as required by Texas Family Code § 266.009. [STAR Health, Att. B-1, § 8.1.3]

II. Texas State Regulatory Requirements

The following provisions are required by state law. The definitions found in TIC § 843.002 and 28 TAC § 11.2, as amended, are herein incorporated by this reference.

A. Continuity of Care

The termination of the Agreement, except for reason of medical competence or professional behavior, does not release the obligation of Company to reimburse Provider who is treating a Member of special circumstance, such as a Member who has a disability, acute condition, life threatening illness, is past the twenty-fourth (24th) week of pregnancy, or other condition, at no less than the rates provided for in the Agreement for the Member's care in exchange for continuity of ongoing treatment of a Member receiving Medically Necessary treatment such that Provider reasonably believes that discontinuing care by Provider could cause harm to the patient. Special circumstance shall be identified by Provider who must request that the Member be permitted to continue treatment under Provider's care and agree not to seek payment from the Member of any amounts for which the Member would not be responsible if the Agreement had not terminated. Any dispute between Company and Provider regarding the necessity of continued treatment by Provider shall be resolved in accordance with the process set forth in the Provider Manual. Company will continue to reimburse Provider for treating a Member who has special circumstances until (1) the 90th day after the effective date of the termination; or (2) if the Member has been diagnosed with a terminal illness at the time of termination, the expiration of the nine-month period after the effective date of the termination; or (3) if a Member is past the 24th week of pregnancy at the time of termination, through delivery of the child and for immediate postpartum care and a follow-up checkup within the six-week period after delivery. TEX. INS. CODE § 843.362, 28 TEX. ADMIN. CODE § 11.901(a)(3).

B. Provider Termination and Notice to Members

At least 90 days before the effective date of the proposed termination of the Agreement, Company must provide a written explanation to Provider of the reasons for termination. Company may immediately terminate the Agreement in a case involving: (1) imminent harm to patient health; (2) an action by a state medical or dental board, another medical or dental licensing board, or another licensing board or government agency that effectively impairs Provider's ability to practice medicine, dentistry, or another profession; or (3) fraud or malfeasance.

Not later than 30 days following receipt of the termination notice, Provider may request a review of Company's proposed termination by an advisory review panel, except in a case in which there is imminent harm to patient health, an action against a license, or fraud or malfeasance. The advisory review panel must be composed of physicians and providers, as those terms are defined in § 843.306 of the Texas Insurance Code, including at least one representative in Provider's specialty or a similar specialty, if available, appointed to serve on the standing quality assurance committee or utilization review committee of Company. The decision of the advisory review panel must be considered by Company but is not binding on Company. Within 60 days following receipt of Provider's request for review and before the effective date of the termination, the advisory review panel must make its formal recommendation, and Company must communicate its decision to Provider. Company must provide Provider, on request, a copy of the recommendation of the advisory review panel and Company's determination.

Reasonable advance notice will be given to a Member of the impending termination from the plan of Provider who is currently treating the Member. If the Agreement is being terminated for reasons related to imminent harm, Company may notify Members immediately. TEX. INS. CODE § 843.306-309; 28 TEX. ADMIN. CODE § 11.901(a)(3).

C. Member Grievance Dispute Resolution

The Section of the Agreement titled "Member Grievance Dispute Resolution" shall be deleted in its entirety and replaced with the following:

Provider agrees to (a) cooperate with and participate in Company's applicable appeal, grievance and external review procedures (including, but not limited to, Medicaid appeals and expedited appeals procedures); (b) provide Company with the information necessary to resolve same; and (c) abide by decisions of the applicable appeals, grievance and review committees. Company will make available to Provider information concerning the Member appeal, grievance and external review procedures at the time of entering into the Agreement. As required by state law, Provider shall post a notice to Members on the process for resolving complaints with Company including the Department of Insurance toll-free telephone number for filing complaints. TEX. INS. CODE § 843.283; 28 TEX. ADMIN. CODE § 11.901(a)(6). Company shall not terminate or refuse to renew the Agreement or otherwise retaliate against Provider because Provider reasonably filed a complaint or an appeal on behalf of a Member. TEX. INS. CODE § 843.281; 28 TEX. ADMIN. CODE § 11.901(a)(2).

D. Electronic Claims Submission

In the event of a systems failure, or a catastrophic event that substantially interferes with the business operations of the physician or Provider, Provider may submit non-electronic claims for the number of calendar days during which substantial interference with business operations occurs as of the date of the catastrophic event or systems failure. Provider shall provide written notice of Provider's intent to submit non-electronic claims to Company within five calendar days of the catastrophic event or systems failure. TEX. INS. CODE § 1213.002; 20 TEX. ADMIN. CODE §§11.901(a)(13); 21.3701.

Provider may submit a request for a waiver of the electronic submission requirements of the Agreement in any of the following circumstances:

1. No method available for the submission of claims in electronic form. This exception applies to situations in which the federal standards for electronic submissions (45 C.F.R., Parts 160 and 162) do not support all of the information necessary to process the claim.

2. The operation of small physician and provider practices. This exception applies to those physicians and Providers with fewer than ten full-time-equivalent employees, consistent with 42 C.F.R. § 424.32(d)(1)(viii).

3. Demonstrable undue hardship, including fiscal or operational hardship.

4. Any other special circumstances that would justify a waiver.

Provider's request for a waiver must be in writing and must include documentation supporting the issuance of a waiver. TEX. INS. CODE § 1213.003, 28 TEX. ADMIN. CODE §§ 21.3701; 11.901(13).

E. Overpayments

Provider agrees that Company may recover a refund due to an overpayment or completion of an audit if Company notifies Provider in writing not later than one hundred and eighty (180) days after the overpayment or completion of the audit. If Provider has not made arrangements to repay or otherwise appeal Company's notice within forty-five (45) days of Company's notice of overpayment or within thirty (30) days of notice of completion of audit, Company will offset the amount of the overpayment against future payments owing to Provider for any reason. If Provider disagrees with Company's request for recovery of overpayment or refund, Provider may appeal the request in writing as provided for in Company's notice of its intent to recover the overpayment.

F. Coordination of Benefits

Provider agrees to collect and maintain primary payor information in the Member's medical or billing records and to provide such information to Company so that Company can coordinate benefits according to the Member's health benefits and the Agreement.

G. Expedited Credentialing

If Physician joins an established medical group that has a current contract in force with Company, Company will expedite credentialing of Physician for the limited purposes set out below, provided Physician:

1. is licensed in Texas by, and in good standing with, the Texas Medical Board;
2. submits all documentation and other information required by Company as necessary to enable Company to begin the credentialing process to include Physician in the issuer's health benefit plan network; and
3. agrees to comply with the terms of Company's Participating Provider contract currently in force with the applicant Physician's established medical group.

On submission by Physician of the information above, Company will treat the applicant Physician as if the Physician were a participating provider in the health benefit plan network for payment purposes only when the applicant Physician provides services to Members, including:

1. authorizing the applicant Physician to collect copayments, if any, from the Members; and
2. making payments to the applicant Physician.

If, on completion of the credentialing process, Company determines that the applicant Physician does not meet Company's credentialing requirements:

1. Company may recover from the applicant Physician or the Physician's medical group an amount equal to the difference between payments for in-network benefits and out-of-network benefits; and
2. applicant Physician or the Physician's medical group may retain any copayments collected or in the process of being collected as of the date of the issuer's determination.

A Member is not responsible and shall be held harmless for the difference between in-network copayments paid by the Member to a Physician who is determined to be ineligible and Company's charges for out-of-network services. Physician and the Physician's medical group may not charge the enrollee for any portion of the Physician's fee that is not paid or reimbursed by Company.

Individual Sites Regulatory Addendum – Exhibit A
New Jersey Medicaid Regulatory Compliance Addendum – Provider

This New Jersey Medicaid Regulatory Compliance Addendum, including the Attachment 1, MacBride Principles Certification Form, ("Addendum") is incorporated by reference into the Agreement. If there is any conflict between the terms of this Addendum and any other term of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum shall govern and control; provided, however, if there is any conflict between the terms of the Agreement, including this Addendum, and the State Contract, as amended, then the terms of the State Contract will govern and control.

For purposes of this Addendum, the term "Provider" shall mean the party executing the Agreement, as identified on the first page of the Agreement, which may be a health care physician, provider, group, facility, hospital, individual, entity or a delegated entity. For purposes of this Addendum and the State Contract, the term "Contractor" and shall mean Company.

Notwithstanding any other provision of the Agreement, for purposes of this Addendum, "State Contract" means only the State of New Jersey Department of Human Services ("DHS"), Division of Medical Assistance and Health Services ("DMAHS") and Aetna Better Health Inc. Contract to Provide Services, entered into November 17, 2014, and as amended from time to time. "Department" refers to either DMAHS or the New Jersey Department of Banking and Insurance ("DOBI"), as applicable.

Capitalized terms not otherwise defined in the Agreement, or its attachments, shall have the meaning ascribed to them in the State Contract or under applicable law.

1. DMAHS Mandatory Terms

Provider agrees to serve enrollees in New Jersey's managed care program and, in doing so, to comply with all of the following provisions, to the extent applicable to the services provided under the Agreement:

A. SUBJECTION OF AGREEMENT

The Agreement shall be subject to the applicable material terms and conditions of the State Contract between the Company and the State and shall also be governed by and construed in accordance with all laws, regulations and contractual obligations incumbent upon the Company.

MLTSS Any Willing Provider and Any Willing Plan. Any New Jersey-based nursing facility (NF), special care nursing facility (SCNF), assisted living provider (AL), community residential services (CRS) provider that serves residents with traumatic brain injury, or long term care pharmacy that applies to become a network provider and complies with the Company's provider network requirements shall be included in Company's provider network to serve MLTSS Members. In addition, if Company wishes to have any New Jersey-based nursing facility (NF), special care nursing facility (SCNF), assisted living provider (AL), community residential services provider (CRS) join its network, those providers will be instructed to complete the application form. This is known as Any Willing Plan. Company must accept all NFs, SCNF, ALs, CRSs that serve residents with traumatic brain injury, and long term care

pharmacies which are Medicaid providers, and network participation of these provider types cannot be denied based on the application of a subjective standard.

1. MLTSS Any Willing Provider status for NF, SCNF, AL and CRS will be for a two year period from the date that the service comes into MLTSS, dependent upon available appropriation in each Fiscal Year. For NF, SCNF, AL and CRS that would mean that Any Willing Provider status expires on June 30, 2016. Thereafter, Company may determine the continuing provider network status of these provider types based on Member utilization and access needs. The rates for NF, SCNF, AL and CRS during the Any Willing Provider period will be the higher of: (a) the rate set by the State with the possibility of an increase each fiscal year for inflation, dependent upon available appropriation and (b) the negotiated rate between the Company and the facility. This does not preclude volume-based rate negotiations and agreement between the Company and these providers.

2. The Any Willing Plan status also expires June 30, 2016.

3. Long term care pharmacy status as an Any Willing Provider shall not expire. Company shall pay long term care pharmacies the rate negotiated between the Company and the pharmacy.

Claims payment for services to MLTSS Members. Company shall process (pay or deny) claims for assisted living providers, nursing facilities, special care nursing facility, CRS providers, adult/pediatric medical day care providers, PCA and participant directed Vendor Fiscal/Employer Agent Financial management Services (VF/EA FMS) claims within the following timeframes:

1. HIPAA compliant electronically submitted clean claims shall be processed within fifteen (15) calendar days of receipt;

2. Manually submitted clean claims shall be processed within thirty (30) calendar days of receipt.

B. COMPLIANCE WITH FEDERAL AND STATE LAWS AND REGULATIONS

Provider agrees that it shall carry out its obligations as herein provided in a manner prescribed under applicable federal and state laws, regulations, codes, and guidelines including New Jersey licensing board regulations, the Medicaid, NJ KidCare, and NJ FamilyCare State Plans, and in accordance with procedures and requirements as may from time to time be promulgated by the United States Department of Health and Human Services.

1. Provider shall submit claims within 180 calendar days from the date of service.

2. Provider shall submit corrected claims within 365 days from the date of service.

3. Provider shall submit Coordination of Benefits (COB) claims within 60 days from the date of primary insurer's Explanation of Benefits (EOB) or 180 days from the dates of service, whichever is later.

C. APPROVAL OF AGREEMENT AND AMENDMENTS

Provider understands that the State reserves the right in its sole discretion to review and approve or disapprove the Agreement and any amendments thereto.

If applicable and required, Company and any AWP provider shall only amend the Agreement unilaterally for statutory and regulatory changes, and upon mutual consent of the Parties with State approval.

D. EFFECTIVE DATE

The Agreement shall become effective only when the State Contract takes effect.

E. NON-RENEWAL/TERMINATION OF AGREEMENT

Provider understands that the Company shall notify DMAHS at least 45 days prior to the effective date of the suspension, termination, or voluntary withdrawal of Provider from participation in Company's network. If the termination was "for cause," Company's notice to DMAHS shall include the reasons for the termination. Provider resource consumption patterns shall not constitute "cause" unless Company can demonstrate it has in place a risk adjustment system that takes into account enrollee health-related differences when comparing across providers. [State Contract Section 4.9.3 B]

F. ENROLLEE-PROVIDER COMMUNICATIONS

1. Company shall not prohibit or restrict Provider from engaging in medical communications with Provider's patient, either explicit or implied, nor shall any provider manual, newsletters, directives, letters, verbal instructions, or any other form of communication prohibit medical communication between Provider and Provider's patient. Providers shall be free to communicate freely with their patients about the health status of their patients, medical care, or treatment options regardless of whether benefits for that care or treatment are provided under the Agreement, if the professional is acting within the lawful scope of practice. Providers shall be free to practice their respective professions in providing the most appropriate treatment required by their patients and shall provide informed consent within the guidelines of the law including possible positive and negative outcomes of the various treatment modalities.

2. Nothing in Section F.1 shall be construed:

   a. To prohibit the enforcement, including termination, as part of a subcontract or agreement to which a health care provider is a party, of any mutually agreed upon terms and conditions, including terms and conditions requiring a health care provider to participate in, and cooperate with, all programs, policies, and procedures developed or operated by Company to assure, review, or improve the quality and effective utilization of health care services (if such utilization is according to guidelines or protocols that are based on clinical or scientific evidence and the professional judgment of the provider, but only if the guidelines or protocols under such utilization do not prohibit or restrict medical communications between providers and their patients; or

   b. To permit a health care provider to misrepresent the scope of benefits covered under the Agreement or to otherwise require Company to reimburse providers for benefits not covered.

G. RESTRICTION ON TERMINATION OF AGREEMENT BY COMPANY

Termination of AWP Providers is limited to State ordered termination as indicated in Section H below. Company shall not terminate the Agreement for either of the following reasons:

1. Because Provider expresses disagreement with Company's decision to deny or limit benefits to a covered person or because Provider assists the covered person to seek reconsideration of the Company's decision; or because Provider discusses with a current, former, or prospective patient any aspect of the patient's medical condition, any proposed treatments or treatment alternatives, whether covered by Company or not, policy provisions of Company, or Provider's personal recommendation regarding selection of a health plan based on Provider's personal knowledge of the health needs of such patients.

2. Because Provider engaged in medical communications, either explicit or implied, with a patient about medically necessary treatment options, or because Provider practiced its profession in providing the most appropriate treatment required by its patients and provided informed consent within the guidelines of the law, including possible positive and negative outcomes of the various treatment modalities.

H. TERMINATION OF AGREEMENT – STATE

Provider understands and agrees that the State may order the termination of the Agreement if it is determined that Provider:

1. Takes any action or fails to prevent an action that threatens the health, safety or welfare of any enrollee, including significant marketing abuses;

2. Takes any action that threatens the fiscal integrity of the Medicaid program;

3. Has its certification suspended or revoked by DOBI, DOH, and/or any federal agency or is federally debarred or excluded from federal procurement and non-procurement contracts;

4. Becomes insolvent or falls below minimum net worth requirements;

5. Brings a proceeding voluntarily or has a proceeding brought against it involuntarily, under the Bankruptcy Act;

6. Materially breaches the Agreement; or

7. Violates state or federal law, including laws involving fraud, waste, and abuse.

I. NON-DISCRIMINATION

Provider shall comply with the following requirements regarding nondiscrimination:

1. Provider shall accept assignment of an enrollee and not discriminate against eligible enrollees because of race, color, creed, religion, ancestry, marital status, sexual orientation, national origin, age, sex, physical or mental handicap in accordance with Title VI of the Civil Rights Act of 1964, 42 USC Section 2000d, Section 504 of the Rehabilitation Act of 1973, 29 USC Section 794, the Americans with Disabilities Act of 1990 (ADA), 42 USC Section 12132, and rules and regulations promulgated pursuant thereto, or as otherwise provided by law or regulation.

2. ADA Compliance. Provider shall comply with the requirements of the Americans with Disabilities Act (ADA). In providing health care benefits, Provider shall not directly or indirectly, through contractual, licensing, or other arrangements, discriminate against Medicaid/NJ FamilyCare beneficiaries who are "qualified individuals with a disability" covered by the provisions of the ADA. Company shall supply a copy of its ADA compliance plan to Provider.

   A "qualified individual with a disability" as defined pursuant to 42 U.S.C.§12131 is an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a public entity.

   Provider shall submit to Company a written certification that it is conversant with the requirements of the ADA, that it is in compliance with the law, and certifies that Provider meets ADA requirements to the best of Provider's knowledge. Provider warrants that it will hold the State harmless and indemnify the State from any liability which may be imposed upon the State as a result of any failure of Provider to be in compliance with the ADA. Where applicable, Provider must abide by the provisions of section 504 of the federal Rehabilitation Act of 1973, as amended, regarding access to programs and facilities by people with disabilities.

3. Provider shall not discriminate against eligible persons or enrollees on the basis of their health or mental health history, health or mental health status, their need for health care services, amount payable to Provider on the basis of the eligible person's actuarial class, or pre-existing medical/health conditions.

4. Provider shall comply with the Civil Rights Act of 1964 (42 USC 2000d), the regulations (45 CFR Parts 80 & 84) pursuant to that Act, and the provisions of Executive Order 11246, Equal Opportunity, dated September 24, 1965, the New Jersey anti-discrimination laws including those contained within N.J.S.A. 10: 2-1 through N.J.S.A. 10: 2-4, N.J.S.A. 10: 5-1 et seq. and N.J.S.A. 10: 5-38, and all rules and regulations issued thereunder, and any other laws, regulations, or orders which prohibit discrimination on grounds of age, race, ethnicity, mental or physical disability, sexual or affectional orientation or preference, marital status, genetic information, source of payment, sex, color, creed, religion, or national origin or ancestry. Provider shall not discriminate against any employee engaged in the work required to produce the services covered by this Provider contract, or against any applicant for such employment because of race, creed, color, national origin, age, ancestry, sex, marital status, religion, disability or sexual or affectional orientation or preference.

5. Scope. This nondiscrimination provision shall apply to but not be limited to the following: recruitment, hiring, employment upgrading, demotion, transfer, lay-off or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship included in PL 1975, Chapter 127.

6. Grievances. Provider agrees to forward to Company copies of all grievances alleging discrimination against enrollees because of race, color, creed, sex, religion, age, national origin, ancestry, marital status, sexual or affectional orientation, physical or mental handicap for review and appropriate action within three (3) business days of receipt by Provider.

J. OBLIGATION TO PROVIDE SERVICES AFTER THE PERIOD OF THE COMPANY'S INSOLVENCY AND TO HOLD ENROLLEES AND FORMER ENROLLEES HARMLESS

1. Provider shall remain obligated to provide all services for the duration of the period after Company's insolvency, should insolvency occur, for which capitation payments have been made and, for any hospitalized enrollee, until the enrollee has been discharged from the inpatient facility.

2. Provider agrees that under no circumstances, (including, but not limited to, nonpayment by Company or the state, insolvency of Company, or breach of agreement) will Provider bill, charge, seek compensation, remuneration or reimbursement from, or have recourse against, enrollees, or persons acting on their behalf, for covered services other than provided in Section 1.P below.

3. Provider agrees that this provision shall survive the termination of the Agreement regardless of the reason for termination, including insolvency of Company, and shall be construed to be for the benefit of Company or enrollees.

4. Provider agrees that this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between Provider and enrollees, or persons acting on their behalf, insofar as such contrary agreement relates to liability for payment for or continuation of covered services provided under the terms and conditions of this continuation of benefits provisions.

5. Provider agrees that any modification, addition, or deletion to this provision shall become effective on a date no earlier than thirty (30) days after the approval by the State.

6. Provider shall comply with the prohibition against billing members contained in 42 CFR 438.106, N.J.S.A. 30:4D-6.c, and N.J.A.C. 10:74-8.7.

K. INSPECTION

1. Provider shall allow the New Jersey Department of Human Services (DHS), the U.S. Department of Health and Human Services (DHHS), and other authorized State agencies, or their duly authorized representatives, to inspect or otherwise evaluate the quality, appropriateness, and timeliness of services performed under the Agreement, and to inspect, evaluate, and audit any and all books, records, and facilities maintained by Provider pertaining to such services, at any time during normal business hours (and after business hours when deemed necessary by DHS or DHHS, or MFD) at a New Jersey site designated by the State. Inspections may be unannounced for cause.

2. Provider shall also permit the State, at its sole discretion, to conduct onsite inspections of facilities maintained by Provider, prior to approval of their use for providing services to enrollees.

3. Books and records include, but are not limited to, all physical records originated or prepared pursuant to the performance under the Agreement, including working papers, reports, financial records and books of account, medical records, dental records, prescription files, provider contracts and subcontracts, credentialing files, and any other documentation pertaining to medical, dental, and nonmedical services to enrollees. Upon request, at any time during the period of the Agreement, Provider shall furnish any such record, or copy thereof, to the Department or the Department's External Review Organization within 30 days of the request. If the Department determines, however, that there is an urgent need to obtain a record, the Department shall have the right to demand the record in less than 30 days, but no less than 24 hours.

4. The DMAHS, the MFD, or its designee, and the MFCU, shall have the right to inspect, evaluate, and audit all of the following documents in whatever form they are kept, related to the Agreement:

    a. Financial records, including but not limited to tax returns, invoices, inventories, delivery receipts, Medicaid claims;

    b. Medical records, including but not limited to medical charts, prescriptions, x-rays, treatment plans, medical administration records, records of the provision of activities of daily living, ambulance call reports;

    c. Administrative documents, including but not limited to credentialing files, appointment books, prescription log books, correspondence of any kind with Company, DMAHS, CMS, any other managed care contractor, Medicaid recipient, contracts with subcontractors, and contracts with billing service providers; and

    d. All records required to be kept to fully disclose the extent of services provided to Medicaid recipients, pursuant to NJAC 10:49-9.8(b) (1).

L. RECORD MAINTENANCE

Provider shall agree to maintain all of its books and records in accordance with the general standards applicable to such book or record keeping.

M. RECORD RETENTION

Provider hereby agrees to maintain an appropriate recordkeeping system for services to enrollees. Such system shall collect all pertinent information relating to the medical management of each enrolled beneficiary and make that information readily available to appropriate health professionals and the Department. Records must be retained for the later of:

1. Five (5) years from the date of service, or

2. Three (3) years after final payment is made under the Agreement and all pending matters are closed.

If an audit, investigation, litigation, or other action involving the records is started before the end of the retention period, the records shall be retained until all issues arising out of the action are resolved or until the end of the retention period, whichever is later. Records shall be made accessible at a New Jersey site and on request to agencies of the State of New Jersey and the federal government. For enrollees who are eligible through the Division of Child Protection and Permanency, records shall be kept in accordance with the provisions under N.J.S.A. 9:6-8.10a and 9:6-8:40 and consistent with need to protect the enrollee's confidentiality.

If an enrollee disenrolls from the Company, Provider shall release medical records of the enrollee as may be directed by the enrollee, authorized representatives of the Department and appropriate agencies of the State of New Jersey and of the federal government. Release of records shall be consistent with the provision of confidentiality expressed in Section 1.R., Confidentiality, and at no cost to the enrollee.

N. DATA REPORTING

Provider agrees to provide all necessary information to enable Company to meet its reporting requirements, including specifically with respect to encounter reporting. The encounter data shall be in a form acceptable to the State.

O. DISCLOSURE

1. Provider further agrees to comply with the Prohibition On Use Of Federal Funds For Lobbying provisions of Company's agreement with the State.

2. Provider shall comply with financial disclosure provision of 42 CFR 434, 1903 (m) of the S.S.A., and N.J.A.C. 10:49-19.

3. Provider shall comply with the disclosure requirements concerning ownership and control, related business transactions and persons convicted of a crime pursuant to 42 CFR 455.100-106 and complete a disclosure statement, which will be maintained by Company.

P. LIMITATIONS ON COLLECTION OF COST-SHARING

Provider shall not impose cost-sharing charges of any kind upon Medicaid or NJ FamilyCare A and B enrollees. Personal contributions to care for NJ FamilyCare C enrollees and copayments for NJ FamilyCare D enrollees shall be collected in accordance with applicable law. Any such contributions shall be set forth in an attached schedule.

Q. INDEMNIFICATION BY PROVIDER

1. Provider agrees to indemnify and hold harmless the State, its officers, agents and employees, and the enrollees and their eligible dependents from any and all claims or losses accruing or resulting from its negligence in furnishing or supplying work, services, materials, or supplies in connection with the performance of the Agreement.

2. Provider agrees to indemnify and hold harmless the State, its officers, agents, and employees, and the enrollees and their eligible dependents from liability deriving or resulting from its insolvency or inability or failure to pay or reimburse any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of the Agreement.

3. Provider agrees further that it will indemnify and hold harmless the State, its officers, agents, and employees, and the enrollees and their eligible dependents from any and all claims for services for which Provider receives payment.

4. Provider agrees further to indemnify and hold harmless the State, its officers, agents and employees, and the enrollees and their eligible dependents, from all claims, damages, and liability, including costs and expenses, for violation of any proprietary rights, copyrights, or rights of privacy arising out of the publication, translation, reproduction, delivery, performance, use, or disposition of any data furnished to it under the Agreement, or for any libelous or otherwise unlawful matter contained in such data that Provider inserts.

5. Provider shall indemnify the State, its officers, agents and employees, and the enrollees and their eligible dependents from any injury, death, losses, damages, suits, liabilities judgments, costs and expenses and claim of negligence or willful acts or omissions of Provider, its officers, agents, and employees arising out of alleged violation of any State or federal law or regulation. Provider shall also indemnify and hold the State harmless from any claims of alleged violations of the Americans with Disabilities Act by Provider.

R. CONFIDENTIALITY

1. General. Provider hereby agrees and understands that all information, records, data, and data elements collected and maintained for the operation of Provider and Company and Department and pertaining to enrolled persons, shall be protected from unauthorized disclosure in accordance with the provisions of 42 U.S.C. 1396(a)(7)(Section 1902(a)(7) of the Social Security Act), 42 CFR Part 431, subpart F, 45 CFR Parts 160 and 164, subparts A & E, N.J.S.A. 30:4D-7 (g) and N.J.A.C. 10:49-9.4. Access to such information, records, data and data elements shall be physically secured and safeguarded and shall be limited to those who perform their duties in accordance with provisions of the Agreement including the Department of Health and Human Services and to such others as may be authorized by DMAHS in accordance with applicable law. For enrollees covered by Company's Plan that are eligible through the Division of Youth and Family Services, records shall be kept in accordance with the provisions under N.J.S.A. 9:6-8.10a and 9:6-8:40 and consistent with the need to protect the enrollee's confidentiality.

2. Enrollee-Specific Information. With respect to any identifiable information concerning an enrollee that is obtained by Provider, it: (a) shall not use any such information for any purpose other than carrying out the express terms of the Agreement; (b) shall promptly transmit to the Department all requests for disclosure of such information; (c)

shall not disclose except as otherwise specifically permitted by the Agreement, any such information to any party other than the Department without the Department's prior written authorization specifying that the information is releasable under 42 CFR, Section 431.300 et seq., and (d) shall, at the expiration or termination of the Agreement, return all such information to the Department or maintain such information according to written procedures sent by the Department for this purpose.

3. Employees. Provider shall instruct its employees to keep confidential information concerning the business of the State, its financial affairs, its relations with its enrollees and its employees, as well as any other information which may be specifically classified as confidential by law.

4. Medical Records and management information data concerning enrollees shall be confidential and shall be disclosed to other persons within Provider's organization only as necessary to provide medical care and quality, peer, or grievance review of medical care under the terms of the Agreement.

5. The provisions of this Section R shall survive the termination of the Agreement and shall bind Provider so long as Provider maintains any individually identifiable information relating to Medicaid/NJ FamilyCare beneficiaries.

6. Notification in Case of Breach. Should there be a breach of confidentiality with respect to the data, information or records described in this section, Provider is responsible for complying, at a minimum, with the following statues and regulations: (1) Section 13402 of the Health Information Technology for Economic and Clinical Health (HITECH) Act, part of the American Recovery and Reinvestment Act of 2009 (ARRA) (Pub. L. 111-5), 42 U.S.C. 17932 et. seq. and the implementing regulations at 45 CFR Part 164, subpart D; and (2) the Identity Theft Prevention Act, N.J.S.A. 56:11-44 et. seq.

S. CLINICAL LABORATORY IMPROVEMENT

Provider shall ensure that all laboratory testing sites providing services under the Agreement have either a Clinical Laboratory Improvement Amendment (CLIA) certificate of waiver or a certificate of registration along with a CLIA identification number. Those laboratory service providers with a certificate of waiver shall provide only those tests permitted under the terms of their waiver. Laboratories with certificates of registration may perform a full range of laboratory tests.

T. FRAUD, WASTE, AND ABUSE

1. Provider agrees to assist Company as necessary in meeting its obligations under its contract with the State to identify, investigate, and take appropriate corrective action against fraud, waste, and/or abuse (as defined in 42 CFR 455.2) in the provision of health care services.

2. If the State has withheld payment and/or initiated a recovery action against Provider, or withheld payments pursuant to 42 CFR 455.23 and NJAC 10:49-9.10(a), Company shall have the right to withhold payments from Provider and/or forward those payments to the State.

3. Company and its providers, and subcontractors, whether or not they are enrolled Medicaid providers, shall cooperate fully with state and federal oversight and prosecutorial agencies, including but not limited to, DMAHS, MFD, DOH, MFCU, HHS-OIG, FBI, DEA, FDA, and the U.S. Attorney's Office. Company shall include language in its contracts with its providers and subcontractors, requiring cooperation, and stating that a failure to cooperate shall be grounds for termination of Company's Agreement with provider or subcontractor. Such cooperation shall include providing access to all necessary recipient information, medical and clinical information, correspondence, documents, computer files, and appropriate staff.

4. MFD shall have the right to recover directly from providers and enrollees in the Company's network for the audits and investigations MFD solely conducts. Such money that MFD recovers directly shall not be shared with Company, but reported to DMAHS in the format that the Company reports its recoveries to DMAHS. In addition, as a part of its recovery process, MFD shall have the right to request the Company to withhold payment to a provider in its network as a result of an MFD audit or investigation of managed care claims. Money withheld from a provider by Company shall be sent to MFD from Company and reported to DMAHS in the format that Company reports its recoveries to DMAHS.

5. Company shall have the right to recover directly from providers, subcontractors and enrollees in Company's network for the audits and investigations the Company solely conducts.

U. THIRD PARTY LIABILITY

1. Provider shall utilize, whenever available, and report any other public or private third party sources of payment for services rendered to enrollees.

2. Except as provided in subsection 3. below, if Provider is aware of third party coverage, it shall submit its claim first to the appropriate third party before submitting a claim to Company.

3. In the following situations, Provider may bill Company first and then coordinate with the liable third party, unless Company has received prior approval from the State to take other action.

   a. The coverage is derived from a parent whose obligation to pay support is being enforced by the Department of Human Services.
   b. The claim is for prenatal care for a pregnant woman or for preventive pediatric services (including EPSDT services) that are covered by the Medicaid program.
   c. The claim is for labor, delivery, and post-partum care and does not involve hospital costs associated with the inpatient hospital stay.
   d. The claim is for a child who is in a DCP&P supported out of home placement.
   e. The claim involves coverage or services mentioned in 3.a, 3.b, 3.c, or 3.d, above in combination with another service.

4. If Provider knows that the third party will neither pay for nor provide the covered service, and the service is medically necessary, Provider may bill Company without having received a written denial from the third party.

5. Sharing of Third Party Liability (TPL) Information by the Provider/Subcontractor.

   a. Provider shall notify the Company within thirty (30) days after it learns that an enrollee has health insurance coverage not reflected in the health insurance provided by Company, or casualty insurance coverage, or of any change in an enrollee's health insurance coverage.

   b. When Provider becomes aware that an enrollee has retained counsel, who either may institute or has instituted a legal cause of action for damages against a third party, Provider shall notify Company in writing, including the enrollee's name and Medicaid identification number, date of accident/incident, nature of injury, name and address of enrollee's legal representative, copies of pleadings, and any other documents related to the action in Provider's possession or control. This shall include, but not be limited to (for each service date on or subsequent to the date of the accident/incident), the enrollee's diagnosis and the nature of the service provided to the enrollee.

   c. Provider shall notify Company on no less than a weekly basis when it becomes aware of the death of one of its Medicaid enrollees age 55 or older, utilizing the "Combined Notification of Death and Estate Referral Form" located in subsection B.5.1 of the Appendix of the State Contract, as it may be amended from time to time.

   d. Provider agrees to cooperate with Company's and the State's efforts to maximize the collection of third party payments by providing to Company updates to the information required by this Section.

V. ENROLLEE PROTECTIONS AGAINST LIABILITY FOR PAYMENT

1. As a general rule, if a participating or non-participating provider renders a covered service to a managed care enrollee, the provider's or subcontractor's sole recourse for payment, other than collection of any authorized cost-

sharing, patient payment liability and /or third party liability, is Company, not the enrollee. A provider may not seek payment from, and may not institute or cause the initiation of collection proceedings or litigation against, an enrollee, an enrollee's family member, any legal representative of the enrollee, or anyone else acting on the enrollee's behalf unless subsections (a) through and including (f) or subsection (g) below apply:

a. (1) The service is not a covered service; or (2) the service is determined to be medically unnecessary before it is rendered; or (3) the provider does not participate in the program either generally or for that service; and

b. The enrollee is informed in writing before the service is rendered that one or more of the conditions listed in subsection (a) above exist, and voluntarily agrees in writing before the service is rendered to pay for all or part of the provider's charges; and

c. The service is not an emergency or related service covered by the provisions of 42 USC 1396u-2(b)(2)(A)(i), 42 CFR 438.114, N.J.S.A. 30:4D-6i or N.J.S.A. 30:4J-4.1 (as both of these provisions may be amended by State Appropriations Act language in effect at the time the service is rendered, as set forth in Section and/or NJAC 10:74-9.1 and 4.2.1D.2 of the contract), or NJAC 10:74-9.1; and

d. The service is not a trauma service covered by the provisions of NJAC 11:24-6.3(a)3.i; and

e. The protections afforded to enrollees under 42 USC 1395w-4(g)(3)(A), 42 USC 1395cc(a)(1)(A), 42 USC 1396a(n)(3), 42 USC 1396u-2(b)(6), 42 CFR 438.106, NJAC 11:24-9.1(d)9, and/or NJAC 11:24-15.2(b)7.ii do not apply; and

f. The provider has received no program payments from either DMAHS or Company for the service; or

g. The enrollee has been paid for the service by a health insurance company or other third party (as defined in NJSA 30:4D-3.m), and the enrollee has failed or refused to remit to the provider that portion of the third party's payment to which the provider is entitled by law.

2. Notwithstanding any provision in this contract to the contrary, an enrollee shall not be responsible for the cost of care, except for any authorized cost-sharing, under the following circumstances:

a. The services are provided in association with an emergency department visit or inpatient stay at a participating network hospital, whether or not the servicing provider(s) or the admitting physician is a participating provider in Company's network; or

b. The enrollee obtains a referral/authorization for services by, and schedules an appointment with, a participating specialist, but a non-participating specialist affiliated with the same practice as the participating specialist renders the services because the participating specialist is not available.

2. Miscellaneous DMAHS Terms Required by Law or State Contract

A. DEFINITIONS

1. The definition of "Clean Claim" in the Agreement is stricken and replaced with:

"A claim by Provider where 1) the claim is for a service or supply covered by the Member's Plan; 2) the claim is submitted with all the information requested by Company or in other instructions; 3) the person to whom the service or supply was provided was a Member on the date of service; 4) Company does not reasonably believe that the claim has been submitted fraudulently; and 5) the claim does not require special treatment. For the purposes of this definition, special treatment means that unusual claim processing is required to determine whether a service or supply is covered, such as claims involving experimental treatments or newly approved medications. In order to accept a claim, the information requested by Company is specified in its Policies, which

include the requirements that a claim have (i) detailed and descriptive medical and patient data, (ii) a corresponding referral (whether in paper or electronic format), if required for the applicable claim, and (iii) whether submitted via an electronic transaction using permitted standard code sets (e.g., CPT-4, ICD-9, HCPCS) as required by the applicable Federal or state regulatory authority (e.g., U.S. Dept. of Health & Human Services, U.S. Dept. of Labor, state law or regulation) or otherwise, all the data elements of the UB-04 or CMS-1500 (or successor standard) forms (including but not limited to Member identification number, national provider identifier ("NPI"), date(s) of service, complete and accurate breakdown of services). Further information on the type of information and documentation that must be submitted with a claim, including a standard claim form and any other claim submission requirements utilized by the carrier for both manually and electronically submitted claims, and a street address where claim submissions can be delivered by hand or registered/certified mail, is available in Company's Policies and/or its website."

2. The following is added to the end of the definition of Emergency Medical Condition: "With respect to a pregnant woman who is having contractions, an emergency exists where: there is inadequate time to effect a safe transfer to another hospital before delivery; or the transfer may pose a threat to the health or safety of the woman or the unborn child."

B. INSURANCE. Provider agrees to procure and maintain such policies of general and professional liability and other insurance, or a comparable program of self-insurance, at minimum levels of $1,000,000 per claim/$3,000,000 annual aggregate as required by State law.

C. COOPERATION. Provider must cooperate and participate in Company's quality management and utilization management system, including credentialing/recredentialing; appointment standards; and enrollee and provider complaint and grievance system.

D. EQUALITY OF ACCESS. To the extent applicable, Provider shall provide the same level of medical care and health service to DMAHS enrollees as it does to enrollees under private or group contracts.

E. MONITORING.

1. Monitoring by Company. The responsibilities performed by Provider are monitored on an ongoing basis and Company is ultimately responsible to the HHS for the performance of all services. Company is responsible for ensuring that the performance of Providers is consistent with the State Contract. Company has the right to revoke the Agreement if Provider does not perform satisfactorily, subject to the termination provisions herein.

2. Monitoring/Enforcement by State. The Department may require Company to terminate the Agreement if performance is not consistent with the State Contract.

F. SEVERABILITY. Any determination that any provision of the Agreement or any application thereof is invalid, illegal or unenforceable in any respect in any instance shall not affect the validity, legality and enforceability of such provision in any other instance, or the validity, legality or enforceability of any other provision of the Agreement. Neither Party shall assert or claim that the Agreement or any provision hereof is void or voidable if such part performs under the Agreement without prompt and timely written objection.

G. MACBRIDE PRINCIPLES CERTIFICATION FORM. Provider must execute the MacBride Principles Certification Form included in Attachment 1.

H. PAYMENT OF CLAIMS AND COMPENSATION

1. DMAHS Recoveries. Whenever DMAHS has initiated a recovery claim against Provider, whether that recovery claim arises out of Provider's fee-for-service or managed care participation, Company must comply with any

written request from DMAHS to withhold all or part of any payments that are owed by the Company to Provider up to the amount of DMAHS's recovery claim, and Company must immediately remit those payments to DMAHS. Provider and any subcontractor of Provider shall fully cooperate with Company in Company's compliance with these procedures. [State Contract Section 8.12]

2. Encounter Data. Provider agrees to cooperate in the implementation of Company's Encounter Data submission incentive system. Such system, set forth in Company's Policies, includes mandatory provider profiling that includes complete and timely submissions of encounter data, as well as specific requirements for profile elements based on data from encounter submissions. Compliance performance with Company's data submission requirements based on encounter data elements will be both rewarded and/or sanctioned in accordance with the Policy.

3. Financial Risk. Unless expressly set forth elsewhere in the Agreement, Provider is not subject to financial risk for the delivery of Covered Services by persons or entities other than Provider. Provider either a) certifies that no such financial risk is imposed by Provider upon other persons or entities (such as subcontractors or employed physicians); or if such risk is imposed, b) will promptly disclose such to Company and cooperate to fulfill Company's obligations of disclosure to Government Sponsor, and fulfill all other requirements of applicable law and the State Contract.

4. No Prohibited Incentives. No compensation is payable under the Agreement as a financial incentive to Provider for the withholding of Covered Services that are Medically Necessary.

5. Time for Submission of Claims. Notwithstanding the time periods stated in Section 4.1.1 of the Agreement, Provider agrees that Company, or the applicable Government Sponsor, will not be obligated to make payments for billings received more than one hundred and eighty (180) days from (a) the date of service or, (b) when Company is the secondary payer, from the date of receipt of the primary payer's explanation of benefits. Company may make payment for billings received outside of such time period, upon consideration of the factors set forth in N.J.A.C. 11:22-3.4(e), when addressed by Provider.

I. INFORMATION AND RECORDS

Without limitation, the government agencies permitted access to Information under Section 5.3.2 of the Agreement include the New Jersey Departments of Banking and Insurance, Health and Senior Services and Human Services. In addition to the purposes stated in Section 5.3.2, such regulators may access Information for the purpose of assessing the quality of care or investigating Member grievances or complaints.

J. TERMINATION OF PROVIDER

1. Prohibited Terminations. Company shall not terminate the Agreement because Provider expresses disagreement with Company's decision to deny or limit benefits to a Member or because Provider assists the Member to seek reconsideration of the Company's decision, or because Provider discusses with a current, former, or prospective patient any aspect of the patient's medical condition, any proposed treatments or treatment alternatives, whether covered by Company or not, policy provisions of a plan, or Provider's personal recommendation regarding selection of a health plan based on the Provider's personal knowledge of the health needs of such patients. Nor shall Company terminate the Agreement or penalize Provider because (a) Provider filed a complaint or appeal as permitted by the New Jersey regulations governing health maintenance organizations, or (b) for acting as an advocate for the Member for seeking benefits for appropriate, medically necessary health services. [NJA 11:24-15.2 (b) 2, (b) 3]. Nevertheless, Provider is prohibited from making, publishing, disseminating, or circulating directly or indirectly or aiding, abetting, or encouraging the making, publishing, disseminating, or circulating of any oral or written statement or any pamphlet, circular, article, or literature that is false or maliciously critical of Company and calculated to injure Company. A material misrepresentation by Provider of the provisions, terms, or requirements of Company shall be a breach of the Agreement for which Company may exercise its rights of

termination. [State Contract Section 4.9.3.D.]

2. Government Sponsor Termination. In addition to those grounds for termination set forth in Section 6.4 of the Agreement or elsewhere, Company may terminate the Agreement immediately upon direction from Government Sponsor if Provider's performance is not consistent with the State Contract.

3. Additional Terms for Transition. The Parties agree that, regardless of which party terminates the Agreement, the Parties shall abide by the terms of the Agreement, including the compensation terms, for four (4) months following the date of termination for cases in which it is medically necessary for a Member to continue treatment with the terminated Provider, except a longer period shall apply in the following cases: i) for Members who are pregnant at the termination date, the Agreement shall continue through the post-partum evaluation of the Member, up to six (6) weeks after delivery; ii) for Members who are in post-operative care at the termination date, the Agreement shall continue for a period of up to six (6) months; iii) for Members who are receiving oncologic treatment at the termination date, the Agreement shall continue for a period of up to one (1) year; iv) for Members who are receiving psychiatric treatment at the termination date, the Agreement shall continue for up to one (1) year; v) to any Member who is an inpatient at Provider as of the effective date of termination until such Member's discharge or Company's orderly transition of such Member's care to another provider; and vii) at Company's request to any Member for up to one (1) calendar. Notwithstanding the foregoing, i) the Agreement shall not continue in force hereunder if the Provider has been terminated based upon the opinion of Company's Medical Director that the Provider is an imminent danger to a patient, public health, safety and welfare, a determination of fraud, breach of contract, termination in accordance with Section 6.4 of the Agreement (or section 2 above) or if the Provider is the subject of disciplinary action by the State Board of Medical Examiners. [NJAC 11:24-3.5]

3. New Jersey Department of Banking and Insurance (DOBI) Required Terms.

The following terms and conditions apply only to the Agreement if it relates to the provision of health care services or supplies by Provider. Provider agrees that all contracts it has with providers or subcontractors in accordance with the terms of the Agreement shall specifically refer to and contain all of the provisions set forth in NJAC 11:24-15 and require that its providers and subcontractors comply with all of the terms and conditions set forth therein.

A. Licensure/Certification. Provider shall maintain appropriate licensure and certifications required in order to perform its obligations under the Agreement and adequate malpractice coverage.

B. No Violation of Law. The Agreement shall not be interpreted to impose obligations or responsibilities upon Provider which require Provider to violate the statutes or rules governing licensure of Provider if Provider is to comply with the terms of the Agreement. [NJAC 11:24-15, 4(e).

C. Notice of Termination. If the Agreement between Company and Provider is terminated by Company on any date other than the designated renewal or anniversary date, Company shall give Provider at least ninety (90) days prior written notice of the termination and the opportunity to request a hearing in all instances except when the termination is based upon non-renewal of the Agreement, a determination of fraud, breach of contract by Provider, sanctions by a state or federal agency, or the opinion of Company's medical director that Provider represents an imminent danger to a Member or the public health, safety and welfare. The notice of termination shall specify: (a) that the Provider may request in writing from Company, within fifteen (15) days of receipt of the notice, a written reason for the termination unless such reason is already stated in the notice, (b) that the Provider may request a hearing, and; (c) the procedures for exercising Provider's right to a hearing. Provider's participation in the hearing process shall not be deemed an abrogation of Provider's legal rights.

D. Pricing Following Termination. To the extent applicable, Provider shall continue to provide services to members at the Agreement price following termination of the Agreement, in accordance with NJAC. 11:24-3.5.

E. DISPUTE RESOLUTION

1. Hearing Upon Termination. Hearings for Agreement termination, when permitted under the Agreement, shall be

conducted in accordance with the following guidelines: (a) Provider shall have the right to make a written request for a hearing within ten (10) business days following the date of receipt of notice of termination; (b) the Agreement shall be deemed to have terminated, creating the right to a hearing, whenever Agreement terminates on any date other than a designated renewal or anniversary date of the Agreement, except that no such right shall exist with respect to termination described in Section 6.4.1 of the Agreement; (c) if no renewal of anniversary date is specified in the Agreement, then the renewal or anniversary date shall be deemed to be the month and day in each calendar year on which the Agreement was originally signed by both Parties, or became effective, whichever date is latest; (d) Company shall hold a hearing before a panel appointed by the Company, within thirty (30) days following receipt of a written request for a hearing by Provider; (e) the panel shall consist of no less than three (3) people, at least one of whom shall be a clinical peer in the same or substantially similar discipline and specialty as the Provider requesting the hearing; (f) Company shall not preclude Provider from being present at the hearing or represented by counsel at the hearing; (g) the panel shall render a decision on the matter within thirty (30) days of the close of the hearing unless the panel provides notice to Company and Provider of the need for an extension for rendering its decision, prior to the date that the decision would otherwise be due; (h) the panel's decision shall set forth the relevant Agreement provisions and the facts upon which the Company and Provider have relied at the hearing; (i) the panel shall recommend that the Provider be terminated, reinstated or provisionally reinstated, and specify the reasons for its recommendations, including the reasons for any provisional reinstatement; (j) with regard to provisional reinstatements, the panel shall specify the conditions for provisional reinstatement, the duration of the conditions, and the consequences of the failure to meet the conditions; (k) in the event of reinstatement or provisional reinstatement, the panel shall specify the impact of the reinstatement upon the terms of duration of the Agreement at issue; (l) in the event that the panel recommends that Provider be terminated, Company shall provide notice of termination to Members in accordance with New Jersey law and Provider shall continue to provide services to Members at the contract price following termination, in accordance with New Jersey law pertaining to continuity of care; and (m) Provider's participation in the hearing shall not be deemed to be an abrogation of Provider's legal rights. NJAC 11:24-3.6.

2. Provider Disputes. Company's internal provider grievance dispute resolution mechanism described in the Agreement will be more fully described in Company's Policies. Where required under applicable law, the dispute resolution procedure will provide for appeal before an Independent Utilization Review Organization or Medicaid Fair Hearing. Matters determined by these bodies are conclusive upon the Parties and not subject to further appeal, arbitration or litigation between the Parties (unless otherwise provided for under state and federal law).

F. AMENDMENTS

Any amendment to the Agreement may require the prior approval of the New Jersey Department of Banking and Insurance. Provider understands that the State reserves the right in its sole discretion to review and approve or disapprove the Agreement and any amendments thereto.

G. SECONDARY CONTRACTORS

To the extent Provider is or acts as a secondary contractor (as defined in Section 11:24-1.2 of the New Jersey Administrative Code), Company is a third party beneficiary of the secondary contractor's contract(s) with the health care providers, and Provider's contract(s) with health care providers shall provide that Company shall have privity of contract with the health care providers such that the Company shall have standing to enforce Provider's contract(s) with the health care providers in the absence of enforcement by Provider. [NJAC 11:24-15.2(f)]. All Provider's agreements with health care providers shall be consistent with laws regarding confidentiality of information and with professional licensing standards, including, but not limited to, New Jersey Statutes Sections 45:14B-31 et seq. and 11:24-15.2(b-e) of the New Jersey Administrative Code. Such contracts shall include a provision whereby the provider is required to hold Members harmless for the cost of any service or supply covered by Company, subject to Section 11:24-15.2(b)(7)(i & ii), whether or not the provider believes the compensation received is adequate. Secondary contractors shall maintain throughout the term of the Agreement all appropriate license(s) and certification(s) mandated by governmental regulatory agencies. Company reserves the right to enter into separate contracts directly with such health care providers, as set out in NJAC 11:24-15.2(g).

Notwithstanding the foregoing sentence, the rights of Company as a third party beneficiary and of privity of contract with respect to Provider's contracts with heath care providers in no way limit Provider's obligations to enforce the terms of such contracts nor shall such rights be construed in any way to impose an obligation on Company to enforce such contracts.

4. Mandatory Requirements for Particular Provider Types

The following terms are incorporated into the Agreement only as applicable to Provider's specific provider type.

A. FEDERALLY QUALIFIED HEALTH CENTERS [State Contract Section 4.9.2.A]

1. Provider will deliver the following specific services under the terms of the Agreement:

   [List services if applicable]

2. The credentialing requirements for individual practitioners are set forth in Company's Policies.

3. Continuation of the Agreement is contingent on Provider maintaining quality services and maintaining the Primary Care Evaluation Review (PCER) by the federal government at a good quality level. Provider must make available to Company its PCER results annually, which will be considered in the Provider's QM reviews for assessing quality of care.

B. HOSPITALS

1. Provider will deliver the following specific services under the terms of the Agreement:

   [List services if applicable]

2. Company shall pay for all medical screening services rendered to Members by hospitals and emergency room physicians. The amount and method of reimbursement for medical screenings for Hospital is set forth in the Agreement, or in a separate agreement with non-hospital-salaried emergency room physicians. Such reimbursement includes reimbursement for urgent care and non-urgent care rates.

3. Prior authorization for medical screenings, emergency care, or urgent care situations at the hospital emergency room is not be required. The hospital emergency room physician may determine the necessity for contacting the PCP or the Company for information about a patient who presents with an urgent condition. Provider must notify Company of a hospital admission through the emergency room within 24 to 72 hours of the admission, and notify Company of all Members who present in the emergency room for non-emergent care who have been medically screened but not admitted as an inpatient within 24 to 72 hours of the rendered service.

C. PRIMARY CARE PHYSICIANS [State Contract Section 4.8.2]

In addition to those responsibilities of a PCP set forth in the agreement, all Providers who are PCP's shall:

1. Supervise, coordinate, and manage Members' care;
2. Maintain Members' medical records;
3. Provide 24 hour/7 day a week access; and
4. Make referrals for specialty care.

D. NURSING AND REHABILITATION FACILITIES

Provider must contact Company prior to or within 24 hours of admission of a Member for authorization of care. [State Contract Section 4.9.2.A]

E. ALL FACILITIES

Provider must follow clear procedures for granting of admitting and attending privileges to physicians, and notify Company when such procedures are no longer appropriate. The admission authorization procedures for Members; the procedures for notifying Company when Members present at emergency rooms and the procedures for billing and payment, schedules, and negotiated arrangements, if not set forth herein, are contained in Company's Policies.

ATTACHMENT 1
MACBRIDE PRINCIPLES CERTIFICATION FORM

COMPLETE THIS CERTIFICATION IN COMPLIANCE WITH MACBRIDE PRINCIPLES AND NORTHERN IRELAND ACT OF 1989

Pursuant to Public Law 1995, c.134, Provider must complete the certification below by checking one of the two representations listed and signing where indicated.

I certify, pursuant to N.J.S.A. 52:34-12.2 that the entity for which I am authorized to contract:

____ has no ongoing business activities in Northern Ireland and does not maintain a physical presence therein through the operation of offices, plants, factories, or similar facilities, either directly or indirectly, through intermediaries, subsidiaries or affiliated companies over which it maintains effective control; or

____ will take lawful steps in good faith to conduct any business operations it has in Northern Ireland in accordance with the MacBride principles of nondiscrimination in employment as set forth in N.J.S.A. 52:18A-89.5 and in conformance with the United Kingdom's Fair Employment (Northern Ireland) Act of 1989, and permit independent monitoring of their compliance with those principles.

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

Individual Sites Regulatory Addendum – Exhibit A

VIRGINIA MEDICAID REGULATORY COMPLIANCE ADDENDUM – PROVIDER

This Medicaid Compliance Addendum is incorporated by reference in the Agreement. If there is any conflict between the terms of this Addendum and any of the terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum shall govern and control; provided, however, that if there is any conflict between any of the terms of the Agreement, including this Addendum, and the applicable State Contract, then the terms of the applicable State Contract will govern and control.

For purposes of this Addendum, the term "Provider" shall mean the health care provider, or physician, group, facility or hospital executing the Agreement, as identified on the first page of the Agreement. In the event that any of the following required Medicaid provisions are inapplicable to Provider, as construed under the applicable State Contract and in accordance with Applicable Law, such provision shall not apply.

Company and Provider agree to abide by all applicable provisions of the applicable State Contract. Provider compliance with the applicable State Contract specifically includes, but is not limited to, the requirements contained herein.

1.0 DEFINITIONS

All capitalized terms in this Addendum shall have the meaning set forth in the Agreement unless otherwise defined herein, in which case the definitions contained in this Addendum shall control.

1.1 Applicable Law. All federal or state laws, rules, regulations, and administrative agency directives applicable to the Medicaid program and to Medicaid managed care plans, as these may be amended from time to time, including, but not limited to, statutes and regulations related to fraud, abuse, discrimination, disabilities, confidentiality, self-referral, false claims and prohibition of kickbacks. Applicable Laws include the Centers for Medicare and Medicaid Services ("CMS") and the Virginia Department of Medical Assistance Services' ("DMAS" or the "Department") instructions, policy letters or guidelines that regulate the actions of Provider or Company, requirements of the State Plan, as applicable, and requirements of the applicable State Contract. The "State Plan" is the State Plan for Medical Assistance, submitted to CMS by DMAS describing the nature and scope of the Virginia Medicaid program. DMAS has the authority to administer the State Plan under Code of Virginia § 32.1-325. The words "applicable law," as they appear in the Agreement, shall have the same meaning as given to "Applicable Law" herein.

1.2 Medically Necessary or Medical Necessity. Appropriate and necessary health care services which are rendered for any condition which, according to generally accepted principles of good medical practice, requires the diagnosis or direct care and treatment of an illness, injury, or pregnancy-related condition, and are not provided only as a convenience. As defined in 42 CFR § 440.230, services must be sufficient in amount, duration and scope to reasonably achieve their purpose. For children under age 21, medical necessity review must fully consider Federal EPSDT guidelines for Medallion 3.0 enrollees. EPSDT is not applicable to FAMIS. (*Medallion 3.0 Contract, Section 1.1; FAMIS Contract, Section 1.1)*

2.0 REGULATORY AND CONTRACTUAL REQUIREMENTS FOR MEDALLION 3.0 AND FAMIS

2.1 Duty to Refund. Provider shall be required to refund payments made by DMAS if Provider is found to have billed DMAS contrary to policy, failed to maintain records or adequate documentation to support its claims, or billed for medically unnecessary services. (*12VAC30-120-1720(A)(4); 12VAC30-141-650(D); and 12VAC30-141-870(D)*)

2.2 Provider Agreement Subject to Department Review. Provider acknowledges and agrees that the Department may approve, modify and approve, or deny the Agreement and any changes in approved agreements at its sole discretion. Provider further acknowledges and agrees that the Department, at its sole discretion, may impose such conditions or limitations on its approval of the Agreement or changes to approved agreements as it deems appropriate. Provider shall cooperate with Company in Company's submission to the Department of the Agreement for initial approval and, if necessary, approval of any future changes. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III*)

2.3 Validity of Terms. No terms of the Agreement are valid which terminate legal liability of Company in the applicable State Contract. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.1*)

2.4 Provider Cooperation with Company Programs. Provider agrees to participate in and contribute required data to Company's quality improvement and other assurance programs as required in the applicable State Contract. Provider agrees to cooperate with the External Quality Review Organization (EQRO), which is contracted by the Department to perform quality studies. The level of cooperation includes, but is not limited to, responding favorably and promptly to requests for Members' medical records in the format and timeframe requested by the EQRO or the Department. (*Medallion 3.0 Contract, Section 8.4 and Attachment III; FAMIS Contract, Section 8.4 and Attachment III, Section A.2*)

2.5 Emergency and Urgent Care. Provider agrees to abide by the terms of the applicable State Contract for the timely provision of emergency and urgent care. Where applicable, Provider agrees to follow those procedures for handling urgent and emergency care cases stipulated in any required hospital/emergency department Memorandums of Understanding signed by Company in accordance with the applicable State Contract. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.3*)

2.6 Utilization Data. Provider agrees to submit to Company utilization data in the format specified by Company, so Company can meet the Department specifications required by the applicable State Contract. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.4*)

2.7 Conflicts. Any conflict in the interpretation of Company's Policies and MCO-Network Provider contract shall be resolved in accordance with Federal and Virginia laws and regulations, including the State Plan for Medical Assistance Services and Department memos, notices and provider manuals. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.5*)

2.8 Non-discrimination. Provider agrees to comply with all non-discrimination requirements in the applicable State Contract. For example, but not by way of limitation, Provider shall offer hours of operation that are no less than the hours of operation offered to commercial members or comparable to Medicaid fee-for-service, if Provider serves only Medicaid members. (*Medallion 3.0 Contract, Section 3.9 and Attachment III; FAMIS Contract, Section 3.9 and Attachment III, Section A.6*)

2.9 Record Retention. Provider agrees to comply with all record retention requirements and, where applicable, the special reporting requirements on sterilizations and hysterectomies stipulated in the applicable State Contract. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.7*)

2.10 Maintenance of Records. Provider agrees to comply with the requirements for maintenance and transfer of medical records stipulated in the applicable State Contract and all Applicable Laws. (*12VAC5-408-210(A) and (B); Medallion 3.0 Contract, Section 14.19; FAMIS Contract, Section 14.19; FAMIS Regulations, 12VAC30-141-650(B) and 12VAC30-141-870(B)*)

2.11 Access to Facilities and Records.

2.11.1 Provider agrees to provide representatives of Company, as well as duly authorized agents or representatives of the Department, the U.S. Department of Health and Human Services, and the State Fraud Unit access to its premises and its books, fee schedules, documents, papers, records, contracts and/or medical records in accordance with the applicable State Contract. Provider must allow the Department, or its duly authorized representatives to inspect, copy, and audit any of Provider's medical and/or financial records. Provider agrees otherwise to preserve the full confidentiality of medical records in accordance with the applicable State Contract. Provider must forward to Company medical records within ten (10) working days of Company's request. (*Medallion 3.0 Contract, Section 14.19.B.1 and Attachment III; FAMIS Contract, Section 14.19.B.1 and Attachment III, Section A.8 and A.14; FAMIS Regulations, 12VAC30-141-650(C) and 12VAC30-141-870(C)*)

2.11.2 Provider shall allow duly authorized agents or representatives of the State or Federal Government, during normal business hours, access to its premises to inspect, audit, monitor or otherwise evaluate the performance of Provider's contractual activities and shall forthwith produce all records requested as part of such review or audit. In the event right of access is requested, Provider shall, upon request, provide and make available staff to assist in the audit or inspection effort, and provide adequate space on the premises to reasonably accommodate the State or Federal personnel conducting the audit or inspection effort. All inspections or audits shall be conducted in a manner as will not unduly interfere with the performance of Provider's activities. All information so obtained will be accorded confidential treatment as provided under Applicable Law. (*Medallion 3.0 Contract, Section 14.1; FAMIS Contract, Section 14.1*)

2.12 Member Access to Records. Provider agrees to the requirements for maintenance and transfer of medical records stipulated in the applicable State Contract. Provider further agrees to make medical records available to Members and their authorized representatives within ten (10) working days of the record request. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.9*)

2.13 Provider Disclosures. Provider agrees to disclose the required information, at the time of application, credentialing, and/or recredentialing, and/or upon request, in accordance with 42 CFR § 455 Subpart B and relevant provisions of the applicable State Contract, as related to ownership and control, business transactions, and criminal conviction for offenses against Medicare, Medicaid, CHIP and/or Federal health care programs. See 42 CFR § 455, Parts 101 through 106 for definitions, percentage calculations, and requirements for disclosure of ownership, business transactions, and information on persons convicted of crimes related to any Federal health care programs. (*Medallion 3.0 Contract, Section 3.4.A, Section 13.3.A.II.c(v), and Attachment III; FAMIS Contract, Section 3.4.A and Section 13.3.A.II.c(v)*)

2.14 Confidentiality of Family Planning Services. Provider agrees to ensure confidentiality of family planning services in accordance with the applicable State Contract, except to the extent required by law, including, but not limited to, the Virginia Freedom of Information Act. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.10*)

2.15 No Barriers to Care. Provider agrees to not create barriers to access to care by imposing requirements upon Members that are inconsistent with the provision of Medically Necessary and covered Medicaid/FAMIS services. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.11*)

2.16 Provider Referrals and Hold Harmless. Provider agrees to clearly specify referral approval requirements to its providers and in any sub-subcontracts. Additionally, Provider hereby agrees that, if there is an intermediary organization between the Company and the Provider, the hold harmless requirement set forth in Section 4.3.2 of the Agreement shall include nonpayment by the Plan, the Company, and the intermediary organization. Provider further agrees that the hold harmless requirement applies in circumstances where Provider fails to obtain necessary referrals, preauthorization, or fails to perform other required administrative functions. (*Virginia Code § 38.2-5805(C)(10); Medallion 3.0 Contract, Section 12.9 and Attachment III; FAMIS Contract, Section 12.9 and Attachment III, Section A.12*)

2.17 Restriction on Billing Members. Provider agrees that the restrictions on billing Members as set forth in Section 4.3 of the Agreement shall continue to be in effect even if Company becomes insolvent. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.13*)

2.18 Prompt Provision of Covered Services. Provider shall promptly provide or arrange for the provision of all services required under the Agreement. This provision shall continue to be in effect for subcontract periods for which payment has been made even if Provider becomes insolvent until such time as the Members are withdrawn from assignment to Provider. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.15*)

2.19 PCP Obligation to Continue Services after Disenrollment. Except in the case of death or illness, Provider, if serving as a PCP, agrees to notify Company at least thirty (30) days in advance of disenrollment and agrees to continue care for his or her panel Members for up to thirty (30) days after such notification, until another

PCP is chosen or assigned. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.16*)

2.20 PCP Panel. Providers serving as a PCP pursuant to the Agreement agree to act as a PCP for the predetermined number of Members set forth on the PCP Panel Schedule attached hereto, not to exceed the panel size limits set forth in the applicable State Contract. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.17*)

2.21 Timeframe for Payment. Company agrees to pay Provider within thirty (30) days of the receipt of a claim for Covered Services rendered to a covered Member unless there is a signed agreement with Provider that states another timeframe for payment that is acceptable to Provider. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.18*)

2.22 State Appropriations. Notwithstanding any other provision to the contrary, the obligations of Virginia shall be limited to annual appropriations by its governing body for the purposes of the subcontract. (*Medallion 3.0 Contract, Attachment III; FAMIS Contract, Attachment III, Section A.19*)

2.23 Confidentiality of Medical Records. For all referrals that require the sharing of a Member's medical information, Provider shall obtain necessary written and signed informed consent from Member prior to release of Member's medical information. All requests for medical information shall be consistent with the confidentiality requirements of 42 CFR § Part 431, Subpart F. (*Medallion 3.0 Contract, Section 4.12.B; FAMIS Contract, Section 4.12.B*)

2.24 Member Rights. Provider shall comply with any Applicable Laws that pertain to member rights. (*Medallion 3.0 Contract, Section 6.9; FAMIS Contract, Section 6.9*)

2.25 Emergency Services (Hospitals Only). In accordance with Section 1867 of the Social Security Act, if Provider is a hospital that offers Emergency Services, Provider shall perform a medical screening examination on all people who come to Provider seeking emergency care, regardless of their insurance status or other personal characteristics. If an Emergency Medical Condition is found to exist, Provider must provide whatever treatment is necessary to stabilize that condition. Provider may not transfer a patient in an unstabilized emergency condition to another facility unless the medical benefits of the transfer outweigh the risks, and the transfer conforms to all applicable requirements. (*Medallion 3.0 Contract, Section 7.2.G; FAMIS Contract, Section 7.2.G*)

2.26 Immunization Registry Database. To the extent possible, and as permitted by Virginia statute and regulations, Provider shall participate in the state-wide immunization registry database. (*Medallion 3.0 Contract, Section 7.2.J; FAMIS Contract, Section 7.2.J*)

2.27 Members with Disabilities. Provider must ensure that Members with disabilities have effective communication with health care system participants in making decisions with respect to treatment options. (*Medallion 3.0 Contract, Section 7.6.A.V; FAMIS Contract, Section 7.6.A.V*)

2.28 Maternity Care. Provider shall screen pregnant women (or refer to an appropriate practitioner to screen) for prenatal depression in accordance with the American College of Obstetricians and Gynecologists (ACOG) standards. (*Medallion 3.0 Contract, Section 8.7.A; FAMIS Contract, Section 8.7.A*)

2.29 Company Right to Assess Claims of Fraud. Provider shall cooperate with Company in its process for assessing claims of fraudulent activity by Members and providers. Company may utilize, among other methods, computer software and periodic audits of medical records to perform such audits. (*Medallion 3.0 Contract, Section 9.2; FAMIS Contract, Section 9.2*)

2.30 Provider Appeals. Provider must utilize and exhaust Company's internal appeals process as set forth in the Agreement before appealing to DMAS. (*Medallion 3.0 Contract, Section 10.2.B; FAMIS Contract, Section 10.2.A*)

2.31 Provider Identifiers. In accordance with requirements set forth in 1932(d)(4) and 1173(b)(2) of the Social Security Act, Company shall assign a unique identifier to Provider, and Provider shall use this identifier when submitting data to Company. (*Medallion 3.0 Contract, Section 11.4; FAMIS Contract, Section 11.4*)

2.32 Provider Bankruptcy. Provider shall notify Company of any bankruptcy filing on or before the date of such filing. (*Medallion 3.0 Contract, Section 14.29.B.VI; FAMIS Contract, Section 14.29.B.VI*)

3.0 COMMONWEALTH OF VIRGINIA STATUTORY AND REGULATORY REQUIREMENTS

3.1 Health Care Provider Panels.

3.1.1 For a period of at least 90 days from the date of the notice of Provider's termination from Company's provider panel, except when Provider is terminated for cause, Provider shall be permitted by Company to render health care services to any Members who were in an active course of treatment from Provider prior to the notice of termination and request to continue receiving health care services from Provider. (*Virginia Code § 38.2-3407.10(F)(1)*)

3.1.2. Notwithstanding the provisions of 3.1.1, Provider shall be permitted to continue rendering health services to any Member who has entered the second trimester of pregnancy at the time of Provider's termination of participation, except when Provider is terminated for cause. Such treatment shall, at the Member's option, continue through the provision of postpartum care directly related to the delivery. (*Virginia Code § 38.2-3407.10(F)(2)*)

3.1.3 Notwithstanding the provisions of 3.1.1, Provider shall be permitted to continue rendering health services to any Member who is determined to be terminally ill (as defined under § 1861 (dd)(3)(A) of the Social Security Act) at the time of Provider's termination of participation, except when Provider is terminated for cause. Such treatment shall, at the Member's option, continue for the remainder of the Member's life for care directly related to the treatment of the terminal illness. (*Virginia Code § 38.2-3407.10(F)(3)*)

3.2 Medically Necessary Services. Nothing contained in this Addendum or in the Agreement shall be construed to require Provider to deny Covered Services that Provider knows to be Medically Necessary and appropriate that are provided with respect to a specific Member or group of Members with similar medical conditions. (*Virginia Code § 38.2-4312(F)*)

3.3 Limitation on Remedies. None of Provider, its agents, trustees, or assignees may maintain any action at law against a Member to collect sums owed by Company or any intermediary organization between Company and Provider. (*Virginia Code § 38.2-5805(C)(2) and (5)*)

3.4 Urgent Care and Emergency Services. Provider shall allow its Members, on a 24-hour basis, (i) access to medical care or (ii) access by telephone to a physician or licensed health care professional with appropriate medical training who can refer or direct a Member for prompt medical care in cases where there is a need for urgent care or Emergency Services. Provider shall clearly notify Members of provisions for urgent care or Emergency Services when Provider is not available after hours. (*12VAC5-408-280(A) and (C)*)

4.0 REGULATORY REQUIREMENTS SPECIFIC TO MEDALLION 3.0 MANAGED CARE PLANS

4.1 Compliance with Quality of Care Standards. Provider shall comply, and cause its employees, agents, independent contractors and subcontractors to comply, with all applicable federal and state mandates, community standards for quality of care, and standards developed pursuant to the DMAS managed care quality program. (*12VAC30-120-380(E)*)

4.2 Cost-Sharing. In accordance with 42 CFR § 447.50 through 42 CFR § 447.60, no provision contained in this Addendum or in the Agreement shall be construed to impose any cost sharing obligations on Members except as set forth in 12VAC30-20-150 and 12VAC30-20-160. (*12VAC30-120-380(I)*)

TENTH AMENDMENT TO THE
RADIOLOGY MANAGEMENT SERVICES AGREEMENT

This Amendment ("Amendment") is effective May 1, 2016 (the "Effective Date"), and is by and between **Aetna Medicaid Administrators LLC,** on behalf of itself and its affiliates ("Aetna"), and **MedSolutions, Inc. d/b/a eviCore healthcare,** on behalf of itself and its affiliates ("Delegated Entity"). Aetna and Delegated Entity may each be referred to individually as a "Party" and collectively as the "Parties."

WHEREAS, Aetna entered into a Radiology Management Services Agreement with Delegated Entity, dated as of January 1, 2014 (the "Agreement"), for the provision of health care services to, and/or administrative or health-benefit management services/functions relating to, the members of Aetna and/or its affiliates; and

WHEREAS, Company and Delegated Entity have since amended the Agreement on or around the following dates: First Amendment on April 1, 2014 (adding musculoskeletal pain management services); Second Amendment on April 1, 2014 (adding Maryland and Pennsylvania regulatory addenda); Third Amendment was never executed and is intentionally omitted; Fourth Amendment on July 16, 2014 (adding Missouri and Michigan); Fifth Amendment originally executed on May 1, 2015 and re-executed on October 19, 2015 (adding Louisiana); Sixth Amendment on May 1, 2015 (revising musculoskeletal pain management rates and adding Ohio regulatory addenda); and Seventh Amendment on December 15, 2015 (revising compensation terms, updating Michigan and Louisiana regulatory addenda, and adding Kentucky and Virginia); and

WHEREAS, the Parties desire to amend the Agreement further to include certain additional terms associated therewith.

NOW, THEREFORE, in consideration of the mutual covenants and promises stated herein and other good and valuable consideration, and intending to be legally bound, the Parties agree as follows:

1. The Agreement is hereby amended to add and incorporate in their entirety the following Regulatory Compliance Addenda that are attached to this Amendment:

    a. Addendum A—Regulatory Compliance Addendum Governing Illinois Medicaid Services; and

    b. Addendum B—Regulatory Compliance Addendum Governing Medicare-Medicaid Dual-Eligible Services (Aetna Better Health of Illinois).

    Delegated Entity agrees to perform its obligations under the Agreement in accordance with the terms and conditions set forth in the aforementioned Regulatory Compliance Addenda to the extent that those terms and conditions are applicable to Delegated Entity's services and obligations under the Agreement. In the event of any conflict between the terms of the attached Regulatory Compliance Addenda, on the one hand, and any of the other terms of the Agreement, on the other hand, including any other attachments, schedules, exhibits, and/or addenda that are currently appended to the Agreement, the terms of the Regulatory Compliance Addenda attached to this Amendment shall govern and control to the extent applicable to Delegated Entity's services and obligations under the Agreement.

    For the avoidance of doubt, Addendum A attached hereto shall supersede and replace "Individual Sites Regulatory Addendum – Exhibit A ILLINOIS," which is currently appended to the Agreement. Furthermore, Addendum B attached hereto shall supersede and replace "Exhibit D – Addendum for Medicare-Medicaid Dual Eligible Members," which is currently appended to the Agreement, with respect to the services and obligations that Delegated Entity provides under the Agreement relating to the Medicare-Medicaid plans of Aetna Better Health Inc. d/b/a Aetna Better Health of Illinois.

2. This Amendment may be executed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same Amendment.

3. The Parties ratify and affirm the Agreement, and agree that all other terms and provisions of the Agreement not amended herein shall remain in full force and effect, without modification. In the event of any inconsistency between the terms of this Amendment and the Agreement, the terms of this Amendment shall govern and control.

IN WITNESS WHEREOF, the undersigned Parties have executed this Amendment by their duly authorized officers, intending to be legally bound hereby, as of the Effective Date indicated above.

ADDENDUM A

Regulatory Compliance Addendum
Governing Illinois Medicaid Services

This Regulatory Compliance Addendum Governing Illinois Medicaid Services (the "Illinois Medicaid Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as well as the provision of any administrative or health-benefit management services/functions that relate to, as applicable:

(1) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health Inc., an Illinois Corporation, for Furnishing Health Services in an Integrated Care Program by a Managed Care Organization*, Contract No. 2015-24-004 (ABH) f/k/a Contract No. 2010-24-005-K, effective on or about May 1, 2011, which governs the program known as the Illinois Integrated Care Program a/k/a the ICP (the "ICP Contract"); and/or

(2) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health for Furnishing Health Services by a Managed Care Organization*, Contract No. 2015-24-002, effective on or about August 1, 2014, which governs the program known as the Illinois Family Health Plan Population–Affordable Care Act Adult program a/k/a FHP-ACA program (the "FHP-ACA Contract").

Aetna Better Health Inc. d/b/a Aetna Better Health of Illinois ("Company") serves as a managed-care organization under both the ICP Contract and the FHP-ACA Contract (the "State Contracts") on behalf of the State of Illinois and its Department for Healthcare and Family Services ("HFS" and collectively, the "State").

The State requires that specific terms and conditions be incorporated into the Agreement. As such, this Illinois Medicaid Addendum is incorporated by reference into the Agreement between Company (or its Affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing this Agreement (as identified on the first page thereof), and such provider, vendor, contractor, or other entity must comply with the requirements set forth herein. Note that this Illinois Medicaid Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement and in the policies, procedures, and provider manual of Company (or its Affiliate, as the case may be). This Illinois Medicaid Addendum and the Agreement may be revised as directed by the State.

For purposes of this Illinois Medicaid Addendum, the individuals who are enrolled with Company under the State Contracts will be referred to as the "Enrollees." All capitalized terms not defined in this Illinois Medicaid Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Illinois Medicaid Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this Illinois Medicaid Addendum will govern and control with respect to the provision of Covered Services to Members who are eligible and covered under the State Contracts and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contracts. Except as provided herein, all other provisions of the Agreement not inconsistent with this Illinois Medicaid Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Illinois Medicaid Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Agreement.

The provider, vendor, contractor, or other entity identified on the first page of the Agreement acknowledges and agrees that all provisions of this Illinois Medicaid Addendum shall apply equally to its/their employees, independent contractors, subcontractors, downstream entities, or related entities that provide Covered Services to Members who are eligible and covered under the State Contracts, or that provide administrative or health-benefit management services/functions relating to those Covered Services or to the State Contracts, and it/they represent and warrant that it/they shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Illinois Medicaid Addendum and all applicable laws and regulations.

CONTRACTUAL AND STATUTORY/REGULATORY REQUIREMENTS

A. Definitions

The following additional definitions shall apply with respect to the requirements set forth in this Illinois Medicaid Addendum:

a. "Authorized Persons" – Collectively means HFS, HFS's Office of Inspector General ("HFS OIG"), the Medicaid Fraud Control Unit of the Illinois State Police, the Illinois Auditor General, the United States Department of Health and Human Services and the Centers for Medicare and Medicaid Services ("CMS"), and any other State or federal agencies with monitoring authority related to Medicaid. [ICP Contract § 1.19; FHP-ACA Contract § 1.20]

b. "Provider" – Means any individual or entity that is enrolled with the State to provide Covered Services to Enrollees and that is associated with Company pursuant to a written contract or agreement for the purpose of providing health care services under the State Contracts. [ICP Contract §§ 1.16, 1.118; FHP-ACA Contract §§ 1.16, 1.17, 1.122]

c. "Subcontractor" – Means any individual or entity, other than a Provider, with which Company has entered into a written agreement for the purpose of delegating responsibilities applicable to Company under the State Contracts. [ICP Contract § 1.144; FHP-ACA Contract § 1.148]

B. Requirements Applicable to State Contracts and Covered Services

1. Practice Coverage and Hours; Enrollee Appointments. Provider agrees to provide Covered Services to Enrollees as set forth in the Agreement, including without limitation the following when such Covered Services are specified in the Agreement:

a. Primary care providers (PCPs) and specialty Providers shall provide coverage for their respective practices twenty-four (24) hours a day, seven (7) days a week and have a published after-hours telephone number (after-hours voicemail alone is not acceptable). [ICP Contract § 5.6.4; FHP-ACA Contract § 5.7.4]

b. Provider shall offer to Enrollees hours of operation that are no less than the hours of operation offered to persons who are not Enrollees. [ICP Contract § 5.6.3; FHP-ACA Contract § 5.7.3]

c. Provider shall ensure that time-specific appointments for routine, preventive care to an Enrollee are available within five (5) weeks from the date of request for such care, and within two (2) weeks from the date of request for infants under age six (6) months. If an Enrollee has more serious problems that are not deemed emergency medical conditions, Provider shall triage that Enrollee and, if necessary or appropriate, immediately refer that Enrollee for urgent medically necessary care or provide that Enrollee with an appointment within one (1) business day of the request. If an Enrollee has a problem or complaint that is not deemed serious, Provider shall see that Enrollee within three (3) weeks from the date of request for such care. If Enrollee seeks an initial prenatal visit without expressed problems, the Provider shall see that Enrollee within two (2) weeks after a request if the Enrollee is in her first trimester, within one (1) week if the Enrollee is in her second trimester, and within three (3) days if the Enrollee is in her third trimester. [ICP Contract § 5.6.3; FHP-ACA Contract § 5.7.3]

2. Payments; Hold Harmless of Enrollees/State.

a. Provider/Subcontractor acknowledges and agrees that Company shall not pay a Provider/Subcontractor for any provider-preventable condition. Provider/Subcontractor shall report all provider-preventable conditions associated with claims for payment or Enrollee treatments for which payment would otherwise be made. [FHP-ACA Contract § 5.25.8]

b. Provider/Subcontractor acknowledges and agrees that Company is prohibited by applicable federal law from making payments to financial institutions located outside of the United States for items or services provided under a Medicaid state plan or waiver.

c. Except as permitted or required by HFS in 89 Ill. Adm. Code 125, in HFS's fee-for-service copayment policy in effect at the time Covered Services are provided, and/or in the State Contracts, neither Company nor Provider/Subcontractor may seek or obtain funding through fees or charges to any Enrollee receiving Covered Services under the State Contracts. Provider/Subcontractor furthermore acknowledges and agrees that imposing charges in excess of those permitted under the State Contracts is a violation of Section 1128B(d) of the Social Security Act and subjects the party imposing such charges to criminal penalties. [ICP Contract § 5.30; FHP-ACA Contract § 5.30]

d. Provider/Subcontractor agrees that in no event, including but not limited to the nonpayment by Company of amounts due to Provider/Subcontractor under the Agreement, the insolvency of Company, or any breach of the Agreement by Company, shall Provider/Subcontractor or its assignees or subcontractors have a right to seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against the Enrollee or persons acting on the Enrollee's behalf (other than Company) for services provided pursuant to the Agreement except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Enrollees and all persons acting on the Enrollees' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider/Subcontractor and the Enrollee or persons acting on the Enrollee's behalf (other than Company). [215 ILCS 125/2-8(a)]

e. Any dispute between Company and Provider/Subcontractor shall be solely between those parties, and Company and Provider/Subcontractor shall each hold harmless the State and its agencies, officers, employees, agents, and volunteers from and against such dispute and any and all liabilities, demands, claims, suits, losses, damages, causes of action, fines, or judgments, including costs, attorneys' and witnesses' fees, and expenses incident thereto, regardless of the reason. [ICP Contract §§ 7.13, 9.1.8, 9.1.28; FHP-ACA Contract §§ 7.13, 9.1.8, 9.1.28]

3. Standards of Care. In addition to complying with other applicable standards of care, Provider/Subcontractor shall:

a. Timely identify any Enrollees with high-risk pregnancies and arrange for a maternal fetal medicine specialist or a transfer to Level III perinatal facilities in accordance with ACOG guidelines and the Illinois Perinatal Act requirements for referral and/or transfer of high-risk women. [ICP Contract, Attachment XXI ¶ 3.c.i.D; FHP-ACA Contract, Attachment XXI ¶ 3.c.i.D]

b. Cooperate and communicate with other service providers who serve Enrollees, including without limitation Special Supplemental Nutrition Programs for Women, Infants, and Children (commonly referred to as "WIC" programs); Head Start programs; Early Intervention programs; and school systems. Such cooperation may include performing annual physical examinations for schools and the sharing of information (with the consent of the Enrollee). [ICP Contract, Attachment XXI ¶ 3.e.i.; FHP-ACA Contract, Attachment XXI ¶ 3.e.i.]

4. Cultural Competence; Prohibition on Discrimination. In addition to complying with other applicable standards:

a. Provider/Subcontractor shall cooperate in the implementation of, and comply with all requirements set forth in, Company's Cultural Competence Plan, which shall include implementation of the NCQA Standards for Culturally and Linguistically Appropriate Services in Health Care (CLAS Standards). Provider/Subcontractor acknowledges and agrees that all Covered Services shall be provided in a culturally competent manner by ensuring the cultural competence of all Provider/Subcontractor staff, from clerical to

executive management. Furthermore, Subcontractors shall complete Company's initial and annual cultural-competence training. [ICP Contract §§ 2.7, 2.7.3, 2.7.4; FHP-ACA Contract §§ 2.7, 2.7.3, 2.7.4]

b. Provider/Subcontractor shall abide by all federal and State laws, regulations, and orders that prohibit discrimination because of race, color, religion, sex, national origin, ancestry, age, physical or mental disability, including, but not limited to, the Federal Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, the Federal Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972 (regarding education programs and activities), the Age Discrimination Act of 1975, the Illinois Human Rights Act, and Executive Orders 11246 and 11375. Provider/Subcontractor furthermore agrees to take affirmative action to ensure that no unlawful discrimination is committed in any manner including, but not limited to, the delivery of services under this Agreement. Provider/Subcontractor will furthermore not discriminate against Enrollees or prospective or potential Enrollees on the basis of health status, need for health services, or payment source. All Provider/Subcontractor locations where Enrollees receive Covered Services shall comply with the Americans with Disabilities Act of 1990. [77 Ill. Admin. Code § 240.50(d)(4); ICP Contract §§ 2.8, 5.6.2, 9.1.22; FHP-ACA Contract §§ 2.8, 5.7.2, 9.1.22]

5. Anti-Gag Clause; Prohibition on Retaliation. Provider/Subcontractor shall not be prohibited or otherwise restricted or discouraged from, and shall not prohibit or otherwise restrict or discourage its downstream providers or subcontractors from, taking any of the following actions so long as those actions are within the lawful scope of the acting party's practice: (a) advocating for medically appropriate health care services for Enrollees, which may include without limitation appealing denials and protesting decisions, policies, and practices; (b) advising an Enrollee about the health status of that Enrollee or medical care or treatment for that Enrollee's condition or disease regardless of whether benefits for such care or treatment are provided under the Agreement and/or the State Contracts; and/or (c) discussing with Enrollees, prospective Enrollees, or the public any health care services, health care providers, utilization review policies, quality assurance policies, or terms and conditions of plans and plan policy. Furthermore, Company shall not retaliate against Provider/Subcontractor, and Provider/Subcontractor shall not retaliate against its downstream providers or subcontractors, for any of the foregoing actions. Notwithstanding the foregoing, nothing in this provision shall be construed to prohibit: (a) Company or Provider/Subcontractor from making a determination not to pay for a particular health care service, from enforcing reasonable peer review or utilization review protocols, or from determining whether a physician or other health care provider has complied with those protocols; and/or (b) a Provider that is a hospital from taking disciplinary actions against a physician as authorized by law. [215 ILCS 134/30(a); 215 ILCS 134/35(a)–(d); ICP Contract § 5.32; FHP-ACA Contract § 5.32]

6. Grievances and Appeals. Provider/Subcontractor shall comply with Company's grievance and appeal processes referenced in the Agreement, and Company shall notify Provider/Subcontractor within fifteen (15) days following any substantive change to such procedures. [ICP Contract § 5.28.6; FHP-ACA Contract § 5.28.6]

7. Data and Reporting.

a. Provider/Subcontractor shall submit all data, reports, and clinical information required by Company under the State Contracts in such manner and format, and pursuant to such timeframes, as requested by Company and/or HFS. Provider/Subcontractor shall ensure that all data and reports that it submits to Company are accurate and complete, and Provider/Subcontractor furthermore acknowledges and agrees that all such data and reports shall be available to HFS and, upon request, to federal CMS. [ICP Contract § 5.24; FHP-ACA Contract § 5.24]

b. If Provider/Subcontractor provides Covered Services to Enrollees under a Illinois Department of Human Services ("DHS") Home and Community-Based Services ("HCBS") Waiver, under the Medicaid Clinic Option, or under the Medicaid Rehabilitation Option, or provides subacute alcoholism and substance-abuse treatment services pursuant to 89 Ill. Admin. Code §§ 148.340–148.390 and 77 Ill. Admin. Code Part 2090, such Provider/Subcontractor shall enter any data regarding Enrollees that is required under State rules, or under a contract between the Provider/Subcontractor and DHS, into any subsystem maintained by DHS, including, but not limited to, DHS's Automated Reporting and Tracking System (DARTS). [FHP-ACA Contract § 5.28.1.3]

8. Delegation. If Company delegates to Provider/Subcontractor any activities or obligations under the State Contracts:

a. Company shall remain ultimately responsible for the performance of those responsibilities and nothing in the Agreement shall be construed to terminate Company's legal responsibility to DHS to assure that all activities under the State Contracts are carried out. [ICP Contract §§ 5.28.2, 5.28.3; FHP-ACA Contract §§ 5.28.2, 5.28.3]

b. Provider/Subcontractor acknowledges and agrees that Company's delegated oversight committee will oversee Provider/Subcontractor's activities and performance under the Agreement to ensure compliance with all applicable contractual and statutory requirements, including without limitation the Illinois Human Rights Act, the U.S. Civil Rights Act, and Section 504 of the federal Rehabilitation Act. Company's oversight of Provider/Subcontractor will include, without limitation: pre-delegation audits; quarterly delegation oversight reviews of delegate performance; monthly joint-operation meetings; annual audits of Provider/Subcontractor; regular monitoring of Enrollee complaints with respect to Provider/Subcontractor; and documentation of issues and development of a corrective action plan, as warranted, to improve performance. [ICP Contract § 2.7.4; FHP-ACA Contract § 2.7.4]

c. To the extent that such delegated activities are credentialing or recredentialing activities or obligations under the State Contracts, Provider/Subcontractor shall maintain a formal credentialing program and shall conduct all such activities or obligations in compliance with Company, National Committee for Quality Assurance (NCQA), and State standards. Company shall monitor such credentialing/recredentialing delegated activities and shall review Provider/Subcontractor's credentialing files no less than annually as part of the annual audit. [ICP Contract § 5.7.4, Attachment XI ¶ 7.e.; FHP-ACA Contract § 5.8.4, Attachment XI ¶ 7.e.]

9. Quality Assurance. With respect to Company's quality-assurance obligations under the State Contracts:

a. Provider/Subcontractor shall participate in and cooperate with Company's quality-assurance program (QAP), shall cooperate with Company with respect to Company's QAP obligations under the State Contracts, and shall cooperate with Company's quality improvement committee. Provider/Subcontractor shall furthermore allow Company to access Provider/Subcontractor's Enrollee medical records to permit effective quality review, and such access shall include the right of Company to make and/or obtain a copy (in either electronic or hardcopy form) of such records. [ICP Contract, Attachment XI ¶ 6.b.; FHP-ACA Contract, Attachment XI ¶ 6.b.]

b. Provider/Subcontractor shall provide, arrange for, or participate in the quality-assurance programs mandated by the Illinois Health Maintenance Organization Act, unless the Illinois Department of Public Health has certified that such programs will be fully implemented without any participation or action from Provider/Subcontractor. [215 ILCS 125/2-8(a); 50 Ill. Admin. Code § 5241.50(a)(4)]

c. Provider/Subcontractor acknowledges and agrees that Company shall perform quality-assurance evaluations of Provider/Subcontractor's practices, which shall include monitoring of Enrollee accessibility to ensure linguistic and physical accessibility. [ICP Contract § 2.7.5; FHP-ACA Contract § 2.7.5]

d. Provider/Subcontractor shall cooperate and comply with all remedial or corrective actions that Company implements with respect to Provider/Subcontractor and/or its services under the Agreement, upon Company's determination that Provider/Subcontractor has furnished inappropriate or substandard services or has failed to furnish services that should have been furnished. [ICP Contract, Attachment XI ¶ 3.e.; FHP-ACA Contract, Attachment XI ¶ 3.e.]

e. If Company delegates to Provider/Subcontractor any quality-assurance activities or obligations that Company has under the State Contracts:

(i) Company and Provider/Subcontractor shall agree in writing upon the delegated activities, the accountability of Provider/Subcontractor for those activities, and the frequency of Provider/Subcontractor's reporting to Company related to those activities. [ICP Contract, Attachment XI ¶ 7.a.; FHP-ACA Contract, Attachment XI ¶ 7.a.]

(ii) Company and Provider/Subcontractor shall agree in writing upon the standards and procedures for monitoring and evaluating the implementation of the delegated functions and for verifying the actual quality of care being provided. [ICP Contract, Attachment XI ¶ 7.b.; FHP-ACA Contract, Attachment XI ¶ 7.b.]

(iii) All such delegated activities shall conform to the requirements set forth in the State Contracts. [ICP Contract, Attachment XI ¶ 7.c.; FHP-ACA Contract, Attachment XI ¶ 7.c.]

(iv) Provider/Subcontractor acknowledges and agrees that Company shall engage in continuous and ongoing evaluation and oversight of such delegated activities, including approval of quality-improvement plans and regular specified reports, as well as a formal review of such activities. Company's oversight of Provider/Subcontractor's performance of these delegated activities must include no less than an annual audit, analyses of required reports and encounter data, a review of Enrollee complaints, grievances, Provider complaints, and quality of care concerns raised through encounter data, monitoring activities, or other venues. Outcomes of Company's annual audit shall be submitted to HFS as part of Company's QA/UR/PR Annual Report. [ICP Contract, Attachment XI ¶ 7.d.; FHP-ACA Contract, Attachment XI ¶ 7.d.]

(v) If Company or Provider/Subcontractor identifies areas requiring improvement, Company or Provider/Subcontractor, as appropriate, shall take corrective action and implement a quality improvement initiative. If one or more deficiencies are identified, Provider/Subcontractor must develop and implement a corrective action plan, with protections put in place by Company to prevent such deficiencies from recurring. Evidence of ongoing monitoring of the delegated activities sufficient to assure corrective action shall be provided to HFS through quarterly or annual reporting. [ICP Contract, Attachment XI ¶ 7.f.; FHP-ACA Contract, Attachment XI ¶ 7.f.]

10. Pharmacy Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to pharmacy-related Covered Services:

a. Provider/Subcontractor shall administer all pharmacy benefits in accordance with the provisions and requirements of the State Contracts and all applicable State and federal laws and regulations. [ICP Contract §§ 5.1.7, 5.16.6; FHP-ACA Contract §§ 5.2.5, 5.16.6]

b. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contracts to submit required pharmacy-related reports and data to applicable federal and State authorities. [ICP Contract, Attachment XIII; FHP-ACA Contract, Attachment XIII]

c. If Company delegates to Provider/Subcontractor any pharmacy-related activities or obligations that Company has under the State Contracts, Provider/Subcontractor shall comply with all pharmacy-related provisions and requirements set forth in the State Contracts, including without limitation the following, as applicable:

(i) Company and Provider/Subcontractor shall submit a pharmacy formulary for prior approval by the State initially and annually thereafter. [ICP Contract § 5.1.7; FHP-ACA Contract § 5.2.5]

(ii) Company and Provider/Subcontractor shall provide coverage of drugs in all classes of drugs for which HFS's fee-for-service program provides coverage. [ICP Contract § 5.1.7.1; FHP-ACA Contract § 5.2.5.1]

(iii) Company and Provider/Subcontractor shall cover only drugs made by manufacturers that participate in the federal Medicaid drug rebate program, which applies to both prescription and over-the-counter drugs, but does not apply to non-drug items such as blood sugar test strips. HFS will provide a listing of manufacturers that participate in the federal Medicaid drug rebate program. [ICP Contract § 5.1.7.2; FHP-ACA Contract § 5.2.5.2]

(iv) Company and Provider/Subcontractor may determine their own utilization controls, including without limitation step therapy and prior approval, unless otherwise prohibited under the State Contracts, to ensure appropriate utilization. Company and Provider/Subcontractor shall utilize HFS's step-therapy and prior-authorization requirements for family-planning drugs and devices as set forth in the State Contracts. [ICP Contract § 5.1.7.3; FHP-ACA Contract § 5.2.5.3]

(v) Company and Provider/Subcontractor shall ensure that they require pharmacy, medical, and hospital providers to identify 340B-purchased drugs on pharmacy, medical, and hospital claims following HFS billing guidelines applied in HFS's fee-for-service program, and Company and Provider/Subcontractor shall furthermore ensure that its encounter claims to HFS identify these drugs. [ICP Contract § 5.1.7.4; FHP-ACA Contract § 5.2.5.4] For any outpatient drugs *not* identified in accordance with the previous sentence: (i) Company and Provider/Subcontractor shall collect information on the total number of units of each dosage form and strength and package size by National Drug Code of each covered outpatient drug dispensed to Enrollees, and (ii) Company and Provider/Subcontractor shall report to HFS quarterly, in a format and in the detail specified by HFS, information on the total number of units of each dosage form and strength and package size by National Drug Code of each such covered outpatient drug dispensed to Enrollees. [FHP-ACA Contract §§ 5.2.5.4.1, 5.2.5.4.2]

(vi) Company and Provider/Subcontractor shall establish and maintain a generic drug Maximum Allowable Cost (MAC) dispute-resolution process, subject to approval by HFS. The MAC dispute-resolution process shall enable pharmacies to report pricing disputes to the Company and/or Provider/Subcontractor up to sixty (60) days from the claim date and Company and/or Provider/Subcontractor is required to resolve the pricing dispute within twenty-one (21) days by adjusting the reimbursement rate to represent the average acquisition cost of the drug, or by informing the pharmacy of alternative generic equivalent products that can be purchased at or below the Company's existing MAC price. [ICP Contract § 5.1.7.5; FHP-ACA Contract § 5.2.5.5]

(vii) Company and Provider/Subcontractor shall develop and implement a system, including policies and procedures, coverage criteria, and processes for their Drug Utilization Review (DUR) program. The DUR program shall include a prospective review process for all drugs prior to dispensing and all non-formulary drug requests, and a retrospective drug utilization review process to detect patterns in prescribing, dispensing, or administration of medication and to prevent inappropriate use or abuse. Company and Provider/Subcontractor are required to report prospective and retrospective DUR activities to HFS quarterly, and to assist in data collection and reporting to HFS of data necessary to complete the federal CMS DUR annual report. [ICP Contract § 5.1.7.6; FHP-ACA Contract § 5.2.5.6]

(viii) Company and Provider/Subcontractor shall comply with the pharmacy prior-authorization provisions and requirements set forth in Section 5.16.6 of each of the State Contracts, which requires that Company and/or Provider/Subcontractor must authorize or deny a prior-authorization request for pharmacy services no later than twenty-four (24) hours after receipt of the request for authorization. [ICP Contract § 5.16.6; FHP-ACA Contract § 5.16.6]

(ix) Company and Provider/Subcontractor shall not permit or allow, whether by contract, written policy, or procedure, any individual or entity to dispense a different drug in place of the drug or brand of drug ordered or prescribed without the express permission of the person

ordering or prescribing the drug, except as provided under Section 3.14 of the Illinois Food, Drug and Cosmetic Act (codified at 410 ILCS 620/3.14). [215 ILCS 134/30(b)]

11. Children's Mental Health Service Requirements. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to any behavioral-health Covered Services that Provider/Subcontractor provides to Enrollees under the age of twenty one (21):

a. Provider/Subcontractor shall administer all such behavioral-health benefits in accordance with the provisions and requirements of Attachment XXII of the FHP-ACA Contract and in accordance with all applicable State and federal laws and regulations. [FHP-ACA Contract, Attachment XXII]

b. If Provider is an inpatient psychiatric Provider, it shall administer a physical examination to the Enrollee within twenty-four (24) hours after admission when that Enrollee requires admission to an appropriate inpatient institutional treatment setting. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.iv.]

c. Provider shall comply with Company's procedures with respect to discharge and transitional planning related to an appropriate inpatient institutional treatment setting, and shall cooperate with Company in the education and training of the Enrollee's family on how to use the "crisis safety plans" while the Enrollee is receiving inpatient institutional treatment. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.v.5.]

d. If Provider/Subcontractor provides Mobile Crisis Response Services in connection with the State Contracts:

(i) Provider/Subcontractor shall ensure that the staff providing those services hold the following credentials: (a) Mental Health Professional (MHP) with direct access to a Qualified Mental Health professional; (b) Qualified Mental Health Professional; or (c) Licensed Practitioner of the Healing Arts. [FHP-ACA Contract, Attachment XXII, ¶ 3.f.]

(ii) Provider/Subcontractor shall provide immediate crisis and stabilization services when an Enrollee in crisis can be stabilized in the community. [FHP-ACA Contract, Attachment XXII, ¶ 4.a.i.]

(iii) Provider/Subcontractor shall establish a "crisis safety plan" for all Enrollees presenting in behavioral-health crisis that is unique to the Enrollee and the circumstances leading to the crisis situation. [FHP-ACA Contract, Attachment XXII, ¶¶ 4.a.ii., 4.b.i.]

(iv) Provider/Subcontractor shall provide the Enrollee's family with contact information that may be used at any time, 24 hours a day, to contact Company in moments of crisis. [FHP-ACA Contract, Attachment XXII, ¶ 4.a.iv.]

(v) Provider/Subcontractor shall provide families of Enrollees with physical copies of the "crisis safety plan" (a) prior to the completion of the crisis screening event for any Enrollee stabilized in the community, and (b) prior to discharge of the Enrollee from an inpatient psychiatric hospital for any Enrollee that is admitted to such a facility. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.ii.]

(vi) Provider/Subcontractor shall educate and orient the Enrollee's family to the components of the "crisis safety plan" to ensure that the plan is reviewed with the family regularly, and to detail how the plan is updated as necessary. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.iii.]

(vii) Provider/Subcontractor shall share the "crisis safety plan" with all necessary medical professionals, including care coordinators, consistent with the authorizations established by consent or release. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.iv.]

(viii) Provider/Subcontractor shall facilitate the Enrollee's admission to an appropriate inpatient institutional treatment setting when the Enrollee in crisis cannot be stabilized in the community. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.i.]

(ix) Provider/Subcontractor shall inform the Enrollee's parents, guardian, caregivers, or residential staff about all of the available service providers and pertinent policies needed to allow the involved parties to select an appropriate inpatient institutional treatment setting. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.ii.]

12. Third Party Liability. Provider/Subcontractor acknowledges and agrees that Medicaid payment, under the State Contracts or otherwise, is secondary to other sources of payment for Covered Services provided to Enrollees, and that Medicaid (and consequently Company, as a Medicaid MCO of the State) is the payer of last resort. Provider/Subcontractor furthermore acknowledges and agrees that when Company is aware of third-party sources of payment for Covered Services, Company is required to "cost avoid" (*i.e.*, deny) the associated claim and to redirect Provider/Subcontractor to bill that third-party source of payment as the primary payor.

13. Cooperation with Company. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract, including without limitation:

a. Company's obligation to submit financial and expense-related reports/data to the State relating to the risk adjustment and Medical Loss Ratio (MLR) adjustment set forth in the State Contracts. [ICP Contract §§ 7.4, 7.11; FHP-ACA Contract §§ 7.4, 7.11]

b. Company's obligation to investigate, pursue, and report on coordination-of-benefit and third-party-liability resources and recoveries. [ICP Contract §§ 9.1.37, 9.1.38; FHP-ACA Contract §§ 9.1.36, 9.1.37]

c. Company's obligation to provide a "medical home," as that term is used in the State Contracts, for its Enrollees. [ICP Contract §§ 5.5.7, 5.9.2; FHP-ACA Contract §§ 5.6.7, 5.9.2]

d. Company's obligation to encourage Provider/Subcontractor to support Enrollees in directing their own care and in development of the Enrollee's care plan. [ICP Contract § 5.12.6; FHP-ACA Contract § 5.14.5; 5.14.8.1.3]

e. Company's obligation to avoid unnecessary utilization of emergency services by Enrollees and to promote care management through the Enrollees' primary care providers (PCPs) or "medical home." [ICP Contract § 5.17.1.5; FHP-ACA Contract § 5.17.1.5]

f. Company's obligation to establish and maintain an HFS-approved peer-review program to review the quality of care that Provider/Subcontractor provides to Enrollees. [ICP Contract § 5.19.5; FHP-ACA Contract § 5.19.5]

g. Company's obligation to provide orientation, education, and training for Provider/Subcontractor as set forth in the State Contracts, including without limitation (i) training on how to identify, recognize potential concerns related to, and report on suspected or alleged abuse, neglect, and exploitation being suffered by Enrollees, and (ii) education on the application of required clinical guidelines. [ICP Contract §§ 5.9, 5.20.1, 5.20.2, Attachment XI ¶ 9, Attachment XXI ¶ 3; FHP-ACA Contract §§ 5.9, 5.20.4, 5.20.5, Attachment XI ¶ 9, Attachment XXI ¶ 3]

h. Company's obligation to participate in any State-required performance-improvement projects. [ICP Contract § 7.16.5; FHP-ACA Contract § 7.16.5]

i. Company's obligation to remit to Provider/Subcontractor, if applicable, any "hospital access payments" authorized under 305 ILCS 5/5A-12.2(s)–(t) and 305 ILCS 5/5A-12.5 (Public Act 98-651, enacted June 14, 2014). [ICP Contract § 7.1.5; FHP-ACA Contract § 7.1.2]

j. Company's obligation to respond to any letter of concern, written deficiency notice, or request for a corrective action plan that Company receives from the State relating to Provider/Subcontractor or the services that are within the scope of the Agreement. [ICP Contract § 7.16.6.1; FHP-ACA Contract § 7.16.6.1]

k. Company's obligations and responsibilities relating to the "HMO self-evaluation structure" and associated activities set forth in 77 Ill. Admin. Code § 240.60. [77 Ill. Admin. Code § 240.50(d)(1)(C)]

14. Notice of Legal Action. If Provider/Subcontractor, its parent, or one of its affiliates becomes a party to any litigation, investigation, or transaction that may reasonably be considered to have a material impact on Provider/Subcontractor's ability to perform under the Agreement, Provider/Subcontractor shall immediately notify Company in writing. [ICP Contract § 9.1.24; FHP-ACA Contract § 9.1.24]

15. State Review of Agreement. Provider/Subcontractor acknowledges and agrees that Company may be required to submit a copy of the Agreement to HFS for review, and that HFS reserves the right to require Company to amend the Agreement as reasonably necessary to conform to Company's duties and obligations under the State Contracts. [ICP Contract § 5.28.10; FHP-ACA Contract § 5.28.10]

16. Termination of Agreement and Effect Thereof.

a. In the event the Agreement is terminated, such termination shall not constitute termination of any other agreement that Provider/Subcontractor has entered into with Company or an Affiliate of Company unless otherwise agreed to in writing by the parties. Furthermore, in the event this Illinois Medicaid Addendum is terminated, such termination shall not constitute termination of any other Product Addendum or Product Participation that Provider/Subcontractor has entered into with Company pursuant to the Agreement unless otherwise agreed to in writing by the Parties.

b. Notwithstanding anything in the Agreement to the contrary, if either Company or Provider/Subcontractor seeks (i) to terminate the Agreement "with cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least sixty (60) days' written notice to the other party; or (ii) to terminate the Agreement "without cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least ninety (90) days' written notice to the other party. Furthermore, Provider/Subcontractor shall cooperate with Company with respect to Company's obligation to provide timely notice to Enrollees of any termination that would curtail or eliminate services to such Enrollees, with such notice to be sent (i) at least sixty (60) days prior to that termination, or (ii) immediately, if Company receives less than sixty (60) days' notice of that termination from Provider/Subcontractor. The notice to be sent to Enrollees shall include instructions regarding referrals that have previously been issued and appointments that may be pending. [50 Ill. Admin. Code § 5241.50(a)(5)–(6); 305 ILCS 5/5F-40(a)]

c. Notwithstanding anything in the Agreement to the contrary, Company shall retain the right to terminate the Agreement, or impose other sanctions, if the performance of Provider/Subcontractor is inadequate. Company shall monitor the performance of Provider/Subcontractor on an ongoing basis, shall subject Provider/Subcontractor to formal review on no less than a triennial basis, and to the extent deficiencies or areas for improvement are identified during an informal or formal review, shall require Provider/Subcontractor to take appropriate corrective action. Furthermore, Company shall promptly terminate the Agreement if Provider/Subcontractor is or becomes terminated, barred, or suspended, or has voluntarily withdrawn as a result of a settlement agreement, under either Section 1128 or Section 1128A of the Social Security Act, from participating in any program under federal law including any program under Titles XVIII, XIX, XX or XXI of the Social Security Act or are otherwise excluded from participation in the HFS Medical Program. [ICP Contract §§ 5.28.7, 5.28.9; FHP-ACA Contract §§ 5.28.7, 5.28.9]

17. Maintenance, Access to, and Confidentiality of Records.

a. Provider/Subcontractor shall maintain books and records relating to the performance of the State Contracts and the Agreement and necessary to support amounts charged under the State Contracts and the Agreement. Books and records, including information stored in databases or other computer systems, shall be maintained by Provider/Subcontractor for a period of three (3) years from the later of the date of final payment under the Agreement or completion of the Agreement, or such longer time as may be required by federal law or regulation. Books and records required to be maintained under this provision shall be accessible for review or audit by representatives of Company or any Authorized Persons (along with the Executive Inspector General and the Chief Procurement Officer) upon reasonable notice and during normal business hours. Such access shall include the right to make and/or obtain a copy (in either electronic or hardcopy form) of such books and records. Provider/Subcontractor shall cooperate fully with any such audit and with any investigation conducted by any of these entities. Failure to maintain the books and records required by this provision shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the State Contracts for which adequate books and records are not available to support the purported disbursement. Provider/Subcontractor shall not impose a charge for audit or examination of Provider/Subcontractor's books and records. [ICP Contract § 9.1.2; FHP-ACA Contract § 9.1.2]

b. Provider/Subcontractor may have or gain access to confidential data or information owned or maintained by the State or Company in the course of carrying out Provider/Subcontractor's responsibilities under the Agreement and/or the State Contracts. Provider/Subcontractor shall presume all information received from the State or Company, or to which it gains access pursuant to the Agreement and/or the State Contracts, is confidential. No confidential data collected, maintained, or used in the course of performance of the Agreement and/or the State Contracts shall be disseminated except as authorized by law and with the written consent of the State and/or Company, as applicable, either during the term of the State Contracts or thereafter, unless otherwise expressly provided in the State Contracts. Provider/Subcontractor must return any and all data collected, maintained, created, or used in the course of the performance of the Agreement and/or the State Contracts, in whatever form it is maintained, promptly at the earlier of the termination of the Agreement or the termination of the State Contracts, or earlier at the request of the State, or notify the State and/or Company, as applicable, in writing of its destruction. The foregoing obligations shall not apply to confidential data or information that is: (i) lawfully in Provider/Subcontractor's possession prior to its acquisition from the State and/or Company; (ii) received in good faith from a third-party not subject to any confidentiality obligation to the State and/or Company; (iii) now is or later becomes publicly known through no breach of confidentiality obligation by Provider/Subcontractor; or (iv) is independently developed by Provider/Subcontractor without the use or benefit of the confidential information of the State and/or Company. [ICP Contract § 9.1.6; FHP-ACA Contract § 9.1.6]

c. Provider/Subcontractor shall ensure that all information, records, data, and data elements pertaining to applicants for and recipients of public assistance, or to providers, facilities, and associations, shall be protected from unauthorized disclosure by Provider/Subcontractor and Provider/Subcontractor's employees, by Provider/Subcontractor's corporate affiliates and their employees, and by Provider/Subcontractor's subcontractors and their employees, pursuant to 305 ILCS 5/11-9, 11-10, and 11-12; 42 U.S.C. § 654(26); 42 C.F.R. Part 431, Subpart F; and 45 C.F.R. Part 160 and 45 C.F.R. Part 164, Subparts A and E. To the extent that Provider/Subcontractor, in the course of performing under the terms of the Agreement, serves as a business associate of Company and/or HFS, as "business associate" is defined in the HIPAA Privacy Rule (45 C.F.R. § 160.103), Provider/Subcontractor shall assist Company and/or HFS in responding to the client as provided in the HIPAA Privacy Rule, and shall maintain for a period of six (6) years any records relevant to an individual's eligibility for services under the HFS Medical Program. [ICP Contract § 9.1.21; FHP-ACA Contract § 9.1.21]

d. Provider/Subcontractor, to which Company provides Enrollee PHI that Company has received from HFS or created or received by Company on behalf of HFS, agrees to the same restrictions and conditions that apply under the terms of the State Contracts to Company with respect to such information. [ICP Contract, Attachment VI § C.5; FHP-ACA Contract, Attachment VI § C.5]

18. Medical Records. With respect to Enrollee medical records:

a. In addition to the requirements set forth in the Agreement, Provider/Subcontractor shall maintain Enrollee medical records in a timely, legible, accurate, current, complete, and organized manner, with appropriate dates and identification and initialing/signature of the Provider/Subcontractor, to facilitate retrieval and compilation of records, to ensure Enrollee continuity of care, and to permit effective and confidential patient care and quality review. For each encounter or episode of care that Provider/Subcontractor has with an Enrollee, Provider/Subcontractor shall place the following information into the Enrollee's medical records: (1) the reason for the encounter; (2) evidence of the Provider/Subcontractor's assessment of the Enrollee's health problems; (3) current diagnosis of the Enrollee, including the results of any diagnostic tests; (4) the plan of treatment, including any therapies and health education; (5) any medical history relevant to the current episode of care; and (6) confirmation that all outcomes of ancillary reports, such as laboratory tests and x-rays, have been reviewed by the individual or entity who ordered the reports and that follow-up actions have been taken regarding report results that are deemed significant by the individual or entity who ordered those reports. [77 Ill. Admin. Code §§ 240.50(c)(1), 240.90(a)–(b); ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

b. Provider/Subcontractor shall ensure that Enrollee medical records contain documented efforts to obtain Enrollee consent when required by law. Provider/Subcontractor shall furthermore only release Enrollee medical records to Authorized Persons, or to any primary care provider (PCP), women's health care provider (WHCP), or other Provider of Enrollee (subject to Enrollee's consent when required by law), and shall only release original Enrollee medical records in accordance with federal or State law, court orders, subpoenas, or a valid records-release form executed by the Enrollee. Provider/Subcontractor shall protect the confidentiality and privacy of minors, and shall abide by all federal and State laws regarding the confidentiality and disclosure of medical records, mental health records, and any other information about Enrollees. Provider/Subcontractor shall produce Enrollee medical records to HFS upon request. [ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

c. If Provider/Subcontractor is an Enrollee's primary care provider (PCP), Provider/Subcontractor shall furthermore maintain a permanent medical record for that Enrollee to ensure continuity of care. The medical record for each Enrollee who has had a routine, scheduled appointment with his/her primary care provider (PCP) shall include the following information: (1) identification; (2) patient history; (3) known past surgical procedures; (4) known past and current diagnoses and problems; and (5) known allergies and untoward reactions to drugs. [77 Ill. Admin. Code § 240.90(c); ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

d. If Enrollee changes PCPs or "medical homes," Provider/Subcontractor shall forward Enrollee's medical records or copies thereof to the new PCP or "medical home" promptly upon Enrollee's transfer. [ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

e. Provider/Subcontractor shall only record diagnosis codes in Enrollee's medical records at the time of creation of that medical record, and shall not retroactively adjust any such diagnosis codes except to correct errors. [ICP Contract § 7.4.1; FHP-ACA Contract § 7.4.1]

19. Use of Hospitalists. Neither Company nor Provider/Subcontractor shall require or otherwise mandate, whether by contract, written policy, or procedure, any Enrollee to substitute his or her participating primary care provider (PCP) during inpatient hospitalization, such as with a hospitalist physician, without the agreement of that Enrollee's participating primary care provider (PCP). Company and Provider/Subcontractor (if applicable) shall inform Enrollees of any policies, recommendations, or guidelines concerning the substitution of the Enrollee's primary care provider (PCP) when hospitalization is necessary in the manner set forth in 215 ILCS 5/15(d)–(e). [215 ILCS 134/30(c)]

20. Provider Enrollment, Credentialing, Licensure, and Privileges.

a. Provider/Subcontractor shall be enrolled as a provider in the HFS Medical Program (as defined below), if such enrollment is required by HFS's rules or policy in order to submit claims for reimbursement or otherwise participate in the HFS Medical Program. Provider/Subcontractor shall not, in turn, contract or subcontract with an individual or entity that has voluntarily withdrawn from the HFS Medical Program as the result of a settlement agreement. For purposes of this provision, the term "HFS Medical Program" means the (i) Illinois Medical Assistance Program administered under Article V of the Illinois Public Aid Code (305 ILCS 5/5-1 *et seq.*) or its successor program, and Titles XIX (42 U.S.C. § 1396 *et seq.*) and XXI (42 U.S.C. § 1397aa *et seq.*) of the Social Security Act, and Section 12-4.35 of the Illinois Public Aid Code (305 ILCS 5/12-4.35); and (ii) the State Children's Health Insurance Program administered under 215 ILCS 106 and Title XXI of the Social Security Act (42 U.S.C. § 1397aa *et seq.*). [ICP Contract §§ 1.71, 5.28.4; FHP-ACA Contract §§ 1.75, 5.28.4]

b. Provider shall comply with all credentialing and recredentialing policies and procedures that Company implements to verify Provider's credentials, including without limitation by completing a credentialing application in accordance with applicable policies and procedures. Furthermore, Provider shall comply with all applicable credentialing/recredentialing standards and requirements set forth in the State Contracts and in applicable federal and State laws, regulations, and written policies. [ICP Contract § 5.7.1, Attachment XI ¶ 8; FHP-ACA Contract § 5.8.1, Attachment XI ¶ 8]

c. If Provider/Subcontractor operates a laboratory testing site that provides services to Enrollees, (i) that site shall possess a valid Clinical Laboratory Improvement Amendment (CLIA) certificate and comply with the CLIA regulations found at 42 C.F.R. Part 493, and (ii) Provider/Subcontractor shall report lab values to Company directly. [ICP Contract §§ 5.19.2, 5.28.9.4; FHP-ACA Contract §§ 5.19.2, 5.28.9.4]

d. If Provider is a physician, such physician Provider shall have and maintain admitting privileges and, as appropriate, delivery privileges at a hospital that is also a participating Provider with Company; or, in lieu of these admitting and/or delivery privileges, such physician Provider shall have a written referral agreement with a separate physician who is a participating Provider with Company and who has such privileges at a hospital that is also a participating Provider with Company. Such physician Provider shall coordinate care with the referring physician and shall ensure that Enrollee medical records are appropriately transferred; the physicians' written referral agreement shall contain appropriate provisions that document and require such coordination of care and transfer of medical records. [ICP Contract § 5.28.1.2; FHP-ACA Contract § 5.28.1.2]

e. If Provider/Subcontractor provides long-term care and HCBS services under the Agreement, Provider/Subcontractor shall be approved and authorized by the State to provide such Covered Services, and shall only provide to Enrollees those particular Covered Services for which they are approved and authorized. [FHP-ACA Contract § 5.8.5]

21. Disclosure of Ownership and Control; Prohibited Relationships; Background Checks.

a. Consistent with federal disclosure requirements described in 42 C.F.R. § 455.100 through 42 C.F.R. § 455.106 and 42 C.F.R. § 438.610, and to ensure that Company does not make a payment to an individual or entity that has been criminally convicted of a felony, is debarred, suspended, or otherwise excluded from participating in federal health care programs, or is excluded from participating in procurement activities under the Federal Acquisition Regulation, or from participating in non-procurement activities under regulations issued under Executive Order No. 12549 or under guidelines implementing Executive Order No. 12549, Provider/Subcontractor shall disclose to Company: any required ownership and control, relationship, and financial interest information; any changes to ownership and control, relationship, and financial interest information; and information on any criminal convictions regarding Provider/Subcontractor and any owner(s) and managing employee(s) at the time the Agreement is executed and annually thereafter, and any time there are changes to such information. [ICP Contract § 9.2.34; FHP-ACA Contract § 9.2.34]

b. No Provider/Subcontractor, no individual who has a direct or indirect ownership or controlling interest of 5% or more of that Provider/Subcontractor, and no officer, director, agent, or managing employee (*i.e.*, general manager, business manager, administrator, director, or like individual who exercises operational or managerial control over that Provider/Subcontractor or who directly or indirectly conducts the day-to-day operation of that Provider/Subcontractor) shall be an entity or individual: (1) who has been convicted of any offense under Section 1128(a) of the Social Security Act (42 U.S.C. § 1320a-7(a)) or of any offense related to fraud or obstruction of an investigation or a controlled substance described in Section 1128(b)(1)–(3) of the Social Security Act (42 U.S.C. § 1320a-7(b)(1)–(3)); (2) against whom a civil monetary penalty has been assessed under Section 1128A or 1129 of the Social Security Act (42 U.S.C. §1320a-7a; 42 U.S.C. §1320a-8); or (3) who has been excluded from participation in a program under Title XVII, 1902(a)(39) and (41) of the Social Security Act, Section 4724 of the Balanced Budget Act or under a State health care program. [ICP Contract § 9.2.34; FHP-ACA Contract § 9.2.34]

c. Provider/Subcontractor shall not be an Excluded Person (as that term is defined below), and shall not employ, subcontract with, or affiliate with an Excluded Person. The term "Excluded Person" means any individual or entity that (i) under Section 1128 of the Social Security Act, is or has been terminated, barred, suspended, or otherwise excluded from participation in, or as the result of a settlement agreement has voluntarily withdrawn from participation in, any program under federal law, including any program under Titles IV, XVIII, XIX, XX or XXI of the Social Security Act; (ii) has not been reinstated in the program after a period of exclusion, suspension, debarment, or ineligibility; or (iii) has been convicted of a criminal offense related to the provision of items or services to a federal, state, or local government entity within the last ten (10) years. Provider/Subcontractor acknowledges and agrees that under the State Contracts, Company must terminate its relationship with Provider/Subcontractor immediately upon learning that such Provider/Subcontractor meets the definition of an Excluded Person, and must notify the HFS OIG of the termination. [ICP Contract §§ 5.22, 9.1.32; FHP-ACA Contract §§ 5.22, 9.1.32]

d. Provider/Subcontractor acknowledges and agrees that prior to entering into the Agreement, Company may be required to submit a disclosure statement to HFS identifying any agreements, Providers, and/or Subcontractors in which any of the following have a financial interest of five percent (5%) or more: (a) any individual or entity also having a financial interest of five percent (5%) or more in Company or Company's affiliates as defined by 42 C.F.R. § 455.101; (b) any director, officer, trustee, partner, or employee of Company or Company's Affiliates; and (c) any member of the immediate family of any individual or entity designated above. [ICP Contract § 5.28.12; FHP-ACA Contract § 5.28.12]

e. Provider/Subcontractor acknowledges and agrees that the State may conduct, at the State's expense and whenever the State deems it reasonably necessary for security reasons, criminal and driver history background checks of Provider/Subcontractor and its officers, employees, or agents, and furthermore acknowledges and agrees that Provider/Subcontractor shall immediately reassign any such individual who, in the opinion of the State, does not pass the background checks. [ICP Contract § 9.1.13; FHP-ACA Contract § 9.1.13]

22. Fraud, Abuse and Misconduct. Provider/Subcontractor shall report immediately in writing to Company and to the HFS OIG any suspected fraud, abuse, or misconduct associated with any service or function provided for under the Agreement and/or the State Contracts by any parties directly or indirectly affiliated with the Agreement and/or the State Contracts, including without limitation Company and Company's staff, Provider/Subcontractor and its employees and subcontractors, and HFS employees or contractors. Provider/Subcontractor shall make this report to Company and to the HFS OIG within three (3) days after first suspecting fraud, abuse, or misconduct. Provider/Subcontractor shall not conduct any investigation of the suspected fraud, abuse, or misconduct without the express concurrence of the HFS OIG; the foregoing notwithstanding, Provider/Subcontractor may conduct and continue investigations necessary to determine whether reporting is required under this provision. Provider/Subcontractor must report the results of such an investigation to the HFS OIG as described above. Provider/Subcontractor shall cooperate with all investigations of suspected fraud, abuse, or misconduct reported pursuant to this provision. Nothing in this provision precludes Company or Provider/Subcontractor from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, from conducting themselves in accordance with their respective legal

or contractual obligations, or from taking internal personnel-related actions. [ICP Contract §§ 5.31.1, 9.1.29; FHP-ACA Contract §§ 5.31.1, 9.1.29]

23. Offshore Services. Provider/Subcontractor is prohibited from using any individual or entity (an "Offshore Entity") (including, but not limited to, any employee, contractor, subcontractor, agent, representative, or other individual or entity) to perform any services in connection with the State Contracts if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless Company, in its sole discretion and judgment, agrees in advance and in writing to the use of such Offshore Entity. Provider/Subcontractor further agrees that Company has the right to audit any Offshore Entity prior to the provision of any Offshore Services. Provider/Subcontractor further represents and warrants that it does not and will not permit any Enrollees' protected health information (PHI) or other personal information to be accessible by any Offshore Entity, without prior written notice to Company and Company's prior written approval of such Offshore Entity. In the event that Company agrees in advance and in writing to permit Provider/Subcontractor to use an Offshore Entity to perform any services in connection with the State Contracts and Company agrees that such Offshore Entity will receive, process, transfer, handle, store, or access Enrollee PHI as defined at 45 C.F.R. § 160.103, Provider/Subcontractor agrees that Offshore Services that involve Enrollee PHI are subject to CMS reporting within thirty (30) days of: (a) performing, or contracting with an Offshore Entity to perform, Offshore Services, and (b) any time Provider/Subcontractor changes the Offshore Services that an Offshore Entity will perform.

24. Business Enterprise Program (BEP) Registration. In the event that Provider/Subcontractor is a minority-owned business, a female-owned business, or a business owned by persons with disabilities, then Provider/Subcontractor shall seek and obtain State certification as a Business Enterprise Program (BEP) vendor under the Business Enterprise Program Act for Minorities, Females and Persons with Disabilities. Provider/Subcontractor shall furthermore cooperate with Company with respect to Company's obligations under the State Contract related to the Business Enterprise Program (BEP) and shall, among other things, maintain a record of all relevant data with respect to the utilization of BEP-certified individuals and entities, including, but not limited to, payroll records, invoices, canceled checks, and books of account, for a period of at least five (5) years after the completion of the Agreement. [ICP Contract §§ 2.92, 7.16.2; FHP-ACA Contract §§ 2.92, 7.16.2]

25. Marketing Activities. Provider/Subcontractor shall not engage in any inappropriate or unallowable marketing activities and practices as set forth in the State Contracts and 42 C.F.R. § 438.104, and shall submit to Company for its review any marketing or information materials of Provider/Subcontractor that relate to the State Contracts, prior to disseminating same. Provider/Subcontractor furthermore shall not induce any employees of the State to improperly reveal any confidential information regarding Enrollees or otherwise use such confidential information in a fraudulent manner. [ICP Contract § 4.16.3; FHP-ACA Contract § 4.16.3]

26. Compliance with Laws, the State Contracts, and Company Policies and Procedures.

a. Provider/Subcontractor shall perform all services and other duties under the Agreement in accordance and compliance with, and subject to, all applicable federal, State, and local laws, rules, ordinances, regulations, orders, federal circulars, and license and permit requirements in the performance of the Agreement, including without limitation, the Managed Care Reform and Patient Rights Act (215 ILCS 134/ 1 *et seq.*), the federal Balanced Budget Act of 1997 (Public Law 105-33), and regulations promulgated by the Illinois Department of Financial and Professional Regulation, the Illinois Department of Public Health, and/or federal CMS. Company shall be in compliance with applicable tax requirements and shall be current in payment of such taxes. Company shall obtain at its own expense all licenses and permissions necessary for the performance of the Agreement. [ICP Contract §§ 2.2, 2.5, 9.1.12; FHP-ACA Contract §§ 2.2, 2.5, 9.1.12]

b. Provider/Subcontractor shall be bound by the terms and conditions of the State Contracts that are appropriate to the services provided by, or activities delegated to, Provider/Subcontractor in connection with the State Contracts. These terms and conditions include, without limitation, the record-keeping and audit provisions of the State Contracts, such that the Authorized Persons shall have the same rights to audit and inspect Provider/Subcontractor (and any downstream providers or subcontractors

thereof) as they have to audit and inspect Company. [ICP Contract § 5.28.1.1; FHP-ACA Contract § 5.28.1.1]

c. Provider/Subcontractor shall comply with the prior-authorization requirements and processes set forth in Company's policies and procedures. [ICP Contract §§ 5.16.5, 5.16.6; FHP-ACA Contract § 5.16.5, 5.16.6]

d. Provider/Subcontractor shall comply with all utilization-management and peer-review programs, processes, and timeframes established by Company. [ICP Contract, Attachment XII ¶ 4; FHP-ACA Contract, Attachment XII ¶ 4]

27. State Employee Handbook. If Provider/Subcontractor or any of its employees and subcontractors provide services under the Agreement at a location controlled by HFS or any other State agency, Provider/Subcontractor shall abide by all applicable provisions of the controlling State agency's Employee Handbook. [ICP Contract § 9.1.27; FHP-ACA Contract § 9.1.27]

28. Prohibition on Gifts. Provider/Subcontractor and its principals, employees, and subcontractors are prohibited from giving gifts to HFS employees, and from giving gifts to, or accepting gifts from, any individual or entity that has a contemporaneous contract with HFS involving duties or obligations related to the Agreement and/or the State Contracts. [ICP Contract § 9.1.30; FHP-ACA Contract § 9.1.30]

29. No Transfer of Liability to Providers. Neither Company nor Subcontractor shall transfer or attempt to transfer to any health care provider, by indemnification, hold harmless, or contribution requirements that are set forth in any contract, written policy, or procedure, any liability relating to activities, actions, or omissions of Company and/or Subcontractor or their respective officers, employees, or agents; provided, however that nothing in this provision shall relieve any health care provider from liability for his, her, or its own negligence in the performance of his, her, or its duties arising from treatment of an Enrollee. [215 ILCS 134/95]

30. Capitated Contracts. If Company compensates Provider/Subcontractor under the Agreement on a capitated basis for furnishing, arranging, or providing health care services:

a. Provider/Subcontractor agrees that in no event, including but not limited to nonpayment by Company of amounts due to Provider/Subcontractor under the Agreement, insolvency of Company, or any breach of the Agreement by Company, shall Provider/Subcontractor or its assignees or subcontractors have a right to or seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against, the Enrollee or persons acting on the Enrollee's behalf (other than Company) for services provided pursuant to the Agreement, except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Enrollees and persons acting on the Enrollees' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider/Subcontractor and the Enrollee or persons acting on the Enrollee's behalf (other than Company). [50 Ill. Admin. Code § 5241.50(e)]

b. Provider/Subcontractor shall submit timely encounter data/records for all Covered Services that it has provided to Enrollees, in the format specified by the State, so that Company can meet the encounter-reporting specifications and requirements set forth in the State Contracts. Provider/Subcontractor shall be responsible for transmitting all data to Company as required by 42 C.F.R. § 438. [ICP Contract § 7.11.3; FHP-ACA Contract §§ 5.6.6, 7.11.3]

c. If Provider/Subcontractor is a "Managed Care Organization" as that term is defined in 50 Ill. Admin. Code § 5241.20, Provider/Subcontractor shall submit to Company copies of Provider/Subcontractor's quarterly financial statements, which shall include Provider/Subcontractor's balance sheet and statements of income and cash flow within forty-five (45) days after the end of each fiscal period. In addition, Provider/Subcontractor shall submit, within ninety (90) days after the end of Provider/Subcontractor's fiscal year, copies of Provider/Subcontractor's audited annual financial

statements prepared in accordance with generally accepted accounting principles, if available. Provider/Subcontractor acknowledges and agrees that HFS, at its discretion, may require Company to submit for HFS's inspection the financial statements that Company has received from Provider/Subcontractor (which such financial statements shall be deemed confidential by HFS). Provider/Subcontractor agrees to fully cooperate with, and disclose all relevant information requested by, Company's actuaries for the preparation of such actuaries' opinion in accordance with the Actuarial Standards Board Actuarial Standards of Practice No. 16. Company acknowledges that in the event of Provider/Subcontractor's insolvency, Company is secondarily liable as the ultimate risk bearer for unpaid health care services rendered to Company's Enrollees. [50 Ill. Admin Code §5241.50(d)] For purposes of this provision, "Managed Care Organization" or "MCO" means a partnership, association, corporation, or other legal entity, including but not limited to individual practice associations (IPAs) and physician hospital organizations (PHOs), that delivers or arranges for the delivery of health care services through providers it has contracted with or otherwise made arrangements with to furnish those health care services. [50 Ill. Admin. Code § 5241.20]

31. Required Certifications of Provider/Subcontractor. Provider/Subcontractor acknowledges and agrees that its compliance with Section 9.2 of each of the State Contracts and each subsection of Section 9.2 (collectively, the "Standard Certifications") is a material requirement and condition of this Agreement during the entire term thereof, including during any renewal periods. By executing the Agreement, Provider/Subcontractor certifies compliance with the Standard Certifications in their entirety, and Provider/Subcontractor is under a continuing obligation to remain in compliance with, and to report any non-compliance with respect to, the Standard Certifications. Furthermore, Provider/Subcontractor shall include the Standard Certifications in any subcontracts or other contracts with its downstream entities or related entities that Provider/Subcontractor enters into in connection with the State Contracts. During the term of the State Contracts, Provider/Subcontractor shall confirm compliance with the Standard Certifications in the manner and format determined by the State by the date specified by the State, and in no event later than July 1 of each year that the State Contracts remains in effect. As part of each Standard Certification, Provider/Subcontractor acknowledges and agrees that if Provider/Subcontractor or its subcontractors, downstream entities, or related entities provide false information, or fail to be or remain in compliance with the Standard Certifications, one or more of the following sanctions will apply: (a) the Agreement may be void by operation of law; (b) the State may void the Agreement; and (c) Provider/Subcontractor and its subcontractors, downstream entities, or related entities may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. [ICP Contract § 9.2.1; FHP-ACA Contract § 9.2.1]

The Standard Certifications are set forth below:

a. Provider/Subcontractor certifies it and its employees will comply with applicable provisions of the United States Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101, *et seq.*), and applicable rules in the performance of this Agreement. [ICP Contract § 9.2.2; FHP-ACA Contract § 9.2.2]

b. Provider/Subcontractor certifies, if applicable, that it is not in default on an educational loan (5 ILCS 385/3). This applies to individuals, sole proprietorships, partnerships, and individuals as members of LLCs. [ICP Contract § 9.2.3; FHP-ACA Contract § 9.2.3]

c. Provider/Subcontractor (if an individual, sole proprietor, partner, or an individual as member of an LLC) certifies, if applicable, that it has not received (i) an early retirement incentive prior to 1993 under Section 14-108.3 or 16-133.3 of the Illinois Pension Code, 40 ILCS 5/14-108.3 and 40 ILCS 5/16-133.3, or (ii) an early retirement incentive on or after 2002 under Section 14-108.3 or 16-133.3 of the Illinois Pension Code, 40 ILCS 5/14-108.3 and 40 ILCS 5/16-133 (30 ILCS 105/15a). [ICP Contract § 9.2.4; FHP-ACA Contract § 9.2.4]

d. Provider/Subcontractor certifies, if applicable, that it is a properly formed and existing legal entity (30 ILCS 500/1.15.80, 20-43), and as applicable has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State. [ICP Contract § 9.2.5; FHP-ACA Contract § 9.2.5]

e. Provider/Subcontractor certifies that it has neither been convicted of bribing or attempting to bribe an officer or employee of the State or any other state, nor made an admission of guilt of such conduct that is a matter of record (30 ILCS 500/50-5). [ICP Contract § 9.2.7; FHP-ACA Contract § 9.2.7]

f. If Provider/Subcontractor has been convicted of a felony, Provider/Subcontractor certifies at least five (5) years have passed after the date of completion of the sentence for such felony, unless no person held responsible by a prosecutor's office for the facts upon which the conviction was based continues to have any involvement with the business (30 ILCS 500/50-10). [ICP Contract § 9.2.8; FHP-ACA Contract § 9.2.8]

g. If Provider/Subcontractor, or any officer, director, partner, or other managerial agent of Provider/Subcontractor, has been convicted of a felony under the Sarbanes-Oxley Act of 2002, or a Class 3 or Class 2 felony under the Illinois Securities Law of 1953, Provider/Subcontractor certifies that at least five (5) years have passed since the date of the conviction. Provider/Subcontractor further certifies that it is not barred from being awarded a contract and acknowledges that the State shall declare the Agreement void if this certification is false (30 ILCS 500/50-10.5). [ICP Contract § 9.2.9; FHP-ACA Contract § 9.2.9]

h. Provider/Subcontractor certifies that it is not barred from having a contract with the State based on violating the prohibition on providing assistance to the State in identifying a need for a contract (except as part of a public request for information process) or by reviewing, drafting, or preparing a solicitation or similar documents for the State (30 ILCS 500/50-10.5e). [ICP Contract § 9.2.10; FHP-ACA Contract § 9.2.10]

i. Provider/Subcontractor certifies that it and its affiliates are not delinquent in the payment of any debt to the State (or if delinquent has entered into a deferred payment plan to pay the debt), and Provider/Subcontractor and its affiliates acknowledge that the State may declare the Agreement void if this certification is false (30 ILCS 500/50-11) or if Provider/Subcontractor or an affiliate later becomes delinquent and has not entered into a deferred payment plan to pay off the debt (30 ILCS 500/50-60). [ICP Contract § 9.2.11; FHP-ACA Contract § 9.2.11]

j. Provider/Subcontractor certifies that it and its affiliates shall collect and remit Illinois Use Tax on all sales of tangible personal property into the State in accordance with provisions of the Illinois Use Tax Act (30 ILCS 500/50-12) and acknowledges that failure to comply can result in the Agreement being declared void. [ICP Contract § 9.2.12; FHP-ACA Contract § 9.2.12]

k. Provider/Subcontractor certifies that it has not been found by a court or the Pollution Control Board to have committed a willful or knowing violation of the Environmental Protection Act within the last five (5) years, and is therefore not barred from being awarded a contract (30 ILCS 500/50-14). [ICP Contract § 9.2.13; FHP-ACA Contract § 9.2.13]

l. Provider/Subcontractor certifies that it has not paid any money or valuable thing to induce any person to refrain from bidding on a State contract, nor has Provider/Subcontractor accepted any money or other valuable thing, or acted upon the promise of same, for not bidding on a State contract (30 ILCS 500/50-25). [ICP Contract § 9.2.14; FHP-ACA Contract § 9.2.14]

m. Provider/Subcontractor certifies that it is not in violation of the "Revolving Door" section of the Illinois Procurement Code (30 ILCS 500/50-30). [ICP Contract § 9.2.15; FHP-ACA Contract § 9.2.15]

n. Provider/Subcontractor certifies that it has not retained a person to attempt to influence the outcome of a procurement decision for compensation contingent in whole or in part upon the decision or procurement (30 ILCS 500/50-38). [ICP Contract § 9.2.16; FHP-ACA Contract § 9.2.16]

o. Provider/Subcontractor certifies that it will report to the Illinois Attorney General and the Chief Procurement Officer any suspected collusion or other anti-competitive practice among any bidders,

offerors, contractors, proposers, or employees of the State (30 ILCS 500/50-40, 50-45, 50-50). [ICP Contract § 9.2.17; FHP-ACA Contract § 9.2.17]

p. In accordance with the Steel Products Procurement Act, Provider/Subcontractor certifies that steel products used or supplied in the performance of a contract for public works shall be manufactured or produced in the United States, unless the executive head of the procuring agency grants an exception (30 ILCS 565). [ICP Contract § 9.2.18; FHP-ACA Contract § 9.2.18]

q. If Provider/Subcontractor employs twenty-five (25) or more employees, Provider/Subcontractor certifies that it will provide a drug free workplace pursuant to the Drug Free Workplace Act (30 ILCS 580). [ICP Contract § 9.2.19; FHP-ACA Contract § 9.2.19]

r. Provider/Subcontractor certifies that neither Provider/Subcontractor nor any substantially owned affiliate of Provider/Subcontractor is participating or shall participate in an international boycott in violation of the U.S. Export Administration Act of 1979 or the applicable regulations of the U.S. Department of Commerce (30 ILCS 582). [ICP Contract § 9.2.20; FHP-ACA Contract § 9.2.20]

s. Provider/Subcontractor certifies that it has not been convicted of the offense of bid rigging or bid rotating or any similar offense of any state or of the United States (720 ILCS 5/33E-3, E-4). [ICP Contract § 9.2.21; FHP-ACA Contract § 9.2.21]

t. Provider/Subcontractor certifies that it complies with the Illinois Department of Human Rights Act and rules applicable to public contracts, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (775 ILCS 5/2-105). [ICP Contract § 9.2.22; FHP-ACA Contract § 9.2.22]

u. Provider/Subcontractor certifies that it does not pay dues to or reimburse or subsidize payments by its employees for any dues or fees to any "discriminatory club" (775 ILCS 25/2). [ICP Contract § 9.2.23; FHP-ACA Contract § 9.2.23]

v. Provider/Subcontractor certifies that it complies with the State Prohibition of Goods from Forced Labor Act, and certifies that no foreign-made equipment, materials, or supplies furnished to the State under the Agreement have been or will be produced in whole or in part by forced labor, or indentured labor under penal sanction (30 ILCS 583). [ICP Contract § 9.2.24; FHP-ACA Contract § 9.2.24]

w. Provider/Subcontractor certifies that no foreign-made equipment, materials, or supplies furnished to the State under the Agreement have been produced in whole or in part by the labor or any child under the age of twelve (30 ILCS 584). [ICP Contract § 9.2.25; FHP-ACA Contract § 9.2.25]

x. Provider/Subcontractor certifies that it is not in violation of Section 50-14.5 of the Illinois Procurement Code (30 ILCS 500/50-14.5), which states: "Owners of residential buildings who have committed a willful or knowing violation of the Lead Poisoning Prevention Act (410 ILCS 45) are prohibited from doing business with the State until the violation is mitigated." [ICP Contract § 9.2.26; FHP-ACA Contract § 9.2.26]

y. Provider/Subcontractor warrants and certifies that it and, to the best of its knowledge, its subcontractors, downstream entities, or related entities, have and will comply with Executive Order No. 1 (2007). That Order generally prohibits contractors and subcontractors from hiring the then-serving Illinois Governor's family members to lobby procurement activities of the State, or any other unit of government in the State including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity. [ICP Contract § 9.2.27; FHP-ACA Contract § 9.2.27]

z. Provider/Subcontractor certifies that information technology, including electronic information, software, systems, and equipment developed or provided under the Agreement will comply

with the applicable requirements of the Illinois Information Technology Accessibility Act Standards as published at www.dhs.state.il.us/iitaa (30 ILCS 587). [ICP Contract § 9.2.28; FHP-ACA Contract § 9.2.28]

aa. Provider/Subcontractor certifies that it is not currently barred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or State department or agency, and is not currently barred or suspended from contracting with the State under Section 50-35(f), 50-35(g) or 50-65 of the Illinois Procurement Code, 30 ILCS 500/1-1 *et seq.* If at any time during the term of the Agreement, Provider/Subcontractor becomes barred, suspended, or excluded from participation in this transaction, Provider/Subcontractor shall, within thirty (30) days after becoming barred, suspended, or excluded, provide to HFS a written description of each offense causing the exclusion, the date(s) of the offense(s), the action(s) causing the offense(s), any penalty assessed or sentence imposed, and the date any penalty was paid or sentence completed. [ICP Contract § 9.2.29; FHP-ACA Contract § 9.2.29]

bb. Provider/Subcontractor certifies that neither Provider/Subcontractor, nor any party directly or indirectly affiliated with Provider/Subcontractor, including but not limited to Provider/Subcontractor's officers, directors, employees, and subcontractors, and the officers, directors, and employees of Provider/Subcontractor's subcontractors, shall have or acquire any Conflict of Interest (as defined below) in performance of the Agreement. Provider/Subcontractor shall disclose in writing any Conflicts of Interest to HFS no later than seven (7) days after learning of the Conflict of Interest. HFS may initiate any inquiry as to the existence of a Conflict of Interest, and Provider/Subcontractor shall cooperate with all such inquiries. HFS shall determine, in its sole discretion, whether a Conflict of Interest exists or whether Provider/Subcontractor failed to make any required disclosure. If HFS concludes that a Conflict of Interest exists, or that Provider/Subcontractor failed to disclose any Conflict of Interest, HFS may impose one or more remedies in its sole discretion, including without limitation the elimination of the Conflict of Interest or the non-renewal or termination of the Agreement. [ICP Contract § 9.2.30; FHP-ACA Contract § 9.2.30]

i. For purposes of this provision, "Conflict of Interest" shall mean an interest of Provider/Subcontractor, or any entity described above, which may be direct or indirect, professional, personal, financial, or beneficial in nature that, in the sole discretion of HFS, compromises, appears to compromise, or gives the appearance of impropriety with regard to Provider/Subcontractor's duties and responsibilities under the Agreement. This term shall include potential Conflicts of Interest. A Conflict of Interest may exist even if no unethical or improper act results from it or may arise where Provider/Subcontractor becomes a party to any litigation, investigation, or transaction that materially impacts Provider/Subcontractor's ability to perform under the Agreement. Any situation where Provider/Subcontractor's role under the Agreement competes with Provider/Subcontractor's professional or personal role may give rise to an appearance of impropriety. Any conduct that would lead a reasonable individual, knowing all the circumstances, to a conclusion that bias may exist or that improper conduct may occur, or that gives the appearance of the existence of bias or improper conduct, is a Conflict of Interest. [ICP Contract § 9.2.30.1; FHP-ACA Contract § 9.2.30.1]

cc. Provider/Subcontractor certifies that it is in compliance with all applicable standards, orders, or regulations issued pursuant to the federal Clean Air Act (42 U.S.C. § 7401 *et seq.*) and the federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*). Violations shall be reported to the United States Department of Health and Human Services and the appropriate Regional Office of the United States Environmental Protection Agency. [ICP Contract § 9.2.31; FHP-ACA Contract § 9.2.31]

dd. Provider/Subcontractor certifies that, to the best of its knowledge and belief, no federally appropriated funds have been paid or will be paid by or on behalf of Provider/Subcontractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal loan or grant, or the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement. If any funds other than federally appropriated funds have been paid

or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, Provider/Subcontractor shall complete and submit Standard Form LLL, "Disclosure Forms to Report Lobbying," in accordance with its instructions. Such form is to be obtained at Provider/Subcontractor's request from the HFS Bureau of Fiscal Operations. Provider/Subcontractor shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when the Agreement was executed. Submission of this certification is a prerequisite for making or entering into the transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. [ICP Contract § 9.2.32; FHP-ACA Contract § 9.2.32]

ee. Provider/Subcontractor certifies that it has read, understands, and is in compliance with the registration requirements of the Elections Code (10 ILCS 5/9-35) and the restrictions on making political contributions and related requirements of the Illinois Procurement Code (30 ILCS 500/20-160 and 50-37). Provider/Subcontractor will not make a political contribution that will violate these requirements, which are effective for the duration of the term of office of the incumbent State governor or for a period of two (2) years after the end of the Agreement's term, whichever is longer. Provider/Subcontractor will certify, as applicable, either that it is not required to register as a business entity with the State Board of Elections, or has registered with the State Board of Elections and will appropriately and timely update that registration. [ICP Contract § 9.2.33 & Attachment X; FHP-ACA Contract § 9.2.33 & Attachment X]

ADDENDUM B

Regulatory Compliance Addendum
Governing Medicare-Medicaid Dual-Eligible Services
(Aetna Better Health of Illinois)

This Regulatory Compliance Addendum Governing Medicare-Medicaid Dual-Eligible Services (the "Duals Addendum") shall govern the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the *Contract Between United States Department of Health and Human Services Centers for Medicare & Medicaid Services, In Partnership with the State of Illinois Department of Healthcare and Family Services and Aetna Better Health Inc.*, issued on November 1, 2013 (the "Three-Way Contract"), which established and governs the program known as the Illinois Medicare-Medicaid Alignment Initiative a/k/a the MMAI (the "MMAI") and under which Aetna Better Health Inc. d/b/a Aetna Better Health of Illinois ("Company") serves as a managed care organization, as well as the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and/or the MMAI.

This Duals Addendum is incorporated by reference into the Agreement between Company (or its Affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing the Agreement, as identified on the first page of the Agreement (the "Provider"), and Provider must comply with the requirements set forth herein. Note that this Duals Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement, in the Three-Way Contract, and in the policies, procedures, and provider manual of Company (or its Affiliate, as the case may be). This Duals Addendum and the Agreement may be revised as directed by the State of Illinois and/or by the Centers for Medicare and Medicaid Services.

For purposes of this Duals Addendum, Company may be referred to as "MCO" or "the MCO" (a/k/a managed care organization), and the individuals who are enrolled with Company under the MMAI may be referred to as the "Members" or "Enrollees." All capitalized terms not defined in this Duals Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Duals Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this Duals Addendum will govern and control with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and/or the MMAI; provided, however, that if there is any conflict between any of the terms of this Agreement, including this Duals Addendum, and the Three-Way Contract, then the terms of the Three-Way Contract will govern and control. Except as provided herein, all other provisions of the Agreement not inconsistent with this Duals Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Duals Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Three-Way Contract and the remainder of the Agreement.

Provider acknowledges and agrees that all provisions of this Duals Addendum shall apply equally to any employees, independent contractors, subcontractors, downstream entities, or related entities of Provider that provide Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, or that provide administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and/or the MMAI, and Provider represents and warrants that Provider shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Duals Addendum and all applicable laws and regulations.

REQUIREMENTS FOR THE MMAI

A. Illinois State Requirements

The State of Illinois requires that specific terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the following

requirements with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract and the MMAI:

1. Hold Harmless of Enrollees. Provider agrees that in no event, including but not limited to the nonpayment by Company of amounts due to Provider under the Agreement, the insolvency of Company, or any breach of the Agreement by Company, shall Provider or its assignees or subcontractors have a right to seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against the Member or persons acting on the Member's behalf (other than Company) for services provided pursuant to the Agreement except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Members and all persons acting on the Members' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider and the Member or persons acting on the Member's behalf (other than Company). [215 ILCS 125/2-8(a)]

2. Quality Assurance. Provider shall provide, arrange for, or participate in the quality-assurance programs mandated by the Illinois Health Maintenance Organization Act, unless the Illinois Department of Public Health has certified that such programs will be fully implemented without any participation or action from Provider. [215 ILCS 125/2-8(a); 50 Ill. Admin. Code § 5241.50(a)(4)]

3. Termination of Agreement. Notwithstanding anything in the Agreement to the contrary, if either Company or Provider seeks (i) to terminate the Agreement "with cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least sixty (60) days' written notice to the other party; or (ii) to terminate the Agreement "without cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least ninety (90) days' written notice to the other party. Furthermore, Provider shall cooperate with Company with respect to Company's obligation to provide timely notice to Enrollees of any termination that would curtail or eliminate services to such Enrollees, with such notice to be sent (i) at least sixty (60) days prior to that termination, or (ii) immediately, if Company receives less than sixty (60) days' notice of that termination from Provider. The notice to be sent to Enrollees shall include instructions regarding referrals that have previously been issued and appointments that may be pending. [50 Ill. Admin. Code § 5241.50(a)(5)–(6); 305 ILCS 5/5F-40(a)]

4. No Discrimination. Provider will not discriminate against Enrollees or potential Enrollees on the basis of payment source. [77 Ill. Admin. Code § 240.50(d)(4)]

5. Anti-Gag Clause; Prohibition on Retaliation. Provider shall not be prohibited or otherwise restricted or discouraged from, and shall not prohibit or otherwise restrict or discourage its downstream providers or subcontractors from, taking any of the following actions so long as those actions are within the lawful scope of the acting party's practice: (a) advocating for medically appropriate health care services for Enrollees, which may include without limitation appealing denials and protesting decisions, policies, and practices; and/or (b) discussing with Enrollees, prospective Enrollees, or the public any health care services, health care providers, utilization review policies, quality assurance policies, or terms and conditions of plans and plan policy. Furthermore, Company shall not retaliate against Provider, and Provider shall not retaliate against its downstream providers or subcontractors, for any of the foregoing actions. Notwithstanding the foregoing, nothing in this provision shall be construed to prohibit: (a) Company or Provider from making a determination not to pay for a particular health care service, from enforcing reasonable peer review or utilization review protocols, or from determining whether a physician or other health care provider has complied with those protocols; and/or (b) a Provider that is a hospital from taking disciplinary actions against a physician as authorized by law. [215 ILCS 134/30(a); 215 ILCS 134/35(a)–(d)]

6. Cooperation with Company. Provider shall cooperate with Company with respect to Company's obligations and responsibilities relating to the "HMO self-evaluation structure" and associated activities set forth in 77 Ill. Admin. Code § 240.60. [77 Ill. Admin. Code § 240.50(d)(1)(C)]

7. Pharmacy Benefits. Company and Provider shall not permit or allow, whether by contract, written policy, or procedure, any individual or entity to dispense a different drug in place of the drug or brand of drug

ordered or prescribed without the express permission of the person ordering or prescribing the drug, except as provided under Section 3.14 of the Illinois Food, Drug and Cosmetic Act (codified at 410 ILCS 620/3.14). [215 ILCS 134/30(b)]

8. Use of Hospitalists. Neither Company nor Provider shall require or otherwise mandate, whether by contract, written policy, or procedure, any Enrollee to substitute his or her participating primary care provider (PCP) during inpatient hospitalization, such as with a hospitalist physician, without the agreement of that Enrollee's participating primary care provider (PCP). Company and Provider (if applicable) shall inform Enrollees of any policies, recommendations, or guidelines concerning the substitution of the Enrollee's primary care provider (PCP) when hospitalization is necessary in the manner set forth in 215 ILCS 5/15(d)–(e). [215 ILCS 134/30(c)]

9. No Transfer of Liability to Downstream Providers. Neither Company nor Provider shall transfer or attempt to transfer to any health care provider, by indemnification, hold harmless, or contribution requirements that are set forth in any contract, written policy, or procedure, any liability relating to activities, actions, or omissions of Company and/or Provider or their respective officers, employees, or agents; provided, however that nothing in this provision shall relieve any health care provider from liability for his, her, or its own negligence in the performance of his, her, or its duties arising from treatment of an Enrollee. [215 ILCS 134/95]

10. Medical Records. With respect to Enrollee medical records:

a. Provider shall maintain Enrollee medical records in a timely, legible, accurate, current, complete, and organized manner, with appropriate dates and identification and initialing/signature of the Provider, to facilitate retrieval and compilation of records and to ensure Enrollee continuity of care. For each encounter or episode of care that Provider has with an Enrollee, Provider shall place the following information into the Enrollee's medical records: (1) the reason for the encounter; (2) evidence of the Provider's assessment of the Enrollee's health problems; (3) current diagnosis of the Enrollee, including the results of any diagnostic tests; (4) the plan of treatment, including any therapies and health education; (5) any medical history relevant to the current episode of care; and (6) confirmation that all outcomes of ancillary reports, such as laboratory tests and x-rays, have been reviewed by the individual or entity who ordered the reports and that follow-up actions have been taken regarding report results that are deemed significant by the individual or entity who ordered those reports. [77 Ill. Admin. Code §§ 240.50(c)(1), 240.90(a)–(b)]

b. If Provider is an Enrollee's primary care provider (PCP), Provider shall furthermore maintain an Enrollee medical record that contains, with respect to each routine, scheduled appointment with that primary care provider (PCP): (1) identification; (2) patient history; (3) known past surgical procedures; (4) known past and current diagnoses and problems; and (5) known allergies and untoward reactions to drugs. [77 Ill. Admin. Code § 240.90(c)]

11. Capitated Contracts. If Company compensates Provider under the Agreement on a capitated basis for furnishing, arranging, or providing health care services:

a. Provider agrees that in no event, including but not limited to nonpayment by Company of amounts due to Provider under the Agreement, insolvency of Company, or any breach of the Agreement by Company, shall Provider or its assignees or subcontractors have a right to or seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against, the Member or persons acting on the Member's behalf (other than Company) for services provided pursuant to the Agreement, except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Members and persons acting on the Members' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider and the Member or persons acting on the Member's behalf (other than Company). [50 Ill. Admin. Code § 5241.50(e)]

b. If Provider is a "Managed Care Organization" as that term is defined in 50 Ill. Admin. Code § 5241.20, Provider shall submit to Company copies of Provider's quarterly financial statements, which shall include Provider's balance sheet and statements of income and cash flow within forty-five (45) days after the end of each fiscal period. In addition, Provider shall submit, within ninety (90) days after the end of Provider's fiscal year, copies of Provider's audited annual financial statements prepared in accordance with generally accepted accounting principles, if available. Provider acknowledges and agrees that the Illinois Department for Healthcare and Family Services ("HFS"), at its discretion, may require Company to submit for HFS's inspection the financial statements that Company has received from Provider (which such financial statements shall be deemed confidential by HFS). Provider agrees to fully cooperate with, and disclose all relevant information requested by, Company's actuaries for the preparation of such actuaries' opinion in accordance with the Actuarial Standards Board Actuarial Standards of Practice No. 16. Company acknowledges that in the event of Provider's insolvency, Company is secondarily liable as the ultimate risk bearer for unpaid health care services rendered to Company's Enrollees. [50 Ill. Admin Code §5241.50(d)] For purposes of this provision, "Managed Care Organization" or "MCO" means a partnership, association, corporation, or other legal entity, including but not limited to individual practice associations (IPAs) and physician hospital organizations (PHOs), that delivers or arranges for the delivery of health care services through providers it has contracted with or otherwise made arrangements with to furnish those health care services. [50 Ill. Admin. Code § 5241.20]

B. Medicare Requirements

Without limiting any obligation of Provider under the Agreement, Provider shall comply with, and shall cause its Downstream Entities and Related Entities to comply with, the requirements set forth in this **Section B** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider), as applicable, that relate to those Covered Services or to the Three-Way Contract and the MMAI (the "Medicare Services"). (The terms "Downstream Entities" and "Related Entities" shall have the respective meanings that are ascribed to them in **Schedule 1** hereto, and shall include Provider's permanent and temporary employees.) For purposes of this **Section B**, the Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI shall collectively be referred to as the "Medicare Members," and the managed-care plan that MCO offers under the Three-Way Contract and the MMAI shall be referred to as the "Medicare Plan." Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. PAYMENT.

A. In consideration of Provider's agreement to perform Covered Services in accordance with the Agreement, Provider shall be paid for Covered Services performed according to the terms of the applicable Services and Compensation Schedule (or other analogous compensation schedule appended to the Agreement).

B. MCO shall not pay any amounts beyond the amounts set forth in the applicable Services and Compensation Schedule (or other analogous compensation schedule appended to the Agreement), including but not limited to any incentive payments that may be payable under traditional Medicare, except as expressly required by the Agreement or applicable law. Further, the Parties acknowledge and agree that payments under the Medicare program to providers, suppliers, and MCO may be adjusted as the result of legislation, regulation, executive order, or other federal mandate ("Medicare Payment Adjustment"). Furthermore, any such Medicare Payment Adjustment could result in an increase or decrease in Medicare payments. In accordance with the terms of this Agreement, the Parties agree that, in the event of a Medicare Payment Adjustment, MCO's payment to Provider will be adjusted in accordance with the Medicare Payment Adjustment. MCO shall adjust payments under this Agreement for Covered Services rendered by Provider on and after the effective date of the Medicare Payment Adjustment, and shall continue to adjust payments to Provider for Covered Services until the earlier of (i) the discontinuation of the Medicare Payment Adjustment, or (ii) the replacement of the Medicare Payment Adjustment by a subsequent Medicare Payment Adjustment.

C. Pursuant to Section B.5.K. of this Duals Addendum, Provider certifies that the diagnosis codes submitted to MCO for Medicare Members that MCO is required to submit to CMS will be accurate, complete, and truthful (the "**Certification**"). Provider acknowledges and agrees that MCO may impose a penalty on Provider not to exceed five thousand dollars ($5,000) for each instance that Provider submits a diagnosis code to MCO for a Medicare Member that does not comply with this Certification because the diagnosis code was not submitted in the format described in 42 C.F.R. § 422.310 or any subsequent or additional federal regulations. For purposes of this Section, "diagnosis code" shall mean an International Classification of Diseases-9th Edition-Clinical Modification (ICD-9-CM) code or its successor.

D. Federal laws and regulations limit the timeframe within which CMS may recover overpayments made to physicians, providers, and suppliers who submit claims to Medicare contractors (such as fiscal intermediaries, regional home health intermediaries, carriers, Medicare Administrative Contractors, and Durable Medical Equipment Medicare Administrative Contractors) for services provided or supplied to Medicare beneficiaries enrolled in Original Medicare (the "**Medicare Statute of Limitations**"). If MCO makes an overpayment or payment in error to Provider for Medicare Members, MCO shall have the right to initiate overpayment recovery efforts within the same timeframe available to CMS under the Medicare Statute of Limitations; provided that no time limit shall apply to initiation of overpayment recovery efforts based on MCO's reasonable suspicion of fraud or other intentional misconduct.

E. In no event, including without limitation non-payment by MCO, insolvency of MCO, or breach of the Agreement, shall Provider bill, charge, collect a deposit from, seek remuneration or reimbursement from, or have any recourse against a Medicare Member or persons (other than MCO) acting on a Medicare Member's behalf for services covered under the Agreement. Provider further agrees that: (i) this provision shall survive termination of the Agreement regardless of the cause giving rise to termination and shall be construed for the benefit of Medicare Members, and (ii) this provision supersedes any oral or written agreement to the contrary now existing or hereafter entered into between Provider and a Medicare Member or persons acting on a Medicare Member's behalf. No modification of this provision shall be effective without the prior written approval of the appropriate regulatory entities.

2. ASSIGNMENT. In addition to all other rights of MCO under the Agreement, the Agreement (including, but not limited to, as it relates to the line(s) of business described in this Duals Addendum) may be assigned by MCO, at any time and from time to time, in whole or in part, to any other affiliate or successor in interest of MCO. At MCO's option, the Agreement shall survive, without any other change in its terms, as a distinct, separate agreement with MCO for those products/lines of business designated by MCO and in duplicate form as a separate, distinct participating provider agreement with the applicable affiliate(s)/successor(s) for the products/lines of business assigned to such entity(ies). In the event of any assignment under this paragraph, MCO shall provide advance written notice to Provider. In the event of a conflict between this Section and any other provision of the Agreement, the terms of this Section shall supersede and prevail.

3. EFFECT OF TERMINATION. In the event this Duals Addendum is terminated for any reason, such termination shall not constitute termination of any of MCO's other products, plans, or programs.

4. MEDICARE REQUIRED PROVISIONS. Provider agrees to comply with all of the provisions of the Schedules attached hereto and incorporated into this Duals Addendum (including **Schedule 1** and any delegated function-specific Schedules that may be appended hereto), and agrees that all terms and conditions in the Agreement applicable to Provider shall also apply to any Downstream Entities of Provider. Provider further acknowledges and agrees that all terms of such Schedules shall apply equally to services provided in connection with the Three-Way Contract and the MMAI, even if such Schedules only refer to Medicare Advantage products. Provider acknowledges that to the extent MCO is delegating to Provider any activities and responsibilities in connection with the Three-Way Contract and the MMAI, MCO may only delegate such activities and responsibilities in a manner consistent with the contractual and legal obligations and duties imposed on MCO under the Three-Way Contract and under applicable Medicare laws, regulations, rules, and other directions of CMS.

5. PROVIDER OBLIGATIONS.

A. Provision of Covered Services. Provider agrees to provide to Medicare Members the health care services for which Provider is licensed and customarily provides in accordance with accepted medical and surgical standards in the community. Provider shall make Covered Services available and accessible to Medicare Members, including telephone access to Provider, on a twenty-four (24) hours, seven (7) days per week basis.

B. Compliance; Cooperation. Provider agrees that all Medicare Services and other activities performed by Provider under the Agreement will be consistent and comply with MCO's obligations under the Three-Way Contract. Upon request, Provider shall immediately provide to MCO any information that is required by MCO to meet its reporting obligations to CMS, including without limitation, physician incentive plan information, if applicable. To the extent that Provider generates and/or compiles and provides any data to MCO that MCO, in turn, submits to CMS, Provider certifies, to the best of its knowledge and belief, that such data is accurate, complete, and truthful. Provider agrees to cooperate with and participate in internal and external review procedures necessary to allow MCO to process Medicare appeals and grievances in accordance with Medicare laws, regulations, and CMS instructions.

C. Federal Fund Obligations. Provider understands and agrees that payments received by MCO for the Medicare Plan from CMS pursuant to the Three-Way Contract, as well as payments that Provider receives from MCO for performing services and functions under the Agreement, constitutes the receipt of federal funds. As a result, Provider, by entering into this Agreement and the terms of this Duals Addendum, is subject to laws applicable to individuals/entities receiving federal funds, including but not limited to, Title VI of the Civil Rights Act of 1964 as implemented by regulations at 45 C.F.R. part 84, the Age Discrimination Act of 1975 as implemented by regulations at 45 C.F.R. part 91, the Rehabilitation Act of 1973, and the Americans with Disabilities Act.

D. Continuation of Services. In the event the Three-Way Contract terminates or MCO becomes insolvent, Provider shall continue to provide Covered Services to Medicare Members who are hospitalized through the date of discharge. Provider is prohibited by law from billing Medicare Members for such Covered Services. This provision shall survive the termination of this Agreement or Duals Addendum, regardless of the reason for termination, including the insolvency of MCO, and shall supersede any oral or written agreement between Provider and a Medicare Member.

E. Policies, Programs & Procedures. Provider agrees to comply with MCO's policies and procedures (which MCO shall provide to Provider upon request) which operationalize many of the requirements of the Agreement, this Duals Addendum, and the Three-Way Contract and MMAI. Provider agrees to comply with MCO's quality improvement, administrative processes and procedures, utilization review, peer review, grievance procedures, credentialing and recredentialing procedures, and any other policies MCO may implement, including amendments made to the above mentioned policies, procedures and programs from time to time. In the event that an MCO policy or procedure conflicts with a provision in the Agreement, then the language in the Agreement (including all amendments, exhibits, and attachments thereto) shall govern.

F. Maintenance of Records. Provider, on behalf of itself and its Downstream Entities (if any), shall preserve records applicable to Medicare Members or to MCO's participation in the Three-Way Contract and MMAI, for the longer of: (i) the period of time required by state and federal law, or (ii) ten (10) years, whichever is longer. In addition, to the extent applicable to Provider, Provider, on behalf of itself and any Downstream Entities with whom Provider has contracted, agrees to comply with 42 C.F.R. § 422.2480(c) and 42 C.F.R. § 423.2480(c) and to maintain all records containing data used by MCO to calculate Medicare medical loss ratios ("MLRs") for MCO's Medicare products and/or evidence needed by MCO and/or federal governmental authorities with jurisdiction to validate MLRs (collectively, "MLR Records") for a minimum of ten (10) years from the date such MLRs were reported by MCO to CMS. Provider further agrees that with respect to Medicare Plans, MCO and federal governmental authorities having jurisdiction, and their designees, upon request, shall have access to all MLR Records, and that this right of inspection, evaluation, and audit of MLR Records shall continue for a minimum of ten (10) years

from the date such MLRs were reported by MCO to CMS. This provision shall survive the termination of the Agreement, regardless of the cause of termination.

G. Subcontractors. Provider shall require all of its subcontractors, if any, to comply with all applicable Medicare laws, regulations and CMS instructions.

(1) Provider shall include in Provider's contracts with subcontractors (a) all of the contractual and legal obligations and duties imposed on Provider in the Agreement, (b) all provisions required under Medicare laws, regulations, rules, and other directions of CMS (including all of MCO's obligations under such laws, regulations, rules, and other directions related to the scope of Provider's services under the Agreement), and (c) that any delegated services or activities to be performed by subcontractor shall be consistent and comply with the obligations in the Three-Way Contract. To the extent CMS requires additional provisions to be included in such subcontracts, Provider shall amend its contracts accordingly. Provider acknowledges that, with respect to any services or functions under the Agreement that Provider delegates to a subcontractor, such subcontractor shall be considered a Downstream Entity.

(2) Provider shall ensure that any vendors, subcontractors, or other such entities that have a need to know the terms of the Agreement also maintain the privacy and confidentiality of all financial terms of the Agreement.

(3) If Provider arranges for the provision of Covered Services from other health care providers for Medicare Members, such contracts shall be in writing and shall specify the delegated activities and reporting responsibilities, in addition to meeting the requirements described above. In the event that MCO delegates to Provider the selection of providers, MCO retains the right to approve, suspend or terminate such delegation. If MCO delegates the selection of providers, MCO will either review the credentials of medical professionals affiliated with Provider or MCO will review, approve, and audit on an ongoing basis Provider's credentialing process.

The term "Subcontractor" as used in this Section shall not refer to employees or other individuals that perform services on behalf of Provider for which Provider bills such services under this Agreement. Provider represents and warrants that such persons are subject to all terms and conditions of this Agreement and Provider shall provide written evidence of such as described in the Agreement.

H. Contracts with Excluded Entities. Provider understands and agrees that no person that provides health care services and/or utilization review, medical social work, or administrative services in support of services billed under this Agreement by Provider, may be an individual excluded from participation in Medicare under Section 1128 or 1128A of the Social Security Act. Provider shall not employ or contract with, with or without compensation, any individual or entity that has been disbarred, excluded, suspended or otherwise determined to be ineligible to participate in a federal health care program. Provider hereby certifies that no such excluded person will provide such services under this Agreement and no such excluded persons will be employed by or utilized by any Downstream Entity with which Provider contracts relating to the furnishing of these services to Medicare Members. Furthermore, neither Provider nor any of Provider's Downstream Entities who are and/or will be fully or partially responsible for Provider's performance of its obligations under the Agreement has (i) pled guilty or no contest to or been convicted of any felony involving dishonesty or breach of trust; (ii) been excluded from participation in any federal or state funded health program; or (iii) been listed in the Department of Health and Human Services Office of Inspector ("OIG") exclusion list or the General Services Administrative ("GSA") exclusion list. Provider agrees to immediately notify MCO in the event that Provider or any of its Downstream Entities that assist or are involved in Provider's performance of services for Medicare Plans under the Agreement are or become disbarred, excluded, suspended, or otherwise determined to be ineligible to participate in a federal health care program. In accordance with applicable laws, rules, and regulations and the Compliance Program Guidelines, Provider agrees to review the Department of Health and Human Services ("HHS") Office of Inspector General List of Excluded Individuals and Entities and the General Service Administrative Excluded Parties Lists System (collectively, the "Exclusion Lists") to ensure that Provider Related Parties are not included on such Exclusion Lists. Provider agrees to review

the Exclusion Lists prior to initially hiring, appointing, or contracting with any new Provider Related Party and at least once per month thereafter to confirm that Provider Related Parties are not included on such Exclusion Lists. Provider agrees that if a Provider Related Party appears on an Exclusion List and/or is excluded from participation in any federally-funded health program, Provider will immediately remove the Provider Related Party from any work related directly or indirectly to the Medicare Plan, and take all corrective actions required under applicable laws, rules or regulations. In the event Provider or any Provider Related Parties are listed in an Exclusion List after the Effective Date of this Duals Addendum, MCO shall have the right, in its sole discretion and judgment, to terminate this Duals Addendum in accordance with the Agreement or to disqualify the listed person(s) from providing any part of the Covered Services. For the purpose of this Section, "Provider Related Parties" means Provider's permanent and temporary employees and Downstream Entities that are involved in the performance of Medicare Services.

I. Offshore Services. Provider is prohibited from using any individual or entity (an "Offshore Entity") (including, but not limited to, any employee, contractor, subcontractor, agent, representative, or other individual or entity) to perform any services for the Medicare Plan if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless MCO, in its sole discretion and judgment, agrees in advance and in writing to the use of such Offshore Entity. Provider further agrees that MCO has the right to audit any Offshore Entity prior to the provision of Offshore Services for the Medicare Plan. Provider further represents and warrants that it does not and will not permit any Medicare Members' protected health information (PHI) or other personal information to be accessible by any Offshore Entity, without prior written notice to MCO and MCO's prior written approval of such Offshore Entity. In the event that MCO agrees in advance and in writing to permit Provider to use an Offshore Entity to perform any services for Medicare Plans and MCO agrees that such Offshore Entity will receive, process, transfer, handle, store, or access Medicare Member PHI as defined at 45 C.F.R. § 160.103, Provider agrees that Offshore Services that involve Medicare Member PHI are subject to CMS reporting within thirty (30) days of: (1) performing, or contracting with an Offshore Entity to perform, Offshore Services, and (2) any time Provider changes the Offshore Services that an Offshore Entity will perform.

J. Submission of Encounter Data. Provider hereby acknowledges that MCO is required to provide CMS and other federal and state regulatory agencies and accrediting organizations with encounter data as requested by such agencies and organizations. Such data may include medical records and all other data necessary to characterize each encounter between Provider and a Medicare Member. Provider agrees to cooperate with MCO and to provide MCO with all such information in such form and manner as requested by MCO. Provider agrees to immediately notify MCO if any encounter data that Provider submitted to MCO for Medicare Members is inaccurate, incomplete, or erroneous, and to cooperate with MCO to correct erroneous encounter data to ensure MCO's compliance with Medicare laws, rules and regulations and CMS instructions.

K. Certification of Data. Provider recognizes that MCO is required to certify the accuracy, completeness, and truthfulness of data that CMS requests. Such data include encounter data, payment data, and any other information provided to MCO by its contractors and subcontractors. Provider and its subcontractors, if any, hereby certify that any such data submitted to MCO will be accurate, complete, and truthful. Upon request, Provider shall make such certification in the form and manner prescribed by MCO.

L. Medicare Member Complaints. Provider agrees to cooperate with MCO in resolving any Medicare Member complaints related to coverage or the provision of Covered Services. MCO will notify Provider as necessary concerning all Medicare Member complaints involving Provider. Provider shall, in accordance with the Provider's regular procedures, investigate such complaints and respond to MCO in the required time. Provider shall use best efforts to resolve complaints in a fair and equitable manner.

M. Compliance Program and Anti-Fraud Initiatives. Provider shall (and shall cause its Downstream Entities, if any, to) institute, operate, and maintain an effective compliance program to detect, correct, and prevent the incidence of non-compliance with CMS requirements and the incidence of fraud, waste, and abuse ("FWA") relating to the operation of the Medicare Plan. Such compliance program shall

be appropriate to the organization and operations of Provider and Provider's Downstream Entities and shall include:

(1) written compliance policies and standards of conduct that are comparable to Aetna's compliance policies/Aetna Code of Conduct and articulate the entity's commitment to comply with federal and state laws, ethical behavior, and compliance program operations. Provider will disseminate either Aetna's compliance policies/Aetna Code of Conduct or comparable versions to Provider's employees, officers, and Downstream Entities within 90 days of hire/contracting, when updates are made, and annually thereafter;

(2) reporting mechanisms communicated to Provider's employees and Downstream Entities for their use in adhering to the expectation that Provider, its employees, and its Downstream Entities report potential non-compliance or FWA issues (internally and to MCO, as applicable) and understand their obligation to report. Provider must publicize the reporting methods to Provider employees and Downstream Entities along with a no-tolerance policy for retaliation or retribution for good-faith reporting;

(3) completion of CMS's Medicare Learning Network® (MLN) "Medicare Parts C and D Fraud, Waste, and Abuse Training and Medicare Parts C and D General Compliance Training" by Provider employees, officers, and Downstream Entities initially within ninety (90) days of hire/contracting and at least annually thereafter, unless exempt from such training under relevant CMS regulations;

(4) processes to oversee and ensure that Provider and Provider's Downstream Entities maintain compliance with processes to oversee and ensure that: (1) Provider and Provider's Downstream Entities maintain compliance with CMS compliance program requirements, and (2) Provider's Downstream Entities perform Medicare Services consistent with this Agreement and the agreement between Provider and such Downstream Entities. Provider's oversight under this Agreement shall include: (1) imposition of disciplinary actions, as needed, to ensure employee compliance with CMS compliance program requirements, and (2) implementation of corrective actions (up to and including contract termination), as needed, with respect to its Downstream Entities to ensure Downstream Entity compliance with applicable CMS requirements, including the CMS compliance program requirements, this Agreement, and Provider's contract with the Downstream Entity; and

(5) retention of evidence showing that Provider and Provider's Downstream Entities complied with the requirements set forth in this Section. Such evidence must be maintained for at least the period of time specified in Section B.5.F. hereof and shall be made available to MCO and CMS, upon request.

N. Marketing. Consistent with federal laws, regulations, and agency requirements applicable to the Medicare program, Provider shall not: (1) engage in any marketing or sales activities that could mislead or confuse Medicare Members, or (2) market or advertise non-health care related products to Medicare Members or prospective Medicare Members. Further, Provider shall at all times comply with the then current Medicare Marketing Guidelines.

O. Dual-Eligible Hold Harmless. Provider acknowledges and agrees that Medicare Members are not responsible for paying to Provider any Copayments, Coinsurance, or Deductibles for Medicare Part A and Part B services ("Cost Sharing Amounts") when, as applicable, either the State Medicaid plan or MCO (as the State's managed-care organization) is responsible for such Cost Sharing Amounts. Provider further agrees that it will not collect Cost Sharing Amounts from Medicare Members when, as applicable, either the State Medicaid plan or MCO (as the State's managed-care organization) is responsible for such Cost Sharing Amounts, and will instead accept the responsible party's payment for Covered Services as payment in full for Covered Services and applicable Cost Sharing Amounts.

P. Enrollment as Medicare Provider. To the extent that Provider prescribes drugs covered

under Medicare Part D to Medicare Members who have Medicare prescription drug ("MA-PD") coverage offered by MCO, Provider agrees to comply with the requirements set forth in 42 C.F.R. § 423.120(c)(6), including without limitation the requirement that Provider be enrolled in Medicare in an approved status in order for its prescriptions to be covered under Medicare Part D.

Q. Home Infusion Drugs. The following provisions shall only apply to Provider if Provider dispenses to a Medicare Member home infusion drugs that are covered under Medicare Part D and the Medicare Member has MA-PD coverage offered by MCO ("Home Infusion Drug"):

1. With respect to Home Infusion Drugs, MCO will pay clean claims (as defined in 42 C.F.R. § 423.520(b)) submitted by Provider on behalf of Medicare Members within 14 days for electronic claims and within 30 days for claims submitted otherwise. 42 C.F.R. § 423.505(i)(3)(vi).

2. Home Infusion Drugs will be reimbursed (as applicable) in accordance with a fee schedule, or the third-party pricing source (*e.g.,* Medi-Span) otherwise agreed upon as set forth in this Agreement or Provider's agreement with MCO's Pharmacy Benefit Manager ("PBM"). 42 C.F.R. § 423.505(i)(3)(viii)(B).

3. If a prescription drug pricing standard is used for reimbursement of Home Infusion Drugs, updates to such a standard will occur not less frequently than once every 7 days beginning with an initial update on January 1 of each year, to accurately reflect the market price of acquiring the Home Infusion Drug. 42 CFR § 423.505(i)(3)(viii)(A).

4. In accordance 42 C.F.R.§ 423.120(c)(3), Provider agrees to submit claims for Home Infusion Drugs to MCO or its PBM whenever the Medicare Member's ID card is presented or is on file at the Provider, unless the Medicare Member expressly requests that the claim not be submitted to MCO or its PBM.

5. Provider must submit claims for Home Infusion Drugs in real time by means of point of service claims adjudication systems in compliance with CMS standards. 42 C.F.R. § 423.505(b)(17).

6. Provider must provide Medicare Members with access to the negotiated prices (as defined in 42 C.F.R. § 423.100) for Home Infusion Drugs to Members. 42 C.F.R. § 423.104(g)(1).

7. Provider must charge/apply the correct cost-sharing amount to the Medicare Member for Home Infusion Drugs. 42 C.F.R. § 423.104.

8. At the time of purchase by a Medicare Member, Provider must inform the Medicare Member of any differential between the price of the Home Infusion Drug being dispensed and the price of the lowest priced generic version of that Home Infusion Drug available from Provider, unless the Home Infusion Drug being dispensed is the lowest priced generic version of that Home Infusion Drug. 42 C.F.R. § 423.132.

9. Provider agrees to ensure that the professional services and ancillary supplies necessary for Home Infusion Drugs are in place before dispensing Home Infusion Drugs to a Medicare Member in his/her place of residence. 42 C.F.R. § 423.120(a)(4)(iii).

10. Provider agrees to provide delivery of Home Infusion Drugs within 24 hours of a Medicare Member's discharge from an acute setting, or later if so prescribed. 42 C.F.R. § 423.120(a)(4)(iv).

11. Provider shall submit to MCO (not PBM) claims for equipment, supplies, and professional services associated with Home Infusion Drugs dispensed by Provider to a Medicare

Member that are covered under Medicare Part C.

R. Non-Covered Services. Provider shall not hold a Member financially responsible for payment of a service not covered under the Member's Plan ("Non-Covered Service") unless the Member has received a pre-service organization determination notice of denial from MCO before such services are rendered. Provider acknowledges and agrees that if Provider renders Non-Covered Services to a Member who has not received a pre-service organization determination notice of denial from MCO, the Provider must hold the Member harmless for the Non-Covered Services and cannot charge the Member any amount beyond the normal cost-sharing amounts (*i.e.*, copayments, coinsurance, and/or deductibles). With respect to those Non-Covered Services that are clearly listed as exclusions in the Member's Evidence of Coverage or other similar Plan document, a pre-service organization determination is not required in order for Provider to hold the Member financially liable for such Non-Covered Services.

6. COMPANY OBLIGATIONS.

A. Fee Schedule. MCO shall arrange for Provider to be compensated for health care services rendered to Medicare Members in accordance with Section B.1 of this Duals Addendum.

B. Prompt Pay. In accordance with 42 C.F.R. § 422.520(a)(1), MCO shall make best efforts to pay clean claims submitted by Provider for Covered Services provided to Medicare Members within thirty (30) calendar days of receipt. For purposes of this Duals Addendum, the term "clean claim" shall have the meaning assigned in 42 C.F.R. § 422.500.

C. From time to time MCO may designate only certain Providers to take part in the provider delivery network for a particular product benefit plan(s).

7. GENERAL PROVISIONS.

A. Termination. This Duals Addendum may be terminated on its own without respect to the remainder of the Agreement with or without cause by either Party in accordance with the termination provisions of the underlying Agreement and the Three-Way Contract. This Duals Addendum shall terminate automatically in the event that the underlying Agreement is terminated in accordance with the termination provisions of the Agreement and the Three-Way Contract.

B. Governing Law. This Duals Addendum shall be governed by federal laws, regulations, and agency requirements applicable to the Medicare program. In the event that changes to the governing laws, regulations, or agency requirements applicable to the Medicare program occur, the new law, regulation, or agency requirement shall supersede to the extent required by any such later required changes.

C. Agreement Otherwise Unmodified. All other terms and provisions of the Agreement not amended hereby shall remain in full force and effect, without modification. In the event of any inconsistency between the terms of this Duals Addendum and the Agreement, the terms of this Duals Addendum shall govern and control.

D. Survival. All provisions of this Duals Addendum that by their nature should survive termination of Provider's provision of Medicare Services under this Agreement or termination of the Agreement as a whole, shall survive termination.

C. Requirements Under the MMAI Three-Way Contract

The Three-Way Contract requires that specific additional terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the requirements set forth in this **Section C** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract and the MMAI. With respect to the requirements set forth

in this **Section C**, any capitalized terms that are used but not defined herein shall have the meanings that are ascribed to them in the Three-Way Contract. Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. The delegated activities and reporting requirements for which Provider is responsible are contained in the Agreement. Provider shall ensure that it and its downstream and related entities perform all such delegated activities and reporting requirements in compliance with 42 C.F.R. §§ 422.504, 423.505, 438.6(l), and 438.230(b)(1), as applicable. [Appendix C, ¶ A of Three-Way Contract]

2. HHS, the Comptroller General, the State of Illinois Department of Healthcare and Family Services (the "Department"), the Department's Office of Inspector General, the Medicaid Fraud Control Unit of the Illinois State Police, the Illinois Auditor General, and their designees, and other state and federal agencies with monitoring authority related to Medicare and Medicaid, have the right to audit, evaluate, and inspect any books, contracts, computer, or other electronic systems, including medical records and documentation, of Provider and its downstream and related entities, and the foregoing rights to inspect, evaluate, and audit any pertinent information for any particular contract period shall exist for ten years from the final date of the contract period or from the date of completion of any audit, whichever is later. [Appendix C, ¶ B of Three-Way Contract]

3. Provider and its downstream and related entities shall not hold Enrollees liable for payment of any fees that are the obligation of MCO. [Appendix C, ¶ C.1 of Three-Way Contract]

4. Any services or other activity performed by Provider and/or its downstream and related entities shall be performed in accordance with the MCO's contractual obligations to CMS and the Department. [Appendix C, ¶ C.2 of Three-Way Contract]

5. MCO shall revoke the delegation activities and reporting requirements or specify other remedies in instances where CMS, the Department, or the MCO determine that Provider and/or its downstream and related entities have not performed their delegated activities or reporting requirements satisfactorily. [Appendix C, ¶ C.4 of Three-Way Contract]

6. The performance of Provider and its downstream and related entities under the Agreement will be monitored by MCO on an ongoing basis and MCO may impose corrective action as necessary. [Appendix C, ¶ C.5 of Three-Way Contract]

7. Provider and its downstream and related entities agree to safeguard Enrollee privacy and confidentiality of Enrollee health records. [Appendix C, ¶ C.6 of Three-Way Contract]

8. Provider and its downstream and related entities must comply with all federal and state laws, regulations, and CMS instructions. [Appendix C, ¶ C.7 of Three-Way Contract]

9. To the extent that Provider and/or its downstream and related entities provide credentialing of medical providers under the Agreement:

   A. The credentials of medical professionals affiliated with the Provider and/or its downstream and related entities will be reviewed by MCO; or

   B. The credentialing process will be reviewed and approved by MCO and MCO shall audit the credentialing process on an ongoing basis.

[Appendix C, ¶ D of Three-Way Contract]

10. To the extent that MCO has delegated the selection of providers under the Agreement to Provider or its downstream and related entities, MCO retains the right to approve, suspend, or terminate that arrangement. [Appendix C, ¶ E of Three-Way Contract]

11. MCO has the right to terminate its contract with Provider with cause upon sixty (60) days' notice,

and without cause upon 120 days' notice, and Provider shall assist with transitioning Enrollees to new providers, including sharing the Enrollee's medical record and other relevant Enrollee information as directed by the MCO or Enrollee. If a for-cause termination, MCO must have an internal grievance procedure that allows Provider to contest the grounds for the termination prior to the effective date of the termination. [Appendix C, ¶ F of Three-Way Contract]

12. MCO shall provide a written statement to Provider of the reason or reasons for termination for cause. [Appendix C, ¶ G of Three-Way Contract]

13. MCO is obligated to pay Provider under the terms of the Agreement, which includes a prompt-payment provision that has been developed and agreed to by both MCO and Provider. [Appendix C, ¶ H.1 of Three-Way Contract]

14. Provider and its downstream and related entities shall provide all services under the Agreement in a Culturally Competent manner to all Enrollees, including those with limited English proficiency or reading skills, and diverse culturally and ethnic backgrounds. [Appendix C, ¶ H.2 of Three-Way Contract]

15. Provider and its downstream and related entities shall abide by all applicable federal and state laws and regulations regarding confidentiality and disclosure of medical records, or other health and enrollment information. [Appendix C, ¶ H.3 of Three-Way Contract]

16. Provider and its downstream and related entities shall ensure that medical information is released in accordance with applicable federal or state law, or pursuant to court orders or subpoenas. [Appendix C, ¶ H.4 of Three-Way Contract]

17. Provider and its downstream and related entities shall maintain Enrollee records and information in an accurate and timely manner. [Appendix C, ¶ H.5 of Three-Way Contract]

18. Provider and its downstream and related entities shall ensure timely access by Enrollees to the records and information that pertain to them. [Appendix C, ¶ H.6 of Three-Way Contract]

19. Provider and its downstream and related entities shall not hold Enrollees liable for Medicare Part A and B cost sharing, and all Medicare Parts A and B services must be provided at zero cost-sharing to Enrollees. [Appendix C, ¶ H.7 of Three-Way Contract]

20. Provider and its downstream and related entities shall ensure that their EMTALA obligations are fulfilled as required by law and the Agreement and must not create any conflicts with any hospital actions required to comply with EMTALA. [Appendix C, ¶ H.8 and Section 2.9.9.1 of Three-Way Contract]

21. Provider and its downstream and related entities, including without limitation all primary care providers, shall not close or otherwise limit acceptance of Enrollees as patients unless the same limitations apply to all commercially insured Enrollees. [Appendix C, ¶ H.9 of Three-Way Contract]

22. MCO shall not refuse to contract or pay Provider for the provision of Covered Services solely because Provider has in good faith:

(a) Communicated with or advocated on behalf of one or more of the prospective, current, or former patients of Provider or its downstream and related entities regarding the provisions, terms, or requirements of the MCO's health benefit plans as they relate to the needs of such patients; or

(b) Communicated with one or more of the prospective, current, or former patients of Provider or its downstream and related entities with respect to the method by which such provider is compensated by the MCO for services provided to the patient.

[Appendix C, ¶ H.10 of Three-Way Contract]

23. Provider and its downstream and related entities are not required to indemnify MCO for any expenses and liabilities, including, without limitation, judgments, settlements, attorneys' fees, court costs, and any associated charges, incurred in connection with any claim or action brought against MCO based on MCO's management decisions, utilization review provisions, or other policies, guidelines, or actions. [Appendix C, ¶ H.11 of Three-Way Contract]

24. Provider and its downstream and related entities shall comply with all MCO's requirements and MCO Policies for utilization review, quality management and improvement, credentialing, and the delivery of preventive health services. [Appendix C, ¶ H.12 of Three-Way Contract]

25. MCO shall notify Provider in writing of modifications in payments, modifications in Covered Services or modifications in MCO's procedures, documents or requirements, including those associated with utilization review, quality management and improvement, credentialing, and preventive health services, that have a substantial impact on the rights or responsibilities of Provider, and the effective date of the modifications. The notice shall be provided 30 calendar days before the effective date of such modification unless such other date for notice is mutually agreed upon between MCO and Provider or unless such change is mandated by CMS or the Department without 30 calendar days' prior notice. [Appendix C, ¶ H.13 of Three-Way Contract]

26. Provider must comply with all Enrollee payment restrictions, including balance billing restrictions, and MCO may revoke or impose other specified remedies against Provider if Provider does not comply with such provisions. [Appendix C, ¶ H.14 of Three-Way Contract]

27. Provider and its downstream and related entities shall not bill Enrollees for charges for Covered Services other than pharmacy co-payments, if applicable. [Appendix C, ¶ H.15 of Three-Way Contract]

28. No payment shall be made by MCO to Provider, and Provider shall not seek payment from MCO, for a Provider Preventable Condition as defined in 42 C.F.R. § 447.26(b), and Provider shall, as a condition of payment from MCO, comply with reporting requirements on Provider Preventable Conditions as described at 42 C.F.R. § 447.26(d) and as may be specified by MCO and/or the Department. [Section 2.7.3.2 and Appendix C, ¶¶ H.16 and H.17 of Three-Way Contract]

29. To the extent Provider is a Primary Care Physician or a specialty provider, Provider shall ensure coverage for its practice twenty-four (24) hours a day, seven (7) days a week and have a published after-hours telephone number; voicemail alone after hours is not acceptable. [Section 2.9.2.1 and 2.10.4.1 of Three-Way Contract]

30. MCO shall monitor and ensure that all Utilization Management activities provided by Provider comply with all provisions of the Three-Way Contract, and Provider and its downstream and related entities shall cooperate with and utilize MCO's quality assurance program. [Section 2.13.2.1.2.2 and Appendix C, ¶ H.18 of Three-Way Contract]

31. Provider shall not bill Enrollees for missed appointments or refuse to provide services to Enrollees who have missed appointments. Providers must work with Enrollees and MCO to assist Enrollees in keeping their appointments. [Appendix C, ¶ H.19 of Three-Way Contract]

32. Provider shall not refuse to provide services to an Enrollee because the Enrollee has an outstanding debt with the Provider from a time prior to the Enrollee becoming a member. [Appendix C, ¶ H.20 of Three-Way Contract]

33. Provider shall comply with all applicable requirements governing physician incentive plans, including but not limited to such requirements appearing at 42 C.F.R. Parts 417, 422, 434, 438.6(h), and 1003. Contracts or arrangements with First Tier, Downstream and Related Entities shall not include incentive plans that include a specific payment to Provider or its downstream and related entities as an inducement to deny, reduce, delay, or limit specific, Medically Necessary Services, and (a) Provider and/or its downstream and related entities shall not profit from provision of Covered Services that are not Medically Necessary or medically appropriate, and (b) MCO shall not profit from denial or withholding of Covered Services that are Medically Necessary or medically

appropriate. Nothing herein shall be construed to prohibit contracts that contain incentive plans that involve general payments such as capitation payments or shared-risk agreements that are made with respect to physicians or physician groups or that are made with respect to groups of Enrollees if such agreements, which impose risk on such physicians or physician groups for the costs of medical care, services, and equipment provided or authorized by another physician or health care provider, comply with Paragraph 34 immediately below. [Appendix C, ¶¶ H.14 and I, and Section 5.1.7 of Three-Way Contract]

34. MCO shall not impose a financial risk on Provider or its downstream and related entities for the costs of medical care, services, or equipment provided or authorized by another Physician or health care provider unless such contract includes specific provisions with respect to the following:

A. Stop-loss protection;

B. Minimum patient population size for the Physician or Physician group; and

C. Identification of the healthcare services for which Physician or Physician group is at risk.

[Appendix C, ¶ J of Three-Way Contract]

35. All contracts or arrangements with First Tier, Downstream and Related Entities for laboratory testing sites that provide services must include an additional provision that such laboratory testing sites must have either a Clinical Laboratory Improvement Amendment (CLIA) certificate or waiver of a certificate of registration along with a CLIA identification number. [Appendix C, ¶ K of Three-Way Contract]

36. Nothing shall be construed to restrict or limit the rights of MCO to include as providers religious non-medical providers or to utilize medically based eligibility standards or criteria in deciding provider status for religious nonmedical providers. [Appendix C, ¶ L of Three-Way Contract]

37. Provider shall meet all terms and requirements of the Three-Way Contract that are applicable to Provider. [Section 2.7.2.2.1 of Three-Way Contract]

38. Provider will collaborate with MCO on documentation systems reporting, communications, policies, and any other matters necessary for any readiness review required under the Three-Way Contract. [Section 2.2.1 of Three-Way Contract]

39. Provider shall collaborate with MCO, as requested and required under the Three-Way Contract, on activities relating to Care Coordination and the Enrollee Care Plans. [Section 2.5 of Three-Way Contract]

40. As requested and required under the Three-Way Contract, Provider shall actively participate as a member of the Interdisciplinary Care Team, and shall collaborate with the Enrollee and other members of the Interdisciplinary Care Team to perform the functions and tasks that are required of the Interdisciplinary Care Team under the Three-Way Contract. [Section 2.5.2 of Three-Way Contract]

41. Provider must maintain locations that are accessible to Enrollees with disabilities and that are ADA compliant. [Section 2.8.1.4 of Three-Way Contract]

42. Provider shall be responsive to the linguistic, cultural, ethnic, racial, religious, age, gender and other unique needs of any minority, homeless population, Enrollee with disabilities (both congenital and acquired disabilities), or other special population served by the MCO. [Section 2.7.1.6 of Three-Way Contract]

43. To the extent that Provider is multilingual, Provider shall understand and comply with its obligations under state or federal law to assist Enrollees with skilled medical interpreters and the resources that are available to assist Provider to meet these obligations. [Section 2.7.1.8 of Three-Way Contract]

44. Provider shall maintain a strong understanding of disability culture and Long Term Supports and Services. [Section 2.7.1.14 of Three-Way Contract]

45. To the extent that Provider provides Medicare-covered services, Provider shall be enrolled as a Medicare provider in order to submit claims for reimbursement or otherwise participate in the Medicare program. To the extent that Provider provides Medicaid-covered services, Provider shall be enrolled in the Illinois Medicaid program, if such enrollment is required by the Department's rules or policy, in order to submit claims for reimbursement or otherwise participate in the Illinois Medicaid program. [Section 2.8.1.2 of Three-Way Contract]

46. If a Provider provides any Emergency Services to an Enrollee, the Provider must promptly notify the Enrollee's Primary Care Physician of the Enrollee's screening and treatment. [Section 2.9.8.1.7 of Three-Way Contract]

47. If any Grievance or Appeal is filed with Provider, Provider must immediately forward it to MCO. [Section 2.11.1.1 of Three-Way Contract]

48. Provider must comply with the American with Disabilities Act (ADA) (28 C.F.R. § 35.130) and Section 504 of the Rehabilitation Act of 1973 (Section 504) (29 U.S.C. § 794) as outlined in the Three-Way Contract, and must maintain capacity to deliver services in a manner that reasonably accommodates the needs of Enrollees. [Section 2.9.1.6 of Three-Way Contract]

49. Upon MCO's request, Providers must provide the following information: (a) its name, address, and telephone number; (b) its areas of special experience, skills and training, including any expertise in treating the MMAI population; (c) its office hours, including the name of any provider site open after 5:00 p.m. (Eastern Time) weekdays and/or open on weekends; (d) its cultural and linguistic capabilities, including languages spoken by the Provider or by any skilled medical interpreter at the Provider's site; (e) Provider licensing information; (f) whether it is accessible for people with physical disabilities; (g) whether it is accepting new patients; (h) whether it is accessable by public transportation; and (h) any languages other than English spoken by Provider or by skilled medical interpreters at Provider's site, and whether translation services are available. [Section 2.14.5.2 of Three-Way Contract]

50. As requested and required, Provider must provide any information that CMS and/or the Department require (a) under the Three-Way Contract related to the performance of MCO's responsibilities, including non-medical information for the purposes of research and evaluation; (b) to comply with all applicable federal or state laws and regulations; and (c) for external rapid cycle evaluation including program expenditures, service utilization rates, rebalancing from institutional to community settings, Enrollee satisfaction, Enrollee Grievances and Appeals and enrollment/disenrollment rates. [Section 2.16.1 of Three-Way Contract]

51. Collaborate with MCO in the collection and maintenance of all Encounter Data for all Covered Services that Provider provides to Enrollees, ensuring that all such data can be linked to the Department eligibility data. [Section 2.17 of Three-Way Contract]

52. In connection with the MMAI, Provider shall act in an independent capacity and not as an officer, employee, or agent of the federal government or the State of Illinois. [Section 5.1.3.1 of Three-Way Contract]

53. Provider shall not have any interest that will conflict, as determined by CMS and the Department, with the performance MCO's services under the Three-Way Contract, including without limitation any financial, legal, contractual or other business interest in any entity performing enrollment functions for the Department. [Section 5.3.17 of Three-Way Contract]

54. If requested by the State of Illinois in response to a background check of any officer, employee, or agent of the Provider, the Provider shall immediately reassign any such individual who, in the opinion of the State of Illinois, does not pass the background check. [Section 5.3.21.1 of Three-Way Contract]

55. Provider is prohibited from giving gifts to Department employees, and from giving gifts to, or accepting gifts from, any person who has a contemporaneous contract with the Department involving duties or obligations related to the Three-Way Contract. [Section 5.3.21.8 of the Three-Way Contract]

56. As requested by MCO, Provider shall submit disclosures in accordance with 42 C.F.R. § 455 and 42 C.F.R. § 1002.3. [Section 5.1.6 of Three-Way Contract]

57. Provider shall notify MCO immediately if Provider has lost any required license or state or federal approval, or has been excluded from participation in federal health care programs under either Section 1128 or Section 1128A of the Social Security Act, and implementing regulations at 42 C.F.R. Part 1001 *et seq.* [Sections 2.7.1.3 and 5.3.4 of Three-Way Contract]

58. Provider and its downstream and related entities shall allow MCO to access the medical records of Enrollees, and such access shall include the right to make and/or obtain a copy (in either electronic or hardcopy form) of such records. [Section 2.13.4.2.3 of Three-Way Contract]

59. If the Provider is discharging an Enrollee from a hospital, Provider must assure that the Enrollee receives a written notice of explanation called an "Important Message from Medicare About your Rights" regarding the right to appeal the discharge decision from an inpatient hospital admission. [Section 2.12.7.1 of Three-Way Contract]

60. Providers shall offer hours of operation that are no less than the hours of operation offered to individuals who are not Enrollees. [Section 2.8.6 of Three-Way Contract]

61. Provider must be appropriately and continually licensed or certified, as applicable, pursuant to federal and statement requirements. [Section 2.7.2.2.4 of Three-Way Contract]

62. Provider shall conduct all activities in accordance with the Enrollee rights and protections set forth under 42 C.F.R. § 438.100, 42 C.F.R. §422 Subpart C, and Appendix B ("Enrollee Rights") of the Three-Way Contract. [Appendix B of Three-Way Contract]

63. Provider may not reuse or provide other entities access to the CMS or Illinois information systems, or data obtained from the CMS or Illinois information systems, to support any line of business other than the MMAI for which the MCO contracted with CMS and the State of Illinois. [Appendix F of Three-Way Contract]

64. Provider acknowledges and agrees that compliance with Sections 5.3.22 through 5.3.32 of the Three-Way Contract and each subsection thereof (collectively, the "**Standard Certifications**") is a material requirement and condition of this Agreement during the entire term thereof, including during any renewal periods. By executing the Agreement, Provider certifies compliance with the Standard Certifications in their entirety, and Provider is under a continuing obligation to remain in compliance with, and to report any non-compliance with respect to, the Standard Certifications. Furthermore, Provider shall include the Standard Certifications in any subcontracts or other contracts with downstream entities or related entities that Provider enters into with respect to the provision of Covered Services to Enrollees dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, including the performance of any activities delegated to Provider in connection with the Three-Way Contract and the MMAI; if the Agreement extends over multiple fiscal years, including the initial term and all renewals, Provider and any such subcontractors, downstream entities, or related entities shall confirm compliance with the Standard Certifications in the manner and format determined by the State of Illinois by the date specified by the State of Illinois, and in no event later than July 1 of each year that the Agreement remains in effect.

If the Parties determine that any Standard Certification is not applicable to the Agreement, such Standard Certification may be stricken without affecting the remaining Standard Certifications.

As part of each Standard Certification, Provider acknowledges and agrees that if Provider or its subcontractors, downstream entities, or related entities provide false information, or fail to be or remain in compliance with the Standard Certifications, one or more of the following sanctions will apply: (a) the Agreement may be void by operation of law; (b) the State of Illinois may void the Agreement; and (c) the Provider and its subcontractors, downstream entities, or related entities may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. Identifying a sanction or failing to identify a sanction in relation to any of the Standard Certifications does not waive imposition of other sanctions or preclude application of sanctions not specifically identified.

a. Provider certifies it and its employees will comply with applicable provisions of the United States Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101, *et seq.*), and applicable rules in performance of this Agreement.

b. Provider certifies, if applicable, that it is a properly formed and existing legal entity (30 ILCS 500/1.15.80, 20-43); and as applicable has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State.

c. Provider certifies it has neither been convicted of bribing or attempting to bribe an officer or employee of the State of Illinois or any other state, nor made an admission of guilt of such conduct that is a matter of record. 30 ILCS 500/50-5.

d. If Provider employs twenty-five (25) or more employees and the Agreement is worth more than $5,000, Provider certifies that it will provide a drug free workplace pursuant to the Drug Free Workplace Act (30 ILCS 580).

e. Provider certifies that neither Provider nor any substantially owned affiliate of Provider is participating or shall participate in an international boycott in violation of the U.S. Export Administration Act of 1979 or the applicable regulations of the U.S. Department of Commerce. This applies to contracts that exceed $10,000 (30 ILCS 582).

f. Provider certifies that it has not been convicted of the offense of bid rigging or bid rotating or any similar offense of any state or of the United States (720 ILCS 5/33E-3, E-4).

g. Provider certifies that it complies with the Illinois Department of Human Rights Act and rules applicable to public contracts, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (775 ILCS 5/2-105).

h. Provider warrants and certifies that it and, to the best of its knowledge, its subcontractors, downstream entities, or related entities, have and will comply with Executive Order No. 1 (2007). That Order generally prohibits contractors and subcontractors from hiring the then-serving Illinois Governor's family members to lobby procurement activities of the State of Illinois, or any other unit of government in Illinois including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State of Illinois employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

i. Provider certifies that it is not currently barred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or agency, and is not currently barred or suspended from contracting with the State of Illinois under Section 50-35(f), 50-35(g) or 50-65 of the Illinois Procurement Code, 30 ILCS 500/1-1 *et seq.* If at any time during the term of this Agreement, Provider becomes barred, suspended, or excluded from participation in this transaction, Provider shall, within thirty (30) days after becoming barred, suspended, or excluded, provide to the Department a written description of each offense causing the exclusion, the date(s) of the offense, the action(s) causing the offense(s), any penalty assessed or sentence imposed, and the date any penalty was paid or sentence complete.

j. Provider certifies that, to the best of its knowledge and belief, no federally appropriated funds have been paid or will be paid by or on behalf of Provider, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal loan or grant, or the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of

Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan or cooperative agreement, Provider shall complete and submit Standard Form LLL, "Disclosure Forms to Report Lobbying," in accordance with its instructions. Such form is to be obtained at Provider's request from the Department's Bureau of Fiscal Operations. Provider shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this Agreement was executed. Submission of this certification is a prerequisite for making or entering into the transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

ADDENDUM B — Schedule 1

Medicare Required Provisions

CMS requires that specific terms and conditions be incorporated into the Agreement between a Medicare Advantage Organization or First Tier Entity and a First Tier Entity or Downstream Entity to comply with the Medicare laws, regulations, and CMS instructions, including, but not limited to, the Medicare Prescription Drug, Improvement and Modernization Act of 2003, Pub. L. No. 108-173, 117 Stat. 2066 ("MMA"); and

Except as provided herein, all other provisions of the Agreement between Company (or its Affiliate, as the case may be) and Provider (referred to in this Schedule 1 as "FDR") not inconsistent herein shall remain in full force and effect. This Amendment shall supersede and replace any inconsistent provisions to such Agreement; to ensure compliance with required CMS provisions, and shall continue concurrently with the term of such Agreement.

NOW, THEREFORE, the parties agree as follows:

A. Definitions:

1. Centers for Medicare and Medicaid Services ("CMS"): the agency within the Department of Health and Human Services that administers the Medicare program.

2. Completion of Audit: completion of audit by the Department of Health and Human Services, the Government Accountability Office, or their designees of a Medicare Advantage Organization, Medicare Advantage Organization contractor or related entity.

3. Downstream Entity: any party that enters into a written arrangement, acceptable to CMS, with persons or entities involved with the MA benefit, below the level of the arrangement between an MA organization (or applicant) and a first tier entity. These written arrangements continue down to the level of the ultimate provider of both health and administrative services.

4. Final Contract Period: the final term of the contract between CMS and the Medicare Advantage Organization.

5. First Tier Entity: any party that enters into a written arrangement, acceptable to CMS, with an MA organization or applicant to provide administrative services or health care services for a Medicare eligible individual under the MA program.

6. Medicare Advantage ("MA"): an alternative to the traditional Medicare program in which private plans run by health insurance companies provide health care benefits that eligible beneficiaries would otherwise receive directly from the Medicare program.

7. Medicare Advantage Organization ("MA organization"): a public or private entity organized and licensed by a State as a risk-bearing entity (with the exception of provider-sponsored organizations receiving waivers) that is certified by CMS as meeting the MA contract requirements.

8. Member or Enrollee: a Medicare Advantage eligible individual who has enrolled in or elected coverage through a Medicare Advantage Organization.

9. Provider: (1) any individual who is engaged in the delivery of health care services in a State and is licensed or certified by the State to engage in that activity in the State; and (2) any entity that is engaged in the delivery of health care services in a State and is licensed or certified to deliver those services if such licensing or certification is required by State law or regulation.

10. Related entity: any entity that is related to the MA organization by common ownership or control and (1) performs some of the MA organization's management functions under contract or delegation; (2) furnishes

services to Medicare enrollees under an oral or written agreement; or (3) leases real property or sells materials to the MA organization at a cost of more than $2,500 during a contract period.

B. Required Provisions:

FDR agrees to the following:

1. HHS, the Comptroller General, or their designees have the right to audit, evaluate, and inspect any pertinent information for any particular contract period, including, but not limited to, any books, contracts, computer or other electronic systems (including medical records and documentation of the first tier, downstream, and entities related to CMS's contract with Company (hereinafter, "MA organization") through 10 years from the final date of the final contract period of the contract entered into between CMS and the MA organization or from the date of completion of any audit, whichever is later. [42 C.F.R. §§ 422.504(i)(2)(i) and (ii)] and [42 CFR §423.505]

2. HHS, the Comptroller General, or their designees have the right to audit, evaluate, collect, and inspect any records under paragraph 1 of this amendment directly from any first tier, downstream, or related entity. For records subject to review under paragraph 1, except in exceptional circumstances, CMS will provide notification to the MA organization that a direct request for information has been initiated. [42 C.F.R. §§ 422.504(i)(2)(ii) and (iii)]

3. FDR will comply with the confidentiality and enrollee record accuracy requirements, including: (1) abiding by all Federal and State laws regarding confidentiality and disclosure of medical records, or other health and enrollment information, (2) ensuring that medical information is released only in accordance with applicable Federal or State law, or pursuant to court orders or subpoenas, (3) maintaining the records and information in an accurate and timely manner, and (4) ensuring timely access by enrollees to the records and information that pertain to them. [42 C.F.R. §§ 422.504(a)(13) and 422.118] and [42 CFR §423.136]

4. Enrollees will not be held liable for payment of any fees that are the legal obligation of the MA organization. [42 C.F.R. §§ 422.504(i)(3)(i) and 422.504(g)(1)(i)] and [42 CFR §423.505(i)(3)(i)]

5. For all enrollees eligible for both Medicare and Medicaid, enrollees will not be held liable for Medicare Part A and B cost sharing when the State is responsible for paying such amounts. Providers will be informed of Medicare and Medicaid benefits and rules for enrollees eligible for Medicare and Medicaid. FDR may not impose cost-sharing that exceeds the amount of cost-sharing that would be permitted with respect to the individual under title XIX if the individual were not enrolled in such a plan. Providers will: (1) accept the MA plan payment as payment in full, or (2) bill the appropriate State source. [42 C.F.R. §§ 422.504(i)(3)(i) and 422.504(g)(1)(i)]

6. Any services or other activity performed in accordance with a contract or written agreement by FDR are consistent and comply with the MA organization's contractual obligations. [42 C.F.R. § 422.504(i)(3)(iii)] and [42 CFR §423.505(i)(3)(iii)]

7. Contracts or other written agreements between the MA organization and providers or between first tier and downstream entities must contain a prompt payment provision, the terms of which are developed and agreed to by the contracting parties. The MA organization is obligated to pay contracted providers under the terms of the contract between the MA Organization/Physician and the provider. [42 C.F.R. §§ 422.520(b)(1) and (2)]

8. FDR and any related entity, contractor or subcontractor will comply with all applicable Federal and Medicare laws, regulations, and CMS instructions. [42 C.F.R. §§ 422.504(i)(4)(v)] and [42 CFR §423.505(i)(4)(iv)]

9. If any of the MA organization's activities or responsibilities under its contract with CMS are delegated to any first tier, downstream and related entity:

(i) The delegated activities and reporting responsibilities are specified as follows:

See delegated activities and reporting responsibilities set forth in the Radiology Management Services Agreement, dated January 1, 2014 (as amended).

(ii) CMS and the MA organization reserve the right to revoke the delegation activities and reporting requirements or to specify other remedies in instances where CMS or the MA organization determine that such parties have not performed satisfactorily.

(iii) The MA organization will monitor the performance of the parties on an ongoing basis.

See the terms of the Radiology Management Services Agreement, dated January 1, 2014 (as amended), for specific performance-monitoring provisions.

(iv) The credentials of medical professionals affiliated with the party or parties will be either reviewed by the MA organization or the credentialing process will be reviewed and approved by the MA organization and the MA organization must audit the credentialing process on an ongoing basis.

See the terms of the Radiology Management Services Agreement, dated January 1, 2014 (as amended), for specific credentialing provisions.

(v) If the MA organization delegates the selection of providers, contractors, or subcontractor, the MA organization retains the right to approve, suspend, or terminate any such arrangement.

[42 C.F.R. §§ 422.504(i)(4) and (5)]

In the event of a conflict between the terms and conditions above and the terms of a related agreement, the terms above control.

ELEVENTH AMENDMENT TO THE
RADIOLOGY MANAGEMENT SERVICES AGREEMENT

This Amendment ("Amendment") is effective September 26, 2016 and is between Aetna Medicaid Administrators LLC, on behalf of itself and its Affiliates ("Company"); and MedSolutions, Inc. d/b/a eviCore healthcare, on behalf of itself and its affiliates ("Delegated Entity").

WHEREAS, Company and Delegated Entity entered into a Radiology Management Services Agreement on January 1, 2014 ("Agreement") for the provision of Utilization Management services;

WHEREAS, Company and Delegated Entity have since amended the Agreement on or around the following dates: First Amendment on April 1, 2014 (Musculoskeletal Pain Management); Second Amendment on April 1, 2014 (adding Maryland and Pennsylvania Regulatory Addenda); Third Amendment was never executed and is intentionally omitted; Fourth Amendment on July 16, 2014 (adding Missouri and Michigan); Fifth Amendment on May 1, 2015 and re-executed on October 19th, 2015 (adding Louisiana Regulatory Addenda); Sixth Amendment on September 1, 2015 (revising Musculoskeletal Pain Management rates and adding Ohio Regulatory Addendum); Seventh Amendment on December 15, 2015 (restating compensation, updating compliance addenda for Michigan and Louisiana, adding Kentucky and Virginia); Eighth Amendment on February 11, 2016 (restating compensation, adding Missouri for Ultrasound – Non OB for an effective date of October 1, 2015); and Ninth Amendment on April 1, 2016 (adding New Jersey, Texas and Virginia Regulatory Addenda, revising compensation); Tenth Amendment on May 1, 2016 (updating compliance addenda for Illinois); and

WHEREAS, Company and Delegated Entity desire to amend the Agreement to include Coventry Health Care of West Virginia, Inc. d/b/a Aetna Better Health of West Virginia, and Coventry Health Care of Florida, Inc., and update Exhibit 2, Compensation Schedule.

NOW, THEREFORE, in consideration of the mutual covenants and promises stated herein and in the Agreement, and other good and valuable consideration, Company and Delegated Entity agree as follows:

1. The Agreement's Exhibit 2, Compensation Schedule is hereby deleted in its entirety and replaced with the attached Exhibit 2, Compensation Schedule, specifically to add Florida and West Virginia for Advanced Imaging and Pain Management rates.

2. The Agreement's Individual Sites Regulatory Compliance Addendum (Exhibit A) is hereby amended to delete the Regulatory Compliance Addendum Governing Illinois Medicaid Services (Addendum A) and replace it with the attached updated Regulatory Compliance Addendum Governing Illinois Medicaid Services. For avoidance of doubt, the Regulatory Compliance Addendum Governing Medicare-Medicaid Dual-Eligible Services (Aetna Better Health of Illinois), Addendum B, remains unchanged by this Amendment.

3. The Agreement's Individual Sites Regulatory Compliance Addendum (Exhibit A) is hereby amended to add and incorporate in its entirety the attached Florida Medicaid and Florida Health Kids Compliance Addendum – Subcontractor.

4. Delegated Entity shall provide Advanced Imaging and Pain Management services, as set forth on Exhibit 2, Compensation Schedule, in support of the Medicaid and/or CHIP plans and programs that Coventry Health Care of West Virginia, Inc. d/b/a Aetna Better Health of West Virginia offers within the State of West Virginia. The Agreement's Individual Sites Regulatory Compliance Addendum (Exhibit A) is hereby amended to add and incorporate in its entirety the attached Regulatory Compliance Addendum Governing West Virginia Medicaid Services. Delegated Entity agrees to perform its obligations under the Agreement in accordance with the terms and conditions set forth in the aforementioned Regulatory Compliance Addendum to the extent that those terms and conditions are applicable to Delegated Entity's services and obligations under the Agreement. In the event of any conflict between the terms of the attached Regulatory Compliance Addendum, on the one hand, and any of the other terms of the Agreement, on the other hand, including any other attachments, schedules, exhibits, and/or addenda that are currently appended to the Agreement, the terms of the Regulatory Compliance Addendum attached to this Amendment shall govern and control to the extent applicable to Delegated Entity's services and obligations under the Agreement.

5. The Agreement's Exhibit B, Company Affiliates, is hereby deleted in its entirety and replaced with the attached Exhibit B Company Affiliates.

6. All other terms and provisions of the Agreement not amended herein shall remain in full force and effect, without modification.

7. The Parties ratify and affirm the Agreement, and agree that it is in full force and effect as amended herein. In the event of any inconsistency between the terms of this Amendment and the Agreement, the terms of this Amendment shall govern and control.

WITNESS WHEREOF, the Parties have caused this Amendment to be signed by their duly authorized officers as of the date indicated in the introductory clause.

KENTUCKY AND VIRGINIA HIGH TOUCH ASO PRODUCT

Enhanced Clinical Quality Review

With regard to Kentucky and Virginia. Company and Delegated Entity agree to pursue and implement an enhanced clinical quality review for Advanced Imaging ("Clinical Quality Review Services") for certain Members. The Administrative Fees by Member type and modality are listed in the following table by state:

State (Effective Date)	Modality	TANF	CHIP	ABD	Medicaid Expansion <=18	Medicaid Expansion Adult
Kentucky (effective 02.01.2016)	Advanced Imaging	[redacted]	[redacted]	[redacted]	[redacted]	[redacted]
	Ultrasound	[redacted]	[redacted]	[redacted]	[redacted]	[redacted]
	Pain Management	[redacted]	[redacted]	[redacted]	[redacted]	[redacted]
Virginia (effective 04/01/2016)	Advanced Imaging	[redacted]	[redacted]	[redacted]	[redacted]	[redacted]
	Ultrasound	[redacted]	[redacted]	[redacted]	[redacted]	[redacted]
	Pain Management	[redacted]	[redacted]	[redacted]	[redacted]	[redacted]

The Clinical Quality Review Services include enhance review of Advance Imaging Prior Authorization requests as follows:

1. Medical Necessity certifications, including alternative recommendations where appropriate, in accordance with evidenced based guidelines and Company's Clinical Policy Bulletin (CPB)

2. At least [redacted] (or as adjusted based on changes in clinical review effectiveness to achieve enhanced compliance with evidence based guidelines, as agreed to by the Parties) of precertification requests shall be subject to Nurse and/or Medical Director review to include determinations for compliance with evidenced based guidelines.

Each month, Delegated Entity shall charge Company an Administrative Fee for the provision of Delegated Entity Program Services. The monthly Administrative Fee shall be equal to the aggregate of the applicable per Member per month amounts set forth in the table below:

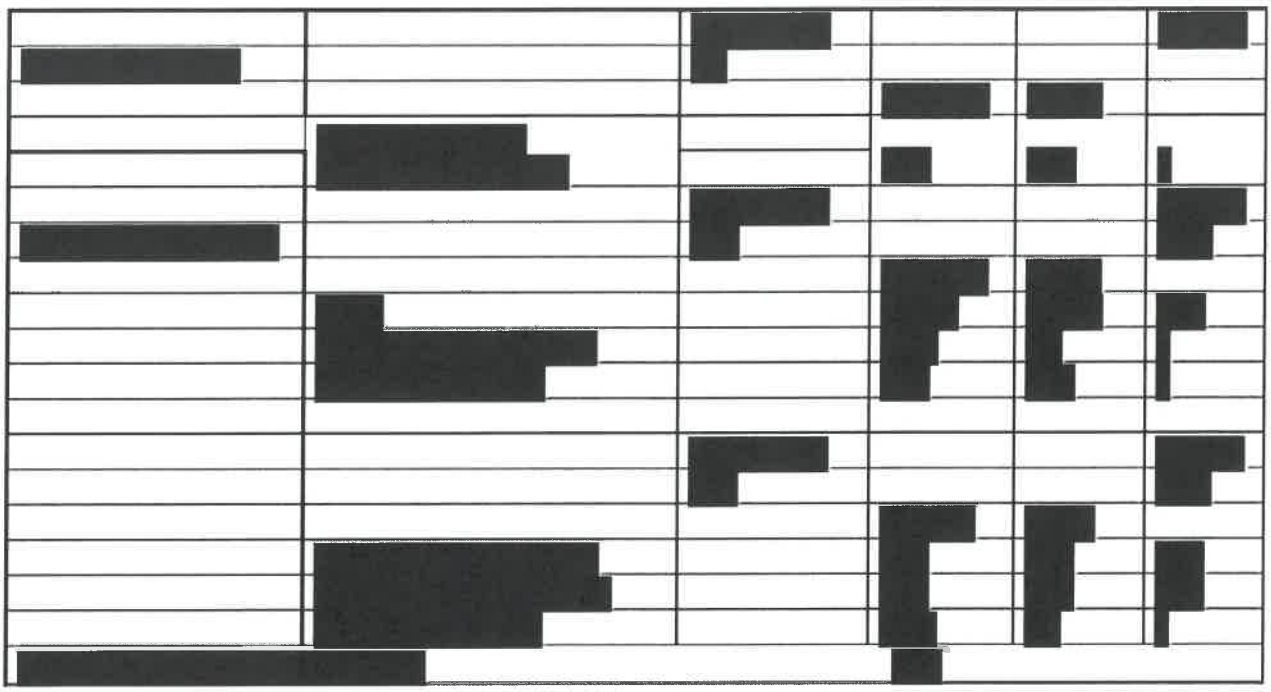
1) Payment. On or before the 15th day of each month, Company shall prepay Delegated Entity an "Administrative Fee" for provision of Delegated Entity Program services.

a) If a Member is added to Company Membership on or before the 15th day of a month, a full month's Service Fee will be due for that month. There will be no Administrative Fee due for Members added after the 15th day of the month.

b) A full month's Administrative Fee will be due for the month of termination of a Member if the Member terminates after the 15th day of the month. If a Member terminates on or before the 15th day of a month, no Administrative Fee will be due for the month of termination.

2) Adjustments. Where Company due to information delays, must make a retroactive addition or deletion to Delegated Entity's membership records, a retroactive adjustment shall be made concurrent therewith and such retroactive Administrative Fee adjustments shall not exceed sixty (60) days for each single Member. With the exception of any fraud investigation the limit to the period of time in which Delegated Entity or Company can make a claim of an overpayment or underpayment or contest an underpayment or overpayment under this Agreement is one hundred eighty (180) days from the date of the payment was made or one hundred eighty (180) days from the date of final adjudication.

The Administrative Payment. Amounts otherwise due to Delegated Entity shall be reduced as follows for Delegated Entity's failure to meet the Performance Guarantees set forth in Exhibit 3.



1. For failure to meet any of the satisfaction measures set forth in Exhibit 3, Section B.1 for the previous calendar year, [redacted] of the annualized Administrative Payment Amounts payable by Company during the previous year, regardless of any Performance Credits applied to any portion of the applicable reporting period for failure to meet any other Performance Guarantee.

2. For failure to meet any of the call center measures when averaged for the calendar year measured as set forth in Exhibit 3, Section B.2: [redacted] of the annualized Administrative Payment Amounts payable by Company during the previous month, regardless of any Performance Credits applied to any portion of the applicable reporting period for failure to meet any other Performance Guarantee.

3. For failure to meet the pre-certification turn-around-time and Adverse Determination overturn measures when averaged for the calendar year measured as set forth in Exhibit 3, Section B.3: [redacted] of the annualized Administrative Payment Amounts (excluding the Sleep Administrative Services Fee) payable by Company during the previous quarter, regardless of any Performance Credits applied to any portion of the applicable reporting period for failure to meet any other Performance Guarantee.

4. For failure to meet the pre-certification turn-around-time overturn measures for the Sleep Program when averaged for the calendar year measured as set forth in Exhibit 3, Section B.4: [redacted] of the annualized Sleep Administrative Services Fee payable by Company during the previous quarter.

5. Example. Delegated Entity performance results are measured after the Program Year has been completed. Those results become published ninety (90) days at the completion of the Program Year. The results at end of the Program Year show the following:

6. Implementation Costs. Delegated Entity shall pay Company the actual costs incurred by Company, but no more than [redacted], towards Company's implementation costs of the radiology management program ("Implementation Fee"). Delegated Entity shall pay a first installment of [redacted] of the Implementation Fee no later than 15 days after this Agreement's signature. Delegated Entity shall pay second and subsequent installments of the Implementation Fee, if needed, each year thereafter.

Individual Sites Regulatory Addendum – Exhibit A

ADDENDUM A

Regulatory Compliance Addendum
Governing Illinois Medicaid Services

This Regulatory Compliance Addendum Governing Illinois Medicaid Services (the "Illinois Medicaid Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as well as the provision of any administrative or health-benefit management services/functions that relate to, as applicable:

(1) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health Inc., an Illinois Corporation, for Furnishing Health Services in an Integrated Care Program by a Managed Care Organization*, Contract No. 2015-24-004 (ABH) f/k/a Contract No. 2010-24-005-K, effective on or about May 1, 2011, which governs the program known as the Illinois Integrated Care Program a/k/a the ICP (the "ICP Contract");

(2) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health for Furnishing Health Services by a Managed Care Organization*, Contract No. 2015-24-002, effective on or about August 1, 2014, which governs the program known as the Illinois Family Health Plan Population–Affordable Care Act Adult program a/k/a FHP-ACA program (the "FHP-ACA Contract"); and/or

(3) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health Inc., an Illinois Corporation for Furnishing Managed Long Term Supports and Services by a Managed Care Organization*, Contract No. 2017-24-002-K, effective on or about July 1, 2016, which governs the program known as the Illinois Managed Long Term Supports and Services a/k/a MLTSS program (the "MLTSS Contract").

Aetna Better Health Inc. d/b/a Aetna Better Health of Illinois ("Company") serves as a managed-care organization under the ICP Contract, the FHP-ACA Contract, and the MLTSS Contract (the "State Contracts") on behalf of the State of Illinois and its Department for Healthcare and Family Services ("HFS" and collectively, the "State").

The State requires that specific terms and conditions be incorporated into the Agreement. As such, this Illinois Medicaid Addendum is incorporated by reference into the Agreement between Company (or its Affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing this Agreement (as identified on the first page thereof), and such provider, vendor, contractor, or other entity must comply with the requirements set forth herein. Note that this Illinois Medicaid Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement and in the policies, procedures, and provider manual of Company (or its Affiliate, as the case may be). This Illinois Medicaid Addendum and the Agreement may be revised as directed by the State.

For purposes of this Illinois Medicaid Addendum, the individuals who are enrolled with Company under the State Contracts will be referred to as the "Enrollees." All capitalized terms not defined in this Illinois Medicaid Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Illinois Medicaid Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this Illinois Medicaid Addendum will govern and control with respect to the provision of Covered Services to Members who are eligible and covered under the State Contracts and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contracts. Except as provided herein, all other provisions of the Agreement not inconsistent with this Illinois Medicaid Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Illinois Medicaid Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Agreement.

The provider, vendor, contractor, or other entity identified on the first page of the Agreement acknowledges and agrees that all provisions of this Illinois Medicaid Addendum shall apply equally to its/their employees, independent contractors, subcontractors, downstream entities, or related entities that provide Covered Services to Members who

are eligible and covered under the State Contracts, or that provide administrative or health-benefit management services/functions relating to those Covered Services or to the State Contracts, and it/they represent and warrant that it/they shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Illinois Medicaid Addendum and all applicable laws and regulations.

CONTRACTUAL AND STATUTORY/REGULATORY REQUIREMENTS

A. Definitions

The following additional definitions shall apply with respect to the requirements set forth in this Illinois Medicaid Addendum:

a. "Authorized Persons" – Collectively means HFS, HFS's Office of Inspector General ("HFS OIG"), the Medicaid Fraud Control Unit of the Illinois State Police, the Illinois Auditor General, the United States Department of Health and Human Services and the Centers for Medicare and Medicaid Services ("CMS"), and any other State or federal agencies with monitoring authority related to Medicaid. [ICP Contract § 1.19; FHP-ACA Contract § 1.20; MLTSS Contract § 1.18]

b. "Provider" – Means any individual or entity that is enrolled with the State to provide Covered Services to Enrollees and that is associated with Company pursuant to a written contract or agreement for the purpose of providing health care services under the State Contracts. [ICP Contract §§ 1.16, 1.118; FHP-ACA Contract §§ 1.16, 1.17, 1.122; MLTSS Contract §§ 1.14, 1.15, 1.125]

c. "Subcontractor" – Means any individual or entity, other than a Provider, with which Company has entered into a written agreement for the purpose of delegating responsibilities applicable to Company under the State Contracts. [ICP Contract § 1.144; FHP-ACA Contract § 1.148; MLTSS Contract § 1.150]

B. Requirements Applicable to State Contracts and Covered Services

1. Practice Coverage and Hours; Enrollee Appointments. Provider agrees to provide Covered Services to Enrollees as set forth in the Agreement, including without limitation the following when such Covered Services are specified in the Agreement:

a. Primary care providers (PCPs) and specialty Providers shall provide coverage for their respective practices twenty-four (24) hours a day, seven (7) days a week and have a published after-hours telephone number (after-hours voicemail alone is not acceptable). [ICP Contract § 5.6.4; FHP-ACA Contract § 5.7.4]

b. Provider shall offer to Enrollees hours of operation that are no less than the hours of operation offered to persons who are not Enrollees. [ICP Contract § 5.6.3; FHP-ACA Contract § 5.7.3; MLTSS Contract § 5.6.3]

c. Provider shall ensure that time-specific appointments for routine, preventive care to an Enrollee are available within five (5) weeks from the date of request for such care, and within two (2) weeks from the date of request for infants under age six (6) months. If an Enrollee has more serious problems that are not deemed emergency medical conditions, Provider shall triage that Enrollee and, if necessary or appropriate, immediately refer that Enrollee for urgent medically necessary care or provide that Enrollee with an appointment within one (1) business day of the request. If an Enrollee has a problem or complaint that is not deemed serious, Provider shall see that Enrollee within three (3) weeks from the date of request for such care. If Enrollee seeks an initial prenatal visit without expressed problems, the Provider shall see that Enrollee within two (2) weeks after a request if the Enrollee is in her first trimester, within one (1) week if the Enrollee is in her second trimester, and within three (3) days if the Enrollee is in her third trimester. [ICP Contract § 5.6.3; FHP-ACA Contract § 5.7.3; MLTSS Contract § 5.6.3]

2. Payments; Hold Harmless of Enrollees/State.

a. Provider/Subcontractor acknowledges and agrees that Company shall not pay a Provider/Subcontractor for any provider-preventable condition. Provider/Subcontractor shall report all

provider-preventable conditions associated with claims for payment or Enrollee treatments for which payment would otherwise be made. [FHP-ACA Contract § 5.25.8; MLTSS Contract § 5.24.8]

b. Provider/Subcontractor acknowledges and agrees that Company is prohibited by applicable federal law from making payments to financial institutions located outside of the United States for items or services provided under a Medicaid state plan or waiver. [42 U.S.C. § 1396a(a)(80); 42 C.F.R. § 438.602(i)]

c. Provider/Subcontractor acknowledges and agrees that upon CMS's implementation of Section 1861(o)(7) of the Social Security Act, Company is prohibited by applicable federal law from making payments for services or items (other than an emergency service or item furnished in an emergency room of a hospital) for home health care services provided by an agency or organization unless that agency or organization has provided the State with a surety bond as specified in Section 1861(o)(7) of the Social Security Act. [MLTSS Contract § 5.5.1.4]

d. Except as permitted or required by HFS in 89 Ill. Adm. Code 125, in HFS's fee-for-service copayment policy in effect at the time Covered Services are provided, and/or in the State Contracts, neither Company nor Provider/Subcontractor may seek or obtain funding through fees or charges to any Enrollee receiving Covered Services under the State Contracts. Provider/Subcontractor furthermore acknowledges and agrees that imposing charges in excess of those permitted under the State Contracts is a violation of Section 1128B(d) of the Social Security Act and subjects the party imposing such charges to criminal penalties. [ICP Contract § 5.30; FHP-ACA Contract § 5.30; MLTSS Contract § 5.29]

e. Provider/Subcontractor agrees that in no event, including but not limited to the nonpayment by Company of amounts due to Provider/Subcontractor under the Agreement, the insolvency of Company, or any breach of the Agreement by Company, shall Provider/Subcontractor or its assignees or subcontractors have a right to seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against the Enrollee or persons acting on the Enrollee's behalf (other than Company) for services provided pursuant to the Agreement except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Enrollees and all persons acting on the Enrollees' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider/Subcontractor and the Enrollee or persons acting on the Enrollee's behalf (other than Company). [215 ILCS 125/2-8(a)]

f. Any dispute between Company and Provider/Subcontractor shall be solely between those parties, and Company and Provider/Subcontractor shall each hold harmless the State and its agencies, officers, employees, agents, and volunteers from and against such dispute and any and all liabilities, demands, claims, suits, losses, damages, causes of action, fines, or judgments, including costs, attorneys' and witnesses' fees, and expenses incident thereto, regardless of the reason. [ICP Contract §§ 7.13, 9.1.8, 9.1.28; FHP-ACA Contract §§ 7.13, 9.1.8, 9.1.28; MLTSS Contract §§ 7.13, 9.1.8, 9.1.28]

3. Standards of Care. In addition to complying with other applicable standards of care, Provider/Subcontractor shall:

a. Timely identify any Enrollees with high-risk pregnancies and arrange for a maternal fetal medicine specialist or a transfer to Level III perinatal facilities in accordance with ACOG guidelines and the Illinois Perinatal Act requirements for referral and/or transfer of high-risk women. [ICP Contract, Attachment XXI ¶ 3.c.i.D; FHP-ACA Contract, Attachment XXI ¶ 3.c.i.D; MLTSS Contract, Attachment XXI ¶ 3.c.i.D]

b. Cooperate and communicate with other service providers who serve Enrollees, including without limitation Special Supplemental Nutrition Programs for Women, Infants, and Children (commonly referred to as "WIC" programs); Head Start programs; Early Intervention programs; and school systems. Such cooperation may include performing annual physical examinations for schools and the sharing of information (with the consent of the Enrollee). [ICP Contract, Attachment XXI ¶ 3.e.i.; FHP-ACA Contract, Attachment XXI ¶ 3.e.i.; MLTSS Contract, Attachment XXI ¶ 3.e.i.]

4. Cultural Competence; Prohibition on Discrimination. In addition to complying with other applicable standards:

a. Provider/Subcontractor shall cooperate in the implementation of, and comply with all requirements set forth in, Company's Cultural Competence Plan, which shall include implementation of the NCQA Standards for Culturally and Linguistically Appropriate Services in Health Care (CLAS Standards). Provider/Subcontractor acknowledges and agrees that all Covered Services shall be provided in a culturally competent manner by ensuring the cultural competence of all Provider/Subcontractor staff, from clerical to executive management. Furthermore, Subcontractors shall complete Company's initial and annual cultural-competence training. [ICP Contract §§ 2.7, 2.7.3, 2.7.4; FHP-ACA Contract §§ 2.7, 2.7.3, 2.7.4; MLTSS Contract §§ 2.7, 2.7.3, 2.7.4]

b. Provider/Subcontractor shall abide by all federal and State laws, regulations, and orders that prohibit discrimination because of race, color, religion, sex, national origin, ancestry, age, physical or mental disability, including, but not limited to, the Federal Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, the Federal Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972 (regarding education programs and activities), the Age Discrimination Act of 1975, the Illinois Human Rights Act, and Executive Orders 11246 and 11375. Provider/Subcontractor furthermore agrees to take affirmative action to ensure that no unlawful discrimination is committed in any manner including, but not limited to, the delivery of services under this Agreement. Provider/Subcontractor will furthermore not discriminate against Enrollees or prospective or potential Enrollees on the basis of health status, need for health services, or payment source. All Provider/Subcontractor locations where Enrollees receive Covered Services shall comply with the Americans with Disabilities Act of 1990. [77 Ill. Admin. Code § 240.50(d)(4); ICP Contract §§ 2.8, 5.6.2, 9.1.22; FHP-ACA Contract §§ 2.8, 5.7.2, 9.1.22; MLTSS Contract §§ 2.8, 5.6.2, 9.1.22]

5. Anti-Gag Clause; Prohibition on Retaliation. Provider/Subcontractor shall not be prohibited or otherwise restricted or discouraged from, and shall not prohibit or otherwise restrict or discourage its downstream providers or subcontractors from, taking any of the following actions so long as those actions are within the lawful scope of the acting party's practice: (a) advocating for medically appropriate health care services for Enrollees, which may include without limitation appealing denials and protesting decisions, policies, and practices; (b) advising an Enrollee about the health status of that Enrollee or medical care or treatment for that Enrollee's condition or disease regardless of whether benefits for such care or treatment are provided under the Agreement and/or the State Contracts; and/or (c) discussing with Enrollees, prospective Enrollees, or the public any health care services, health care providers, utilization review policies, quality assurance policies, or terms and conditions of plans and plan policy. Furthermore, Company shall not retaliate against Provider/Subcontractor, and Provider/Subcontractor shall not retaliate against its downstream providers or subcontractors, for any of the foregoing actions. Notwithstanding the foregoing, nothing in this provision shall be construed to prohibit: (a) Company or Provider/Subcontractor from making a determination not to pay for a particular health care service, from enforcing reasonable peer review or utilization review protocols, or from determining whether a physician or other health care provider has complied with those protocols; and/or (b) a Provider that is a hospital from taking disciplinary actions against a physician as authorized by law. [215 ILCS 134/30(a); 215 ILCS 134/35(a)–(d); ICP Contract § 5.32; FHP-ACA Contract § 5.32; MLTSS Contract § 5.31]

6. Grievances and Appeals. Provider/Subcontractor shall comply with Company's grievance and appeal processes referenced in the Agreement, and Company shall notify Provider/Subcontractor within fifteen (15) days following any substantive change to such procedures. [ICP Contract § 5.28.6; FHP-ACA Contract § 5.28.6; MLTSS Contract § 5.27.6]

7. Data and Reporting.

a. Provider/Subcontractor shall submit all data, reports, and clinical information required by Company under the State Contracts in such manner and format, and pursuant to such timeframes, as requested by Company and/or HFS. Provider/Subcontractor shall ensure that all data and reports that it submits to Company are accurate and complete, and Provider/Subcontractor furthermore acknowledges and agrees that all such data and reports shall be available to HFS and, upon request, to federal CMS. [ICP Contract § 5.24; FHP-ACA Contract § 5.24; MLTSS Contract § 5.23]

b. If Provider/Subcontractor provides Covered Services to Enrollees under a Illinois Department of Human Services ("DHS") Home and Community-Based Services ("HCBS") Waiver, under the Medicaid Clinic Option, or under the Medicaid Rehabilitation Option, or provides subacute alcoholism and substance-abuse treatment services pursuant to 89 Ill. Admin. Code §§ 148.340–148.390 and 77 Ill. Admin. Code Part 2090, such Provider/Subcontractor shall enter any data regarding Enrollees that is required under State rules, or under a contract between the Provider/Subcontractor and DHS, into any subsystem maintained by DHS, including, but not limited to, DHS's Automated Reporting and Tracking System (DARTS). [FHP-ACA Contract § 5.28.1.3; MLTSS Contract § 5.27.1.3]

8. Delegation. If Company delegates to Provider/Subcontractor any activities or obligations under the State Contracts:

a. Company shall remain ultimately responsible for the performance of those responsibilities and nothing in the Agreement shall be construed to terminate Company's legal responsibility to DHS to assure that all activities under the State Contracts are carried out. [ICP Contract §§ 5.28.2, 5.28.3; FHP-ACA Contract §§ 5.28.2, 5.28.3; MLTSS Contract §§ 5.27.2, 5.27.3]

b. Provider/Subcontractor acknowledges and agrees that Company's delegated oversight committee will oversee Provider/Subcontractor's activities and performance under the Agreement to ensure compliance with all applicable contractual and statutory requirements, including without limitation the Illinois Human Rights Act, the U.S. Civil Rights Act, and Section 504 of the federal Rehabilitation Act. Company's oversight of Provider/Subcontractor will include, without limitation: pre-delegation audits; quarterly delegation oversight reviews of delegate performance; monthly joint-operation meetings; annual audits of Provider/Subcontractor; regular monitoring of Enrollee complaints with respect to Provider/Subcontractor; and documentation of issues and development of a corrective action plan, as warranted, to improve performance. [ICP Contract § 2.7.4; FHP-ACA Contract § 2.7.4; MLTSS Contract § 2.7.4]

c. To the extent that such delegated activities are credentialing or recredentialing activities or obligations under the State Contracts, Provider/Subcontractor shall maintain a formal credentialing program and shall conduct all such activities or obligations in compliance with Company, National Committee for Quality Assurance (NCQA), and State standards. Company shall monitor such credentialing/recredentialing delegated activities and shall review Provider/Subcontractor's credentialing files no less than annually as part of the annual audit. [ICP Contract § 5.7.4, Attachment XI ¶ 7.e.; FHP-ACA Contract § 5.8.4, Attachment XI ¶ 7.e.; MLTSS Contract § 5.7.4, Attachment XI ¶ 7.e.]

9. Offshore Services. Provider/Subcontractor is prohibited from using any individual or entity (an "Offshore Entity") (including, but not limited to, any employee, contractor, subcontractor, agent, representative, or other individual or entity) to perform any services for Company if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless Company, in its sole discretion and judgment, agrees in advance and in writing to the use of such Offshore Entity. Provider/Subcontractor further agrees that Company has the right to audit any Offshore Entity prior to the provision of Offshore Services for Company. Provider/Subcontractor further represents and warrants that it does not and will not permit any Enrollee's protected health information (PHI) or other personal information to be accessible by any Offshore Entity, without prior written notice to Company and Company's prior written approval of such Offshore Entity. In the event that Company agrees in advance and in writing to permit Provider/Subcontractor to use an Offshore Entity to perform any services for Company and Company agrees that such Offshore Entity will receive, process, transfer, handle, store, or access Enrollee PHI as defined at 45 C.F.R. § 160.103, Provider/Subcontractor agrees that Offshore Services that involve Enrollee Member PHI may be subject to mandatory reporting to CMS and/or other applicable government regulators. [MLTSS Contract § 5.27.14]

10. Quality Assurance. With respect to Company's quality-assurance obligations under the State Contracts:

a. Provider/Subcontractor shall participate in and cooperate with Company's quality-assurance program (QAP), shall cooperate with Company with respect to Company's QAP obligations under the State Contracts, and shall cooperate with Company's quality improvement committee. Provider/Subcontractor shall furthermore allow Company to access Provider/Subcontractor's Enrollee

medical records to permit effective quality review and monitoring of Provider/Subcontractor's compliance with policies and procedures, specifications, and appropriateness of care, and such access shall include the right of Company to make and/or obtain a copy (in either electronic or hardcopy form) of such records. [ICP Contract, Attachment XI ¶ 6.b.; FHP-ACA Contract, Attachment XI ¶ 6.b.; MLTSS Contract, Attachment XI ¶¶ 2.b.ii., 6.b.]

b. Provider/Subcontractor shall provide, arrange for, or participate in the quality-assurance programs mandated by the Illinois Health Maintenance Organization Act, unless the Illinois Department of Public Health has certified that such programs will be fully implemented without any participation or action from Provider/Subcontractor. [215 ILCS 125/2-8(a); 50 Ill. Admin. Code § 5241.50(a)(4)]

c. Provider/Subcontractor acknowledges and agrees that Company shall perform quality-assurance evaluations of Provider/Subcontractor's practices, which shall include monitoring of Enrollee accessibility to ensure linguistic and physical accessibility. [ICP Contract § 2.7.5; FHP-ACA Contract § 2.7.5; MLTSS Contract § 2.7.5]

d. Provider/Subcontractor shall cooperate and comply with all remedial or corrective actions that Company implements with respect to Provider/Subcontractor and/or its services under the Agreement, upon Company's determination that Provider/Subcontractor has furnished inappropriate or substandard services or has failed to furnish services that should have been furnished. [ICP Contract, Attachment XI ¶ 3.e.; FHP-ACA Contract, Attachment XI ¶ 3.e.; MLTSS Contract, Attachment XI ¶ 3.e.]

e. If Company delegates to Provider/Subcontractor any quality-assurance activities or obligations that Company has under the State Contracts:

1. Company and Provider/Subcontractor shall agree in writing upon the delegated activities, the accountability of Provider/Subcontractor for those activities, and the frequency of Provider/Subcontractor's reporting to Company related to those activities. [ICP Contract, Attachment XI ¶ 7.a.; FHP-ACA Contract, Attachment XI ¶ 7.a.; MLTSS Contract, Attachment XI ¶ 7.a.]

2. Company and Provider/Subcontractor shall agree in writing upon the standards and procedures for monitoring and evaluating the implementation of the delegated functions and for verifying the actual quality of care being provided. [ICP Contract, Attachment XI ¶ 7.b.; FHP-ACA Contract, Attachment XI ¶ 7.b.; MLTSS Contract, Attachment XI ¶ 7.b.]

3. All such delegated activities shall conform to the requirements set forth in the State Contracts. [ICP Contract, Attachment XI ¶ 7.c.; FHP-ACA Contract, Attachment XI ¶ 7.c.; MLTSS Contract, Attachment XI ¶ 7.c.]

4. Provider/Subcontractor acknowledges and agrees that Company shall engage in continuous and ongoing evaluation and oversight of such delegated activities, including approval of quality-improvement plans and regular specified reports, as well as a formal review of such activities. Company's oversight of Provider/Subcontractor's performance of these delegated activities must include no less than an annual audit, analyses of required reports and encounter data, a review of Enrollee complaints, grievances, Provider complaints, and quality of care concerns raised through encounter data, monitoring activities, or other venues. Outcomes of Company's annual audit shall be submitted to HFS as part of Company's QA/UR/PR Annual Report. [ICP Contract, Attachment XI ¶ 7.d.; FHP-ACA Contract, Attachment XI ¶ 7.d.; MLTSS Contract, Attachment XI ¶ 7.d.]

5. If Company or Provider/Subcontractor identifies areas requiring improvement, Company or Provider/Subcontractor, as appropriate, shall take corrective action and implement a quality improvement initiative. If one or more deficiencies are identified, Provider/Subcontractor must develop and implement a corrective action plan, with protections put in place by Company to prevent such deficiencies from recurring. Evidence of ongoing monitoring of the delegated activities sufficient to assure corrective action shall be provided to HFS through quarterly or annual reporting. [ICP Contract, Attachment XI ¶ 7 f.; FHP-ACA Contract, Attachment XI ¶ 7 f.; MLTSS Contract, Attachment XI ¶ 7.f.]

11. Pharmacy Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to pharmacy-related Covered Services under the ICP Contract and FHP-ACA Contract:

a. Provider/Subcontractor shall administer all pharmacy benefits in accordance with the provisions and requirements of the State Contracts and all applicable State and federal laws and regulations. [ICP Contract §§ 5.1.7, 5.16.6; FHP-ACA Contract §§ 5.2.5, 5.16.6]

b. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contracts to submit required pharmacy-related reports and data to applicable federal and State authorities. [ICP Contract, Attachment XIII; FHP-ACA Contract, Attachment XIII]

c. If Company delegates to Provider/Subcontractor any pharmacy-related activities or obligations that Company has under the State Contracts, Provider/Subcontractor shall comply with all pharmacy-related provisions and requirements set forth in the State Contracts, including without limitation the following, as applicable:

(i) Company and Provider/Subcontractor shall submit a pharmacy formulary for prior approval by the State initially and annually thereafter. [ICP Contract § 5.1.7; FHP-ACA Contract § 5.2.5]

(ii) Company and Provider/Subcontractor shall provide coverage of drugs in all classes of drugs for which HFS's fee-for-service program provides coverage. [ICP Contract § 5.1.7.1; FHP-ACA Contract § 5.2.5.1]

(iii) Company and Provider/Subcontractor shall cover only drugs made by manufacturers that participate in the federal Medicaid drug rebate program, which applies to both prescription and over-the-counter drugs, but does not apply to non-drug items such as blood sugar test strips. HFS will provide a listing of manufacturers that participate in the federal Medicaid drug rebate program. [ICP Contract § 5.1.7.2; FHP-ACA Contract § 5.2.5.2]

(iv) Company and Provider/Subcontractor may determine their own utilization controls, including without limitation step therapy and prior approval, unless otherwise prohibited under the State Contracts, to ensure appropriate utilization. Company and Provider/Subcontractor shall utilize HFS's step-therapy and prior-authorization requirements for family-planning drugs and devices as set forth in the State Contracts. [ICP Contract § 5.1.7.3; FHP-ACA Contract § 5.2.5.3]

(v) Company and Provider/Subcontractor shall ensure that they require pharmacy, medical, and hospital providers to identify 340B-purchased drugs on pharmacy, medical, and hospital claims following HFS billing guidelines applied in HFS's fee-for-service program, and Company and Provider/Subcontractor shall furthermore ensure that its encounter claims to HFS identify these drugs. [ICP Contract § 5.1.7.4; FHP-ACA Contract § 5.2.5.4] For any outpatient drugs *not* identified in accordance with the previous sentence: (i) Company and Provider/Subcontractor shall collect information on the total number of units of each dosage form and strength and package size by National Drug Code of each covered outpatient drug dispensed to Enrollees, and (ii) Company and Provider/Subcontractor shall report to HFS quarterly, in a format and in the detail specified by HFS, information on the total number of units of each dosage form and strength and package size by National Drug Code of each such covered outpatient drug dispensed to Enrollees. [FHP-ACA Contract §§ 5.2.5.4.1, 5.2.5.4.2]

(vi) Company and Provider/Subcontractor shall establish and maintain a generic drug Maximum Allowable Cost (MAC) dispute-resolution process, subject to approval by HFS. The MAC dispute-resolution process shall enable pharmacies to report pricing disputes to the Company and/or Provider/Subcontractor up to sixty (60) days from the claim date and Company and/or Provider/Subcontractor is required to resolve the pricing dispute within twenty-one (21) days by adjusting the reimbursement rate to represent the average acquisition cost of the drug, or by informing the pharmacy of alternative generic equivalent products that can be purchased at or

below the Company's existing MAC price. [ICP Contract § 5.1.7.5; FHP-ACA Contract § 5.2.5.5]

(vii) Company and Provider/Subcontractor shall develop and implement a system, including policies and procedures, coverage criteria, and processes for their Drug Utilization Review (DUR) program. The DUR program shall include a prospective review process for all drugs prior to dispensing and all non-formulary drug requests, and a retrospective drug utilization review process to detect patterns in prescribing, dispensing, or administration of medication and to prevent inappropriate use or abuse. Company and Provider/Subcontractor are required to report prospective and retrospective DUR activities to HFS quarterly, and to assist in data collection and reporting to HFS of data necessary to complete the federal CMS DUR annual report. [ICP Contract § 5.1.7.6; FHP-ACA Contract § 5.2.5.6]

(viii) Company and Provider/Subcontractor shall comply with the pharmacy prior-authorization provisions and requirements set forth in Section 5.16.6 of each of the State Contracts, which requires that Company and/or Provider/Subcontractor must authorize or deny a prior-authorization request for pharmacy services no later than twenty-four (24) hours after receipt of the request for authorization. [ICP Contract § 5.16.6; FHP-ACA Contract § 5.16.6]

(ix) Company and Provider/Subcontractor shall not permit or allow, whether by contract, written policy, or procedure, any individual or entity to dispense a different drug in place of the drug or brand of drug ordered or prescribed without the express permission of the person ordering or prescribing the drug, except as provided under Section 3.14 of the Illinois Food, Drug and Cosmetic Act (codified at 410 ILCS 620/3.14). [215 ILCS 134/30(b)]

12. Children's Mental Health Service Requirements. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to any behavioral-health Covered Services that Provider/Subcontractor provides to Enrollees under the age of twenty one (21):

a. Provider/Subcontractor shall administer all such behavioral-health benefits in accordance with the provisions and requirements of Attachment XXII of the FHP-ACA Contract and in accordance with all applicable State and federal laws and regulations. [FHP-ACA Contract, Attachment XXII]

b. If Provider is an inpatient psychiatric Provider, it shall administer a physical examination to the Enrollee within twenty-four (24) hours after admission when that Enrollee requires admission to an appropriate inpatient institutional treatment setting. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.iv.]

c. Provider shall comply with Company's procedures with respect to discharge and transitional planning related to an appropriate inpatient institutional treatment setting, and shall cooperate with Company in the education and training of the Enrollee's family on how to use the "crisis safety plans" while the Enrollee is receiving inpatient institutional treatment. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.v.5.]

d. If Provider/Subcontractor provides Mobile Crisis Response Services in connection with the State Contracts:

(i) Provider/Subcontractor shall ensure that the staff providing those services hold the following credentials: (a) Mental Health Professional (MHP) with direct access to a Qualified Mental Health professional; (b) Qualified Mental Health Professional; or (c) Licensed Practitioner of the Healing Arts. [FHP-ACA Contract, Attachment XXII, ¶ 3 f.]

(ii) Provider/Subcontractor shall provide immediate crisis and stabilization services when an Enrollee in crisis can be stabilized in the community. [FHP-ACA Contract, Attachment XXII, ¶ 4.a.i.]

(iii) Provider/Subcontractor shall establish a "crisis safety plan" for all Enrollees presenting in behavioral-health crisis that is unique to the Enrollee and the circumstances leading to the crisis situation. [FHP-ACA Contract, Attachment XXII, ¶¶ 4.a.ii., 4.b.i.]

(iv) Provider/Subcontractor shall provide the Enrollee's family with contact information that may be used at any time, 24 hours a day, to contact Company in moments of crisis. [FHP-ACA Contract, Attachment XXII, ¶ 4.a.iv.]

(v) Provider/Subcontractor shall provide families of Enrollees with physical copies of the "crisis safety plan" (a) prior to the completion of the crisis screening event for any Enrollee stabilized in the community, and (b) prior to discharge of the Enrollee from an inpatient psychiatric hospital for any Enrollee that is admitted to such a facility. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.ii.]

(vi) Provider/Subcontractor shall educate and orient the Enrollee's family to the components of the "crisis safety plan" to ensure that the plan is reviewed with the family regularly, and to detail how the plan is updated as necessary. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.iii.]

(vii) Provider/Subcontractor shall share the "crisis safety plan" with all necessary medical professionals, including care coordinators, consistent with the authorizations established by consent or release. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.iv.]

(viii) Provider/Subcontractor shall facilitate the Enrollee's admission to an appropriate inpatient institutional treatment setting when the Enrollee in crisis cannot be stabilized in the community. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.i.]

(ix) Provider/Subcontractor shall inform the Enrollee's parents, guardian, caregivers, or residential staff about all of the available service providers and pertinent policies needed to allow the involved parties to select an appropriate inpatient institutional treatment setting. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.ii.]

13. Third-Party Payment Sources; Coordination of Benefits. Provider/Subcontractor acknowledges and agrees that Medicaid payment, under the State Contracts or otherwise, is secondary to other sources of payment (including Medicare) for Covered Services provided to Enrollees, and that Medicaid (and consequently Company, as a Medicaid MCO of the State) is the payer of last resort. Provider/Subcontractor furthermore acknowledges and agrees that to the extent Medicare has primary responsibility for a Covered Service, Company's obligation to pay for that Covered Service is only triggered if the State would have had a payment obligation as secondary payor on that Covered Service. [MLTSS Contract § 5.1] Provider/Subcontractor also acknowledges and agrees that when Company is aware of third-party sources of payment for Covered Services, Company is required to "cost avoid" (*i.e.*, deny) the associated claim and to redirect Provider/Subcontractor to bill that third-party source of payment as the primary payor.

14. Cooperation with Company. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract, including without limitation:

a. Company's obligation to submit financial and expense-related reports/data to the State relating to the risk adjustment and Medical Loss Ratio (MLR) adjustment set forth in the State Contracts. [ICP Contract §§ 7.4, 7.11; FHP-ACA Contract §§ 7.4, 7.11; MLTSS Contract §§ 7.4, 7.11]

b. Company's obligation to investigate, pursue, and report on coordination-of-benefit and third-party-liability resources and recoveries. [ICP Contract §§ 9.1.37, 9.1.38; FHP-ACA Contract §§ 9.1.36, 9.1.37; MLTSS Contract §§ 9.1.36, 9.1.37]

c. Company's obligation to provide a "medical home," as that term is used in the State Contracts, for its Enrollees. [ICP Contract §§ 5.5.7, 5.9.2; FHP-ACA Contract §§ 5.6.7, 5.9.2; MLTSS Contract §§ 5.5.7, 5.8.2]

d. Company's obligation to develop the Enrollee's care plan and to encourage Provider/Subcontractor to support Enrollees in directing their own care and in development of the Enrollee's care plan. [ICP Contract § 5.12.6; FHP-ACA Contract §§ 5.14.5, 5.14.8.1.3; MLTSS Contract §§ 5.13.5, 5.13.9.1, 5.13.9.2.3]

e. Company's obligation to avoid unnecessary utilization of emergency services by Enrollees and to promote care management through the Enrollees' primary care providers (PCPs) or "medical home." [ICP Contract § 5.17.1.5; FHP-ACA Contract § 5.17.1.5]

f. Company's obligation to establish and maintain an HFS-approved peer-review program to review the quality of care that Provider/Subcontractor provides to Enrollees. [ICP Contract § 5.19.5; FHP-ACA Contract § 5.19.5; MLTSS Contract § 5.18.5]

g. Company's obligation to provide orientation, education, and training for Provider/Subcontractor as set forth in the State Contracts, including without limitation (i) training on how to identify, recognize potential concerns related to, and report on suspected or alleged abuse, neglect, and exploitation being suffered by Enrollees, and (ii) education on the application of required clinical guidelines. [ICP Contract §§ 5.9, 5.20.1, 5.20.2, Attachment XI ¶ 9, Attachment XXI ¶ 3; FHP-ACA Contract §§ 5.9, 5.20.4, 5.20.5, Attachment XI ¶ 9, Attachment XXI ¶ 3; MLTSS Contract §§ 5.8, 5.19.4, 5.19.5, Attachment XI ¶ 9, Attachment XXI ¶ 3]

h. Company's obligation to participate in any State-required performance-improvement projects. [ICP Contract § 7.16.5; FHP-ACA Contract § 7.16.5; MLTSS Contract § 7.16.5]

i. Company's obligation to remit to Provider/Subcontractor, if applicable, any "hospital access payments" authorized under 305 ILCS 5/5A-12.2(s)–(t) and 305 ILCS 5/5A-12.5 (Public Act 98-651, enacted June 14, 2014). [ICP Contract § 7.1.5; FHP-ACA Contract § 7.1.2]

j. Company's obligation to respond to any letter of concern, written deficiency notice, or request for a corrective action plan that Company receives from the State relating to Provider/Subcontractor or the services that are within the scope of the Agreement. [ICP Contract § 7.16.6; FHP-ACA Contract § 7.16.6; MLTSS Contract § 7.16.6]

k. Company's obligations and responsibilities relating to the "HMO self-evaluation structure" and associated activities set forth in 77 Ill. Admin. Code § 240.60. [77 Ill. Admin. Code § 240.50(d)(1)(C)]

l. Company's obligations to coordinate Enrollees' care with any other entities involved in managing or coordinating that care, to collaborate and deliberate with those other entities as needed for care coordination and health-care decisions, to share with and receive information from those other entities as needed for care coordination, and to obtain any permissions (including without limitation any signed written permissions) necessary to facilitate such information-sharing, care coordination, and collaboration. [MLTSS Contract §§ 5.9.4, 5.10.1.6, 5.12.2.8, 5.13.9.1]

15. Notice of Legal Action. If Provider/Subcontractor, its parent, or one of its affiliates becomes a party to any litigation, investigation, or transaction that may reasonably be considered to have a material impact on Provider/Subcontractor's ability to perform under the Agreement, Provider/Subcontractor shall immediately notify Company in writing. [ICP Contract § 9.1.24; FHP-ACA Contract § 9.1.24; MLTSS Contract § 9.1.24]

16. State Review of Agreement. Provider/Subcontractor acknowledges and agrees that Company may be required to submit a copy of the Agreement to HFS for review, and that HFS reserves the right to require Company to amend the Agreement as reasonably necessary to conform to Company's duties and obligations under the State Contracts. [ICP Contract § 5.28.10; FHP-ACA Contract § 5.28.10; MLTSS Contract § 5.27.10]

17. Termination of Agreement and Effect Thereof.

a. In the event the Agreement is terminated, such termination shall not constitute termination of any other agreement that Provider/Subcontractor has entered into with Company or an Affiliate of Company unless otherwise agreed to in writing by the parties. Furthermore, in the event this Illinois Medicaid Addendum is terminated, such termination shall not constitute termination of any other Product Addendum or Product Participation that Provider/Subcontractor has entered into with Company pursuant to the Agreement unless otherwise agreed to in writing by the Parties.

b. Notwithstanding anything in the Agreement to the contrary, if either Company or Provider/Subcontractor seeks (i) to terminate the Agreement "with cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least sixty (60) days' written notice to the other party; or (ii) to terminate the Agreement "without cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least ninety (90) days' written notice to the other party. Furthermore, Provider/Subcontractor shall cooperate with Company with respect to Company's obligation to provide timely notice to Enrollees of any termination that would curtail or eliminate services to such Enrollees, with such notice to be sent (i) at least sixty (60) days prior to that termination, or (ii) immediately, if Company receives less than sixty (60) days' notice of that termination from Provider/Subcontractor. The notice to be sent to Enrollees shall include instructions regarding referrals that have previously been issued and appointments that may be pending. [50 Ill. Admin. Code § 5241.50(a)(5)–(6); 305 ILCS 5/5F-40(a)]

c. Notwithstanding anything in the Agreement to the contrary, Company shall retain the right to terminate the Agreement, or impose other sanctions, if the performance of Provider/Subcontractor is inadequate. Company shall monitor the performance of Provider/Subcontractor on an ongoing basis, shall subject Provider/Subcontractor to formal review on no less than a triennial basis, and to the extent deficiencies or areas for improvement are identified during an informal or formal review, shall require Provider/Subcontractor to take appropriate corrective action. Furthermore, Company shall promptly terminate the Agreement if Provider/Subcontractor is or becomes terminated, barred, or suspended, or has voluntarily withdrawn as a result of a settlement agreement, under either Section 1128 or Section 1128A of the Social Security Act, from participating in any program under federal law including any program under Titles XVIII, XIX, XX or XXI of the Social Security Act or are otherwise excluded from participation in the HFS Medical Program. [ICP Contract §§ 5.28.7, 5.28.9; FHP-ACA Contract §§ 5.28.7, 5.28.9; MLTSS Contract §§ 5.27.7, 5.27.9]

18. Maintenance, Access to, and Confidentiality of Records.

a. Provider/Subcontractor shall maintain books and records relating to the performance of the State Contracts and the Agreement and necessary to support amounts charged under the State Contracts and the Agreement. Books and records, including information stored in databases or other computer systems, shall be maintained by Provider/Subcontractor for a period of three (3) years from the later of the date of final payment under the Agreement or completion of the Agreement, or such longer time as may be required by federal law or regulation. Books and records required to be maintained under this provision shall be accessible for review or audit by representatives of Company or any Authorized Persons (along with the Executive Inspector General and the Chief Procurement Officer) upon reasonable notice and during normal business hours. Such access shall include the right to make and/or obtain a copy (in either electronic or hardcopy form) of such books and records. Provider/Subcontractor shall cooperate fully with any such audit and with any investigation conducted by any of these entities. Failure to maintain the books and records required by this provision shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the State Contracts for which adequate books and records are not available to support the purported disbursement. Provider/Subcontractor shall not impose a charge for audit or examination of Provider/Subcontractor's books and records. [ICP Contract § 9.1.2; FHP-ACA Contract § 9.1.2; MLTSS Contract § 9.1.2]

b. Provider/Subcontractor may have or gain access to confidential data or information owned or maintained by the State or Company in the course of carrying out Provider/Subcontractor's responsibilities under the Agreement and/or the State Contracts. Provider/Subcontractor shall presume all information received from the State or Company, or to which it gains access pursuant to the Agreement and/or the State Contracts, is confidential. No confidential data collected, maintained, or used in the course of performance of the Agreement and/or the State Contracts shall be disseminated except as authorized by law and with the written consent of the State and/or Company, as applicable, either during the term of the State Contracts or thereafter, unless otherwise expressly provided in the State Contracts. Provider/Subcontractor must return any and all data collected, maintained, created, or used in the course of the performance of the Agreement and/or the State Contracts, in whatever form it is maintained, promptly at the earlier of the termination of the Agreement or the termination of the State Contracts, or earlier at the request of the State, or notify the State and/or Company, as applicable, in writing of its destruction. The foregoing obligations shall not apply to confidential data or information that is: (i) lawfully in Provider/Subcontractor's possession prior to its acquisition from the State and/or Company; (ii) received in

good faith from a third-party not subject to any confidentiality obligation to the State and/or Company; (iii) now is or later becomes publicly known through no breach of confidentiality obligation by Provider/Subcontractor; or (iv) is independently developed by Provider/Subcontractor without the use or benefit of the confidential information of the State and/or Company. [ICP Contract § 9.1.6; FHP-ACA Contract § 9.1.6; MLTSS Contract § 9.1.6]

c. Provider/Subcontractor shall ensure that all information, records, data, and data elements pertaining to applicants for and recipients of public assistance, or to providers, facilities, and associations, shall be protected from unauthorized disclosure by Provider/Subcontractor and Provider/Subcontractor's employees, by Provider/Subcontractor's corporate affiliates and their employees, and by Provider/Subcontractor's subcontractors and their employees, pursuant to 305 ILCS 5/11-9, 11-10, and 11-12; 42 U.S.C. § 654(26); 42 C.F.R. Part 431, Subpart F; and 45 C.F.R. Part 160 and 45 C.F.R. Part 164, Subparts A and E. To the extent that Provider/Subcontractor, in the course of performing under the terms of the Agreement, serves as a business associate of Company and/or HFS, as "business associate" is defined in the HIPAA Privacy Rule (45 C.F.R. § 160.103), Provider/Subcontractor shall assist Company and/or HFS in responding to the client as provided in the HIPAA Privacy Rule, and shall maintain for a period of six (6) years any records relevant to an individual's eligibility for services under the HFS Medical Program. [ICP Contract § 9.1.21; FHP-ACA Contract § 9.1.21; MLTSS Contract § 9.1.21]

d. Provider/Subcontractor, to which Company provides Enrollee PHI that Company has received from HFS or created or received by Company on behalf of HFS, agrees to the same restrictions, conditions, and requirements that apply under the terms of the State Contracts to Company with respect to such information. [ICP Contract, Attachment VI § C.5; FHP-ACA Contract, Attachment VI § C.5; MLTSS Contract, Attachment VI §§ B.4, B.5]

19. Medical Records. With respect to Enrollee medical records:

a. In addition to the requirements set forth in the Agreement, Provider/Subcontractor shall maintain Enrollee medical records in a timely, legible, accurate, current, complete, and organized manner, with appropriate dates and identification and initialing/signature of the Provider/Subcontractor, to facilitate retrieval and compilation of records, to ensure Enrollee continuity of care, and to permit effective and confidential patient care and quality review. For each encounter or episode of care that Provider/Subcontractor has with an Enrollee, Provider/Subcontractor shall place the following information into the Enrollee's medical records: (1) the reason for the encounter; (2) evidence of the Provider/Subcontractor's assessment of the Enrollee's health problems; (3) current diagnosis of the Enrollee, including the results of any diagnostic tests; (4) the plan of treatment, including any therapies and health education; (5) any medical history relevant to the current episode of care; and (6) confirmation that all outcomes of ancillary reports, such as laboratory tests and x-rays, have been reviewed by the individual or entity who ordered the reports and that follow-up actions have been taken regarding report results that are deemed significant by the individual or entity who ordered those reports. [77 Ill. Admin. Code §§ 240.50(c)(1), 240.90(a)–(b); ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3; MLTSS Contract § 5.22.3]

b. Provider/Subcontractor shall ensure that Enrollee medical records contain documented efforts to obtain Enrollee consent when required by law. Provider/Subcontractor shall furthermore only release Enrollee medical records to Authorized Persons, or to any primary care provider (PCP), women's health care provider (WHCP), or other Provider of Enrollee (subject to Enrollee's consent when required by law), and shall only release original Enrollee medical records in accordance with federal or State law, court orders, subpoenas, or a valid records-release form executed by the Enrollee. Provider/Subcontractor shall protect the confidentiality and privacy of minors, and shall abide by all federal and State laws regarding the confidentiality and disclosure of medical records, mental health records, and any other information about Enrollees. Provider/Subcontractor shall produce Enrollee medical records to HFS upon request. [ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3; MLTSS Contract § 5.22.3]

c. If Provider/Subcontractor is an Enrollee's primary care provider (PCP), Provider/Subcontractor shall furthermore maintain a permanent medical record for that Enrollee to ensure continuity of care. The medical record for each Enrollee who has had a routine, scheduled appointment with his/her primary care provider (PCP) shall include the following information: (1) identification; (2) patient history; (3) known past surgical procedures; (4) known past and current diagnoses and problems;

and (5) known allergies and untoward reactions to drugs. [77 Ill. Admin. Code § 240.90(c); ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

d. If Enrollee changes PCPs or "medical homes," Provider/Subcontractor shall forward Enrollee's medical records or copies thereof to the new PCP or "medical home" promptly upon Enrollee's transfer. [ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

e. Provider/Subcontractor shall only record diagnosis codes in Enrollee's medical records at the time of creation of that medical record, and shall not retroactively adjust any such diagnosis codes except to correct errors. [ICP Contract § 7.4.1; FHP-ACA Contract § 7.4.1]

20. Use of Hospitalists. Neither Company nor Provider/Subcontractor shall require or otherwise mandate, whether by contract, written policy, or procedure, any Enrollee to substitute his or her participating primary care provider (PCP) during inpatient hospitalization, such as with a hospitalist physician, without the agreement of that Enrollee's participating primary care provider (PCP). Company and Provider/Subcontractor (if applicable) shall inform Enrollees of any policies, recommendations, or guidelines concerning the substitution of the Enrollee's primary care provider (PCP) when hospitalization is necessary in the manner set forth in 215 ILCS 5/15(d)–(e). [215 ILCS 134/30(c)]

21. Provider Enrollment, Credentialing, Licensure, and Privileges.

a. Provider/Subcontractor shall be enrolled as a provider in the HFS Medical Program (as defined below), if such enrollment is required by HFS's rules or policy in order to submit claims for reimbursement or otherwise participate in the HFS Medical Program. Provider/Subcontractor shall not, in turn, contract or subcontract with an individual or entity that has voluntarily withdrawn from the HFS Medical Program as the result of a settlement agreement. For purposes of this provision, the term "HFS Medical Program" means the (i) Illinois Medical Assistance Program administered under Article V of the Illinois Public Aid Code (305 ILCS 5/5-1 *et seq.*) or its successor program, and Titles XIX (42 U.S.C. § 1396 *et seq.*) and XXI (42 U.S.C. § 1397aa *et seq.*) of the Social Security Act, and Section 12-4.35 of the Illinois Public Aid Code (305 ILCS 5/12-4.35); and (ii) the State Children's Health Insurance Program administered under 215 ILCS 106 and Title XXI of the Social Security Act (42 U.S.C. § 1397aa *et seq.*). [ICP Contract §§ 1.71, 5.28.4; FHP-ACA Contract §§ 1.75, 5.28.4; MLTSS Contract §§ 1.74, 5.27.4]

b. Provider shall comply with all credentialing and recredentialing policies and procedures that Company implements to verify Provider's credentials, including without limitation by completing a credentialing application in accordance with applicable policies and procedures. Furthermore, Provider shall comply with all applicable credentialing/recredentialing standards and requirements set forth in the State Contracts and in applicable federal and State laws, regulations, and written policies. [ICP Contract § 5.7.1, Attachment XI ¶ 8; FHP-ACA Contract § 5.8.1, Attachment XI ¶ 8; MLTSS Contract § 5.7.1, Attachment XI ¶ 8]

c. If Provider/Subcontractor operates a laboratory testing site that provides services to Enrollees, (i) that site shall possess a valid Clinical Laboratory Improvement Amendment (CLIA) certificate and comply with the CLIA regulations found at 42 C.F.R. Part 493, and (ii) Provider/Subcontractor shall report lab values to Company directly. [ICP Contract §§ 5.19.2, 5.28.9.4; FHP-ACA Contract §§ 5.19.2, 5.28.9.4]

d. If Provider is a physician, such physician Provider shall have and maintain admitting privileges and, as appropriate, delivery privileges at a hospital that is also a participating Provider with Company; or, in lieu of these admitting and/or delivery privileges, such physician Provider shall have a written referral agreement with a separate physician who is a participating Provider with Company and who has such privileges at a hospital that is also a participating Provider with Company. Such physician Provider shall coordinate care with the referring physician and shall ensure that Enrollee medical records are appropriately transferred; the physicians' written referral agreement shall contain appropriate provisions that document and require such coordination of care and transfer of medical records. [ICP Contract § 5.28.1.2; FHP-ACA Contract § 5.28.1.2; MLTSS Contract § 5.27.1.2]

e. If Provider/Subcontractor provides long-term care and HCBS services under the Agreement, Provider/Subcontractor shall be approved and authorized by the State to provide such Covered

Services, and shall only provide to Enrollees those particular Covered Services for which they are approved and authorized. [FHP-ACA Contract § 5.8.5; MLTSS Contract § 5.7.5]

22. Disclosure of Ownership and Control; Prohibited Relationships; Background Checks.

a. Consistent with federal disclosure requirements described in 42 C.F.R. § 455.100 through 42 C.F.R. § 455.106 and 42 C.F.R. § 438.610, and to ensure that Company does not make a payment to an individual or entity that has been criminally convicted of a felony, is debarred, suspended, or otherwise excluded from participating in federal health care programs, or is excluded from participating in procurement activities under the Federal Acquisition Regulation, or from participating in non-procurement activities under regulations issued under Executive Order No. 12549 or under guidelines implementing Executive Order No. 12549, Provider/Subcontractor shall disclose to Company: any required ownership and control, relationship, and financial interest information; any changes to ownership and control, relationship, and financial interest information; and information on any criminal convictions regarding Provider/Subcontractor and any owner(s) and managing employee(s) at the time the Agreement is executed and annually thereafter, and any time there are changes to such information. [ICP Contract § 9.2.34; FHP-ACA Contract § 9.2.34; MLTSS Contract § 9.2.34]

b. No Provider/Subcontractor, no individual who has a direct or indirect ownership or controlling interest of 5% or more of that Provider/Subcontractor, and no officer, director, agent, or managing employee (*i.e.*, general manager, business manager, administrator, director, or like individual who exercises operational or managerial control over that Provider/Subcontractor or who directly or indirectly conducts the day-to-day operation of that Provider/Subcontractor) shall be an entity or individual: (1) who has been convicted of any offense under Section 1128(a) of the Social Security Act (42 U.S.C. § 1320a-7(a)) or of any offense related to fraud or obstruction of an investigation or a controlled substance described in Section 1128(b)(1)–(3) of the Social Security Act (42 U.S.C. § 1320a-7(b)(1)–(3)); (2) against whom a civil monetary penalty has been assessed under Section 1128A or 1129 of the Social Security Act (42 U.S.C. §1320a-7a; 42 U.S.C. §1320a-8); or (3) who has been excluded from participation in a program under Title XVII, 1902(a)(39) and (41) of the Social Security Act, Section 4724 of the Balanced Budget Act or under a State health care program. [ICP Contract § 9.2.34; FHP-ACA Contract § 9.2.34; MLTSS Contract § 9.2.34]

c. Provider/Subcontractor shall not be an Excluded Person (as that term is defined below), and shall not employ, subcontract with, or affiliate with an Excluded Person. The term "Excluded Person" means any individual or entity that (i) under Section 1128 of the Social Security Act, is or has been terminated, barred, suspended, or otherwise excluded from participation in, or as the result of a settlement agreement has voluntarily withdrawn from participation in, any program under federal law, including any program under Titles IV, XVIII, XIX, XX or XXI of the Social Security Act; (ii) has not been reinstated in the program after a period of exclusion, suspension, debarment, or ineligibility; or (iii) has been convicted of a criminal offense related to the provision of items or services to a federal, state, or local government entity within the last ten (10) years. Provider/Subcontractor acknowledges and agrees that under the State Contracts, Company must terminate its relationship with Provider/Subcontractor immediately upon learning that such Provider/Subcontractor meets the definition of an Excluded Person, and must notify the HFS OIG of the termination. [ICP Contract §§ 5.22, 9.1.32; FHP-ACA Contract §§ 5.22, 9.1.32; MLTSS Contract §§ 5.21, 9.1.32]

d. Provider/Subcontractor acknowledges and agrees that prior to entering into the Agreement, Company may be required to submit a disclosure statement to HFS identifying any agreements, Providers, and/or Subcontractors in which any of the following have a financial interest of five percent (5%) or more: (a) any individual or entity also having a financial interest of five percent (5%) or more in Company or Company's affiliates as defined by 42 C.F.R. § 455.101; (b) any director, officer, trustee, partner, or employee of Company or Company's Affiliates; and (c) any member of the immediate family of any individual or entity designated above. [ICP Contract § 5.28.12; FHP-ACA Contract § 5.28.12; MLTSS Contract § 5.27.12]

e. Provider/Subcontractor acknowledges and agrees that the State may conduct, at the State's expense and whenever the State deems it reasonably necessary for security reasons, criminal and driver history background checks of Provider/Subcontractor and its officers, employees, or agents, and furthermore acknowledges and agrees that Provider/Subcontractor shall immediately reassign any such

individual who, in the opinion of the State, does not pass the background checks. [ICP Contract § 9.1.13; FHP-ACA Contract § 9.1.13; MLTSS Contract § 9.1.13]

23. Fraud, Abuse and Misconduct. Provider/Subcontractor shall report immediately in writing to Company and to the HFS OIG any suspected fraud, abuse, or misconduct associated with any service or function provided for under the Agreement and/or the State Contracts by any parties directly or indirectly affiliated with the Agreement and/or the State Contracts, including without limitation Company and Company's staff, Provider/Subcontractor and its employees and subcontractors, and HFS employees or contractors. Provider/Subcontractor shall make this report to Company and to the HFS OIG within three (3) days after first suspecting fraud, abuse, or misconduct. Provider/Subcontractor shall not conduct any investigation of the suspected fraud, abuse, or misconduct without the express concurrence of the HFS OIG; the foregoing notwithstanding, Provider/Subcontractor may conduct and continue investigations necessary to determine whether reporting is required under this provision. Provider/Subcontractor must report the results of such an investigation to the HFS OIG as described above. Provider/Subcontractor shall cooperate with all investigations of suspected fraud, abuse, or misconduct reported pursuant to this provision. Nothing in this provision precludes Company or Provider/Subcontractor from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, from conducting themselves in accordance with their respective legal or contractual obligations, or from taking internal personnel-related actions. [ICP Contract §§ 5.31.1, 9.1.29; FHP-ACA Contract §§ 5.31.1, 9.1.29; MLTSS Contract §§ 5.30.1, 9.1.29]

24. Business Enterprise Program (BEP) Registration. In the event that Provider/Subcontractor is a minority-owned business, a female-owned business, or a business owned by persons with disabilities, then Provider/Subcontractor shall seek and obtain State certification as a Business Enterprise Program (BEP) vendor under the Business Enterprise Program Act for Minorities, Females and Persons with Disabilities. Provider/Subcontractor shall furthermore cooperate with Company with respect to Company's obligations under the State Contract related to the Business Enterprise Program (BEP) and shall, among other things, maintain a record of all relevant data with respect to the utilization of BEP-certified individuals and entities, including, but not limited to, payroll records, invoices, canceled checks, and books of account, for a period of at least five (5) years after the completion of the Agreement. [ICP Contract §§ 2.9.2, 7.16.2; FHP-ACA Contract §§ 2.9.2, 7.16.2; MLTSS Contract §§ 2.9.2, 7.16.2]

25. Marketing Activities. Provider/Subcontractor shall not engage in any inappropriate or unallowable marketing activities and practices as set forth in the State Contracts and 42 C.F.R. § 438.104, and shall submit to Company for its review any marketing or information materials of Provider/Subcontractor that relate to the State Contracts, prior to disseminating same. Provider/Subcontractor furthermore shall not induce any employees of the State to improperly reveal any confidential information regarding Enrollees or otherwise use such confidential information in a fraudulent manner. [ICP Contract § 4.16.3; FHP-ACA Contract § 4.16.3; MLTSS Contract § 4.16.3]

26. Compliance with Laws, the State Contracts, and Company Policies and Procedures.

a. Provider/Subcontractor shall perform all services and other duties under the Agreement in accordance and compliance with, and subject to, all applicable federal, State, and local laws, rules, ordinances, regulations, orders, federal circulars, and license and permit requirements in the performance of the Agreement, including without limitation, the Managed Care Reform and Patient Rights Act (215 ILCS 134/ 1 *et seq.*), the federal Balanced Budget Act of 1997 (Public Law 105-33), and regulations promulgated by the Illinois Department of Financial and Professional Regulation, the Illinois Department of Public Health, and/or federal CMS. Company shall be in compliance with applicable tax requirements and shall be current in payment of such taxes. Company shall obtain at its own expense all licenses and permissions necessary for the performance of the Agreement. [ICP Contract §§ 2.2, 2.5, 9.1.12; FHP-ACA Contract §§ 2.2, 2.5, 9.1.12; MLTSS Contract §§ 2.2, 2.5, 9.1.12]

b. Provider/Subcontractor shall be bound by the terms and conditions of the State Contracts that are appropriate to the services provided by, or activities delegated to, Provider/Subcontractor in connection with the State Contracts. These terms and conditions include, without limitation, the record-keeping and audit provisions of the State Contracts, such that the Authorized Persons shall have the same rights to audit and inspect Provider/Subcontractor (and any downstream providers or subcontractors thereof) as they have to audit and inspect Company. [ICP Contract § 5.28.1.1; FHP-ACA Contract § 5.28.1.1; MLTSS Contract § 5.27.1.1]

c. Provider/Subcontractor shall comply with the prior-authorization requirements and processes set forth in Company's policies and procedures. [ICP Contract §§ 5.16.5, 5.16.6; FHP-ACA Contract § 5.16.5, 5.16.6; MLTSS Contract §§ 5.15.5, 5.15.6]

d. Provider/Subcontractor shall comply with all utilization-management and peer-review programs, processes, and timeframes established by Company. [ICP Contract, Attachment XII ¶ 4; FHP-ACA Contract, Attachment XII ¶ 4; MLTSS Contract, Attachment XII ¶ 4]

27. State Employee Handbook. If Provider/Subcontractor or any of its employees and subcontractors provide services under the Agreement at a location controlled by HFS or any other State agency, Provider/Subcontractor shall abide by all applicable provisions of the controlling State agency's Employee Handbook. [ICP Contract § 9.1.27; FHP-ACA Contract § 9.1.27; MLTSS Contract § 9.1.27]

28. Prohibition on Gifts. Provider/Subcontractor and its principals, employees, and subcontractors are prohibited from giving gifts to HFS employees, and from giving gifts to, or accepting gifts from, any individual or entity that has a contemporaneous contract with HFS involving duties or obligations related to the Agreement and/or the State Contracts. [ICP Contract § 9.1.30; FHP-ACA Contract § 9.1.30; MLTSS Contract § 9.1.30]

29. No Transfer of Liability to Providers. Neither Company nor Subcontractor shall transfer or attempt to transfer to any health care provider, by indemnification, hold harmless, or contribution requirements that are set forth in any contract, written policy, or procedure, any liability relating to activities, actions, or omissions of Company and/or Subcontractor or their respective officers, employees, or agents; provided, however that nothing in this provision shall relieve any health care provider from liability for his, her, or its own negligence in the performance of his, her, or its duties arising from treatment of an Enrollee. [215 ILCS 134/95]

30. Capitated Contracts. If Company compensates Provider/Subcontractor under the Agreement on a capitated basis for furnishing, arranging, or providing health care services:

a. Provider/Subcontractor agrees that in no event, including but not limited to nonpayment by Company of amounts due to Provider/Subcontractor under the Agreement, insolvency of Company, or any breach of the Agreement by Company, shall Provider/Subcontractor or its assignees or subcontractors have a right to or seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against, the Enrollee or persons acting on the Enrollee's behalf (other than Company) for services provided pursuant to the Agreement, except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Enrollees and persons acting on the Enrollees' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider/Subcontractor and the Enrollee or persons acting on the Enrollee's behalf (other than Company). [50 Ill. Admin. Code § 5241.50(e)]

b. Provider/Subcontractor shall submit timely encounter data/records for all Covered Services that it has provided to Enrollees, in the format specified by the State, so that Company can meet the encounter-reporting specifications and requirements set forth in the State Contracts. Provider/Subcontractor shall be responsible for transmitting all data to Company as required by 42 C.F.R. § 438. [ICP Contract § 7.11.3; FHP-ACA Contract §§ 5.6.6, 7.11.3; MLTSS Contract §§ 5.5.6, 7.11.3]

c. If Provider/Subcontractor is a "Managed Care Organization" as that term is defined in 50 Ill. Admin. Code § 5241.20, Provider/Subcontractor shall submit to Company copies of Provider/Subcontractor's quarterly financial statements, which shall include Provider/Subcontractor's balance sheet and statements of income and cash flow within forty-five (45) days after the end of each fiscal period. In addition, Provider/Subcontractor shall submit, within ninety (90) days after the end of Provider/Subcontractor's fiscal year, copies of Provider/Subcontractor's audited annual financial statements prepared in accordance with generally accepted accounting principles, if available. Provider/Subcontractor acknowledges and agrees that HFS, at its discretion, may require Company to submit for HFS's inspection the financial statements that Company has received from Provider/Subcontractor (which such financial statements shall be deemed confidential by HFS). Provider/Subcontractor agrees to fully cooperate with, and disclose all relevant information requested by, Company's actuaries for the preparation of such actuaries' opinion in accordance with the Actuarial

Standards Board Actuarial Standards of Practice No. 16. Company acknowledges that in the event of Provider/Subcontractor's insolvency, Company is secondarily liable as the ultimate risk bearer for unpaid health care services rendered to Company's Enrollees. [50 Ill. Admin Code §5241.50(d)] For purposes of this provision, "Managed Care Organization" or "MCO" means a partnership, association, corporation, or other legal entity, including but not limited to individual practice associations (IPAs) and physician hospital organizations (PHOs), that delivers or arranges for the delivery of health care services through providers it has contracted with or otherwise made arrangements with to furnish those health care services. [50 Ill. Admin. Code § 5241.20]

31. Required Certifications of Provider/Subcontractor. Provider/Subcontractor acknowledges and agrees that its compliance with Section 9.2 of each of the State Contracts and each subsection of Section 9.2 (collectively, the "Standard Certifications") is a material requirement and condition of this Agreement during the entire term thereof, including during any renewal periods. By executing the Agreement, Provider/Subcontractor certifies compliance with the Standard Certifications in their entirety, and Provider/Subcontractor is under a continuing obligation to remain in compliance with, and to report any non-compliance with respect to, the Standard Certifications. Furthermore, Provider/Subcontractor shall include the Standard Certifications in any subcontracts or other contracts with its downstream entities or related entities that Provider/Subcontractor enters into in connection with the State Contracts. During the term of the State Contracts, Provider/Subcontractor shall confirm compliance with the Standard Certifications in the manner and format determined by the State by the date specified by the State, and in no event later than July 1 of each year that the State Contracts remains in effect. As part of each Standard Certification, Provider/Subcontractor acknowledges and agrees that if Provider/Subcontractor or its subcontractors, downstream entities, or related entities provide false information, or fail to be or remain in compliance with the Standard Certifications, one or more of the following sanctions will apply: (a) the Agreement may be void by operation of law; (b) the State may void the Agreement; and (c) Provider/Subcontractor and its subcontractors, downstream entities, or related entities may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. [ICP Contract § 9.2.1; FHP-ACA Contract § 9.2.1; MLTSS Contract § 9.2.1]

The Standard Certifications are set forth below:

b. Provider/Subcontractor certifies it and its employees will comply with applicable provisions of the United States Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101, *et seq.*), and applicable rules in the performance of this Agreement. [ICP Contract § 9.2.2; FHP-ACA Contract § 9.2.2; MLTSS Contract § 9.2.2]

c. Provider/Subcontractor certifies, if applicable, that it is not in default on an educational loan (5 ILCS 385/3). This applies to individuals, sole proprietorships, partnerships, and individuals as members of LLCs. [ICP Contract § 9.2.3; FHP-ACA Contract § 9.2.3; MLTSS Contract § 9.2.3]

d. Provider/Subcontractor (if an individual, sole proprietor, partner, or an individual as member of an LLC) certifies, if applicable, that it has not received (i) an early retirement incentive prior to 1993 under Section 14-108.3 or 16-133.3 of the Illinois Pension Code, 40 ILCS 5/14-108.3 and 40 ILCS 5/16-133.3, or (ii) an early retirement incentive on or after 2002 under Section 14-108.3 or 16-133.3 of the Illinois Pension Code, 40 ILCS 5/14-108.3 and 40 ILCS 5/16-133 (30 ILCS 105/15a). [ICP Contract § 9.2.4; FHP-ACA Contract § 9.2.4; MLTSS Contract § 9.2.4]

e. Provider/Subcontractor certifies, if applicable, that it is a properly formed and existing legal entity (30 ILCS 500/1.15.80, 20-43), and as applicable has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State. [ICP Contract § 9.2.5; FHP-ACA Contract § 9.2.5; MLTSS Contract § 9.2.5]

f. Provider/Subcontractor certifies that it has neither been convicted of bribing or attempting to bribe an officer or employee of the State or any other state, nor made an admission of guilt of such conduct that is a matter of record (30 ILCS 500/50-5). [ICP Contract § 9.2.7; FHP-ACA Contract § 9.2.7; MLTSS Contract § 9.2.7]

g. If Provider/Subcontractor has been convicted of a felony, Provider/Subcontractor certifies at least five (5) years have passed after the date of completion of the sentence for such felony, unless no person held responsible by a prosecutor's office for the facts upon which the conviction was based

continues to have any involvement with the business (30 ILCS 500/50-10). [ICP Contract § 9.2.8; FHP-ACA Contract § 9.2.8; MLTSS Contract § 9.2.8]

h. If Provider/Subcontractor, or any officer, director, partner, or other managerial agent of Provider/Subcontractor, has been convicted of a felony under the Sarbanes-Oxley Act of 2002, or a Class 3 or Class 2 felony under the Illinois Securities Law of 1953, Provider/Subcontractor certifies that at least five (5) years have passed since the date of the conviction. Provider/Subcontractor further certifies that it is not barred from being awarded a contract and acknowledges that the State shall declare the Agreement void if this certification is false (30 ILCS 500/50-10.5). [ICP Contract § 9.2.9; FHP-ACA Contract § 9.2.9; MLTSS Contract § 9.2.9]

i. Provider/Subcontractor certifies that it is not barred from having a contract with the State based on violating the prohibition on providing assistance to the State in identifying a need for a contract (except as part of a public request for information process) or by reviewing, drafting, or preparing a solicitation or similar documents for the State (30 ILCS 500/50-10.5e). [ICP Contract § 9.2.10; FHP-ACA Contract § 9.2.10; MLTSS Contract § 9.2.10]

j. Provider/Subcontractor certifies that it and its affiliates are not delinquent in the payment of any debt to the State (or if delinquent has entered into a deferred payment plan to pay the debt), and Provider/Subcontractor and its affiliates acknowledge that the State may declare the Agreement void if this certification is false (30 ILCS 500/50-11) or if Provider/Subcontractor or an affiliate later becomes delinquent and has not entered into a deferred payment plan to pay off the debt (30 ILCS 500/50-60). [ICP Contract § 9.2.11; FHP-ACA Contract § 9.2.11; MLTSS Contract § 9.2.11]

k. Provider/Subcontractor certifies that it and its affiliates shall collect and remit Illinois Use Tax on all sales of tangible personal property into the State in accordance with provisions of the Illinois Use Tax Act (30 ILCS 500/50-12) and acknowledges that failure to comply can result in the Agreement being declared void. [ICP Contract § 9.2.12; FHP-ACA Contract § 9.2.12; MLTSS Contract § 9.2.12]

l. Provider/Subcontractor certifies that it has not been found by a court or the Pollution Control Board to have committed a willful or knowing violation of the Environmental Protection Act within the last five (5) years, and is therefore not barred from being awarded a contract (30 ILCS 500/50-14). [ICP Contract § 9.2.13; FHP-ACA Contract § 9.2.13; MLTSS Contract § 9.2.13]

m. Provider/Subcontractor certifies that it has not paid any money or valuable thing to induce any person to refrain from bidding on a State contract, nor has Provider/Subcontractor accepted any money or other valuable thing, or acted upon the promise of same, for not bidding on a State contract (30 ILCS 500/50-25). [ICP Contract § 9.2.14; FHP-ACA Contract § 9.2.14; MLTSS Contract § 9.2.14]

n. Provider/Subcontractor certifies that it is not in violation of the "Revolving Door" section of the Illinois Procurement Code (30 ILCS 500/50-30). [ICP Contract § 9.2.15; FHP-ACA Contract § 9.2.15; MLTSS Contract § 9.2.15]

o. Provider/Subcontractor certifies that it has not retained a person to attempt to influence the outcome of a procurement decision for compensation contingent in whole or in part upon the decision or procurement (30 ILCS 500/50-38). [ICP Contract § 9.2.16; FHP-ACA Contract § 9.2.16; MLTSS Contract § 9.2.16]

p. Provider/Subcontractor certifies that it will report to the Illinois Attorney General and the Chief Procurement Officer any suspected collusion or other anti-competitive practice among any bidders, offerors, contractors, proposers, or employees of the State (30 ILCS 500/50-40, 50-45, 50-50). [ICP Contract § 9.2.17; FHP-ACA Contract § 9.2.17; MLTSS Contract § 9.2.17]

q. In accordance with the Steel Products Procurement Act, Provider/Subcontractor certifies that steel products used or supplied in the performance of a contract for public works shall be manufactured or produced in the United States, unless the executive head of the procuring agency grants an exception (30 ILCS 565). [ICP Contract § 9.2.18; FHP-ACA Contract § 9.2.18; MLTSS Contract § 9.2.18]

r. If Provider/Subcontractor employs twenty-five (25) or more employees, Provider/Subcontractor certifies that it will provide a drug free workplace pursuant to the Drug Free Workplace Act (30 ILCS 580). [ICP Contract § 9.2.19; FHP-ACA Contract § 9.2.19; MLTSS Contract § 9.2.19]

s. Provider/Subcontractor certifies that neither Provider/Subcontractor nor any substantially owned affiliate of Provider/Subcontractor is participating or shall participate in an international boycott in violation of the U.S. Export Administration Act of 1979 or the applicable regulations of the U.S. Department of Commerce (30 ILCS 582). [ICP Contract § 9.2.20; FHP-ACA Contract § 9.2.20; MLTSS Contract § 9.2.20]

t. Provider/Subcontractor certifies that it has not been convicted of the offense of bid rigging or bid rotating or any similar offense of any state or of the United States (720 ILCS 5/33E-3, E-4). [ICP Contract § 9.2.21; FHP-ACA Contract § 9.2.21; MLTSS Contract § 9.2.21]

u. Provider/Subcontractor certifies that it complies with the Illinois Department of Human Rights Act and rules applicable to public contracts, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (775 ILCS 5/2-105). [ICP Contract § 9.2.22; FHP-ACA Contract § 9.2.22; MLTSS Contract § 9.2.22]

v. Provider/Subcontractor certifies that it does not pay dues to or reimburse or subsidize payments by its employees for any dues or fees to any "discriminatory club" (775 ILCS 25/2). [ICP Contract § 9.2.23; FHP-ACA Contract § 9.2.23; MLTSS Contract § 9.2.23]

w. Provider/Subcontractor certifies that it complies with the State Prohibition of Goods from Forced Labor Act, and certifies that no foreign-made equipment, materials, or supplies furnished to the State under the Agreement have been or will be produced in whole or in part by forced labor, or indentured labor under penal sanction (30 ILCS 583). [ICP Contract § 9.2.24; FHP-ACA Contract § 9.2.24; MLTSS Contract § 9.2.24]

x. Provider/Subcontractor certifies that no foreign-made equipment, materials, or supplies furnished to the State under the Agreement have been produced in whole or in part by the labor or any child under the age of twelve (30 ILCS 584). [ICP Contract § 9.2.25; FHP-ACA Contract § 9.2.25; MLTSS Contract § 9.2.25]

y. Provider/Subcontractor certifies that it is not in violation of Section 50-14.5 of the Illinois Procurement Code (30 ILCS 500/50-14.5), which states: "Owners of residential buildings who have committed a willful or knowing violation of the Lead Poisoning Prevention Act (410 ILCS 45) are prohibited from doing business with the State until the violation is mitigated." [ICP Contract § 9.2.26; FHP-ACA Contract § 9.2.26; MLTSS Contract § 9.2.26]

z. Provider/Subcontractor warrants and certifies that it and, to the best of its knowledge, its subcontractors, downstream entities, or related entities, have and will comply with Executive Order No. 1 (2007). That Order generally prohibits contractors and subcontractors from hiring the then-serving Illinois Governor's family members to lobby procurement activities of the State, or any other unit of government in the State including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity. [ICP Contract § 9.2.27; FHP-ACA Contract § 9.2.27; MLTSS Contract § 9.2.27]

aa. Provider/Subcontractor certifies that information technology, including electronic information, software, systems, and equipment developed or provided under the Agreement will comply with the applicable requirements of the Illinois Information Technology Accessibility Act Standards as published at www.dhs.state.il.us/iitaa (30 ILCS 587). [ICP Contract § 9.2.28; FHP-ACA Contract § 9.2.28; MLTSS Contract § 9.2.28]

bb. Provider/Subcontractor certifies that it is not currently barred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or State department or agency, and is not currently barred or suspended from contracting with the State

under Section 50-35(f), 50-35(g) or 50-65 of the Illinois Procurement Code, 30 ILCS 500/1-1 *et seq.* If at any time during the term of the Agreement, Provider/Subcontractor becomes barred, suspended, or excluded from participation in this transaction, Provider/Subcontractor shall, within thirty (30) days after becoming barred, suspended, or excluded, provide to HFS a written description of each offense causing the exclusion, the date(s) of the offense(s), the action(s) causing the offense(s), any penalty assessed or sentence imposed, and the date any penalty was paid or sentence completed. [ICP Contract § 9.2.29; FHP-ACA Contract § 9.2.29; MLTSS Contract § 9.2.29]

cc. Provider/Subcontractor certifies that neither Provider/Subcontractor, nor any party directly or indirectly affiliated with Provider/Subcontractor, including but not limited to Provider/Subcontractor's officers, directors, employees, and subcontractors, and the officers, directors, and employees of Provider/Subcontractor's subcontractors, shall have or acquire any Conflict of Interest (as defined below) in performance of the Agreement. Provider/Subcontractor shall disclose in writing any Conflicts of Interest to HFS no later than seven (7) days after learning of the Conflict of Interest. HFS may initiate any inquiry as to the existence of a Conflict of Interest, and Provider/Subcontractor shall cooperate with all such inquiries. HFS shall determine, in its sole discretion, whether a Conflict of Interest exists or whether Provider/Subcontractor failed to make any required disclosure. If HFS concludes that a Conflict of Interest exists, or that Provider/Subcontractor failed to disclose any Conflict of Interest, HFS may impose one or more remedies in its sole discretion, including without limitation the elimination of the Conflict of Interest or the non-renewal or termination of the Agreement. [ICP Contract § 9.2.30; FHP-ACA Contract § 9.2.30; MLTSS Contract § 9.2.30]

i. For purposes of this provision, "Conflict of Interest" shall mean an interest of Provider/Subcontractor, or any entity described above, which may be direct or indirect, professional, personal, financial, or beneficial in nature that, in the sole discretion of HFS, compromises, appears to compromise, or gives the appearance of impropriety with regard to Provider/Subcontractor's duties and responsibilities under the Agreement. This term shall include potential Conflicts of Interest. A Conflict of Interest may exist even if no unethical or improper act results from it or may arise where Provider/Subcontractor becomes a party to any litigation, investigation, or transaction that materially impacts Provider/Subcontractor's ability to perform under the Agreement. Any situation where Provider/Subcontractor's role under the Agreement competes with Provider/Subcontractor's professional or personal role may give rise to an appearance of impropriety. Any conduct that would lead a reasonable individual, knowing all the circumstances, to a conclusion that bias may exist or that improper conduct may occur, or that gives the appearance of the existence of bias or improper conduct, is a Conflict of Interest. [ICP Contract § 9.2.30.1; FHP-ACA Contract § 9.2.30.1; MLTSS Contract § 9.2.30.1]

dd. Provider/Subcontractor certifies that it is in compliance with all applicable standards, orders, or regulations issued pursuant to the federal Clean Air Act (42 U.S.C. § 7401 *et seq.*) and the federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*). Violations shall be reported to the United States Department of Health and Human Services and the appropriate Regional Office of the United States Environmental Protection Agency. [ICP Contract § 9.2.31; FHP-ACA Contract § 9.2.31; MLTSS Contract § 9.2.31]

ee. Provider/Subcontractor certifies that, to the best of its knowledge and belief, no federally appropriated funds have been paid or will be paid by or on behalf of Provider/Subcontractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal loan or grant, or the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, Provider/Subcontractor shall complete and submit Standard Form LLL, "Disclosure Forms to Report Lobbying," in accordance with its instructions. Such form is to be obtained at Provider/Subcontractor's request from the HFS Bureau of Fiscal Operations. Provider/Subcontractor shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall

certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when the Agreement was executed. Submission of this certification is a prerequisite for making or entering into the transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. [ICP Contract § 9.2.32; FHP-ACA Contract § 9.2.32; MLTSS Contract § 9.2.32]

ff. Provider/Subcontractor certifies that it has read, understands, and is in compliance with the registration requirements of the Elections Code (10 ILCS 5/9-35) and the restrictions on making political contributions and related requirements of the Illinois Procurement Code (30 ILCS 500/20-160 and 50-37). Provider/Subcontractor will not make a political contribution that will violate these requirements, which are effective for the duration of the term of office of the incumbent State governor or for a period of two (2) years after the end of the Agreement's term, whichever is longer. Provider/Subcontractor will certify, as applicable, either that it is not required to register as a business entity with the State Board of Elections, or has registered with the State Board of Elections and will appropriately and timely update that registration. [ICP Contract § 9.2.33 & Attachment X; FHP-ACA Contract § 9.2.33 & Attachment X; MLTSS Contract § 9.2.33 & Attachment X]

Individual Sites Regulatory Addendum – Exhibit A

Florida Medicaid and Florida Healthy Kids Compliance Addendum - Subcontractor

Coventry Health Care of Florida, Inc., an Aetna Company (hereinafter "Company" or "Coventry") contracts with Florida Agency for Health Care Administration ("AHCA") and Florida Healthy Kids Corporation ("FHKC") (AHCA and FHKC are collectively referred to herein as "Agency") to provide Medicaid managed care and other public health services to beneficiaries (collectively referred to as the "State Contract").

This Florida Medicaid Compliance Addendum ("Addendum") is incorporated by reference into the Agreement. If there is any conflict between the terms of this Addendum and any other terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum will govern and control; provided, however, if there is any conflict between the terms of the Agreement, including this Addendum, and the State Contract, as amended, then the terms of the State Contract will govern and control.

For purposes of this Addendum, the term "Subcontractor" shall mean the individual or entity executing the Agreement, as identified on the first page of the Agreement, which may be a health care physician, provider, group, facility, hospital, an individual, entity or delegated entity.

This Addendum shall apply to services performed on behalf of Company's Florida Members. To the extent applicable to the services provided by Subcontractor pursuant to the Agreement, the following provisions apply:

I. Records. Subcontractor shall maintain books, records, and documents (including electronic storage media) pertinent to performance under the Agreement in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided under the Agreement. Subcontractor shall make these records subject at all reasonable times to inspection, review, or audit by state personnel and other personnel duly authorized by the Agency, as well as by federal personnel.

Subcontractor shall maintain records relating to the Agreement for a period not less than ten (10) years from the close of the State Contract and retained further if the records are under review or audit until the review or audit is complete. Prior approval for the disposition of records must be requested and approved by Company if the Agreement is continuous.

Subcontractor shall submit all reports and clinical information required by Company as applicable.

II. Compliance. Subcontractor shall comply with:

1. The privacy and security provisions of the Health Insurance Portability and Accountability Act, 45 CFR Parts 160 and 164.
2. Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d et seq., which prohibits discrimination on the basis of race, color, or national origin.
3. Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, which prohibits discrimination on the basis of handicap.
4. Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex.
5. The Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 et seq., which prohibits discrimination on the basis of age.
6. Section 654 of the Omnibus Budget Reconciliation Act of 1981, as amended, 42 U.S.C. 9849, which prohibits discrimination on the basis of race, creed, color, national origin, sex, handicap, political affiliation or beliefs.
7. The Americans with Disabilities Act of 1990, P.L. 101-336, which prohibits discrimination on the basis of disability and requires reasonable accommodation for persons with disabilities.
8. All regulations, guidelines, and standards as are now or may be lawfully adopted under the above statutes.
9. Section 274A(e) of the Immigration and Nationality Act and shall not knowingly employ unauthorized aliens. Subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new

employees hired by the subcontractor performing work or providing services pursuant to the Agreement. Violation of this section shall be cause for unilateral cancellation of this Agreement by Company.

10. The False Claims Act, 31 USC § 3729, and all relevant whistleblower protections.
11. All state and federal marketing requirements, including 42 CFR 438.104 and Florida Statutes §§ 409.912, 641.3901, 641.3903, 641.386, 626.112, 626.342, 626.451, 626.471, 626.511, 626.611, 626.9541, and 626.9521.
12. All state and federal law governing the monitoring, interception, recording, use or disclosure of wire, oral, or electronic communications, including but not limited to the Florida Security of Communications Act, §§ 934.01 et. seq., Florida Statutes, and the Electronic Communications Privacy Act, 18 USC § 2510 et seq. (collectively "Communication Privacy Laws"). Prior to intercepting, recording, or monitoring any communications which are subject to Communication Privacy Laws, Subcontractor shall submit a plan to Company, which shall submit it for approval by the Agency.
13. The applicable provisions of 42 CFR 438.230, 42 CFR 455.104, 42 CFR 455.105, and 42 CFR 455.106 as relate to sub contractual relationships and delegation, and disclosure of information on ownership, control, business transactions, and criminal convictions.

III. Oversight.

Company shall provide a mechanism for requiring corrective action, revoking delegation, or imposing other sanctions if Subcontractor's performance is inadequate.

The Agency and the U.S. Department of Health and Human Services may evaluate, through inspection of records pertinent to the State Contract or other means, the quality, appropriateness, and timeliness of services performed.

Subcontractor shall provide full cooperation in any investigation by the Agency, Medicaid Provider Integrity, Medicaid Fraud Control Unit, Department of Elder Affairs, or other state or federal entity or any subsequent legal action that may result from such an investigation.

Subcontractor shall be subject to background checks at such level and scope determined by Company.

Upon request and as required by state and/or federal law, Subcontractor shall make available to all authorized federal and state oversight agencies and their agents, including but not limited to, the Agency, the Florida Attorney General, and Department of Financial Services any and all administrative, financial and medical/case records and data relating to the delivery of items or services for which Medicaid monies are expended.

Subcontractor shall allow access to all authorized federal and state oversight agencies and their agents, including but not limited to, the Agency, the Florida Attorney General, and Department of Financial Services to any place of business and all medical/case records and data, as required by state and/or federal law. Access shall be during normal business hours, except under special circumstances when the Agency, Florida Attorney General, and Department of Financial Services shall have after hours admission. The Agency and Florida Attorney General shall determine the need for special circumstances.

Subcontractor shall be eligible for participation in the Medicaid program; however, Subcontractor is not required to participate in the Medicaid program as a provider.

Subcontractor may not seek payment from a Medicaid pending enrollee on behalf of Company.

Subcontractor shall participate in applicable internal and external quality improvement, utilization review, peer review, and grievance procedures established by Company.

IV. Amendment. If the Agency determines, at any time, that the Agreement is not in compliance with the Contract, Company may unilaterally amend the Agreement to bring it into compliance.

V. Termination. In addition to any other right to terminate in the Agreement or the State Contract, Company may request immediate termination of the Agreement, to the extent applicable to services provided by Subcontractor to Company under the State Contract, if Subcontractor fails to abide by the terms and conditions of the Agreement and

fails to come into compliance, in Company's discretion, with the Agreement within fifteen (15) calendar days after receipt of notice from Company of Subcontractor's failure to abide by the terms of the Agreement.

VI. Miscellaneous. Subcontractor shall not provide or assist in the completion of enrollment or disenrollment requests or restrict the enrollee's right to disenroll voluntarily in any way.

If Subcontractor is conducting credentialing, Subcontractor shall conduct credentialing of providers in accordance with Company's and the Agency's credentialing requirements as found in the State Contract.

Subcontractor shall comply with Company's cultural competency plan.

The individual signing the Agreement has authority to do so. The Agreement includes all of the requirements of the State Contract.

Subcontractor agrees that patients, AHCA, and Company shall not be held liable for any of Subcontractor's debts. This provision shall survive termination of the Agreement, including breach due to insolvency.

Subcontractor shall indemnify, defend, and hold the Agency, its designees and Company's enrollees harmless from and against all claims, damages, causes of action, costs or expenses, including court costs and reasonable attorney fees, to the extent proximately caused by any negligent act or other wrongful conduct arising from the Agreement. This clause shall survive termination of the Agreement, including breach due to insolvency. The Agency may waive this requirement for itself, but not Company's enrollees, for damages in excess of the statutory cap on damages for public entities, if Subcontractor is a state agency or subdivision as defined by s. 768.28, F.S., or a public health entity with statutory immunity. All such waivers must be approved in writing by the Agency.

Subcontractor shall secure and maintain, during the life of the Agreement, workers' compensation insurance for all of its employees connected with the work under this the Agreement unless such employees are covered by the protection afforded by Company. Such insurance shall comply with the Florida Workers' Compensation Law.

If Subcontractor delegates or subcontracts any functions of the Agreement, the subcontract or delegation shall include all of the requirements of the Agreement.

Provisions of this Agreement that are in conflict with the specifications of the State Contract are waived.

If Subcontractor will conduct utilization management activities, Company and Subcontractor shall ensure that the Agreement does not structure compensation so as to provide incentives for Subcontractor to deny, limit, or discontinue medically necessary services to any enrollee.

SKYGEN/Scion Dental Subcontractor Agreement

FIRST AMENDMENT TO THE
COVENTRY HEALTH CARE OF WEST VIRGINIA, INC.
LETTER OF AGREEMENT

THIS FIRST AMENDMENT is effective on or about June 1, 2018 ("Effective Date"), and is between Coventry Health Care of West Virginia, Inc. d/b/a Aetna Better Health of West Virginia, on behalf of itself and its Affiliates ("Company") and Scion Dental, LLC, as successor by conversion to Scion Dental, Inc. ("Provider") (the "First Amendment").

WHEREAS, Company and Provider entered into a Coventry Health Care Letter Of Agreement dated January 1, 2014 ("Agreement") for the provision of certain covered services contemplated in the Agreement; and

WHEREAS, Company and Provider desire to amend the Agreement as set forth in this First Amendment.

NOW, THEREFORE, in consideration of the mutual covenants and promises stated herein and in the Agreement, and other good and valuable consideration, Company and Provider agree as follows:

1. Article I Sections 1.1(a) and (b) of the Agreement are deleted in their entirety and replaced with the reports set forth on Exhibit A to this First Amendment.

2. Article I Sections 1.2(a)-(r) of the Agreement are deleted in their entirety and replaced with the delegated services set forth on Exhibit B to this First Amendment.

3. The following provision is added to the Agreement as Article II, Section 2.5:

   "Program Contract. Company shall provide to Provider the current Program Contract between the State of West Virginia Department of Health and Human Resources Bureau for Medical Services and Company. Company shall provide to Provider, with at least thirty (30) days prior written notice, any modification to such Program Contract that affects Provider's provision of Administrative Services under this Agreement."

4. Article III section 3.1 of the Agreement is hereby deleted in its entirety and replaced with the following: "As of the Effective Date, Company shall pay Provider in accordance with the terms and conditions of the Compensation Schedule attached as Exhibit C."

5. The following provision is added to the Agreement as Article III, Section 3.3:

   "Definition. For purposes of this Agreement, the terms set forth below shall have the following meanings:
   (a) Agency. "Agency" means a federal, state, or local agency, administration, board or other governing body with jurisdiction over the governance or administration of a Program, including but not limited to the West Virginia Bureau of Medical Services;

   (b) Program. "Program" means, as applicable, a State Medicaid Managed Care Program ("Medicaid"), a state or local Child Health Insurance Program ("CHIP"), a Medicare Advantage program ("Medicare"), a foster care program, a new program borne out of new government regulations, including but not limited to the Accountable Care Act's Health Care Exchanges, or any successor

program to any such Program, and such other federal, state or local program related to, or administered in conjunction with any such Program. Where applicable, "Program" may also refer to any non-governmental health care benefit plan for an individual or group of individuals; and

(c) Program Contract. "Program Contract" means an agreement between Company and Agency which governs the delivery of services, pursuant to a Program, to covered persons including, but not limited to, that certain Service Provider Agreement between the State of West Virginia Department of Health and Human Resources Bureau For Medical Services and Company."

6. The following provision is added to the Agreement as Article IV, Section 4.6:

"Comprehensive Agreement. The Parties shall negotiate in good faith and use all commercially reasonable efforts to duly execute and deliver a comprehensive agreement which shall include the West Virginia specific terms set forth in the Agreement and this First Amendment ("Comprehensive Agreement") by November 1, 2018. The Agreement, as amended by this First Amendment, will terminate concurrent with the effective date of the terms outlined in the Comprehensive Agreement."

7. Article IV section 4.1 of the Agreement is hereby deleted in its entirety and replaced with the following:

"Initial Term. The initial term of this Agreement is for twenty-five (25) months, beginning June 1, 2018 and ending June 30, 2020 ("the Initial Term")." Following the Initial Term, this agreement will renew for successive one year terms unless terminated by either party pursuant to the provisions set forth herein.

8. The following provision is added to the Agreement as Article VI, Section 6.13:

"Assignment. Neither Party may sell, assign, transfer, or otherwise convey any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other Party; provided, however, that either party may without the prior consent of the other Party assign all of its rights and obligations under this Agreement to: (a) its affiliate; (b) a purchaser of all or substantially all of its stock or assets; or (c) a third party participating in a merger or other corporate reorganization in which the assigning party is a constituent corporation. A written notice of such assignment shall be provided to the non-assigning Party. This Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. Under such assignment, the terms and conditions of this Agreement shall remain in full effect. Any attempted assignment of this Agreement not in accordance with this section shall be null and void."

9. The Compensation Schedule attached hereto as Exhibit C is incorporated into the Agreement.

10. The Regulatory Compliance Addendum attached hereto is incorporated into the Agreement.

11. All other terms and provisions of the Agreement not amended herein shall remain in full force and effect, without modification.

12. The Parties ratify and affirm the Agreement, and agree that it is in full force and effect as amended herein. In the event of any inconsistency between the terms of this First Amendment and the Agreement, the terms of this Amendment shall govern and control.

IN WITNESS WHEREOF, the Parties have caused this First Amendment to be signed by their duly authorized officers.

Exhibit B

EXHIBIT B-1
CLAIMS ADMINISTRATION SERVICES

A. Delegation. Company maintains full responsibility for all Claims Administration Services, except to the extent such services are specifically delegated to Provider in this section.

B. Delegated Responsibilities. Provider is specifically delegated the following Claims Administration activities for Administrative services:

1. Receive electronic information related to claims for Administrative services.
2. Adjudicate clean claims in accordance with benefit plan rules provided in advance by Company. The parties further acknowledge and agree that:

   a. Claims that do not meet the clean claims standard will be rejected;

   b. Provider may, in its discretion, review and adjudicate claims using automated processes to identify, among other things, potential overpayments and improper billing practices; and

   c. Unless done in coordination with the Program, Provider will not reprocess claims that were adjudicated in accordance with the terms of this Agreement. The foregoing notwithstanding, Provider may, in its discretion, agree to reprocess claims in response to such a request from Company or in its own discretion.
3. Provide notification of claims determinations to Participating Providers and Members, as applicable, in accordance with Regulatory Requirements.
4. Remit payments owed to Participating Providers, as applicable, via electronic funds transfer.
5. Generate and transmit remittance advices and explanation of benefits notices ("EOBs"), as applicable.
6. The claims payment standards outlined in this Agreement do not apply to claims about which there is substantial evidence of fraud or misrepresentation by a Participating Provider or Member, or instances where Provider has not been granted reasonable access to information under the Participating Provider's control. Additionally, Company and Provider are not required to comply with the Medicare or Medicaid terms and conditions of payment if the failure to comply is occasioned by any act of God, bankruptcy, act of a governmental authority responding to an act of God or other emergency, or the result of a strike, lockout, or other labor dispute.

C. Company Responsibilities. In addition to maintaining responsibility for those Claims Administration Services not specifically delegated to Provider, Company shall:

1. Require Participating Providers to submit all claims for Administrative services to Provider within the number of days required by Regulatory Requirements following the date Administrative services are rendered. Claims received after this specified time period will be denied for payment.
2. Provide benefit details to Provider on an annual basis (and as necessary if and when benefit details change) at least eight (8) weeks prior to the effective date of such benefit change.
3. Provide Provider with all reimbursement schedules (including revisions to reimbursement schedules) no less than thirty (30) days in advance of the date of service with respect to which they shall become effective.
4. Provide Member eligibility information to Provider in advance of the date for which it is effective. In addition to being delivered prior to the date for which it is effective, membership eligibility information shall be delivered in accordance with the following schedule: (1) a

"full" and complete file -- containing all membership eligibility information -- shall be delivered to Provider on a monthly basis; and (2) a "change" file -- containing additions, deletions, and/or changes to membership eligibility information -- shall be delivered to Provider on a daily basis.

5. Maintain responsibility to receive encounter rejection files and, to the extent it deems appropriate, research, revise, and resubmit such encounters to the State.
6. Communicate Administrative services to Members at least as often as: (a) upon enrollment; (b) once annually, thereafter; and (c) whenever Administrative services change.

EXHIBIT B-2
CONTACT CENTER

A. Delegation. Company maintains full responsibility for all Contact Center activities, except to the extent such activities are specifically delegated to Provider in this section.

B. Delegated Responsibilities. Provider is specifically delegated the following Contact Center activities:

1. Provide dedicated toll-free phone lines for Member inquiries provided on a "warm transfer" from Company and Participating Provider inquiries and a TDD/TTY line for the hearing impaired.
2. Staff Contact Center with trained personnel during traditional business hours of Monday through Friday 8:00 a.m. to 5:00 p.m. Eastern Time (with the exception of National holidays), and to the extent not covered therein, any dates and times mandated by Regulatory Requirements.
3. To the extent set forth in Regulatory Requirements, provide a mechanism for callers to leave a message when calling after-hours and on weekends.
4. Provide translation services to non-English speaking participants.
5. Service Member and Participating Provider inquiries in a professional and courteous manner.
6. Forward Member complaints to the appropriate delegated party if unable to resolve.
7. Forward Participating Provider complaints to the appropriate delegated party if unable to resolve.
8. Maintain all information and records created in connection with performing the delegated duties as necessary to comply with all Regulatory Requirements.

C. Company Responsibilities. In addition to maintaining responsibility for those Contact Center activities not specifically delegated to Provider, Company shall:

1. Advise Provider as soon as practicable regarding any circumstances that may increase the number of inquiries directed to or received by the Contact Center.
2. Service requests for updates to Member PHI.

EXHIBIT B-3
NETWORK DEVELOPMENT AND MAINTENANCE

A. Delegation. Company maintains full responsibility for all Network Development and Maintenance activities, except to the extent such activities are specifically delegated to Provider in this section.

B. Delegated Responsibilities. Provider is specifically delegated the following Network Development activities:

1. Assume responsibility for network development and maintenance including but not limited to recruiting, providing, maintaining and contracting with a network of Participating Providers that is sufficient to comply with Regulatory Requirements. Provider shall be solely responsible for the contracting of the Participating Provider Agreements and shall have sole discretion over the terms and conditions thereof, including all fee schedules, provided that such terms and conditions are in compliance with the Program Contract.
2. Create and maintain an electronic, on-line provider directory via its portal, website, or any other on-line option to be accessed by Company. Provider shall not be required to create, maintain or otherwise support a paper provider directory unless mandated by Regulatory Requirements.
3. Maintain an electronic, on-line provider manual via its portal, website, or any other on-line option with content provided by Company. Provider shall not be required to create, maintain or otherwise support a paper provider manual unless mandated by Regulatory Requirements.
4. Configure claims payment systems for individual Participating Providers and create and maintain reimbursement schedules for each Participating Provider in accordance with Regulatory Requirements.
5. Provider will electronically supply Participating Providers with educational materials, forms and training related to Participating Provider's role and function as mandated by the Program Contract. Provider shall not be required to provide hard copies of educational materials, forms and training unless mandated by the Program Contract.

C. Assignment of Responsibilities. Provider may subcontract with Provider Dental of West Virginia, LLC ("Provider West Virginia") a wholly-owned subsidiary of Provider, for the provision of certain services required of Provider in this Exhibit B-3.

D. Company Responsibilities. In addition to maintaining responsibility for those Network Development and Maintenance activities not specifically delegated to Provider, Company shall:

1. Provide Program specific content for provider manuals.

EXHIBIT B-4
CREDENTIALING SERVICES

A. Delegation. Company maintains full responsibility for all Credentialing activities, except to the extent such activities are specifically delegated to Provider in this section.

B. Delegated Responsibilities. Provider is specifically delegated the following Credentialing activities:

1. Application Verification. At the time a provider is initially credentialed, and when the provider is re-credentialed, Provider shall perform the following tasks:

   a. Secure all provider Credentialing file elements necessary to comply with Regulatory Requirements. The parties acknowledge and agree that Provider may proscribe the manner in which providers submit their credentialing information to Provider, including, but not limited to, proscribing the use of Provider's Credentialing Service.

   b. Primary source verification of all provider Credentialing file elements necessary to comply with Regulatory Requirements from the National Committee of Quality Assurance (NCQA) and/or CMS approved sources for state license verifications, DEA or CDS Certification verifications, education and training verifications, board certification verifications as applicable, malpractice claims history verifications, National Provider Identifier (NPI) number, and state license sanction verifications.

   c. Verify work history (5 years), hospital admitting privileges, and malpractice insurance coverage from NCQA and/or CMS approved sources.

   d. Review of Medicare/Medicaid sanction information for providers through review of the Office of Inspector General (OIG), System for Award Management (SAM) and all published state Medicaid exclusion lists prior to Credentialing and Re-credentialing committee decisions.

   e. Review sanction activity for all individuals named on Disclosure of Ownership (DOO) Forms against the OIG and SAM Exclusions lists.

   f. Maintain credentialing committee minutes that document the discussion and consideration of at least those providers who do not meet established clean file criteria, prior to approval/denial/termination decisions.

   g. Handle Credentialing and/or Re-credentialing decision appeals.

2. Ongoing monitoring. In addition to the foregoing credentialing and recredentialing obligations, Provider will perform the following:

   a. Ongoing monitoring of sanction activity for Participating Providers from state and federal agencies, including the OIG and SAM Exclusions lists, and all published state Medicaid exclusion lists.

   b. To the extent necessary to comply with Regulatory Requirements, ongoing monitoring of sanction activity for all individuals named on DOO Forms against the OIG and SAM Exclusions lists.

C. Company Responsibilities. In addition to maintaining responsibility for those Credentialing activities not specifically delegated to Provider, Company shall:

1. Final authority for approval, suspension, or termination of Participating Providers from participation.
2. Report all Participating Provider terminations as required to state Medicaid agencies.
3. Report practitioner additions to state Medicaid agencies.

EXHIBIT B-5
UTILIZATION MANAGEMENT

A. Delegation. Company maintains full responsibility for all Utilization Management ("UM") activities, except to the extent such activities are specifically delegated to Provider in this section.

B. Delegated Responsibilities. Provider is specifically delegated the following UM activities for Administrative services:

1. Develop clinical criteria to guide UM decisions. The development of clinical criteria shall be billed at the Professional Services rate set forth in Exhibit C.
2. Evaluate medical necessity for those Administrative services that require authorization. In doing so, the parties acknowledge and agree that:
    a. All medical necessity denial decisions will be made by a licensed dentist; and
    b. Provider may, in its sole discretion, use non-dentists to perform Level II reviews for approvals; and
    c. Provider may, in its sole discretion, utilize Post Service/Retrospective, and Pre Service Non-Urgent/Standard Determinations (approval or denial) of specific services.
3. Maintain policies ensuring compensation for Provider employees shall not include any financial incentive for denying Medically Necessary care.
4. Maintain policies describing Participating Provider's right to a peer to peer discussion regarding denial decisions. Peer to peer discussions do not obligate Provider to change a determination, and must take place with a licensed dentist employed by, or contracted with, Provider.
5. Develop communications regarding authorization decisions. The development of such communications shall be billed at the Professional Services rate set forth in Exhibit C.
6. Communicate Member specific authorization decisions to requesting Participating Provider and Member in accordance with Regulatory Requirements.
7. Continuity of care coordination for individual Members.
8. The parties acknowledge and agree that the foregoing UM activities do not include Enhanced Benefit Management services, which are not currently delegated to the Provider.

C. Company Responsibilities. In addition to maintaining responsibility for those UM activities not specifically delegated to Provider, Company shall:

Not applicable.

EXHIBIT B-6
MEMBER COMPLAINTS AND APPEALS

A. Delegation. Company maintains full responsibility for all Member Complaint and Appeal activities, except to the extent such activities are specifically delegated to Provider in this section.

B. Delegated Responsibilities – Member Complaints. Provider is specifically delegated the following Member Complaint activities for Administrative services:

1. Responsibility for Member Complaints
    a. Draft and mail all Member Complaint letters;
    b. Determine whether an extension is clinically needed;
    c. Research, review and determine Complaint outcomes; and
    d. To the extent the Complaint includes clinical language and/or documents, maintain availability of clinicians to respond to such Complaints.

2. Responsibility for Member Complaint Appeals
    a. Draft and mail all Member Complaint Appeal letters;
    b. Determine whether an extension is clinically needed;
    c. Research, review and determine Complaint Appeal outcomes; and
    d. To the extent the Complaint Appeal includes clinical language and/or documents, maintain availability of clinicians to respond to such Complaint Appeal.

3. Responsibility for State Complaints (Inquires/Investigations)
    a. Research support for investigations and respond directly with the Company.

C. Delegated Responsibilities – Member Appeals. Provider is specifically delegated the following Member Appeals activities:

1. Responsibility for Member First Level Appeals – Clinical adverse decision appeals
    a. Draft and mail all Member Appeal letters and appeal rights, as applicable;
    b. As necessary, verbal outreach to Participating Provider (maximum of three attempts) to gather missing information;
    c. Coordinate clinical review of appeal for expedited categorization; and
    d. Determine appeal.

2. Responsibility for Member First Level Appeals – Administrative appeals
    a. Draft and mail all Member Appeal letters and appeal rights, as applicable;
    b. Coordinate administrative review of appeal; and
    c. Determine appeal.

3. Responsibility for Member Second Level Appeals – Clinical adverse decision appeals
    a. Draft and mail all Member Second Level Appeal letters and appeal rights, as applicable;
    b. As necessary, verbal outreach to Participating Provider (maximum of three attempts) to gather missing information;
    c. Coordinate clinical review of Second Level Appeal for expedited categorization; and
    d. Determine Second Level Appeal.

4. Responsibility for Member Second Level Appeals – Administrative appeals
    a. Draft and mail all Member Second Level Appeal letters and appeal rights, as applicable;
    b. Coordinate administrative review of Second Level Appeal; and
    c. Determine Second Level Appeal.

5. Responsibility for participation in Fair Hearing and Independent Review Entity (IRE) appeals procedures as follows:

a. Provider provides support documents/package directly to the Company;

b. Provider shall provide support with clinical representation at hearing. For purposes of the Fair Hearing and IRE, consultant time is billed on an hourly basis as set forth in Exhibit E.

D. Company Responsibilities. In addition to maintaining responsibility for those Member Complaint and Appeal activities not specifically delegated to Provider, Company shall:

1. Provide Provider with Member correspondence templates;
2. Provide translation services (including braille) for all Member correspondence, as applicable; and
3. Schedule Fair Hearing and IRE appeals with State and share scheduling information with Provider in advance of such Fair Hearing.

EXHIBIT B-7

PROVIDER APPEALS AND GRIEVANCES

A. Delegation. Company maintains full responsibility for all Provider Complaint and Appeal activities, except to the extent such activities are specifically delegated to Provider in this section.

B. Delegated Responsibilities – Provider Complaints. Provider is specifically delegated the following Provider Complaint activities:

1. Responsibility for Provider Complaints
    a. Drafting and mailing of all Provider Complaint letters;
    b. Determination whether an extension is clinically needed;
    c. Research, review and determine Complaint outcomes; and
    d. To the extent the Complaint includes clinical language and/or documents, maintain availability of clinicians to respond to such Complaints.

2. Responsibility for Provider Complaint Appeals
    a. Drafting and mailing of all Provider Complaint Appeal letters;
    b. Determination whether an extension is clinically needed;
    c. Research, review and determine Complaint Appeal outcomes; and
    d. To the extent the Complaint Appeal includes clinical language and/or documents, maintain availability of clinicians to respond to such Complaint Appeal.

3. Responsibility for State Complaints (Inquiries/Investigations)
    a. Research support for investigations and respond back to the Company.

A. Delegated Responsibilities – Provider Appeals. Provider is specifically delegated the following Provider Appeals activities:

1. Responsibility for Provider First Level Appeals – Clinical adverse decision appeals (Provider on behalf of Member, where applicable)
    a. Draft and mail all Provider Appeal letters and appeal rights, as applicable;
    b. As necessary, verbal outreach to Provider (maximum of three attempts) to gather missing information;
    c. Coordinate clinical review of appeal for expedited categorization; and
    d. Determine appeal.

2. Responsibility for Provider First Level Appeals – Administrative appeals
    a. Draft and mail of all Provider Appeal letters and appeal rights, as applicable;
    b. Coordinate administrative review of appeal; and
    c. Determine appeal.

3. Responsibility for Provider Second Level Appeals – Clinical adverse decision appeals (Provider on behalf of Member, where applicable)
    a. Draft and mail all Provider Second Level Appeal letters and appeal rights, as applicable;
    b. As necessary, verbal outreach to Provider (maximum of three attempts) to gather missing information;
    c. Coordinate clinical review of Second Level Appeal for expedited categorization; and
    d. Determine Second Level Appeal.

4. Responsibility for Provider Second Level Appeals – Administrative appeals
    a. Draft and mail all Provider Second Level Appeal letters and appeal rights, as applicable;
    b. Coordinate administrative review of Second Level Appeal; and

c. Determine Second Level Appeal.

5. Where permitted by Regulatory Requirements, responsibility for participation in Fair Hearing and Independent Review Entity (IRE) appeals procedures, as follows:

a. Provides support documents/package directly to the Company;
b. Provide support with clinical representation at hearing. For purposes of the Fair Hearing and IRE, consultant time is billed on an hourly basis as set forth in Exhibit E.

B. Company Responsibilities. In addition to maintaining responsibility for those Provider Complaint and Appeal activities not specifically delegated to Provider, Company shall:

1. Provide Provider with Provider correspondence templates;
2. Provide translation services (including braille) for all Member-copied Provider correspondence, as applicable; and
3. Schedule Fair Hearing and IRE appeals with State and share scheduling information with Provider in advance of such Fair Hearing.

Exhibit C
COMPENSATION SCHEDULE

Commencing on the Effective Date of the First Amendment, and through the current term of the Contract, Company shall compensate Provider as follows:

FEES

In consideration of Provider providing the Administrative Services set forth in **Exhibit B** and other obligations of Provider specifically required under the Agreement and First Amendment, Company shall pay Provider the risk-based PMPM Service Fees outlined below, on a per member per month (PMPM) basis; provided that in consideration for the period from June 1, 2018 to the date of execution of this Amendment, the Company shall make a one-time payment to Provider in an amount equal to the difference between the PMPM Service Fee set forth below for such period, minus the agreed upon benefit costs for such period, and any previous compensation paid to Provider for the provision of Services specifically related to such period (the "Catch-Up Payment"). Provider shall invoice the Company for such Catch-Up Payment upon the execution of this First Amendment.

PMPM Service Fees

There shall be one rate structure for Company members as set forth in **Table A-1**.

Table A-1: Service Fees – Medicaid Dental

Membership	PMPM Rate
All Members – under the age of 21	[redacted]

Adjustments to PMPM Service Fees. Following the Initial Term, [redacted]

BILLING

Except for the Catch-Up Payment, on or before the fifteenth (15th) day of a calendar month, Provider shall invoice Company for all Fees for the preceding month:

(i) PMPM Service Fee for the month shall be based upon the number of active Members on the 1st of said calendar month, plus any retroactive Members that have eligibility dates prior to the fifteenth (15th) day of the previous month and not previously invoiced. Any Members added from the fifteenth (15th) to the end of the calendar month shall not be charged any portion of the PMPM Service Fee for that month.

(ii) Company shall be responsible for all fulfillment and postage costs. Such costs will be reflected as a line item on Provider's monthly invoice.

(iii) All invoices should be directed to:

Aetna Better Health of West Virginia
500 Virginia St. East, Suite 400
Charleston, WV 25301

PAYMENT

Payment shall be made by Company via electronic payment to Provider's bank within twenty (20) calendar days of receipt of the invoice from Provider. Payments not received within twenty-five (25) calendar days of receipt of invoice from Provider will be considered late and be charged a late fee equivalent to 12% annually for each calendar day after that 25th calendar day.

Vision Service Plan, Inc. Subcontractor Agreement

WEST VIRGINIA MEDICAID
REGULATORY AMENDMENT TO THE
VISION SERVICES AGREEMENT

This Amendment ("Amendment") is effective September 26, 2016 (the "Effective Date"), and is by and among **Coventry Health Care of West Virginia, Inc.** f/k/a Carelink Health Plans, Inc. and now d/b/a Aetna Better Health of West Virginia ("Aetna-WV") and **Coventry Health Care of Virginia, Inc.** f/k/a Southern Health Services, Inc. and now d/b/a Aetna Better Health of Virginia ("Aetna-VA," and together with Aetna-WV, "Aetna"), on the one hand, and **Vision Service Plan, Inc.** and **VSP Vision Care, Inc.** f/k/a Mid-Atlantic Vision Service Plan, Inc., on the other hand (collectively, "VSP"). Aetna and VSP may each be referred to individually as a "Party" and collectively as the "Parties."

WHEREAS, Aetna entered into a Vision Services Agreement with VSP, effective as of October 1, 2007 (the "Agreement"), for the provision of health care services to, and/or administrative or health-benefit management services/functions relating to, the members of Aetna and/or its affiliates; and

WHEREAS, Coventry Health Care of West Virginia, Inc. f/k/a Carelink Health Plans, Inc., now d/b/a Aetna Better Health of West Virginia and formerly d/b/a CoventryCares of West Virginia, operates and administers a plan in the West Virginia Medicaid market on behalf of the State of West Virginia, and in connection with which Aetna-WV serves as a managed-care organization (the "West Virginia Medicaid Operations"); and

WHEREAS, the Parties desire to amend the Agreement as it relates to the West Virginia Medicaid Operations to include certain additional terms associated therewith.

NOW, THEREFORE, in consideration of the mutual covenants and promises stated herein and other good and valuable consideration, and intending to be legally bound, the Parties agree as follows:

1. The Agreement is hereby amended to add and incorporate in its entirety the Regulatory Compliance Addendum Governing West Virginia Medicaid Services that is attached to this Amendment (the "West Virginia Medicaid Addendum"). VSP agrees to perform its obligations under the Agreement in accordance with the terms and conditions set forth in the West Virginia Medicaid Addendum to the extent that such obligations relate to Aetna-WV and/or the West Virginia Medicaid Operations. In the event of any conflict between the terms of the West Virginia Medicaid Addendum, on the one hand, and any of the other terms of the Agreement, on the other hand, including any other attachments, schedules, exhibits, and/or addenda that are currently appended to the Agreement, the terms of the West Virginia Medicaid Addendum shall govern and control with respect to the provision of services or performance of obligations relating to Aetna-WV and/or the West Virginia Medicaid Operations.

   For the avoidance of doubt, the West Virginia Medicaid Addendum attached hereto shall supersede and replace "Exhibit F – Virginia Medicaid (CareNet) and West Virginia Medicaid Product Guidelines," which is currently appended to the Agreement, but only as such Exhibit F relates to Aetna-WV and/or the West Virginia Medicaid Operations.

2. VSP agrees that all notices required to be sent to Aetna-WV or otherwise directed to Aetna-WV under the Agreement shall be sent to Aetna-WV at the following address in conformity with the notice provisions under the Agreement:

Name	Address	City	State	Zip
Aetna Better Health of West Virginia	500 Virginia St. East, Suite 400	Charleston	West Virginia	25301

3. For the avoidance of doubt, to the extent that the Agreement contemplates the provision of services or performance of obligations unrelated to the West Virginia Medicaid Operations (including without limitation services and/or obligations related to Aetna-VA), the Parties hereby acknowledge and agree that nothing in this

Amendment is intended to amend or modify the Parties' duties, obligations, and liabilities under the Agreement with respect such services or obligations that are unrelated to the West Virginia Medicaid Operations.

4. This Amendment may be executed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same Amendment.

5. The Parties ratify and affirm the Agreement, and agree that all other terms and provisions of the Agreement not amended herein shall remain in full force and effect, without modification. In the event of any inconsistency between the terms of this Amendment and the Agreement, the terms of this Amendment shall govern and control.

IN WITNESS WHEREOF, the undersigned Parties have executed this Amendment by their duly authorized officers, intending to be legally bound hereby, as of the Effective Date indicated above.

VISION SERVICES AGREEMENT

THIS VISION SERVICES AGREEMENT is entered into by and between Vision Service Plan, Inc. and Mid-Atlantic Vision Service Plan, Inc. (hereinafter referred to as **"VSP"**), Southern Health Services, Inc. (**"Southern Health"**), a Virginia corporation and Carelink Health Plans, Inc. (**"Carelink"**), and on behalf of Coventry Health and Life Insurance Company (**"CHLIC"**) and Payors (defined below) (referred to herein collectively as "Health Plans", or individually as stated above) and shall be effective as of the first day of October, 2007. (VSP and Health Plans may be referred to herein collectively as **"Parties"** or individually as a **"Party"**).

WHEREAS, Health Plans and Payors make available to employers and individuals, or administer on behalf of employers or other entities, various health care benefit programs (which may include a vision care service program) for the benefit of employees and their eligible dependents or individual participants and their eligible dependents. In addition, Payors provide administrative services and provider network services to third party administrators, insurance companies offering health benefit plans and insurance companies offering workers compensation coverage plans;

WHEREAS, VSP is a vision care service plan duly authorized to do business in the Commonwealth of Virginia and the State of West Virginia and contracts with licensed vision care specialists (optometrists and ophthalmologists), laboratory facilities and material suppliers in the Commonwealth of Virginia and State of West Virginia to participate in its vision care network (the "VSP Network");

WHEREAS, Health Plans, for themselves and on behalf of Payors, desire to engage the services of VSP to arrange for the provision of vision care services to Members and VSP desires to arrange for the provision of vision care services to such Members through its VSP Network,. Furthermore, participants of the VSP Network shall be listed as VSP Network Providers for Health Plan products;

WHEREAS, VSP, through its VSP Network, agrees to provide Covered Services, as provided herein at the rates hereinafter established pursuant to the terms and conditions set forth below; and

WHEREAS, VSP, upon entering into this Agreement, shall require that VSP Network Providers meet VSP's credentialing requirements, which meet the delegated credentialing requirements set forth in Exhibit C and have been approved by the Health Plans.

NOW, THEREFORE, in consideration for promises and mutual covenants set forth herein and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Health Plans and VSP hereby agree as follows:

TERMS AND CONDITIONS

I. DEFINITIONS

1.1 **"Administrative Fee"** means the monthly payments made to VSP by or on behalf of Health Plans in consideration of the services performed by VSP under this Agreement.

1.2 **"Authorization"** means the permission issued by VSP identifying the named Member and the Covered Services which the Member is permitted to receive.

1.3 **"Claim"** any bill, claim, or proof of loss made by or on behalf of an enrollee or a provider, to Health Plan, VSP, or their representatives, with which the provider has a provider contract for payment for health care services; however, a "Claim" shall not include a request for payment of a capitation or a withhold.

1.4 **"Claims Amount"** means a Clean Claim for the total negotiated charges between VSP and VSP Network Providers for Covered Services delivered to Members, including, but not limited to, the cost of professional services and ophthalmic materials.

1.5 **"Clean Claim"** unless otherwise required by applicable state law, means a claim (i) that has no material defect or impropriety (including any lack of any reasonably required substantiation documentation) which substantially prevents timely payment from being made on the claim or (ii) with respect to which VSP has failed timely to notify the person submitting the claim of any such defect or impropriety in accordance with applicable law.

1.6 **"Consultant Provider"** means a physician or other provider who is not affiliated with VSP, and who may or may not otherwise have a network participation agreement with Health Plans, to whom a Member has been referred to by VSP.

1.7 **"Covered Services"** means those vision care services that VSP shall provide or arrange to provide through its VSP Network to Health Plans' Members pursuant to the applicable Health Benefit Plan.

1.8 **"Emergency Medical Condition"** means a medical condition that manifests itself by symptoms of sufficient severity or severe pain, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in: (i) serious jeopardy to the mental or physical health of the Member, (ii) danger of serious impairment of the Member's bodily functions, (iii) serious dysfunction of any of the Member's bodily organs, or (iv) in the case of a pregnant Member, serious jeopardy to the health of the fetus.

1.9 **"Emergency Vision Services"** means those inpatient or outpatient Covered Services that (i) are furnished by a provider qualified to furnish such services; (ii) needed to evaluate or stabilize an Emergency Medical Condition.

1.10 **"Entire Agreement"** means this Vision Services Agreement, the Provider Manual, any addenda, attachment, schedule or exhibit, and any policies or procedures otherwise made a part of this Agreement by attachment. The Entire Agreement shall also include any stated and adopted amendments made pursuant to this Agreement. These documents constitute the entire understanding of the Parties with respect to the subject matter and supersede any prior agreements between the parties.

1.11 **"Health Benefit Plan"** means the eligibility, requirements, procedures, Covered Services, benefits, conditions, limitations, exclusions, and other rights and obligations governing payment for health services furnished to Members pursuant to this Agreement and a particular product. A written description of the Health Benefit Plans which are offered and/or financed by Health Plans and Payors will be supplied to VSP.

1.12 **"Medically Necessary"** means the use of services or supplies as provided by a hospital, skilled nursing facility, physician or other provider required to identify or treat a Member's illness, injury or pregnancy-related condition, and which, as determined by Health Plans or VSP are: (i) consistent with the symptoms or diagnosis and treatment of the Member's condition, disease, ailment or injury; (ii) appropriate with regard to standards of good medical practice; (iii) not solely for the convenience of the Member, his/her VSP Network Provider, hospital, or other health care provider; and (iv) the most appropriate supply or level of service which can be provided safely to the Member.

1.13 **"Member" or "Enrollee"** means an individual who is eligible to receive Covered Services under one of Health Plans' Member Contracts. Member includes the subscriber, and any of the subscriber's eligible dependents. Member/Enrollee may be used interchangeably throughout this Agreement.

1.14 **"Member Contract"** means the group or individual Evidence of Coverage, Certificate of Insurance, Subscription Agreement, plan document, employer group agreement, or other contract as amended from time to time between Health Plans or a Payor and an employer, union, association, other type of group of individuals, or Member, which sets forth the terms of the health benefit plan coverage.

1.15 **"Payor"** means an entity authorized by Health Plans to access one or more networks of VSP Network Providers, including the VSP Network, and who or which is liable for funding or underwriting benefit payments under a Member Contract, which entity has a financial responsibility to pay for Covered Services rendered to Members. Payor may include Health Plans, insurers, auto insurance carriers, employers, unions and other entities.

1.16 **"Provider Manual"** Health Plans' manuals, policies, and procedures that are applicable to participating providers and subcontractors.

1.17 **"VSP Network Provider"** An optometrist or ophthalmologist licensed and otherwise qualified to practice vision care and/or provide vision care materials who has contracted with VSP to provide vision care services and/or vision care materials on behalf of Covered Members.

II. OBLIGATIONS OF VSP

2.1 **Services, Generally.** As more particularly set forth herein, VSP shall administer for Health Plans a vision care services product through its VSP Network as of the effective date stated above, except that for the Carelink Advantra Medicare health benefit plans, VSP shall administer a vision care services product effective January 1, 2008 (See Exhibit G). VSP understands and agrees that Health Plans will offer a variety of Health Benefit Plans that will include a vision care component through VSP in which members of the VSP Network will be considered participating providers. Health Plans reserve the right to determine which Health Benefits Plans will include VSP's vision care services. VSP shall not require that all Payors on whose behalf Health Plans enter into this Agreement provide vision care services through this Agreement.

2.2 **Delegated Functions.** VSP shall perform all claims processing and payment, quality assessment, credentialing and re-credentialing, and other delegated functions as set forth in Exhibit C. None of the vision care services products, described more fully in Exhibit B, shall contain pre-authorization requirements

2.3 **Vision Network.** VSP shall, at all times, maintain contracts ("Participation Agreements") with a sufficient number of VSP Network Providers to guarantee its ability to deliver Covered Services to Health Plans' Members as described herein. Such Participation Agreements shall comply with all applicable state and federal regulations. At least once a year, and upon request, VSP shall provide or make available to Members a copy of the most current VSP Network directory listing or Members may obtain information on VSP's Network Doctors through VSP'S Web site at **vsp.com** or our Customer Service Department's toll-free number 800.877.7195.

2.4 **Covered Services.** VSP shall arrange through its VSP Network Providers for Members to access Medically Necessary Emergency Vision Services twenty-four (24) hours a day/seven (7) days a week, within the VSP Network. VSP shall require VSP Network Providers to make available non-emergency Covered Services at least five (5) days a week during reasonable business hours. In the event VSP does not have a VSP Network Provider available to render Covered Services to a Member, VSP shall make a referral to a Consultant Provider. All Covered Services

rendered by such Consultant Provider shall be rendered in accordance with this Agreement.

2.5 **Discrimination Prohibited.** VSP shall not, and shall require that VSP Network Providers shall not differentiate or discriminate in the treatment of Members by reason of age, race, color, creed, religion, gender, sexual preference, national origin, health status, use of Covered Services, income level, or on the basis that Member is enrolled in a managed care organization or is a Medicare or Medicaid beneficiary. VSP further agrees, and shall require VSP Network Providers to agree, to provide Covered Services to Members in accordance with the same standards and within the same time availability as provided to other patients. This Section shall not prevent VSP or a VSP Network Provider from terminating the provision of care of any Member, so long as this decision is based on the same criteria that VSP or VSP Network Provider uses for all patients and is not based on the fact that the patient is a Member.

2.6 **Network Provider Responsibility.** VSP agrees that VSP Network Providers shall be solely responsible for all medical advice provided and treatment rendered to Members, and for the performance of all Covered Services required under this Agreement and the Participation Agreement. All Covered Services shall be provided in conformity with accepted medical and surgical practices and shall meet or exceed the standard of care. VSP agrees, and shall require all VSP Network Providers to agree, that all professional decisions, judgments, treatments, diagnoses, other professional services VSP Network Providers render to Members, and the maintenance of such VSP Network Provider's relationship with a Member are the VSP Network Provider's sole responsibility. Health Plans will not, and VSP agrees that it shall not, exercise control or direction over, nor will it be liable for, the manner or method by which a VSP Network Provider renders professional services to Members under this Agreement and its Participation Agreement. VSP shall communicate to its VSP Network Providers that they can and must freely communicate with Members regarding appropriate treatment alternatives and/or the treatment options available to them, including alternative medication, regardless of benefit coverage limitations. Health Plans are entitled to deny payment to VSP, and VSP is entitled to deny payment to VSP Network Providers for services rendered to a Member that are not Covered Services, or that are not otherwise rendered in accordance with this Agreement or the applicable Participation Agreement. A coverage denial does not absolve a VSP Network Provider, however, of his/her/its Provider's professional responsibility to provide appropriate medical care to Members.

2.7 **Collection of Cost-Sharing Amounts.** VSP shall require its VSP Network Providers to collect any copayments, coinsurance or deductibles for Covered Services provided to Members in accordance with this Agreement, the Participation Agreement, and the applicable Health Benefit Plan. VSP shall not, and VSP shall cause its VSP Network Providers to not, discount or waive any required copayments, coinsurance or deductibles.

2.8 **Compliance with Agreement.** VSP shall, and shall require its VSP Network Providers to participate in and comply with the requirements of this Agreement and the Provider Manual, as they may be amended and supplemented by Health Plans from time to time. VSP shall, and shall require its VSP Network Providers to comply with all final determinations rendered by any programs or procedures included as part of the Agreement. In the event any documents that are part of the Agreement directly contradict each other, the document with the latest revision date shall supersede.

2.9 **Maintenance of Records.**

2.9.1 Health Plans and VSP agree that all medical records of Members shall be treated as confidential so as to comply with all applicable federal and state laws regarding the confidentiality of patient records. VSP shall, and VSP shall require its VSP Network Providers to, make records available to Health Plans at no cost to either Health Plans or Member. Such records shall include identifying patient information, medical histories, and financial, administrative, and other records relating to (i) the provision of Covered Services; (ii) the cost of these services; and (iii) payments received by VSP and/or VSP Network Provider from Member. VSP shall be responsible and/or shall require that its VSP Network Providers be responsible for obtaining Members' authorization(s), in the form required by law, both to allow the record examination and to allow VSP's and/or VSP Network Provider's release of any information contemplated under this Agreement or a Health Benefit Plan. The parties agree that such records shall at all times retain the same confidential status accorded these records while in possession of VSP or a VSP Network Provider. The obligations of the parties as set forth in this paragraph shall survive any termination or expiration of this Agreement.

2.9.2 VSP shall prepare and maintain, and shall require VSP Network providers to prepare and maintain, for each Member receiving Covered Services pursuant to this Agreement a standard service record in such form, containing such information, and retained for such time as required by the applicable federal and state laws and licensing requirements and professional standards governing the provision of the Covered Services, and in accordance with any special requirements that may be enacted by Health Plans which are not in conflict with applicable federal and state requirements. VSP shall and VSP shall cause its VSP Network providers to participate in a system established by Health Plans which facilitates the maximum sharing of such records, equipment, and professional, technical, and administrative staff for Health Plans' Utilization Management/Quality Improvement Program, subject to federal and state laws and professional standards governing the confidentiality of medical records.

2.10 **Access to Records and Facilities.**

2.10.1 VSP shall permit Health Plans or its designated representatives access to VSP's facilities and billing or medical records at a reasonable time convenient for the Parties. Moreover, VSP shall require VSP Network Providers to permit Health Plans and/or VSP access to facilities and billing or medical records for assurance that such facilities and records are in keeping with generally accepted standards, manufacturer's standards, or standards which may be established by Health Plans and/or VSP.

2.10.2 VSP shall make, and shall require VSP Network Providers to make, their books and records relating to Members and the Covered Services provided hereunder, or relating in any way to Health Plans available to any state or federal agencies as required pursuant to such agencies' legal authority.

2.11 **Compliance with Law.**

2.11.1 VSP warrants that it shall comply, and shall require VSP Network Providers to comply with all applicable local, state, and federal laws. VSP shall maintain, and shall require VSP Network Providers to maintain all necessary and required licenses, permits, accreditations and certifications. All employees of VSP and/or VSP Network provider shall perform their duties in accordance with all applicable local, state, and federal licensing requirements, as well as national, state, and county standards of professional ethics and practices, as may be applicable. The VSP Network Doctor Agreement stipulates that the doctor notify VSP immediately in the event of any such occurrences whereby VSP also acts immediately by terming the doctor, thus removing him/her from seeing patients. VSP shall notify Health Plans within forty eight (48) hours of such occurrence.

2.11.2 VSP shall require that VSP Network Providers employ or contract with only those personnel who hold a current and effective license or certification to practice their respective professions in the respective state, provided a license or certificate is applicable. VSP shall also require its VSP Network Providers to utilize an appropriate credentialing process for such employees.

2.12 **Insurance.**

2.12.1 VSP shall procure and maintain, and VSP shall require its VSP Network Providers to procure and maintain, at their respective sole expense, professional liability and malpractice, as well as comprehensive general liability insurance and other insurance containing such provisions as shall be required by state law. Such insurance shall be in an amount as shall be necessary to insure VSP and/or VSP Network Providers and their respective employees or agents against any claim or claims for damages

arising by reason of personal injury or death occasioned directly or indirectly in connection with the provision of any services by such party or its/their employees or agents, the use of any property and facilities provided by such party or its/their employees or agents, and the activities performed by such party or its/their employees or agents in connection with this Agreement, or as may be required under state law, whichever is greater. VSP shall require VSP Network Providers to procure and maintain such insurance for themselves and other health care professionals employed or under contract with such provider unless they are covered under insurance policies of VSP or the VSP Network Provider.

2.12.2 VSP shall notify Health Plans in writing thirty (30) days prior to any denial of, restriction on, or termination of VSP's or a VSP Network provider's general or professional liability insurance, except where such insurance is immediately replaced by equivalent insurance not subject to such denial, restriction, or termination.

2.12.3 VSP shall notify Health Plans, and shall require VSP Network Providers to notify VSP, of any tort claims, whether relating to a Health Plans' Member or another patient, filed against the VSP and/or the VSP Network Provider within five (5) business days of receipt of notice of such a claim having been filed. VSP shall provide, and VSP shall require VSP Network Providers to provide Health Plans with any information related to such claim(s) that is reasonably requested by Health Plans. In addition to the information required by this Section 2, VSP shall submit to Health Plans, and VSP shall require VSP Network Providers to submit upon VSP or Health Plans' request, any additional information on tort claims involving VSP and/or a VSP Network Provider, when necessary to enable Health Plans to comply with applicable state or federal law.

2.13 **Encounter Data.** VSP shall maintain and provide in a form acceptable to Health Plans, no later than the tenth (10th) day of each month, the encounter data pertaining to Covered Services which are provided, arranged, or paid for by VSP during the preceding month, including data not provided in the most recent submission. Such encounter data includes all Covered Person-specific encounter data reasonably required by HMO to conduct utilization review and to comply with all reporting requirements of Governmental Agencies

2.14 **Cooperation with Health Plans.** VSP shall cooperate with Health Plans in the event of a Market Conduct or other regulatory audit, inspection or review. VSP shall be responsible for indemnifying Health Plans pursuant to Section 5.8 below for any fines, penalties, or settlement amounts imposed upon Health Plans for errors, wrongdoing, or non-compliance, directly or indirectly, related to VSP's performance or non-performance. VSP shall not distribute to Members any forms or materials without first submitting such forms or materials to Health Plans for approval. If required by state or federal law, Health Plans will file the forms or

material, on VSP's behalf, with the appropriate regulatory agencies and receive all requisite approvals prior to issuing Health Plans' approvals to VSP and prior to VSP's use of these forms or materials. This Section 2.14 shall survive the termination of this Agreement for a period through the end of any potential retroactive audit period.

III. OBLIGATIONS OF HEALTH PLANS

3.1 **Information Provided by Health Plans.** Health Plans shall provide VSP with the management information, enrollment and eligibility data, and other information reasonably necessary for VSP to carry out the terms and conditions of this Agreement.

3.2 **Member Eligibility Data.** On a weekly basis, Health Plans shall provide to VSP a Member eligibility listing for all Members in all of Health Plans' Health Benefit Plans covered under this Agreement. Health Plans shall not be financially responsible for the Administrative Fee or Claims Amounts for services rendered to persons who are not listed as eligible but to whom a VSP Network Provider rendered services. These services shall be considered uncovered. However, Health Plan agrees to pay to VSP the cost for covered services provided to an ineligible covered person listed as eligible subject to reimbursement for any payment VSP may recover from a third part for such services. Health Plans shall provide VSP reasonable access to all books, records, and documents relating to the determination of a Member's eligibility.

3.3 **Member Materials.** Health Plans shall distribute to Members any disclosure forms, plan summaries, or other materials required to be distributed under state or federal law. Health Plans shall be responsible for distributing vision plan enrollment and marketing materials to Members upon enrollment, renewal, and open enrollment periods. Health Plans shall provide such information to Members concerning the type, scope, and duration of benefits to which Members are entitled under their Health Benefit Plans. Health Plans agree that any materials developed for Members related to vision benefits must be approved by VSP prior to dissemination, such approval not to be unreasonably withheld

3.4 **Benefit Plan Design.** Health Plans shall be solely responsible for vision benefit design for the Health Benefit Plans, and shall direct VSP to administer such plans accordingly.

3.5 **Grievance, Complaints and Appeals.** Health Plans shall be responsible for receiving, handling, and responding to, Member grievances, complaints and appeals in accordance with their policies and procedures. In the event VSP receives a grievance, complaint or appeal from a Member or a VSP Network Provider, VSP shall send such grievance, complaint or appeal to Health Plans within twenty-four (24) hours.

3.6 **Compliance with Law.** Health Plans shall at all times comply with state and federal law, including but not limited to, the Ethics and Fairness in Carrier Business Practices Act in Virginia and/or the Fair Business Practices Act in West Virginia, as set forth in Exhibit E and Exhibit D.

IV. QUALITY IMPROVEMENT

4.1 VSP shall provide reporting as required by Health Plans to comply with HEDIS® requirements and quality improvement activities necessary to maintain compliance with Health Plans accreditation standards (NCQA, URAC, etc.) and/or state and federal law and as may be mutually agreed by the parties. Reporting will be no less than semiannual. Areas of specific reporting would be: provider accessibility/availability, adverse/sentinel events, and any collaborative quality improvement activities. Health Plans shall have the right to conduct audits annually to assure compliance with said agreements.

V. COMPENSATION AND FISCAL RELATIONSHIPS

5.1 **Payment of Administrative Fee.** On or before the twentieth day of each month, Health Plans shall remit to VSP an Administrative Fee as outlined in Exhibit A. In the event that Health Plans do not pay the Administrative Fee in accordance with this Section 5.1 and Exhibit A, a grace period of thirty-one (31) days following the due date of the Administrative Fee shall be offered during which time the Agreement and Covered Services to be delivered by VSP Network Providers shall remain in full force and effect for all Members.

5.1.1 **Enrollment Adjustments.** With each monthly Administrative Fee, Health Plans shall make adjustments to reflect corrections (additions or deletions) made to Health Plans enrollee enrollment data. The parties understand and agree that retroactive adjustments to capitation payments shall be limited to the lesser of: (i) the actual retroactive adjustment; or (ii) ninety (90) days. Such adjustments shall be reconciled no later than 90 days after the month in question. Whether an Enrollee is enrolled in a product shall be measured as of the 15th of the month in question.

5.2 **Payment of Claims Amount.** On a monthly basis, VSP shall provide to Health Plans a complete electronic data file to support the Claims Amount, including the following information: Member name, Member ID number, date of service, VSP Network Provider name, CPT codes, billed amount, allowed amount, amount paid to VSP Network Provider by VSP. Based on the monthly invoice and electronic data file submitted to the Health Plans, the Health Plans shall reimburse VSP the Claims Amount within 31 days of receipt.

5.3 **Right to Renegotiate:** VSP may change the Administrative Fees set forth in Exhibit B (Schedule of Administrative Fees) by giving HMO at least sixty (60) days

advance written notice. No change will be made during the plan term unless there is a change in the Schedule of Benefits or there is a material change in plan terms or conditions, provided any such change is mutually agreed upon in writing by VSP and Health Plan.

5.4 **Coordination of Benefits.** VSP shall require VSP Network Providers to assist in coordination of benefits, as may be applicable.

5.5 **Non-Billable Services.** VSP shall not, and shall require VSP Network Providers to not, bill additional amounts because goods or services are provided outside of a VSP Network Provider's posted business hours. Charges that may not be billed without Health Plans' express permission include but are not limited to fees for completing claim forms, fees for making copies of records requested or other fees for submitting additional information requested. VSP agrees, and shall require VSP Network Providers to agree, that neither Health Plans nor the Member has any obligation to pay VSP or a VSP Network Provider for services undocumented in the patient record or not sufficiently documented.

5.6 **Indemnification.** VSP shall defend, indemnify, and hold harmless, Health Plans and their directors, officers, employees, affiliates, and agents against any claim, loss, damage, cost, expense, or liability arising out of or related to the performance or nonperformance by VSP, its employees, agents, or assigns. of any responsibilities or obligations under this Agreement. VSP represents and warrants that it requires each VSP Provider to: (i) maintain professional liability (malpractice) insurance coverage in an amount not less than $1,000,000 per occurrence and $3,000,000 annual aggregate; (ii) maintain general liability coverage in an amount not less than $1,000,000 for money owed for Covered Services, except any copayments, coinsurance, or other fees stated in the Member's benefit plan or fees related to vision care services which are not Covered Services. Health Plans shall defend, indemnify, and hold harmless VSP and their directors, officers, employees, affiliates, and agents against any claim, loss, damage, cost, expense, or liability arising out of or related to the performance or nonperformance by Health Plans, their directors, officers, employees, agents, of any responsibilities or obligations under this Agreement.

TERM AND TERMINATION

6.1 **Term.** The term of this Agreement shall commence on the effective date stated above and shall be effective [for a period of one (1) year] (the "Initial Term"). Thereafter, this Agreement shall automatically renew for successive one (1) year terms unless and until terminated in accordance herewith. After the Initial Term, either party may terminate this Agreement without cause by giving the other party at least [ninety (90)] days' prior written notice to the other or as otherwise provided herein.

6.2 **Termination For Cause.**

6.2.1 **Breach**. Either Party may terminate the Agreement for the breach of a material term, condition or provision of the Agreement, after sixty (60) days prior written notice to the other Party, specifying such material breach. The breaching Party shall have a minimum of thirty (30) days or such longer reasonable period agreed to by the Parties to correct or cure such material breach. If the breaching Party fails or refuses to cure the material breach within such time, then the non-breaching Party may elect to terminate the Agreement effective the last day of the month following the end of the notice period. The remedy herein provided shall not be exclusive of, but shall be in addition to, any remedy available at law or in equity to the non-breaching Party. In the event a party contests the claim of breach, the Agreement shall remain in effect until the dispute is resolved in accordance with Section 8.8 herein.

6.2.2 **Immediate Termination by Health Plans**. Health Plans may terminate this Agreement for the following reasons:

6.2.2.1 Termination, revocation, suspension or other limitation of VSP's license, certification, or accreditation, or participation in Medicare and/or Medicaid.

6.2.2.2 Termination of VSP's Professional Liability Insurance.

6.2.2.4 Conviction of, or plea of no contest to, a felony or any criminal charge relating to health care delivery.

6.2.2.5 Health Plan determines in good faith that VSP's continued provision of services to Members may result in, or is resulting in, danger to the health, safety or welfare of Members. Where the danger results from the actions of VSP's staff, VSP Network Providers, or other contractors or subcontractors, then VSP shall suspend its relationship with such VSP Network Providers, staff, contractors, or subcontractors upon immediate notice from Health Plans, at least with respect to Members, and if VSP fails to take such action, Health Plans may terminate the Agreement upon ten (10) days notice to VSP. Health Plans may specifically request VSP terminate a VSP Network Provider based upon reasons set forth in this Section 6.3.2.5.

6.3 **Run-Out Period After Termination**. Upon termination of the Agreement, and for a period of three-hundred and sixty-five (365) days thereafter, VSP agrees to process claims from VSP Network Providers related to Covered Services rendered to Members during the term of the Agreement pursuant to the applicable terms and conditions set forth herein, and pursuant to applicable state or federal law. Health Plan shall be responsible for the cost of the claims incurred by members on a monthly basis within (ten)10 days of receipt of billing statement.

6.4 **Records Provided Upon Termination.** Upon termination of the Agreement, Health Plans reserve the right to request VSP to produce, and to require VSP Network Providers to produce, to Health Plans, or a designee, copies of all Member files in the possession of VSP and/or VSP Network Providers. The files may be in summary form upon approval from Health Plans.

6.5 **Termination by VSP Network Providers.** VSP shall require in its Participation Agreement that VSP and VSP Network Providers must give no less than ninety (90) days written notice prior to terminating such Participation Agreements.

VI. DELEGATED FUNCTIONS

7.1 **Credentialing.** VSP shall have sole responsibility for credentialing and recredentialing all VSP Network Providers pursuant to its standards and policies which shall comply with applicable state law and accreditation requirements. VSP agrees, and shall require all VSP Network Providers to agree that VSP Network Providers have training and experience required by VSP, in accordance with accreditation standards, in the field in which they provide services, and that ophthalmologists shall be Board Certified or Board Eligible in their specialties, or qualified by virtue of previous training or experience. VSP has established policies consistent with NCQA standards. Credentialing shall be performed under this Agreement in accordance with Exhibit C. Upon request from Health Plans, VSP shall make its credentialing and recredentialing files available to Health Plans. In addition, upon request, VSP shall provide to Health Plans a list of all VSP Network Providers, in the format requested by Health Plans.

7.2 **Claims Processing and Payment.** Health Plans shall delegate claims processing functions to VSP. VSP shall at all times comply with the Ethics and Fairness in Carrier Business Practices Act in Virginia and/or the Fair Business Practices Act in West Virginia, as set forth in Exhibit E and Exhibit D in its relationships with and obligations to VSP Network Providers.

7.3 **Additional Delegated Functions.** Exhibit C sets forth additional functions that will be delegated to VSP by Health Plans.

VII. GENERAL PROVISIONS

8.1 **Notice.**

8.1.1 Any notice required or permitted to be given pursuant to the terms of this Agreement shall be in writing and shall be sent by registered or certified mail, return receipt requested, by regular mail, or by hand delivery, addressed to each party at the address set forth below. Such

notice may reference an Internet site for an actual amendment where it would be reasonable for Health Plans to expect that VSP has access to the Internet site. Such notice shall be effective, with respect to mailing, three (3) business days after being delivered, properly addressed and postage prepaid to any branch of the United States post office and with respect to hand delivery, upon receipt.

To VSP:	**To Health Plans:**
[ADDRESS]	Southern Health Services, Inc. Attn: Vice President of Network Operations Town Center One 1000 Research Park Blvd. Charlottesville, VA 22911

8.1.2 VSP shall notify Health Plans within seven (7) days of any changes to information previously provided to Health Plans regarding itself or a VSP Network Provider. VSP shall, on an quarterly basis, or as more frequently requested by Health Plans, provide Health Plans with a list of current VSP Network Providers who have executed a contract with a VSP and who are anticipated to provide Covered Services to Members in accordance with this Agreement. Such list shall include the names and localities of the VSP Network Providers.

8.2 **Independent Entities.** None of the provisions of the Agreement is intended to create, nor shall be deemed or construed to create any relationship between the Parties hereto other than that of independent entities contracting with each other hereunder solely for the purpose of effecting the provisions of the Agreement. Neither VSP nor Health Plans nor any Payor shall be liable to any other Party for any act, or any failure to act, of the other Party to the Agreement.

8.3 **Cooperation Between Parties.** Health Plans and VSP agree that, to the extent compatible with the separate and independent management of each, they shall at all times maintain an effective liaison and close cooperation with each other in order to provide and/or arrange for the provision of Covered Services to Members at the most reasonable cost, consistent with high standards of medical care. The parties shall endeavor at all times freely and fully to exchange information regarding all matters directly or indirectly related to areas of common interest, except that neither party shall be required to exchange information to the extent that any such exchange of information is not permitted by law to the extent compatible with the separate and independent management of each.

8.4 **Amendments.** No amendment to this Agreement, or to the Participation Agreements between VSP and VSP Network Providers, or to any addenda, schedule, exhibit or policy thereto, or to the range of Covered Services reasonably expected to be delivered by VSP or VSP Network Providers, shall be effective as to VSP or VSP Network Providers, unless Health Plans have provided VSP, or VSP

has provided VSP Network Providers, the applicable portion of the proposed amendment (or of the proposed new addenda, schedule, exhibit, or policy) at least sixty (60) calendar days before the effective date, and VSP has failed to notify Health Plans, or VSP Network Provider has failed to notify VSP, within thirty (30) calendar days of receipt of the documentation of their intent to terminate this Agreement or the Participation Agreement, at the earliest date thereafter permitted by the applicable agreement.

8.5 **Assignment.** This Agreement, being intended to secure the services of VSP shall not in any manner be assigned, subcontracted, delegated, or transferred by VSP without the prior written consent of Health Plans. Health Plans shall have the absolute right and sole discretion, to assign or license all or any of its rights and responsibilities and delegate all or any of its obligations, under this Agreement (i) to any corporation that controls, is controlled by, or is under common control with Health Plans; (ii) to any successor to the business of Health Plans whether by merger, consolidation, sale of assets, operation of law or otherwise; or (iii) to Coventry HealthCare Management Corporation.

8.6 **Effect of Agreement.** Upon the Effective Date of this Agreement, this Agreement shall supersede all prior documents, representations and understandings of the parties which may relate to the subject matter of this Agreement, including but not limited to, any agreement currently in place between VSP and Health Plans, any portion of the Provider Manual or any other of Health Plans' policies and procedures. No other understanding, except as described below in this Section 8, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or bind either party. Subsequent changes to the Provider Manual or Health Plans's policies and procedures, or any amendments, exhibits or schedules may override provisions of this Agreement; however, no amendment to any part of the Entire Agreement shall cause this Agreement to fall into non-compliance with applicable state or federal law.

8.7 **Entire Agreement.** Health Plans warrants that at the time this Entire Agreement is presented to VSP for execution (i) the compensation terms, reimbursement policy or statement as to the manner in which claims will be calculated and paid which is applicable to VSP or to the range of vision care services reasonably expected to be delivered by VSP or its VSP Network providers on a routine basis and (ii) all material addenda, schedules and exhibits thereto and any policies (including those referred to in Section 8 applicable to VSP or to the range of vision care services reasonably expected to be delivered by a VSP Network Provider under this Agreement will be included as part of this Agreement.

8.8 **Dispute Resolution.** In the event a dispute between Health Plans and VSP arises out of or is related to the Agreement, the Parties involved shall make good faith efforts to settle the dispute by negotiation between the Parties. If negotiation between the Parties is unable to resolve a dispute within (thirty) 30 days of the date the aggrieved party sends written notice of the dispute to the other Party, and if any

Party wishes to pursue the dispute, it shall be submitted to binding arbitration in accordance with the commercial rules of the American Health Lawyers Association or other nationally recognized alternative dispute resolution association mutually acceptable to the Parties. Any arbitration proceeding under the Agreement shall be conducted in Richmond, Virginia. The arbitrators shall have no authority to award any punitive or exemplary damages, or to vary or ignore the terms of the Agreement, and shall be bound by controlling law. If the dispute pertains to a matter which is generally administered by certain of Health Plans' procedures, such as, for example, utilization management or quality improvement plan (but not including credentialing procedures), the procedures set forth in that plan must be fully exhausted before any right to arbitration under this Section may be invoked. Notwithstanding the foregoing, neither Party shall be precluded from seeking injunctive or other equitable relief in court in connection with the enforcement of those sections of the Agreement that permit actions for injunctive relief. Except for such relief expressly contemplated by the Agreement, any dispute arising out of the Agreement must be submitted to binding arbitration and jurisdiction shall not be found in a court of law. This Section shall survive termination of the Agreement.

8.9 **Confidentiality.** VSP and Health Plans and Payors agree to maintain the privacy and confidentiality of all information and records regarding Members, including but not limited to medical records, in accordance with all State and Federal laws, including regulations promulgated under the Health Insurance Portability and Accountability Act. In addition, each Party shall maintain the confidentiality of the financial terms of the Agreement and the confidentiality of the other Party's proprietary information that is not otherwise public information, provided Health Plans or a Payor may disclose reimbursement terms to prospective and current employer groups and provided all parties may disclose information as required by state or federal laws or regulations. VSP shall ensure that any vendors, subcontractors or other such entities that have a need to know the terms of the Agreement also maintain the privacy and confidentiality of all financial terms of the Agreement. In the event that either Party violates its duties under this provision, the other Party may seek injunctive relief. This Section shall survive the termination of the Agreement.

8.10 **Waiver.** The waiver of either party of a breach or violation of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach thereof.

8.11 **Applicable Law.** This Agreement shall be governed in all respects by the laws of the Commonwealth of Virginia. The invalidity or unenforceability of any terms or provisions hereof shall in no way affect the validity or enforceability of any other terms or provisions.

IN WITNESS WHEREOF, the parties have duly executed this Agreement on the day and year written below.

PLAN DESCRIPTION:

1. Exam + with allowance-The Exam Plus with Allowances Plan provides a comprehensive exam benefit covered in full, with a discount and a one-time allowance for materials.
2. Signature-VSP's premium plan that is full service (provides exam, lens, and frame) and utilizes VSP's most extensive provider network.
3. Medicaid with PEC-The benefit includes the State Medicaid plan along with VSP's Primary Eyecare benefit. The Primary EyeCare plan provides supplemental coverage for non-surgical medical eyecare through the VSP doctor.
4. Medicaid with PEC and GAP-The benefit includes the State Medicaid plan. The benefit is also available through a Group Authorized Provider (GAP). The Primary EyeCare plan provides supplemental coverage for non-surgical medical eyecare through the VSP doctor.
5. Straight Access-The Access Plan is a benefit option designed to accommodate clients that wish to provide members with discounts on basic services and materials.
6. Exam +-The Exam Plus Plan includes a comprehensive exam covered in full and discounts on materials and contact lens exam professional fees.

EXHIBIT C
DELEGATED FUNCTIONS

A. DELEGATED CREDENTIALING.

As a condition of the Vision Services Agreement, VSP shall perform credentialing and recredentialing functions in accordance with this Exhibit for all VSP Network Providers. VSP desires to accept the delegation of certain credentialing and recredentialing services in accordance with the terms and conditions of this Agreement.

1. Delegation.

1.1. Scope. Health Plans hereby delegate to VSP the credentialing and recredentialing services set forth in Exhibit C. Such delegation shall be effective for VSP Network Providers who have executed or will execute a Participation Agreement with VSP, in accordance with the terms and conditions set forth in this Section A of this Exhibit.

Standards. VSP agrees that it shall perform the Credentialing Services in accordance with the applicable Health Plan Accreditation Standards (NCQA, URAC, etc.) and the state and federal regulatory guidelines and mandates. In addition, VSP agrees that it shall comply with Health Plans' quality improvement program including but not limited to HEDIS, CAHPS, and related quality studies and monitoring.

2. Records.

2.1. Maintenance. VSP agrees to prepare and maintain all appropriate records from time to time as shall be necessary and appropriate for Health Plans to monitor the provision of Credentialing Services under this Section A of this Exhibit. All such records shall be maintained in accordance with prudent record-keeping procedures and as required by the Standards.

2.2. Access. Upon written notice to VSP, or as required by state or federal law, VSP shall allow Health Plans, and/or the appropriate state and/or federal agencies to review VSP's financial, accounting and administrative books and records relating to the provision or performance of Credentialing Services by and through VSP. Such review shall take place at the site where VSP maintains such records during VSP's normal business hours unless otherwise permitted by law.

3. Reservation of Rights.

3.1. General Oversight. Health Plans shall retain the right to oversee VSP's performance of the Credentialing Services. Accordingly, VSP's credentialing and recredentialing process shall be subject at all times to review and approval by Health Plans. Specifically, Health Plans shall have the right to review all information retained by VSP regarding the Credentialing Services, in order to evaluate VSP's compliance with the Standards and the terms of this Section A of this Exhibit. VSP shall make this information available to Health Plans, in accordance with Section 2.2, for such oversight purposes.

3.2. Action by Health Plans. Health Plans reserve the right to approve, suspend, or terminate any VSP Network Provider credentialed or recredentialed by VSP. In addition, as set forth in Section 4.3.3, Health Plans may rescind the delegation of the Credentialing Services if, in Health Plans' opinion, VSP's performance of the Credentialing Services jeopardizes either the health or safety of Members or Health Plans' compliance with applicable statutory, regulatory or other certification requirements and VSP has failed to take prompt corrective action after receiving notice of such problem from Health Plans.

4. Term/Termination.

4.1. Term. VSP shall perform delegated Credentialing Services for Health Plans concurrent with the term of the Agreement.

This language shall apply to 4.2 and 4.3: In the event that Health Plan terminates VSP's performance of Delegated Credentialing Activities in accordance with the terms of Exhibit C, either party reserves the right to terminate the Agreement upon thirty (30) days advance notice.

4.2. Termination without Cause. Either party may terminate the delegation of Credentialing Services by providing ninety (90) days prior written notice of such termination to the other Party.

4.3. Termination with Cause. The delegation of Credentialing Services may be terminated by the non-defaulting Party for cause of the defaulting party upon the happening of any of the following events of default and upon compliance with the notice provisions set forth below or elsewhere in this Agreement:

4.3.1. Failure to Meet Obligations. If either Party defaults in the performance of any material duties or obligations of the Credentialing Services outlined herein, including the inability or refusal to provide Credentialing Services hereunder, and such default has not been cured within thirty (30) days of the non-defaulting Party's giving of written notice of such default, specifying the nature of the alleged default or breach, the nondefaulting Party may give notice of intent to terminate the delegated credentialing arrangement to the other Party, and such delegation shall terminate on the sixtieth (60th) day following the date of such notice of intent to terminate. Notwithstanding the foregoing, the Parties understand and agree that Health Plans may first notify VSP that it must develop and implement an action plan to correct any failure to perform the Credentialing Services in accordance with Section A of this Exhibit.

4.3.2. Loss of Licensure or Insurance/Felony Conviction. Either Party may terminate this delegated Credentialing Services outlined herein immediately upon the: (i) suspension, revocation or termination of the other Party's license, if applicable; (ii) the other Party's loss of professional liability insurance; or (iii) the felony conviction or plea of nolo contendere of the other Party or any officer, director of employee of the other Party.

4.3.3. Danger to Health or Safety of Covered Individuals/Compliance with Regulations. Health Plans may choose to terminate its delegation of credentialing services to VSP if, in Health Plans' opinion, VSP's performance of the Credentialing Services jeopardizes the health or safety of Members or Health Plans' compliance with applicable statutory, regulatory or other certification requirements. Such termination may only take place if Health Plans has provided written notification to VSP of such problems and VSP has failed to take prompt corrective action.

4.4. Termination of Services Agreement. Delegation of Credentialing Services to VSP by Health Plans shall terminate immediately upon the termination, for any reason, of the Vision Services Agreement.

B. CLAIMS PROCESSING

1. Delegation.

1.1 Scope. Health Plans delegate to VSP responsibility for processing Claims received from VSP Network Providers for services provided to Members under the Agreement. VSP shall act in accordance with the Ethics and Fairness in Carrier Business Practices Act in Virginia and/or the Fair Business Practices Act in West Virginia, as set forth in Exhibit E and Exhibit D, and other applicable state and federal law, and accreditation requirements.

1.2 Health Plan Approval. VSP's claims processing activities are subject to review and approval by Health Plans. A copy of VSP's detailed Claims Processing policies and procedures shall be made available to Health Plans upon request.

2. Claims Processing Program.

2.1 Policies and Procedures. VSP shall maintain a documented description of VSP's Claim Processing Program which, at a minimum, satisfies the standards and procedures required by applicable laws and regulations. All delegated claims processing activities shall be performed by VSP in strict compliance with VSP's written Claims Processing Program as approved by Health Plans.

2.2 Standards for Claims Processing. VSP represents and warrants that VSP's Claim Processing Program shall be administered in accordance with standards and procedures established in accordance with State and Federal law standards and shall include, but is not limited to, the following:

2.2.1 All claims shall be processed within the time period required by State and Federal Law for payment of claims, as set forth in Exhibits E and D.

2.2.2 VSP shall have an appropriate medical review process in place to review claims when necessary.

2.2.3 VSP shall notify Members of any wholly or partially denied claim(s), for which the Member will have financial liability, within the time periods identified above. Such notice shall state the portion of the claim that is contested, the specific reasons for contesting the claim, and

information on how the Member may appeal VSP's initial determination through Health Plans' appeal and grievance program.

2.2.4 VSP must participate, cooperate, and comply with Health Plans for accessing medical records and/or any other documentation used by VSP in making benefit determinations under this Agreement.

C. QUALITY IMPROVEMENT

1. **Delegation of QI Activities:** Health plans delegate to VSP the responsibilities of maintaining an annual QI program description, workplan with at least semiannual reporting of QI monitoring and collaborative QI activities (including but not limited to data necessary for HEDIS® reporting and other QI studies) required by Health Plans for compliance with accreditation standards and state and federal regulations.

EXHIBIT D

WEST VIRGINIA BUSINESS PRACTICES STANDARDS

This Exhibit D shall apply to all payments Carelink (for itself and on behalf of CHLIC or Payor) makes to VSP related to Covered Services rendered to Members by West Virginia-based VSP Network Providers, and to all payments VSP makes to West Virginia-based VSP Network Providers, for Covered Services rendered to Members. To the extent anything in this Exhibit D conflicts with other provisions in the Agreement, the requirements of this Exhibit D shall govern. VSP shall adhere to the standards set forth below and include the same language in its Participation Agreements.

1. As applicable, Carelink's payments or denials to VSP, and VSP's payments or denials on Carelink's behalf to VSP Network Providers, shall be made within forty (40) days of receipt of the Clean Claim if submitted manually, or thirty (30) days of receipt of a Clean Claim if submitted electronically, except under the following circumstances:

(a) Another party is responsible for the Claim;
(b) Health Plan or VSP is coordinating benefits with another party;
(c) VSP or VSP Network Provider has already been paid for the Claim;
(d) The Claim was submitted fraudulently; or
(e) The Claim included a material misrepresentation.

Failure to pay Clean Claims pursuant to this Exhibit shall result in the accrual of interest in accordance with the *Ethics and Fairness in Carrier Business Practices Act*, W.Va. Code Title 33, Article 44, Section 2 (§ 33-45-2). Interest shall be paid and accompanied by an explanation of the assessment on each claim of interest paid, without necessity of demand, at the time the Claim is paid, or within thirty (30) days thereafter.

2. VSP shall submit Claims for reimbursement, as required by this Exhibit and the Agreement. VSP shall require VSP Network Providers to submit claims in accordance with Participation Agreements.

3. Carelink shall maintain a written or electronic record of the date a Claim was received from VSP. Likewise, VSP on Carelink's behalf shall maintain a written or electronic record of the date a Claim was received from VSP or a VSP Network Provider. VSP or VSP Network Provider, or other person submitting Claim on VSP's or VSP Network Provider's behalf, shall be entitled to inspect and rely upon such record, or any

other admissible evidence as proof of Carelink's or VSP's receipt of the Claim, including without limitation, electronic or facsimile copies. If Carelink, or VSP, fails to maintain electronic or written record of the date a Claim is received, the Claim shall be considered to have been received three (3) business days after the Claim was submitted, based on the written or electronic record of the date of submission by VSP or the VSP Network Provider, or person submitting the Claim on VSP's or VSP Network Provider's behalf.

4. Carelink shall not be responsible for paying VSP for a Claim (Clean or otherwise) for previously authorized Covered Services, and VSP shall not be responsible for paying a VSP Network Provider for a Claim (Clean or otherwise) for previously authorized Covered Services under any of the circumstances listed in Section 1 of this Exhibit D above, or as follows:

(a) The documentation for the Claim fails to support the Claim as originally authorized.
(b) The authorization was based in whole or material part on erroneous information provided to Carelink by VSP or a Member, or to VSP by VSP Network Provider or a Member.
(c) The person receiving the services was ineligible to receive the services, or the services were not Covered Services, and neither Carelink nor VSP nor VSP Network Provider knew, and could not have reasonably known about the ineligibility.
(d) The Claims are in dispute.
(e) The service provided was not a Covered Service and neither VSP nor Health Plans knew, or with the exercise of reasonable care could have known, at the time of the authorization, that the service was not a Covered Service.

5. Carelink or VSP on Carelink's behalf may require appropriate documentation and coding to support payment for Covered Services or determine whether a Claim is a Clean Claim. Carelink or VSP within thirty (30) days of receiving a Claim, may request electronically, or in writing, information and documentation, if any, that Carelink, or VSP, reasonably believes will be required in order to process and pay the Claim or to determine if the Claim is a Clean Claim. Carelink or VSP shall use all reasonable efforts to ask for all desired information in one request, and shall, if necessary, within fifteen (15) days of receipt of the information, (a) only request or require additional information one more time, if such additional information could not have been reasonably identified at the time of the original request or (b) specifically identify a material failure to provide the information requested in the initial request. Upon receipt of information under this Section, Carelink or VSP shall either make or deny payment within thirty (30) days.

6. Neither Carelink nor VSP acting on Carelink's behalf may refuse to pay a Clean Claim for Covered Services rendered pursuant to this Agreement, rendered by a VSP Network Provider pursuant to such VSP Network Provider's agreement with VSP if Carelink or VSP fails to timely notify, or attempt to timely notify, VSP or VSP Network Provider of the information needed, in accordance with Section 5 above, within thirty (30) days, unless such failure was caused in material part by the VSP, VSP Network

Provider, or person submitting the Claim on VSP or VSP Network Provider's behalf. Nothing herein, however, shall preclude Carelink or VSP from imposing a retroactive denial of payment of such claim as permitted by this Agreement or the Participation Agreement. For purposes of this Exhibit, "retroactive denial" means the practice of denying previously paid claims by withholding or setting off against payments, or in any other manner reducing or affecting the future claim payments to the provider, or to seek direct cash reimbursement from a provider for a payment previously made to the provider.

7. Carelink or VSP may reduce or deny payment for services which are not submitted for payment in accordance with the provisions of this Exhibit or the Agreement, or pertinent provisions of the Participation Agreement, or which are not billed or coded in accordance with generally accepted industry standards for billing and coding practices, which may include the use of industry accepted software to edit Claims to ensure appropriate billing and coding practices.

8. Neither Carelink nor VSP on Carelink's behalf may impose any retroactive denial of a previously paid claim unless (i) the original Claim was submitted fraudulently or contained material misrepresentations, (ii) the original Claim payment was incorrect because VSP or the VSP Network Provider was already paid for the Covered Services identified on the Claim or the Covered Services on the Claim were not delivered, (iii) VSP or the VSP Network Provider were not entitled to reimbursement; (iv) the service provided was not covered by Carelink or VSP; or (v) the Member was not eligible for reimbursement.

9. Within forty (40) days of receipt of a notice of retroactive denial, VSP shall notify Carelink, or VSP Network Providers shall notify VSP of its intent to pay or demand written explanation of the reasons for the retroactive denial. Upon receipt of explanation for retroactive denial, VSP shall reimburse Carelink, or VSP Network Provider shall reimburse VSP, within thirty (30) days for allowing an offset against future payments or provide written notice of dispute. Disputes shall be resolved between the parties within thirty (30) days of receipt of notice of dispute. Upon resolution of dispute pursuant to the process set forth in the Provider Manual, VSP or the VSP Network Provider shall pay any amount due or provide written authorization for an offset against future payments.

10. Carelink or VSP shall have one (1) year from the date the Claim was originally paid to make a retroactive denial when such denial is being made due to (ii), (iii), (iv) and (v) in Section 8 of this Exhibit D There shall be no time limitations for retroactive denials for Claims that were submitted fraudulently or that contained material misrepresentations

11. Carelink or VSP on Carelink's behalf shall establish and implement reasonable policies to permit VSP or any VSP Network Provider (i) to confirm in advance during normal business hours by free telephone or electronic means if available whether the service to be provided is a Covered Service and (ii) to determine requirements applicable to VSP or VSP Network Providers for (a) precertification or authorization of coverage

decisions, (b) retroactive reconsideration of a certification or authorization of coverage decision or retroactive denial of a previously paid claim, (c) provider-specific payment and reimbursement methodology, coding levels and methodology, downcoding, and bundling of Claims, and (d) other provider-specific, applicable claims processing and payment matters necessary to meet the terms and conditions of the Participation Agreement, including determining whether a Claim is a Clean Claim. In the event Carelink's provision of a policy to VSP or VSP Network Providers, or in the event VSP's provision of a policy to VSP Network Providers, regarding the applicable fee schedule, reimbursement policy or statement as to the manner in which Claims will be calculated and paid, or to the range of health care services reasonably expected to be delivered on a routine basis, would violate any applicable copyright law, Carelink may instead provide to VSP, and/or VSP may instead provide to VSP Network Providers, a clear, written explanation of the policy as it applies.

12. VSP agrees, and VSP shall require VSP Network Providers to agree in writing, that in no event, including, but not limited to, nonpayment by Health Plans or VSP, Health Plans or VSP insolvency, or breach of the Agreement or a Participation Agreement, shall VSP or VSP Network Providers bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against a Member or persons other than Health Plans or VSP for services rendered under the Agreement. For purposes of this section, services rendered under the Agreement include those health care services delivered to Members by any and all health care professionals employed by or independently contracted with VSP and VSP Network Providers. This section shall not prohibit collection of copayments, coinsurance, or deductibles in accordance with the applicable Member Contract. VSP further agrees, and shall require VSP Network Providers to agree, that: (i) this provision shall survive termination of the Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Member; and (ii) this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between VSP, VSP Network Provider, a Member, or a person acting on Member's behalf. VSP shall include a section substantially similar to this Section in its Participation Agreements.

EXHIBIT E

VIRGINIA BUSINESS PRACTICES STANDARDS

This Exhibit E shall apply to all payment Southern Health makes to VSP (for itself and on behalf of CHLIC and Payors), and to all payments VSP makes to VSP Network Providers for Covered Services rendered to Members enrolled in groups sitused in Virginia. To the extent anything in this Exhibit E conflicts with other provisions in this Agreement, the requirements of this Exhibit E shall govern. VSP shall adhere to the standards set forth below and include the same language in its Participation Agreements.

I. PAYMENT OF CLEAN CLAIMS

1.1 Southern Health and Payors (collectively hereinafter referred to as "Southern Health") shall make payments to VSP, and VSP shall make payments to its VSP Network Providers, within forty (40) days of receipt of the claim, except where the obligation to pay a claim is not reasonably clear due to the existence of a reasonable basis supported by specific information available for review by the person submitting the claim that:

a. the claim is determined not to be a Clean Claim due to a good faith determination or dispute regarding (i) the manner in which the claim form was completed or submitted, (ii) the eligibility of a person for coverage, (iii) the responsibility of another carrier for all or part of the claim, (iv) the amount of the claim or the amount currently due under the claim, (v) the benefits covered, or (vi) the manner in which services were accessed or provided; or

b. the claim was submitted fraudulently.

1.2 Southern Health and VSP on Southern Health's behalf shall maintain a written or electronic record of the date or receipt of claims received. The person submitting the claim shall be entitled to inspect such record or request and to rely on that record or on any other admissible evidence as proof of the fact of receipt of the claim, including without limitation, electronic or facsimiles confirmation of receipt of a claim. A claim must be filed with Southern Health or VSP within twelve (12) months of the date of service.

II. REQUEST FOR INFORMATION AND DOCUMENTATION

2.1 Southern Health or VSP on Southern Health's behalf shall, within thirty (30) days after receipt of a claim, request electronically or in writing from the person who submitted the claim the information and documentation, if

any, that Southern Health or VSP on Southern Health's behalf reasonably believes will be required in order to process and pay the claim or to determine if the claim is a Clean Claim. Upon receipt of the additional information requested necessary to make the original claim a Clean Claim, Southern Health or VSP shall make the payment of the claim in compliance with Virginia law and Section 1 above.

2.2 Southern Health shall not refuse to pay a claim for Covered Services rendered pursuant to this Agreement which are covered benefits if Southern Health or VSP fails to timely notify or attempt to notify the person who submitted the claim of the matters identified above unless such failure was caused in material part by the person who submitted the claims; however, nothing herein shall preclude Southern Health or VSP from paying a claim which is not a Clean Claim.

III. INTEREST

3.1 Southern Health or VSP on Southern Health's behalf shall pay any interest owing or accruing on a claim that requires interest payment to be made under Virginia law, without necessity of demand, at the time the claim is paid or within sixty (60) days thereafter, excluding time for mailing.

IV. VSP NETWORK PROVIDER REQUESTS FOR INFORMATION

4.1 Southern Health or VSP on Southern Health's behalf shall establish and implement reasonable policies to permit VSP or any VSP Network Provider (i) to confirm in advance during normal business hours by free telephone or electronic means if available whether the service to be provided is a Covered Service and (ii) to determine Southern Health's or VSP's applicable requirements for (a) pre-certification or authorization of coverage decisions, (b) retroactive reconsideration of a certification or authorization of coverage decision or retroactive denial of a previously paid claim, (c) provider-specific payment and reimbursement methodology, coding levels and methodology, downcoding, and bundling of claims, and (d) other provider-specific, applicable claims processing and payment matters necessary to meet the terms and conditions of this Agreement, including determining whether a claim is a Clean Claim.

4.2 If Southern Health or VSP on Southern Health's behalf routinely, as a matter of policy, bundles or downcodes claims, Southern Health or VSP on Southern Health's behalf shall clearly disclose that practice, and the specific bundling and downcoding polices to be used in this Agreement, VSP Network Provider Agreements, or on their websites. If Southern Health or VSP on Southern Health's behalf routinely, as a matter of policy, bundles or downcodes claims, Southern Health or VSP on

Southern Health's behalf shall clearly disclose that practice and the specific bundling and downcoding polices to be used in this Agreement, VSP Network Provider Agreements, or on their websites

4.2.1 Further, Southern Health an VSP on Southern Health's behalf shall either

(i) disclose in this Agreement, VSP Network Provider Agreement, or on their websites, the specific bundling and downcoding policies that Southern Health, or VSP on behalf of Southern Health or Payor reasonably expects to be applied to VSP or a provider or VSP's or provider's services on a routine basis as a matter of policy or

(ii) disclose in this Agreement, and VSP, on behalf of Southern Health or Payor, shall disclose in each VSP Network Provider Agreement, a telephone or facsimile number or e-mail address that VSP or a VSP Network Provider can use to request the specific bundling and downcoding policies that Southern Health or VSP, on behalf of Southern Health or Payor, reasonably expects to be applied on a routine basis as a matter of policy. If such request is made by or on behalf of VSP or a VSP Network Provider, Southern Health or VSP on behalf of Southern Health or Payor shall provide VSP or the requesting VSP Network Provider with such policies within ten (10) working days following the date the request is received

4.3 Southern Health, or VSP on behalf of Southern Health or Payor, shall make available to VSP or a VSP Network Provider within ten (10) working days of receipt of a request, copies of or reasonable electronic access to all such policies which are applicable to VSP, the VSP Network Provider, or to the particular Covered Services identified by VSP or the VSP Network Provider. In the event the provision of the entire policy would violate any applicable copyright law, Southern Health, or VSP on behalf of Southern Health or Payor, may instead comply with this requirement by timely delivering to VSP or a VSP Network Provider, a clear explanation of the policy as it applies to VSP or VSP Network Provider, and to any Covered Services identified by VSP or the VSP Network Provider.

V. AUTHORIZATION OF SERVICES

1. Southern Health, or VSP on behalf of Southern Health or Payor, shall pay a claim if Southern Health, or VSP on behalf of Southern Health or Payor, previously authorized the Covered Services or advised VSP, VSP Network Provider, or Enrollee, in advance of the provision of Covered Services that the services requested are Covered Services, unless

(i) The documentation for the claim provided by the person submitting the claim clearly fails to support the claim as originally authorized; or

(ii) Southern Health's refusal, or VSP's refusal on behalf of Southern Health or Payor, is because (i) another payor is responsible for payment, (ii) VSP or VSP Network Provider has already been paid for the Covered Services identified on the claim, (iii) the claim was submitted fraudulently or authorization was based in whole or material part on erroneous information provided to Southern Health or VSP, on behalf of Southern Health or Payor, by VSP, Enrollee, or other person not related to Southern Health or VSP, or (iv) the person receiving the Covered Services was not eligible to receive them on the date of service and Southern Health, or VSP on behalf of Southern Health or Payor, did not know, and with the exercise of reasonable care could not have know, of the person's eligibility status.

VI. RETROACTIVE DENIAL OF CLAIMS

1. For purposes of this Exhibit, the term "Retroactive Denial of a Previously Paid Claim" or "Retroactive Denial of Payment" means any attempt by Southern Health or VSP on Southern Health's behalf to retroactively collect payments already made to VSP or VSP Network Provider, or any attempt by VSP or VSP Network Provider to retroactively collect payments already made to VSP or a VSP Network Provider, with respect to a claim by reducing other payments currently owed, by withholding or setting off against future payments, or in any other manner reducing or affecting the future claims payment to VSP, or payment to VSP Network Provider by VSP.

2. Southern Health, or VSP on behalf of Southern Health or Payor, shall not impose any Retroactive Denial of a Previously Paid Claim or Retroactive Denial of Payment, unless Southern Health, or VSP on behalf of Southern Health or Payor, provides the reason for the retroactive denial and (i) the original claim was submitted fraudulently, (ii) the original claim payment was incorrect because VSP or VSP Network Provider was already paid for the Covered Services identified on the claim or the Covered Services on the claim were not delivered by VSP or VSP Network Provider, or (iii) the time which has elapsed since the date of the payment of the original challenged claim does not exceed the lesser of (a) twelve (12) months or (b) the number of days within which Southern Health, or VSP on behalf of Southern Health or Payor, requires under this Agreement that a claim be submitted by the provider following the date on which a health care

service is provided. Southern Health, or VSP on behalf of Southern Health or Payor, agrees to notify VSP or VSP Network Provider at least thirty (30) days in advance of any retroactive denial.

3. Southern Health, or VSP on behalf of Southern Health or Payor, shall not impose any retroactive denials of payment or in any other way seek recover or refund from a previously paid claims unless Southern Health, or VSP on behalf of Southern Health or Payor, specifies in writing the specific claim or claims for which the retroactive denial is to be imposed, or the recovery or refund is sought. Such written communications shall also contain an explanation of why the claim is being retroactively adjusted.

VII. INCLUSIONS OR ATTACHMENTS

7.1 Southern Health, or VSP on behalf of Southern Health or Payor, warrants that at the time this Exhibit and Agreement are presented to VSP or at the time that VSP presents similar language to VSP Network Providers for execution (i) the fee schedule, reimbursement policy or statement as to the manner in which claims will be calculated and paid which is applicable to VSP or the VSP Network Providers to the range of Covered Services reasonably expected to be delivered by VSP or VSP Network Providers on a routine basis and (ii) all material addenda, schedules and exhibits thereto and any policies (including those referred to in Section IV) applicable to VSP or to VSP Network Providers to the range of Covered Services reasonably expected to be delivered by VSP or VSP Network Providers under this Agreement or the VSP Network Provider Agreement will be included or attached as part of this Agreement or the VSP Network Provider Agreement.

VIII. COPYRIGHT

8.1 In the event that Southern Health's provision of a policy required to be provided by the terms of this Exhibit, or VSP's provision of a policy on behalf of Southern Health or Payor, would violate any applicable copyright law, Southern Health, or VSP on behalf of Southern Health or Payor, may instead comply with this section by providing a clear, written explanation of the policy as it applies to VSP or VSP Network Provider.

IX. CLAIMS PAYMENT DISPUTES

9.1 Southern Health, or VSP on behalf of Southern Health or Payor, shall establish, in writing, Southern Health's, or VSP's on behalf of Southern Health or Payor, claims payment dispute mechanism and shall make this information available to VSP or VSP Network Providers.

X. HOLD HARMLESS

10.1 Neither VSP nor VSP Network Providers shall maintain any action at law against a Member to collect sums owed by Southern Health or a Payor. In the event Southern Health, a Payor, or VSP fails to pay for Covered Services as set forth herein, Member shall not be liable to VSP or VSP Network Provider for any sums owed by either VSP or Southern Health or Payor.

10.2 VSP hereby agrees, and shall require VSP Network Providers to agree in writing, that in no event, including but not limited to nonpayment by Southern Health, VSP, or a Payor, the insolvency of Southern Health, VSP, or a Payor, or breach of the Agreement, shall VSP or VSP Network Providers bill, charge, collect a deposit from, seek compensation, remuneration, or reimbursement from, or have any recourse against Members or persons other than Southern Health for Covered Services rendered under the Agreement. This Section 10 shall not prohibit collection of any applicable copayments or deductibles billed in accordance with the terms of the applicable Health Benefit Plan.

10.3 VSP agrees, and shall require VSP Network Providers to agree in writing, that the requirements set forth in this Section 10 (i) shall survive the termination of the Agreement regardless of the cause giving rise to such termination and shall be construed to be for the benefit of the Members, and (ii) supersede any oral or written agreement to the contrary now or hereafter entered into between VSP or VSP Network Providers and the Members or persons acting on a Member's behalf.

Exhibit F

VIRGINIA MEDICAID (CARENET) AND WEST VIRGINIA MEDICAID PRODUCT GUIDELINES

1. No terms of this Amendment are valid which terminate legal liability of Health Plans in their Medicaid HMO Contracts.
2. VSP agrees, and shall require VSP Network Providers to agree, to participate in and contribute required data to Health Plans' quality improvement and other assurance programs as required by the West Virginia and Virginia Medicaid programs.
3. VSP agrees, and shall require VSP Network Providers to agree, to abide by the terms of the West Virginia and Virginia Medicaid programs for the timely provision of emergency and urgent care. Where applicable, VSP agrees, and shall require VSP Network Providers to agree, to follow those procedures for handling urgent and emergency care cases stipulated in any required hospital/emergency department Memorandums of Understanding signed by Health Plans in accordance with the West Virginia and Virginia Medicaid programs.
4. VSP agrees, and shall require VSP Network Providers to agree, to submit utilization/encounter data in the format specified by Health Plans, so Health Plans can meet applicable agency specifications.
5. VSP agrees, and shall require VSP Network Providers to agree, to comply with all non-discrimination requirements in the West Virginia and Virginia Medicaid programs.
6. VSP agrees, and shall require VSP Network Providers to agree, to comply with all record retention requirements and, where applicable, the special reporting requirements on sterilization and hysterectomies stipulated in the West Virginia and Virginia Medicaid programs.
7. VSP agrees, and shall require VSP Network Providers to agree, to provide representatives of Health Plans, as well as duly authorized agents or representatives of the Agency, the U.S. Department of Health and Human Services, and the State Medicaid Fraud Units access to its premises and its contract and/or medical records in accordance with the West Virginia and Virginia Medicaid programs. VSP agrees, and shall require VSP Network Providers to agree, to otherwise to preserve the full confidentiality of medical records in accordance with the West Virginia and Virginia Medicaid programs.
8. VSP agrees, and shall require VSP Network Providers to agree, to the requirements for maintenance and transfer of medical records stipulated in the West Virginia and Virginia Medicaid programs. VSP agrees, and shall require VSP Network Providers to agree, to make medical records available to recipients and their authorized representatives within ten (10) working days of the record request.
9. VSP agrees, and shall require VSP Network Providers to agree, to ensure confidentiality of family planning services in accordance with the West Virginia and Virginia Medicaid programs, except to the extent required by law, including, but not limited to, the Virginia Freedom of Information Act.

10. VSP shall not, and shall prohibit VSP Network Providers from creating barriers to access to care by imposing requirements on recipients that are inconsistent with the provision of Medically Necessary and Covered Benefit Services under the Medicaid programs.
11. VSP agrees, and shall require VSP Network Providers to agree, to clearly specify referral approval requirements to his/her providers and in any sub-contracts.
12. VSP shall not bill, and shall prohibit VSP Network Providers from billing, a Health Plan Medicaid Member for Medically Necessary Medicaid Covered Benefit Services provided during the Health Plans' Medicaid Member's period of enrollment in the Health Plan. This provision shall continue to be in effect even if Health Plans become insolvent. However, if a Health Plan Medicaid Member agrees in writing in advance of receiving the service to pay for a non-Medicaid covered service, then VSP/VSP Network Provider, Health Plans, or a subcontractor of Health Plans may bill the Medicaid Member.
13. VSP agrees, and shall require VSP Network Providers to agree, to forward to Health Plans medical records, within ten (10) working days of Health Plans' request.
14. VSP agrees, and shall require VSP Network Providers to agree, to promptly provide or arrange for the provision of all services required under the Participation Agreement and this Agreement.
15. Health Plans shall pay VSP, and VSP shall pay VSP Network Providers within thirty (30) days of the receipt of a Clean Claim for Medicaid Covered Services rendered to Health Plans' Medicaid Members unless another timeframe in which payment must be made is mutually agreed upon by the parties.
16. Notwithstanding any other provision to the contrary, the obligations of Health Plans hereunder shall be limited to annual appropriations by the governing bodies in the Commonwealth of Virginia and the State of West Virginia with respect to the states' Medicaid programs.

Exhibit G

MEDICARE PRODUCT GUIDELINES

The following provisions are required by the Medicare Advantage ("MA") Program and shall only apply to Covered Services rendered to Health Plans' Members enrolled in one of Health Plans' Medicare products. In the event of changes to the governing laws, regulations, or agency requirements applicable to the MA Program, this Exhibit G shall be superseded to the extent required by any such later required changes. In the event of any inconsistency between the Agreement and this Exhibit G, as pertains to Health Plans' MA Members or activities, the terms of this Exhibit G shall govern. VSP shall, and shall require VSP Network Providers to, comply with these terms and conditions with respect to rendering Covered Services to Health Plans' MA members.

1. **Audit and Inspection**.

   a. The Department of Health and Human Services ("HHS"), the Comptroller General, or their designees shall have the right to audit, evaluate, or inspect any books, contracts, medical records, patient care documentation, and other records of VSP and/or VSP Network Providers that pertain to any aspect of services performed, reconciliation of benefit liabilities, and determination of amounts payable under the Agreement, including this Exhibit, or as the Secretary of HHS may deem necessary to enforce the Agreement and/or this Schedule.

   b. VSP agrees to make available, and shall require VSP Network Providers to agree to make available, for the purposes of protecting beneficiaries, and protecting against fraud, its premises, physical facilities, and equipment, records relating to MA Members, and any additional relevant information that the Centers for Medicare and Medicaid Services ("CMS") may require.

   c. HHS, the Comptroller General, or their designees, have the right to inspect, evaluate, and audit for a period of ten (10) years from the end of the termination of the Agreement, or completion of an audit, whichever is later, unless such time frame is extended pursuant to 42 C.F.R. § 422.502(e)(4) (such as in the event of fraud). This provision shall survive termination of the Agreement.

2. **Maintenance and Audit of Records**. VSP shall preserve, and shall require VSP Network Providers to preserve, records for the longer of (a) ten (10) years from the date the Agreement ends, or from the date of completion of any audit, whichever is longer, or longer if so required by CMS or (b) as required by state law.

3. **Requirements Binding Upon VSP Network Providers**. VSP's Participation Agreements with VSP Network Providers shall be in writing and shall specify the delegated activities and reporting responsibilities. VSP shall include in such Participation Agreements all of the contractual and legal obligations required by Health Plans, or the

laws, regulations, rules and directions of CMS including, but not limited to, those described in this Exhibit G, and 42 CFR 422.504(i)(4), and any other applicable state and/or federal law. To the extent CMS requires additional provisions to be included in such Participation Agreements, VSP shall amend its contracts accordingly. Health Plans reserve the right to revoke, or otherwise limit, VSP's ability to use subcontractors at any time.

4. **Prompt Payment.** Health Plans shall pay all Clean Claims, as that term is defined in the Agreement and applicable state law. Any interest payment requirements that may be due pursuant to the Agreement are not applicable to payments made by Health Plans for services rendered to MA Members.

5. **Compliance With Laws.** VSP shall require all VSP Network Providers to comply with all applicable Medicare laws, regulations and CMS instructions. Any provision required to be in the Agreement by the rules and regulations governing the MA Program shall bind the parties whether or not provided in the Agreement. In addition, to the extent applicable, VSP shall comply with the obligations in the contract between CMS and Health Plans governing Health Plans' participation in the MA Program, and VSP shall require same from VSP Network Providers.

6. **Accountability and Delegation.** To the extent that VSP has been delegated any activities or functions which are the responsibility of Health Plans, VSP shall make such periodic and other reports as reasonably required by Health Plans, and Health Plans shall at all times retain the right to monitor VSP's performance thereof through its quality assurance and improvement or other programs. Health Plans reserves the right to revoke such delegation in the event that either Health Plans or CMS determines that such activities or functions have not been performed in a satisfactory manner.

7. **Credentialing.** If Health Plans delegates credentialing or recredentialing to VSP, VSP's credentialing/recredentialing process is subject to review and approval by Health Plans. Health Plans shall also be entitled to audit such credentialing/recredentialing process on an ongoing basis. If Health Plans delegate selection of providers, contractors, or subcontractors to VSP, Health Plans retain the right to approve, suspend, or terminate any such arrangement at any time, in its own discretion. Health Plans reserves the right to review the credentials of any health care professional credentialed/recredentialed by VSP. Health Plans reserve the right to revoke, or otherwise limit, any delegated credentialing functions that VSP performs, as stated in Section 6 above.

8. **Provider Manual/Participation Procedures.** The Provider Manual sets forth Health Plans' administrative procedures for operationalizing many of the requirements of the Agreement and the MA Program. Health Plans may modify the Provider Manual from time to time. VSP shall comply with the requirements set forth in the Provider Manual, and shall require VSP Network Providers to comply with the requirements set forth in the Provider Manual, as applicable. In the event of any inconsistency between the Provider Manual and this Exhibit, the terms of this Exhibit shall govern.

9. **Receipt of Federal Funds**. VSP understands and agrees, and shall require VSP Network Providers to understand and agree, that payments received by Health Plans from CMS pursuant to Health Plans' contract with CMS are Federal funds. As a result, VSP, by entering into the Agreement and this Exhibit, and VSP Network Providers by entering into the Participation Agreements, are subject to laws applicable to individuals/entities receiving Federal funds, including but not limited to, Title VI of the Civil Rights Act of 1964 as implemented by regulations at 45 C.F.R. part 84; the Age Discrimination Act of 1975, as implemented by regulations at 45 C.F.R. part 91; the Rehabilitation Act of 1973; and the Americans with Disabilities Act.

10. **Submission and Certification of Data**

    a. VSP hereby acknowledges that Health Plans are required to provide CMS and other federal and state regulatory agencies and accrediting organizations with encounter data as requested by such agencies and organizations. Such data may include medical records and all other data necessary to characterize each encounter between VSP or VSP Network Provider and a Health Plan MA Member. VSP agrees to cooperate, and shall require VSP Network Providers to agree to cooperate, with Health Plans and provide Health Plans with all such information in such form and manner as requested by Health Plans.

    b. VSP recognizes that as a MA organization, Health Plans are required to certify the accuracy, completeness and truthfulness of data that CMS requests. Such data include encounter data, payment data, and any other information provided to Health Plans by its contractors and subcontractors. VSP and VSP Network Providers hereby certify that any such data submitted to Health Plans will be accurate, complete and truthful. Upon request, VSP and VSP Network Providers shall make such certification in the form and manner prescribed by Health Plans.

11. **Relationships with Excluded Entities**. VSP shall not employ or contract, and VSP shall prohibit VSP Network Providers from employing or contracting, for the provision of health care, utilization review, medical social work or administrative services with any individual excluded from participation in Medicare under Section 1128 or 1128A of the Social Security Act. VSP hereby certifies, and VSP shall require VSP Network Providers to certify, that no such excluded person currently is employed by or under contract with VSP or VSP Network Providers, or with any "downstream" entity with which VSP or VSP Network Providers contract relating to the furnishing of these services to Medicare Members. VSP shall review, and VSP shall require VSP Network Providers to review, the Department of Health and Human Services Office of the Inspector General (OIG) and the General Services Administration (GSA) exclusion lists for all new employees, independent contractors and downstream entities with which VSP and VSP Network Providers contracts and, at least annually, to confirm that current employees, independent contractors and downstream entities have not been excluded, sanctioned, or otherwise barred from participating in the Medicare/Medicaid programs.

12. **Compensation.** Health Plans shall pay VSP in accordance with Exhibit A to the Agreement.

The following Sections 13, 14, and 15 shall apply only to those VSP Network Providers that dispense outpatient prescription drugs that are covered under Medicare Part D (such as, but not limited to, home infusion drugs).

13. **Price Differential.** VSP shall require that, at the time of purchase by a MA Member, VSP Network Providers must inform the MA Member of any differential between the price of the Home Infusion Pharmaceutical Product being dispensed and the price of the lowest priced generic version of that Home Infusion Pharmaceutical Product available from VSP Network Provider, unless the Home Infusion Pharmaceutical Product being dispensed is the lowest priced generic version of that Home Infusion Pharmaceutical Product.

14. **MA Member Counseling and Enrollee Information.** VSP shall require that VSP Network Providers offer counseling to MA Members, when appropriate. Furthermore, VSP shall require that VSP Network Providers implement a method for maintaining up-to-date MA Member information, including, but not limited to, Member demographic information and food and drug allergy information.

15. **Submission of Claims.** If VSP Network Provider submits a hard-copy or tape claim to VSP, and VSP rejects such hard-copy or tape claim due to an error by VSP Network Provider, VSP Network Provider shall have sixty (60) days from the date the Covered Service was provided to MA Member to resubmit such claim without error, or such other time period as determined by VSP, and as set forth in the applicable Provider Manual. If VSP submits a hard-copy or tape claim to Health Plans, and Health Plans reject such hard-copy or tape claim due to an error by VSP, VSP shall have sixty (60) days from the date the Covered Service was provided to MA Member to resubmit such claim without error, or such other time period as determined by Health Plans, and as set forth in the applicable Provider Manual.

Cotiviti Subcontractor Agreement

SCHEDULE NO. 12
TO THE
PROFESSIONAL SERVICES AGREEMENT
BETWEEN
AETNA LIFE INSURANCE COMPANY
AND
COTIVITI, LLC.

The Parties agree that the terms and conditions of the Professional Services Agreement dated July 10th, 2000 (the "Agreement") between Aetna Life Insurance Company (hereinafter "Aetna" or "Client") and Cotiviti, LLC ("Cotiviti" or "Supplier") shall govern this Schedule No. 12 (the "Schedule"). In the event of a conflict between the terms and conditions of this Schedule and the terms and conditions of the Agreement, this Schedule shall prevail.

1. EFFECTIVE DATE: July1, 2017

2. AETNA/SUPPLIER KEY PERSONNEL:

A. Aetna Project Manager: Amanda Purvis
B. Supplier Project Lead: Kevin McDonald
C. Aetna Procurement Lead: Sowji Atluri

3. SERVICES:

Supplier will perform data mining and recovery audit services for Client for purposes of identifying and recovering overpaid and/or improperly paid medical claims payments (and other claim recovery opportunities), as further described in Exhibit A, Statement of Work (the "Services"). The Services rendered pursuant to this Schedule 12 will be made available only to those Aetna Medicaid lines of business specified in Exhibit C to this Schedule, irrespective of whether the names of such lines of business change names, merge, or undergo other corporate structure changes.

This assignment cannot be altered without the consent of both Aetna and Supplier. Supplier shall provide any supervision of a Supplier employee's day-to-day services.

Renewals and subsequent acquisitions of additional goods or Services described under this Schedule may be acquired via mutually executed amendment to this Schedule. In the event that the Services performed under this Schedule continue beyond the term set forth in Section 6, Term/Payment Schedule/Fees, below, the parties agree that this Schedule shall survive until an amendment for such extension is executed.

(For Administrative Purposes only) UNSPSC: 84131608

4. ASSIGNMENT LOCATION(S):

A. Services will be performed by Supplier at various Cotiviti U.S. based offices.
B. Supplier shall not perform, or engage or pay any individual or entity, to perform any services for Client under this Schedule 12 if Supplier, or such individual or entity, is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands). The Parties agree that no Aetna Medicaid data, records, or Personal Health Information (PHI), in any form (electronic or otherwise), shall be sent, accessed or stored offshore.

5. SUPPLIER EMPLOYEE(S):

A. H-1B Visa: If Supplier intends on utilizing H-1B employees in the performance of this Schedule the Supplier must comply with all applicable laws and regulations regarding the utilization of such H-1B employees.

6. TERM/PAYMENT SCHEDULE/FEES:

The Schedule shall commence as of the Effective Date, and, unless terminated earlier as permitted in this Schedule or pursuant to the terms of the Agreement, shall continue through June 30, 2020 (the "Term"). After the Term, this Schedule shall automatically renew on an annual basis for up to three (3) successive periods of one (1) year each (each a "Renewal Term") unless either party gives the other party written notice of non-renewal at least sixty (60) days prior to the end of the Initial Term or the then-current Renewal Term.

The payment schedule and Fees are set forth in Section 13 of Exhibit A, *Statement of Work*. However, the fees set forth in Exhibit A are subject to adjustment in the event of a Material Change in Membership. For purposes of this Schedule, a "Material Change in Membership" is defined as an aggregate net increase or decrease of 30% or more in the total membership of those Health Plans specified in Exhibit C, as compared to such total membership from the immediately preceding annual contract period. Provided, that, should any Health Plan in Exhibit C be dissolved, sold or otherwise ceases to exist as an Aetna Affiliate, such Health Plan's membership will no longer be considered a part of the total membership under Exhibit C when determining whether a Material Change in Membership has occurred.

In the event a Material Change in Membership has occurred, either party may provide the other party with written notice, thereby triggering a good-faith, renegotiation of fees set forth in Section 13 in order to adjust such fees commensurately in contemplation of the present circumstances. All resultant changes to the fee structure shall be codified in a mutually executed amendment to this Schedule. Provided, however, that Material Change in Membership shall not be deemed to have occurred unless such increase or decrease in membership translates directly to a net 30% increase or decrease of in-scope Services under this Schedule..

Upon termination of this Schedule, Supplier shall provide to Aetna all Materials produced as part of the Services.

7. SALES & USE TAXES: Aetna will receive the benefit of the Services in Connecticut.

8. INVOICE QUESTIONS: Any questions regarding invoices submitted for payment must be directed to Aetna's Procurement Customer Care line at 888-238-6227 or email at APCustomerCare@Aetna.com.

9. RECORDS RETENTION:

Supplier will retain Aetna business records as required by applicable federal and state laws, including Medicaid and Medicare Advantage requirements, for all performance and financial records related to the contract for a period of 10 years from the date of the contract period to which the records relate or the date of completion of any government audit, whichever is later.

10. OTHER PROVISIONS.

Supplier shall adhere to the State-Specific Compliance Addenda attached hereto as Exhibit B and its sub-exhibits, and the Medicare Services terms set forth in the Agreement, as applicable to the Services. In the event that applicable law changes in any of the states in which Services are performed and such change in law results in a conflict with the terms of the State-Specific Compliance Addenda, the parties agree to comply with applicable law(s).

IN WITNESS WHEREOF, the Parties have hereto by their duly authorized representatives executed this Schedule.

1. Description of Services and Deliverables:

1.1. Cotiviti will perform data mining and recovery audit services for Client's Health Plan Affiliates in order to identify and recover overpaid and improper medical claim payments (and other claim recovery opportunities set forth in Section 1.2 below), (the "Services"). In performance of the Services, Cotiviti will identify and validate overpayments that have not yet been identified and/or corrected (each, a "Cotiviti Opportunity"). For each Cotiviti Opportunity identified by Cotiviti, Cotiviti will be entitled to a percentage of the recovered claim opportunity as described in Section 13, for amounts actually recovered in connection with the Cotiviti Opportunity. Cotiviti will use reasonable efforts to perform the Service in a manner which minimizes disruptions to Client's daily processes.

1.2. Cotiviti will provide Client with recovery audits for the claim types set forth in Section 13, at the respective Pass Positions, Start Dates, and Rates set forth in Section 13. The Services include audits of areas such as data mining, contract compliance, provider billing errors, coordination of benefits ("COB") (including identifying Medicare and commercial primary payors or other liable payors), multiple payments, short stay, pharmacy (e.g., high cost drugs, units, cross platform drug audit, etc.), Diagnostic Related Grouper ("DRG") validation, , implant Audits/High Cost Drug ("HCD") invoice, specialty audits (Skilled Nursing Facility ("SNF")/Inpatient Rehab Facility ("IRF")/Durable Medical Equipment ("DME").

1.3. Cotiviti will provide support as requested by the Client for review and identification of overpayments based on files received by Aetna from the Center for Medicare and Medicaid Services ("CMS") on a quarterly basis for the purpose of coordination of benefits. Cotiviti's review shall follow Client's internal processes and rules and follow directions from the Client when volume creates a need for external support of internal process. Client reserves the right to request assistance with validation and/or collection of overpaid dollars based on review of other sources of COB Information as additional data sources become available.

1.4. The Services outlined herein shall be offered by Cotiviti to those Aetna Affiliate Aetna Better Health Plans set forth in Exhibit C to this Schedule (the "Health Plans"). Exhibit C may be modified by mutual agreement via amendment to this Schedule. On or after the Effective Date of this Schedule, each of the Health Plans will have the opportunity to opt into Services. Health Plans may decide, in their sole discretion, which service offerings/audit types to elect to receive. The Client Relationship Manager will partner with Cotiviti to develop an implementation plan consistent with the needs and deployment schedule elected by the Health Plan. Notwithstanding anything else in this Schedule and for the avoidance of doubt, Section 1.5 of the Agreement applies to the Services outlined herein.

1.5. Cotiviti will send recovery notification letters to providers with an explanation of the specific overpayment and the Client's collection process. Letters distributed by Cotiviti will comply with all applicable laws and regulations, and conform to guidelines set forth in the Agreement. Client's current preference is to process recovery claims as offsets to the providers' future remittances, when possible. However, when offsets are not allowed by provider contract or state regulations or when the Client is unable to offset, it is the expectation of the Client that the Supplier will seek recovery via a refund check to Client or other form of settlement acceptable to Client.

1.6. INTENTIONALLY OMITTED.

1.7. Cotiviti will provide a credit each monthly invoice in the amount equivalent to the cost of Aetna employing 3-4 full time employees who will process recoveries obtained by Cotiviti on behalf of Aetna in Aetna's QNXT platform, performing rework and refund posting activities associated with recoveries generated by Cotiviti. The Client will provide Cotiviti with an itemized accounting (on a quarterly basis) detailing the cost of the 3-4 full time employees contemplated above.

For avoidance of doubt, the Parties acknowledge and agree that any person hired by a party, including the resources contemplated to be hired by Client pursuant to this Section 1.7, will be an employee, agent or contractor of such party, and not an employee, agent or contractor of the other, and each party has the sole right and obligation to supervise, manage, compensate, collect and remit withholding and other employment taxes, contract, direct, procure or cause to be performed, all work to be performed by their respective employees. The employees of each party shall not be entitled to any benefits, coverages, or privileges, including, without limitation, social security, unemployment compensation insurance, workers' compensation insurance, medical benefits, or pension or other financial payments (including without limitation bonuses and 401K contributions) customarily made available to by the other party to it's employees.

1.8. Cotiviti and Client shall meet periodically to review the progress of the Services, discuss recent audit findings and trends, review any root cause analysis recently performed, methodologies for handling specific type of claims or issues, and recommendations to increase payment integrity opportunities. In the event Client imposes audit exclusions (for example, no audits for a given set of providers), the parties agree to meet annually to review Client's exclusion list for continuing applicability.

2. Supplier Concept Validation:

2.1. As part of the Services, Cotiviti will be required to participate and comply with Aetna's Better Health Plan Steering Committee Concept Adoption Program. Pursuant to the Concept Adoption Program, Aetna reserves the right to include additional overpayment services within the Concept Adoption Program. Cotiviti will be notified of additional overpayment services a minimum of 30 days in advance of concept submission.

2.2. Cotiviti will submit new policy related overpayment concepts for validation review by loading the claims into Cotiviti RCA SQUISH database prior to sending letters.

2.3. Each concept validation submission will be in an excel format posted to the designated SQUISH database. Aetna's Medicaid Steering Committee will vote on concepts for adoption for overpayment pursuit, evaluating validity and accuracy.

2.4. Client will review and approve (or deny) all new policy related overpayment concepts within ten (10) business days of receipt. Once the review of the entire file is complete, the Aetna Medicaid Steering Committee will approve (or deny) the concept with an email communication from the Cotiviti RCA SQUISH database. Provided, however, that concepts not expressly approved by Client shall be deemed to be denied unless otherwise mutually agreed to by the parties.

2.5 If Client declines valid concepts as not approved, it will be discussed during a weekly call with the Aetna Steering Committee and be closed out of the Cotiviti RCA SQUISH database.

Client may not disclose a Cotiviti - identified concept submission to a competitor of Supplier nor may Client pursue claims identified by Cotiviti as part of the concept validation process internally unless the internal concept is materially different. This provision should not be interpreted to prevent i) Client from instituting process improvements or system updates that prevent overpayments or ii) Client from approving a similar concept for another supplier.

3. **Quality**:

3.1 On a monthly basis, Cotiviti will maintain a 95% or greater quality score (the "Quality Score"). The Quality Score will be based on valid overpayments identified and attributable to Cotiviti. Aetna will distribute a quality report by the fifth business day of each month with the previous month's results. The Quality Score is obtained by the total of approved claims divided by the total of claims submitted by Cotiviti within that specified month. Claims denied due to no fault of Cotiviti will be removed from the numerator and denominator when calculating the Quality Score.

If Cotiviti fails to meet the quality score standard for two consecutive months, Supplier will develop a corrective action plan that will be mutually agreed upon by Aetna and Cotiviti. If Supplier fails to complete the corrective action plan, a performance credit equal to $1,000 per quarter will be assessed for each quarter that the corrective action plan remains incomplete, subject to Section 9.1 of this Schedule.

The criteria comprising the quality score standard of 95% shall be mutually agreed upon by Supplier and Aetna within thirty (30) days of the execution of this agreement, and shall be incorporated by reference into this Schedule once agreed upon.

4. **Adherence to Due Dates:**

4.1. Supplier and Aetna will abide by mutually-agreed to dates for operations and reporting results to be due. Missed deadlines will be addressed as a standing item on operations meetings.

5. **Returned Commissions:**

5.1. Where commissions have been overpaid to Supplier by Aetna and must be returned to Aetna, Cotiviti must refund such overpaid commission amounts within 60 calendar days from the date of notice from Aetna regarding such overpaid commission amounts. If Cotiviti fails repeatedly* to return overpaid commissions within sixty (60) calendar days from the date Aetna notified Supplier of the need to return, Cotiviti will be placed on a corrective action plan. If Cotiviti fails to complete the corrective action plan to Aetna's reasonable satisfaction, , a performance credit equal to $1000 per week will be assessed for each week that the corrective action plan remains incomplete, subject to Section 9.1 of this Schedule.

* For the purposes of this Section 5.1, ('repeatedly' shall be as determined by Aetna in its sole reasonable discretion, provided that in no event shall a 10% failure rate be deemed to not be within the definition of 'repeatedly'.

6. **Partial Recovery:**

6.1. Where Cotiviti has received a partial payment or recovered less than the actual overpayment amount from a provider, Cotiviti is to review and determine if the remaining balance is to be recovered. Where Cotiviti has recovered more than 70% of the overpayment amount from a particular provider, and determines that the remaining balance remains due, Cotiviti must provide support as to why the balance remains and is continuing to be pursued.

6.2. If upon review, the remaining balance is determined not to be valid or is uncollectable, the Cotiviti will close the overpayment and notify Aetna Better Health. All review and notifications regarding remaining balances should be completed by Cotiviti within five (5) days of receipt of partial payment.

7. **Speed to Recovery**

7.1. Contracted Services.

All Recoveries will be consistent with Plan requirements and mutually agreed upon policies and procedures.

8. Appeals and Reconsiderations:

8.1. Cotiviti will perform appeals and reconsiderations in accordance with Aetna Better Health's Dispute, Reconsiderations, Complaints, Grievances and Appeals policy specific to the Cotiviti engagement.

9. Performance Credit Cap:

9.1. In no event shall the cumulative performance credits assessed pursuant to this Schedule exceed $15,000 in the aggregate in any calendar quarter (the "Performance Credit Cap").

10. Client Duties and Obligations:

10.1. Client will provide Cotiviti, as soon as practical, with all reasonably necessary (a) information, (b) system access and (c) electronic data files to enable Cotiviti to perform the Services and develop data mining tools, procedures and diagnostics tools to perform and support the Services. This includes appropriate access to Client's QNXT claim system, copies of relevant provider contracts, relevant rate and fee schedules, eligibility and membership data, Client's claim payment policies and procedures and access to claim images to support the audit. Client will deliver such information and electronic data files to Cotiviti via secure file transport protocol (SFTP) or other encrypted method of data transfer. Cotiviti shall in all instances adhere to all Client claim policies and procedures and other standard operating procedures (SOPs) applicable to the Services.

10.2. Client will provide Cotiviti with sufficient access and/or data to assess the status of each claim's disposition with respect to overpayment activity and to distinguish Cotiviti Opportunities from instances in which Client (or another vendor) has already pursued an overpayment with respect to a claim. Client will provide Cotiviti with an electronic record of all overpayments (partial and full adjustments) processed each month.

10.3. Client will provide Cotiviti with reasonable cooperation in connection with the Services, including all reasonably requested information, documentation, files and prior audit results (as applicable).

11. Documentation and Reports:

11.1. Client and Cotiviti will establish a frequency and format for verbal and written claim reports that will be prepared by Cotiviti.

(a) Verbal Reporting: Verbal updates attempt to provide Client with timely updates of the Services, such as observations and trends that might benefit Client.

(b) Management Reporting: Written reports provide a more formal presentation of findings to date, recommendations and potential refinements of the audit scope. These reports may also include operational weaknesses identified by Cotiviti, with suggestions for preventative and compliance improvements. Management reports are generally issued once each calendar annual.

(c) Monthly Reports. Cotiviti will provide Client with a monthly status reports on the progress of the Services, the amount of potential claims written to date, the number of claims processed, etc.

12. Acceptance of Deliverables:

12.1 Acceptance of Services shall be at Aetna's sole reasonable discretion. Aetna shall provide Supplier with written notice of non-acceptance that sets forth, in reasonable detail, the reason(s) for non acceptance. Supplier will promptly re-perform any Services not meeting the acceptance criteria, at no additional cost to Aetna.

13. Fees and Payment Schedules:

13.1. In exchange for performance of the Services, Cotiviti shall receive a percentage (as set forth below) of (a) all net-recoveries collected by Client or Cotiviti as a result of the Cotiviti Opportunities as cash or deductions or offsets, and (b) any settlements or other offset amounts received by Client that arise from the Cotiviti Opportunities.

13.2. The rates are effective for the duration of the term of this Schedule unless otherwise modified as permitted herein.

13.3. Upon and after termination or expiration of this Schedule, Cotiviti will be entitled to recover payment for Services rendered, including all net-recoveries for services rendered that are contingent upon receipt of settlement or funds from a third-party and are received by Client within 12 months after termination or expiration of this Schedule.

13.4. Cotiviti shall invoice Aetna on a monthly basis (on the 15th of the month) as per the invoicing and payment terms set forth in the Agreement. If Cotiviti experiences unexpected delays in remitting the invoice to Aetna, Cotiviti must notify Aetna within 24 hours of expected delivery.

Table 1: Audit Type, Pass position, Start Date, and Rates

Audit Type	Pass Position	Start Date	Percentage of Recovery Rates
COB	2nd*	91-150	[redacted]
Contract Compliance	1st	91***	[redacted]
Cross Platform Drug Audit	1st	91***	[redacted]
Data Mining	1st	91***	[redacted]
DRG Audit	1st	0**	[redacted]
Duplicate Services	1st	91***	[redacted]
High Cost Drug (units)	1st	91***	[redacted]
Implant Audits/HCD Invoice	1st	91***	[redacted]
Short Stay	1st	0	[redacted]
Specialty Audit (SNF/IRF/DME)	1st	0	[redacted]

- The total value of orders against this Schedule shall not exceed [redacted].

** Should an additional supplier be implemented during the term of this Schedule, Client agrees to provide Cotiviti with a ninety (90)-day period to review paid claim data for DRG Audit , Short Stay, Specialty Audit (SNF/IRF/DME), S this Schedule prior to the additional supplier being allowed to identify overpayments in these audit types. The 90-day review period shall start with the first day following claim payment. .

*** Should an additional supplier be implemented during the term of this Schedule, Client agrees to provide Cotiviti with an additional ninety (90)-day period from the Start Date as mentioned in Table 1 above to review paid claim data for Audit Type: contract compliance, Cross Platform Drug Audit, Data Mining, Duplicate Services, High Cost Drug (units), Implant Audits/HCD Invoice Services in-scope under this Schedule prior to the additional supplier being allowed to identify overpayments in these audit types. The 90-day review period will be in additional to the period mentioned under Start Date in table 1.

Definitions.

"**Pass Position**" means the position of Cotiviti as Aetna's overpayment recovery auditor relative to other recovery audit suppliers or Client internal teams. If such position is noted as a "co-1st"or "co-2nd", then Cotiviti will share that position with another supplier or Client internal team, otherwise, Cotiviti shall be the exclusive recovery auditor for its respective Pass Positions.

"**Start Date**" means the number of calendar days after the date a claim is paid by Client until such time as Cotiviti may start auditing, except that for retroactive terminations the Start Date refers to the number of calendar days after the date on which the member's medical eligibility was updated with the retroactive termination.

EXHIBIT B

State Specific Compliance Addendum

Exhibit B is comprised of the individual state specific regulatory compliance addenda containing the legal and contractual language required by the respective state (collectively referred to as the "compliance addenda"). The Parties acknowledge that the Agreement and this Schedule, and the services to be provided thereunder, are subject to mandatory statutory, regulatory, contractual and administrative requirements of federal, state, and local government authorities, including but not limited to, those contained in, or incorporated into, the applicable contract with state and/or federal authorities and compliance addenda. Notwithstanding the preceding sentence, the Parties acknowledge that some of the provisions in the compliance addenda are intended for certain types of providers, suppliers and/or subcontractors, and accordingly, may not apply to Supplier's scope of work given the nature of the Services provided. Accordingly, Supplier is obligated to comply with the terms and conditions of the compliance addenda to the extent appropriate and applicable to the Services provided or delegated under the Agreement.

Individual Sites Regulatory Addendum – Signature Page

For Exhibits B-1 and B-2 (the Michigan Compliance Addenda)

1. Subcontractor shall comply with the terms of the attached **Exhibits B-1** and **B-2** to the extent applicable to its Agreement with Aetna Better Health of Michigan Inc. ("Aetna Better Health of Michigan"). In the event of any conflict between the terms of the attached Exhibits **B-1** and **B-2** on the one hand, and any of the other terms of the Agreement, on the other hand, including any other attachments, schedules, exhibits, and/or addenda made part of the Agreement, relating to a term required by state law or regulation, the terms of Exhibits **B-1** and **B-2** shall govern and control with respect to the provision of Covered Services to Members who are eligible and covered under the Michigan Plans.

2. Aetna Better Health of Michigan represents and warrants that it has duly authorized Aetna Life Insurance Company: (a) to enter into this Amendment on Aetna Better Health of Michigan's behalf, and (b) to bind Aetna Better Health of Michigan to the terms and provisions of the Agreement, as modified by the attached **Exhibits B-1** and **B-2**.

3. Aetna Better Health of Michigan's duties, obligations, and liabilities under the Agreement shall be strictly limited to the services (if any) that Subcontractor provides to Members who are eligible and covered under the Michigan Plans. Aetna Better Health of Michigan shall have no duties, obligations, or liabilities under the Agreement stemming from any services or claims that relate to the Members of Aetna life Insurance Company or any other Affiliate of Aetna life Insurance Company.

Individual Sites Regulatory Compliance Addendum – Exhibit B-1

Regulatory Compliance Addendum

Governing Medicaid and CHIP Services

(Aetna Better Health of Michigan)

This Regulatory Compliance Addendum Governing Medicaid and CHIP Services (the "Michigan Medicaid/CHIP Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as applicable, (1) the Comprehensive Health Care Program contract (the "CHCP Contract") between the Michigan Department of Health and Human Services ("MDHHS") and Aetna Better Health of Michigan Inc. ("Company"), or (2) the *MIChild* Contract between MDHHS and Company (the "*MIChild* Contract"), under both of which contracts Company serves as a managed-care organization, as well as the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the CHCP Contract and/or *MIChild* Contract.

This Michigan Medicaid/CHIP Addendum is incorporated by reference into the Agreement between Company (or its affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing this Agreement (as identified on the first page thereof), and such provider, vendor, contractor, or other entity must comply with the requirements set forth herein to the extent applicable to vendor's services. Note that this Michigan Medicaid/CHIP Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement and in the policies, procedures, and provider manual of Company (or its affiliate, as the case may be). This Michigan Medicaid/CHIP Addendum and the Agreement may be revised as directed by the State of Michigan (the "State").

For purposes of this Michigan Medicaid/CHIP Addendum, the individuals who are enrolled with Company under the CHCP Contract and/or the *MIChild* Contract will be referred to as the "Members" or "Enrollees." All capitalized terms not defined in this Michigan Medicaid/CHIP Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Michigan Medicaid/CHIP Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this Michigan Medicaid/CHIP Addendum will govern and control with respect to the provision of Covered Services to Members who are eligible and covered under, as applicable, the CHCP Contract or the *MIChild* Contract, and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the CHCP Contract and/or *MIChild* Contract. Except as provided herein, all other provisions of the Agreement not inconsistent with this Michigan Medicaid/CHIP Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Michigan Medicaid/CHIP Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Agreement.

To the extent applicable to the services provided by vendor under the Agreement, the provider, vendor, contractor, or other entity identified on the first page of the Agreement represent and warrant that it/they shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Michigan Medicaid/CHIP Addendum and all applicable laws and regulations.

CONTRACTUAL AND STATUTORY/REGULATORY REQUIREMENTS

A. Definitions and Applicability

1. The requirements set forth below in **Section C** of this Michigan Medicaid/CHIP Addendum ("Additional Requirements Applicable to Contracts and Services Under the CHCP Contract") apply to contracts, Covered Services, and related administrative or health-benefit management services/functions under the CHCP Contract, and the following definitions shall apply with respect to those requirements:

a. "Provider" – A health facility or person that is licensed, certified, or registered under parts 61 to 65 or 161 to 182 of Michigan's Public Health code, 1978 PA 368, as amended, MCL 333.1101 – 333.25211, and that provides healthcare services to Members. [CHCP, "Definition of Terms"]

b. "Subcontractor" – Any person or entity that performs a required, ongoing administrative or health-benefit management function of Company under the CHCP Contract, including without limitation: (1) "Health Benefit Managers," which include any entity that administers, manages, or arranges for the provision of one or more of the healthcare benefits that are covered under the CHCP Contract (including Pharmacy Benefit Managers, Behavioral Health Benefit Managers, and Vision Benefit Managers, but excluding Transportation Subcontractors); (2) "Administrative Subcontractors," which include any entity that performs, on behalf of Company, one or more administrative functions required under the CHCP Contract (including claims payment, third-party liability, delegated credentialing, utilization management, case management, card production, and mailing services); and (3) "Transportation Subcontractors," which include any entity that arranges and/or provides transportation services that are covered under the CHCP Contract (including any

related health-benefit management services related to those transportation services). [CHCP, "Definition of Terms" and CHCP 2.070]

c. "Subcontract" – A written contract between Company and a Subcontractor to perform any of Company's administrative or health-benefit management obligations under the CHCP Contract.

2. The requirements set forth below in **Section D** of this Michigan Medicaid/CHIP Addendum ("Additional Requirements Applicable to Contracts and Services Under the *MIChild* Contract") apply to contracts, Covered Services, and related administrative or health-benefit management services/functions under the *MIChild* Contract, and the following definitions shall apply with respect to those requirements:

a. "Provider" – Those providers contracted with Company's health plan that are responsible for providing health care for Members. [CHCP, "Definition of Terms"]

b. "Subcontractor" – Any person or entity that performs a required, ongoing core function of Company under the *MIChild* Contract, with the exception of medical providers that are included in Company's provider network (which are not considered Subcontractors). In addition, counterparties with which Company contracts for one-time-only functions or services, such as maintenance or insurance protection, are not considered Subcontractors. [CHCP, "Definition of Terms"]

c. "Subcontract" – A written contract between Company and a Subcontractor to perform any of Company's administrative obligations under the *MIChild* Contract, with the exception of medical provider contracts, which are not considered Subcontracts. [CHCP, "Definition of Terms"]

3. The requirements set forth below in **Section B** of this Michigan Medicaid/CHIP Addendum ("General Requirements Applicable to Contracts and Services Under Both the CHCP Contract and the *MIChild* Contract") apply to contracts, Covered Services, and related administrative or health-benefit management services/functions under both the CHCP Contract and the *MIChild* Contract (as the case may be with respect to the particular services provided), and the respective definitions set forth above in this **Section A** shall apply with respect to those requirements.

B. General Requirements Applicable to Contracts and Services Under Both the CHCP Contract and the *MIChild* Contract

1. Compliance with Law. Provider/Subcontractor must be in compliance with all State statutes and federal and local laws and ordinances in providing the services under the Agreement, and shall fulfill the requirements of the CHCP Contract/*MIChild* Contract (as the case may be) and of Title XXI of the Social Security Act that are appropriate to the service or activity delegated, and will be subject to the provisions thereof. [*MIChild* I-F; CHCP 2.212]

2. Media Releases. News releases (including promotional literature and commercial advertisements) pertaining to the Agreement, the CHCP Contract, and/or the *MIChild* Contract, or any related project, must not be made without prior written State approval, and then only in accordance with the explicit written instructions from the State, which Company shall be responsible to attempt to obtain. No results of the activities associated with the Agreement, the CHCP Contract, and/or the *MIChild* Contract are to be released without prior written approval of the State and then only to persons designated. [CHCP 2.031; *MIChild* I-G]

3. Non-discrimination. In the performance of the Agreement, Subcontractor agrees not to discriminate against any employee or applicant for employment, with respect to his or her hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, national origin, ancestry, age, sex, height, weight, marital status, physical or mental disability. Subcontractor further agrees that every Subcontract entered into for the performance related to this Agreement or the CHCP Contract/*MIChild* Contract or any Purchase Order resulting from the CHCP Contract/*MIChild* Contract will contain a provision requiring non-

discrimination in employment, as specified here, binding upon each subcontractor used by Subcontractor. This covenant is required under the Elliot Larsen Civil Rights Act, 1976 PA 453, MCL 37.2101 *et seq.*, and the Persons with Disabilities Civil Rights Act, 1976 PA 220, MCL 37.1101 *et seq.*, and any breach of this provision may be regarded as a material breach of the Agreement, as amended, and the CHCP Contract/*MIChild* Contract. [CHCP 2.201; *MIChild* I-U]

4. Unfair Labor Practices. Under 1980 PA 278, MCL 423.321 *et seq.*, the State must not award a contract or subcontract to an employer whose name appears in the current register of employers failing to correct an unfair labor practice compiled under Section 2 of the Social Security Act. This information is compiled by the United States National Labor Relations Board. Subcontractor, in relation to the Agreement and the CHCP Contract/ *MIChild* Contract, must not enter into a contract with a subcontractor, manufacturer, or supplier whose name appears in this register. Under Section 4 of 1980 PA 278, MCL 423.324, the State may void any contract if, after award of the CHCP Contract/*MIChild* Contract, the name of Subcontractor as an employer or the name of a subcontractor, manufacturer, or supplier of Company or Subcontractor appears in the register. [CHCP 2.202; *MIChild* I-Z]

5. Independent Contractor. The relationship between the State and Company is that of client and independent contractor. Subcontractor shall not be deemed to be an employee, agent, or servant of the State for any reason. [CHCP 2.027; *MIChild* I-Y]

6. Transition Plan. Subcontractor shall cooperate in the event the State requires a transition plan setting forth the specific tasks and schedule to be accomplished by the parties to effect an orderly transition. In the event the State requires the services of Subcontractor as necessary to meet its needs, Subcontractor agrees to reasonably, and with good faith, work with the State and Company. [CHCP 2.172; *MIChild* I-R]

7. Member Hold Harmless. Provider/Subcontractor shall look only to Company for compensation for services rendered to a Member when such services are covered by the Plan. Provider/Subcontractor agrees not to bill, charge, collect a deposit from, seek compensation from, seek remuneration from, surcharge or have any recourse against a Member or person acting on behalf of a Member (other than Company), except to the extent that Copayments, Coinsurances, and Deductibles are specified in the Plan or as permitted pursuant to coordination of benefits. (All Copayments, Coinsurances, and Deductibles shall be applied by Company in accordance with applicable law, including without limitation MCL 500.3515.) Provider/Subcontractor agrees not to maintain any action at law or in equity against a Member to collect sums that are owed by Company to such Provider/Subcontractor under the terms of the Agreement, even in the event Company fails to pay, becomes insolvent, or otherwise breaches the terms and conditions of this Agreement. This Section shall survive termination of the Agreement, regardless of the cause of termination and shall be construed to be for the benefit of the Member. This Section is not intended to apply to services provided after this Agreement has been terminated, except as otherwise provided in this Agreement, or to Non-Covered Services. Provider/Subcontractor further agrees that this provision supersedes any oral or written agreement, hereinafter entered into between such Provider/Subcontractor and Member or persons acting on Member's behalf, insofar as such agreement relates to payment for services provided under the terms and conditions of this Agreement. Any modification, addition, or deletion to the provisions of this Section shall become effective on a date no earlier than sixty (60) days after the State Department of Insurance and Financial Services has received and approved such change. [See generally MI ADC R. 325.6345(2); CHCP 1.022U; *MIChild* II-M.5(c)]

8. Cooperation Regarding Data. Provider/Subcontractor must cooperate with Company so that Company can provide and cooperate with the State in the validation of data, and Provider/Subcontractor must make available all medical records and a sample of data and data collection protocols. [*MIChild* II-W; CHCP 1.042]

9. Company Is Sole Point of Contact. Company shall be the sole point of contact for the State with regard to all contractual matters under the CHCP Contract/*MIChild* Contract, including payment of any and all charges for services that Provider/Subcontractor provides in connection therewith. [*MIChild* I-F; CHCP 2.071]

10. Public Presentations. Provider/Subcontractor must obtain the State's written approval prior to publishing, or making formal public presentations of, statistical or analytical material based on its Enrollees other than as required by statute, regulation, or the CHCP Contract and/or *MIChild* Contract. [*MIChild* II-X; CHCP 1.042(b)]]

11. Marketing Materials. Subcontractor understands and agrees that all written and oral marketing materials and health promotion incentive materials must be approved by the State prior to use. In the event Subcontractor desires to utilize written and oral marketing materials related to its services under the Agreement, Subcontractor shall provide such materials to Company for submission to the State. Upon receipt by the State of a complete request for approval that proposes allowed marketing practices and locations, the State will provide a decision to Company within 30 business days or the request will be deemed approved. The review clock will be tolled while State-requested revisions to materials are being prepared for re-submission. Marketing materials must be available in languages appropriate to the Members being served within the county. All material must be culturally appropriate and available in alternative formats in accordance with the American with Disabilities Act. Subcontractor understands and agrees that the State may impose monetary or restricted enrollment sanctions if Subcontractor engages in prohibited marketing practices or uses marketing materials that have not been approved in writing by the State. Materials must be written at no higher than a 6.9 grade reading level as determined by any one of the following indices:

- Flesch – Kincaid
- Other computer generated readability indices accepted by the State

[CHCP 1.022(CC)(5); MIChild II-S]

12. Additional Provisions. In the event Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement, or in the event you are a Provider, your Agreement with Company hereby incorporates, and you shall ensure that your contracts with any of your downstream subcontractors or providers incorporate, the following requirements:

a. Provider/Subcontractor shall not seek payment from Enrollees for services provided, except for applicable co-payments and deductibles, which may be collected directly from Enrollees. [MI ADC R. 325.6345(2); MI Ins. Code 500.3529(3)]

b. Provider/Subcontractor shall meet applicable licensure or certification requirements. [MI ADC R. 325.6345(3)(a); MI Ins. Code 500.3529(4)(a)]

c. Provider/Subcontractor shall allow appropriate access to records or reports concerning services to Enrollees. [MI ADC R. 325. 6345(3)(b); MI Ins. Code 500.3529(4)(b).]

d. Provider/Subcontractor shall cooperate with Company's quality assurance, quality improvement, and utilization review activities. [MI ADC R. 325. 6345(3)(c); MI Ins. Code 500.3529(4)(c); CHCP 1.022U(1)(b); *MIChild* II-M.5(c)]

e. Pursuant to Title XXI of the Social Security Act, payment under Title XXI shall not be made for services furnished by providers who have been excluded from participation under Title V, Title XVIII, Title XIX, or Title XX of the Social Security Act. [*MIChild* II-J.3; CHCP Change Notice No. 5 (section 9)]

f. In the event of Company's insolvency, Provider/Subcontractor agrees to continue providing services to Members. Company acknowledges that it is required by law to provide a mechanism for appropriate sharing of the continuation of provider services as approved by the Michigan Insurance Commissioner and in no event shall such continuation be solely the responsibility of the provider. [MI Ins. Code 500.3561]

g. Unless this Agreement is terminated for cause, upon termination of this Agreement, Provider/Subcontractor shall continue to furnish Covered Services under the Agreement for a period not to exceed ninety (90) days following termination where the continuation of care is medically necessary and prudent, including without limitation, circumstances such as disability, pregnancy, or life-threatening illness. Provider/Subcontractor shall neither charge nor hold Members financially responsible for any Covered

Services rendered other than for applicable deductibles or copayments, and shall be paid for Covered Services rendered at the rate that is in effect between the parties during the period immediately preceding termination on the bases referenced herein. This subsection shall be construed in favor of the Member, shall survive the termination of this Agreement regardless of the reason for termination, and shall supersede any oral or written agreement to the contrary between Provider/Subcontractor and a Member or a Member's representative. [*MIChild* II-M.5(c) and general member-protection provisions]

h. If applicable, Provider/Subcontractor shall provide for the immediate transfer of Enrollees to another network provider/primary-care provider if the Enrollees' health or safety is in jeopardy. [CHCP 1.022U(1)(c); *MIChild* II-M.5(c)]

i. Provider/Subcontractor shall agree to comply with all applicable State and federal requirements, regulations, and laws, including, but not limited to, rules and regulations of CMS and of any other federal agencies and any State agencies of the State(s) in which Provider/Subcontractor practices. Provider/Subcontractor understands and agrees that CMS and the appropriate State agencies may change or add to such requirements, laws, rules, and regulations from time to time. [See CHCP 1.022; CHCP 2.212; *MIChild* II-B]

j. Provider/Subcontractor shall comply with all reporting requirements for communicable diseases and other health indicators. [*MIChild* II-J(2); CHCP 1.022(F)]

k. Providers/Subcontractors are not prohibited from discussing treatment options with Members that may not reflect Company's position or that may not be covered by Company. Providers/Subcontractors acting within the lawful scope of practice are not prohibited, or otherwise restricted, from advising or advocating on behalf of an Enrollee who is his or her patient regarding: (a) the Enrollee's health status, medical care, or treatment options, including any alternative treatment that may be self-administered; (b) any information the Enrollee needs in order to decide among all relevant treatment options; (c) the risks, benefits, and consequences of treatment or non-treatment; (d) the Enrollee's right to participate in decisions regarding his or her health care, including the right to refuse treatment, and to express preferences about future treatment decisions; (e) Medically Necessary and appropriate care with or on behalf of an Enrollee, including information regarding the nature of treatment, risks of treatment, alternative treatments, or the availability of alternate therapies, consultation or tests, regardless of benefit coverage limitations; (f) the process that Company or any entity contracting with Company uses or proposes to use to deny payment for a health care service; (g) the decision of any managed care plan to deny payment for a health care service; or (h) advocating on behalf of the Enrollee in any grievance or utilization review process or Enrollee authorization process to obtain Covered Services. [CHCP 1.022U(1)(d); *MIChild* II-M.5(c); CHCP FY 2013(13) amendment]

13. Clean Claim. The definition of Clean Claim that is set forth in the Agreement shall additionally include the applicable Michigan statutory requirements set forth in MCL 400.111*i*(2)(a). Company shall pay all Clean Claims in accordance with the terms and requirements set forth in MCL 400.111*i*.

14. Governing Law. Notwithstanding anything to the contrary in the Agreement, the laws of the State of Michigan shall govern the Agreement as it relates to Company and to all Covered Services that Provider provides to Company's Members, regardless of where Provider is located.

C. Additional Requirements Applicable to Contracts and Services Under the CHCP Contract

1. Access to and Ownership of Data. The State is the owner of all data made available by the State to Company or its agents, subcontractors, or representatives under the CHCP Contract. Neither Company nor Provider/Subcontractor shall use the State's data for any purpose other than providing the services under the CHCP Contract, nor will any part of the State's data be disclosed, sold, assigned, leased, or otherwise disposed of to the general public or to specific third parties or commercially exploited by or on behalf of Company or Provider/Subcontractor. No employees of Provider/Subcontractor, other than those on a strictly need-to-know basis, shall have access to the State's data. Provider/Subcontractor will not possess or assert any lien or other right against the State's data. Without

limiting the generality of this Section, Provider/Subcontractor must only use personally identifiable information as strictly necessary to provide the services under the Agreement and the CHCP Contract and must disclose the information only to its employees on a strict need-to-know basis. Provider/Subcontractor must comply at all times with all laws and regulations applicable to the personally identifiable information. The State is the owner of all State-specific data under the CHCP Contract. The State may use the data provided by Provider/Subcontractor, directly or indirectly, for any purpose. The State will not possess or assert any lien or other right against Provider/Subcontractor's data. Without limiting the generality of this Section, the State may use personally identifiable information only as strictly necessary to utilize the services under the CHCP Contract and must disclose the information only to its employees on a strict need-to-know basis, except as provided by law. The State must comply at all times with all laws and regulations applicable to the personally identifiable information. Other material developed and provided to the State remains the State's sole and exclusive property. [CHCP 1.042(B)]

2. Personnel Qualifications. All persons assigned by Subcontractor to the performance of services related to the CHCP Contract must be employees of Subcontractor or its majority-owned (directly or indirectly, at any tier) subsidiaries (or a State-approved subcontractor) and must be fully qualified to perform the work assigned to them. For the purposes of the Agreement and this Michigan Medicaid/CHIP Addendum, independent contractors engaged by Subcontractor solely in a staff augmentation role must be treated by the State as if they were employees of Subcontractor for purposes of the Agreement and the CHCP Contract only; however, the State understands that the relationship between Company and Subcontractor is an independent contractor relationship. Subcontractor's personnel must cooperate with the State and its agents and other contractors including the State's Quality Assurance personnel. As reasonably requested by the State in writing, Subcontractor will provide to the State's agents and other contractors reasonable access to its project personnel, systems, and facilities to the extent the access relates to activities specifically associated with the CHCP Contract will not interfere or jeopardize the safety or operation of the systems or facilities. [CHCP 2.061; 2.066]

3. CHCP Contract Binding. Subcontractor, to the extent it is performing services under the Agreement or related to the CHCP Contract, shall be bound to Company by the terms of the CHCP Contract and shall assume all of the obligations and responsibilities that Company, by the CHCP Contract, assumes toward the State. The State reserves the right to receive copies of and review all Subcontracts, although Company may delete or mask any proprietary information, including pricing, contained in such contracts before providing them to the State. The State's written approval of Subcontractor to perform any obligation under the CHCP Contract shall not relieve Company or Subcontractor of any obligations or performance required under the CHCP Contract. [CHCP 2.073]

4. Confidentiality. [CHCP 2.100–2.105]

a. Company and Provider/Subcontractor each acknowledge that the other possesses and will continue to possess confidential information that has been developed or received by it. As used in this Section, "Confidential Information" means all non-public proprietary information of Company or Provider/Subcontractor (other than Confidential Information of the State as defined below) which is marked confidential, restricted, proprietary, or with a similar designation. "Confidential Information" of the State means any information that is retained in confidence by the State (or otherwise required to be held in confidence by the State under applicable federal, State, and local laws and regulations) or that, in the case of tangible materials provided to Company or Provider/Subcontractor by the State under its performance under the CHCP Contract, is marked as confidential, proprietary, or with a similar designation by the State. "Confidential Information" excludes any information (including the CHCP Contract) that is publicly available under the Michigan FOIA.

b. Company and Provider/Subcontractor will each use at least the same degree of care to prevent disclosing to third parties the Confidential Information of the other as it employs to avoid unauthorized disclosure, publication or dissemination of its own confidential information of like character, but in no event less than reasonable care. Neither Company nor Provider/Subcontractor will (i) make any use of the Confidential Information of the other except as contemplated by this Michigan Medicaid/CHIP Addendum, (ii) acquire any right in or assert any lien against the Confidential Information of the other, or (iii) if requested to do so, refuse for any reason to promptly return the other party's Confidential Information to the other party. Each party will limit disclosure of the other party's Confidential Information to employees and

subcontractors who must have access to fulfill the purposes of the Agreement and the CHCP Contract. Disclosure to, and use by, a subcontractor is permissible where (A) use of a subcontractor is authorized under the Agreement and the CHCP Contract, (B) the disclosure is necessary or otherwise naturally occurs in connection with work that is within the subcontractor's scope of responsibility, and (C) the subcontractor is obligated in writing to maintain the State's, Company's, and/or Provider/Subcontractor's Confidential Information in confidence. At the State's request, any employee of Provider/Subcontractor having access or continued access to the State's Confidential Information may be required to execute an acknowledgment that the employee has been advised of Company's and Provider/Subcontractor's obligations under this section and of the employee's obligation to Company or Provider/Subcontractor, as the case may be, to protect the Confidential Information from unauthorized use or disclosure. Promptly upon termination or cancellation of this Agreement or the CHCP Contract for any reason, Provider/Subcontractor must certify to the State and/or Company that Provider/Subcontractor has destroyed all Confidential Information of the State or Company.

c. Notwithstanding the foregoing, the provisions of subsections 4.a and 4.b above will not apply to any particular information that the State, Company, or Provider/Subcontractor can demonstrate (i) was, at the time of disclosure to it, in the public domain; (ii) after disclosure to it, is published or otherwise becomes part of the public domain through no fault of the receiving party; (iii) was in the possession of the receiving party at the time of disclosure to it without an obligation of confidentiality; (iv) was received after disclosure to it from a third party who had a lawful right to disclose the information to it without any obligation to restrict its further disclosure; or (v) was independently developed by the receiving party without reference to Confidential Information of the furnishing party. Furthermore, the provisions of subsections 4.a and 4.b above will not apply to any particular Confidential Information to the extent the receiving party is required by law to disclose the Confidential Information, provided that the receiving party (i) promptly provides the furnishing party with notice of the legal request, and (ii) assists the furnishing party in resisting or limiting the scope of the disclosure as reasonably requested by the furnishing party.

d. Nothing contained in this Section shall be construed as obligating a party to disclose any particular Confidential Information to the other party, or as granting to or conferring on a party, expressly or impliedly, any right or license to the Confidential Information of the other party.

e. The parties' respective obligations under this Section must survive the termination or expiration of this Michigan Medicaid/CHIP Addendum, the Agreement, and the CHCP Contract for any reason.

[CHCP 2.100–105]

5. Inspection of Work Performed. Subcontractor acknowledges and agrees that the State's authorized representatives must at all reasonable times, and with ten (10) days' prior written request, have the right to enter Subcontractor's premises, or any other places, where the services performed under this Agreement or the CHCP Contract are being performed, and must have access, upon reasonable request, to interim drafts of any deliverables related to this Agreement or the CHCP Contract, or work-in-progress. Upon ten (10) days' prior written notice and at all reasonable times, the State's representatives must be allowed to inspect, monitor, or otherwise evaluate the work being performed and to the extent that the access will not reasonably interfere or jeopardize the safety or operation of the systems or facilities. Subcontractor must provide all reasonable facilities and assistance for the State's representatives. [CHCP 2.111]

6. Examination of Records. For seven (7) years after Subcontractor provides any work under the CHCP Contract or the Agreement (the "Audit Period"), the State and/or federal representatives may examine and copy any of Subcontractor's books, records, documents, and papers pertinent to establishing Subcontractor's compliance with the CHCP Contract and with applicable laws and rules. The State and/or federal representatives must notify Subcontractor twenty (20) days before examining Subcontractor's books and records. This provision also applies to the books, records, accounts, documents, and papers, in print or electronic form, of any parent, affiliated, or subsidiary organization of Subcontractor performing services in connection with the Agreement or CHCP Contract. [CHCP 2.112]

7. Retention of Records. Subcontractor must maintain at least until the end of the Audit Period all pertinent financial and accounting records (including time sheets and payroll records, and information pertaining to the Agreement or CHCP Contract, equipment, and commodities provided under the Agreement or CHCP Contract) pertaining to the Agreement or CHCP Contract according to generally accepted accounting principles and other procedures specified in this Section. Financial and accounting records must be made available, upon request, to the State and/or federal representatives at any time during the Audit Period. If an audit, litigation, or other action involving Subcontractor's records is initiated before the end of the Audit Period, the records must be retained until all issues arising out of the audit, litigation, or other action are resolved or until the end of the Audit Period, whichever is later. [CHCP 2.113]

8. Audit Resolution. If necessary, Company, Subcontractor, and the State will meet to review each audit report promptly after issuance. Subcontractor will respond, either directly to the State, or indirectly through Company, to each audit report in writing within thirty (30) days from receipt of the report, unless a shorter response time is specified in the report. Company, Subcontractor, and the State must develop, agree upon, and monitor an action plan to promptly address and resolve any deficiencies, concerns, and/or recommendations in the audit report. [CHCP 2.114]

a. If the audit demonstrates any errors in the documents provided to the State or Company, then the amount in error will be reflected as a credit or debit on a future pay cycle and in subsequent pay cycles until the amount is paid or refunded in full. [CHCP 2.115]

b. In addition to other available remedies, if the difference between the payment received and the correct payment amount is greater than 10%, then Subcontractor must pay all of the reasonable costs of the audit. [CHCP 2.115]

9. Warranties and Representations. [CHCP 2.120–2.127] Subcontractor represents and warrants that, with respect to the services that it is contractually required to provide to Company under the Agreement:

a. It is capable in all respects of fulfilling and must fulfill all of its obligations under the Agreement and the CHCP Contract. The performance of all obligations must be provided in a timely, professional, and workman-like manner and must meet the performance and operational standards required under the Agreement or CHCP Contract.

b. The CHCP Contract (Appendices, Attachments and Exhibits) identifies the equipment and software and services necessary to perform and to operate in compliance with the CHCP Contract requirements and other standards of performance.

c. It is the lawful owner or licensee of any Deliverable (as defined by the CHCP Contract) licensed or sold to the State or Company or developed by Subcontractor under the CHCP Contract, and Subcontractor has all of the rights necessary to convey to the State the ownership rights or licensed use, as applicable, of any and all Deliverables. None of the Deliverables provided by Subcontractor to the State under the CHCP Contract, nor their use by the State, will infringe the patent, copyright, trade secret, or other proprietary rights of any third party.

d. If, under the CHCP Contract or the Agreement, Subcontractor procures any equipment, software, or other Deliverable for the State (including equipment, software and other Deliverables manufactured, re-marketed or otherwise sold by Subcontractor under Subcontractor's name), then in addition to Subcontractor's other responsibilities with respect to the items in the CHCP Contract, Subcontractor must assign or otherwise transfer to the State or its designees, or afford the State the benefits of, any manufacturer's warranty for the Deliverable.

e. Subcontractor's signatory has the power and authority, including any necessary corporate authorizations, necessary to enter into this Agreement, on behalf of Subcontractor.

f. It is qualified and registered to transact business in all locations where required.

g. Neither Subcontractor nor any affiliates, nor any employee of either, has, must have, or must acquire, any contractual, financial, business, or other interest, direct or indirect, that would conflict in any manner or degree with Subcontractor's performance of its duties and responsibilities to the State under the CHCP Contract or otherwise create an appearance of impropriety with respect to the award or performance of the CHCP Contract. Subcontractor must notify Company and the State about the nature of the conflict or appearance of impropriety within two days of learning about it.

h. Neither Subcontractor nor any affiliates, nor any employee of either, has accepted or must accept anything of value based on an understanding that the actions of Subcontractor or its affiliates or employees on behalf of the State would be influenced. Subcontractor must not attempt to influence any State employee by the direct or indirect offer of anything of value.

i. Neither Subcontractor nor any affiliates, nor any employee of either, has paid or agreed to pay any person, other than bona fide employees and consultants working solely for Subcontractor or the affiliate, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of the CHCP Contract.

j. All financial statements, reports, and other information furnished by Subcontractor (if any) to the State in connection with the award of the CHCP Contract fairly and accurately represent the business, properties, financial condition, and results of operations of Subcontractor as of the respective dates, or for the respective periods, covered by the financial statements, reports, other information. Since the respective dates or periods covered by the financial statements, reports, or other information provided to the State (if any), there have been no material adverse change in the business, properties, financial condition, or results of operations of Subcontractor.

k. All written information furnished to Company or the State by or for Subcontractor in connection with the CHCP Contract, is true, accurate, and complete, and contains no untrue statement of material fact or omits any material fact necessary to make the information not misleading.

l. It is not in material default or breach of any other contract or agreement that it may have with the State or any of its departments, commissions, boards, or agencies. Subcontractor further represents and warrants that it has not been a party to any contract with the State or any of its departments that was terminated by the State or the department within the previous five years for the reason that Subcontractor failed to perform or otherwise breached an obligation of the CHCP Contract.

m. If any of the certifications, representations, or disclosures relating to Subcontractor (if any) made in Company's original bid response change after the award of the CHCP Contract, the Subcontractor is required to report those changes immediately.

[CHCP 2.120–127]

10. Consequences for Breach of Warranties and Representations. In addition to any remedies available in law, if Subcontractor breaches any of the warranties contained in Subsection C.9 above, the breach may be considered as a default in the performance of a material obligation of the Agreement, as amended. [CHCP 2.128]

11. Workplace Safety and Discriminatory Harassment. In performing services under the Agreement and related to the CHCP Contract, and to the extent Subcontractor has employees in the State of Michigan, Subcontractor must comply with the Department of Civil Services Rule 2-20 regarding Workplace Safety and Rule 1-8.3 regarding Discriminatory Harassment. In addition, Subcontractor must comply with Civil Service regulations and any applicable agency rules provided to the Contractor. For Civil Service Rules, see www.mi.gov/mdcs/0,1607,7-147-6877---,00.html. [CHCP 2.203]

12. Disclosure of Litigation and Other Events. Subcontractor must disclose any material criminal litigation, investigations, or proceedings involving Subcontractor (and each of its subcontractors) or any of its officers or directors or any litigation, investigations, or proceedings under the Sarbanes-Oxley Act. In addition, Subcontractor (and each of its subcontractors) must notify Contractor of any material civil litigation, arbitration, or proceeding that arises during the term of the Agreement or the CHCP Contract and extensions, to which Subcontractor (or, to the extent Subcontractor is aware, any subcontractor) is a party, and that involves: (i) disputes that might reasonably be expected to adversely affect the viability or financial stability of Subcontractor or any of its subcontractors; or (ii) a claim or written allegation of fraud against Subcontractor or, to the extent Subcontractor is aware, any of its subcontractors by a governmental or public entity arising out of their business dealings with governmental or public entities. Subcontractor must disclose in writing to Company any litigation, investigation, arbitration, or other proceeding (collectively, "Proceeding") within thirty (30) days of its occurrence. Details of settlements that are prevented from disclosure by the terms of the settlement may be annotated. Information provided to the State from Subcontractor's publicly filed documents referencing its material litigation will be deemed to satisfy the requirements of this Section. If any Proceeding disclosed to the State under this Section, or of which the State otherwise becomes aware, during the term of the CHCP Contract would cause a reasonable party to be concerned about: (i) the ability of Company, Subcontractor, or any of Subcontractor's subcontractors to continue to perform pursuant to the CHCP Contract or the Agreement according to their terms and conditions, or (ii) whether Company, Subcontractor, or any of Subcontractor's subcontractors in performing services for the State is engaged in conduct that is similar in nature to conduct alleged in the Proceeding, which conduct would constitute a breach of the Agreement or CHCP Contract or a violation of State law, regulations, or public policy, then Subcontractor must provide Company and the State all reasonable assurances requested by the State to demonstrate that: (a) Company, Subcontractor, and any of Subcontractor's subcontractors will be able to continue to perform the CHCP Contract according to its terms and conditions, and (b) Company, Subcontractor, or any of Subcontractor's subcontractors have not and will not engage in conduct in performing the services that is similar in nature to the conduct alleged in the Proceeding. Subcontractor must make the following notifications in writing: (1) Subcontractor must notify Company within fifteen (15) days of Subcontractor becoming aware that a change in its ownership or officers has occurred, or is certain to occur, or a change that could result in changes in the valuation of its capitalized assets in the accounting records; (2) Subcontractor must notify Company within fifteen (15) days whenever changes to asset valuations or any other cost changes have occurred or are certain to occur as a result of a change in ownership or officers; and (3) Subcontractor must notify Company within thirty (30) days whenever changes to company affiliations occur. In each of the aforementioned instances, Company shall notify the State as required. [CHCP 2.231]

13. Contract with the State. Subcontractor understands and agrees that upon a good-faith termination of the CHCP Contract, the State may assume, at its option, the Agreement between Company and Subcontractor, and may further pursue completion of the services/Deliverables under the CHCP Contract by replacement contract or otherwise as the State may in its sole judgment deem advantageous to the State. [CHCP 2.157]

14. False Claims. Subcontractor must comply with all applicable provisions of the federal False Claims Act and Michigan Medicaid False Claims Act. Actions taken to comply with the federal and State laws specifically include, but are not limited, to complying with and adopting Company's policies regarding the detection and prevention of waste, fraud, and abuse. [CHCP 1.022(L)(9)]

15. Annual Report. Subcontractor shall provide necessary information for Company to submit its required annual report, which shall include disclosure of applicable civil litigation. [CHCP 1.042]

16. State Approval of Subcontractors. Subcontractor understands and agrees that the State has the right of approval of Health Benefit Managers and Type A Transportation Subcontractors (as defined herein) and to require Company to replace any Heath Benefit Managers and Type A Transportation Subcontractors found, in the reasonable judgment of the State, to be unacceptable. The State's request will be written with reasonable detail outlining the reasons for the removal request. Additionally, the State's request will be based on good-faith reasons. [2.072]

17. Services/Deliverables Covered. For all services/Deliverables to be provided by Company (and its Subcontractors) under the CHCP Contract, the State will not be obligated to pay any amounts in addition to the amounts set forth in the CHCP Contract. [CHCP 2.043]

18. Insurance.

a. Subcontractor shall purchase and maintain the insurance coverage as described in this Section in connection with the performance of work under the Agreement. The insurance must protect the State from claims that may arise out of or result from the Subcontractor's performance of services under the CHCP Contract, whether the services are performed by the Subcontractor or by anyone directly or indirectly employed by it, or by anyone for whose acts it may be liable. The Subcontractor waives all rights against the State, its departments, divisions, agencies, offices, commissions, officers, employees, and agents for recovery of damages to the extent these damages are covered by the insurance policies the Subcontractor is required to maintain under the CHCP Contract. All insurance coverage provided relative to the CHCP Contract must be PRIMARY and NON-CONTRIBUTING to any comparable liability insurance (including self-insurance) carried by the State. The insurance must be written for not less than any minimum coverage specified in this Section or required by law, whichever is greater. The insurers selected by Subcontractor must have an A.M. Best rating of A or better, or as otherwise approved in writing by the State, or if the ratings are no longer available, with a comparable rating from a recognized insurance rating agency. All policies of insurance required must be issued by companies that have been approved to do business in the State. Where specific limits are shown in this Section, they are the minimum acceptable limits. If Subcontractor's policy contains higher limits, the State must be entitled to coverage to the extent of the higher limits. [CHCP 2.131]

b. Subcontractor must furnish to Company certificates of insurance verifying insurance coverage or providing satisfactory evidence of self-insurance as required in this Section (the "Certificates"). The Certificates must be on the standard "accord" form or equivalent. All Certificates are to be prepared and submitted by the insurance provider. All Certificates must contain a provision indicating that coverages afforded under the policies WILL NOT BE CANCELLED, MATERIALLY CHANGED, OR NOT RENEWED without 30 days' prior written notice, except for 10 days for non-payment of premium, having been given to the Director of Purchasing Operations, Department of Management and Budget. The notice must include reference to the CHCP Contract. Subcontractor shall provide Company with information necessary for Company to evidence to the State upon request, and not less than 20 days before the insurance expiration date every year, that the State and its agents, officers, and employees are listed as additional insureds under each commercial general liability and commercial automobile liability policy. In the event the State approves the representation of the State by the insurer's attorney, the attorney may be required to be designated as a Special Assistant Attorney General by the Attorney General of the State of Michigan. [CHCP 2.133]

c. Subcontractor must maintain all required insurance coverage throughout the term of the Agreement and any extensions and, in the case of claims-made Commercial General Liability policies, must secure tail coverage for at least three years following the expiration or termination for any reason of Agreement. The minimum limits of coverage specified above are not intended, and must not be construed, to limit any liability or indemnity of Subcontractor to any indemnified party or other persons. Subcontractor is responsible for all deductibles with regard to the insurance. If the Subcontractor fails to pay any premium for required insurance, or if any insurer cancels or significantly reduces any required insurance without the State's written consent, Company reserves the right to be made whole by Subcontractor in the event the State pays the premium or procures similar insurance coverage from another company or companies and deducts any part of the cost from any payment due to Company, or in the event that the State requires Company to pay that cost upon demand by the State. [CHCP 2.133]

d. For purposes of this Section, the following definitions shall apply [see CHCP 2.070]:

(i) Transportation Subcontractor: An entity that arranges or arranges and provides transportation services covered under the CHCP Contract under a written subcontract with Company in the following categories:

I. Type A Transportation Subcontractors perform Health Benefit Management services for the transportation benefit. These Subcontractors do not directly

provide the transportation benefit, but rather subcontract with other entities to provide the actual transportation.

II. Type B Transportation Subcontractors arrange and provide the transportation services, such as social or religious agencies that provide transportation to covered services.

(ii) Health Benefit Manager: An entity that arranges for the provision of health services covered under the Agreement, with the exclusion of transportation. Health Benefit Managers include, but are not limited to, Pharmacy Benefit Managers, Behavioral Health Benefit Managers, and Vision Benefit Managers.

(iii) Administrative Subcontractors are entities that perform, for Company, administrative functions required by this Agreement such as claims payment, delegated credentialing, and card production and mailing services, in the following categories:

I. Type A Administrative Subcontractors perform administrative functions for Company dealing with claims payment, third party liability, or other functions involving payment decisions.

II. Type B Administrative Subcontractors perform administrative functions relating to medical decisions such as credentialing, utilization management, or case-management.

III. Type C Administrative Subcontractors perform miscellaneous administrative functions required by this Agreement that do not involve payment or medical decisions. This type of administrative Subcontractor includes but is not limited to identification card production and mailing services.

e. Insurance Requirements for Health Benefit Managers and Type A Transportation Subcontractors [see CHCP 2.132]:

(i) Commercial General Liability with the following minimum coverage:

$2,000,000 General Aggregate Limit other than Products/Completed Operations

$2,000,000 Products/Completed Operations Aggregate Limit

$1,000,000 Personal & Advertising Injury Limit

$1,000,000 Each Occurrence Limit

Subcontractor must list the State, its departments, divisions, agencies, offices, commissions, officers, employees, and agents as ADDITIONAL INSUREDS on the Commercial General Liability certificate. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company.

(ii) If a motor vehicle is used to provide services or products under the Agreement, Subcontractor must have vehicle liability insurance on any auto including owned, hired and non-owned vehicles used in Subcontractor's business for bodily injury and property damage as required by

law. Subcontractor must list the State, its departments, divisions, agencies, offices, commissions, officers, employees and agents as ADDITIONAL INSUREDS on the vehicle liability certificate. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company.

(iii) Workers' compensation coverage must be provided according to applicable laws governing the employees and employers work activities in the state of the Subcontractor's domicile. If the applicable coverage is provided by a self-insurer, proof must be provided of approved self-insured authority by the jurisdiction of domicile. For employees working outside of the state of qualification, Subcontractor must provide appropriate certificates of insurance proving mandated coverage levels for the jurisdictions where the employees' activities occur. Any certificates of insurance received must also provide a list of states where the coverage is applicable. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company. This provision must not be applicable where prohibited or limited by the laws of the jurisdiction in which the work is to be performed.

(iv) Employers liability insurance with the following minimum limits:

$100,000 each accident

$100,000 each employee by disease

$500,000 aggregate disease

(v) Employee Fidelity, including Computer Crimes, insurance naming the State as a loss payee, providing coverage for direct loss to the State and any legal liability of the State arising out of or related to fraudulent or dishonest acts committed by Subcontractor's employees acting alone or in collusion with others, in a minimum amount of one million dollars ($1,000,000.00) with a maximum deductible of fifty thousand dollars ($50,000.00).

(vi) Umbrella or Excess Liability Insurance in a minimum amount of five million dollars ($5,000,000.00), which must apply, at a minimum, to the insurance required in Subsection 19(c)(i) (Commercial General Liability) above.

(vii) Professional Liability (Errors and Omissions) Insurance with the following minimum coverage: one million dollars ($1,000,000.00) each occurrence and three million dollars ($3,000,000.00) annual aggregate.

f. Insurance Requirements for Type A – Administrative Subcontractors dealing with payment decisions [see CHCP 2.132]:

(i) If a motor vehicle is used to provide services or products under the Agreement, Subcontractor must have vehicle liability insurance on any auto including owned, hired, and non-owned vehicles used in Subcontractor's business for bodily injury and property damage as required by law. The Subcontractor must list the State, its departments, divisions, agencies, offices, commissions, officers, employees and agents as ADDITIONAL INSUREDS on the vehicle liability certificate. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company.

(ii) Workers' compensation coverage must be provided according to applicable laws governing the employees and employers work activities in the state of the Subontractor's domicile. If the applicable coverage is provided by a self-insurer, proof must be provided of approved self-insured authority by the jurisdiction of domicile. For employees working outside of the state of qualification,

Subcontractor must provide appropriate certificates of insurance proving mandated coverage levels for the jurisdictions where the employees' activities occur. Any certificates of insurance received must also provide a list of states where the coverage is applicable. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company. This provision must not be applicable where prohibited or limited by the laws of the jurisdiction in which the work is to be performed.

(iii) Employers liability insurance with the following minimum limits:

$100,000 each accident

$100,000 each employee by disease

$500,000 aggregate disease

(iv) Employee Fidelity, including Computer Crimes, insurance naming the State as a loss payee, providing coverage for direct loss to the State and any legal liability of the State arising out of or related to fraudulent or dishonest acts committed by the Subcontractor's employees, acting alone or in collusion with others, in a minimum amount of one million dollars ($1,000,000.00) with a maximum deductible of fifty thousand dollars ($50,000.00).

(v) Professional Liability (Errors and Omissions) Insurance with the following minimum coverage: three million dollars ($3,000,000.00) each occurrence and three million dollars ($3,000,000.00) annual aggregate.

g. Insurance Requirements for Type B Administrative Subcontractors dealing with medical decisions [see CHCP 2.132]:

(i) If a motor vehicle is used to provide services or products under the Agreement, Subcontractor must have vehicle liability insurance on any auto including owned, hired and non-owned vehicles used in Subcontractor's business for bodily injury and property damage as required by law. Subcontractor must list the State, its departments, divisions, agencies, offices, commissions, officers, employees and agents as ADDITIONAL INSUREDS on the vehicle liability certificate. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company.

(ii) Workers' compensation coverage must be provided according to applicable laws governing the employees and employers work activities in the state of Subcontractor's domicile. If the applicable coverage is provided by a self-insurer, proof must be provided of approved self-insured authority by the jurisdiction of domicile. For employees working outside of the state of qualification, Subcontractor must provide appropriate certificates of insurance proving mandated coverage levels for the jurisdictions where the employees' activities occur. Any certificates of insurance received must also provide a list of states where the coverage is applicable. Subcontractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company. This provision must not be applicable where prohibited or limited by the laws of the jurisdiction in which the work is to be performed.

(iii) Employers liability insurance with the following minimum limits:

$100,000 each accident

$100,000 each employee by disease

$500,000 aggregate disease

(iv) Professional Liability (Errors and Omissions) Insurance with the following minimum coverage: one million dollars ($1,000,000.00) each occurrence and three million dollars ($3,000,000.00) annual aggregate.

h. Insurance Requirements for Type B Transportation Subcontractors: Type B Transportation Subcontractors must verify that individuals providing the transportation have secured appropriate insurance coverage as required by law. The subcontract with the Type B Transportation Subcontractor should require these Type B Transportation Subcontractors to obtain a letter of understanding with the individual providing the transportation that attests that the individual has appropriate insurance coverage. [CHCP 2.132]

19. Additional Provisions. In the event Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement, or in the event you are a Provider, your Agreement with Company hereby incorporates, and you shall ensure that your contracts with any of your downstream subcontractors or providers incorporate, the requirements set forth above in Subsection B.12 of this Michigan Medicaid/CHIP Addendum, as well as the following additional requirements:

a. Providers must be prohibited from seeking payment from an Enrollee for any covered services provided to that Enrollee within the terms of the CHCP Contract and must be required to look solely to the Subcontractor or Company, as applicable, for compensation for services rendered. No cost sharing or deductibles can be collected from Enrollees unless approved in writing by Company. [CHCP 1.022U(1)(a)]

b. Providers must be required to meet Medicaid accessibility standards as defined in the CHCP Contract. [CHCP 1.022U(1)(f)]

c. Providers must provide for continuity of treatment in the event a provider's participation terminates during the course of an Enrollee's treatment by that provider. [CHCP 1.022U(1)(g)]

d. If the Plan utilizes co-payments for the Covered Service, providers must be prohibited from denying services to an Enrollee who is eligible for the services due to the Enrollee's inability to pay the co-payment. [CHCP 1.022U(1)(h)]

e. Hospital contracts must contain a provision that mandates the hospital to comply with all medical record requirements contained within 42 C.F.R. §§ 456.101–456.145 [CHCP 1.022U(1)(i); FY 2012 amendment No. 18]

f. In accordance with Section 1932(b)(7) of the Social Security Act as implemented by Section 4704(a) of the Balanced Budget Act, Provider/Subcontractor may not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of provider's license or certification under applicable State law, solely on the basis of such license or certification. This provision should not be construed as an "any willing provider" law, as it does not prohibit Provider/Subcontractor from limiting provider participation to the extent necessary to meet the needs of the enrollees. This provision also does not interfere with measures established by the Provider/Subcontractor that are designed to maintain quality and control costs consistent with the responsibility of the organization. If Provider/Subcontractor declines to include providers in its network, Provider/Subcontractor must give the affected providers written notice of the reason for the decision. [CHCP 1.022U(2)]

g. In order for Company to comply with its contractual and legal obligations, Provider agrees to permit Subcontractor, Company, any federal or State agency having jurisdiction over Provider's provision of services to the Plan, the U.S. Department of Health and Human Services, and/or any accrediting organization to conduct periodic site evaluations of Provider's facilities, offices, and records. Upon Company's written

request, Provider shall provide Company with a copy of the written response to any questions or comments posed by the agencies listed in the preceding sentence. [See generally CHCP 2.110]

h. During regular business hours and upon reasonable notice and demand, Company and/or Subcontractor shall have access to, and the right to audit and obtain copies of, Provider records within the possession of or reasonably accessible to, or under the control of Provider that are related to the services provided under this Agreement. Unless applicable statutes or regulations require a longer time period, Company and/or Subcontractor shall have such access during the term of this Agreement and for seven (7) years following its termination. All Provider records requested by Company and/or Subcontractor shall be provided within no more than seven (7) days from the date such request is made, except in the case of an audit or site visit by Company and/or Subcontractor where records or copies of records shall be provided at the time of the audit or site visit. Provider's refusal to grant access to Provider records as requested by Company and/or Subcontractor or as required by any federal or State law or regulations shall constitute a breach of this Agreement and may result in the imposition of sanctions including termination and/or financial penalties. [CHCP 2.110]

i. Providers shall comply with State and federal law and Company policy to enable Members to make decisions concerning their medical care, including the right to accept or refuse medical treatment and the right to formulate, at the Members option, advanced directives. [CHCP 1.022(L)(7)]

D. Additional Requirements Applicable to Contracts and Services Under the *MIChild* Contract

1. Disclosure of Ownership. Subcontractor must cooperate with Company so that Company can fulfill its requirements under the *MIChild* Contract to (a) disclose and submit ownership information between Company and any person with control or ownership of five percent (5%) or more in a Subcontract, and (b) supply upon request of the federal or State government a description of the transactions (if any) between Company and any person with control or ownership of five percent (5%) or more in a Subcontractor. [*MIChild* I-F]

2. Insurance. Subcontractors shall maintain insurance coverage as specified in this Section and shall provide proof, upon the State's request and if applicable, of medical professional liability insurance in amounts consistent with Company's provider network standards for similar professionals. Specifically, the Subcontractor shall purchase and maintain such insurance as will protect it from the claims set forth below that may arise out of or result from the Subcontractor's operations under the *MIChild* Contract, whether such operations are by the Subcontractor or by anyone directly or indirectly employed by it, or by anyone for whose acts any of them may be liable:

a. Claims under workers' compensation, disability benefit, and other similar employee benefit act. A non-resident Subcontractor shall have insurance for benefits payable under the State's Workers' Disability Compensation Law for any employee resident of and hired in the State, and as respects any other employee protected by workers' disability compensation laws of any other state the Subcontractor shall have insurance or participate in a mandatory state fund to cover the benefits payable to any such employee. Subcontractor shall provide workers' compensation insurance for all its employees working in the State, unless its employees are covered by the workers' compensation protection afforded by Company. Any Subcontract executed with a person or entity not having the requisite workers' compensation coverage will be considered void by the State. [*MIChild* I-P.1]

b. Claims for damages because of bodily injury, occupational sickness or disease, or death of its employees. [*MIChild* I-P.2]

c. Claims for damages because of bodily injury, sickness or disease, or death of any person other than its employees, subject to limits of liability of not less than $1,000,000 each occurrence and, when applicable, $2,000,000 annual aggregate, for non-automobile hazards and as required by law for automobile hazards. [*MIChild* I-P.3]

d. Claims for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom, subject to a limit of liability of not less than $50,000 each occurrence for non-automobile hazards and as required by law for automobile hazards. [*MIChild* I-P.4]

e. Insurance for subparagraphs (c) and (d) non-automobile hazards on a combined single limit of liability basis shall not be less than $1,000,000 each occurrence and, when applicable, $2,000,000 annual aggregate. [*MIChild* I-P.5]

f. The insurance noted in this section shall be written for not less than any limits of liability herein specified or required by law, whichever is greater. [*MIChild* I-P.8]

3. Minority Owned Business. Provider/Subcontractor shall not discriminate against minority-owned and women-owned businesses and businesses owned by persons with disabilities in any subcontracting. Any such discrimination will be a material breach of contract. [*MIChild* I-U.2]

4. Conduct of Personnel. The Subcontractor shall notify the Company if Subcontractor, or any of its subcontractors, officers, directors, or key personnel have ever been convicted of a felony, or any crime involving moral turpitude, including but not limited to fraud, misappropriation, or deception. Subcontractor shall promptly notify Company of any criminal litigation, investigations, or proceedings that have arisen or may arise involving the Subcontractor or any of the Subcontractor's subcontractors, or any of the foregoing entities' then-current officers or directors during the term of the *MIChild* Contract and three years thereafter. [*MIChild* I-DD.1]

5. Litigation. Subcontractor shall notify Company, as promptly as possible, of any civil litigation, arbitration, proceedings, or judgments that have arisen or may arise against it or its subcontractors during the term of the *MIChild* Contract or within three years thereafter, that involve (1) products or services similar to those provided to the State under the *MIChild* Contract and that either involve a claim in excess of $250,000 or that otherwise may affect the viability or financial stability of the Subcontractor, (2) a claim or written allegation of fraud against the Subcontractor or its subcontractors hereunder, arising out of their business activities, or (3) a claim or written allegation that the Subcontractor or its subcontractors hereunder violated any federal, state, or local statute, regulation, or ordinance. In addition, multiple lawsuits and/or judgments against the Subcontractor or its subcontractors in an amount less than $250,000 shall be disclosed to Company to the extent they affect the financial solvency and integrity of the Subcontractor or its subcontractors. Subcontractor must cooperate with Company to provide to the State all reasonable assurances requested by the State to demonstrate that: (a) Subcontractor or its subcontractors hereunder will be able to continue to perform under the *MIChild* Contract in accordance with its terms and conditions, or (b) the Subcontractor or its subcontractors will not engage in conduct in performing services under under the *MIChild* Contract that is similar in nature to the conduct alleged in any such litigation, arbitration, or other proceedings. [*MIChild* I-DD]

6. Record Retention and Examination. Subcontractor shall maintain all pertinent financial and accounting records and evidence pertaining to the Agreement and the *MIChild* Contract in accordance with generally accepted principles of accounting and other procedures specified by the State. Subcontractor shall permit the State or the U.S. Department of Health and Human Services or any of their identified agents access to the Subcontractor's facilities being utilized at any reasonable time, during normal business hours, to observe the operation of the program. Furthermore, Subcontractor shall retain all books, records, or other documents relevant to the Agreement and the the *MIChild* Contract for six (6) years after final payment, at its cost, and federal auditors and any persons duly authorized by the State shall have full access to and the right to examine and audit any of said material during said period. If an audit is initiated prior to the expiration of the six (6) year period, and extends past that period, all documents shall be maintained until the audit is completed. Subcontractor shall assure, as a condition of any sale or transfer of ownership of Subcontractor, that the new purchaser or owner maintains the above-described books, records, or other documents for any unexpired portion of the six (6) year period after final payment under the Agreement and the the *MIChild* Contract, or Subcontractor shall otherwise maintain said records as the State may direct. Subcontractor shall, if it ceases business operations, maintain the records as the State may direct. [*MIChild* I-I]

7. Provider Care. In the event Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement, or in the event you are a Provider, your Agreement with Company hereby incorporates, and you shall ensure that your contracts with any of your downstream subcontractors or providers

incorporate, the requirements set forth above in Subsection B.12 of this Michigan Medicaid/CHIP Addendum, as well as the following additional requirements:

a. Providers shall be responsible for providing primary and specialty care to Enrollees. In addition, primary care providers are responsible for initiating referrals for specialty care and maintaining the Enrollee's medical record, which shall include documentation of all services provided. [*MIChild* II-M.5(a)]

b. Provider/Subcontractor shall ensure that: (i) Enrollees will not be denied a covered service or availability of a facility or provider identified in the *MIChild* Contract; and (ii) providers will not intentionally segregate *MIChild* Enrollees in any way from other persons receiving health care services. [*MIChild* II-M.5(b)]

c. Any medical records, required data, reports of services, or reports on complaints, grievances, quality, or utilization issues for Enrollees must be made available to Company. [*MIChild* II-M.5(b)]

d. Providers shall accept the Enrollees along with all other Enrollees of Company, and not segregate them in any way or treat them in a location or manner different from other Enrollees. [*MIChild* II-M.5(b)]

e. To the extent reasonably possible and as applicable, Provider/Subcontractor must require its contracted providers to maintain medical records of all medical services received by the Enrollees and assist with Company's record maintenance/confidentiality/access requirements under the *MIChild* Contract. [*MIChild* II-Y]

Individual Sites Regulatory Compliance Addendum - Exhibit B-2

Regulatory Compliance Addendum

Governing Medicare-Medicaid Dual-Eligible Services

(Aetna Better Health of Michigan)

This Addendum Governing Medicare-Medicaid Dual-Eligible Services (the "Duals Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as well as the provision of any administrative or health-benefit management services/functions that relate to:

(1) the *Contract Between United States Department of Health and Human Services Centers for Medicare & Medicaid Services, In Partnership with the State of Michigan and Aetna Better Health of Michigan Inc.*, issued on August 1, 2016 (the "Three-Way Contract"); and

(2) any predecessor or successor contracts to, or amendments of, any of the foregoing;

to the extent that the terms and conditions of this Duals Addendum are applicable to Provider's services and obligations under the Agreement. The Three-Way Contract governs the program known as the MI Health Link Duals Demonstration (the "Demonstration"), under which Aetna Better Health of Michigan Inc. ("Company") serves as an "Integrated Care Organization."

This Duals Addendum is incorporated by reference into the Agreement between Company (or its affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing the Agreement, as identified on the first page of the Agreement (the "Provider"), and Provider must comply with the requirements set forth herein. Note that this Duals Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement, in the Three-Way Contract, and in the policies, procedures, and provider manual of Company (or its affiliate, as the case may be). This Duals Addendum and the Agreement may be revised as directed by the State of Michigan (the "State") and/or by the Centers for Medicare and Medicaid Services ("CMS").

For purposes of this Duals Addendum, Company may be referred to as "ICO" or "MCO" (a/k/a integrated care organization and managed care organization, respectively), and the individuals who are enrolled with Company under the Demonstration may be referred to as the "Members" or "Enrollees." All capitalized terms not defined in this Duals Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Duals Addendum and any of the other terms of the Agreement, including any attachments, schedules, exhibits, and/or addenda made part of the Agreement, the terms of this Duals

Addendum will govern and control with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and the Demonstration; provided, however, that if there is a conflict between any of the terms of the Agreement, including this Duals Addendum, and the Three-Way Contract, then the terms of the Three-Way Contract will govern and control. Except as provided herein, all other provisions of the Agreement not inconsistent with this Duals Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Duals Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Three-Way Contract and the remainder of the Agreement.

Provider acknowledges and agrees that the provisions of this Duals Addendum, and the Medicare Services Exhibit to the Agreement, shall apply equally to any employees (temporary or permanent), partners, individual practitioners, independent contractors, subcontractors, downstream entities, or related entities of Provider that provide Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, or that provide administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and the Demonstration, to the extent that those provisions are applicable to the services that the aforementioned individuals and/or entities actually provide. Provider furthermore represents and warrants that, with respect to all such aforementioned individuals and/or entities: (a) Provider's contracts therewith shall be in writing and shall specify, as applicable, the delegated activities and reporting responsibilities of those individuals and/or entities; (b) Provider shall cause those individuals and/or entities to comply with this Duals Addendum and the Medicare Services Exhibit to the Agreement, and with all applicable State and federal laws and regulations (including applicable CMS instructions and directives), to the extent applicable to the services that those individuals and/or entities actually provide; and (c) Provider either has the authority to bind those individuals and/or entities in that regard (and shall provide written evidence of same to MCO upon request), or shall include in Provider's contracts with such individuals and/or entities all of the contractual and legal obligations and duties imposed upon Provider in the Agreement in order for such individuals and/or entities to comply with applicable State and federal laws and regulations, including applicable CMS instructions and directives (and again Provider shall provide written evidence of same to MCO upon request). This includes any such aforementioned individuals and/or entities that may perform services under the Agreement in Provider's offices, on behalf of Provider, for which Provider bills such services under the Agreement. To the extent that the State and/or CMS requires additional provisions to be included in Provider's contracts with such aforementioned individuals and/or entities, Provider shall amend its contracts in conformance therewith. [42 C.F.R. § 422.504]

All provisions of this Duals Addendum that by their nature should survive termination of the Agreement and/or termination of Provider's provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, or, as the case may be, Provider's provision of administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and the Demonstration, shall survive such termination.

REQUIREMENTS FOR THE DEMONSTRATION

A. Michigan State Requirements

The State and/or the Michigan Department of Health and Human Services ("MDHHS") requires that specific terms and conditions be incorporated into the Agreement because the Agreement is a contract between a health maintenance organization and a provider. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the following requirements with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract and the Demonstration:

1. Provider shall look only to MCO for compensation for services rendered to an Enrollee when such services are covered by the Plan. Provider agrees not to bill, charge, collect a deposit from, seek compensation from, seek remuneration from, surcharge or have any recourse against an Enrollee or person acting on behalf of an Enrollee (other than MCO), except to the extent that copayments, coinsurances, and/or deductibles are specified in the Plan or as permitted pursuant to coordination of benefits. (All copayments, coinsurances, and deductibles shall be applied by MCO in accordance with applicable law, including without limitation MCL 500.3515.) Provider agrees not to maintain any action at law or in equity against an Enrollee to collect sums that are owed by MCO to such Provider under the terms of the Agreement, even in the event MCO fails to pay, becomes insolvent, or otherwise breaches the terms and conditions of this Agreement. This provision shall survive termination of the Agreement, regardless of the cause of termination and shall be construed to be for the benefit of the Enrollee. This provision is not intended to apply to services provided after this Agreement has been terminated, except as otherwise provided in this Agreement, or to non-Covered Services. Provider further agrees that this provision supersedes any oral or written agreement, hereinafter entered into between such Provider and Enrollee or persons acting on Enrollee's behalf, insofar as such agreement relates to payment for services provided under the terms and conditions of this Agreement. [MI ADC R. 325.6345(2); MI Ins. Code 500.3529(3)]

2. Provider shall meet applicable licensure or certification requirements. [MI ADC R. 325.6345(3)(a); MI Ins. Code 500.3529(4)(a)]

3. Provider shall allow appropriate access to records or reports concerning services to Enrollees. [MI ADC R. 325. 6345(3)(b); MI Ins. Code 500.3529(4)(b)]

4. Provider shall cooperate with MCO's quality assurance activities. [MI ADC R. 325. 6345(3)(c); MI Ins. Code 500.3529(4)(c)]

5. In the event of MCO's insolvency, Provider shall continue to provide services to Enrollees. MCO acknowledges that it is required by law to provide a mechanism for appropriate sharing of the continuation of Provider services as approved by the Michigan Insurance Commissioner and in no event shall such continuation be solely the responsibility of Provider. [MI Ins. Code 500.3561]

6. The definition of Clean Claim that is set forth in the Agreement shall additionally include the applicable Michigan statutory requirements set forth in MCL 400.111*i*(2)(a). Company shall pay all Clean Claims in accordance with the terms and requirements set forth in MCL 400.111*i*.

7. Notwithstanding anything to the contrary in the Agreement, the laws of the State of Michigan shall govern the Agreement as it relates to Company and to all Covered Services that Provider provides to Company's Members, regardless of where Provider is located, unless Michigan law is preempted by federal law consistent with Section 5.1.13.2 of the Three-Way Contract.

B. Medicare Requirements

Without limiting any obligation of Provider under the Agreement, Provider shall comply with, and shall cause its Downstream Entities to comply with, the requirements set forth in this **Section B** (including any delegated function-specific Schedules appended hereto) and the Medicare Services Exhibit to the Agreement (the "Medicare Services Exhibit") with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider), as applicable, that relate to those Covered Services or to the Three-Way Contract and the Demonstration (the "Medicare Services"). The term "Downstream Entities" shall have the meaning that is ascribed to it in the Medicare Services Exhibit. Furthermore, with respect to the requirements set forth in this **Section B**: (a) the term "Provider" shall include Provider's permanent and temporary employees; (b) the Members who are dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration shall collectively be referred to as the "Medicare Members"; and (c) the managed-care plan that MCO offers under the Three-Way Contract and the Demonstration shall be referred to as the "Medicare Plan." Provider furthermore acknowledges and agrees that all terms of Medicare Services Exhibit shall apply equally to services provided in connection with the Three-Way Contract and the Demonstration, even if Medicare Services Exhibit only refers to Medicare Advantage products. The requirements set forth in this **Section B** (including Medicare Services Exhibit) shall be governed by federal laws, regulations, and agency requirements that are applicable to the Medicare program. In the event that changes to such governing laws, regulations, or agency requirements occur, the new law, regulation, or agency requirement that is applicable to the Medicare program shall supersede to the extent required by any such later required changes.

Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. PROVIDER OBLIGATIONS.

A. Compliance; Cooperation. Provider agrees that all Medicare Services and other activities performed by Provider under the Agreement, including without limitation any activities and responsibilities that MCO is delegating to Provider in connection with the Three-Way Contract and the Demonstration, will be performed consistent with and will comply with MCO's contractual and legal obligations and duties imposed on MCO under the Three-Way Contract and under applicable Medicare laws, regulations, rules, and other directions of CMS. Upon request, Provider shall immediately provide to MCO any information that is required by MCO to meet its reporting obligations to CMS, including without limitation, physician incentive plan information, if applicable. Provider agrees to cooperate with and participate in internal and external review procedures necessary to allow MCO to process Medicare appeals and grievances in accordance with Medicare laws, regulations, and CMS instructions. [42 C.F.R. § 422.504(i)(3)(iii)]

B. Compliance Program and Anti-Fraud Initiatives. Provider shall (and shall cause its Downstream Entities, if any, to) institute, operate, and maintain an effective compliance program to detect, correct, and prevent the incidence of non-compliance with CMS requirements and the incidence of fraud,

waste, and abuse ("FWA") relating to the operation of the Medicare Plan. Such compliance program shall be appropriate to the organization and operations of Provider and Provider's Downstream Entities and shall include:

(1) Written compliance policies and standards of conduct that are comparable to Aetna's compliance policies/Aetna Code of Conduct and articulate the entity's commitment to comply with federal and state laws, ethical behavior, and compliance program operations. Provider will disseminate either Aetna's compliance policies/Aetna Code of Conduct or comparable versions to Provider's employees, officers, and Downstream Entities within ninety (90) days of hire/contracting, when updates are made, and annually thereafter.

(2) Reporting mechanisms communicated to Provider's employees and Downstream Entities for their use in adhering to the expectation that Provider, its employees, and its Downstream Entities report potential non-compliance or FWA issues (internally and to MCO, as applicable) and understand their obligation to report. Provider must publicize the reporting methods to Provider employees and Downstream Entities along with a no-tolerance policy for retaliation or retribution for good-faith reporting.

(3) Completion of CMS's Medicare Learning Network® "Medicare Parts C and D Fraud, Waste, and Abuse Training and Medicare Parts C and D General Compliance Training" by Provider employees, officers, and Downstream Entities initially within ninety (90) days of hire/contracting and at least annually thereafter, unless exempt from such training under relevant CMS regulations. Training may be completed in one of two ways: (1) by completing the general compliance and FWA training modules located on the CMS Medicare Learning Network; or (2) by downloading, viewing or printing the content of the then current CMS standardized training modules from the CMS website to incorporate into Provider's and/or Downstream Entity's organization's existing compliance training materials/systems. The CMS training content may not be changed but Provider and/or its Downstream Entities may add to it to cover topics specific to its organization.

(4) Processes to oversee and ensure that Provider and Provider's Downstream Entities maintain compliance with processes to oversee and ensure that: (1) Provider and Provider's Downstream Entities maintain compliance with CMS compliance program requirements, and (2) Provider's Downstream Entities perform Medicare Services consistent with this Agreement and the agreement between Provider and such Downstream Entities. Provider's oversight under this Agreement shall include: (1) imposition of disciplinary actions, as needed, to ensure employee compliance with CMS compliance program requirements, and (2) implementation of corrective actions (up to and including contract termination), as needed, with respect to its Downstream Entities to ensure Downstream Entity compliance with applicable CMS requirements, including the CMS compliance program requirements, this Agreement, and Provider's contract with the Downstream Entity.

(5) Retention of evidence showing that Provider and Provider's Downstream Entities complied with the requirements set forth in this Section. Such evidence must be maintained for at least the period of time specified in Section B.1.F. hereof and shall be made available to MCO and CMS, upon request. Provider shall complete attestations in the form and manner requested by Company to confirm its compliance with this section on an annual basis.

[Chapter 21 of the Medicare Managed Care Manual]

C. Federal Fund Obligations. Provider understands and agrees that payments received by MCO for the Medicare Plan from CMS pursuant to the Three-Way Contract, as well as payments that Provider receives from MCO for performing services and functions under the Agreement, constitute the receipt of federal funds. As a result, Provider, by entering into the Agreement and the terms of this Duals Addendum, is subject to laws applicable to individuals/entities receiving federal funds, including but not limited to Title VI of the Civil Rights Act of 1964 as implemented by regulations at 45 C.F.R. part 84, the Age Discrimination Act of 1975 as implemented by regulations at 45 C.F.R. part 91, the Rehabilitation Act of 1973, and the Americans with Disabilities Act. [Section 120 of Chapter 11 of the Medicare Managed Care Manual]

D. Continuation of Services. In the event the Three-Way Contract terminates or MCO becomes insolvent, Provider shall continue to provide Covered Services to Medicare Members who are hospitalized through the date of discharge. Provider is prohibited by law from billing Medicare Members for such Covered Services. This provision shall survive the termination of the Agreement, regardless of the reason for termination, including the insolvency of MCO, and shall supersede any oral or written agreement between Provider and a Medicare Member. [42 C.F.R. § 422.504(g)(2)(i) and (ii)]

E. Policies, Programs & Procedures. Provider agrees to comply with MCO's policies and procedures (which MCO shall provide to Provider upon request) which operationalize many of the requirements of the Agreement, this Duals Addendum, and the Three-Way Contract and Demonstration. Provider agrees to comply with MCO's quality improvement, administrative processes and procedures, utilization review, peer review, grievance procedures, credentialing and recredentialing procedures, and any other policies MCO may implement, including amendments made to the above mentioned policies, procedures and programs from time to time. In the event that an MCO policy or procedure conflicts with a provision in the Agreement, then the language in the Agreement (including all amendments, exhibits, and attachments thereto) shall govern. [Section 100.4 of Chapter 11 of the Medicare Managed Care Manual]

F. Maintenance of Records. Provider, on behalf of itself and its Downstream Entities (if any), shall preserve records applicable to Medicare Members and/or to MCO's participation in the Three-Way Contract and Demonstration, for the longer of: (i) the period of time required by state and federal law, or (ii) ten (10) years. In addition, to the extent applicable to Provider, Provider, on behalf of itself and any Downstream Entities with whom Provider has contracted, agrees to comply with 42 C.F.R. § 422.2480(c) and to maintain all records, if any, containing data used by MCO to calculate Medicare medical loss ratios ("MLRs") for MCO's Medicare products and/or evidence needed by MCO and/or federal governmental authorities with jurisdiction to validate MLRs (collectively, "MLR Records") for a minimum of ten (10) years from the date such MLRs were reported by MCO to CMS. This provision shall survive the termination of the Agreement, regardless of the cause of termination. [42 C.F.R. § 422.504(i)(2)(i)(ii) and 42 C.F.R. § 422.2480(c)(1)]

G. Contracts with Excluded Entities. Provider understands and agrees that no person or entity that provides Medicare Services, directly or indirectly, for MCO's Medicare Plan, may be an individual or entity excluded from participation in Medicare under Section 1128 or 1128A of the Social Security Act. Provider hereby certifies that no such excluded person or entity will be employed by or utilized by Provider or by any of Provider's Downstream Entities to directly or indirectly perform Medicare Services under this Agreement. Provider agrees to review the Department of Health and Human Services ("HHS") Office of Inspector General List of Excluded Individuals and Entities and the General Services Administration System for Awards Management (collectively, "Exclusion Lists") to ensure that no persons or entities employed by or utilized by Provider or by any of Provider's Downstream Entities are included on such Exclusion Lists. Provider agrees to review the Exclusion Lists prior to initially hiring, appointing, or contracting with any new employee, temporary employee, or Downstream Entity, and at least once per month thereafter to confirm that such persons and entities are not included on such Exclusion Lists. Provider agrees that if any such person or entity utilized by Provider to directly or indirectly perform Medicare Services under this Agreement appears on an

Exclusion List and/or is excluded from participation in any federally-funded health program, Provider will immediately remove the employee, temporary employee, or Downstream Entity from any work related directly or indirectly to MCO's Medicare Plan, and take all corrective actions required under applicable laws, rules, or regulations. In the event Provider or any employee, temporary employee, or Downstream Entity of Provider that directly or indirectly performs Medicare Services under this Agreement is listed in an Exclusion List after the Effective Date of this Duals Addendum, MCO shall have the right, in its sole discretion and judgment, to terminate Provider's participation in MCO's Medicare Plan in accordance with the Agreement or to disqualify any such person or entity on the Exclusion List from providing any part of the Medicare Services. [42 C.F.R. §§ 422.503(b)(4)(vi)(F), 422.752(a)(8), 423.504(b)(4)(vi)(F), 423.752(a)(6) & 1001.1901 and Section 50.6.8 of the Medicare Managed Care Manual]

H. Offshore Services. Provider is prohibited from performing, and is prohibited from engaging or paying any individual or entity to perform, any services for the Medicare Plan if Provider or such individual or entity, as the case may be, is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless MCO, in its sole discretion and judgment, agrees in advance and in writing to the provision of such Offshore Services by Provider and/or such individual or entity. Provider furthermore agrees that MCO has the right to audit Provider and/or such individual or entity prior to the provision of Offshore Services for the Medicare Plan. Additionally, Provider represents and warrants that it does not and will not permit any Medicare Member's protected health information (PHI), or any other information that MCO or Provider has obtained in connection with the Three-Way Contract and Demonstration, to be accessible by any individual or entity that is physically located outside of one of the fifty United States or one of the United States Territories without prior written notice to MCO and without MCO's prior written approval of same. In the event that MCO agrees in advance and in writing to the provision of Offshore Services that involve Medicare Member protected health information (PHI), such Offshore Services are subject to CMS reporting within thirty (30) days of: (1) performing, or contracting to perform, such Offshore Services, and (2) any time Provider changes the Offshore Services being performed. [CMS Memo dated July 23, 2007 on "Sponsor Activities Performed Outside of the United States" and CMS Questions and Answers dated September 20, 2007 on "Sponsor Activities Performed Outside of the United States"]

I. Submission of Encounter Data. Provider hereby acknowledges that MCO is required to provide CMS and other federal and state regulatory agencies and accrediting organizations with encounter data as requested by such agencies and organizations. Such data may include medical records and all other data necessary to characterize each encounter between Provider and a Medicare Member. Provider agrees to cooperate with MCO and to provide MCO with all such information in such form and manner as requested by MCO. Provider agrees to immediately notify MCO if any encounter data that Provider submitted to MCO for Medicare Members is inaccurate, incomplete, or erroneous, and to cooperate with MCO to correct erroneous encounter data to ensure MCO's compliance with Medicare laws, rules, and regulations and CMS instructions. [42 C.F.R. § 422.310]

J. Certification of Data. Provider recognizes that MCO is required to certify the accuracy, completeness, and truthfulness of data that CMS requests. Such data include encounter data, payment data, and any other information provided to MCO by its contracted providers and Downstream Entities. To the extent that Provider generates and/or compiles and provides to Company (either on its own or through its Downstream Entities) any data that MCO, in turn, submits to CMS, Provider certifies, to the best of its knowledge and belief, that such data is accurate, complete, and truthful. Upon request, Provider shall make such certification in the form and manner prescribed by MCO. [42 C.F.R. § 422.504(l)(3)]

K. Medicare Member Complaints. Provider agrees to cooperate with MCO in resolving any Medicare Member complaints related to coverage or the provision of Covered Services. MCO will notify Provider as necessary concerning all Medicare Member complaints involving Provider. Provider shall, in accordance with the Provider's regular procedures, investigate such complaints and respond to MCO in the

required time. Provider shall use best efforts to resolve complaints in a fair and equitable manner. [42 C.F.R. § 422.562(a)]

L. Enrollment as Medicare Provider. To the extent that Provider prescribes drugs covered under Medicare Part D to Medicare Members who have Medicare prescription drug ("MA-PD") coverage offered by MCO, Provider agrees to comply with the requirements set forth in 42 C.F.R. § 423.120(c)(6), including without limitation the requirement that Provider be enrolled in Medicare in an approved status in order for its prescriptions to be covered under Medicare Part D. [42 C.F.R. § 423.120(c)(6)]

M. Home Infusion Drugs. The following provisions shall only apply to Provider if Provider dispenses to a Medicare Member home infusion drugs that are covered under Medicare Part D and the Medicare Member has MA-PD coverage offered by MCO ("Home Infusion Drug"):

1. With respect to Home Infusion Drugs, MCO will pay clean claims (as defined in 42 C.F.R. § 423.520(b)) submitted by Provider on behalf of Medicare Members within 14 days for electronic claims and within 30 days for claims submitted otherwise. [42 C.F.R. § 423.505(i)(3)(vi)]

2. Home Infusion Drugs will be reimbursed (as applicable) in accordance with a fee schedule, or the third-party pricing source (*e.g.*, Medi-Span) otherwise agreed upon as set forth in the Agreement or Provider's agreement with MCO's Pharmacy Benefit Manager ("PBM"). [42 C.F.R. § 423.505(i)(3)(viii)(B)]

3. If a prescription drug pricing standard is used for reimbursement of Home Infusion Drugs, updates to such a standard will occur not less frequently than once every 7 days beginning with an initial update on January 1 of each year, to accurately reflect the market price of acquiring the Home Infusion Drug. [42 C.F.R. § 423.505(i)(3)(viii)(A)]

4. In accordance 42 C.F.R.§ 423.120(c)(3), Provider agrees to submit claims for Home Infusion Drugs to MCO or its PBM whenever the Medicare Member's ID card is presented or is on file at the Provider, unless the Medicare Member expressly requests that the claim not be submitted to MCO or its PBM. [42 C.F.R.§ 423.120(c)(3)]

5. Provider must submit claims for Home Infusion Drugs in real time by means of point of service claims adjudication systems in compliance with CMS standards. [42 C.F.R. § 423.505(b)(17)]

6. Provider must provide Medicare Members with access to the negotiated prices (as defined in 42 C.F.R. § 423.100) for Home Infusion Drugs to Members. [42 C.F.R. § 423.104(g)(1)]

7. Provider must charge/apply the correct cost-sharing amount to the Medicare Member for Home Infusion Drugs. [42 C.F.R. § 423.104]

8. At the time of purchase by a Medicare Member, Provider must inform the

Medicare Member of any differential between the price of the Home Infusion Drug being dispensed and the price of the lowest priced generic version of that Home Infusion Drug available from Provider, unless the Home Infusion Drug being dispensed is the lowest priced generic version of that Home Infusion Drug. [42 C.F.R. § 423.132]

9. Provider agrees to ensure that the professional services and ancillary supplies necessary for Home Infusion Drugs are in place before dispensing Home Infusion Drugs to a Medicare Member in his/her place of residence. [42 C.F.R. § 423.120(a)(4)(iii)]

10. Provider agrees to provide delivery of Home Infusion Drugs within 24 hours of a Medicare Member's discharge from an acute setting, or later if so prescribed. [42 C.F.R. § 423.120(a)(4)(iv)]

11. Provider shall submit to MCO (not PBM) claims for equipment, supplies, and professional services associated with Home Infusion Drugs dispensed by Provider to a Medicare Member that are covered under Medicare Part C.

N. Marketing. Consistent with federal laws, regulations, and agency requirements applicable to the Medicare program, Provider shall not: (1) engage in any marketing or sales activities that could mislead or confuse Medicare Members, or (2) market or advertise non-health care related products to Medicare Members or prospective Medicare Members. Further, Provider shall at all times comply with the then-current Medicare Marketing Guidelines. [2017 Medicare Marketing Guidelines, as amended from time to time]

O. Non-Covered Services. Provider shall not hold a Medicare Member financially responsible for payment of a service not covered under the MCO's Medicare Plan ("Non-Covered Service") unless the Medicare Member has received a pre-service organization determination notice of denial from MCO before such services are rendered. Provider acknowledges and agrees that if Provider renders Non-Covered Services to a Medicare Member who has not received a pre-service organization determination notice of denial from MCO, the Provider must hold the Medicare Member harmless for the Non-Covered Services and cannot charge the Medicare Member any amount beyond the normal cost-sharing amounts (*i.e.*, copayments, coinsurance, and/or deductibles). With respect to those Non-Covered Services that are clearly listed as exclusions under the MCO's Medicare Plan, a pre-service organization determination is not required in order for Provider to hold the Medicare Member financially liable for such Non-Covered Services. [CMS Memo dated May 5, 2014 "Improper Use of Advance Notices of Non-coverage"]

P. Dual-Eligible Hold Harmless. Provider acknowledges and agrees that Medicare Members are not responsible for paying to Provider any copayments, coinsurance, or deductibles for Medicare Part A and Part B services ("Cost Sharing Amounts") when the State Medicaid plan is responsible for paying such Cost Sharing Amounts. Provider furthermore agrees that it will not collect Cost Sharing Amounts from Medicare Members when the State is responsible for paying such Cost Sharing Amounts, and will, instead, either accept the MCO's payment for Covered Services as payment in full for Covered Services and applicable Cost Sharing Amounts, or bill the applicable State Medicaid plan for the appropriate Cost Sharing Amounts owed by the State Medicaid plan. [42 C.F.R. § 422.504(i)(3)(i)]

2. OTHER TERMS.

A. MCO shall not pay any amounts beyond the amounts set forth in the applicable Services and

Compensation Schedule (or other analogous compensation schedule appended to the Agreement), including but not limited to any incentive payments that may be payable under traditional Medicare, except as expressly required by the Agreement or applicable law. Furthermore, Provider and MCO each acknowledge and agree that payments under the Medicare program to providers, suppliers, and MCO may be adjusted as the result of legislation, regulation, executive order, or other federal mandate ("Medicare Payment Adjustment"). Furthermore, any such Medicare Payment Adjustment could result in an increase or decrease in Medicare payments. In accordance with the terms of this Agreement, Provider and MCO agree that, in the event of a Medicare Payment Adjustment, MCO's payment to Provider will be adjusted in accordance with the Medicare Payment Adjustment. MCO shall adjust payments under the Agreement for Covered Services rendered by Provider on and after the effective date of the Medicare Payment Adjustment, and shall continue to adjust payments to Provider for Covered Services until the earlier of (i) the discontinuation of the Medicare Payment Adjustment, or (ii) the replacement of the Medicare Payment Adjustment by a subsequent Medicare Payment Adjustment.

B. Pursuant to Section B.1.J. of this Duals Addendum, Provider certifies that the diagnosis codes submitted to MCO for Medicare Members that MCO is required to submit to CMS will be accurate, complete, and truthful (the "Certification"). Provider acknowledges and agrees that MCO may impose a penalty on Provider not to exceed five thousand dollars ($5,000) for each instance that Provider submits a diagnosis code to MCO for a Medicare Member that does not comply with this Certification because the diagnosis code was not submitted in the format described in 42 C.F.R. § 422.310 or any subsequent or additional federal regulations. For purposes of this Section, "diagnosis code" shall mean an International Classification of Diseases-10th Edition-Clinical Modification (ICD-10-CM) code or its successor.

C. Requirements Under the Demonstration Three-Way Contract

The Three-Way Contract requires that specific additional terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the requirements set forth in this **Section C** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract and the Demonstration. With respect to the requirements set forth in this **Section C**, any capitalized terms that are used but not defined herein shall have the meanings that are ascribed to them in the Three-Way Contract. Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. The delegated activities and reporting requirements for which Provider is responsible are contained in the Agreement. Provider shall ensure that it and its downstream and related entities perform all such delegated activities and reporting requirements in compliance with 42 C.F.R. §§ 422.504, 423.505, 438.6(l), and 438.230(b)(1), as applicable. [Appendix C.1 of Three-Way Contract]

2. HHS, the Comptroller General, MDHHS, MDHHS's office of Inspector General, the Medicaid Fraud Control Unit of the Michigan State Police, the Michigan Auditor General, and their designees, and other state and federal agencies with monitoring authority related to Medicare and Medicaid, have the right to audit, evaluate, and inspect any books, contracts, computer or other electronic systems, including medical records and documentation, of Provider and its downstream and related entities, and the foregoing rights to inspect, evaluate, and audit any pertinent information for any particular contract period shall exist for ten years from the final date of the contract period or from the date of completion of any audit, whichever is later. [Appendix C.2 of Three-Way Contract]

3. Provider and its downstream and related entities shall not hold Enrollees liable for payment of any fees that are the obligation of MCO. [Appendix C.3.1 of Three-Way Contract]

4. Any services or other activity performed by Provider and/or its downstream and related entities shall be performed in accordance with the MCO's contractual obligations to CMS and MDHHS. [Appendix C.3.2 of Three-Way Contract]

5. MCO shall revoke the delegation activities and reporting requirements or specify other remedies in instances where CMS, the MDHHS, or the MCO determine that Provider and/or its downstream and related entities have not performed their delegated activities or reporting requirements satisfactorily. [Appendix C.3.4 of Three-Way Contract]

6. The performance of Provider and its downstream and related entities under the Agreement will be monitored by MCO on an ongoing basis and MCO may impose corrective action as necessary. [Appendix C.3.5 of Three-Way Contract]

7. Provider and its downstream and related entities agree to safeguard Enrollee privacy and confidentiality of Enrollee health records. [Appendix C.3.6 of Three-Way Contract]

8. Provider and its downstream and related entities must comply with all federal and state laws, regulations and CMS instructions. [Appendix C.3.7 of Three-Way Contract]

9. To the extent that Provider and/or its downstream and related entities provide credentialing of medical providers under the Agreement:

   A. The credentials of medical professionals affiliated with the Provider and/or its downstream and related entities will be reviewed by MCO; or

   B. The credentialing process will be reviewed and approved by MCO and MCO shall audit the credentialing process on an ongoing basis.

   [Appendix C.4 of Three-Way Contract]

10. To the extent that MCO has delegated the selection of providers under the Agreement to Provider or its downstream and related entities, MCO retains the right to approve, suspend, or terminate that arrangement. [Appendix C.5 of Three-Way Contract]

11. Unless otherwise permitted under the Three-Way Contract or by the consent of CMS and MDHHS, neither MCO nor Provider has the right to terminate the Agreement without cause, and Provider shall

provide at least 60 calendar days' notice to MCO and assist with transitioning Enrollees to new providers, including sharing the Enrollee's medical record and other relevant Enrollee information as directed by the MCO or Enrollee. [Appendix C.6 of Three-Way Contract]

12. MCO shall provide a written statement to Provider of the reason or reasons for termination for cause. [Appendix C.7 of Three-Way Contract]

13. MCO is obligated to pay Provider under the terms of the Agreement, which includes a prompt-payment provision that has been developed and agreed to by both MCO and Provider. [Appendix C.8.1 of Three-Way Contract]

14. Provider and its downstream and related entities shall provide all services under the Agreement in a Culturally Competent manner to all Enrollees, including those with limited English proficiency or reading skills, and diverse culturally and ethnic backgrounds. [Appendix C.8.2 of Three-Way Contract]

15. Provider and its downstream and related entities shall abide by all applicable federal and state laws and regulations regarding confidentiality and disclosure of medical records, or other health and enrollment information. [Appendix C.8.3 of Three-Way Contract]

16. Provider and its downstream and related entities shall ensure that medical information is released in accordance with applicable federal or state law, or pursuant to court orders or subpoenas. [Appendix C.8.4 of Three-Way Contract]

17. Provider and its downstream and related entities shall maintain Enrollee records and information in an accurate and timely manner. [Appendix C.8.5 of Three-Way Contract]

18. Provider and its downstream and related entities shall ensure timely access by Enrollees to the records and information that pertain to them. [Appendix C.8.6 of Three-Way Contract]

19. Provider and its downstream and related entities shall not hold Enrollees liable for Medicare Part A and B cost sharing, and all Medicare Parts A and B services must be provided at zero cost-sharing to Enrollees. [Appendix C.8.7 of Three-Way Contract]

20. Provider and its downstream and related entities shall ensure that their EMTALA obligations are fulfilled as required by law and the Agreement and must not create any conflicts with any hospital actions required to comply with EMTALA. [Appendix C.8.8 of Three-Way Contract]

21. Provider and its downstream and related entities, including without limitation all primary care providers, shall not close or otherwise limit acceptance of Enrollees as patients unless the same limitations apply to all commercially insured Enrollees. [Appendix C.8.9 of Three-Way Contract]

22. MCO shall not refuse to contract or pay Provider for the provision of Covered Services solely because Provider has in good faith:

(a) Communicated with or advocated on behalf of one or more of the prospective, current, or former patients of Provider or its downstream and related entities regarding the provisions, terms, or requirements of the MCO's health benefit plans as they relate to the needs of such patients; or

(b) Communicated with one or more of the prospective, current, or former patients of Provider or its downstream and related entities with respect to the method by which such provider is compensated by the MCO for services provided to the patient.

[Appendix C.8.10 of Three-Way Contract]

23. Provider and its downstream and related entities are not required to indemnify MCO for any expenses and liabilities, including, without limitation, judgments, settlements, attorneys' fees, court costs, and any associated charges, incurred in connection with any claim or action brought against MCO based on MCO's management decisions, utilization review provisions, or other policies, guidelines, or actions. [Appendix C.8.11 of Three-Way Contract]

24. Provider and its downstream and related entities shall comply with all MCO's requirements and MCO Policies for utilization review, quality management and improvement, credentialing, and the delivery of preventive health services. [Appendix C.8.12 of Three-Way Contract]

25. MCO shall notify Provider in writing of modifications in payments, modifications in Covered Services, or modifications in MCO's procedures, documents, or requirements, including those associated with utilization review, quality management and improvement, credentialing, and preventive health services, that have a substantial impact on the rights or responsibilities of Provider, and the effective date of the modifications. The notice shall be provided 30 calendar days before the effective date of such modification unless such other date for notice is mutually agreed upon between MCO and Provider or unless such change is mandated by CMS or MDHHS without 30 calendar days' prior notice. [Appendix C.8.13 of Three-Way Contract]

26. Provider and its downstream and related entities shall not bill Enrollees for charges for Covered Services other than pharmacy co-payments, if applicable. [Appendix C.8.14 of Three-Way Contract]

27. No payment shall be made by MCO to Provider for a Provider Preventable Condition as defined in 42 C.F.R. § 447.26(b). [Appendix C.8.15 of Three-Way Contract]

28. As a condition of payment, Provider shall comply with the reporting requirements as set forth in 42 C.F.R. § 447.26(d) and as may be specified by MCO. Provider shall comply with such reporting requirements to the extent Provider directly furnishes services. [Appendix C.8.16 of Three-Way Contract]

29. Provider shall ensure coverage for its practice twenty-four (24) hours a day, seven (7) days a week and have a published after hours telephone number; voicemail alone after hours is not acceptable. [Appendix C.8.17 of Three-Way Contract]

30. MCO shall monitor and ensure that all Utilization Management activities provided by Provider comply with all provisions of the Three-Way Contract with CMS and MDHHS, and Provider and its downstream and related entities shall cooperate with and utilize MCO's Quality Assurance Program. [Section 2.13.3.1.4.2 of Three-Way Contract]

31. Provider shall comply with all applicable requirements governing physician incentive plans, including but not limited to such requirements appearing at 42 C.F.R. Parts 417, 422, 434, 438.6(h), and 1003. Contracts or arrangements with First Tier, Downstream and Related Entities shall not include incentive plans that include a specific payment to Provider or its downstream and related entities as an inducement to deny, reduce, delay, or limit specific, Medically Necessary Services, and (a) Provider and/or its downstream and related entities shall not profit from provision of Covered Services that are not Medically Necessary or medically appropriate, and (b) MCO shall not profit from denial or withholding of Covered Services that are Medically Necessary or medically appropriate. Nothing herein shall be construed to prohibit contracts that contain incentive plans that involve general payments such as capitation payments or shared-risk agreements that are made with respect to physicians or physician groups or that are made with respect to groups of Enrollees if such agreements, which impose risk on such physicians or physician groups for the costs of medical care, services, and equipment provided or authorized by another physician or health care provider, comply with Paragraph 32 immediately below. [Section 5.1.7.2 and Appendix C.9 and C.11 of Three-Way Contract]

32. MCO shall not impose a financial risk on Provider or its downstream and related entities for the costs of medical care, services or equipment provided or authorized by another Physician or health care provider unless such contract includes specific provisions with respect to the following:

A. Stop-loss protection;

B. Minimum patient population size for the Physician or Physician group; and

C. Identification of the health care services for which the Physician or Physician group is at risk.

[Appendix C.12 of Three-Way Contract]

33. All contracts or arrangements with First Tier, Downstream and Related Entities for laboratory testing sites that provide services must include an additional provision that such laboratory testing sites must have either a Clinical Laboratory Improvement Amendment (CLIA) certificate or waiver of a certificate of registration along with a CLIA identification number. [Appendix C.13 of Three-Way Contract]

34. Nothing shall be construed to restrict or limit the rights of MCO to include as providers religious non-medical providers or to utilize medically based eligibility standards or criteria in deciding provider status for religious nonmedical providers. [Appendix C.14 of Three-Way Contract]

35. Provider shall meet all terms and requirements of the Three-Way Contract that are applicable to Provider. [Section 2.7.7.1 of Three-Way Contract]

36. Provider and its downstream and related entities shall allow MCO to access the medical records of Enrollees.

37. Provider will collaborate with MCO on documentation systems reporting, communications, policies, and any other matters necessary for any readiness review required under the Three-Way Contract. [Section 2.2.1.3 of Three-Way Contract]

38. Provider must notify MCO within fourteen (14) calendar days of receiving notice of any litigation, investigation, arbitration, or other proceeding (collectively, "**Legal Proceedings**") involving Provider or any of its its downstream and related entities, or any officer or director of Provider or any of its its downstream and related entities, that arises during the term of the Agreement, including: any criminal Legal Proceeding; any parole or probation Legal Proceeding; any Legal Proceeding under the Sarbanes-Oxley Act; or any civil Legal Proceeding that involves a claim that might reasonably be expected to adversely affect Provider's viability or financial stability, that involves a governmental or public entity's claim or written allegation of fraud, or that involves a Legal Proceeding involving any license that Provider is required to possess in order to perform under this Agreement or the Three-Way Contract. [Section 2.1.2.1.10 of Three-Way Contract]

39. Provider shall submit to MCO the organizational chart of Provider. [Section 2.2.3.4 of Three-Way Contract]

40. Provider shall collaborate with MCO, as requested and required under the Three-Way Contract, on activities relating to the Care Bridge, the Care Coordination Platform, and the Integrated Care Bridge Record. [Section 2.5 of Three-Way Contract]

41. As requested and required under the Three-Way Contract, Provider shall actively participate as a member of the Integrated Care Team and shall collaborate with the Enrollee and other members of the Integrated Care Team to ensure performance of the following tasks, as may be applicable:

    a. Development, implementation, and revision of the Individual Integrated Care and Supports Plan ("**IICSP**") according to the Person-Centered Planning Process and the Enrollee's stated goals including making whatever accommodations are appropriate for individuals whose disabilities create obstacles to full participation with the ICT.

    b. Participation in the Person-Centered Planning Process at the Enrollee's discretion to develop the IICSP.

    c. Collaboration with other ICT members to ensure the Person-Centered Planning Process is maintained.

    d. Assisting the Enrollee in meeting his/her goals.

    e. Monitoring and ensuring that Provider's part of the IICSP is implemented in order to meet the Enrollee's goals.

    f. Updating the ICBR as needed pertinent to the Provider's role on the ICT.

    g. Reviewing assessment, test results, and other pertinent information in the ICBR.

    h. Addressing transitions of care when a change between care settings occur.

    i. Ensuring continuity of care requirements are met.

j. Monitoring for issues related to quality of care and quality of life.

k. Adherence to an Enrollee's determination about the appropriate involvement of his or her medical providers and caregivers, according to HIPAA and, for individuals in substance use disorder treatment, C.F.R. 42, Part 2.

[Section 2.5.2.5 of Three-Way Contract]

42. Provider must maintain physical sites that are accessible to all Enrollees, and must comply with and apply the United States Supreme Court's *Olmstead* decision which requires that Enrollees be served in the most integrated setting appropriate to their needs. [Section 2.7.2.3 of Three-Way Contract]

43. Provider shall be responsive to the linguistic, cultural, ethnic, racial, religious, age, gender and other unique needs of any minority, homeless population, Enrollee with disabilities (both congenital and acquired disabilities), or other special population served by the MCO. [Section 2.7.2.5 of Three-Way Contract]

44. To the extent that Provider is multilingual, Provider shall understand and comply with its obligations under state or federal law to assist Enrollees with skilled medical interpreters and the resources that are available to assist Provider to meet these obligations. [Section 2.7.2.6 of Three-Way Contract]

45. Provider shall maintain a strong understanding of disability, recovery, and resilience cultures, and Long Term Supports and Services. [Section 2.7.2.8 of Three-Way Contract]

46. To the extent that Provider provides Medicare-covered services, Provider shall be enrolled as a Medicare provider in order to submit claims for reimbursement or otherwise participate in the Medicare program. To the extent that Provider provides Medicaid-covered services, Provider shall be enrolled in the Michigan Medicaid program, if such enrollment is required by MDHHS's rules or policy, in order to submit claims for reimbursement or otherwise participate in the Michigan Medicaid program. [Section 2.7.2.10 of Three-Way Contract]

47. To the extent applicable, Provider must ensure that nursing facility beds will be held for the Enrollee for hospital and therapeutic leave days pursuant to the Michigan Medicaid Provider Manual/Nursing Facility Coverages/Special Placements and Agreement. [Section 2.7.2.11 of Three-Way Contract]

48. Provider and its facilities must be appropriately licensed or certified, as applicable, if required pursuant to the Michigan Public Health Code, 1978 PA 368, as amended, MCL 333.1101-333.25211. [Section 2.7.2.12 of Three-Way Contract]

49. Provider shall notify MCO immediately if Provider has lost any required license or state or federal approval, or been excluded from participation in federal health care programs by the OIG of the U.S. Department of Health and Human Services under either Section 1128 or Section 1128A of the Social Security Act, and implementing regulations at 42 C.F.R. Part 1001 *et seq.*, or has been terminated from participation under Medicare, the Michigan Medicaid program, or another state's Medicaid program, except as permitted under 42 C.F.R.§ 1001.1801 and § 1001.1901. [Sections 2.7.3.5.1 and 5.3.4 of Three-Way Contract]

50. If Provider is a Primary Care Provider, Provider must be available to see patients a minimum of twenty (20) hours per week per practice location, as per state Medicaid policy. [Section 2.7.3.6.4 of Three-Way Contract]

51. Provider shall comply with and meet all applicable MCO standards for licensure, certification, and credentialing. [Section 2.7.3.11.4 and 2.7.3.11.5 of Three-Way Contract]

52. Provider shall not engage in any practice with respect to any Enrollee that constitutes unlawful discrimination under any state or federal law or regulation, including, but not limited to, practices that violate the provisions of 45 C.F.R. Part 80, 45 C.F.R. Part 84, and 45 C.F.R. Part 90. [Section 2.7.3.11.6 of Three-Way Contract]

53. As requested by MCO, Provider shall submit disclosures in accordance with 42 C.F.R. § 455 Subpart B and 42 C.F.R. § 1002.3. [Section 2.7.3.11.7 of Three-Way Contract]

54. Provider may not seek payment for a Provider Preventable Condition, and Provider shall, as a condition of payment from MCO, comply with reporting requirements on Provider Preventable Conditions as described at 42 C.F.R. § 447.26(d) and as may be specified by MCO and/or MDHHS. [Section 2.7.4.7.3 of Three-Way Contract]

55. Provider shall comply with federal requirements for disclosure of ownership and control, business transactions, and information for persons convicted of crimes against federal-related healthcare programs, including Medicare, Medicaid, and/or Children's Health Insurance Program, and shall upon MCO's request provide all required disclosures in accordance with 42 C.F.R. § 455, 42 C.F.R. § 1002.3, and otherwise. [Section 2.7.5.8 and 5.1.6 of Three-Way Contract]

56. To the extent applicable, Provider must (a) afford Enrollees the opportunity and assistance with filing a Grievance, Appeal, or State Fair Hearing, and must permit an Enrollee to request continuation of benefits if the Enrollee files an Appeal or a request for a State Fair Hearing within specified timeframes, (b) use the the existing Part D Appeals Process, and (c) remain compliant with all state and federal laws, regulations, and policies governing the Appeal and State Fair Hearing processes, and all statutory and regulatory timelines related thereto, including the requirements for both standard and expedited requests. If any Grievance or Appeal is filed with Provider, Provider must immediately forward it to MCO. [Section 2.7.7.4 and 2.10.1.1 of Three-Way Contract]

57. Providers shall offer hours of operation that are no less than the hours of operation offered to individuals who are not Enrollees. [Section 2.8.1.5 of Three-Way Contract]

58. Provider must comply with the American with Disabilities Act (ADA) (28 C.F.R. § 35.130) and Section 504 of the Rehabilitation Act of 1973 (Section 504) (29 U.S.C. § 794) as outlined in the Three-Way Contract, and must maintain capacity to deliver services in a manner that accommodates the needs of Enrollees. [Section 2.8.1.6 and 2.8.12 of Three-Way Contract]

59. Upon MCO's request, Providers must provide the following information: (a) its name, address, and telephone number; (b) its areas of special experience, skills, and training, including any expertise in treating persons with physical disabilities, chronic illness, HIV/AIDS, or persons with serious mental

illness; persons who are homeless; persons who are deaf, hard-of-hearing, blind, and/or visually impaired; or persons with co-occurring disorders; (c) its office hours, including the name of any provider site open after 5:00 p.m. (Eastern Time) on weekdays and/or open on weekends; (d) its cultural and linguistic capabilities, including languages spoken by the Provider or by any skilled medical interpreter at the Provider's site; (e) Provider licensing information; (f) whether it is accessible for people with physical disabilities; (g) whether it is accepting new patients; (h) whether it is accessable by public transportation; and (h) any languages other than English spoken by Provider or by skilled medical interpreters at Provider's site, and whether translation services are available. [Section 2.14.5.2.1 of Three-Way Contract]

60. Upon MCO's request, Providers must provide the following information: (a) its name, address, and telephone number; (b) its training in and experience treating, including any expertise in treating persons with physical disabilities, chronic illness, HIV/AIDS, and/or persons with serious mental illness, individuals who are homeless, individuals who are deaf, hard-of-hearing, blind and/or visually impaired, persons with co-occurring disorders, and other specialties; (c) its office hours, including the name of any provider site open after 5:00 p.m. (Eastern Time) weekdays and/or open on weekends; (d) whether it has completed cultural competence training; (e) its licensing information; (f) whether it has specific accomodations for people with physical disabilities; (g) whether it is accepting new patients; (h) whether it is on a public-transportation route; (h) any languages other than English, including ASL, spoken by Provider or offered by skilled medical interpreters at Provider's site, and whether Provider has access to language line interpreters; (i) if Provider is a behavioral-health provider, its training in and experience treating trauma, child welfare, and substance abuse. [Section 2.14.5.2.1 of Three-Way Contract]

61. As requested and required, Provider must provide any information that CMS and/or MDHHS require (a) under the Three-Way Contract related to the performance of MCO's responsibilities, including non-medical information for the purposes of research and evaluation; (b) to comply with all applicable federal or state laws and regulations; and (c) for external rapid cycle evaluation including program expenditures, service utilization rates, rebalancing from institutional to community settings, Enrollee satisfaction, Enrollee Grievances and Appeals, and enrollment/disenrollment rates. [Section 2.16.1.1 of Three-Way Contract]

62. Collaborate with MCO in the collection and maintenance of all Encounter Data for all Covered Services that Provider provides to Enrollees, ensuring that all such data can be linked to MDHHS eligibility data. [Section 2.17.1.4 of Three-Way Contract]

63. In connection with the Demonstration, Provider shall act in an independent capacity and not as an officer or employee of the federal government, MDHHS, or their respective authorized agents. [Section 5.1.3.1 of Three-Way Contract]

64. Provider may not require any co-payments or other cost-sharing arrangements from Enrollees. Provider must not bill Enrollees for the difference between the Provider's charge and the MCO's payment for Covered Services. Provider must not seek or accept additional or supplemental payment from the Enrollee, his or her family, or representatives, in addition to the amount paid by the MCO even when the Enrollee signed an agreement to do so. [Section 5.1.9.4 of Three-Way Contract]

65. Provider shall not have any interest that will conflict, as determined by CMS and MDHHS with the performance MCO's services under the Three-Way Contract, or that may be otherwise anticompetitive, including without limitation any financial, legal, contractual, or other business interest

in any entity performing enrollment functions for MDHHS. [Section 5.3.17.1 of Three-Way Contract]

66. Provider shall conduct all activities in accordance with the Enrollee rights and protections set forth under 42 C.F.R. § 438.100, 42 C.F.R. §422 Subpart C, and Appendix B ("Enrollee Rights") of the Three-Way Contract. [Appendix B of Three-Way Contract]

67. Provider may not reuse or provide other entities access to the CMS information system, or data obtained from the system or the State of Michigan, to support any line of business other than the Medicare/Medicaid managed care and/or outpatient prescription drug benefit for which the MCO contracted with CMS and the State of Michigan. [Appendix G of Three-Way Contract]

68. Provider shall cooperate with MCO with respect to MCO's obligations under the Three-Way Contract, including without limitation:

a. MCO's obligation to implement an evidence-based model of care for Members consistent with the requirements set forth in the Three-Way Contract. [Section 2.5.1.8.1 of Three-Way Contract]

b. MCO's obligation to assist the State in ensuring that HCBS Members' residential and nonresidential settings are in compliance with the requirements set forth in the HCBS Final Rule. [Section 2.7.2.3.1.1 of Three-Way Contract]

69. Provider acknowledges and agrees that MCO shall not pay for any item or service (other than an emergency item or service, not including items or services furnished in an emergency room or hospital): (a) furnished under the Three-Way Contract by any individual or entity during any period when that individual or entity is excluded from participation under Titles V, XVIII, XIX, or XX or Sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act, or under regulations at 42 C.F.R. Part 1001 *et seq.*, or furnished by any individual or entity that has been terminated from participation under Medicare or another state's Medicaid program, except as permitted under 42 C.F.R. § 1001.1801 and § 1001.1901; (b) furnished at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under Titles V, XVIII, XIX, or XX or Sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such item or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person); or (c) furnished by an individual or entity to whom the State has failed to suspend payments during any period when there is a pending investigation of a credible allegation of fraud against the individual or entity, unless the State determines there is good cause not to suspend such payments. Provider furthermore acknowledges and agrees that MCO shall not pay for any item or service: (a) for which funds may not be used under the Assisted Suicide Funding Restriction Act of 1997; or (b) furnished by a home health care services agency or organization, unless that agency or organization provides the State with a surety bond upon the implementation of Section 1861(o)(7) of the Social Security Act. [Section 2.7.3.5 of Three-Way Contract]

70. Provider shall not impose any cost-sharing amounts (including without limitation deductibles, coinsurance, or copayments) on Indian Enrollees served by an Indian Health Care Provider or through referral under contract health services. [Section 2.7.3.9.7 of Three-Way Contract]

Individual Sites Regulatory Compliance Addendum - Exhibit B-3

Florida Medicaid and Florida Healthy Kids Compliance Addendum - Subcontractor

Coventry Health Care of Florida, Inc., an Aetna Company (hereinafter "Company" or "Coventry") contracts with Florida Agency for Health Care Administration ("AHCA") and Florida Healthy Kids Corporation ("FHKC") (AHCA and FHKC are collectively referred to herein as "Agency") to provide Medicaid managed care and other public health services to beneficiaries (collectively referred to as the "State Contract").

This Florida Medicaid Compliance Addendum ("Addendum") is incorporated by reference into the Agreement. If there is any conflict between the terms of this Addendum and any other terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum will govern and control; provided, however, if there is any conflict between the terms of the Agreement, including this Addendum, and the State Contract, as amended, then the terms of the State Contract will govern and control.

For purposes of this Addendum, the term "Subcontractor" shall mean the individual or entity executing the Agreement, as identified on the first page of the Agreement, which may be a health care physician, provider, group, facility, hospital, an individual, entity or delegated entity.

This Addendum shall apply to services performed on behalf of Company's Florida Members. To the extent applicable to the services provided by Subcontractor pursuant to the Agreement, the following provisions apply:

I. **Records.** Subcontractor shall maintain books, records, and documents (including electronic storage media) pertinent to performance under the Agreement in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided under the Agreement. Subcontractor shall make these records subject at all reasonable times to inspection, review, or audit by state personnel and other personnel duly authorized by the Agency, as well as by federal personnel.

Subcontractor shall maintain records relating to the Agreement for a period not less than ten (10) years from the close of the State Contract and retained further if the records are under review or audit until the review or audit is complete. Prior approval for the disposition of records must be requested and approved by Company if the Agreement is continuous. [State Contract, Attachment II, Section VIII.B.3.b.(3)]

Subcontractor shall submit all reports and clinical information required by Company as applicable. [State Contract, Attachment II, Section VIII.B.3.c.(2)]

As applicable, Participant Direct Option ("PDO") records submitted by Subcontractor shall include at a minimum: services to be provided; hourly rate; Direct Service Worker work schedule; relationship of Direct Service Worker to enrollee; job description and duties; agreement statement; and dated signatures of case manager, enrollee and Direct Service Worker. [State Contract, Attachment II, Exhibit II-B, Section V.A.2.d.(5)]

II. Compliance. Subcontractor shall comply with:

A. The privacy and security provisions of the Health Insurance Portability and Accountability Act, 45 CFR Parts 160 and 164. [State Contract, Attachment II, Section VIII.B.3.d.(2)]

B. Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d et seq., which prohibits discrimination on the basis of race, color, or national origin.

C. Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, which prohibits discrimination on the basis of handicap.

D. Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex.

E. The Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 et seq., which prohibits discrimination on the basis of age.

F. Section 654 of the Omnibus Budget Reconciliation Act of 1981, as amended, 42 U.S.C. 9849, which prohibits discrimination on the basis of race, creed, color, national origin, sex, handicap, political affiliation or beliefs.

G. The Americans with Disabilities Act of 1990, P.L. 101-336, which prohibits discrimination on the basis of disability and requires reasonable accommodation for persons with disabilities.

H. All regulations, guidelines, and standards as are now or may be lawfully adopted under the above statutes.

I. Section 274A(e) of the Immigration and Nationality Act and shall not knowingly employ unauthorized aliens. Subcontractor shall utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor performing work or providing services pursuant to the Agreement. Violation of this section shall be cause for unilateral cancellation of this Agreement by Company.

J. The False Claims Act, 31 USC § 3729, and all relevant whistleblower protections. [State Contract, Attachment II, Section VIII.B.3.d.(12)]

K. All state and federal marketing requirements, including 42 CFR 438.104 and Florida Statutes §§ 409.912, 641.3901, 641.3903, 641.386, 626.112, 626.342, 626.451, 626.471, 626.511, 626.611, 626.9541, and 626.9521. [State Contract, Attachment II, Section III.D.1.b]

L. All state and federal law governing the monitoring, interception, recording, use or disclosure of wire, oral, or electronic communications, including but not limited to the Florida Security of Communications Act, §§ 934.01 et. seq., Florida Statutes, and the Electronic Communications Privacy Act, 18 USC § 2510 et seq. (collectively "Communication Privacy Laws"). Prior to intercepting, recording, or monitoring any communications which are subject to Communication Privacy Laws, Subcontractor shall submit a plan to Company, which shall submit it for approval by the Agency. [State Contract, Attachment II, Section XII.L.1,2]

M. The applicable provisions of 42 CFR 438.230, 42 CFR 455.104, 42 CFR 455.105, and 42 CFR 455.106 as related to sub contractual relationships and delegation, and disclosure of information on ownership, control, business transactions, and criminal convictions. [State Contract, Attachment II, Section VIII.B.1.b]

N. The State Contract prohibition on subcontractors seeking payment from Medicaid Pending enrollees on behalf of Company. [State Contract, Attachment II, Exhibit II-B, Section, Section III.A.4.f.]

O. All applicable federal and state Fiscal/Employer Agent ("F/EA") requirements and duties for PDO enrollees when such duties are subcontracted by Company. [State Contract, Attachment II, Exhibit II-B, Section V.A.2.e.(1), (2)].

P. The applicable provisions of Florida Statute § 415.1034 regarding the reporting of suspected cases of abuse, neglect and/or exploitation of elders and individuals with disabilities.to Company and the Florida Abuse Hotline. [State Contract, Attachment II, Exhibit II-B, Section, V.D.2.a].

Q. Voluntary, involuntary, and transport provisions of the Baker Act (see chapters 394, 400 and 429, F.S.) for Long-term Care residents with psychiatric issues. [State Contract, Attachment II, Exhibit II-B, Section V.D.7.k.]

R. The minimum Home and Community Based ("HCB") Settings Requirements for assisted living facilities ("ALF"), adult family care home ("AFCH") , and adult day health care ("ADHC") providers as applicable. [State Contract, Attachment II, Exhibit II-B, Section VI.C.1.b.(2)]

S. The Assisted Care Communities Resident Bill of Rights for ALF's as provided for under Florida Statutes § 429.28 if applicable. [State Contract, Attachment II, Exhibit II-B, Section VI.C.1.b.(2)]

T. All Provider Credentialing and Contracting requirements of the State Contract including, but not limited to Table 1 and Table 2 (State Contract, Attachment II, Exhibit II-B, Section VI.C.1.d.) and the specific prohibition against "direct services providers" with disqualifying offenses providing services to enrollees. [State Contract, Attachment II, Exhibit II-B, Section VI.C.1.a].

III. Oversight.

A. Company shall provide a mechanism for requiring corrective action, revoking delegation, or imposing other sanctions if Subcontractor's performance is inadequate. [State Contract, Attachment II, Section VIII.B.3.d.(10)]

B. The Agency and the U.S. Department of Health and Human Services may evaluate, through inspection of records pertinent to the State Contract or other means, the quality, appropriateness, and timeliness of services performed. [State Contract, Attachment II, Section VIII.B.3.b.(1)(2)]

C. Subcontractor shall provide full cooperation in any investigation by the Agency, Medicaid Provider Integrity, Medicaid Fraud Control Unit, Department of Elder Affairs, or other state or federal entity or any subsequent legal action that may result from such an investigation. [State Contract, Attachment II, Section VIII.B.3.d.(5)]

D. Subcontractor shall be subject to background checks at such level and scope determined by Company. . [State Contract, Attachment II, Section VIII.B.4.a. and Section II, D.28]

E. Upon request and as required by state and/or federal law, Subcontractor shall make available to all authorized federal and state oversight agencies and their agents, including but not limited to, the Agency, the Florida Attorney General, and Department of Financial Services any and all administrative, financial and medical/case records and data relating to the delivery of items or services for which Medicaid monies are expended. [State Contract, Attachment II, Section VIII.F.4.d.9.(a)]

F. Subcontractor shall allow access to all authorized federal and state oversight agencies and their agents, including but not limited to, the Agency, the Florida Attorney General, and Department of Financial Services to any place of business and all medical/case records and data, as required by state and/or federal law. Access shall be during normal business hours, except under special circumstances when the Agency, Florida Attorney General, and Department of Financial Services shall have after hours admission. The Agency and Florida Attorney General shall determine the need for special circumstances. [State Contract, Attachment II, Section VIII.F.4.d.9.(b)]

G. Subcontractor shall be eligible for participation in the Medicaid program; however, Subcontractor is not required to participate in the Medicaid program as a provider. [State Contract, Attachment II, Section VIII.B.2.a]

H. Subcontractor may not seek payment from a Medicaid pending enrollee on behalf of Company. [State Contract, Attachment II, Section VIII.B.3.a.(6)]

I. Subcontractor shall participate in applicable internal and external quality improvement, utilization review, peer review, and grievance procedures established by Company. [State Contract, Attachment II, Section VIII.B.3.c.(3)]

IV. **Amendment.** If the Agency determines, at any time, that the Agreement is not in compliance with the State Contract, Company may unilaterally amend the Agreement to bring it into compliance. [State Contract, Attachment II, Section VIII.B.1.a]

V. **Termination.** In addition to any other right to terminate in the Agreement or the State Contract, Company may request immediate termination of the Agreement, to the extent applicable to services provided by Subcontractor to Company under the State Contract, if Subcontractor fails to abide by the terms and conditions of the Agreement and fails to come into compliance, in Company's discretion, with the Agreement within fifteen (15) calendar days after receipt of notice from Company of Subcontractor's failure to abide by the terms of the Agreement. [State Contract, Attachment II, Section VI.C.6.c.(31)]

Miscellaneous. All executed subcontracts under the State Contract shall meet the following requirements:

A. Subcontractor shall not provide or assist in the completion of enrollment or disenrollment requests or restrict the enrollee's right to disenroll voluntarily in any way. [State Contract, Attachment II, Section II.D.8 and Section III, C.1.d]

B. If Subcontractor is conducting credentialing, Subcontractor shall conduct credentialing of providers in accordance with Company's and the Agency's credentialing requirements as found in the State Contract. [State Contract, Attachment II, Section VI.C.]

C. Subcontractor shall comply with Company's cultural competency plan. [State Contract, Attachment II, Section VI.C.6.c.(18)]

D. Subcontractors that meet the definition of "direct service provider" must complete abuse, neglect and exploitation training. [State Contract Attachment II, Section VI. C. 6. c. (10)]

E. A subcontracted direct service provider who has a disqualifying offense as set forth in s. 430.0402, F.S., and s. 435.04 F.S. is prohibited from providing services to enrollees. No additional Level II screening is required of the subcontracted provider if the provider is a Limited Enrolled or Fully Enrolled Medicaid provider. No additional Level II screening is required of an employee or volunteer of the subcontracted provider who is qualified for licensure or employment by the Agency pursuant to its background screening standards under s. 408.809 and the individual is providing a service that is within the scope of his or her licensed practice or employment. [State Contract Attachment II, Exhibit II-B, Section VI. C.1.a.]

F. Subcontracted providers shall screen enrollees for signs of domestic violence and shall offer referral services to applicable domestic violence prevention community agencies. [State Contract, Attachment II, Exhibit II-B, Section V.F.3.]

G. Subcontracted providers shall develop and maintain policies and procedures for back-up plans in the event of absent employees, and shall maintain sufficient staffing levels to ensure that service delivery is not interrupted due to absent employees. [State Contract Attachment II, Exhibit II-B, Section VI.C.2.a.(1)]

H. If the duty to collect enrollee's patient responsibility is transferred by Company to subcontracted residential provider, the subcontracted residential provider agrees to abide by the terms and conditions of the State Contract, Section X. [State Contract, Attachment II, Exhibit II-B, Section VI.C.2.a.(2)]

I. Subcontracted residential providers are prohibited from the assessment of late fees against enrollees. [State Contract, Attachment II, Exhibit II-B, Section X. D. 1].

J. If subcontracted provider is an ALF or an AFCH, it shall conform to the HCB characteristics pursuant to the State Contract. In addition, (insert ALF/AFCH Identifier) will support the enrollee's community inclusion and integration by working with the case manager and enrollee to facilitate the enrollee's personal goals and community activities. [State Contract, Attachment II, Exhibit II-B, Section VI.C.2.a.(3)].

Enrollees residing in (insert ALF/AFCH identifier) shall be offered services with the following options unless medical, physical, or cognitive impairments restrict or limit exercise of these options.

Choice of:

- Private or semi-private rooms, as available;
- Roommate for semi-private rooms;
- Locking door to living unit;
- Access to telephone and unlimited length of use;
- Eating schedule;
- Activities schedule; and
- Participation in facility and community activities.

Ability to have:

- Unrestricted visitation; and
- Snacks as desired.

Ability to:

- Prepare snacks as desired; and
- Maintain personal sleeping schedule.

K. If subcontracted provider is an ALF it hereby agrees to accept monthly payments from (insert plan identifier) for enrollee services as full and final payment for all Long-term Care services detailed in the enrollee's plan of care which are to be provided by (insert ALF identifier). Enrollees remain responsible for the separate ALF room and board costs as detailed in their resident contract. As enrollees age in place and require more intense or additional Long-term Care services, (insert ALF identifier) may not request payment for new or additional services from an enrollee, their family members or personal representative. (Insert ALF identifier) may only negotiate payment terms for services pursuant to this provider contract with (insert plan identifier). [State Contract Attachment II, Exhibit II-B, Section VI.C.2.a.(4).]

L. If subcontracted provider is an ADHC provider, it shall conform to the HCB charateristics pursuant to the State Contract. In addition, (Insert ADHC provider identifier) will support the enrollee's community inclusion and integration by working with the case manager and enrollee to facilitate the enrollee's personal goals and community activities. [State Contract, Attachment II, Exhibit II-B, Section VI.C.2.a.(5).]

Enrollees accessing adult day health services in (insert ADCC identifier) shall be offered services with the following options unless medical, physical, or cognitive impairments restrict or limit exercise of these options.

Choice of:

- Daily activities;
- Physical environment;
- With whom to interact;
- Access to telephone and unlimited length of use;
- Eating schedule;
- Activities schedule; and
- Participation in facility and community activities.

Ability to have:

- Right to privacy;
- Right to dignity and respect;
- Freedom from coercion and restraint; and
- Opportunities to express self through individual initiative, autonomy, and independence.

M. If subcontracted provider is a nursing facility or hospice, it shall maintain active Medicaid enrollment and submit required cost reports to the Agency for the duration of the Agreement. [State Contract, Attachment II, Exhibit II-B, Section VI.C.2.a.(6)]

N. The individual signing the Agreement has authority to do so. The Agreement includes all of the requirements of the State Contract. [State Contract, Attachment II, Section VI.C.6.c.(38)]

O. Subcontractor agrees that patients, AHCA, and Company shall not be held liable for any of Subcontractor's debts. This provision shall survive termination of the Agreement, including breach due to insolvency. [State Contract, Attachment II, Section VIII.B.3.d.(3)]

P. Subcontractor shall indemnify, defend, and hold the Agency, its designees and Company's enrollees harmless from and against all claims, damages, causes of action, costs or expenses, including court costs and reasonable attorney fees, to the extent proximately caused by any negligent act or other wrongful conduct arising from the Agreement. This clause shall survive termination of the Agreement, including breach due to insolvency. The Agency may waive this requirement for itself, but not Company's enrollees, for damages in excess of the statutory cap on damages for public entities, if Subcontractor is a state agency or subdivision as defined by s. 768.28, F.S., or a public health entity with statutory immunity. All such waivers must be approved in writing by the Agency. [State Contract, Attachment II, Section VIII.B.3.d.(6)]

Q. Subcontractor shall secure and maintain, during the life of the Agreement, workers' compensation insurance for all of its employees connected with the work under this the Agreement unless such employees are covered by the protection afforded by Company. Such insurance shall comply with the Florida Workers' Compensation Law. [State Contract, Attachment II, Section VIII.B.3.d.(7)]

R. If Subcontractor delegates or subcontracts any functions of the Agreement, the subcontract or delegation shall include all of the requirements of the Agreement. [State Contract, Attachment II, Section VIII.B.3.d.(8)]

S. Provisions of this Agreement that are in conflict with the specifications of the State Contract are waived. [State Contract, Attachment II, Section VIII.B.3.d.(9)]

T. If Subcontractor will conduct utilization management activities, Company and Subcontractor shall ensure that the Agreement does not structure compensation so as to provide incentives for Subcontractor to deny, limit, or discontinue medically necessary services to any enrollee. [State Contract, Attachment II, Section VIII.B.3.d.(11)]

U. Subcontracted Home and Community Based Service Providers ("HCBS") shall report critical incidents to Company within twenty-four (24) hours of the incident. Nursing facilities and assisted living facilities are not required to report critical incidents or provide incident reports to Company. Critical incidents occurring in nursing facilities and assisted living facilities will be addressed in accordance with Florida law, including but not limited to Florida Statutes §§. 400.147, 429.23, Chapter 39 and Chapter 415. [State Contract, Attachment II, Exhibit II-B, Section VI.F.1.b.]

Individual Sites Regulatory Compliance Addendum - Exhibit B-4

Regulatory Compliance Addendum Governing Kentucky Medicaid Services

This Regulatory Compliance Addendum Governing Kentucky Medicaid Services (the "Kentucky Medicaid Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under the *Managed Care Contract Between the Commonwealth of Kentucky on Behalf of Department for Medicaid Services and Coventry Health and Life Insurance Company* (the "State Contract"), under which contract Coventry Health and Life Insurance Company or its successor in interest (the "Company") serves as a managed-care organization, as well as the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contract.

The Commonwealth of Kentucky, its Finance and Administration Cabinet, its Cabinet for Health and Family Services, and/or its Department for Medicaid Services (collectively, the "State"), require that specific terms and conditions be incorporated into the Agreement. As such, this Kentucky Medicaid Addendum is incorporated by reference into the Agreement between Company (or its Affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing this Agreement (as identified on the first page thereof), and such provider, vendor, contractor, or other entity must comply with the requirements set forth herein to the extent applicable to the services provided by vendor under the Agreement. Note that this Kentucky Medicaid Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement and in the policies, procedures, and provider manual of Company (or its Affiliate, as the case may be). This Kentucky Medicaid Addendum and the Agreement may be revised as directed by the State.

For purposes of this Kentucky Medicaid Addendum, the individuals who are enrolled with Company under the State Contract will be referred to as the "Members" or "Enrollees." All capitalized terms not defined in this Kentucky Medicaid Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Kentucky Medicaid Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this Kentucky Medicaid Addendum will govern and control with respect to the provision of Covered Services to Members who are eligible and covered under the State Contract and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contract. Except as provided herein, all other provisions of the Agreement not inconsistent with this Kentucky Medicaid Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Kentucky Medicaid Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Agreement.

To the extent applicable to the services provided by vendor under the Agreement, the provider, vendor, contractor, or other entity identified on the first page of the Agreement represent and warrant that it/they shall take all steps necessary

to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Kentucky Medicaid Addendum and all applicable laws and regulations.

CONTRACTUAL AND STATUTORY/REGULATORY REQUIREMENTS

E. Definitions

The following additional definitions shall apply with respect to the requirements set forth in this Kentucky Medicaid Addendum:

a. "Medically Necessary" or "Medical Necessity" – Nothwithstanding any definition thereof set forth in the Agreement, the foregoing terms shall mean Covered Services that are medically necessary as defined under Section 2 of 907 KAR 3:130, and provided in accordance with 42 C.F.R. § 440.230, including children's services pursuant to 42 U.S.C. § 1396d(r). [State Contract § 1.0]

b. "Provider" – Any person or entity under contract with Company or Company's contractual agent that provides Covered Services to Members. [State Contract § 1.0]

c. "Subcontract" – Any agreement entered into, directly or indirectly, by Company to provide or arrange for the provision of Covered Services. The term "Subcontract" does not include a policy of insurance or reinsurance purchased by Company or its Subcontractor to limit its specific or aggregate loss with respect to Covered Services provided to Members under the State Contract, so long as Company or its risk-assuming Subcontractor assumes some portion of the underwriting risk for providing health care services to Members. [State Contract § 1.0]

d. "Subcontractor" – Any entity other than a Provider, a physician health organization, or a provider network with which Company has entered into a written agreement for the purpose of fulfilling an obligation of Company under the State Contract. [State Contract § 1.0]

F. Requirements Applicable to Contracts and Services

1. Provision of Covered Services. Provider agrees to provide Covered Services to Members as set forth in the Agreement, including without limitation the following when such Covered Services are specified in the Agreement:

a. If a Member requires emergency medical services, Provider will provide such services on a twenty-four (24) hour per day, seven (7) day per week basis. Provider will provide urgent care services within 48 hours of request. [907 KAR 17:015, § 2; State Contract §§ 29.7, 33.3]

b. If a Member requires the services of a specialist, Provider will provide such specialty services within thirty (30) days from the referral for routine care or within forty-eight (48) hours from the referral for urgent care. [907 KAR 17:015, § 2; State Contract § 29.7]

c. Provider shall provide Covered Services to Members in accordance with the State Medicaid plan, applicable State regulations, and the relevant policies and procedures applicable to each category of Covered Services. [State Contract § 31.1]

d. Provider shall provide basic, targeted, or intensive case management services as Medically Necessary to foster children who are discharged from a hospital or other residential facility, and shall thereafter participate in appropriate discharge planning that is focused on ensuring that the needed supports and services to meet the Member's behavioral-health and physical-health needs will be provided outside of the hospital or other residential facility. [State Contract § 36.4]

e. If Provider is a PCP, Provider shall perform the PCP functions set forth in Section 28.3 of the State Contract. [State Contract § 28.3]

f. Company shall not require Provider to perform any treatment or procedure that is contrary to the Provider's conscience, religious beliefs, or ethical principles in accordance with 42 C.F.R. § 438.102. Instead, Company shall have a referral process for situations in which a Provider declines to perform a service for ethical reasons. [State Contract § 28.12]

2. Claims; Payment; Coordination of Benefits.

a. Company shall only accept from Provider the uniform claim forms that have been approved by the State and that have been completed according to State guidelines. Provider acknowledges and agrees that the date of Company's receipt of any Provider claim shall be the date as indicated on its date stamp on the claim or other notation as appropriate to the medium used to file a claim, and that the date of payment shall be the date of the check or other form of payment. [State Contract §§ 30.1. 30.2]

b. Provider acknowledges and agrees that with respect to any Covered Services provided to Dual Eligible Members (as that term is defined in the State Contract), Company shall pay to Provider the lesser amount of: (1) Company's allowed amount minus the Medicare payment, or (2) the Medicare co-insurance and deductible up to Company's allowed amount. [State Contract § 30.4]

c. Provider/Subcontractor acknowledges and agrees that with respect to any Covered Services, Company shall be prohibited from paying for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) that is: (1) furnished by any individual or entity during any period when that individual or entity is excluded from participation under Title V, XVIII, or XX of the Social Security Act or sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act; (2) furnished at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under title V, XVIII, or XX or pursuant to section 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such item or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person); (3) furnished by an individual or entity to whom the State has failed to suspend payments during any period when there is a pending investigation of a credible allegation of fraud against the individual or entity, unless the State determines there is good cause not to suspend such payments; (4) with respect to any amount expended for which funds may not be used under the Assisted Suicide Funding Restriction Act of 1997; (5) with respect to any amount expended for roads, bridges, stadiums, or any other item or service not covered under the State Medicaid plan; or (6) for home health care services provided by an agency or organization, unless the agency provides the State with a surety bond as specified in section 1861(o)(7) of the Social Security Act. [State Contract § 3.7(A)]

d. Upon request of Provider, Company shall provide or make available to Provider, when contracting or renewing this Agreement with such Provider, the payment or fee schedule or other information sufficient to enable Provider to determine the manner and amount of payments under the Agreement for Provider's services prior to the final execution or renewal of the Agreement, and shall provide any change in such schedules at least ninety (90) days prior to the effective date of any such amendment; provided, however, that Company may make periodic, non-material changes to its payment or fee schedules, such as updates to standard codes and guidelines developed by the American Medical Association or a similar organization, or such as changes required by the State or CMS, without prior written notice. [KRS 304.17A-527(1)(d); KRS 304.17A-577(1)(a); KRS 304.17A-577(2)]

e. In no event shall the State or any Member be liable for the payment of any debt or fulfillment of any obligation of Company, Provider/Subcontractor, or any subcontractor to any Provider/Subcontractor, supplier, out-of-network provider, or any other party, for any reason whatsoever, including the insolvency of Company or any Provider/Subcontractor. Provider/Subcontractor agrees that any contracts that Provider/Subcontractor has with its subcontractors will contain a hold harmless provision and will comply with all provisions of the Agreement. The terms and obligations set forth in this subsection shall survive the termination of the Agreement. [KRS 304.17A-527; State Contract § 13.2]

f. Provider/Subcontractor shall not directly receive payment or any type of compensation from Members for providing Covered Services. Provider/Subcontractor may not bill, charge, collect a deposit, seek compensation, remuneration, or reimbursement from, or have any recourse against Members or any persons acting on their behalf, for services rendered in accordance with the Agreement. This prohibition applies even if Company becomes insolvent, fails to pay Provider/Subcontractor for services rendered, or otherwise breaches the Agreement. This provision does not prohibit the collection from Members of State-authorized co-pays, co-insurance, or deductibles for providing Covered Services. Member co-pay, co-insurance, or deductible amounts cannot exceed the amounts specified in 907 KAR 1:604. The terms and obligations set forth in this subsection shall survive the termination of the Agreement. [KRS 304.17A-527; State Contract §§ 11.8, 14.2, and 31.4]

g. Provider/Subcontractor shall not bill a Member for Medically Necessary Covered Services, with the exception of applicable co-pays or other cost sharing requirements provided under the State Contract. If Provider/Subcontractor knowingly and willfully bills a Member for a Medicaid Covered Service, Provider/Subcontractor shall be guilty of a felony and upon conviction may be fined as defined in Section 1128B(d)(1), 42 U.S.C. § 1320a-7b of the Social Security Act. This provision shall remain in effect even if Company becomes insolvent. If a Member agrees, in advance, to pay for a service that is not a Covered Service under the State Contract, Company or Provider/Subcontractor may bill the Member for that service. The standard release form signed by a Member at the time of services does not relieve Company or Provider/Subcontractor from the prohibition against billing a Member in the absence of a knowing assumption of liability for a non-Covered Service. The form or other type of acknowledgement relevant to the Member's liability for non-Covered Services shall specifically state the services or procedures that are not covered by Medicaid. [State Contract § 31.4]

h. If Provider/Subcontractor is involved in coordination-of-benefits collections, Provider/Subcontractor shall report coordination-of-benefits information to Company. Provider/Subcontractor shall not pursue collection from the Member, but rather must pursue collection directly from the third party payer or the provider. Access to Covered Services shall not be restricted due to coordination-of-benefits collection. The State has the right to review all billing histories and other data related to coordination-of-benefits activities for Members. [State Contract § 14.1]

i. Company shall process all health care claims submitted for the provision of Covered Services to Members in accordance with KRS 304.17A-726. [KRS 304.17A-726]

j. Provider/Subcontractor acknowledges and agrees that Company shall not pay a Provider/Subcontractor for any provider-preventable condition that meets the following criteria: (1) is identified in the State Medicaid plan; (2) has been found by the State, based upon a review of medical literature by qualified professionals, to be reasonably preventable through the application of procedures supported by evidence-based guidelines; (3) has a negative consequence for the Member; (4) is auditable; and (5) includes, at a minimum, wrong surgical or other invasive procedure performed on a patient, surgical or other invasive procedure performed on the wrong body part, or surgical or other invasive procedure performed on the wrong patient. Provider/Subcontractor shall report all provider-preventable conditions associated with claims for payment or Member treatments for which payment would otherwise be made. [State Contract § 31.7]

k. Provider/Subcontractor acknowledges and agrees that Company is prohibited by applicable federal law from making payments to financial institutions located outside of the United States for items or services provided under a Medicaid state plan or waiver.

l. Company shall not be liable to make any payments for Covered Services for which Provider/Subcontractor fails to follow the preadmission authorization and eligibility verification (for inpatient or outpatient services) procedures set forth in the Agreement, the State Contract, or the Medicaid program. Furthermore, all or a portion of payment due to the Provider/Subcontractor may be denied by Company if such payment is specifically attributable to Provider/Subcontractor's rendering or ordering: (i) services that are not Medically Necessary; (ii) elective hospitalization not authorized by Company; (iii) services provided other than at an authorized level of care; (iv) services that are not Covered Services; or (v) services related to complications from a non-Covered Service. In the event Provider/Subcontractor does not agree with a denial of payment determination made, Provider/Subcontractor may file an appeal in accordance with applicable procedures. [State Contract § 28.9]

3. Any Willing Provider; Provider Application; No Discrimination. Company and Subcontractor (if Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement) shall comply with the "any willing provider" statute as described in 907 KAR 1:672 and KRS 304.17A-270, as amended. Neither Company nor such Subcontractor shall require a Provider to enroll exclusively with its network to provide Covered Services under the State Contract. Nothing in the Agreement shall require or be construed to require a Provider, as a condition of participation in the Medicaid product that is the subject of the State Contract, to participate in any other products offered by Company. Company and Subcontractor (if Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement) shall comply with the terms and obligations set forth in KRS 304.17A-525, and shall allow all providers who desire to apply for network participation an opportunity to apply at any time during the year or, where Company or such Subcontractor does not conduct open continuous provider enrollment, shall conduct a provider-enrollment period at least annually with the date publicized to providers located in the geographic service area of the plan at least thirty (30) days in advance of such enrollment period. Company and Subcontractor (if Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement) shall not discriminate against providers that serve high-risk populations or that specialize in conditions that require costly treatment, and shall not discriminate against a provider based upon that provider's licensure or certification. If Company or such Subcontractor declines to include a provider within its network, it shall give that affected provider written notice of the reason for its decision. Any option to terminate this Agreement without cause, or to non-renew this Agreement, that Company possesses under the terms thereof shall be subject to the "any willing provider" statute and to Provider's right to reapply for network participation, and Company will consider any such Provider reapplication consistent with the internal standards, policies, and procedures for provider participation that Company has developed in accordance with KRS 304.17A-270 and KRS 304.17A-525. [KRS 304.17A-150; KRS 304.17A-270; KRS 304.17A-525; State Contract § 29.1]

4. Anti-Gag Clause; No Retaliation. Company and Subcontractor (if Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement) shall not limit a Provider's disclosure to a Member, or to another person on the Member's behalf, of any information relating to the Member's medical condition, health status, medical care, or treatment options (regardless of whether benefits for such care are provided under the State Contract), and shall not prohibit Provider from discussing all treatment options with the Member. Provider shall not be penalized, and no agreement with a Provider may be terminated, because Provider discusses Medically Necessary or clinically appropriate care with a Member or another person on the Member's behalf. Other information determined by Provider to be in the Member's best interest may be disclosed by Provider to Member or to another person on Member's behalf. Provider shall not be penalized for discussing with a Member any financial incentives and arrangements between the Provider and Company/Subcontractor, nor shall Company take any punitive action against a Provider that either supports, or requests an expedited resolution of, a Member's appeal. [KRS 304.17A-530; State Contract §§ 28.1, 28.12, 31.1]

5. Provider Grievances. Provider shall submit any grievance against Company on the State-approved provider grievance form. [State Contract § 28.9]

6. Connectivity to KHIE. If Provider is a PCP, Provider shall establish connectivity to the Kentucky Health Information Exchange ("KHIE") within one year of the effective date of this Agreement, or as otherwise

determined by the State. If Provider is not a PCP, Company still encourages Provider to establish connectivity to KHIE. [State Contract § 17]

7. HEDIS and Encounter Data. Provider/Subcontractor shall submit all reports and clinical information required by Company, including but not limited to, HEDIS, EPSDT, etc., in such manner and pursuant to such timeframes requested by Company. Notwithstanding anything herein to the contrary, Provider/Subcontractor shall provide all necessary data, including but not limited to encounter and claims data, to Company in a format specified by the State in accordance with 42 C.F.R. § 438, unless otherwise agreed by the parties. Provider/Subcontractor shall report and/or submit all encounter records in an accurate and timely fashion. [State Contract §§ 16.1, 20.2, 33.1]

8. Amendments; Notice of Material Change. Company may unilaterally amend the Agreement to the extent necessary to comply with applicable federal or State law, regulatory requirements, accreditation standards, or licensing guidelines or rules ("Regulatory Amendment"). Company shall give advance written notice to Provider of such Regulatory Amendment and the effective date thereof. With respect to amendments other than Regulatory Amendments, Company shall give advance written notice to any "participating provider" of any "material change" to this Agreement, as those terms are used and defined in KRS 304.17A-578, at least ninety (90) days prior to the effective date of the amendment. If Provider is a "participating provider" as that term is used and defined in KRS 304.17A-578: (i) the material-change notice shall include a description of the material change and a statement that Provider has the option to withdraw from the Agreement prior to the material change becoming effective; and (ii) Provider shall send written notice no later than forty-five (45) days prior to the effective date of the material change if Provider opts to withdraw following notice of a material change; provided, however, if Company has not received notice of such withdrawal within that forty-five (45) day period, Provider's silence shall constitute acceptance of such amendment. If any change to the Agreement is with respect to an existing prior authorization, precertification, notification, or referral program, or changes to an edit program or specific edits, Company shall provide notice of the change to Provider at least fifteen (15) days prior to the change. [KRS 304.17A-578]

9. Assignment. The Agreement, being intended to secure the services of and be personal to Provider/Subcontractor, shall not be assigned or transferred by Provider/Subcontractor without the prior written consent of Company. Company may assign this Agreement without the consent of Provider/Subcontractor to any Affiliate or any other entity upon thirty (30) days' prior written notice. [State Contract § 6.2(H)]

10. Provider Subcontracts. If otherwise permissible under the Agreement, if Provider enters into a subcontract agreement with another provider to provide its licensed health care services to Members where the subcontracted provider will bill Company or Members directly for the subcontracted services, the subcontract agreement must meet all requirements of Ky. Rev. Stat. Chapter 304.17A and shall be filed with the Commissioner of the Kentucky Department of Insurance in accordance with Ky. Rev. Stat. § 304.17A-527(1)(e). [KRS 304.17A-527(1)(e)]

11. State Contract Creates No Third-Party Rights. Provider/Subcontractor acknowledges that the State Contract does not, and is not intended to, create any rights, benefits, or interests to Provider/Subcontractor. [State Contract § 4.5]

12. Subcontracts. With respect to any and all Subcontracts:

a. Subcontractor shall indemnify, defend, and hold harmless the State, its officers, agents, and employees, and each and every Member from any liability whatsoever arising in connection with the State Contract for the payment of any debt of or the fulfillment of any obligation of the Subcontractor. [State Contract § 6.1]

b. Subcontractor, in the performance of its obligations, shall use only Medicaid-enrolled providers in accordance with the Agreement and the State Contract. [State Contract § 6.2(D)]

c. Subcontractor is prohibited from receiving any incentive, monetary or otherwise, for the withholding from Members of Medically Necessary Covered Services. In addition, a Subcontractor that performs utilization management activities is prohibited from receiving, and from providing to any individual or entity that performs such utilization management activities, any incentives for the denial, limit, or discontinuance of Medically Necessary Covered Services to a Member, all consistent with 42 C.F.R. §§ 422.208 and 438.6(h). [State Contract §§ 6.2(G), 21.2, 29.7]

d. Subcontractor is prohibited from assigning the Agreement or from further subcontracting without the prior written consent of the State. [State Contract § 6.2(H)]

e. The State is the intended third-party beneficiary of this Agreement and, as such, the State is entitled to all remedies that are afforded to third-party beneficiaries under the law. [State Contract § 6.2(I)]

f. Subcontractor, as required, shall timely submit encounter records in the format specified by the State so the Company can meet the specifications required by the State Contract. Subcontractor shall be responsible for transmitting all data to Company as required by 42 C.F.R. § 438. [State Contract §§ 6.2(J), 15.1]

g. Subcontractor shall comply with all provisions of the State Contract that relate to the services or activities that Company has delegated to Subcontractor under the Agreement, and Subcontractor shall furthermore comply with all applicable federal and State law and regulations, including but not limited to KRS 205.8451 through KRS 205.8483, all rules, policies, and procedures of the State, and all standards governing the provision of Covered Services and information to Members, all Quality Assessment/Performance Improvement (QAPI) requirements, all record keeping and reporting requirements, all obligations to maintain the confidentiality of information, all rights of the State, the Office of Inspector General, the Attorney General, Auditor of Public Accounts and other authorized federal and State agents to inspect, investigate, monitor, and audit operations, all indemnification and insurance requirements, and all obligations upon termination. [State Contract § 6.2(K)]

h. Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to monitor, on an ongoing basis, Subcontractor's performance and accreditation. Subcontractor shall be subjected to formal review by Company. [State Contract §§ 4.3(C), 6.2(L)]

i. Any Subcontractor with NCQA/URAC or other national accreditation shall provide Company with a copy of its current certificate of accreditation, along with a copy of the survey report. [State Contract § 6.2(M)]

j. Subcontractor shall report suspected fraud and abuse to Company. [State Contract § 6.2(P)]

k. If Company delegates to Subcontractor any activities or obligations of Company under the State Contract, Company may revoke such delegation or impose other sanctions if the Subcontractor's performance is inadequate, all in accordance with the terms set forth in the Agreement. [State Contract § 4.3(A)]

l. If Company identifies deficiencies or areas for improvement in the Subcontractor's performance under the Agreement, Subcontractor shall cooperate with Company in taking all necessary corrective action. [State Contract §§ 4.3(D), 6.2(N)]

m. If Company delegates to Subcontractor the selection of Providers under the Agreement, Company shall retain the right to approve, suspend, or terminate any Provider selected by that Subcontractor. [State Contract § 4.3(E)]

n. Subcontractor shall at all times remain in compliance with the requirements of 42 C.F.R. § 438. [State Contract § 4.3(F)]

o. A Subcontractor that provides Covered Services shall inform Company if that Subcontractor itself engages a subcontractor in any transaction or series of transactions, in performance of any term of the State Contract, which in one fiscal year exceeds the lesser of $25,000 or five percent (5%) of the Subcontractor's operating expense. [State Contract § 6.3]

p. Subcontractor acknowledges that the State shall have the right to invoke against Subcontractor any remedy that is set forth in the State Contract, including the right to require the termination of any Subcontract, for each and every reason for which the State may invoke such a remedy against Company or for which the State may require the termination of the State Contract. [State Contract § 6.4]

q. If Company delegates to Subcontractor any utilization-management activities or obligations, Subcontractor shall ensure that all utilization-management programs, processes, and timeframes are in accordance with 42 C.F.R. §§ 431, 438, and 456, with the private-review agent requirements of Ky. Rev. Stat. Chapter 304.17A, and with the State Contract. Such Subcontractor shall adopt Interqual or Milliman for Medical Necessity, except in the event that Interqual or Milliman is not applicable to the specific service being provided, in which case Subcontractor may use other appropriate criteria so long as (1) that criteria or standard is a nationally recognized standard of which the State Department for Medicaid Services has received prior notice, and (2) Subcontractor has confirmed that Interqual or Milliman do not, in fact, contain standards applicable to the specific service being provided. With respect to behavioral-health Medical Necessity determinations, Subcontractor shall adopt the following standardized tools: for adults, Level of Care Utilization System (LOCUS); for children, Child and Adolescent Service Intensity Instrument (CASII) or the Child and Adolescent Needs and Strengths Scale (CANS); for young children, Early Childhood Service Intensity Instrument (ECSII); and for substance use, American Society of Addiction Medicine (ASAM). [State Contract § 21.2]

r. If Company delegates to Subcontractor any credentialing or recredentialing activities/obligations, Subcontractor shall conduct all such activities/obligations in compliance with National Committee for Quality Assurance (NCQA) standards, with 907 KAR 1:672, with applicable federal law, and with the State Contract. [State Contract § 28.2]

s. Subcontractor acknowledges (1) that neither it nor its agents, officers, or employees shall be construed to be officers or employees of the State by virtue of the Agreement or the State Contract, and (2) that neither the Agreement nor the State Contract shall be construed as a partnership or joint venture between Subcontractor and the State. [State Contract § 41.7]

t. Subcontractor acknowledges that it is aware of the requirements and penalties outlined in KRS 45A.485, has properly disclosed all information required by this statute, and will continue to comply with such requirements for the duration of the State Contract. [KRS 45A.485]

u. Subcontractor acknowledges that it is aware of the requirements of Executive Order 2015-370 (Minimum Wage for State Employees and the Commonwealth's Service Providers) and that it will pay all workers working on or in connection with the State Contract a minimum of $10.10 per hour for all regular, hourly employees and a minimum of $4.90 per hour for all tipped employees for the duration of the State Contract. [Executive Order 2015-370]

13. Pharmacy Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to pharmacy-related Covered Services:

a. Provider/Subcontractor shall administer all pharmacy benefits in accordance with the provisions and requirements of Section 32.1 of the State Contract and in accordance with all applicable State and federal laws and regulations. [State Contract § 32.1]

b. If Company delegates to Provider/Subcontractor any pharmacy-related activities or obligations under the State Contract, Provider/Subcontractor shall comply with the provisions and requirements set forth in Section 32.0 of the State Contract. [State Contract §§ 32.0–32.11]

c. Provider/Subcontractor shall cooperate with Company with respect to Company's obligation to process, adjudicate, and pay pharmacy claims in accordance with Section 32.4 of the State Contract, and to submit National Drug Code (NDC) level information on drugs and diabetic supplies, including J-code conversions consistent with CMS requirements. [State Contract §§ 32.4, 32.5]

d. Provider/Subcontractor shall comply with the pharmacy prior-authorization provisions and requirements set forth in Section 32.6 of the State Contract. [State Contract § 32.6]

e. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract to (1) establish and maintain a generic-drug Maximum Allowance Cost (MAC) program, and (2) manage specialty pharmacy drugs. [State Contract §§ 32.7, 32.8]

14. Behavioral-Health Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to behavioral-health Covered Services:

a. Provider/Subcontractor shall administer all behavioral-health benefits in accordance with the provisions and requirements of Section 34.3 of the State Contract and in accordance with all applicable State and federal laws and regulations. [State Contract § 34.3]

b. If Company delegates to Provider/Subcontractor any behavioral-health-related activities or obligations under the State Contract, Provider/Subcontractor shall comply with the provisions and requirements set forth in Section 34.0 of the State Contract. [State Contract §§ 34.0–34.12]

c. Providers shall document DSM-V diagnosis and assessment/outcome information in the Member's medical record. [State Contract § 34.3]

d. If Provider is a PCP, Provider shall have screening and evaluation procedures for the detection and treatment of, or referral for, any known or suspected behavior-health problems and disorders. PCPs may provide any clinically appropriate behavior-health services within the scope of their practice. [State Contract § 34.7]

e. Provider shall provide behavioral-health services (1) within twenty-four (24) hours of the referral if that service requires crisis stabilization, and (2) within forty-eight (48) hours of the referral if that service is for behavioral-health urgent care. A behavioral-health service appointment following a discharge from an acute psychiatric hospital shall occur within seven (7) days of discharge, and any behavioral-health service appointment not otherwise specified in this subparagraph shall occur within sixty (60) days of the referral. [907 KAR 17:015, § 2; State Contract § 34.8]

f. Provider that is providing behavioral-health services (1) shall refer a Member with known or suspected and untreated physical-health problems to the Member's PCP for examination and treatment with the consent of the Member or the Member's legal guardian; (2) may only provide physical-health services if it is licensed to do so; (3) shall send initial and quarterly (or more frequently if clinically indicated) summary reports of the Member's behavioral-health status to the PCP with the consent of the Member or the Member's legal guardian; and (4) shall ensure that all Members receiving inpatient behavioral-health services are scheduled for outpatient follow-up and/or continuing treatment prior to discharge, with Provider ensuring that such outpatient treatment occurs within seven (7) days from the date of discharge and with Provider contacting Members who have missed an appointment within twenty-four (24) hours to reschedule that appointment. [State Contract §§ 34.7, 34.8]

g. A Provider that is providing behavioral-health services: (1) shall ensure continuity of care for successful transition of Members back into community-based supports; (2) shall participate in quarterly continuity-of-care meetings hosted by State-operated or State-contracted psychiatric hospitals; (3) shall assign a case manager prior to or on the date of discharge and provide basic, targeted, or intensive case management services as Medically Necessary to Members with severe mental illness ("SMI") and co-occuring developmental disabilities who are discharged from a State-operated or State-contracted psychiatric facility for Members with SMI; (4) shall participate in discharge planning meetings to ensure compliance with federal *Olmstead* and other applicable laws, with discharge planning focused on ensuring needed supports and services are available in the least restrictive environment to meet the Member's behavioral and physical health needs, including psychosocial rehabilitation and health promotion; (5) shall thereafter ensure the community supports are meeting the needs of the Member discharged from a State-operated or State-contracted psychiatric hospital; and (6) shall assist Members in accessing free or discounted medication through the Kentucky Prescription Assistance Program (KPAP) or other similar assistance programs. [State Contract § 34.10]

15. Access to Premises. Subcontractor shall allow duly authorized agents or representatives of the State or federal government or the independent external quality-review organization required by Section 1902(a)(30)(c) of the Social Security Act, 42 U.S.C. § 1396a(a)(30), access to Subcontractor's premises during normal business hours to inspect, audit, investigate, monitor, or otherwise evaluate Subcontractor's performance. If such access to Subcontractor is requested, Subcontractor shall provide and make staff available to assist in the audit or inspection effort, and shall provide adequate space on its premises to reasonably accommodate the State, federal, or external quality-review personnel conducting the audit, investigation, or inspection effort. In addition, Subcontractor shall produce all records, documents, or other data requested as part of such review, investigation, or audit. All inspections or audits shall be conducted in a manner as will not unduly interfere with the performance of Subcontractor's activities. [State Contract § 5.6]

16. Physician Incentive Plan Requirements. In the event compensation to Provider under the Agreement includes Physician Incentive Plans as defined by federal law, those Physician Incentive Plans shall comply with 42 C.F.R. §§ 417.479, 422.208, 422.210, and 438.6(h). Company shall make no specific payment directly or indirectly under a Physician Incentive Plan to Provider as an inducement to reduce or limit Medically Necessary Covered Services furnished to a Member. The Physician Incentive Plans shall not contain provisions that provide incentives, monetary or otherwise, for the withholding of Medically Necessary care. Company shall disclose to CMS information on Physician Incentive Plans in accordance with 42 C.F.R. §§ 417.479(h)(1) and 417.479(l) and at the times indicated in 42 C.F.R. § 417.479(d)–(g). Provider further acknowledges and agrees that in the event Provider is deemed to be at substantial financial risk under applicable Physician Incentive Plan regulations, Provider shall (i) cooperate and assist Company in conducting satisfaction surveys of Members using the Provider's services, and (ii) obtain, at Provider's sole expense, any additional stop loss insurance required pursuant to the Physician Incentive Plan regulations. In the event Provider must obtain stop loss insurance pursuant to the Physician Incentive Plan regulations, Provider shall obtain a stop loss policy with the following terms: (i) the policy is guaranteed renewable; (ii) termination of the policy shall not affect or reduce the policy insurer's obligation to cover, or responsibility for coverage of, the Provider's claims for Covered Services provided to Members during the term of such policy and which are covered under the applicable Plan; and (iii) the policy insurer will provide notice of termination or cancellation of the policy to Company. Bonus amounts paid pursuant to the Agreement, if any, shall not exceed 33% of the maximum payments possible to Provider for services that Provider furnishes directly to Members. [State Contract §§ 11.6, 11.7]

17. Stop-Loss Coverage. If Provider assumes substantial financial risk for contracted services, Provider shall maintain adequate stop-loss protection, sufficient proof of which, including the amount and type of stop-loss coverage maintained, shall be provided to Company by Provider upon request. [State Contract § 13.5]

18. Quality Assessment/Performance Improvement (QAPI) Program. Provider/Subcontractor shall participate in Company's Quality Assessment/Performance Improvement program activities (including but not limited to submission of complete encounter records), shall cooperate with Company with respect to Company's QAPI

obligations under the State Contract, and shall cooperate with Company's Quality Improvement Committee. [907 KAR 17:025, § 6; State Contract §§ 19.1–19.4, 38.5]

19. Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program. Provider/Subcontractor shall provide (and if Company delegates to Subcontractor the selection of Providers under the Agreement, Subcontractor shall ensure that its contracted Providers provide) EPSDT services to Members in compliance with the State Contract (and in particular Section 33.1 thereof), with 907 KAR 1:034, and with any policy statements issued by the State or CMS during the term thereof. Provider/Subcontractor shall also cooperate with Company with respect to Company's obligations under the State Contract to submit EPSDT reports to the State. [State Contract §§ 33.1, 38.9]

20. Third Party Liability. Provider/Subcontractor acknowledges and agrees that Medicaid payment, under the State Contract or otherwise, is secondary to other sources of payment for Covered Services provided to Members, and that Medicaid (and consequently Company, as a Medicaid MCO of the State) is the payer of last resort. Provider/Subcontractor furthermore acknowledges and agrees that when Company is aware of third-party sources of payment for Covered Services, Company is required by the State Contract to "cost avoid" (*i.e.*, deny) the associated claim and to redirect Provider/Subcontractor to bill that third-party source of payment as the primary payor. [State Contract § 14.2]

21. Cooperation with Company. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract, including without limitation:

a. Company's obligation to assist the State with its planning process for the State's CMS/CMMI State Innovative Model Design Award initiative, which involves the State partnering with health-system stakeholders to develop a State Healthcare Innovation Plan (SHIP). [State Contract § 5.7]

b. Company's obligation to notify the State of the existence and nature of any capitation agreement that Company has with Provider/Subcontractor pursuant to which Provider/Subcontractor assumes risk, including without limitation information relating to how Provider/Subcontractor pays its downstream providers/subcontractors for providing Covered Services to Members. [State Contract § 6.5]

c. Company's obligation to cooperate with the State as part of any readiness review under the State Contract. [State Contract § 8.1]

d. Company's obligation to submit financial and expense-related reports/data to the State relating to the Risk Corridor Payment Adjustment and the Medical Loss Ratio Adjustment set forth in the State Contract. [State Contract §§ 11.4, 11.5]

e. Company's obligation to investigate, pursue, and report on coordination-of-benefit and third-party-liability resources and recoveries. [State Contract §§ 14.1, 14.2, 38.4]

f. Company's obligation to assist the State with verification that Providers are meeting the requirements of the Electronic Health Records Incentive Payment Program. [State Contract § 18.0]

g. Company's obligation to submit HEDIS reports/data to the State as set forth in the State Contract. [State Contract §§ 20.1–20.3]

h. Company's obligation to develop and implement Performance Improvement Projects as set forth in the State Contract. [State Contract § 20.5]

i. Company's obligation to provide orientation, education, and training for Providers as set forth in the State Contract. [State Contract § 28.5]

j. Company's obligation to reduce unnecessary emergency room visits so that the determination of non-emergent visits is reduced to no more than two (2%) percent in a rolling three (3) month period for that particular Medicaid region in the State. [State Contract § 29.7(J)]

k. Company's obligation to submit to the State claims-level cost data for payment-verification purposes relating to the State's supplemental payments, if any, under Section 30.11 of the State Contract. [State Contract § 30.11]

l. Company's obligation to conduct health risk assessments (HRAs) of Members as set forth in the State Contract. [State Contract § 35.1]

m. Company's obligation to perform care coordination and develop care plans for Members as set forth in the State Contract. [State Contract § 35.3]

n. Company's obligation to assist the State with its development of health homes for Company's medically complex Members. Once approved by CMS, Provider/Subcontractor shall comply with any health home program developed by the State. [State Contract § 35.4]

o. Company's obligation to coordinate with the Women, Infants and Children (WIC) program, including provision of medical information to the WIC program by Providers if requested by WIC agencies and if permitted by applicable law. [State Contract § 35.5]

p. Company's obligation to participate in transition planning and continued care coordination for Members with SMI who are transitioning from licensed personal-care homes, psychiatric hospitals, or other institutional settings to integrated, community-based housing, including the performance of a comprehensive physical and behavioral-health assessment designed to support the successful transition to community-based housing within fourteen (14) days of the transition. [State Contract § 36.6]

q. Company's obligation to respond to any letter of concern, written deficiency notice, or request for a corrective action plan that Company receives from the State relating to Subcontractor or the services that are within the scope of the Agreement. [State Contract § 40.4]

22. Hospitalists. Nothing in the Agreement shall require, or be construed to require, the mandatory use of a hospitalist (defined as a physician of record at a hospital for a patient of a participating physician and who may return the care of the patient to that physician at the end of the hospitalization). [KRS 304.17A-532]

23. Licensing/Certification. Provider/Subcontractor shall meet all appropriate licensing and contract requirements specified in applicable State and federal laws and regulations. This includes certification, where required, to provide those health care services in the State as set forth in the Agreement, including certification under CLIA, if applicable. Where applicable, Provider/Subcontractor shall have a valid Drug Enforcement Agency registration number and valid NPI and taxonomy. [State Contract § 3.5]

24. Notice of Legal Action. Subcontractor shall provide written notice to Company of any legal action or notice listed below, within ten (10) days following the date Subcontractor receives written notice of:

a. Any action, proposed action, lawsuit, or counterclaim filed against Subcontractor related in any way to the Agreement or the State Contract;

b. Any administrative or regulatory action, or proposed action, respecting the business or operations of Subcontractor related in any way to the Agreement or the State Contract;

c. Any notice received by Subcontractor from the Kentucky Department of Insurance or the Kentucky Cabinet for Health and Family Services;

d. Any claim made against Subcontractor by a Member having the potential to result in litigation related in any way to the Agreement or the State Contract;

e. The filing of a petition in bankruptcy by or against Subcontractor, or the insolvency of Subcontractor; and

f. The payment of a civil fine or conviction of any person who has an ownership or controlling interest in Subcontractor, or who is an agent or managing employee of Subcontractor, of a criminal offense related to that person's involvement in a program under Medicare, Medicaid, or Title XX of the Social Security Act, or of fraud, or unlawful manufacture, distribution, prescription, or dispensing of a controlled substance, as specified in 42 U.S.C. § 1320a-7.

[State Contract 41.4]

25. Termination of Agreement and Effect Thereof. In the event the Agreement is terminated, such termination shall not constitute termination of any other agreement that Provider/Subcontractor has entered into with Company or an Affiliate of Company unless otherwise agreed to in writing by the Parties. Furthermore, in the event this Kentucky Medicaid Addendum is terminated, such termination shall not constitute termination of any other Product Addendum or Product Participation that Provider/Subcontractor has entered into with Company pursuant to the Agreement unless otherwise agreed to in writing by the Parties. In addition:

a. In the event of a breach of the Agreement by Company, the termination of the Agreement, or the insolvency of Company, Provider/Subcontractor shall provide all services and fulfill all of its obligations pursuant to the Agreement for the remainder of any month for which the State has made payments to Company, and shall fulfill all of its obligations respecting the transfer of Members to other Providers/Subcontractors, including record maintenance, access, and reporting requirements, all such covenants, agreements, and obligations of which shall survive the termination of the State Contract and the Agreement. The terms and obligations set forth in this subsection shall survive the termination of the Agreement. [KRS 304.17A-527(1)(c); State Contract §§ 6.1, 40.8]

b. In the event of termination for any reason other than a quality of care issue or fraud, Company shall continue to reimburse Provider/Subcontractor in accordance with the Agreement until the Member is discharged from an inpatient facility, or the active course of treatment is completed, whichever time is greater; and in the case of a pregnant woman, services shall continue to be provided through the end of the post-partum period if the pregnant woman is in her fourth or later month of pregnancy at the time the Agreement is terminated. The terms and obligations set forth in this subsection shall survive the termination of the Agreement. [KRS 304.17A-527(1)(b)–(c); State Contract § 40.8]

c. Company and/or Subcontractor (if Subcontractor manages a network of providers as part of the services it provides to Company under the Agreement) shall terminate from participation any Provider that (i) engaged in an activity that violates any law or regulation and results in suspension, termination, or exclusion from the Medicare or Medicaid program; (ii) has a license, certification, or accreditation terminated, revoked, or suspended; (iii) has medical staff privileges at any hospital terminated, revoked, or suspended; or (iv) engaged in behavior that is a danger to the health, safety, or welfare of Members. Company and such Subcontractor may also terminate the participation of any Provider that has materially breached the Agreement and has failed to timely and adequately cure such breach. [State Contract § 29.6]

26. Protected Health Information. Provider/Subcontractor shall abide by the same statutes and regulations regarding the confidentiality of protected health information that Company is itself subject to under the State Contract and state and federal law, including the Health Insurance Portability and Accountability Act (42 U.S.C. § 1320d) and 45 CFR Parts 160 and 164. Company shall conduct HIPAA privacy and security audits of Provider/Subcontractor as prescribed by the State. This confidentiality provision shall survive termination of the Agreement. [State Contract § 39.1, 39.2, 41.15]

27. Access to Records. Provider/Subcontractor shall make all of its books, documents, papers, records, medical records, data, surveys, computer databases, or other evidence (collectively, the "Records") available for examination, audit, and/or program review by the State, the Finance and Administration Cabinet, the Auditor of Public Accounts, the Legislative Research Commission, the Attorney General of the State, the Kentucky Department of Insurance, the U.S. Department of Health and Human Services, CMS, the Office of Inspector General Comptroller, authorized federal or State personnel, and the authorized representatives of the governments of the United States and the State including, without limitation, any employee, agent, or subcontractor of the State, CMS, or the State's fiscal agent, for a period of five (5) years after termination of the State Contract, except when an audit has been conducted or audit findings are unresolved. In such case, Records shall be kept for a period of five (5) years in accordance with 907 KAR 1:672, or as amended or until all audit issues are finally resolved, whichever is later. Access shall be at the discretion of the requesting authority and shall be either through onsite review of Records or by submission of Records to the office of the requesting authority. Any Records requested shall be produced immediately for onsite reviews or sent to the requesting authority by mail within fourteen (14) days following a request. All Records shall be provided at the sole cost and expense of Provider/Subcontractor including, without limitation, any costs associated with making excerpts or transcripts, copying, reproducing, shipping, and/or mailing of records. The State shall have unlimited rights to use, disclose, and duplicate, for any purpose whatsoever, all information and data developed, derived, documented, or furnished by Provider/Subcontractor. [State Contract §§ 38.2, 39.1, 41.17, 41.21]

28. Medical Records. With respect to medical records:

a. In addition to the requirements set forth in the Agreement, Provider/Subcontractor shall maintain Member medical records on paper or in an electronic format. Provider/Subcontractor shall maintain Member medical records in a timely, legible, current, detailed, and organized manner to permit effective and confidential patient care and quality review. Complete medical records include, but are not limited to, medical charts, prescription files, hospital records, provider specialist reports, consultant and other health care professionals' findings, appointment records, and other documentation sufficient to disclose the quantity, quality, appropriateness, and timeliness of services provided under the State Contract. Medical records shall be signed by the Provider/Subcontractor, as the case may be. [907 KAR 17:015, § 12; State Contract § 28.7]

b. Although the medical records are the property of the Provider/Subcontractor that generates the record, each Member or the Member's representative is entitled to one (1) free copy of his/her medical record. Additional copies shall be made available at cost. Provider/Subcontractor shall preserve and maintain Member medical records for no less than five (5) years unless federal requirements mandate a longer retention period (*i.e.*, immunization and tuberculosis records shall be maintained for a Member's lifetime). [907 KAR 17:015, § 12; State Contract § 28.7]

c. Provider/Subcontractor's medical records shall meet the medical record standards that Company and the State Contract require for medical-chart organization and documentation, for the contents of the medical record, and for individual clinical-encounter documentation. Medical records will reflect all aspects of patient care, including ancillary services. Additionally, a PCP's primary medical record for each Member must contain sufficient medical information from all providers involved in that Member's care to ensure continuity of care. [State Contract § 28.7]

d. If any Covered Service provided by Provider/Subcontractor requires completion of a specific form (*e.g.*, hospice, sterilization, hysterectomy, or abortion), the form shall be properly completed

according to the appropriate Kentucky Administrative Regulation (KAR). Provider/Subcontractor shall retain that form in the event of an audit and a copy shall be submitted to the State upon request. [State Contract § 31.1]

e. If a Member changes PCPs, Provider/Subcontractor shall forward the medical records or copies thereof to the new PCP or provider within ten (10) days of the request. The PCP shall have the Member sign a release of medical records before a medical record transfer occurs. [State Contract § 39.1]

29. Licensing Requirements; Malpractice Insurance.

a. Provider/Subcontractor shall be properly licensed in accordance with all applicable State laws and regulations and shall have in effect a current policy of malpractice insurance as Company may require. [State Contract, Appendix J]

b. Provider/Subcontractor shall comply with Company's verification of Provider/Subcontractor's credentials and insurance coverage, including without limitation completing a credentialing application in accordance with the State's policies and procedures. [907 KAR 17:015, § 4; State Contract, Appendix J]

c. Provider cannot enroll or continue participation in Company's network if Provider has active sanctions imposed by Medicare or Medicaid or SCHIP, if the Provider's required licenses and certifications are not current, if the Provider owes money to the Medicaid Program, if the office of the Attorney General has an active fraud investigation involving the Provider, or if the Provider otherwise fails to satisfactorily complete the credentialing process. [State Contract § 29.3]

30. Disclosure of Ownership and Control.

a. Consistent with federal disclosure requirements described in 42 C.F.R. § 455.100 through 42 C.F.R. § 455.106 and 42 C.F.R. § 438.610, and to ensure that Company does not make a payment to an individual or entity that has been criminally convicted of a felony, is debarred, suspended, or otherwise excluded from participating in federal health care programs, or is excluded from participating in procurement activities under the Federal Acquisition Regulation, or from participating in non-procurement activities under regulations issued under Executive Order No. 12549 or under guidelines implementing Executive Order No. 12549, Provider/Subcontractor shall disclose to Company: any required ownership and control, relationship, and financial interest information; any changes to ownership and control, relationship, and financial interest information; and information on any criminal convictions regarding Provider/Subcontractor and any owner(s) and managing employee(s) at the time this Agreement is executed and annually thereafter, and any time there are changes to such information. [State Contract § 38.15]

b. No Provider, no individual who has a direct or indirect ownership or controlling interest of 5% or more of that Provider, and no officer, director, agent, or managing employee (*i.e.*, general manager, business manager, administrator, director, or like individual who exercises operational or managerial control over that Provider or who directly or indirectly conducts the day-to-day operation of that Provider) shall be an entity or individual: (1) who has been convicted of any offense under Section 1128(a) of the Social Security Act (42 U.S.C. § 1320a-7(a)) or of any offense related to fraud or obstruction of an investigation or a controlled substance described in Section 1128(b)(1)–(3) of the Social SecurityAct (42 U.S.C. § 1320a-7(b)(1)–(3)); (2) against whom a civil monetary penalty has been assessed under Section 1128A or 1129 of the Social Security Act (42 U.S.C. §1320a-7a; 42 U.S.C. §1320a-8); or (3) who has been excluded from participation in a program under Title XVII, 1902(a)(39) and (41) of the Social Security Act, Section 4724 of the Balanced Budget Act or under a State health care program. [State Contract § 3.6]

31. Orientation and Training. Provider shall require its officers and medical staff to attend initial orientation conducted by Company within thirty (30) days after Provider is placed on active status, and shall require

same to attend any ongoing orientation and education required by Company as necessary to ensure full compliance with the State Contract and all applicable federal and State requirements. [907 KAR 17:015, § 7; State Contract § 28.5]

32. Advances and Loans. Company shall not, without thirty (30) days' prior written notice to and approval of State, make any advances to Subcontractor (not including capitation payments or payments made by Company to Company's network for the provision of Covered Services). [State Contract § 13.4]

33. Marketing Activities. Provider/Subcontractor shall comply with all allowable and unallowable marketing activities and practices pursuant to 42 C.F.R. § 438.104, and shall submit to Company for its review any marketing or information materials of Provider/Subcontractor that relate to the State Contract, prior to disseminating same. The State shall have the same approval authority for Subcontractor marketing materials as over Company's materials. [State Contract §§ 26.1, 26.2]

34. Advance Medical Directives. If Provider is a PCP, Provider shall have the responsibility to discuss advance medical directives with all adult Members at the first medical appointment of a Member and chart that discussion in the medical record of such Member. [State Contract §§ 28.3 & 28.8]

35. Accounting System. Provider/Subcontractor shall maintain its accounting systems in accordance with statutory accounting principles, generally accepted accounting principles, or other generally accepted systems of accounting. The accounting system shall clearly document all financial transactions between Company and Provider/Subcontractor. These transactions shall include, but not be limited to, claims payment, refunds, and adjustment of payments. [State Contract § 38.14]

36. Compliance with Laws. Provider/Subcontractor shall adhere to the mandates dictated by Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; the Vietnam Era Veterans' Readjustment Assistance Act of 1974; the Americans with Disabilities Act of 1990, as amended; the Rehabilitation Act of 1973, as amended; Sec. 202 of Executive Order 11246, as amended; and all requirements imposed by or pursuant to the regulations of the U.S. Department of Health and Human Services. Provider/Subcontractor shall not discriminate in the rendering of services to and/or employment of individuals because of race, gender, color, religion, sex, age, national origin, sexual orientation, gender identity, handicap, political beliefs, disabled veteran status, veteran status, or any other non-merit factor. Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to monitor, through quality-assurance audits and otherwise, Subcontractor's compliance with the nondiscrimination provisions set forth in this Kentucky Medicaid Addendum. Subcontractor must also comply with the rules and regulations prescribed by the United States Department of Labor in accordance with 41 C.F.R. Parts 60-741, and regulations of the United States Department of Labor recited in 20 C.F.R. Part 741, and Section 504 of the Federal Rehabilitation Act of 1973 (Public Law 93-112). In accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*) and its implementing regulation at 45 C.F.R. Part 80, Provider/Subcontractor must take adequate steps to ensure that persons with limited English skills receive, free of charge, the language assistance necessary to afford them meaningful and equal access to the benefits and services provided under this Agreement. Provider/Subcontractor's locations shall meet all requirements of the Americans with Disabilities Act and all State and local requirements pertaining to adequate space, supplies, sanitation, and fire and safety procedures that are applicable to health care facilities. [State Contract §§ 5.3, 5.4]

37. State Hold Harmless. Provider/Subcontractor shall indemnify, defend, save, and hold harmless the State and its officers, agents, and employees (collectively, the "State Indemnified Parties") from all claims, demands, liabilities, suits, judgments, or damages, including court costs and attorney fees made or asserted against or assessed to the State Indemnified Parties, arising out of or connected in any way with the State Contract or the performance or nonperformance by Company, by Provider/Subcontractor, or by any officers, agents, employees, suppliers, subcontractors, or providers of any of the foregoing, including without limitation any claim attributable to:

a. The improper performance of any service, or improper provision of any materials or supplies, irrespective of whether the State knew or should have known such service, supplies, or materials were improper or defective;

b. The erroneous or negligent acts or omissions, including without limitation the disregard of federal or State law or regulations, irrespective of whether the State knew or should have known of such erroneous or negligent acts;

c. The publication, translation, reproduction, delivery, collection, data processing, use, or disposition of any information to which access is obtained pursuant to the State Contract in a manner not authorized by the State Contract or by federal or State law or regulations, irrespective of whether the State knew or should have known of such publication, translation, reproduction, delivery, collection, data processing, use, or disposition; or

d. Any failure to observe federal or State law or regulations, including but not limited to insurance and labor laws, irrespective of whether the State knew or should have known of such failure.

[State Contract § 13.2]

Individual Sites Regulatory Compliance Addendum - Exhibit B-6

New Jersey Medicaid Regulatory Compliance Addendum – Subcontractor

This New Jersey Medicaid Regulatory Compliance Addendum, including the attached Attachment 1, MacBride Principles Certification Form, ("Addendum") is incorporated by reference into the Agreement. If there is any conflict between the terms of this Addendum and any other term of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum shall govern and control; provided, however, if there is any conflict between the terms of the Agreement, including this Addendum, and the State Contract, as amended, then the terms of the State Contract will govern and control.

For purposes of this Addendum, the term "Subcontractor" shall mean the party executing the Agreement, as identified on the first page of the Agreement, which may be a health care physician, provider, group, facility, hospital, individual, entity or a delegated entity. For purposes of this Addendum and the State Contract, the term "Contractor" and shall mean Company.

Notwithstanding any other provision of the Agreement, for purposes of this Addendum, "State Contract" means only the State of New Jersey Department of Human Services ("DHS"), Division of Medical Assistance and Health Services ("DMAHS") and Aetna Better Health Inc. Contract to Provide Services, entered into November 17, 2014, and as amended from time to time. "Department" refers to either DMAHS or the New Jersey Department of Banking and Insurance ("DOBI"), as applicable.

Capitalized terms not otherwise defined in the Agreement, or its attachments, shall have the meaning ascribed to them in the State Contract or under applicable law.

To the extent applicable to the services provided by Subcontractor under the Agreement, the parties agree as follows:

1. **DMAHS Mandatory Terms**

Subcontractor agrees to serve enrollees in New Jersey's managed care program and, in doing so, to comply with all of the following provisions, to the extent applicable to the services provided under the Agreement:

A. SUBJECTION OF AGREEMENT

The Agreement shall be subject to the applicable material terms and conditions of the State Contract between the Company and the State and shall also be governed by and construed in accordance with all laws, regulations and contractual obligations incumbent upon the Company.

MLTSS Any Willing Provider and Any Willing Plan. Any New Jersey-based nursing facility (NF), special care nursing facility (SCNF), assisted living provider (AL), community residential services (CRS) provider that serves residents with traumatic brain injury, or long term care pharmacy that applies to become a network provider and complies with the Company's provider network requirements shall be included in Company's provider network to

serve MLTSS Members. In addition, if Company wishes to have any New Jersey-based nursing facility (NF), special care nursing facility (SCNF), assisted living provider (AL), community residential services provider (CRS) join its network, those providers will be instructed to complete the application form. This is known as Any Willing Plan. Company must accept all NFs, SCNF, ALs, CRSs that serve residents with traumatic brain injury, and long term care pharmacies which are Medicaid providers, and network participation of these provider types cannot be denied based on the application of a subjective standard.

1. MLTSS Any Willing Provider status for NF, SCNF, AL and CRS will be for a two year period from the date that the service comes into MLTSS, dependent upon available appropriation in each Fiscal Year. For NF, SCNF, AL and CRS that would mean that Any Willing Provider status expires on June 30, 2016. Thereafter, Company may determine the continuing provider network status of these provider types based on Member utilization and access needs. The rates for NF, SCNF, AL and CRS during the Any Willing Provider period will be the higher of: (a) the rate set by the State with the possibility of an increase each fiscal year for inflation, dependent upon available appropriation and (b) the negotiated rate between the Company and the facility. This does not preclude volume-based rate negotiations and agreement between the Company and these providers.
2. The Any Willing Plan status also expires June 30, 2016.
3. Long term care pharmacy status as an Any Willing Provider shall not expire. Company shall pay long term care pharmacies the rate negotiated between the Company and the pharmacy.

Claims payment for services to MLTSS Members. Company shall process (pay or deny) claims for assisted living providers, nursing facilities, special care nursing facility, CRS providers, adult/pediatric medical day care providers, PCA and participant directed Vendor Fiscal/Employer Agent Financial management Services (VF/EA FMS) claims within the following timeframes:

1. HIPAA compliant electronically submitted clean claims shall be processed within fifteen (15) calendar days of receipt;
2. Manually submitted clean claims shall be processed within thirty (30) calendar days of receipt.

B. COMPLIANCE WITH FEDERAL AND STATE LAWS AND REGULATIONS

Subcontractor agrees that it shall carry out its obligations as herein provided in a manner prescribed under applicable federal and state laws, regulations, codes, and guidelines including New Jersey licensing board regulations, the Medicaid, NJ KidCare, and NJ FamilyCare State Plans, and in accordance with procedures and requirements as may from time to time be promulgated by the United States Department of Health and Human Services.

1. Subcontractor shall submit claims within 180 calendar days from the date of service.
2. Subcontractor shall submit corrected claims within 365 days from the date of service.
3. Subcontractor shall submit Coordination of Benefits (COB) claims within 60 days from the date of primary insurer's Explanation of Benefits (EOB) or 180 days from the dates of service, whichever is later.

C. APPROVAL OF AGREEMENT AND AMENDMENTS

Subcontractor understands that the State reserves the right in its sole discretion to review and approve or disapprove the Agreement and any amendments thereto.

If applicable and required, Company and any AWP provider shall only amend the Agreement unilaterally for statutory and regulatory changes, and upon mutual consent of the Parties with State approval.

D. EFFECTIVE DATE

The Agreement shall become effective only when the State Contract takes effect.

E. NON-RENEWAL/TERMINATION OF AGREEMENT

Subcontractor understands that the Company shall notify DMAHS at least 45 days prior to the effective date of the suspension, termination, or voluntary withdrawal of Subcontractor from participation in Company's network. If the termination was "for cause," Company's notice to DMAHS shall include the reasons for the termination. Provider resource consumption patterns shall not constitute "cause" unless Company can demonstrate it has in place a risk adjustment system that takes into account enrollee health-related differences when comparing across providers. [State Contract Section 4.9.3 B]

F. ENROLLEE-PROVIDER COMMUNICATIONS

1. Company shall not prohibit or restrict Subcontractor from engaging in medical communications with Subcontractor's patient, either explicit or implied, nor shall any provider manual, newsletters, directives, letters, verbal instructions, or any other form of communication prohibit medical communication between Subcontractor and Subcontractor's patient. Subcontractors shall be free to communicate freely with their patients about the health status of their patients, medical care, or treatment options regardless of whether benefits for that care or treatment are provided under the Agreement, if the professional is acting within the lawful scope of practice. Subcontractors shall be free to practice their respective professions in providing the most appropriate treatment required by their patients and shall provide informed consent within the guidelines of the law including possible positive and negative outcomes of the various treatment modalities.
2. Nothing in Section F.1 shall be construed:
    a. To prohibit the enforcement, including termination, as part of a subcontract or agreement to which a health care provider is a party, of any mutually agreed upon terms and conditions, including terms and conditions requiring a health care provider to participate in, and cooperate with, all programs, policies, and procedures developed or operated by Company to assure, review, or improve the quality and effective utilization of health care services (if such utilization is according to guidelines or protocols that are based on clinical or scientific evidence and the professional judgment of the provider, but only if the guidelines or protocols under such utilization do not prohibit or restrict medical communications between subcontractors and their patients; or
    b. To permit a health care provider to misrepresent the scope of benefits covered under the Agreement or to otherwise require Company to reimburse subcontractors for benefits not covered.

G. RESTRICTION ON TERMINATION OF AGREEMENT BY COMPANY

Termination of AWP providers is limited to State ordered termination as indicated in Section H below. Company shall not terminate the Agreement for either of the following reasons:

1. Because Subcontractor expresses disagreement with Company's decision to deny or limit benefits to a covered person or because Subcontractor assists the covered person to seek reconsideration of the Company's decision; or because Subcontractor discusses with a current, former, or prospective patient any aspect of the patient's medical condition, any proposed treatments or treatment alternatives, whether covered by Company or not, policy provisions of Company, or Subcontractor's personal recommendation regarding selection of a health plan based on Subcontractor's personal knowledge of the health needs of such patients.

2. Because Subcontractor engaged in medical communications, either explicit or implied, with a patient about medically necessary treatment options, or because Subcontractor practiced its profession in providing the most appropriate treatment required by its patients and provided informed consent within the guidelines of the law, including possible positive and negative outcomes of the various treatment modalities.

H. TERMINATION OF AGREEMENT – STATE

Subcontractor understands and agrees that the State may order the termination of the Agreement if it is determined that Subcontractor:

1. Takes any action or fails to prevent an action that threatens the health, safety or welfare of any enrollee, including significant marketing abuses;
2. Takes any action that threatens the fiscal integrity of the Medicaid program;
3. Has its certification suspended or revoked by DOBI, DOH, and/or any federal agency or is federally debarred or excluded from federal procurement and non-procurement contracts;
4. Becomes insolvent or falls below minimum net worth requirements;
5. Brings a proceeding voluntarily or has a proceeding brought against it involuntarily, under the Bankruptcy Act;
6. Materially breaches the Agreement; or
7. Violates state or federal law, including laws involving fraud, waste, and abuse.

I. NON-DISCRIMINATION

Subcontractor shall comply with the following requirements regarding nondiscrimination:

1. Subcontractor shall accept assignment of an enrollee and not discriminate against eligible enrollees because of race, color, creed, religion, ancestry, marital status, sexual orientation, national origin, age, sex, physical or mental handicap in accordance with Title VI of the Civil Rights Act of 1964, 42 USC Section 2000d, Section 504 of the Rehabilitation Act of 1973, 29 USC Section 794, the Americans with Disabilities Act of 1990 (ADA), 42 USC Section 12132, and rules and regulations promulgated pursuant thereto, or as otherwise provided by law or regulation.
2. ADA Compliance. Subcontractor shall comply with the requirements of the Americans with Disabilities Act (ADA). In providing health care benefits, Subcontractor shall not directly or indirectly, through contractual, licensing, or other arrangements, discriminate against Medicaid/NJ FamilyCare beneficiaries who are "qualified individuals with a disability" covered by the provisions of the ADA. Company shall supply a copy of its ADA compliance plan to Subcontractor.

   A "qualified individual with a disability" as defined pursuant to 42 U.S.C.§12131 is an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a public entity.

   Subcontractor shall submit to Company a written certification that it is conversant with the requirements of the ADA, that it is in compliance with the law, and certifies that Subcontractor meets ADA requirements to the best of Subcontractor's knowledge. Subcontractor warrants that it will hold the State harmless and indemnify the State from any liability which may be imposed upon the State as a result of any failure of Subcontractor to be in compliance with the ADA. Where applicable, Subcontractor must abide by the provisions of section 504 of the federal Rehabilitation Act of 1973, as amended, regarding access to programs and facilities by people with disabilities.
3. Subcontractor shall not discriminate against eligible persons or enrollees on the basis of their health or mental health history, health or mental health status, their need for health care services, amount payable to

Subcontractor on the basis of the eligible person's actuarial class, or pre-existing medical/health conditions.

4. Subcontractor shall comply with the Civil Rights Act of 1964 (42 USC 2000d), the regulations (45 CFR Parts 80 & 84) pursuant to that Act, and the provisions of Executive Order 11246, Equal Opportunity, dated September 24, 1965, the New Jersey anti-discrimination laws including those contained within N.J.S.A. 10: 2-1 through N.J.S.A. 10: 2-4, N.J.S.A. 10: 5-1 et seq. and N.J.S.A. 10: 5-38, and all rules and regulations issued thereunder, and any other laws, regulations, or orders which prohibit discrimination on grounds of age, race, ethnicity, mental or physical disability, sexual or affectional orientation or preference, marital status, genetic information, source of payment, sex, color, creed, religion, or national origin or ancestry. Subcontractor shall not discriminate against any employee engaged in the work required to produce the services covered by this Subcontractor contract, or against any applicant for such employment because of race, creed, color, national origin, age, ancestry, sex, marital status, religion, disability or sexual or affectional orientation or preference.

5. Scope. This nondiscrimination provision shall apply to but not be limited to the following: recruitment, hiring, employment upgrading, demotion, transfer, lay-off or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship included in PL 1975, Chapter 127.

6. Grievances. Subcontractor agrees to forward to Company copies of all grievances alleging discrimination against enrollees because of race, color, creed, sex, religion, age, national origin, ancestry, marital status, sexual or affectional orientation, physical or mental handicap for review and appropriate action within three (3) business days of receipt by Subcontractor.

J. OBLIGATION TO PROVIDE SERVICES AFTER THE PERIOD OF THE COMPANY'S INSOLVENCY AND TO HOLD ENROLLEES AND FORMER ENROLLEES HARMLESS

1. Subcontractor shall remain obligated to provide all services for the duration of the period after Company's insolvency, should insolvency occur, for which capitation payments have been made and, for any hospitalized enrollee, until the enrollee has been discharged from the inpatient facility.

2. Subcontractor agrees that under no circumstances, (including, but not limited to, nonpayment by Company or the state, insolvency of Company, or breach of agreement) will Subcontractor bill, charge, seek compensation, remuneration or reimbursement from, or have recourse against, enrollees, or persons acting on their behalf, for covered services other than provided in Section P below.

3. Subcontractor agrees that this provision shall survive the termination of the Agreement regardless of the reason for termination, including insolvency of Company, and shall be construed to be for the benefit of Company or enrollees.

4. Subcontractor agrees that this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between Subcontractor and enrollees, or persons acting on their behalf, insofar as such contrary agreement relates to liability for payment for or continuation of covered services provided under the terms and conditions of this continuation of benefits provisions.

5. Subcontractor agrees that any modification, addition, or deletion to this provision shall become effective on a date no earlier than thirty (30) days after the approval by the State.

6. Subcontractor shall comply with the prohibition against billing members contained in 42 CFR 438.106, N.J.S.A. 30:4D-6.c, and N.J.A.C. 10:74-8.7.

K. INSPECTION

1. Subcontractor shall allow the New Jersey Department of Human Services (DHS), the U.S. Department of Health and Human Services (DHHS), and other authorized State agencies, or their duly authorized representatives, to inspect or otherwise evaluate the quality, appropriateness, and timeliness of services performed under the Agreement, and to inspect, evaluate, and audit any and all books, records, and facilities maintained by Subcontractor pertaining to such services, at any time during normal business

hours (and after business hours when deemed necessary by DHS or DHHS, or MFD) at a New Jersey site designated by the State. Inspections may be unannounced for cause.

2. Subcontractor shall also permit the State, at its sole discretion, to conduct onsite inspections of facilities maintained by Subcontractor, prior to approval of their use for providing services to enrollees.

3. Books and records include, but are not limited to, all physical records originated or prepared pursuant to the performance under the Agreement, including working papers, reports, financial records and books of account, medical records, dental records, prescription files, provider contracts and subcontracts, credentialing files, and any other documentation pertaining to medical, dental, and nonmedical services to enrollees. Upon request, at any time during the period of the Agreement, Subcontractor shall furnish any such record, or copy thereof, to the Department or the Department's External Review Organization within 30 days of the request. If the Department determines, however, that there is an urgent need to obtain a record, the Department shall have the right to demand the record in less than 30 days, but no less than 24 hours.

4. The DMAHS, the MFD, or its designee, and the MFCU, shall have the right to inspect, evaluate, and audit all of the following documents in whatever form they are kept, related to the Agreement:

   a. Financial records, including but not limited to tax returns, invoices, inventories, delivery receipts, Medicaid claims;

   b. Medical records, including but not limited to medical charts, prescriptions, x-rays, treatment plans, medical administration records, records of the provision of activities of daily living, ambulance call reports;

   c. Administrative documents, including but not limited to credentialing files, appointment books, prescription log books, correspondence of any kind with Company, DMAHS, CMS, any other managed care contractor, Medicaid recipient, contracts with subcontractors, and contracts with billing service providers; and

   d. All records required to be kept to fully disclose the extent of services provided to Medicaid recipients, pursuant to NJAC 10:49-9.8(b) (1).

L. RECORD MAINTENANCE

Subcontractor shall agree to maintain all of its books and records in accordance with the general standards applicable to such book or record keeping.

M. RECORD RETENTION

Subcontractor hereby agrees to maintain an appropriate recordkeeping system for services to enrollees. Such system shall collect all pertinent information relating to the medical management of each enrolled beneficiary and make that information readily available to appropriate health professionals and the Department. Records must be retained for the later of:

1. Five (5) years from the date of service, or

2. Three (3) years after final payment is made under the Agreement and all pending matters are closed.

If an audit, investigation, litigation, or other action involving the records is started before the end of the retention period, the records shall be retained until all issues arising out of the action are resolved or until the end of the retention period, whichever is later. Records shall be made accessible at a New Jersey site and on request to agencies of the State of New Jersey and the federal government. For enrollees who are eligible through the Division of Child Protection and Permanency, records shall be kept in accordance with the provisions under N.J.S.A. 9:6-8.10a and 9:6-8:40 and consistent with need to protect the enrollee's confidentiality.

If an enrollee disenrolls from the Company, Subcontractor shall release medical records of the enrollee as may be directed by the enrollee, authorized representatives of the Department and appropriate agencies of the State of New Jersey and of the federal government. Release of records shall be consistent with the provision of confidentiality expressed in Section 1.R., Confidentiality, and at no cost to the enrollee.

N. DATA REPORTING

Subcontractor agrees to provide all necessary information to enable Company to meet its reporting requirements, including specifically with respect to encounter reporting. The encounter data shall be in a form acceptable to the State.

O. DISCLOSURE

1. Subcontractor further agrees to comply with the Prohibition On Use Of Federal Funds For Lobbying provisions of Company's agreement with the State.
2. Subcontractor shall comply with financial disclosure provision of 42 CFR 434, 1903 (m) of the S.S.A., and N.J.A.C. 10:49-19.
3. Subcontractor shall comply with the disclosure requirements concerning ownership and control, related business transactions and persons convicted of a crime pursuant to 42 CFR 455.100-106 and complete a disclosure statement which will be maintained by Company.

P. LIMITATIONS ON COLLECTION OF COST-SHARING

Subcontractor shall not impose cost-sharing charges of any kind upon Medicaid or NJ FamilyCare A and B enrollees. Personal contributions to care for NJ FamilyCare C enrollees and copayments for NJ FamilyCare D enrollees shall be collected in accordance with applicable law. Any such contributions shall be set forth in an attached schedule.

Q. INDEMNIFICATION BY SUBCONTRACTOR

1. Subcontractor agrees to indemnify and hold harmless the State, its officers, agents and employees, and the enrollees and their eligible dependents from any and all claims or losses accruing or resulting from its negligence in furnishing or supplying work, services, materials, or supplies in connection with the performance of the Agreement.
2. Subcontractor agrees to indemnify and hold harmless the State, its officers, agents, and employees, and the enrollees and their eligible dependents from liability deriving or resulting from its insolvency or inability or failure to pay or reimburse any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of the Agreement.
3. Subcontractor agrees further that it will indemnify and hold harmless the State, its officers, agents, and employees, and the enrollees and their eligible dependents from any and all claims for services for which Subcontractor receives payment.
4. Subcontractor agrees further to indemnify and hold harmless the State, its officers, agents and employees, and the enrollees and their eligible dependents, from all claims, damages, and liability, including costs and expenses, for violation of any proprietary rights, copyrights, or rights of privacy arising out of the publication, translation, reproduction, delivery, performance, use, or disposition of any data furnished to it under the Agreement, or for any libelous or otherwise unlawful matter contained in such data that Subcontractor inserts.
5. Subcontractor shall indemnify the State, its officers, agents and employees, and the enrollees and their eligible dependents from any injury, death, losses, damages, suits, liabilities judgments, costs and expenses and claim of negligence or willful acts or omissions of Subcontractor, its officers, agents, and employees arising out of alleged violation of any State or federal law or regulation. Subcontractor shall also indemnify and hold the State harmless from any claims of alleged violations of the Americans with Disabilities Act by Subcontractor.

R. CONFIDENTIALITY

1. General. Subcontractor hereby agrees and understands that all information, records, data, and data elements collected and maintained for the operation of Subcontractor and Company and Department and pertaining to enrolled persons, shall be protected from unauthorized disclosure in accordance with the provisions of 42 U.S.C. 1396(a)(7)(Section 1902(a)(7) of the Social Security Act), 42 CFR Part 431, subpart F, 45 CFR Parts 160 and 164, subparts A & E, N.J.S.A. 30:4D-7 (g) and N.J.A.C. 10:49-9.4. Access to such information, records, data and data elements shall be physically secured and safeguarded and shall be limited to those who perform their duties in accordance with provisions of the Agreement including the Department of Health and Human Services and to such others as may be authorized by DMAHS in accordance with applicable law. For enrollees covered by Company's Plan that are eligible through the Division of Youth and Family Services, records shall be kept in accordance with the provisions under N.J.S.A. 9:6-8.10a and 9:6-8:40 and consistent with the need to protect the enrollee's confidentiality.

2. Enrollee-Specific Information. With respect to any identifiable information concerning an enrollee that is obtained by Subcontractor, it: (a) shall not use any such information for any purpose other than carrying out the express terms of the Agreement; (b) shall promptly transmit to the Department all requests for disclosure of such information; (c) shall not disclose except as otherwise specifically permitted by the Agreement, any such information to any party other than the Department without the Department's prior written authorization specifying that the information is releasable under 42 CFR, Section 431.300 et seq., and (d) shall, at the expiration or termination of the Agreement, return all such information to the Department or maintain such information according to written procedures sent by the Department for this purpose.

3. Employees. Subcontractor shall instruct its employees to keep confidential information concerning the business of the State, its financial affairs, its relations with its enrollees and its employees, as well as any other information which may be specifically classified as confidential by law.

4. Medical Records and management information data concerning enrollees shall be confidential and shall be disclosed to other persons within Subcontractor's organization only as necessary to provide medical care and quality, peer, or grievance review of medical care under the terms of the Agreement.

5. The provisions of this Section R shall survive the termination of the Agreement and shall bind Subcontractor so long as Subcontractor maintains any individually identifiable information relating to Medicaid/NJ FamilyCare beneficiaries.

6. Notification in Case of Breach. Should there be a breach of confidentiality with respect to the data, information or records described in this section, Subcontractor is responsible for complying, at a minimum, with the following statues and regulations: (1) Section 13402 of the Health Information Technology for Economic and Clinical Health (HITECH) Act, part of the American Recovery and Reinvestment Act of 2009 (ARRA) (Pub. L. 111-5), 42 U.S.C. 17932 et. seq. and the implementing regulations at 45 CFR Part 164, subpart D; and (2) the Identity Theft Prevention Act, N.J.S.A. 56:11-44 et. seq.

S. CLINICAL LABORATORY IMPROVEMENT

Subcontractor shall ensure that all laboratory testing sites providing services under the Agreement have either a Clinical Laboratory Improvement Amendment (CLIA) certificate of waiver or a certificate of registration along with a CLIA identification number. Those laboratory service providers with a certificate of waiver shall provide only those tests permitted under the terms of their waiver. Laboratories with certificates of registration may perform a full range of laboratory tests.

T. FRAUD, WASTE, AND ABUSE

1. Subcontractor agrees to assist Company as necessary in meeting its obligations under its contract with the State to identify, investigate, and take appropriate corrective action against fraud, waste, and/or abuse (as defined in 42 CFR 455.2) in the provision of health care services.

2. If the State has withheld payment and/or initiated a recovery action against Subcontractor, or withheld payments pursuant to 42 CFR 455.23 and NJAC 10:49-9.10(a), Company shall have the right to withhold payments from Subcontractor and/or forward those payments to the State.

3. Company and its providers, and subcontractors, whether or not they are enrolled Medicaid providers, shall cooperate fully with state and federal oversight and prosecutorial agencies, including but not limited to, DMAHS, MFD, DOH, MFCU, HHS-OIG, FBI, DEA, FDA, and the U.S. Attorney's Office. Company shall include language in its contracts with its providers and subcontractors, requiring cooperation, and stating that a failure to cooperate shall be grounds for termination of Company's Agreement with provider or subcontractor. Such cooperation shall include providing access to all necessary recipient information, medical and clinical information, correspondence, documents, computer files, and appropriate staff.

4. MFD shall have the right to recover directly from providers and enrollees in the Company's network for the audits and investigations MFD solely conducts. Such money that MFD recovers directly shall not be shared with Company, but reported to DMAHS in the format that the Company reports its recoveries to DMAHS. In addition, as a part of its recovery process, MFD shall have the right to request the Company to withhold payment to a provider in its network as a result of an MFD audit or investigation of managed care claims. Money withheld from a provider by Company shall be sent to MFD from Company and reported to DMAHS in the format that Company reports its recoveries to DMAHS.

5. Company shall have the right to recover directly from providers, subcontractors and enrollees in Company's network for the audits and investigations the Company solely conducts.

U. THIRD PARTY LIABILITY

1. Subcontractor shall utilize, whenever available, and report any other public or private third party sources of payment for services rendered to enrollees.

2. Except as provided in subsection 3. below, if Subcontractor is aware of third party coverage, it shall submit its claim first to the appropriate third party before submitting a claim to Company.

3. In the following situations, Subcontractor may bill Company first and then coordinate with the liable third party, unless Company has received prior approval from the State to take other action.

    a. The coverage is derived from a parent whose obligation to pay support is being enforced by the Department of Human Services.

    b. The claim is for prenatal care for a pregnant woman or for preventive pediatric services (including EPSDT services) that are covered by the Medicaid program.

    c. The claim is for labor, delivery, and post-partum care and does not involve hospital costs associated with the inpatient hospital stay.

    d. The claim is for a child who is in a DCP&P supported out of home placement.

    e. The claim involves coverage or services mentioned in 3.a, 3.b, 3.c, or 3.d, above in combination with another service.

4. If Subcontractor knows that the third party will neither pay for nor provide the covered service, and the service is medically necessary, Subcontractor may bill Company without having received a written denial from the third party.

5. Sharing of Third Party Liability (TPL) Information by Subcontractor.

    a. Subcontractor shall notify the Company within thirty (30) days after it learns that an enrollee has health insurance coverage not reflected in the health insurance provided by Company, or casualty insurance coverage, or of any change in an enrollee's health insurance coverage.

    b. When Subcontractor becomes aware that an enrollee has retained counsel, who either may institute or has instituted a legal cause of action for damages against a third party, Subcontractor shall notify

Company in writing, including the enrollee's name and Medicaid identification number, date of accident/incident, nature of injury, name and address of enrollee's legal representative, copies of pleadings, and any other documents related to the action in Subcontractor's possession or control. This shall include, but not be limited to (for each service date on or subsequent to the date of the accident/incident), the enrollee's diagnosis and the nature of the service provided to the enrollee.

c. Subcontractor shall notify Company on no less than a weekly basis when it becomes aware of the death of one of its Medicaid enrollees age 55 or older, utilizing the "Combined Notification of Death and Estate Referral Form" located in subsection B.5.1 of the Appendix of the State Contract, as it may be amended from time to time.

d. Subcontractor agrees to cooperate with Company's and the State's efforts to maximize the collection of third party payments by providing to Company updates to the information required by this Section.

V. ENROLLEE PROTECTIONS AGAINST LIABILITY FOR PAYMENT

1. As a general rule, if a participating or non-participating provider renders a covered service to a managed care enrollee, the provider's or subcontractor's sole recourse for payment, other than collection of any authorized cost-sharing, patient payment liability and /or third party liability, is Company, not the enrollee. A provider may not seek payment from, and may not institute or cause the initiation of collection proceedings or litigation against, an enrollee, an enrollee's family member, any legal representative of the enrollee, or anyone else acting on the enrollee's behalf unless subsections (a) through and including (f) or subsection (g) below apply:

   a. (1) The service is not a covered service; or (2) the service is determined to be medically unnecessary before it is rendered; or (3) the provider does not participate in the program either generally or for that service; and

   b. The enrollee is informed in writing before the service is rendered that one or more of the conditions listed in subsection (a) above exist, and voluntarily agrees in writing before the service is rendered to pay for all or part of the provider's charges; and

   c. The service is not an emergency or related service covered by the provisions of 42 USC 1396u-2(b)(2)(A)(i), 42 CFR 438.114, N.J.S.A. 30:4D-6i or N.J.S.A. 30:4J-4.1 (as both of these provisions may be amended by State Appropriations Act language in effect at the time the service is rendered, as set forth in Section and/or NJAC 10:74-9.1 and 4.2.1D.2 of the contract), or NJAC 10:74-9.1; and

   d. The service is not a trauma service covered by the provisions of NJAC 11:24-6.3(a)3.i; and

   e. The protections afforded to enrollees under 42 USC 1395w-4(g)(3)(A), 42 USC 1395cc(a)(1)(A), 42 USC 1396a(n)(3), 42 USC 1396u-2(b)(6), 42 CFR 438.106, NJAC 11:24-9.1(d)9, and/or NJAC 11:24-15.2(b)7.ii do not apply; and

   f. The provider has received no program payments from either DMAHS or Company for the service; or

   g. The enrollee has been paid for the service by a health insurance company or other third party (as defined in NJSA 30:4D-3.m), and the enrollee has failed or refused to remit to the provider that portion of the third party's payment to which the provider is entitled by law.

2. Notwithstanding any provision in this contract to the contrary, an enrollee shall not be responsible for the cost of care, except for any authorized cost-sharing, under the following circumstances:

   a. The services are provided in association with an emergency department visit or inpatient stay at a participating network hospital, whether or not the servicing provider(s) or the admitting physician is a participating provider in Company's network; or

   b. The enrollee obtains a referral/authorization for services by, and schedules an appointment with, a participating specialist, but a non-participating specialist affiliated with the same practice as the participating specialist renders the services because the participating specialist is not available.

2. **Miscellaneous DMAHS Terms Required by Law or State Contract**

A. DEFINITIONS. The definition of "Clean Claim" in the Agreement is stricken and replaced with:

"A claim by Provider where 1) the claim is for a service or supply covered by the Member's Plan; 2) the claim is submitted with all the information requested by Company or in other instructions; 3) the person to whom the service or supply was provided was a Member on the date of service; 4) Company does not reasonably believe that the claim has been submitted fraudulently; and 5) the claim does not require special treatment. For the purposes of this definition, special treatment means that unusual claim processing is required to determine whether a service or supply is covered, such as claims involving experimental treatments or newly approved medications. In order to accept a claim, the information requested by Company is specified in its Policies, which include the requirements that a claim have (i) detailed and descriptive medical and patient data, (ii) a corresponding referral (whether in paper or electronic format), if required for the applicable claim, and (iii) whether submitted via an electronic transaction using permitted standard code sets (e.g., CPT-4, ICD-9, HCPCS) as required by the applicable Federal or state regulatory authority (e.g., U.S. Dept. of Health & Human Services, U.S. Dept. of Labor, state law or regulation) or otherwise, all the data elements of the UB-04 or CMS-1500 (or successor standard) forms (including but not limited to Member identification number, national provider identifier ("NPI"), date(s) of service, complete and accurate breakdown of services). Further information on the type of information and documentation that must be submitted with a claim, including a standard claim form and any other claim submission requirements utilized by the carrier for both manually and electronically submitted claims, and a street address where claim submissions can be delivered by hand or registered/certified mail, is available in Company's Policies and/or its website."

B. Insurance. To the extent applicable, Subcontractor must obtain appropriate insurance coverage, including professional malpractice insurance, comprehensive general liability insurance, and automobile liability insurance. The minimum coverage for malpractice insurance shall be $1,000,000 per incident/$3,000,000 aggregate. Subcontractor agrees that any insurance obtained by Subcontractor shall not limit Subcontractor's indemnification of the State and enrollees.

C. Cooperation. Subcontractor must cooperate and participate in Company's quality management and utilization management system, including credentialing/recredentialing; appointment standards; and enrollee and provider complaint and grievance system.

D. Equality of Access. To the extent applicable, Subcontractor shall provide the same level of medical care and health service to DMAHS enrollees as it does to enrollees under private or group contracts.

E. Monitoring.

1. Monitoring by Company. The responsibilities performed by Subcontractor are monitored on an ongoing basis and Company is ultimately responsible to the HHS for the performance of all services. Company is responsible for ensuring that the performance of Subcontractor is consistent with the State Contract. Company has the right to revoke the Agreement if Subcontractor does not perform satisfactorily, subject to the termination provisions herein.

2. Monitoring/Enforcement by State. HHS may require Company to terminate the Agreement if performance is not consistent with the State Contract.

F. Severability. Any determination that any provision of the Agreement or any application thereof is invalid, illegal or unenforceable in any respect in any instance shall not affect the validity, legality and enforceability of such provision in any other instance, or the validity, legality or enforceability of any other provision of the Agreement. Neither Party shall assert or claim that the Agreement or any provision hereof is void or voidable if such part performs under the Agreement without prompt and timely written objection.

G. MacBride Principles Certification Form. Subcontractor must execute the MacBride Principles Certification Form included in Attachment 1.

3. **New Jersey Department of Banking and Insurance (DOBI) Required Terms**. The following terms and conditions apply only to the Agreement if it relates to the provision of health care services or supplies by Subcontractor. These terms are not applicable if the Agreement pertains to purely administrative services provided by Subcontractor on behalf of Company. Subcontractor agrees that all contracts that Subcontractor has with providers in accordance with the terms of the Agreement shall specifically refer to and contain all of the provisions set forth in NJAC 11:24-15 and require that its providers comply with all of the terms and conditions set forth therein.

   A. **Licensure/Certification.** Subcontractor shall maintain appropriate licensure and certifications required in order to perform its obligations under the Agreement.

   B. **No Violation of Law.** The Agreement shall not be interpreted to impose obligations or responsibilities upon Subcontractor which require Subcontractor to violate the statutes or rules governing licensure of Subcontractor if Subcontractor is to comply with the terms of the Agreement.

   C. **Notice of Termination.** To the extent applicable, if the Agreement between Company and Subcontractor is terminated by Company on any date other than the designated renewal date unless termination was made by mutual agreement of the Parties, Company shall give Subcontractor at least ninety (90) days prior written notice of the termination and the opportunity to request a hearing in all instances except when the termination is based upon non-renewal of the Agreement, a determination of fraud, breach of contract by Subcontractor, sanctions by a state or federal agency, or the opinion of Company's medical director that Subcontractor represents an imminent danger to a Member or the public health, safety and welfare. The notice of termination shall specify: (a) that Subcontractor may request in writing from Company, within fifteen (15) days of receipt of the notice, a written reason for the termination unless such reason is already stated in the notice, (b) that Subcontractor may request a hearing, and; (c) the procedures for exercising Subcontractor's right to a hearing. Subcontractor's participation in the hearing process shall not be deemed an abrogation of Subcontractor's legal rights. No termination, expiration, change, amendment, alteration, modification, assignment, delegation or waiver shall be effective unless such termination, expiration, change, amendment, alteration, modification, assignment, delegation or waiver is filed with the New Jersey Department Banking and Insurance at least thirty (30) days prior to the proposed effective date.

   D. **Pricing Following Termination.** To the extent applicable, Subcontractor shall continue to provide services to members at the contract price following termination of the Agreement, in accordance with N.J.A.C. 11:24-3.5.

   E. **Secondary Contractors.** To the extent Subcontractor is or acts as a secondary contractor (as defined in Section 11:24-1.2 of the New Jersey Administrative Code), Company is a third party beneficiary of the secondary contractor's contract(s) with the health care providers, and Subcontractor's contract(s) with health care providers shall provide that Company shall have privity of contract with the health care providers such that Company shall have standing to enforce Subcontractor's contract(s) with the health care providers in the absence of enforcement by Subcontractor. All Subcontractor's agreements with health care providers shall be consistent with laws regarding confidentiality of information and with professional licensing standards, including, but not limited to, New Jersey Statutes Sections 45:14B-31 et seq. and 11:24-15.2(b-e) of the New Jersey Administrative Code. Such contracts shall include a provision whereby the provider is required to hold Members harmless for the cost of any service or supply covered by Company, subject to Section 11:24-15.2(b)(7)(i & ii), whether or not the provider believes the compensation received is adequate. Company reserves the right to enter into separate contracts directly with such health care providers, as set out in NJAC 11:24-15.2(g).

      Notwithstanding the foregoing sentence, the rights of Company as a third party beneficiary and of privity of contract with respect to Subcontractor's contracts with heath care providers in no way limit Subcontractor's obligations to enforce the terms of such contracts nor shall such rights be construed in any way to impose an obligation on Company to enforce such contracts.

4. **Pharmacy Subcontracts**

A. If the Agreement is for the provision of pharmacy services or supplies by Subcontractor than the Agreement must comply with N.J. Stat. 26:2J-4.7 and all the terms and conditions of the Agreement are subject to the provisions set forth in N.J.A.C. 11:24-18.

B. All services or other activity performed by downstream entity in connection with each Medicare Part D Plan shall be consistent and comply with each Medicare Part D Plan's CMS Contract. 42 CFR 423.505(i)(3)(iii).

C. All contracts related to Medicare Part D services and activities shall describe the payment the downstream entity will receive for performance under the contract, if applicable.

D. All contracts related to Medicare Part D services and activities shall be for a term of at least the initial one-year contract period (i.e., January 1 through December 31), or such longer time period required by CMS. Where the contract is for services or products to be used in preparation for the next contract year's Part D operations (e.g., marketing, enrollment), the initial term of such contract shall include this period of performance (e.g., contracts for enrollment-related services shall have a term beginning no later than October 15 extending through the full contract year ending on December 31 of the next year). The Parties acknowledge that this contract is for a term of the longer of: (i) one year, and (ii) the first year of Part D Operations of the Medicare Part D Plan.

E. All contracts related to Part D services and activities shall be signed by a representative of each Party with legal authority to bind the entity.

F. Downstream entity shall comply with and abide by all applicable Federal and State laws, regulations, and CMS instructions. 42 CFR 423.505(i)(4)(iv).

G. Downstream entity agrees to comply with and abide by State and Federal privacy and security requirements, including the confidentiality and security provisions stated in the regulations at 42 CFR 423.136.

H. Downstream entity shall make its books and other records available in accordance with 42 CFR 423.505(e)(2) and 42 CFR 423.505(i)(2). In this regard, HHS, the Comptroller General, and their designees shall have the right to audit, evaluate, and inspect any books, contracts, records, including medical records and documentation involving transactions related to Plans' CMS Contracts and these rights continue for a period of 10 years from the final date of the contract period or from the date of completion of any audit, whichever is later. HHS, the Comptroller General, and their designees shall have direct access (e.g., on site access) to the downstream entity, and the downstream entity will make such books and records directly available to HHS, the Comptroller General, or their designee for such inspection, evaluation, and audit. 42 CFR 423.505(e)(2) and (i)(2).

I. Downstream entity shall not hold Members liable for payment of any fees that are the responsibility of Plans, Subcontractor, or any downstream entity. 42 CFR 423.505(i)(3)(i).

J. Downstream entity shall provide directly to CMS or its designees any books, contracts, records, including medical records and documentation relating to the Part D program. 42 CFR 423.505(i)(3)(iv).

K. In the event CMS or Plans determine that a downstream entity has not performed satisfactorily under the Agreement, CMS and/or the Plans may revoke (if applicable, subject to the default provisions agreed to therein) the delegated activities and responsibilities of the downstream entity. 42 CFR 423.505(i)(4)(ii).

L. Plans will establish and maintain ongoing monitoring and oversight of all aspects of the downstream entity's performance of its obligations in connection with the Medicare Part D Plan. 42 CFR 423.505 (i)(4)(iii).

M. To the extent downstream entity establishes the pharmacy network or selects pharmacies to be included in the network, downstream entity agrees each Plan has the right to approve, suspend, or terminate any arrangement with a participating pharmacy. 42 CFR 423.505(i)(5).

N. To the extent downstream entity establishes the pharmacy network or selects pharmacies to be included in the network, downstream entity shall issue, mail, or otherwise transmit payment with respect to all clean Part D claims submitted by or on behalf of pharmacies (other than pharmacies that dispense drugs by mail order only or are located in, or contract with, a long-term care facility) within fourteen (14) days of receipt of an electronically submitted claim or within thirty (30) days of receipt of a claim submitted otherwise. 42 CFR 423.505(i)(3)(vi) and 42 CFR 423.520.

O. To the extent downstream entity establishes the pharmacy network or selects pharmacies to be included in the network, downstream entity shall utilize Medi-Span as the source for the prescription drug pricing standard of reimbursement (i.e., AWP pricing). 42 CFR 423.505(b)(21) and 423.505(i)(3)(viii)(B).

P. To the extent downstream entity establishes the pharmacy network or selects pharmacies to be included in the network, downstream entity shall update the prescription drug pricing standard of reimbursement (i.e., AWP pricing) in the online claims adjudication system no less frequently than once every seven (7) days (beginning with an initial update on January 1 of each year) to accurately reflect the market price of acquiring the drug as reflected by Medi-Span. 42 CFR 423.505(b)(21) and 423.505(i)(3)(viii)(A).

Q. To the extent downstream entity establishes the pharmacy network or selects pharmacies to be included in the network, downstream entity shall require participating pharmacies to submit claims to Plan or its designated downstream entity whenever the Member identification card is presented or on file at the participating pharmacy unless the Member expressly requests that a particular claim not be submitted. 42 CFR 423.120(c)(3).

R. To the extent downstream entity adjudicates and processes claims at the point of sale and/or negotiates with prescription drug manufacturers and others for rebates, discounts, or other price concessions on prescription drugs, downstream entity shall comply with the reporting requirements established in 42 CFR 423.514(d) and (e).

S. Claims data and information provided in connection with the Agreement is used for purposes of obtaining Federal funds. Downstream entity agrees that it is bound by 2 CFR Part 376 and represents and warrants that it is not excluded by the DHHS, OIG, or by the General Services Administration.

T. In accordance with 42 CFR 423.505(k)(3), downstream entity must certify (based on best knowledge, information, and belief) the accuracy, completeness, and truthfulness of the Claims data related to payment.

U. In accordance with 42 CFR 423.505(i)(1) and 42 CFR 423.562(a)(4), notwithstanding anything to the contrary agreed to by the Parties, Medicare Part D Plans maintain ultimate responsibility for adhering to and otherwise fully complying with all terms and conditions of their CMS Contracts and for ensuring that downstream entities satisfy their obligations under their respective Medicare Part D Plans.

V. In accordance with 42 CFR 423.505(d), downstream entity agrees to maintain for ten (10) years, books, records, and documents related to the performance of its obligations with respect to Plans' Medicare Part D Plans.

W. At the time of hire and on an annual basis thereafter, downstream entity shall have all individuals involved in the provision of services hereunder participate in fraud, waste, and abuse training in accordance with 42 C.F.R. Section 423.504(b)(vi). Downstream entity will provide a copy of such training materials and proof that the training has been completed upon request of a Plan.

X. Downstream entity shall have effective lines of communication related to detecting, correcting, and preventing fraud, waste, and abuse in accordance with 42 C.F.R. Section 423.504(b)(vi).

Y. In the event downstream entity has offshore contractor arrangements involving the receipt, processing, transfer, handling, storage, or access to Member PHI, downstream entity shall provide such information as is required in order for Plans to update such information in the HPMS Offshore Subcontracting module in accordance with CMS requirements.

ATTACHMENT 1
MACBRIDE PRINCIPLES CERTIFICATION FORM

COMPLETE THIS CERTIFICATION IN COMPLIANCE WITH MACBRIDE PRINCIPLES AND NORTHERN IRELAND ACT OF 1989

Pursuant to Public Law 1995, c.134, a contractor must complete the certification below by checking one of the two representations listed and signing where indicated.

I certify, pursuant to N.J.S.A. 52:34-12.2 that the entity for which I am authorized to contract:

____ has no ongoing business activities in Northern Ireland and does not maintain a physical presence therein through the operation of offices, plants, factories, or similar facilities, either directly or indirectly, through intermediaries, subsidiaries or affiliated companies over which it maintains effective control; or

____ will take lawful steps in good faith to conduct any business operations it has in Northern Ireland in accordance with the MacBride principles of nondiscrimination in employment as set forth in N.J.S.A. 52:18A-89.5 and in conformance with the United Kingdom's Fair Employment (Northern Ireland) Act of 1989, and permit independent monitoring of their compliance with those principles.

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

PENNSYLVANIA REGULATORY COMPLIANCE ADDENDUM (SUBCONTRACTOR)

This Pennsylvania Regulatory Compliance Addendum is incorporated by reference in the Agreement. It is intended to supplement the requirements set forth in the Agreement. If there is any conflict between the express terms of this Addendum and the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum shall govern and control; provided, however, that if there is any conflict between the express terms of the Agreement, including this Addendum, and the applicable State Contract, then the terms of the applicable State Contract will govern and control.

For purposes of this Addendum, the term "Subcontractor" shall mean an entity that contracts with Company to perform part of the Company's responsibilities under the applicable State Contract. In the event that any provision of this Addendum is construed under the applicable State Contract and in accordance with applicable laws and regulations as inapplicable to Subcontractor, then such provision shall not apply.

Company and Subcontractor agree to abide by all applicable provisions of the applicable State Contract with the Pennsylvania Department of Human Services. Subcontractor compliance with the applicable State Contract specifically includes, but is not limited to, the requirements contained herein. Notwithstanding anything in Section 9.1 of the Agreement ("Amendments"), if any provision of a State Contract is amended to reflect a change in federal, state, or local laws, regulations, or program requirements, then the provisions of this Addendum that correspond to such amended provisions of the State Contract shall also be deemed automatically amended, without further action by any party. Furthermore, the Subcontractor agrees to perform its obligations under the Agreement in full compliance with all forthcoming and applicable statutes, regulations, program requirements and other guidance issued by the Pennsylvania Department of Human Services and/or the Pennsylvania Insurance Department.

1.0 DEFINITIONS

All capitalized terms in this Addendum shall have the meaning set forth in the Agreement unless otherwise defined herein, in which case the definitions contained in this Addendum shall control. Capitalized terms not defined herein or in the Agreement shall have the definition set forth in the applicable State Contract.

1.1 Department. Pennsylvania Department of Human Services. (*HealthChoices Agreement Section II; Community HealthChoices Agreement Section II.*)

1.2 Encounter Data. A record of any covered health care service provided to a Member in the HealthChoices Program and includes Encounters reimbursed through Capitation, Fee-for-Service, or other methods of compensation regardless of whether payment is due or made. (*HealthChoices Agreement Section II; Community HealthChoices Agreement Section II.*)

1.3 HealthChoices Program. The Pennsylvania 1915(b) waiver program to provide mandatory managed health care to Recipients. (*HealthChoices Agreement Section II.*)

2.0 REQUIREMENTS FOR PENNSYLVANIA HEALTHCHOICES

The provisions of this Section 2 apply to any Agreement that relates to a State Contract that is a HealthChoices Agreement.

2.1 Definitions. For the purposes of this Section 2, the following definition shall apply:

a. Medically Necessary or Medical Necessity. A service or benefit is Medically Necessary if it is compensable under the Medical Assistance Program and if it meets any one of the following standards:

i. The service or benefit will, or is reasonably expected to, prevent the onset of an illness, condition or disability.

ii. The service or benefit will, or is reasonably expected to, reduce or ameliorate the physical, mental or developmental effects of an illness, condition, injury or disability.

iii. The service or benefit will assist the Member to achieve or maintain maximum functional capacity in performing daily activities, taking into account both the functional capacity of the Member and those functional capacities that are appropriate for Members of the same age.

(*HealthChoices Agreement Section II; Community HealthChoices Agreement Section II.*)

2.2 Compliance.

a. *Applicable Law.* Subcontractor shall comply with all applicable federal and state laws and the State Contract. Without limiting the foregoing, Subcontractor shall meet the applicable requirements of 42 C.F.R. Subsection 434.6. Subcontractor shall take such actions as are necessary to permit Company to comply with the Fraud, Waste, and Abuse Requirements of the State Contract. (*HealthChoices Agreement Section XIII(A)(2); HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement Section V(X)(2); HealthChoices Agreement Section V(O)(6)(o); Community HealthChoices Agreement Section XIII(A)(2); Community HealthChoices Agreement, Exhibit V; Community HealthChoices Agreement Section V(X)(4)(o).*)

b. *Derivation of Funds.* Subcontractor recognizes that payments made to Subcontractor are derived from federal and state funds. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

c. *False Claims or Statements.* Subcontractor acknowledges that it may be subject to sanctions in connection with violations of federal and state laws and regulations related to the Agreement, the services provided hereunder, and the submission of false claims and statements. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

d. *Nonperformance, Misrepresentation, Fraud, or Abuse.* To the extent Subcontractor renders services to Members, Subcontractor shall be held civilly and/or criminally liable to both Company and the Department, in the event of nonperformance, misrepresentation, fraud, or abuse. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

e. *Prohibition against Gag Clauses.* To the extent Subcontractor provides medical services to Members, Subcontractor is prohibited from consenting to gag clauses which limit Subcontractor's disclosure of medically necessary or appropriate health care information or alternate therapies to Members, other healthcare professionals, or the Department. The State Contract further prohibits gag clauses which limit employees' disclosure of information pertaining to the HealthChoices Program. (*HealthChoices Agreement Section XIII(A)(3); HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement Section XII(A)(3); Community HealthChoices Agreement, Exhibit V.*)

f. *Sanctions.* The specific activities and report responsibilities delegated to Subcontractor are set forth in the Agreement. Company may revoke delegation or impose sanctions if Subcontractor's performance is inadequate. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

2.3 Member Complaint, Grievance, and Fair Hearing Process. Subcontractor shall comply with the Member Complaint, Grievance, and Fair Hearing Process. This includes reporting requirements established by Company. There must be no delegation of the Complaint, Grievance and Fair Hearing process to a subcontractor without prior written approval of Company. (*HealthChoices Agreement Section V(I)(1); Community HealthChoices Agreement Section V(R)(1).*)

2.4 Quality Management / Utilization Management. Subcontractor shall cooperate with Quality Management / Utilization Management Program requirements. To the extent that Subcontractor conducts Utilization Management activities, compensation and payments to Subcontractor may not be structured so as to provide incentives for the individual or entity to deny, limit, or discontinue Medically Necessary services to any Member, and Subcontractor shall process each request for benefits in compliance with Company's prior authorization policies and procedures, as approved by the Department. (*HealthChoices Agreement, Exhibit II; HealthChoices Agreement Section V(T)(6); HealthChoices Agreement Section XIII(A)(7); Community HealthChoices Agreement, Exhibit V; Community HealthChoices Agreement Section V(CC)(8); Community HealthChoices Agreement Section XII(A)(7).*)

2.5 Performance Deficiencies. Company shall monitor Subcontractor's performance on an on-going basis and subject it to formal review according to a periodic schedule established by the Department, consistent with industry standards or State laws and regulations. If Company identifies deficiencies or areas needing improvement, Subcontractor shall take corrective action. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

2.6 Confidential Information. Subcontractor shall implement mechanisms that guard against unauthorized or inadvertent disclosure of confidential information to persons outside the Company. Subcontractor shall comply with applicable federal and state laws regarding confidentiality of medical records. The federal and state laws with regard to confidentiality of medical records include, but are not limited to: Mental Health Procedures Act, 50 P.S. 7101 et seq.; Confidentiality of HIV-Related Information Act, 35 P.S. 7601 et seq.; 45 C.F.R. Parts 160 and 164 (Standards for Privacy of Individually Identifiable Health Information); and the Pennsylvania Drug and Alcohol Abuse Control Act, 71 P.S. 1690.101 et seq., 42 U.S.C. § 1396a(a)(7); 62 P.S. 404; 55 Pa. Code 105.1 et seq.; and 42 C.F.R. 431 et seq. Subcontractor shall not use or disclose any information about a Member or the services to be provided under the Agreement for any purpose not connected with the responsibilities set forth in the Agreement except with the written consent of such Member, Member's attorney, or Member's parent or legal guardian. (*HealthChoices Agreement Sections V(T)(8) and XIV(A); HealthChoices Agreement at DHS Addendum to Standard Contract Terms and Conditions, Section B; Community HealthChoices Agreement at DHS Addendum to Standard Contract Terms and Conditions, Section B; Community HealthChoices Agreement Section V(CC)(10).*)

2.7 Records.

a. *Books and Records.* Subcontractor shall maintain books and records relating to the HealthChoices Program services and expenditures, including reports to the Department and source information used in preparation of these reports. These records include but are not limited to financial statements, records relating to quality of care, medical records and prescription files. Subcontractor shall comply with all standards for practice and medical records keeping specified by the Commonwealth of Pennsylvania (Commonwealth). (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

b. *Financial Books and Records.* Subcontractor(s) shall maintain books, records, documents and other evidence pertaining to all revenues, expenditures and other financial activity pursuant to the Agreement as well as to all required programmatic activity and data pursuant to the Agreement. Records other than medical records may be kept in an original paper state or preserved on micro media or electronic format. Medical records shall be maintained in a format acceptable by the Department. These books, records, documents and other evidence shall be available for review, audit or evaluation by authorized Commonwealth personnel or their representatives during the contract

period and five years thereafter, except if an audit is in progress or audit findings are yet unresolved, in which case, records shall be kept until all tasks are completed. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

c. *Record Retention Period.* Subcontractor shall retain all records for a period of five (5) years beyond expiration or termination of the Agreement, except that Subcontractor shall retain the source records for its data reports for a minimum of seven (7) years and must have written policies and procedures for storing this information. (*HealthChoices Agreement Section V(O)(5); HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit D at paragraph (15); Community HealthChoices Agreement Section V(X)(3); Community HealthChoices Agreement, Exhibit V.*)

d. *Access to Records.* Subcontractor shall permit the Department ready access to any and all documents and records of transactions pertaining to the provision of services to Medical Assistance consumers. (*HealthChoices Agreement Section XIII(A)(4); HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement Section XIII(A)(4); Community HealthChoices Agreement, Exhibit V.*)

e. *Audits.* Subcontractor shall, at its own expense, make all records available for audit, review, or evaluation by the Commonwealth, its designated representatives or federal agencies. Access shall be provided either on-site, during normal business hours or through the mail. During the contract and record retention period, these records shall be available at the Company's chosen location, subject to approval of the Commonwealth. Subcontractor must fully cooperate with any and all reviews and/or audits by state or federal agencies or their agents, such as the Independent Assessment Contractor, by assuring that appropriate employees and involved parties are available for interviews relating to reviews or audits. All records to be sent by mail shall be sent to the requesting entity in the form of accurate, legible paper copies, unless otherwise indicated, within fifteen (15) calendar days of such request and at no expense to the requesting entity. Such requests made by the Commonwealth shall not be unreasonable. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

2.8 Marketing and Outreach Materials. Subcontractor shall be prohibited from distributing directly or through any agent or independent contractor, outreach materials without advance written approval of Company. Outreach materials include pamphlets and brochures which can be used by an Enrollment Assistance Program contractor to assist Recipients of Medical Assistance benefits in choosing a PH-MCO and PCP. (*HealthChoices Agreement Section V(F)(2).*)

2.9 Data Reporting.

a. *Timeliness.* To the extent Subcontractor provides medical services and receives reimbursement from Company either directly or through capitation, Subcontractor shall timely report to Company data for all services. Penalties and sanctions will be imposed for failure to comply. The data is to be included in the utilization and encounter data provided to the Department in the format required. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

b. *Encounter Data.* Subcontractor shall cooperate with the submission of all Encounter Data for all services provided pursuant to the Agreement, no matter whether reimbursement for these services is made by Company either directly or indirectly through capitation. (*HealthChoices Agreement Section XIII(A)(1); Community HealthChoices Agreement Section XII(A)(1).*)

c. *Change in Service or Coverage.* Subcontractor shall provide prompt written notification to Company of a denial, partial approval, reduction, or termination of service or coverage, or a change in the level of care. (*HealthChoices Agreement Section XIII(A); Community HealthChoices Agreement Section XII(A).*)

2.10 Network Composition. To the extent applicable, Subcontractor shall adhere to the standards for Network composition and adequacy. (*HealthChoices Agreement Section XIII(A)(6); Community HealthChoices Agreement Section XII(A)(6).*)

2.11 Information Systems. Subcontractors must meet the same Management Information Systems requirements as Company. Company shall provide its subcontractors with the appropriate files and information to meet this requirement (i.e., the daily eligibility file, provider files, etc.). To the extent Subcontractor provides information

systems services, Subcontractor shall prepare a transition plan in the event that Company terminates the Agreement or enters into a subcontract with a different entity. This transition plan must include information on how the data shall be converted and made available to the new subcontractor. The data must include all historical claims and service data. (*HealthChoices Agreement Section V(O)(7)(o); HealthChoices Agreement Section XIII(A)(8); Community HealthChoices Agreement Section V(X)(5)(p).*)

2.12 Third Party Resources. To the extent Subcontractor provides medical services to Members, Subcontractor shall report to Company all new third party resources identified through the provision of medical services, which previously did not appear on the Department's recipient information files. (*HealthChoices Agreement Section VII(E)(13); HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement Section VII(F)(5); Community HealthChoices Agreement, Exhibit V.*)

2.13 Hold Harmless. Subcontractor agrees to hold harmless the Commonwealth, all Commonwealth officers and employees and all Members in the event of nonpayment by Company to Subcontractor. Subcontractor shall further indemnify and hold harmless the Commonwealth and their agents, officers and employees against all injuries, death, losses, damages, claims, suits, liabilities, judgments, costs and expenses which may in any manner accrue against the Commonwealth or their agents, officers or employees, through the intentional conduct, negligence or omission of Subcontractor, its agents, officers, employees or Company. (*HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.*)

3.0 REQUIREMENTS FOR CHILDREN'S HEALTH INSURANCE PROGRAM

The provisions of this Section 3 apply to any Agreement that relates to a State Contract that is an agreement for the Pennsylvania Children's Health Insurance Program.

3.1 Definitions. For the purposes of this Section 3, the following definition shall apply:

a. Medically Necessary. A service or benefit that:
   i. Is reasonably expected to prevent the onset of an illness, condition or disability.
   ii. Is reasonably expected to reduce or ameliorate the physical, mental or developmental effects of an illness, condition, injury or disability.
   iii. Assists the member to achieve maximum functional capacity in performing daily activities, taking into account both the functional capacity of the member and those functional capacities that are appropriate for members of the same age.

(*CHIP Transmittal 2013-1.*)

3.2 Records Retention. Subcontractor shall maintain electronic images of all records and make these document images available upon request to Department and/or Company. Such records must be maintained in electronic imaging format and must be legible and readily retrievable and available for review, audit, or evaluation by authorized Commonwealth and/or Company personnel or their representatives. These records must be maintained for a minimum of five (5) years from the expiration date of the contract period or as otherwise required by law, except that if an audit is in progress or audit findings are yet unresolved, records shall be kept until all tasks are completed. Access shall be provided as directed by the Department and/or Company. Subcontractor shall fully cooperate with any and all reviews and/or audits by the Commonwealth, Company, and their designated representatives, by assuring that appropriate employees and involved parties are available for interviews relating to reviews or audits. (*CHIP Statement of Work Section S.*)

3.3 Outreach. Subcontractor shall not distribute, directly or through any agent or independent contractors, outreach materials that contain false or misleading information. (*CHIP Policy Manual Section 40.2.*)

3.4 Fraud and Abuse. Subcontractor recognizes that payments made pursuant to the Agreement are derived from government funds. Subcontractor is prohibited from engaging in fraudulent activities relating to the Agreement. Further, Subcontractor is prohibited from submitting false or fraudulent statements or claims relating to the Agreement. In the event of successful prosecution of Subcontractor, Company shall take action to terminate the Agreement. (*CHIP Statement of Work Section AA.*)

3.5 Department Oversight. Upon request, Subcontractor shall make available to the Department and/or Company data, clinical and other records and reports for review of quality of care, access and utilization issues. (*CHIP Statement of Work Section DD(4).*)

3.6 Ad Hoc Reporting. The Department may require Company to submit ad hoc reports to meet a specific reporting need. These requests may result from federal or state legislative/gubernatorial data calls, requests from other state agencies, or requests from public sector entities. Subcontractor shall cooperate with Company in its reporting activities. (*CHIP Policy Manual Section 33.1.*)

4.0 REQUIREMENTS FOR COMMUNITY HEALTHCHOICES

The provisions of this Section 4 apply to any Agreement that relates to a State Contract that is a Community HealthChoices Agreement.

4.1 Compliance with HealthChoices Requirements (Section 2.0). If Subcontractor is involved in Company's Community HealthChoices program, it shall comply with the same provisions set forth in Section 2.0 (Regulatory and Contractual Requirements for HealthChoices) subject to the following:

a. Section 2.2(e) shall be replaced by a new Section 2.2(e), which shall read in its entirety as follows:

e. *Prohibition against Gag Clauses.* To the extent that Subcontractor provides medical services to Members, Subcontractor is prohibited from consenting to gag clauses which limit Subcontractor's disclosure of medically necessary or appropriate health care information or alternate therapies to Members, other healthcare professionals, or the Department. The State Contract further prohibits gag clauses which limit employees' disclosure of information pertaining to the Community HealthChoices Program. (*Community HealthChoices Agreement, Exhibit V.*)

b. Section 2.8 shall be replaced by a new Section 2.8, which shall read in its entirety as follows:

2.8 Marketing and Outreach Materials. Subcontractor shall be prohibited from distributing directly or through any agent or independent contractor, outreach materials without advance written approval of Company. Outreach materials include pamphlets and brochures to be used by an Independent

Enrollment Agency to assist Participants in choosing a CHC-MCO and PCP. (*Community HealthChoices Agreement Section V(O)(2).*)

c. Following Section 2.13, new Sections 2.14 to 2.15 are added, which shall read as follows:

2.14 Service Coordinators. Subcontractor shall comply with all Service Coordination program requirements, including, where applicable, cooperation with the Person-Centered Planning Team (PCPT) approach for Person-Centered Service Plan (PCSP) and Service Coordination. (*Community HealthChoices Draft RFP, Exhibit II).*)

2.15 Security. Subcontractor shall maintain the security of Company and/or Commonwealth data and information. This includes: compliance with all applicable federal and state laws and regulations regarding security standards; demonstration that specific controls are in place to safeguard Managed Information System and Commonwealth data and information; and demonstration of procedures for mitigating data breaches. (*Community HealthChoices Agreement Section V(O)(5)(r).*)

5.0 GENERAL TERMS AND CONDITIONS

The provisions of this Section 5 apply to any Agreement that relates to a State Contract that is a HealthChoices Agreement, an agreement for the Pennsylvania Children's Health Insurance Program, and/or a Community HealthChoices Agreement.

5.1 Americans with Disabilities Act. During the performance of the Agreement, the Subcontractor agrees as follows:

a. Subcontractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, sexual orientation, gender identity, or national origin. Subcontractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Subcontractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Department setting forth the provisions of this nondiscrimination clause.
b. Subcontractor will, in all solicitations or advertisements for employees placed by or on behalf of Company, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, sex, sexual orientation, gender identity, or national origin.
c. Subcontractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the Department, advising the labor union or workers' representative of Subcontractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
d. Subcontractor will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. Subcontractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of Subcontractor's noncompliance with the nondiscrimination clauses of the Agreement or with any of such rules, regulations, or orders, the Agreement may be cancelled, terminated or suspended in whole or in part and Subcontractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

g. Subcontractor will include the provisions of Paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rule, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of Sept. 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014, so that such provisions will be binding upon each subcontractor or vendor. Subcontractor will take such action with respect to any subcontract or purchase order as the Department may direct as a means of enforcing such provisions including sanctions for noncompliance: provided, however, that in the event Subcontractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, Subcontractor may request the United States to enter into such litigation to protect the interests of the United States.

(Executive Order No. 11246 of Sept. 24, 1965, as amended by Executive Order No. 13672 of July 21, 2014; HealthChoices Agreement, Exhibit II; Community HealthChoices Agreement, Exhibit V.)

5.2 Non-Discrimination Clause. During the term of this Agreement, Subcontractor agrees as follows:

a. Subcontractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, ancestry, national origin, age, or sex. Subcontractor shall take affirmative action to ensure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training. Subcontractor shall post in conspicuous places, available to employees, agents, applicants for employment and other persons, a notice to be provided by the Department.

b. Subcontractor shall in advertisements or requests for employment placed by it or on its behalf state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, ancestry, national origin, age, or sex.

c. Subcontractor shall send each labor union or workers' representative with which it has a collective bargaining agreement or other contract or understanding, a notice advising said labor union or workers' representative of its commitment to this nondiscrimination clause. Similar notice shall be sent to every other source of recruitment regularly utilized by Subcontractor.

d. It shall be no defense to a finding of a noncompliance with Contract Compliance Regulations issued by the Pennsylvania Human Relations Commission or this nondiscrimination clause that Subcontractor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Subcontractor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in determining appropriate sanctions.

e. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that Subcontractor will be unable to meet its obligations under the Contract Compliance Regulations issued by the Pennsylvania Human Relations Commission or this nondiscrimination clause, Subcontractor shall then employ and fill vacancies through other nondiscriminatory employment procedures.

f. Subcontractor shall comply with the Contract Compliance Regulations of the Pennsylvania Human Relations Commission, 16 Pa. Code Chapter 49 and with all laws prohibiting discrimination in hiring or employment opportunities. In the event of Subcontractor's noncompliance with the non-discrimination clause of this contract or with any such laws, this contract may, after hearing and adjudication, be terminated or suspended, in whole or in part, and Subcontractor may be declared temporarily ineligible for further Commonwealth contracts, and such other sanctions may be imposed and remedies invoked as provided by the Contract Compliance Regulations.

g. Subcontractor shall furnish all necessary employment documents and records to, and permit access to its books, records and accounts by, the Department and the Human Relations Commission, for purposes of investigation to ascertain compliance with the provisions of the Contract Compliance Regulations, pursuant to § 49.35 (relating to information concerning compliance by contractors). If Subcontractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the Department or the Commission.

h. Subcontractor shall actively recruit minority subcontractors or subcontractors with substantial minority representation among their employees.

i. Subcontractor shall include the provisions of this nondiscrimination clause in every subcontract, so that such provisions will be binding upon each Subcontractor.

j. The terms used in this nondiscrimination clause shall have the same meaning as in the Contract Compliance Regulations issued by the Pennsylvania Human Relations Commission, 16 Pa. Code Chapter 49.

k. Subcontractor obligations under this clause are limited to the Subcontractor's facilities within Pennsylvania, or, where the contract is for purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.

(*16 Pa Code 49.101; HealthChoices Agreement Section IV(C)(2); CHIP Contract at Appendix A, Section V.35-027; Commonwealth Standard terms and Conditions at 21.*)

5.3 Miscellaneous Laws Governing State Contracts. In the performance of the Agreement, the Subcontractor:

a. Shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations; (*Commonwealth of Pennsylvania, Standard Grant Terms and Conditions for Services Rev. 8-29-12 at ¶4.*)

b. Shall meet the minimum percentage levels for total recycled content required by the Commonwealth for any products which are provided to the Commonwealth as a part of the performance of the Agreement; (*Commonwealth of Pennsylvania, Standard Grant Terms and Conditions for Services Rev. 8-29-12 at ¶5.*)

c. Shall permit the Company and the Commonwealth unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Agreement; (*Commonwealth of Pennsylvania, Standard Grant Terms and Conditions for Services Rev. 8-29-12 at ¶12.*)

d. To the extent that the contract calls for services to minors, Subcontractor shall comply with the provisions of the Child Protective Services Law (Act of November 26, 1975, P.L. 438, No. 124; 23 P.S. §§ 6301-3684, as amended by Act of July 1, 1985, P.L. 124, No. 33) and all regulations promulgated thereunder (55Pa. Code, chapter 3490); (*Department of Human Services Addendum to Standard Contract Terms and Conditions, Rev. 8-16-2011 at ¶F.*)

e. Shall comply with the requirements of the Pro-Children Act of 1994; Public Law 103- 277, Part C-Environment Tobacco Smoke (also known as the Pro-Children Act of 1994) which requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of healthcare services, day care, and education to children under the age of 18, if the services are funded by Federal programs whether directly or through State and Local governments (The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug and alcohol treatment.); (*Department of Human Services Addendum to Standard Contract Terms and Conditions, Rev. 8-16-2011 at ¶G.*)

f. Warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Subcontractor for the purpose of securing business. (*Commonwealth of Pennsylvania, Standard Grant Terms and Conditions for Services Rev. 8-29-12 at ¶26.*)

g. Shall not disclose to others any information, documents, reports, data, or records provided to, or prepared by, Company or Subcontractor under the Agreement without the prior written approval of the Department, except as required by the Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, or other applicable law or as otherwise provided in the Agreement. Any information, documents, reports, data, or records secured by Company or Subcontractor from the Department or a third party in connection with the performance of the Agreement shall be kept confidential unless disclosure of such information is: (i) approved in writing by the Department prior to its disclosure; or (ii) directed by a court or other tribunal of competent jurisdiction unless the Agreement requires prior Department approval; or (iii) required for compliance with federal or state securities laws or the requirements of national securities exchanges; or (iv) necessary for purposes of Subcontractor's internal assessment and review; or (v) deemed necessary by Company or Subcontractor in any action to enforce the provisions of the Agreement or to defend or prosecute claims by or against parties other than the Department; or (vi) permitted by the valid authorization of a third party to whom the information, documents, reports, data, or records pertain: or (vii) otherwise required by law. (*Commonwealth of Pennsylvania, Standard Grant Terms and Conditions for Services Rev. 8-29-12 at ¶22(i).*)

5.4 Right to Know Law. Subcontractor understands that the State Contract and records related or arising out of the State Contract are subject to requests made pursuant to the Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, ("RTKL").

a. If the Department and/or Company needs Subcontractor's assistance in any matter arising out of the RTKL related to the Agreement, it shall notify the Subcontractor. If the Department is the requestor, Subcontractor shall copy Company on correspondence with the Department relating to the RTKL request.

b. Upon written notification from the Department or Company that it requires Subcontractor's assistance in responding to a request under the RTKL for information related to the Agreement that may be in Subcontractor's possession constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), Subcontractor shall: (i) provide the Department and Company, within ten (10) calendar days after receipt of written notification by Department or Company, access to, and copies of, any document or information in Subcontractor's possession arising out of the Agreement that the Department reasonably believes is Requested Information and may be a public record under the RTKL; and (ii) provide such other assistance as the Department and/or Company may reasonably request, in order to comply with the RTKL with respect to the Agreement.

c. If Subcontractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that Subcontractor considers exempt from production under the RTKL, Subcontractor must notify the Department and Company and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of Subcontractor explaining why the requested material is exempt from public disclosure under the RTKL.

d. Department and/or Company will rely upon the written statement from Subcontractor in denying a RTKL request for the Requested Information unless the Department or Company determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Department and/or Company determine that the Requested Information is clearly not exempt from disclosure, Subcontractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Requestor's determination.

e. If Subcontractor fails to provide the Requested Information within the time period required by these provisions, Subcontractor shall indemnify and hold the Department and Company harmless for any damages, penalties, costs, detriment or harm that the Department and Company may incur as a result of Subcontractor's failure, including any statutory damages assessed against the Department and Company.

f. The Department or Company will reimburse Subcontractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

g. Subcontractor may file a legal challenge to any Department decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, Subcontractor shall indemnify the Department for any legal expenses incurred by the Department as a result of such a challenge and shall hold the Department harmless for any damages, penalties, costs, detriment or harm that the Department may incur as a result of Subcontractor's failure, including any statutory damages assessed against the Department, regardless of the outcome of such legal challenge. As between the parties, Subcontractor agrees to waive all rights or remedies that may be available to it as a result of the Department's disclosure of Requested Information pursuant to the RTKL.

h. The Subcontractor's duties relating to the RTKL are continuing duties that survive the expiration of the Agreement and shall continue as long as the Subcontractor has Requested Information in its possession.
(*Commonwealth of Pennsylvania, Standard Grant Terms and Conditions for Services Rev. 8-29-12 at ¶ 30.*)

VIRGINIA MEDICAID COMPLIANCE ADDENDUM - SUBCONTRACTOR

This Medicaid Compliance Addendum is incorporated by reference in the Agreement. If there is any conflict between the terms of this Addendum and any of the terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum shall govern and control; provided, however, that if there is any conflict between any of the terms of the Agreement, including this Addendum, and the applicable State Contract, then the terms of the applicable State Contract will govern and control.

For purposes of this Addendum, the term "Subcontractor" shall mean a State approved entity that contracts with Company to perform part of the Company's responsibilities under the applicable State Contract. For the purposes of this Addendum and the Agreement, Subcontractor's providers shall also be considered providers of the Company. In the event that any of the following required Medicaid provisions are inapplicable to Subcontractor, as construed under the applicable State Contract and in accordance with Applicable Law, such provision shall not apply.

Company and Subcontractor agree to abide by all applicable provisions of the applicable State Contract. Subcontractor compliance with the applicable State Contract specifically includes, but is not limited to, the requirements contained herein.

1.0 DEFINITIONS

All capitalized terms used in this Addendum, and not otherwise defined in this Addendum, shall have the meanings set forth in the Agreement, or if not defined in the Agreement, in the applicable State Contract.

1.1 Applicable Law. All federal or state laws, rules, regulations, and administrative agency directives applicable to the Medicaid program and to Medicaid managed care plans, as these may be amended from time to time, including, but not limited to, statutes and regulations related to fraud, abuse, discrimination, disabilities, confidentiality, self-referral, false claims and prohibition of kickbacks. Applicable Laws include the Centers for Medicare and Medicaid Services' ("CMS") and the Virginia Department of Medical Assistance Services' ("DMAS" or the "Department") instructions, policy letters or guidelines that regulate the actions of Subcontractor or Company, requirements of the State Plan, as applicable, and requirements of the applicable State Contract. The "State Plan" is the State Plan for Medical Assistance, submitted to CMS by DMAS describing the nature and scope of the Virginia Medicaid program. DMAS has the authority to administer the State Plan under Code of Virginia § 32.1-325.

1.2 Medically Necessary or Medical Necessity. Appropriate and necessary health care services which are rendered for any condition which, according to generally accepted principles of good medical practice, requires the diagnosis or direct care and treatment of an illness, injury, or pregnancy-related condition, and are not provided only as a convenience. As defined in 42 CFR § 440.230, services must be sufficient in amount, duration and scope to reasonably achieve their purpose. For children under age 21, medical necessity review must fully consider Federal EPSDT guidelines for Medallion 3.0 enrollees. EPSDT is not applicable to FAMIS. (*Medallion 3.0 Contract, Section 1.1; FAMIS*

Contract, Section 1.1)

2.0 REGULATORY AND CONTRACTUAL REQUIREMENTS FOR MEDALLION 3.0, FAMIS, MLTSS

The following provisions are applicable to Subcontractor to the extent that the citation following the provision references (i) a regulation of general applicability or (ii) the State Contract under which Subcontractor provides services to Company in accordance with the Agreement.

2.1 Compliance. Subcontractor agrees to maintain documentation of its compliance with 12VAC5-408 et seq., the Agreement, and any and all Applicable Laws. (*12VAC5-408-320(C)*)

2.2 Access to Facilities and Records. Subcontractor shall provide for timely and efficient access by state examiners to data, records, and personnel necessary to determine compliance with 12VAC5-408 et seq. (*12VAC5-408-320(E)*)

2.3 Subcontractor Disclosures. Subcontractor agrees to disclose the required information, at the time of application, credentialing, and/or recredentialing, in accordance with 42 CFR § 455 Subpart B and relevant provisions of the applicable State Contract, as related to ownership and control, business transactions, and criminal conviction for offenses against Medicare, Medicaid, CHIP and/or Federal health care programs. See 42 CFR § 455, Parts 101 through 106 for definitions, percentage calculations, and requirements for disclosure of ownership, business transactions, and information on persons convicted of crimes related to any Federal health care programs. Subcontractor shall perform, at a minimum, a monthly comparison of its owners and managing employees against the LEIE database to ensure compliance with these Federal regulations. (*Medallion 3.0 Contract, Section 3.4.A, Section 13.3.A.I.c, and Section 13.3.A.II.c(v)-(vi); FAMIS Contract, Section 3.4.A, Section 13.3.A.I.c, and Section 13.3.A.II.c(v)-(vi); CCC Plus Contract, Section 8.4.7*)

2.4 License and Certification. Subcontractor represents and warrants that it is licensed by the Commonwealth of Virginia and has received proper certification or training to perform the specific services for which it is contracted. (*Medallion 3.0 Contract, Section 3.16; FAMIS Contract, Section 3.16; CCC Plus Contract, Section 7.1*)

2.5 Delegation Requirements.

2.5.1 Subcontractor acknowledges and agrees that the Agreement fulfills the requirements of the applicable State Contract and all Applicable Laws, including, but not limited to, the requirement to specify the activities and reporting responsibilities delegated to Subcontractor. (*Medallion 3.0 Contract, Section 3.16.A.I.b and 3.16.A.I.c; FAMIS Contract, Section 3.16.A.I.b and 3.16.A.I.c; CCC Plus Contract, Section 7.2*)

2.5.2 Subcontractor acknowledges and agrees that the Department may evaluate through inspection or other means, the quality, appropriateness, and timeliness of the services performed under the Agreement. (*Medallion 3.0 Contract, Section 3.16.A.I.d; FAMIS Contract, Section 3.16.A.I.d; CCC Plus Contract, Section 7.2*)

2.5.3 Subcontractor shall comply with Member privacy protections described in Health Insurance Portability and Accountability Act regulations and in Title 45 CFR parts 160 and 164, subparts A and E. (*Medallion 3.0 Contract, Section 3.16.A.I.e; FAMIS Contract, Section 3.16.A.I.e; CCC Plus Contract, Section 7.2*)

2.5.4 Company may revoke the delegation of services to Subcontractor under the Agreement, or impose

sanctions on Subcontractor, in the event Subcontractor's performance under the Agreement is inadequate. Subcontractor shall promptly supply to Company all information necessary for the reimbursement of any outstanding Medicaid claims. (*Medallion 3.0 Contract, Section 3.16.A.I.f; FAMIS Contract, Section 3.16.A.I.f; CCC Plus Contract, Section 7.2*)

2.6 Monitoring Requirements.

2.6.1 Subcontractor shall permit Company to perform ongoing monitoring of Subcontractor in order to assure compliance with the requirements set forth in the Agreement. (*Medallion 3.0 Contract, Section 3.16.A.II.a; FAMIS Contract, Section 3.16.A.II.a; CCC Plus Contract, Section 7.3*)

2.6.2 Subcontractor shall permit Company to perform a formal performance review of Subcontractor at least annually. (*Medallion 3.0 Contract, Section 3.16.A.II.b; FAMIS Contract, Section 3.16.A.II.b; CCC Plus Contract, Section 7.3*)

2.6.3 If applicable, Company shall monitor encounter data of Subcontractor before the data is submitted to the Department. Company shall apply certain key edits to the data to ensure accuracy and completeness. These edits shall include, but not be limited to, Member and provider identification numbers, dates of service, diagnosis and procedure codes, etc. (*Medallion 3.0 Contract, Section 3.16.A.II.c; FAMIS Contract, Section 3.16.A.II.c; CCC Plus Contract, Section 7.3*)

2.6.4 Company shall monitor Subcontractor's provider enrollment, credentialing, and re-credentialing policies and procedures to assure compliance with Federal disclosure requirements described in the applicable State Contract, with respect to disclosure of information regarding ownership and control, business transactions, and criminal convictions for crimes against Federally funded or Federally related health care programs. Additionally, Company shall monitor to assure that Subcontractor complies with requirements for prohibited affiliations with individuals or entities excluded from participating in Federal health care programs as described in the applicable State Contract. (*Medallion 3.0 Contract, Section 3.16.A.II.d; FAMIS Contract, Section 3.16.A.II.d; CCC Plus Contract, Section 7.3*)

2.6.5 As a result of monitoring activities conducted by Company (through ongoing monitoring and/or annual review), Company shall identify to Subcontractor deficiencies or areas for improvement, and Subcontractor shall take appropriate corrective action. (*Medallion 3.0 Contract, Section 3.16.A.II.e; FAMIS Contract, Section 3.16.A.II.e; CCC Plus Contract, Section 7.3*)

2.7 Review Requirements. Subcontractor acknowledges and agrees that this Addendum and the Agreement are subject to the Department's written approval. The Department may revoke such approval if the Department determines that Subcontractor fails to meet the requirements of the applicable State Contract. If Subcontractor is responsible for the provision of covered services, for the purposes of the applicable State Contract, Subcontractor shall be considered both a subcontractor and network provider. Company shall adhere to subcontractor specific restrictions set forth in the applicable State Contract. (*Medallion 3.0 Contract, Section 3.16.B; FAMIS Contract, Section 3.16.B; CCC Plus Contract, Section 7.1*)

2.8 Utilization Management.

2.8.1 If Company has delegated responsibilities for utilization management to Subcontractor, Subcontractor is prohibited from providing compensation to utilization management staff in a manner so as to provide incentives for the individual or entity to deny, limit, or discontinue Medically Necessary services to any Member. (*Medallion 3.0 Contract, Section 7.1.P; FAMIS Contract, Section 7.1.P; CCC Plus Contract, Section 6.2.12*)

2.8.2 If Company has delegated responsibilities for utilization management to Subcontractor, Subcontractor shall comply with all standards for utilization management as set forth in the applicable State Contract. Subcontractor acknowledges and agrees that the preauthorization requirements do not apply to emergency care, family planning services, preventive services, and basic prenatal care. (*Medallion 3.0 Contract, Section 7.1.P.II; FAMIS Contract, Section 7.1.P.II; CCC Plus Contract, Section 6.1*)

2.9 Subcontractor Cooperation with Company Programs. Subcontractor agrees to cooperate with the External Quality Review Organization (EQRO), which is contracted by the Department to perform quality studies. The level of cooperation includes, but is not limited to, responding favorably and promptly to requests for Members' medical records in the format and timeframe requested by the EQRO or the Department. (*Medallion 3.0 Contract, Section 8.4; FAMIS Contract, Section 8.4*)

2.10 Audits. Company has the right to conduct routine and random audits of Subcontractor. (*Medallion 3.0 Contract, Section 9.2.G.II; FAMIS Contract, Section 9.2.G.IV; CCC Plus Contract, Section 14.8.2*)

2.11 Hold Harmless. Subcontractor hereby agrees that in no event, including, but not limited to, nonpayment by Company or Subcontractor; the insolvency of Company; or breach of the Agreement, shall Subcontractor bill, charge, collect a deposit from; seek compensation, remuneration or reimbursement from; or have any recourse against Members or persons other than Company for services provided pursuant to the applicable State Contract. This provision shall not prohibit collection of any applicable copayments or deductibles billed in accordance with the terms of the applicable Plan. Subcontractor further agrees that (i) this provision shall survive the termination of the Agreement regardless of the cause giving rise to such termination and shall be construed to be for the benefit of the Plan's Members and (ii) this provision supersedes any oral or written agreement to the contrary now existing or hereafter entered into between Subcontractor and any Member or other person acting on Member's behalf. The restrictions on billing Members as set forth herein and in the Agreement shall continue to be in effect even if Company becomes insolvent. Notwithstanding the foregoing, if a Member agrees in advance of receiving a service and in writing to pay for a service that is not a State Plan Covered Service, then Company, directly or through Subcontractor, can bill the Member for the service. (*Virginia Code § 38.2-5805(C)(9) and (10); 14VAC5-211-30(C); Medallion 3.0 Contract, Section 12.9 and Attachment III; FAMIS Contract, Section 12.9 and Attachment III, Section A.13*)

2.12 Billing Members for Medically Necessary Services.

2.12.1 Subcontractor is subject to criminal penalties if providers knowingly and willfully charge, for any service provided to a Member under the State Plan or under the applicable State Contract, money or other consideration at a rate in excess of the rate established by the Department, as specified in Section 1128B (d)(1) of the Social Security Act (42 U.S.C. § 1320a-7b), as amended. This provision shall continue to be in effect even if Company or Subcontractor becomes insolvent until such time as Members are withdrawn from assignment to Company. (*Medallion 3.0 Contract, Section 12.9.A; FAMIS Contract, Section 12.9.A; CCC Plus Contract, Section 11.7*)

2.12.2 Pursuant to Section 1932(b)(6), (42 U.S.C. § 1396u-2 (b)(6)), Subcontractor shall not hold a Member liable for (i) debts of Company in the event of Company's insolvency; (ii) payment for services provided by Company if Company has not received payment from the Department for the services or if the provider, under contract or other arrangement with Company, fails to receive payment from the Department or Company; (iii) payments to providers that furnish covered services under a contract or other arrangement with Company that are in excess of the amount that normally would be paid by Member if the service had been received directly from Company. In addition, for CCC Plus Members only, Subcontractor shall not hold a CCC Plus Member liable for payments in excess of the contracted amount or coinsurance, copayments, deductibles, financial penalties, or any other amount other than any Patient Pay established by DSS towards LTSS services. (*Medallion 3.0 Contract, Section 12.9.A.I, II, and III; FAMIS Contract, Section 12.9.A.I, II, and III; CCC Plus Contract, Section 11.7*)

2.13 Bonuses and Incentive Payments. Company shall not provide bonus and/or incentive payments to Subcontractor which are determined based upon the applicability of the contract provision specified in Section 12.11 of the applicable State Contract. (*Medallion 3.0 Contract, Section 12.11; FAMIS Contract, Section 12.11*)

2.14 Prohibited Actions.

2.14.1 Subcontractor may not knowingly have a relationship of a type described in Section 2.14.2 with (i) an individual or entity who is debarred, suspended, or otherwise excluded from participating in Federal health care programs, as listed on the federal List of Excluded Individuals/ Entities (LEIE) database at http://www.oig.hhs.gov/fraud/exclusions/exclusions_list.asp or excluded from participating in procurement activities under the Federal Acquisition Regulation or from participating in nonprocurement activities under regulations issued

under Executive Order No. 12549 or under guidelines implementing Executive Order No. 12549, or (ii) an individual who is an affiliate, as defined in the Federal Acquisition Regulation, of a person described in clause (i). Subcontractor is further prohibited from contracting with providers who have been terminated from the Medicaid or FAMIS programs by DMAS for fraud, waste and abuse. (*Medallion 3.0 Contract, Section 13.3.A.I.a(i) and (ii) and 13.3.C.I; FAMIS Contract, Section 13.3.A.I.a(i) and (ii) and Section 13.3.C.I*)

2.14.2 The relationships described in this section are as follows: (i) a director, officer, or partner of the Company; (ii) a person with beneficial ownership of five percent or more of Company's equity; or (iii) a person with an employment, consulting or other arrangement with Company for the provision of items and services that are significant and material to Company's obligations under the applicable State Contract with the Department. (*Medallion 3.0 Contract, Section 13.3.A.I.b(i), (ii), and (iii); FAMIS Contract, Section 13.3.A.I.b(i), (ii), and (iii)*)

2.14.3 Subcontractor shall immediately report to Company any exclusion information discovered on the LEIE database (or any other database). (*Medallion 3.0 Contract, Section 13.3.C.II; FAMIS Contract, Section 13.3.C.II; CCC Plus Contract, Section 8.4.7*)

2.14.4 Subcontractor shall maintain written policies and procedures outlining provider enrollment and/or credentialing process. (*Medallion 3.0 Contract, Section 13.3.C.II; FAMIS Contract, Section 13.3.C.II*)

2.15 Protected Health Information. If Subcontractor receives or has access to protected health information ("PHI"), Subcontractor shall sign an agreement with Company that complies with the Health Insurance Portability and Accountability Act, and Subcontractor agrees to be bound by the restrictions, terms, and conditions relating to PHI that apply to Company in the applicable State Contract. (*Medallion 3.0 Contract, Section 13.5.A, 13.5.B, 13.5.B.III, and 14.19.B; FAMIS Contract, Section 13.5A, 13.5.B, 13.5.B.III, and 14.19.B; CCC Plus Contract, Sections 16.11.4 and 16.11.5*)

2.16 Access to Facilities and Records. Subcontractor shall allow duly authorized agents or representatives of the State or Federal Government, including, but not limited to, the Department, during normal business hours, access to its premises to inspect, audit, monitor or otherwise evaluate the performance of Subcontractor's contractual activities and shall forthwith produce all records requested as part of such review or audit. In the event right of access is requested, Subcontractor shall, upon request, provide and make available staff to assist in the audit or inspection effort, and provide adequate space on the premises to reasonably accommodate the State or Federal personnel conducting the audit or inspection effort. All inspections or audits shall be conducted in a manner as will not unduly interfere with the performance of Subcontractor's activities. All information so obtained will be accorded confidential treatment as provided under Applicable Law. The Department and its duly authorized representatives shall have access to any books, fee schedules, documents, papers, and records of Subcontractor and shall be allowed to inspect, copy, and audit any medical and/or financial records of Subcontractor. (*Medallion 3.0 Contract, Section 14.1 and 14.19.B.I; FAMIS Contract, Section 14.1 and 14.19.B.I.*)

2.17 Worker's Compensation. Subcontractor shall obtain and maintain, for the duration of this Agreement, workers' compensation insurance for all its employees working in the Commonwealth. (*Medallion 3.0 Contract, Section 14.16.B; FAMIS Contract, Section 14.16.B*)

2.18 Medical Records. Subcontractor shall comply with the security and confidentiality of records standards as detailed in the applicable State Contract. (*Medallion 3.0 Contract, Section 14.19; FAMIS Contract, Section 14.19*)

2.19 Subcontractor Bankruptcy. Subcontractor shall notify Company of any bankruptcy filing on or before the date of such filing. (*Medallion 3.0 Contract, Section 14.29.B.VI; FAMIS Contract, Section 14.29.B.VI; CCC Plus Contract, Section 21.3.3*)

3.0 STATUTORY AND REGULATORY REQUIREMENTS FOR MANAGED CARE PLANS

3.1 Termination. If Subcontractor terminates the Agreement, Subcontractor shall give Company at least 60 days' advance notice of termination. In addition, Subcontractor shall ensure that any agreement to provide health care services between Subcontractor and a health care provider requires the provider to give at least 60 days' advance notice of termination of such agreement to Subcontractor. (*Virginia Code § 38.2-5805(C)(6) and (C)(7)*)

4.0 REGULATORY REQUIREMENTS SPECIFIC TO MEDALLION 3.0 MANAGED CARE PLANS

4.1 Requests for Service. Subcontractor shall have in place, and follow, written policies and procedures for processing requests for initial and continuing authorizations of service, when applicable under the Agreement. (*12VAC30-120-380(H)*)

5.0 COMMONWEALTH COORDINATED CARE PLUS (CCC PLUS) CONTRACT REQUIREMENTS FOR MANAGED LONG TERM SERVICES AND SUPPORTS (MLTSS)

5.1 General Requirements: (*CCC Plus Contract, Section 7.1*)

5.1.1 Company may utilize subcontracts with third-party administrators for the purpose of processing claims and other purely administrative functions. To the extent that Subcontractor is a third-party administrator, Subcontractor shall provide services in accordance with the level and quality of care requirements under the CCC Plus Contract.

5.1.2 Subcontractor shall have proper certification or training to perform the specific services for which Subcontractor is contracted.

5.1.3 The Agreement is subject to the Department's written approval. The Department may revoke such approval if the Department determines that Subcontractor fails to meet the requirements of the CCC Plus Contract.

5.1.4 To the extent that Subcontractor is responsible for providing Covered Services, Subcontractor shall comply with the terms set forth in the CCC Plus Reporting Manual.

5.1.5 Subcontractor agrees that all service level agreements with the Department will be met or exceeded.

5.1.6 To the extent that Subcontractor performs functions on Company's behalf, or to the extent that Subcontractor subcontracts with any individual or entity who performs functions on Company's or Subcontractor's behalf, Subcontract shall, and shall ensure that its subcontractors, comply with the terms of the CCC Plus Contract and the requirements set forth at 42 CFR § 438.3 and 438.230. In addition, all of Subcontractor's subcontracts with individuals or entities performing functions on Company's or Subcontractor's behalf shall meet the delegation and monitoring requirements set forth in this Addendum and in the CCC Plus Contract and are subject to audit by the Department.

5.2 Additional Delegation Requirements – CCC Plus: (*CCC Plus Contract, Section 7.2*)

5.2.1 Subcontractor shall ensure that any contracts or agreements with subcontractors performing functions on Company's or Subcontractor's behalf are in writing.

5.2.2 Subcontractor shall require its provider contracts to comply with all provider provisions of the CCC Plus Contract and applicable Federal and State laws and regulations.

5.2.3 Subcontractor acknowledges and agrees that the State, CMS, the Office of the Inspector General, the Comptroller General, and their designees may, at any time, inspect and audit any records or documents of the Subcontractor and the Subcontractor's subcontractors, and may, at any time, inspect the premises, physical facilities, and equipment where Medicaid-related activities or work is conducted. The right to audit under this section exists for ten (10) years from the final date of the contract period or from the date of completion of any audit, whichever is later.

5.3 Additional Monitoring Requirements – CCC Plus. Company shall perform an annual review on Subcontractor to assure that the health care professionals under contract with Subcontractor are qualified to perform the services covered under the CCC Plus Contract. (*CCC Plus Contract, Section 7.3*)

5.4 Protecting Member from Liability for Payment. Subcontractor shall not deny any service covered under the CCC Plus Contract to a Member for failure or inability to pay any applicable charge or where Member, who, prior to becoming CCC Plus program eligible, incurred a bill that has not been paid. (*CCC Plus Contract, Section 11.7*)

5.5 Fraud and Abuse. Subcontractor shall immediately report all incidents of potential or actual fraud, waste, and abuse to Company and to the Department. (*CCC Plus Contract, Section 14.10*)

5.6 Medically Necessary or Medical Necessity. Per Virginia Medicaid, Medically Necessary or Medical Necessity is defined as an item or service provided for the diagnosis or treatment of an enrollee's condition consistent with standards of medical practice and in accordance with Virginia Medicaid policy (12 VAC 30-130-600) and EPSDT criteria (for those under age 21) and Federal regulations as defined in 42 CFR § 438.210 and 42 CFR § 440.230. (*CCC Plus Contract, Section 23.1*)

5.7 HIPAA Compliance. Subcontractor shall comply with all State and Federal laws and regulations with regards to handling, processing, or using the Department's PHI and ePHI. This includes, but is not limited to, 45 CFR Parts 160 and 164 Modification to the HIPAA Privacy, Security, Enforcement, and Breach Notification Rules under the Health Information Technology for Economic and Clinical Health Act and the Genetic Information Nondiscrimination Act; Other Modifications to the HIPAA Rules; Final Rule, January 25, 2013 and related regulations as they pertain to the Agreement. (*CCC Plus Contract, Section 2.7*)

5.8 Excluded Entities/Service Providers. Subcontractor shall not knowingly have an employment, consulting, provider agreement, or other agreement or relationship for the provision of items and services that are significant and material to the Subcontractor's obligations under the applicable State Contract with any person, or affiliate of such person, who is excluded, under Federal law or regulation, from certain procurement and non-procurement activities. Further, no such person may have beneficial ownership of more than five (5) percent of Subcontractor's equity or be permitted to serve as a director, officer, or partner of Subcontractor. Subcontractor is further prohibited from contracting with providers who have been terminated from the Medicaid program by DMAS for fraud, waste and abuse. Subcontractor shall conduct monthly checks to screen providers for exclusion, using the Social Security Administration's Death Master File, the National Plan and Provider Enumeration System (NPPES), the List of Excluded Individuals/Entities (LEIE), the System for Aware Management (SAM), and any other databases as the State may prescribe. The Federal Health and Human Services – Office of Inspector General maintains an online exclusions database available at http://exclusions.oig.hhs.gov/. Subcontractor shall consult these databases upon contracting with providers and no less frequently than monthly thereafter. (*CCC Plus Contract, Sections 2.11 and 8.4.7*)

5.9 Conflict of Interest. For the duration of the CCC Plus Contract, Subcontractor shall not have any interest that will conflict, as determined by DMAS, with the performance of services under the CCC Plus Contract, or that may be otherwise anticompetitive. Without limiting the generality of the foregoing, Subcontractor shall not have any financial, legal, contractual, or other business interest in any entity performing CCC Plus program enrollment functions for DMAS or Related Entity(ies), if any. (*CCC Plus Contract, Section 22.7*)

5.10 Drug-Free Workplace. To the extent that the Agreement is for more than $10,000, Subcontractor agrees that, during the performance of the Agreement, Subcontractor shall: (i) provide a drug-free workplace for Subcontractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in Subcontractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of Subcontractor that the Business Associate maintains a drug-free workplace. For purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with the CCC Plus Contract, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the CCC Plus Contract. (*CCC Plus Contract, Section 22.23*)

5.11 Notification Obligations to Company and DMAS. Subcontractor shall notify Company within sixty (60) days of any changes to a provider or subcontractor agreement regarding termination, pending termination, or pending modification in the subcontractor's or provider's terms that could reduce Member access to care. *(CCC Plus Contract, Section 8.5.6)*

Exhibit B-9

Regulatory Compliance Addendum

Governing Illinois Medicaid Services

This Regulatory Compliance Addendum Governing Illinois Medicaid Services (the "Illinois Medicaid Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as well as the provision of any administrative or health-benefit management services/functions that relate to, as applicable:

(3) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health Inc., an Illinois Corporation, for Furnishing Health Services in an Integrated Care Program by a Managed Care Organization*, Contract No. 2015-24-004 (ABH) f/k/a Contract No. 2010-24-005-K, effective on or about May 1, 2011, which governs the program known as the Illinois Integrated Care Program a/k/a the ICP (the "ICP Contract");

(4) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health for Furnishing Health Services by a Managed Care Organization*, Contract No. 2015-24-002, effective on or about August 1, 2014, which governs the program known as the Illinois Family Health Plan Population–Affordable Care Act Adult program a/k/a FHP-ACA program (the "FHP-ACA Contract"); and/or

(5) the *State of Illinois Contract Between the Department of Healthcare and Family Services and Aetna Better Health Inc., an Illinois Corporation for Furnishing Managed Long Term Supports and Services by a Managed Care Organization*, Contract No. 2017-24-002-K, effective on or about July 1, 2016, which governs the program known as the Illinois Managed Long Term Supports and Services a/k/a MLTSS program (the "MLTSS Contract").

Aetna Better Health Inc. d/b/a Aetna Better Health of Illinois ("Company") serves as a managed-care organization under the ICP Contract, the FHP-ACA Contract, and the MLTSS Contract (the "State Contracts") on behalf of the State of Illinois and its Department for Healthcare and Family Services ("HFS" and collectively, the "State").

The State requires that specific terms and conditions be incorporated into the Agreement. As such, this Illinois Medicaid Addendum is incorporated by reference into the Agreement between Company (or its Affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing this Agreement (as identified on the first page thereof), and such provider, vendor, contractor, or other entity must comply with the requirements set forth herein to the extent applicable to the services provided by vendor under the Agreement. Note that this Illinois Medicaid Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement and in the policies, procedures, and provider manual of Company (or its Affiliate, as the case may be). This Illinois Medicaid Addendum and the Agreement may be revised as directed by the State.

For purposes of this Illinois Medicaid Addendum, the individuals who are enrolled with Company under the State Contracts will be referred to as the "Enrollees." All capitalized terms not defined in this Illinois Medicaid Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Illinois Medicaid Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this Illinois Medicaid Addendum will govern and control with respect to the provision of Covered Services to Members who are eligible and covered under the State Contracts and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contracts. Except as provided herein, all other provisions of the Agreement not inconsistent with this Illinois Medicaid Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Illinois Medicaid Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Agreement.

The provider, vendor, contractor, or other entity identified on the first page of the Agreement represent and warrant that it/they shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Illinois Medicaid Addendum and all applicable laws and regulations.

CONTRACTUAL AND STATUTORY/REGULATORY REQUIREMENTS

I. Definitions

The following additional definitions shall apply with respect to the requirements set forth in this Illinois Medicaid Addendum:

a. "Authorized Persons" – Collectively means HFS, HFS's Office of Inspector General ("HFS OIG"), the Medicaid Fraud Control Unit of the Illinois State Police, the Illinois Auditor General, the United States Department of Health and Human Services and the Centers for Medicare and Medicaid Services ("CMS"), and any other State or federal agencies with monitoring authority related to Medicaid. [ICP Contract § 1.19; FHP-ACA Contract § 1.20; MLTSS Contract § 1.18]

b. "Provider" – Means any individual or entity that is enrolled with the State to provide Covered Services to Enrollees and that is associated with Company pursuant to a written contract or agreement for the purpose of providing health care services under the State Contracts. [ICP Contract §§ 1.16, 1.118; FHP-ACA Contract §§ 1.16, 1.17, 1.122; MLTSS Contract §§ 1.14, 1.15, 1.125]

c. "Subcontractor" – Means any individual or entity, other than a Provider, with which Company has entered into a written agreement for the purpose of delegating responsibilities applicable to Company under the State Contracts. [ICP Contract § 1.144; FHP-ACA Contract § 1.148; MLTSS Contract § 1.150]

J. Requirements Applicable to State Contracts and Covered Services

1. Practice Coverage and Hours; Enrollee Appointments. Provider agrees to provide Covered Services to Enrollees as set forth in the Agreement, including without limitation the following when such Covered Services are specified in the Agreement:

a. Primary care providers (PCPs) and specialty Providers shall provide coverage for their respective practices twenty-four (24) hours a day, seven (7) days a week and have a published after-hours telephone number (after-hours voicemail alone is not acceptable). [ICP Contract § 5.6.4; FHP-ACA Contract § 5.7.4]

b. Provider shall offer to Enrollees hours of operation that are no less than the hours of operation offered to persons who are not Enrollees. [ICP Contract § 5.6.3; FHP-ACA Contract § 5.7.3; MLTSS Contract § 5.6.3]

c. Provider shall ensure that time-specific appointments for routine, preventive care to an Enrollee are available within five (5) weeks from the date of request for such care, and within two (2) weeks from the date of request for infants under age six (6) months. If an Enrollee has more serious problems that are not deemed emergency medical conditions, Provider shall triage that Enrollee and, if necessary or appropriate, immediately refer that Enrollee for urgent medically necessary care or provide that Enrollee with an appointment within one (1) business day of the request. If an Enrollee has a problem or complaint that is not deemed serious, Provider shall see that Enrollee within three (3) weeks from the date of request for such care. If Enrollee seeks an initial prenatal visit without expressed problems, the Provider shall see that Enrollee within two (2) weeks after a request if the Enrollee is in her first trimester, within one (1) week if the Enrollee is in her second trimester, and within three (3) days if the Enrollee is in her third trimester. [ICP Contract § 5.6.3; FHP-ACA Contract § 5.7.3; MLTSS Contract § 5.6.3]

2. Payments; Hold Harmless of Enrollees/State.

a. Provider/Subcontractor acknowledges and agrees that Company shall not pay a Provider/Subcontractor for any provider-preventable condition. Provider/Subcontractor shall report all provider-preventable conditions associated with claims for payment or Enrollee treatments for which payment would otherwise be made. [FHP-ACA Contract § 5.25.8; MLTSS Contract § 5.24.8]

b. Provider/Subcontractor acknowledges and agrees that Company is prohibited by applicable federal law from making payments to financial institutions located outside of the United States for items or services provided under a Medicaid state plan or waiver. [42 U.S.C. § 1396a(a)(80); 42 C.F.R. § 438.602(i)]

c. Provider/Subcontractor acknowledges and agrees that upon CMS's implementation of Section 1861(o)(7) of the Social Security Act, Company is prohibited by applicable federal law from making payments for services or items (other than an emergency service or item furnished in an emergency room of a hospital) for home health care services provided by an agency or organization unless that agency or organization has provided the State with a surety bond as specified in Section 1861(o)(7) of the Social Security Act. [MLTSS Contract § 5.5.1.4]

d. Except as permitted or required by HFS in 89 Ill. Adm. Code 125, in HFS's fee-for-service copayment policy in effect at the time Covered Services are provided, and/or in the State Contracts, neither Company nor Provider/Subcontractor may seek or obtain funding through fees or charges to any Enrollee receiving Covered Services under the State Contracts. Provider/Subcontractor furthermore acknowledges and agrees that imposing charges in excess of those permitted under the State Contracts is a violation of Section 1128B(d) of the Social Security Act and subjects the party imposing such charges to criminal penalties. [ICP Contract § 5.30; FHP-ACA Contract § 5.30; MLTSS Contract § 5.29]

e. Provider/Subcontractor agrees that in no event, including but not limited to the nonpayment by Company of amounts due to Provider/Subcontractor under the Agreement, the insolvency of Company, or any breach of the Agreement by Company, shall Provider/Subcontractor or its assignees or subcontractors have a right to seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against the Enrollee or persons acting on the Enrollee's behalf (other than Company) for services provided pursuant to the Agreement except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Enrollees and all persons acting on the Enrollees' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider/Subcontractor and the Enrollee or persons acting on the Enrollee's behalf (other than Company). [215 ILCS 125/2-8(a)]

f. Any dispute between Company and Provider/Subcontractor shall be solely between those parties, and Company and Provider/Subcontractor shall each hold harmless the State and its agencies, officers, employees, agents, and volunteers from and against such dispute and any and all liabilities, demands, claims, suits, losses, damages, causes of action, fines, or judgments, including costs, attorneys' and witnesses' fees, and expenses incident thereto, regardless of the reason. [ICP Contract §§ 7.13, 9.1.8, 9.1.28; FHP-ACA Contract §§ 7.13, 9.1.8, 9.1.28; MLTSS Contract §§ 7.13, 9.1.8, 9.1.28]

3. Standards of Care. In addition to complying with other applicable standards of care, Provider/Subcontractor shall:

a. Timely identify any Enrollees with high-risk pregnancies and arrange for a maternal fetal medicine specialist or a transfer to Level III perinatal facilities in accordance with ACOG guidelines and the Illinois Perinatal Act requirements for referral and/or transfer of high-risk women. [ICP Contract, Attachment XXI ¶ 3.c.i.D; FHP-ACA Contract, Attachment XXI ¶ 3.c.i.D; MLTSS Contract, Attachment XXI ¶ 3.c.i.D]

b. Cooperate and communicate with other service providers who serve Enrollees, including without limitation Special Supplemental Nutrition Programs for Women, Infants, and Children (commonly referred to as "WIC" programs); Head Start programs; Early Intervention programs; and school systems. Such cooperation may include performing annual physical examinations for schools and the sharing of information (with the consent of the Enrollee). [ICP Contract, Attachment XXI ¶ 3.e.i.; FHP-ACA Contract, Attachment XXI ¶ 3.e.i.; MLTSS Contract, Attachment XXI ¶ 3.e.i.]

4. Cultural Competence; Prohibition on Discrimination. In addition to complying with other applicable standards:

a. Provider/Subcontractor shall cooperate in the implementation of, and comply with all requirements set forth in, Company's Cultural Competence Plan, which shall include implementation of the NCQA Standards for Culturally and Linguistically Appropriate Services in Health Care (CLAS Standards). Provider/Subcontractor acknowledges and agrees that all Covered Services shall be provided in a culturally competent manner by ensuring the cultural competence of all Provider/Subcontractor staff, from clerical to executive management. Furthermore, Subcontractors shall complete Company's initial and annual cultural-competence training. [ICP Contract §§ 2.7, 2.7.3, 2.7.4; FHP-ACA Contract §§ 2.7, 2.7.3, 2.7.4; MLTSS Contract §§ 2.7, 2.7.3, 2.7.4]

b. Provider/Subcontractor shall abide by all federal and State laws, regulations, and orders that prohibit discrimination because of race, color, religion, sex, national origin, ancestry, age, physical or mental disability, including, but not limited to, the Federal Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, the Federal Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972 (regarding education programs and activities), the Age Discrimination Act of 1975, the Illinois Human Rights Act, and Executive Orders 11246 and 11375. Provider/Subcontractor furthermore agrees to take affirmative action to

ensure that no unlawful discrimination is committed in any manner including, but not limited to, the delivery of services under this Agreement. Provider/Subcontractor will furthermore not discriminate against Enrollees or prospective or potential Enrollees on the basis of health status, need for health services, or payment source. All Provider/Subcontractor locations where Enrollees receive Covered Services shall comply with the Americans with Disabilities Act of 1990. [77 Ill. Admin. Code § 240.50(d)(4); ICP Contract §§ 2.8, 5.6.2, 9.1.22; FHP-ACA Contract §§ 2.8, 5.7.2, 9.1.22; MLTSS Contract §§ 2.8, 5.6.2, 9.1.22]

5. Anti-Gag Clause; Prohibition on Retaliation. Provider/Subcontractor shall not be prohibited or otherwise restricted or discouraged from, and shall not prohibit or otherwise restrict or discourage its downstream providers or subcontractors from, taking any of the following actions so long as those actions are within the lawful scope of the acting party's practice: (a) advocating for medically appropriate health care services for Enrollees, which may include without limitation appealing denials and protesting decisions, policies, and practices; (b) advising an Enrollee about the health status of that Enrollee or medical care or treatment for that Enrollee's condition or disease regardless of whether benefits for such care or treatment are provided under the Agreement and/or the State Contracts; and/or (c) discussing with Enrollees, prospective Enrollees, or the public any health care services, health care providers, utilization review policies, quality assurance policies, or terms and conditions of plans and plan policy. Furthermore, Company shall not retaliate against Provider/Subcontractor, and Provider/Subcontractor shall not retaliate against its downstream providers or subcontractors, for any of the foregoing actions. Notwithstanding the foregoing, nothing in this provision shall be construed to prohibit: (a) Company or Provider/Subcontractor from making a determination not to pay for a particular health care service, from enforcing reasonable peer review or utilization review protocols, or from determining whether a physician or other health care provider has complied with those protocols; and/or (b) a Provider that is a hospital from taking disciplinary actions against a physician as authorized by law. [215 ILCS 134/30(a); 215 ILCS 134/35(a)–(d); ICP Contract § 5.32; FHP-ACA Contract § 5.32; MLTSS Contract § 5.31]

6. Grievances and Appeals. Provider/Subcontractor shall comply with Company's grievance and appeal processes referenced in the Agreement, and Company shall notify Provider/Subcontractor within fifteen (15) days following any substantive change to such procedures. [ICP Contract § 5.28.6; FHP-ACA Contract § 5.28.6; MLTSS Contract § 5.27.6]

7. Data and Reporting.

a. Provider/Subcontractor shall submit all data, reports, and clinical information required by Company under the State Contracts in such manner and format, and pursuant to such timeframes, as requested by Company and/or HFS. Provider/Subcontractor shall ensure that all data and reports that it submits to Company are accurate and complete, and Provider/Subcontractor furthermore acknowledges and agrees that all such data and reports shall be available to HFS and, upon request, to federal CMS. [ICP Contract § 5.24; FHP-ACA Contract § 5.24; MLTSS Contract § 5.23]

b. If Provider/Subcontractor provides Covered Services to Enrollees under a Illinois Department of Human Services ("DHS") Home and Community-Based Services ("HCBS") Waiver, under the Medicaid Clinic Option, or under the Medicaid Rehabilitation Option, or provides subacute alcoholism and substance-abuse treatment services pursuant to 89 Ill. Admin. Code §§ 148.340–148.390 and 77 Ill. Admin. Code Part 2090, such Provider/Subcontractor shall enter any data regarding Enrollees that is required under State rules, or under a contract between the Provider/Subcontractor and DHS, into any subsystem maintained by DHS, including, but not limited to, DHS's Automated Reporting and Tracking System (DARTS). [FHP-ACA Contract § 5.28.1.3; MLTSS Contract § 5.27.1.3]

8. Delegation. If Company delegates to Provider/Subcontractor any activities or obligations under the State Contracts:

a. Company shall remain ultimately responsible for the performance of those responsibilities and nothing in the Agreement shall be construed to terminate Company's legal responsibility to DHS to assure that all activities under the State Contracts are carried out. [ICP Contract §§ 5.28.2, 5.28.3; FHP-ACA Contract §§ 5.28.2, 5.28.3; MLTSS Contract §§ 5.27.2, 5.27.3]

b. Provider/Subcontractor acknowledges and agrees that Company's delegated oversight committee will oversee Provider/Subcontractor's activities and performance under the Agreement to ensure compliance with all applicable contractual and statutory requirements, including without limitation the Illinois Human Rights Act, the U.S. Civil Rights Act, and Section 504 of the federal Rehabilitation Act. Company's oversight of Provider/Subcontractor will include, without limitation: pre-delegation audits; quarterly delegation oversight reviews of delegate performance; monthly joint-operation meetings; annual audits of Provider/Subcontractor; regular monitoring of Enrollee complaints with respect to Provider/Subcontractor; and documentation of issues and development of a corrective action plan, as warranted, to improve performance. [ICP Contract § 2.7.4; FHP-ACA Contract § 2.7.4; MLTSS Contract § 2.7.4]

c. To the extent that such delegated activities are credentialing or recredentialing activities or obligations under the State Contracts, Provider/Subcontractor shall maintain a formal credentialing program and shall conduct all such activities or obligations in compliance with Company, National Committee for Quality Assurance (NCQA), and State standards. Company shall monitor such credentialing/recredentialing delegated activities and shall review Provider/Subcontractor's credentialing files no less than annually as part of the annual audit. [ICP Contract § 5.7.4, Attachment XI ¶ 7.e.; FHP-ACA Contract § 5.8.4, Attachment XI ¶ 7.e.; MLTSS Contract § 5.7.4, Attachment XI ¶ 7.e.]

9. Offshore Services. Provider/Subcontractor is prohibited from using any individual or entity (an "Offshore Entity") (including, but not limited to, any employee, contractor, subcontractor, agent, representative, or other individual or entity) to perform any services for Company if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless Company, in its sole discretion and judgment, agrees in advance and in writing to the use of such Offshore Entity. Provider/Subcontractor further agrees that Company has the right to audit any Offshore Entity prior to the provision of Offshore Services for Company. Provider/Subcontractor further represents and warrants that it does not and will not permit any Enrollee's protected health information (PHI) or other personal information to be accessible by any Offshore Entity, without prior written notice to Company and Company's prior written approval of such Offshore Entity. In the event that Company agrees in advance and in writing to permit Provider/Subcontractor to use an Offshore Entity to perform any services for Company and Company agrees that such Offshore Entity will receive, process, transfer, handle, store, or access Enrollee PHI as defined at 45 C.F.R. § 160.103, Provider/Subcontractor agrees that Offshore Services that involve Enrollee Member PHI may be subject to mandatory reporting to CMS and/or other applicable government regulators. [MLTSS Contract § 5.27.14]

10. Quality Assurance. With respect to Company's quality-assurance obligations under the State Contracts:

a. Provider/Subcontractor shall participate in and cooperate with Company's quality-assurance program (QAP), shall cooperate with Company with respect to Company's QAP obligations under the State Contracts, and shall cooperate with Company's quality improvement committee. Provider/Subcontractor shall furthermore allow Company to access Provider/Subcontractor's Enrollee medical records to permit effective quality review and monitoring of Provider/Subcontractor's compliance with policies and procedures, specifications, and appropriateness of care, and such access shall include the right of Company to make and/or obtain a copy (in either electronic or hardcopy form) of such records. [ICP Contract, Attachment XI ¶ 6.b.; FHP-ACA Contract, Attachment XI ¶ 6.b.; MLTSS Contract, Attachment XI ¶¶ 2.b.ii., 6.b.]

b. Provider/Subcontractor shall provide, arrange for, or participate in the quality-assurance programs mandated by the Illinois Health Maintenance Organization Act, unless the Illinois Department of

Public Health has certified that such programs will be fully implemented without any participation or action from Provider/Subcontractor. [215 ILCS 125/2-8(a); 50 Ill. Admin. Code § 5241.50(a)(4)]

c. Provider/Subcontractor acknowledges and agrees that Company shall perform quality-assurance evaluations of Provider/Subcontractor's practices, which shall include monitoring of Enrollee accessibility to ensure linguistic and physical accessibility. [ICP Contract § 2.7.5; FHP-ACA Contract § 2.7.5; MLTSS Contract § 2.7.5]

d. Provider/Subcontractor shall cooperate and comply with all remedial or corrective actions that Company implements with respect to Provider/Subcontractor and/or its services under the Agreement, upon Company's determination that Provider/Subcontractor has furnished inappropriate or substandard services or has failed to furnish services that should have been furnished. [ICP Contract, Attachment XI ¶ 3.e.; FHP-ACA Contract, Attachment XI ¶ 3.e.; MLTSS Contract, Attachment XI ¶ 3.e.]

e. If Company delegates to Provider/Subcontractor any quality-assurance activities or obligations that Company has under the State Contracts:

Company and Provider/Subcontractor shall agree in writing upon the delegated activities, the accountability of Provider/Subcontractor for those activities, and the frequency of Provider/Subcontractor's reporting to Company related to those activities. [ICP Contract, Attachment XI ¶ 7.a.; FHP-ACA Contract, Attachment XI ¶ 7.a.; MLTSS Contract, Attachment XI ¶ 7.a.]

Company and Provider/Subcontractor shall agree in writing upon the standards and procedures for monitoring and evaluating the implementation of the delegated functions and for verifying the actual quality of care being provided. [ICP Contract, Attachment XI ¶ 7.b.; FHP-ACA Contract, Attachment XI ¶ 7.b.; MLTSS Contract, Attachment XI ¶ 7.b.]

All such delegated activities shall conform to the requirements set forth in the State Contracts. [ICP Contract, Attachment XI ¶ 7.c.; FHP-ACA Contract, Attachment XI ¶ 7.c.; MLTSS Contract, Attachment XI ¶ 7.c.]

Provider/Subcontractor acknowledges and agrees that Company shall engage in continuous and ongoing evaluation and oversight of such delegated activities, including approval of quality-improvement plans and regular specified reports, as well as a formal review of such activities. Company's oversight of Provider/Subcontractor's performance of these delegated activities must include no less than an annual audit, analyses of required reports and encounter data, a review of Enrollee complaints, grievances, Provider complaints, and quality of care concerns raised through encounter data, monitoring activities, or other venues. Outcomes of Company's annual audit shall be submitted to HFS as part of Company's QA/UR/PR Annual Report. [ICP Contract, Attachment XI ¶ 7.d.; FHP-ACA Contract, Attachment XI ¶ 7.d.; MLTSS Contract, Attachment XI ¶ 7.d.]

If Company or Provider/Subcontractor identifies areas requiring improvement, Company or Provider/Subcontractor, as appropriate, shall take corrective action and implement a quality improvement initiative. If one or more deficiencies are identified, Provider/Subcontractor must develop and implement a corrective action plan, with protections put in place by Company to prevent such deficiencies from recurring. Evidence of ongoing monitoring of the delegated activities sufficient to assure corrective action shall be provided to HFS through quarterly or annual reporting. [ICP Contract, Attachment XI ¶ 7.f.; FHP-ACA Contract, Attachment XI ¶ 7.f.; MLTSS Contract, Attachment XI ¶ 7.f.]

11. Pharmacy Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to pharmacy-related Covered Services under the ICP Contract and FHP-ACA Contract:

a. Provider/Subcontractor shall administer all pharmacy benefits in accordance with the provisions and requirements of the State Contracts and all applicable State and federal laws and regulations. [ICP Contract §§ 5.1.7, 5.16.6; FHP-ACA Contract §§ 5.2.5, 5.16.6]

b. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contracts to submit required pharmacy-related reports and data to applicable federal and State authorities. [ICP Contract, Attachment XIII; FHP-ACA Contract, Attachment XIII]

c. If Company delegates to Provider/Subcontractor any pharmacy-related activities or obligations that Company has under the State Contracts, Provider/Subcontractor shall comply with all pharmacy-related provisions and requirements set forth in the State Contracts, including without limitation the following, as applicable:

(i) Company and Provider/Subcontractor shall submit a pharmacy formulary for prior approval by the State initially and annually thereafter. [ICP Contract § 5.1.7; FHP-ACA Contract § 5.2.5]

(ii) Company and Provider/Subcontractor shall provide coverage of drugs in all classes of drugs for which HFS's fee-for-service program provides coverage. [ICP Contract § 5.1.7.1; FHP-ACA Contract § 5.2.5.1]

(iii) Company and Provider/Subcontractor shall cover only drugs made by manufacturers that participate in the federal Medicaid drug rebate program, which applies to both prescription and over-the-counter drugs, but does not apply to non-drug items such as blood sugar test strips. HFS will provide a listing of manufacturers that participate in the federal Medicaid drug rebate program. [ICP Contract § 5.1.7.2; FHP-ACA Contract § 5.2.5.2]

(iv) Company and Provider/Subcontractor may determine their own utilization controls, including without limitation step therapy and prior approval, unless otherwise prohibited under the State Contracts, to ensure appropriate utilization. Company and Provider/Subcontractor shall utilize HFS's step-therapy and prior-authorization requirements for family-planning drugs and devices as set forth in the State Contracts. [ICP Contract § 5.1.7.3; FHP-ACA Contract § 5.2.5.3]

(v) Company and Provider/Subcontractor shall ensure that they require pharmacy, medical, and hospital providers to identify 340B-purchased drugs on pharmacy, medical, and hospital claims following HFS billing guidelines applied in HFS's fee-for-service program, and Company and Provider/Subcontractor shall furthermore ensure that its encounter claims to HFS identify these drugs. [ICP Contract § 5.1.7.4; FHP-ACA Contract § 5.2.5.4] For any outpatient drugs *not* identified in accordance with the previous sentence: (i) Company and Provider/Subcontractor shall collect information on the total number of units of each dosage form and strength and package size by National Drug Code of each covered outpatient drug dispensed to Enrollees, and (ii) Company and Provider/Subcontractor shall report to HFS quarterly, in a format and in the detail specified by HFS, information on the total number of units of each dosage form and strength and package size by National Drug Code of each such covered outpatient drug dispensed to Enrollees. [FHP-ACA Contract §§ 5.2.5.4.1, 5.2.5.4.2]

(vi) Company and Provider/Subcontractor shall establish and maintain a generic drug Maximum Allowable Cost (MAC) dispute-resolution process, subject to approval by HFS. The MAC dispute-resolution process shall enable pharmacies to report pricing disputes to the Company and/or

Provider/Subcontractor up to sixty (60) days from the claim date and Company and/or Provider/Subcontractor is required to resolve the pricing dispute within twenty-one (21) days by adjusting the reimbursement rate to represent the average acquisition cost of the drug, or by informing the pharmacy of alternative generic equivalent products that can be purchased at or below the Company's existing MAC price. [ICP Contract § 5.1.7.5; FHP-ACA Contract § 5.2.5.5]

(vii) Company and Provider/Subcontractor shall develop and implement a system, including policies and procedures, coverage criteria, and processes for their Drug Utilization Review (DUR) program. The DUR program shall include a prospective review process for all drugs prior to dispensing and all non-formulary drug requests, and a retrospective drug utilization review process to detect patterns in prescribing, dispensing, or administration of medication and to prevent inappropriate use or abuse. Company and Provider/Subcontractor are required to report prospective and retrospective DUR activities to HFS quarterly, and to assist in data collection and reporting to HFS of data necessary to complete the federal CMS DUR annual report. [ICP Contract § 5.1.7.6; FHP-ACA Contract § 5.2.5.6]

(viii) Company and Provider/Subcontractor shall comply with the pharmacy prior-authorization provisions and requirements set forth in Section 5.16.6 of each of the State Contracts, which requires that Company and/or Provider/Subcontractor must authorize or deny a prior-authorization request for pharmacy services no later than twenty-four (24) hours after receipt of the request for authorization. [ICP Contract § 5.16.6; FHP-ACA Contract § 5.16.6]

(ix) Company and Provider/Subcontractor shall not permit or allow, whether by contract, written policy, or procedure, any individual or entity to dispense a different drug in place of the drug or brand of drug ordered or prescribed without the express permission of the person ordering or prescribing the drug, except as provided under Section 3.14 of the Illinois Food, Drug and Cosmetic Act (codified at 410 ILCS 620/3.14). [215 ILCS 134/30(b)]

12. Children's Mental Health Service Requirements. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to any behavioral-health Covered Services that Provider/Subcontractor provides to Enrollees under the age of twenty one (21):

a. Provider/Subcontractor shall administer all such behavioral-health benefits in accordance with the provisions and requirements of Attachment XXII of the FHP-ACA Contract and in accordance with all applicable State and federal laws and regulations. [FHP-ACA Contract, Attachment XXII]

b. If Provider is an inpatient psychiatric Provider, it shall administer a physical examination to the Enrollee within twenty-four (24) hours after admission when that Enrollee requires admission to an appropriate inpatient institutional treatment setting. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.iv.]

c. Provider shall comply with Company's procedures with respect to discharge and transitional planning related to an appropriate inpatient institutional treatment setting, and shall cooperate with Company in the education and training of the Enrollee's family on how to use the "crisis safety plans" while the Enrollee is receiving inpatient institutional treatment. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.v.5.]

d. If Provider/Subcontractor provides Mobile Crisis Response Services in connection with the State Contracts:

(i) Provider/Subcontractor shall ensure that the staff providing those services hold the following credentials: (a) Mental Health Professional (MHP) with direct access to a Qualified Mental Health professional; (b) Qualified Mental Health Professional; or (c) Licensed Practitioner of the Healing Arts. [FHP-ACA Contract, Attachment XXII, ¶ 3.f.]

(ii) Provider/Subcontractor shall provide immediate crisis and stabilization services when an Enrollee in crisis can be stabilized in the community. [FHP-ACA Contract, Attachment XXII, ¶ 4.a.i.]

(iii) Provider/Subcontractor shall establish a "crisis safety plan" for all Enrollees presenting in behavioral-health crisis that is unique to the Enrollee and the circumstances leading to the crisis situation. [FHP-ACA Contract, Attachment XXII, ¶¶ 4.a.ii., 4.b.i.]

(iv) Provider/Subcontractor shall provide the Enrollee's family with contact information that may be used at any time, 24 hours a day, to contact Company in moments of crisis. [FHP-ACA Contract, Attachment XXII, ¶ 4.a.iv.]

(v) Provider/Subcontractor shall provide families of Enrollees with physical copies of the "crisis safety plan" (a) prior to the completion of the crisis screening event for any Enrollee stabilized in the community, and (b) prior to discharge of the Enrollee from an inpatient psychiatric hospital for any Enrollee that is admitted to such a facility. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.ii.]

(vi) Provider/Subcontractor shall educate and orient the Enrollee's family to the components of the "crisis safety plan" to ensure that the plan is reviewed with the family regularly, and to detail how the plan is updated as necessary. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.iii.]

(vii) Provider/Subcontractor shall share the "crisis safety plan" with all necessary medical professionals, including care coordinators, consistent with the authorizations established by consent or release. [FHP-ACA Contract, Attachment XXII, ¶ 4.b.iv.]

(viii) Provider/Subcontractor shall facilitate the Enrollee's admission to an appropriate inpatient institutional treatment setting when the Enrollee in crisis cannot be stabilized in the community. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.i.]

(ix) Provider/Subcontractor shall inform the Enrollee's parents, guardian, caregivers, or residential staff about all of the available service providers and pertinent policies needed to allow the involved parties to select an appropriate inpatient institutional treatment setting. [FHP-ACA Contract, Attachment XXII, ¶ 4.c.ii.]

13. Third-Party Payment Sources; Coordination of Benefits. Provider/Subcontractor acknowledges and agrees that Medicaid payment, under the State Contracts or otherwise, is secondary to other sources of payment (including Medicare) for Covered Services provided to Enrollees, and that Medicaid (and consequently Company, as a Medicaid MCO of the State) is the payer of last resort. Provider/Subcontractor furthermore acknowledges and agrees that to the extent Medicare has primary responsibility for a Covered Service, Company's obligation to pay for that Covered Service is only triggered if the State would have had a payment obligation as secondary payor on that Covered Service. [MLTSS Contract § 5.1] Provider/Subcontractor also acknowledges and agrees that when Company is aware of third-party sources of payment for Covered Services, Company is required to "cost avoid" (*i.e.*, deny) the associated claim and to redirect Provider/Subcontractor to bill that third-party source of payment as the primary payor.

14. Cooperation with Company. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract, including without limitation:

a. Company's obligation to submit financial and expense-related reports/data to the State relating to the risk adjustment and Medical Loss Ratio (MLR) adjustment set forth in the State Contracts. [ICP Contract §§ 7.4, 7.11; FHP-ACA Contract §§ 7.4, 7.11; MLTSS Contract §§ 7.4, 7.11]

b. Company's obligation to investigate, pursue, and report on coordination-of-benefit and third-party-liability resources and recoveries. [ICP Contract §§ 9.1.37, 9.1.38; FHP-ACA Contract §§ 9.1.36, 9.1.37; MLTSS Contract §§ 9.1.36, 9.1.37]

c. Company's obligation to provide a "medical home," as that term is used in the State Contracts, for its Enrollees. [ICP Contract §§ 5.5.7, 5.9.2; FHP-ACA Contract §§ 5.6.7, 5.9.2; MLTSS Contract §§ 5.5.7, 5.8.2]

d. Company's obligation to develop the Enrollee's care plan and to encourage Provider/Subcontractor to support Enrollees in directing their own care and in development of the Enrollee's care plan. [ICP Contract § 5.12.6; FHP-ACA Contract §§ 5.14.5, 5.14.8.1.3; MLTSS Contract §§ 5.13.5, 5.13.9.1, 5.13.9.2.3]

e. Company's obligation to avoid unnecessary utilization of emergency services by Enrollees and to promote care management through the Enrollees' primary care providers (PCPs) or "medical home." [ICP Contract § 5.17.1.5; FHP-ACA Contract § 5.17.1.5]

f. Company's obligation to establish and maintain an HFS-approved peer-review program to review the quality of care that Provider/Subcontractor provides to Enrollees. [ICP Contract § 5.19.5; FHP-ACA Contract § 5.19.5; MLTSS Contract § 5.18.5]

g. Company's obligation to provide orientation, education, and training for Provider/Subcontractor as set forth in the State Contracts, including without limitation (i) training on how to identify, recognize potential concerns related to, and report on suspected or alleged abuse, neglect, and exploitation being suffered by Enrollees, and (ii) education on the application of required clinical guidelines. [ICP Contract §§ 5.9, 5.20.1, 5.20.2, Attachment XI ¶ 9, Attachment XXI ¶ 3; FHP-ACA Contract §§ 5.9, 5.20.4, 5.20.5, Attachment XI ¶ 9, Attachment XXI ¶ 3; MLTSS Contract §§ 5.8, 5.19.4, 5.19.5, Attachment XI ¶ 9, Attachment XXI ¶ 3]

h. Company's obligation to participate in any State-required performance-improvement projects. [ICP Contract § 7.16.5; FHP-ACA Contract § 7.16.5; MLTSS Contract § 7.16.5]

i. Company's obligation to remit to Provider/Subcontractor, if applicable, any "hospital access payments" authorized under 305 ILCS 5/5A-12.2(s)–(t) and 305 ILCS 5/5A-12.5 (Public Act 98-651, enacted June 14, 2014). [ICP Contract § 7.1.5; FHP-ACA Contract § 7.1.2]

j. Company's obligation to respond to any letter of concern, written deficiency notice, or request for a corrective action plan that Company receives from the State relating to Provider/Subcontractor or the services that are within the scope of the Agreement. [ICP Contract § 7.16.6; FHP-ACA Contract § 7.16.6; MLTSS Contract § 7.16.6]

k. Company's obligations and responsibilities relating to the "HMO self-evaluation structure" and associated activities set forth in 77 Ill. Admin. Code § 240.60. [77 Ill. Admin. Code § 240.50(d)(1)(C)]

l. Company's obligations to coordinate Enrollees' care with any other entities involved in managing or coordinating that care, to collaborate and deliberate with those other entities as needed for care coordination and health-care decisions, to share with and receive information from those other entities as needed for care coordination, and to obtain any permissions (including without limitation any signed written permissions) necessary to facilitate such information-sharing, care coordination, and collaboration. [MLTSS Contract §§ 5.9.4, 5.10.1.6, 5.12.2.8, 5.13.9.1]

15. Notice of Legal Action. If Provider/Subcontractor, its parent, or one of its affiliates becomes a party to any litigation, investigation, or transaction that may reasonably be considered to have a material impact on

Provider/Subcontractor's ability to perform under the Agreement, Provider/Subcontractor shall immediately notify Company in writing. [ICP Contract § 9.1.24; FHP-ACA Contract § 9.1.24; MLTSS Contract § 9.1.24]

16. State Review of Agreement. Provider/Subcontractor acknowledges and agrees that Company may be required to submit a copy of the Agreement to HFS for review, and that HFS reserves the right to require Company to amend the Agreement as reasonably necessary to conform to Company's duties and obligations under the State Contracts. [ICP Contract § 5.28.10; FHP-ACA Contract § 5.28.10; MLTSS Contract § 5.27.10]

17. Termination of Agreement and Effect Thereof.

a. In the event the Agreement is terminated, such termination shall not constitute termination of any other agreement that Provider/Subcontractor has entered into with Company or an Affiliate of Company unless otherwise agreed to in writing by the parties. Furthermore, in the event this Illinois Medicaid Addendum is terminated, such termination shall not constitute termination of any other Product Addendum or Product Participation that Provider/Subcontractor has entered into with Company pursuant to the Agreement unless otherwise agreed to in writing by the Parties.

b. Notwithstanding anything in the Agreement to the contrary, if either Company or Provider/Subcontractor seeks (i) to terminate the Agreement "with cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least sixty (60) days' written notice to the other party; or (ii) to terminate the Agreement "without cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least ninety (90) days' written notice to the other party. Furthermore, Provider/Subcontractor shall cooperate with Company with respect to Company's obligation to provide timely notice to Enrollees of any termination that would curtail or eliminate services to such Enrollees, with such notice to be sent (i) at least sixty (60) days prior to that termination, or (ii) immediately, if Company receives less than sixty (60) days' notice of that termination from Provider/Subcontractor. The notice to be sent to Enrollees shall include instructions regarding referrals that have previously been issued and appointments that may be pending. [50 Ill. Admin. Code § 5241.50(a)(5)–(6); 305 ILCS 5/5F-40(a)]

c. Notwithstanding anything in the Agreement to the contrary, Company shall retain the right to terminate the Agreement, or impose other sanctions, if the performance of Provider/Subcontractor is inadequate. Company shall monitor the performance of Provider/Subcontractor on an ongoing basis, shall subject Provider/Subcontractor to formal review on no less than a triennial basis, and to the extent deficiencies or areas for improvement are identified during an informal or formal review, shall require Provider/Subcontractor to take appropriate corrective action. Furthermore, Company shall promptly terminate the Agreement if Provider/Subcontractor is or becomes terminated, barred, or suspended, or has voluntarily withdrawn as a result of a settlement agreement, under either Section 1128 or Section 1128A of the Social Security Act, from participating in any program under federal law including any program under Titles XVIII, XIX, XX or XXI of the Social Security Act or are otherwise excluded from participation in the HFS Medical Program. [ICP Contract §§ 5.28.7, 5.28.9; FHP-ACA Contract §§ 5.28.7, 5.28.9; MLTSS Contract §§ 5.27.7, 5.27.9]

18. Maintenance, Access to, and Confidentiality of Records.

a. Provider/Subcontractor shall maintain books and records relating to the performance of the State Contracts and the Agreement and necessary to support amounts charged under the State Contracts and the Agreement. Books and records, including information stored in databases or other computer systems, shall be maintained by Provider/Subcontractor for a period of three (3) years from the later of the date of final payment under the Agreement or completion of the Agreement, or such longer time as may be required by federal law or regulation. Books and records required to be maintained under this provision shall be accessible for review or audit by representatives of Company or any Authorized Persons (along with the Executive

Inspector General and the Chief Procurement Officer) upon reasonable notice and during normal business hours. Such access shall include the right to make and/or obtain a copy (in either electronic or hardcopy form) of such books and records. Provider/Subcontractor shall cooperate fully with any such audit and with any investigation conducted by any of these entities. Failure to maintain the books and records required by this provision shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the State Contracts for which adequate books and records are not available to support the purported disbursement. Provider/Subcontractor shall not impose a charge for audit or examination of Provider/Subcontractor's books and records. [ICP Contract § 9.1.2; FHP-ACA Contract § 9.1.2; MLTSS Contract § 9.1.2]

b. Provider/Subcontractor may have or gain access to confidential data or information owned or maintained by the State or Company in the course of carrying out Provider/Subcontractor's responsibilities under the Agreement and/or the State Contracts. Provider/Subcontractor shall presume all information received from the State or Company, or to which it gains access pursuant to the Agreement and/or the State Contracts, is confidential. No confidential data collected, maintained, or used in the course of performance of the Agreement and/or the State Contracts shall be disseminated except as authorized by law and with the written consent of the State and/or Company, as applicable, either during the term of the State Contracts or thereafter, unless otherwise expressly provided in the State Contracts. Provider/Subcontractor must return any and all data collected, maintained, created, or used in the course of the performance of the Agreement and/or the State Contracts, in whatever form it is maintained, promptly at the earlier of the termination of the Agreement or the termination of the State Contracts, or earlier at the request of the State, or notify the State and/or Company, as applicable, in writing of its destruction. The foregoing obligations shall not apply to confidential data or information that is: (i) lawfully in Provider/Subcontractor's possession prior to its acquisition from the State and/or Company; (ii) received in good faith from a third-party not subject to any confidentiality obligation to the State and/or Company; (iii) now is or later becomes publicly known through no breach of confidentiality obligation by Provider/Subcontractor; or (iv) is independently developed by Provider/Subcontractor without the use or benefit of the confidential information of the State and/or Company. [ICP Contract § 9.1.6; FHP-ACA Contract § 9.1.6; MLTSS Contract § 9.1.6]

c. Provider/Subcontractor shall ensure that all information, records, data, and data elements pertaining to applicants for and recipients of public assistance, or to providers, facilities, and associations, shall be protected from unauthorized disclosure by Provider/Subcontractor and Provider/Subcontractor's employees, by Provider/Subcontractor's corporate affiliates and their employees, and by Provider/Subcontractor's subcontractors and their employees, pursuant to 305 ILCS 5/11-9, 11-10, and 11-12; 42 U.S.C. § 654(26); 42 C.F.R. Part 431, Subpart F; and 45 C.F.R. Part 160 and 45 C.F.R. Part 164, Subparts A and E. To the extent that Provider/Subcontractor, in the course of performing under the terms of the Agreement, serves as a business associate of Company and/or HFS, as "business associate" is defined in the HIPAA Privacy Rule (45 C.F.R. § 160.103), Provider/Subcontractor shall assist Company and/or HFS in responding to the client as provided in the HIPAA Privacy Rule, and shall maintain for a period of six (6) years any records relevant to an individual's eligibility for services under the HFS Medical Program. [ICP Contract § 9.1.21; FHP-ACA Contract § 9.1.21; MLTSS Contract § 9.1.21]

d. Provider/Subcontractor, to which Company provides Enrollee PHI that Company has received from HFS or created or received by Company on behalf of HFS, agrees to the same restrictions, conditions, and requirements that apply under the terms of the State Contracts to Company with respect to such information. [ICP Contract, Attachment VI § C.5; FHP-ACA Contract, Attachment VI § C.5; MLTSS Contract, Attachment VI §§ B.4, B.5]

19. Medical Records. With respect to Enrollee medical records:

a. In addition to the requirements set forth in the Agreement, Provider/Subcontractor shall maintain Enrollee medical records in a timely, legible, accurate, current, complete, and organized manner, with appropriate dates and identification and initialing/signature of the Provider/Subcontractor, to facilitate retrieval and compilation of records, to ensure Enrollee continuity of care, and to permit effective and confidential

patient care and quality review. For each encounter or episode of care that Provider/Subcontractor has with an Enrollee, Provider/Subcontractor shall place the following information into the Enrollee's medical records: (1) the reason for the encounter; (2) evidence of the Provider/Subcontractor's assessment of the Enrollee's health problems; (3) current diagnosis of the Enrollee, including the results of any diagnostic tests; (4) the plan of treatment, including any therapies and health education; (5) any medical history relevant to the current episode of care; and (6) confirmation that all outcomes of ancillary reports, such as laboratory tests and x-rays, have been reviewed by the individual or entity who ordered the reports and that follow-up actions have been taken regarding report results that are deemed significant by the individual or entity who ordered those reports. [77 Ill. Admin. Code §§ 240.50(c)(1), 240.90(a)–(b); ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3; MLTSS Contract § 5.22.3]

b. Provider/Subcontractor shall ensure that Enrollee medical records contain documented efforts to obtain Enrollee consent when required by law. Provider/Subcontractor shall furthermore only release Enrollee medical records to Authorized Persons, or to any primary care provider (PCP), women's health care provider (WHCP), or other Provider of Enrollee (subject to Enrollee's consent when required by law), and shall only release original Enrollee medical records in accordance with federal or State law, court orders, subpoenas, or a valid records-release form executed by the Enrollee. Provider/Subcontractor shall protect the confidentiality and privacy of minors, and shall abide by all federal and State laws regarding the confidentiality and disclosure of medical records, mental health records, and any other information about Enrollees. Provider/Subcontractor shall produce Enrollee medical records to HFS upon request. [ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3; MLTSS Contract § 5.22.3]

c. If Provider/Subcontractor is an Enrollee's primary care provider (PCP), Provider/Subcontractor shall furthermore maintain a permanent medical record for that Enrollee to ensure continuity of care. The medical record for each Enrollee who has had a routine, scheduled appointment with his/her primary care provider (PCP) shall include the following information: (1) identification; (2) patient history; (3) known past surgical procedures; (4) known past and current diagnoses and problems; and (5) known allergies and untoward reactions to drugs. [77 Ill. Admin. Code § 240.90(c); ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

d. If Enrollee changes PCPs or "medical homes," Provider/Subcontractor shall forward Enrollee's medical records or copies thereof to the new PCP or "medical home" promptly upon Enrollee's transfer. [ICP Contract § 5.23.3; FHP-ACA Contract § 5.23.3]

e. Provider/Subcontractor shall only record diagnosis codes in Enrollee's medical records at the time of creation of that medical record, and shall not retroactively adjust any such diagnosis codes except to correct errors. [ICP Contract § 7.4.1; FHP-ACA Contract § 7.4.1]

20. Use of Hospitalists. Neither Company nor Provider/Subcontractor shall require or otherwise mandate, whether by contract, written policy, or procedure, any Enrollee to substitute his or her participating primary care provider (PCP) during inpatient hospitalization, such as with a hospitalist physician, without the agreement of that Enrollee's participating primary care provider (PCP). Company and Provider/Subcontractor (if applicable) shall inform Enrollees of any policies, recommendations, or guidelines concerning the substitution of the Enrollee's primary care provider (PCP) when hospitalization is necessary in the manner set forth in 215 ILCS 5/15(d)–(e). [215 ILCS 134/30(c)]

21. Provider Enrollment, Credentialing, Licensure, and Privileges.

a. Provider/Subcontractor shall be enrolled as a provider in the HFS Medical Program (as defined below), if such enrollment is required by HFS's rules or policy in order to submit claims for reimbursement or otherwise participate in the HFS Medical Program. Provider/Subcontractor shall not, in turn, contract or subcontract with an individual or entity that has voluntarily withdrawn from the HFS Medical Program as the result of a settlement agreement. For purposes of this provision, the term "HFS Medical

Program" means the (i) Illinois Medical Assistance Program administered under Article V of the Illinois Public Aid Code (305 ILCS 5/5-1 *et seq.*) or its successor program, and Titles XIX (42 U.S.C. § 1396 *et seq.*) and XXI (42 U.S.C. § 1397aa *et seq.*) of the Social Security Act, and Section 12-4.35 of the Illinois Public Aid Code (305 ILCS 5/12-4.35); and (ii) the State Children's Health Insurance Program administered under 215 ILCS 106 and Title XXI of the Social Security Act (42 U.S.C. § 1397aa *et seq.*). [ICP Contract §§ 1.71, 5.28.4; FHP-ACA Contract §§ 1.75, 5.28.4; MLTSS Contract §§ 1.74, 5.27.4]

b. Provider shall comply with all credentialing and recredentialing policies and procedures that Company implements to verify Provider's credentials, including without limitation by completing a credentialing application in accordance with applicable policies and procedures. Furthermore, Provider shall comply with all applicable credentialing/recredentialing standards and requirements set forth in the State Contracts and in applicable federal and State laws, regulations, and written policies. [ICP Contract § 5.7.1, Attachment XI ¶ 8; FHP-ACA Contract § 5.8.1, Attachment XI ¶ 8; MLTSS Contract § 5.7.1, Attachment XI ¶ 8]

c. If Provider/Subcontractor operates a laboratory testing site that provides services to Enrollees, (i) that site shall possess a valid Clinical Laboratory Improvement Amendment (CLIA) certificate and comply with the CLIA regulations found at 42 C.F.R. Part 493, and (ii) Provider/Subcontractor shall report lab values to Company directly. [ICP Contract §§ 5.19.2, 5.28.9.4; FHP-ACA Contract §§ 5.19.2, 5.28.9.4]

d. If Provider is a physician, such physician Provider shall have and maintain admitting privileges and, as appropriate, delivery privileges at a hospital that is also a participating Provider with Company; or, in lieu of these admitting and/or delivery privileges, such physician Provider shall have a written referral agreement with a separate physician who is a participating Provider with Company and who has such privileges at a hospital that is also a participating Provider with Company. Such physician Provider shall coordinate care with the referring physician and shall ensure that Enrollee medical records are appropriately transferred; the physicians' written referral agreement shall contain appropriate provisions that document and require such coordination of care and transfer of medical records. [ICP Contract § 5.28.1.2; FHP-ACA Contract § 5.28.1.2; MLTSS Contract § 5.27.1.2]

e. If Provider/Subcontractor provides long-term care and HCBS services under the Agreement, Provider/Subcontractor shall be approved and authorized by the State to provide such Covered Services, and shall only provide to Enrollees those particular Covered Services for which they are approved and authorized. [FHP-ACA Contract § 5.8.5; MLTSS Contract § 5.7.5]

22. Disclosure of Ownership and Control; Prohibited Relationships; Background Checks.

a. Consistent with federal disclosure requirements described in 42 C.F.R. § 455.100 through 42 C.F.R. § 455.106 and 42 C.F.R. § 438.610, and to ensure that Company does not make a payment to an individual or entity that has been criminally convicted of a felony, is debarred, suspended, or otherwise excluded from participating in federal health care programs, or is excluded from participating in procurement activities under the Federal Acquisition Regulation, or from participating in non-procurement activities under regulations issued under Executive Order No. 12549 or under guidelines implementing Executive Order No. 12549, Provider/Subcontractor shall disclose to Company: any required ownership and control, relationship, and financial interest information; any changes to ownership and control, relationship, and financial interest information; and information on any criminal convictions regarding Provider/Subcontractor and any owner(s) and managing employee(s) at the time the Agreement is executed and annually thereafter, and any time there are changes to such information. [ICP Contract § 9.2.34; FHP-ACA Contract § 9.2.34; MLTSS Contract § 9.2.34]

b. No Provider/Subcontractor, no individual who has a direct or indirect ownership or controlling interest of 5% or more of that Provider/Subcontractor, and no officer, director, agent, or managing employee (*i.e.*, general manager, business manager, administrator, director, or like individual who exercises

operational or managerial control over that Provider/Subcontractor or who directly or indirectly conducts the day-to-day operation of that Provider/Subcontractor) shall be an entity or individual: (1) who has been convicted of any offense under Section 1128(a) of the Social Security Act (42 U.S.C. § 1320a-7(a)) or of any offense related to fraud or obstruction of an investigation or a controlled substance described in Section 1128(b)(1)–(3) of the Social Security Act (42 U.S.C. § 1320a-7(b)(1)–(3)); (2) against whom a civil monetary penalty has been assessed under Section 1128A or 1129 of the Social Security Act (42 U.S.C. §1320a-7a; 42 U.S.C. §1320a-8); or (3) who has been excluded from participation in a program under Title XVII, 1902(a)(39) and (41) of the Social Security Act, Section 4724 of the Balanced Budget Act or under a State health care program. [ICP Contract § 9.2.34; FHP-ACA Contract § 9.2.34; MLTSS Contract § 9.2.34]

c. Provider/Subcontractor shall not be an Excluded Person (as that term is defined below), and shall not employ, subcontract with, or affiliate with an Excluded Person. The term "Excluded Person" means any individual or entity that (i) under Section 1128 of the Social Security Act, is or has been terminated, barred, suspended, or otherwise excluded from participation in, or as the result of a settlement agreement has voluntarily withdrawn from participation in, any program under federal law, including any program under Titles IV, XVIII, XIX, XX or XXI of the Social Security Act; (ii) has not been reinstated in the program after a period of exclusion, suspension, debarment, or ineligibility; or (iii) has been convicted of a criminal offense related to the provision of items or services to a federal, state, or local government entity within the last ten (10) years. Provider/Subcontractor acknowledges and agrees that under the State Contracts, Company must terminate its relationship with Provider/Subcontractor immediately upon learning that such Provider/Subcontractor meets the definition of an Excluded Person, and must notify the HFS OIG of the termination. [ICP Contract §§ 5.22, 9.1.32; FHP-ACA Contract §§ 5.22, 9.1.32; MLTSS Contract §§ 5.21, 9.1.32]

d. Provider/Subcontractor acknowledges and agrees that prior to entering into the Agreement, Company may be required to submit a disclosure statement to HFS identifying any agreements, Providers, and/or Subcontractors in which any of the following have a financial interest of five percent (5%) or more: (a) any individual or entity also having a financial interest of five percent (5%) or more in Company or Company's affiliates as defined by 42 C.F.R. § 455.101; (b) any director, officer, trustee, partner, or employee of Company or Company's Affiliates; and (c) any member of the immediate family of any individual or entity designated above. [ICP Contract § 5.28.12; FHP-ACA Contract § 5.28.12; MLTSS Contract § 5.27.12]

e. Provider/Subcontractor acknowledges and agrees that the State may conduct, at the State's expense and whenever the State deems it reasonably necessary for security reasons, criminal and driver history background checks of Provider/Subcontractor and its officers, employees, or agents, and furthermore acknowledges and agrees that Provider/Subcontractor shall immediately reassign any such individual who, in the opinion of the State, does not pass the background checks. [ICP Contract § 9.1.13; FHP-ACA Contract § 9.1.13; MLTSS Contract § 9.1.13]

23. Fraud, Abuse and Misconduct. Provider/Subcontractor shall report immediately in writing to Company and to the HFS OIG any suspected fraud, abuse, or misconduct associated with any service or function provided for under the Agreement and/or the State Contracts by any parties directly or indirectly affiliated with the Agreement and/or the State Contracts, including without limitation Company and Company's staff, Provider/Subcontractor and its employees and subcontractors, and HFS employees or contractors. Provider/Subcontractor shall make this report to Company and to the HFS OIG within three (3) days after first suspecting fraud, abuse, or misconduct. Provider/Subcontractor shall not conduct any investigation of the suspected fraud, abuse, or misconduct without the express concurrence of the HFS OIG; the foregoing notwithstanding, Provider/Subcontractor may conduct and continue investigations necessary to determine whether reporting is required under this provision. Provider/Subcontractor must report the results of such an investigation to the HFS OIG as described above. Provider/Subcontractor shall cooperate with all investigations of suspected fraud, abuse, or misconduct reported pursuant to this provision. Nothing in this provision precludes Company or Provider/Subcontractor from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, from conducting themselves in accordance with their respective legal or contractual obligations, or from taking internal personnel-related actions. [ICP Contract §§ 5.31.1, 9.1.29; FHP-ACA Contract §§ 5.31.1, 9.1.29; MLTSS Contract §§ 5.30.1, 9.1.29]

24. Business Enterprise Program (BEP) Registration. In the event that Provider/Subcontractor is a minority-owned business, a female-owned business, or a business owned by persons with disabilities, then Provider/Subcontractor shall seek and obtain State certification as a Business Enterprise Program (BEP) vendor under the Business Enterprise Program Act for Minorities, Females and Persons with Disabilities. Provider/Subcontractor shall furthermore cooperate with Company with respect to Company's obligations under the State Contract related to the Business Enterprise Program (BEP) and shall, among other things, maintain a record of all relevant data with respect to the utilization of BEP-certified individuals and entities, including, but not limited to, payroll records, invoices, canceled checks, and books of account, for a period of at least five (5) years after the completion of the Agreement. [ICP Contract §§ 2.9.2, 7.16.2; FHP-ACA Contract §§ 2.9.2, 7.16.2; MLTSS Contract §§ 2.9.2, 7.16.2]

25. Marketing Activities. Provider/Subcontractor shall not engage in any inappropriate or unallowable marketing activities and practices as set forth in the State Contracts and 42 C.F.R. § 438.104, and shall submit to Company for its review any marketing or information materials of Provider/Subcontractor that relate to the State Contracts, prior to disseminating same. Provider/Subcontractor furthermore shall not induce any employees of the State to improperly reveal any confidential information regarding Enrollees or otherwise use such confidential information in a fraudulent manner. [ICP Contract § 4.16.3; FHP-ACA Contract § 4.16.3; MLTSS Contract § 4.16.3]

26. Compliance with Laws, the State Contracts, and Company Policies and Procedures.

a. Provider/Subcontractor shall perform all services and other duties under the Agreement in accordance and compliance with, and subject to, all applicable federal, State, and local laws, rules, ordinances, regulations, orders, federal circulars, and license and permit requirements in the performance of the Agreement, including without limitation, the Managed Care Reform and Patient Rights Act (215 ILCS 134/ 1 *et seq.*), the federal Balanced Budget Act of 1997 (Public Law 105-33), and regulations promulgated by the Illinois Department of Financial and Professional Regulation, the Illinois Department of Public Health, and/or federal CMS. Company shall be in compliance with applicable tax requirements and shall be current in payment of such taxes. Company shall obtain at its own expense all licenses and permissions necessary for the performance of the Agreement. [ICP Contract §§ 2.2, 2.5, 9.1.12; FHP-ACA Contract §§ 2.2, 2.5, 9.1.12; MLTSS Contract §§ 2.2, 2.5, 9.1.12]

b. Provider/Subcontractor shall be bound by the terms and conditions of the State Contracts that are appropriate to the services provided by, or activities delegated to, Provider/Subcontractor in connection with the State Contracts. These terms and conditions include, without limitation, the record-keeping and audit provisions of the State Contracts, such that the Authorized Persons shall have the same rights to audit and inspect Provider/Subcontractor (and any downstream providers or subcontractors thereof) as they have to audit and inspect Company. [ICP Contract § 5.28.1.1; FHP-ACA Contract § 5.28.1.1; MLTSS Contract § 5.27.1.1]

c. Provider/Subcontractor shall comply with the prior-authorization requirements and processes set forth in Company's policies and procedures. [ICP Contract §§ 5.16.5, 5.16.6; FHP-ACA Contract § 5.16.5, 5.16.6; MLTSS Contract §§ 5.15.5, 5.15.6]

d. Provider/Subcontractor shall comply with all utilization-management and peer-review programs, processes, and timeframes established by Company. [ICP Contract, Attachment XII ¶ 4; FHP-ACA Contract, Attachment XII ¶ 4; MLTSS Contract, Attachment XII ¶ 4]

27. State Employee Handbook. If Provider/Subcontractor or any of its employees and subcontractors provide services under the Agreement at a location controlled by HFS or any other State agency, Provider/Subcontractor shall abide by all applicable provisions of the controlling State agency's Employee Handbook. [ICP Contract § 9.1.27; FHP-ACA Contract § 9.1.27; MLTSS Contract § 9.1.27]

28. Prohibition on Gifts. Provider/Subcontractor and its principals, employees, and subcontractors are prohibited from giving gifts to HFS employees, and from giving gifts to, or accepting gifts from, any individual or entity that has a contemporaneous contract with HFS involving duties or obligations related to the Agreement and/or the State Contracts. [ICP Contract § 9.1.30; FHP-ACA Contract § 9.1.30; MLTSS Contract § 9.1.30]

29. No Transfer of Liability to Providers. Neither Company nor Subcontractor shall transfer or attempt to transfer to any health care provider, by indemnification, hold harmless, or contribution requirements that are set forth in any contract, written policy, or procedure, any liability relating to activities, actions, or omissions of Company and/or Subcontractor or their respective officers, employees, or agents; provided, however that nothing in this provision shall relieve any health care provider from liability for his, her, or its own negligence in the performance of his, her, or its duties arising from treatment of an Enrollee. [215 ILCS 134/95]

30. Capitated Contracts. If Company compensates Provider/Subcontractor under the Agreement on a capitated basis for furnishing, arranging, or providing health care services:

a. Provider/Subcontractor agrees that in no event, including but not limited to nonpayment by Company of amounts due to Provider/Subcontractor under the Agreement, insolvency of Company, or any breach of the Agreement by Company, shall Provider/Subcontractor or its assignees or subcontractors have a right to or seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against, the Enrollee or persons acting on the Enrollee's behalf (other than Company) for services provided pursuant to the Agreement, except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Enrollees and persons acting on the Enrollees' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider/Subcontractor and the Enrollee or persons acting on the Enrollee's behalf (other than Company). [50 Ill. Admin. Code § 5241.50(e)]

b. Provider/Subcontractor shall submit timely encounter data/records for all Covered Services that it has provided to Enrollees, in the format specified by the State, so that Company can meet the encounter-reporting specifications and requirements set forth in the State Contracts. Provider/Subcontractor shall be responsible for transmitting all data to Company as required by 42 C.F.R. § 438. [ICP Contract § 7.11.3; FHP-ACA Contract §§ 5.6.6, 7.11.3; MLTSS Contract §§ 5.5.6, 7.11.3]

c. If Provider/Subcontractor is a "Managed Care Organization" as that term is defined in 50 Ill. Admin. Code § 5241.20, Provider/Subcontractor shall submit to Company copies of Provider/Subcontractor's quarterly financial statements, which shall include Provider/Subcontractor's balance sheet and statements of income and cash flow within forty-five (45) days after the end of each fiscal period. In addition, Provider/Subcontractor shall submit, within ninety (90) days after the end of Provider/Subcontractor's fiscal year, copies of Provider/Subcontractor's audited annual financial statements prepared in accordance with generally accepted accounting principles, if available. Provider/Subcontractor acknowledges and agrees that HFS, at its discretion, may require Company to submit for HFS's inspection the financial statements that Company has received from Provider/Subcontractor (which such financial statements shall be deemed confidential by HFS). Provider/Subcontractor agrees to fully cooperate with, and disclose all relevant information requested by, Company's actuaries for the preparation of such actuaries' opinion in accordance with the Actuarial Standards Board Actuarial Standards of Practice No. 16. Company acknowledges that in the event of Provider/Subcontractor's insolvency, Company is secondarily liable as the ultimate risk bearer for unpaid health care services rendered to Company's Enrollees. [50 Ill. Admin Code §5241.50(d)] For purposes of this provision, "Managed Care Organization" or "MCO" means a partnership, association, corporation, or other legal entity, including but not limited to individual practice associations

(IPAs) and physician hospital organizations (PHOs), that delivers or arranges for the delivery of health care services through providers it has contracted with or otherwise made arrangements with to furnish those health care services. [50 Ill. Admin. Code § 5241.20]

31. Required Certifications of Provider/Subcontractor. Provider/Subcontractor acknowledges and agrees that its compliance with Section 9.2 of each of the State Contracts and each subsection of Section 9.2 (collectively, the "Standard Certifications") is a material requirement and condition of this Agreement during the entire term thereof, including during any renewal periods. By executing the Agreement, Provider/Subcontractor certifies compliance with the Standard Certifications in their entirety, and Provider/Subcontractor is under a continuing obligation to remain in compliance with, and to report any non-compliance with respect to, the Standard Certifications. Furthermore, Provider/Subcontractor shall include the Standard Certifications in any subcontracts or other contracts with its downstream entities or related entities that Provider/Subcontractor enters into in connection with the State Contracts. During the term of the State Contracts, Provider/Subcontractor shall confirm compliance with the Standard Certifications in the manner and format determined by the State by the date specified by the State, and in no event later than July 1 of each year that the State Contracts remains in effect. As part of each Standard Certification, Provider/Subcontractor acknowledges and agrees that if Provider/Subcontractor or its subcontractors, downstream entities, or related entities provide false information, or fail to be or remain in compliance with the Standard Certifications, one or more of the following sanctions will apply: (a) the Agreement may be void by operation of law; (b) the State may void the Agreement; and (c) Provider/Subcontractor and its subcontractors, downstream entities, or related entities may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. [ICP Contract § 9.2.1; FHP-ACA Contract § 9.2.1; MLTSS Contract § 9.2.1]

The Standard Certifications are set forth below:

a. Provider/Subcontractor certifies it and its employees will comply with applicable provisions of the United States Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101, *et seq.*), and applicable rules in the performance of this Agreement. [ICP Contract § 9.2.2; FHP-ACA Contract § 9.2.2; MLTSS Contract § 9.2.2]

b. Provider/Subcontractor certifies, if applicable, that it is not in default on an educational loan (5 ILCS 385/3). This applies to individuals, sole proprietorships, partnerships, and individuals as members of LLCs. [ICP Contract § 9.2.3; FHP-ACA Contract § 9.2.3; MLTSS Contract § 9.2.3]

c. Provider/Subcontractor (if an individual, sole proprietor, partner, or an individual as member of an LLC) certifies, if applicable, that it has not received (i) an early retirement incentive prior to 1993 under Section 14-108.3 or 16-133.3 of the Illinois Pension Code, 40 ILCS 5/14-108.3 and 40 ILCS 5/16-133.3, or (ii) an early retirement incentive on or after 2002 under Section 14-108.3 or 16-133.3 of the Illinois Pension Code, 40 ILCS 5/14-108.3 and 40 ILCS 5/16-133 (30 ILCS 105/15a). [ICP Contract § 9.2.4; FHP-ACA Contract § 9.2.4; MLTSS Contract § 9.2.4]

d. Provider/Subcontractor certifies, if applicable, that it is a properly formed and existing legal entity (30 ILCS 500/1.15.80, 20-43), and as applicable has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State. [ICP Contract § 9.2.5; FHP-ACA Contract § 9.2.5; MLTSS Contract § 9.2.5]

e. Provider/Subcontractor certifies that it has neither been convicted of bribing or attempting to bribe an officer or employee of the State or any other state, nor made an admission of guilt of such conduct that is a matter of record (30 ILCS 500/50-5). [ICP Contract § 9.2.7; FHP-ACA Contract § 9.2.7; MLTSS Contract § 9.2.7]

f. If Provider/Subcontractor has been convicted of a felony, Provider/Subcontractor certifies at least five (5) years have passed after the date of completion of the sentence for such felony, unless no person held responsible by a prosecutor's office for the facts upon which the conviction was based continues to have any involvement with the business (30 ILCS 500/50-10). [ICP Contract § 9.2.8; FHP-ACA Contract § 9.2.8; MLTSS Contract § 9.2.8]

g. If Provider/Subcontractor, or any officer, director, partner, or other managerial agent of Provider/Subcontractor, has been convicted of a felony under the Sarbanes-Oxley Act of 2002, or a Class 3 or Class 2 felony under the Illinois Securities Law of 1953, Provider/Subcontractor certifies that at least five (5) years have passed since the date of the conviction. Provider/Subcontractor further certifies that it is not barred from being awarded a contract and acknowledges that the State shall declare the Agreement void if this certification is false (30 ILCS 500/50-10.5). [ICP Contract § 9.2.9; FHP-ACA Contract § 9.2.9; MLTSS Contract § 9.2.9]

h. Provider/Subcontractor certifies that it is not barred from having a contract with the State based on violating the prohibition on providing assistance to the State in identifying a need for a contract (except as part of a public request for information process) or by reviewing, drafting, or preparing a solicitation or similar documents for the State (30 ILCS 500/50-10.5e). [ICP Contract § 9.2.10; FHP-ACA Contract § 9.2.10; MLTSS Contract § 9.2.10]

i. Provider/Subcontractor certifies that it and its affiliates are not delinquent in the payment of any debt to the State (or if delinquent has entered into a deferred payment plan to pay the debt), and Provider/Subcontractor and its affiliates acknowledge that the State may declare the Agreement void if this certification is false (30 ILCS 500/50-11) or if Provider/Subcontractor or an affiliate later becomes delinquent and has not entered into a deferred payment plan to pay off the debt (30 ILCS 500/50-60). [ICP Contract § 9.2.11; FHP-ACA Contract § 9.2.11; MLTSS Contract § 9.2.11]

j. Provider/Subcontractor certifies that it and its affiliates shall collect and remit Illinois Use Tax on all sales of tangible personal property into the State in accordance with provisions of the Illinois Use Tax Act (30 ILCS 500/50-12) and acknowledges that failure to comply can result in the Agreement being declared void. [ICP Contract § 9.2.12; FHP-ACA Contract § 9.2.12; MLTSS Contract § 9.2.12]

k. Provider/Subcontractor certifies that it has not been found by a court or the Pollution Control Board to have committed a willful or knowing violation of the Environmental Protection Act within the last five (5) years, and is therefore not barred from being awarded a contract (30 ILCS 500/50-14). [ICP Contract § 9.2.13; FHP-ACA Contract § 9.2.13; MLTSS Contract § 9.2.13]

l. Provider/Subcontractor certifies that it has not paid any money or valuable thing to induce any person to refrain from bidding on a State contract, nor has Provider/Subcontractor accepted any money or other valuable thing, or acted upon the promise of same, for not bidding on a

State contract (30 ILCS 500/50-25). [ICP Contract § 9.2.14; FHP-ACA Contract § 9.2.14; MLTSS Contract § 9.2.14]

m. Provider/Subcontractor certifies that it is not in violation of the "Revolving Door" section of the Illinois Procurement Code (30 ILCS 500/50-30). [ICP Contract § 9.2.15; FHP-ACA Contract § 9.2.15; MLTSS Contract § 9.2.15]

n. Provider/Subcontractor certifies that it has not retained a person to attempt to influence the outcome of a procurement decision for compensation contingent in whole or in part upon the decision or procurement (30 ILCS 500/50-38). [ICP Contract § 9.2.16; FHP-ACA Contract § 9.2.16; MLTSS Contract § 9.2.16]

o. Provider/Subcontractor certifies that it will report to the Illinois Attorney General and the Chief Procurement Officer any suspected collusion or other anti-competitive practice among any bidders, offerors, contractors, proposers, or employees of the State (30 ILCS 500/50-40, 50-45, 50-50). [ICP Contract § 9.2.17; FHP-ACA Contract § 9.2.17; MLTSS Contract § 9.2.17]

p. In accordance with the Steel Products Procurement Act, Provider/Subcontractor certifies that steel products used or supplied in the performance of a contract for public works shall be manufactured or produced in the United States, unless the executive head of the procuring agency grants an exception (30 ILCS 565). [ICP Contract § 9.2.18; FHP-ACA Contract § 9.2.18; MLTSS Contract § 9.2.18]

q. If Provider/Subcontractor employs twenty-five (25) or more employees, Provider/Subcontractor certifies that it will provide a drug free workplace pursuant to the Drug Free Workplace Act (30 ILCS 580). [ICP Contract § 9.2.19; FHP-ACA Contract § 9.2.19; MLTSS Contract § 9.2.19]

r. Provider/Subcontractor certifies that neither Provider/Subcontractor nor any substantially owned affiliate of Provider/Subcontractor is participating or shall participate in an international boycott in violation of the U.S. Export Administration Act of 1979 or the applicable regulations of the U.S. Department of Commerce (30 ILCS 582). [ICP Contract § 9.2.20; FHP-ACA Contract § 9.2.20; MLTSS Contract § 9.2.20]

s. Provider/Subcontractor certifies that it has not been convicted of the offense of bid rigging or bid rotating or any similar offense of any state or of the United States (720 ILCS 5/33E-3, E-4). [ICP Contract § 9.2.21; FHP-ACA Contract § 9.2.21; MLTSS Contract § 9.2.21]

t. Provider/Subcontractor certifies that it complies with the Illinois Department of Human Rights Act and rules applicable to public contracts, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (775 ILCS 5/2-105). [ICP Contract § 9.2.22; FHP-ACA Contract § 9.2.22; MLTSS Contract § 9.2.22]

u. Provider/Subcontractor certifies that it does not pay dues to or reimburse or subsidize payments by its employees for any dues or fees to any "discriminatory club" (775 ILCS 25/2). [ICP Contract § 9.2.23; FHP-ACA Contract § 9.2.23; MLTSS Contract § 9.2.23]

v. Provider/Subcontractor certifies that it complies with the State Prohibition of Goods from Forced Labor Act, and certifies that no foreign-made equipment, materials, or supplies furnished to the State under the Agreement have been or will be produced in whole or in part by forced labor, or indentured labor under penal sanction (30 ILCS 583). [ICP Contract § 9.2.24; FHP-ACA Contract § 9.2.24; MLTSS Contract § 9.2.24]

w. Provider/Subcontractor certifies that no foreign-made equipment, materials, or supplies furnished to the State under the Agreement have been produced in whole or in part by the labor or any child under the age of twelve (30 ILCS 584). [ICP Contract § 9.2.25; FHP-ACA Contract § 9.2.25; MLTSS Contract § 9.2.25]

x. Provider/Subcontractor certifies that it is not in violation of Section 50-14.5 of the Illinois Procurement Code (30 ILCS 500/50-14.5), which states: "Owners of residential buildings who have committed a willful or knowing violation of the Lead Poisoning Prevention Act (410 ILCS 45) are prohibited from doing business with the State until the violation is mitigated." [ICP Contract § 9.2.26; FHP-ACA Contract § 9.2.26; MLTSS Contract § 9.2.26]

y. Provider/Subcontractor warrants and certifies that it and, to the best of its knowledge, its subcontractors, downstream entities, or related entities, have and will comply with Executive Order No. 1 (2007). That Order generally prohibits contractors and subcontractors from hiring the then-serving Illinois Governor's family members to lobby procurement activities of the State, or any other unit of government in the State including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity. [ICP Contract § 9.2.27; FHP-ACA Contract § 9.2.27; MLTSS Contract § 9.2.27]

z. Provider/Subcontractor certifies that information technology, including electronic information, software, systems, and equipment developed or provided under the Agreement will comply with the applicable requirements of the Illinois Information Technology Accessibility Act Standards as published at www.dhs.state.il.us/iitaa (30 ILCS 587). [ICP Contract § 9.2.28; FHP-ACA Contract § 9.2.28; MLTSS Contract § 9.2.28]

aa. Provider/Subcontractor certifies that it is not currently barred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or State department or agency, and is not currently barred or suspended from contracting with the State under Section 50-35(f), 50-35(g) or 50-65 of the Illinois Procurement Code, 30 ILCS 500/1-1 *et seq.* If at any time during the term of the Agreement, Provider/Subcontractor becomes barred, suspended, or excluded from participation in this transaction, Provider/Subcontractor shall, within thirty (30) days after becoming barred, suspended, or excluded, provide to HFS a written description of each offense causing the exclusion, the date(s) of the offense(s), the action(s) causing the offense(s), any penalty assessed or sentence imposed, and the date any penalty was paid or sentence completed. [ICP Contract § 9.2.29; FHP-ACA Contract § 9.2.29; MLTSS Contract § 9.2.29]

bb. Provider/Subcontractor certifies that neither Provider/Subcontractor, nor any party directly or indirectly affiliated with Provider/Subcontractor, including but not limited to

Provider/Subcontractor's officers, directors, employees, and subcontractors, and the officers, directors, and employees of Provider/Subcontractor's subcontractors, shall have or acquire any Conflict of Interest (as defined below) in performance of the Agreement. Provider/Subcontractor shall disclose in writing any Conflicts of Interest to HFS no later than seven (7) days after learning of the Conflict of Interest. HFS may initiate any inquiry as to the existence of a Conflict of Interest, and Provider/Subcontractor shall cooperate with all such inquiries. HFS shall determine, in its sole discretion, whether a Conflict of Interest exists or whether Provider/Subcontractor failed to make any required disclosure. If HFS concludes that a Conflict of Interest exists, or that Provider/Subcontractor failed to disclose any Conflict of Interest, HFS may impose one or more remedies in its sole discretion, including without limitation the elimination of the Conflict of Interest or the non-renewal or termination of the Agreement. [ICP Contract § 9.2.30; FHP-ACA Contract § 9.2.30; MLTSS Contract § 9.2.30]

i. For purposes of this provision, "Conflict of Interest" shall mean an interest of Provider/Subcontractor, or any entity described above, which may be direct or indirect, professional, personal, financial, or beneficial in nature that, in the sole discretion of HFS, compromises, appears to compromise, or gives the appearance of impropriety with regard to Provider/Subcontractor's duties and responsibilities under the Agreement. This term shall include potential Conflicts of Interest. A Conflict of Interest may exist even if no unethical or improper act results from it or may arise where Provider/Subcontractor becomes a party to any litigation, investigation, or transaction that materially impacts Provider/Subcontractor's ability to perform under the Agreement. Any situation where Provider/Subcontractor's role under the Agreement competes with Provider/Subcontractor's professional or personal role may give rise to an appearance of impropriety. Any conduct that would lead a reasonable individual, knowing all the circumstances, to a conclusion that bias may exist or that improper conduct may occur, or that gives the appearance of the existence of bias or improper conduct, is a Conflict of Interest. [ICP Contract § 9.2.30.1; FHP-ACA Contract § 9.2.30.1; MLTSS Contract § 9.2.30.1]

cc. Provider/Subcontractor certifies that it is in compliance with all applicable standards, orders, or regulations issued pursuant to the federal Clean Air Act (42 U.S.C. § 7401 *et seq.*) and the federal Water Pollution Control Act (33 U.S.C. § 1251 *et seq.*). Violations shall be reported to the United States Department of Health and Human Services and the appropriate Regional Office of the United States Environmental Protection Agency. [ICP Contract § 9.2.31; FHP-ACA Contract § 9.2.31; MLTSS Contract § 9.2.31]

dd. Provider/Subcontractor certifies that, to the best of its knowledge and belief, no federally appropriated funds have been paid or will be paid by or on behalf of Provider/Subcontractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal loan or grant, or the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, Provider/Subcontractor shall complete and submit Standard Form LLL, "Disclosure Forms to Report Lobbying," in accordance with its instructions. Such form is to be obtained at Provider/Subcontractor's request from the HFS Bureau of Fiscal Operations. Provider/Subcontractor shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when the Agreement was executed. Submission of this certification is a

prerequisite for making or entering into the transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. [ICP Contract § 9.2.32; FHP-ACA Contract § 9.2.32; MLTSS Contract § 9.2.32]

ee. Provider/Subcontractor certifies that it has read, understands, and is in compliance with the registration requirements of the Elections Code (10 ILCS 5/9-35) and the restrictions on making political contributions and related requirements of the Illinois Procurement Code (30 ILCS 500/20-160 and 50-37). Provider/Subcontractor will not make a political contribution that will violate these requirements, which are effective for the duration of the term of office of the incumbent State governor or for a period of two (2) years after the end of the Agreement's term, whichever is longer. Provider/Subcontractor will certify, as applicable, either that it is not required to register as a business entity with the State Board of Elections, or has registered with the State Board of Elections and will appropriately and timely update that registration. [ICP Contract § 9.2.33 & Attachment X; FHP-ACA Contract § 9.2.33 & Attachment X; MLTSS Contract § 9.2.33 & Attachment X]

Exhibit B-10

Addendum Governing

Medicare-Medicaid Dual-Eligible Services

(Aetna Better Health of Illinois)

This Addendum Governing Medicare-Medicaid Dual-Eligible Services (the "Duals Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as well as the provision of any administrative or health-benefit management services/functions that relate to:

(6) the *Contract Between United States Department of Health and Human Services Centers for Medicare & Medicaid Services, In Partnership with the State of Illinois Department of Healthcare and Family Services and Aetna Better Health Inc.*, issued on August 10, 2016 (the "Three-Way Contract"); and

(7) any predecessor or successor contracts to, or amendments of, any of the foregoing;

to the extent that the terms and conditions of this Duals Addendum are applicable to Provider's services and obligations under the Agreement. The Three-Way Contract governs the program known as the Illinois Medicare-Medicaid Alignment Initiative a/k/a the MMAI (the "MMAI" or "Demonstration"), under which Aetna Better Health Inc. d/b/a Aetna Better Health of Illinois ("Company") serves as a managed care organization.

This Duals Addendum is incorporated by reference into the Agreement between Company (or its affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing the Agreement, as identified on the first page of the Agreement (the "Provider"), and Provider must comply with the requirements set forth herein to the extent applicable to the services vendor performs under the Agreement. Note that this Duals Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement, in the Three-Way Contract, and in the policies, procedures, and provider manual of Company (or its affiliate, as the case may be). This Duals Addendum and the Agreement may be revised as directed by the State of Illinois (the "State") and/or by the Centers for Medicare and Medicaid Services ("CMS").

For purposes of this Duals Addendum, Company may be referred to as "MCO" or "the MCO" (a/k/a managed care organization), and the individuals who are enrolled with Company under the MMAI may be referred to as the "Members" or "Enrollees." All capitalized terms not defined in this Duals Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Duals Addendum and any of the other terms of the Agreement, including any attachments, schedules, exhibits, and/or addenda made part of the Agreement, the terms of this Duals

Addendum will govern and control with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and/or the MMAI; provided, however, that if there is any conflict between any of the terms of the Agreement, including this Duals Addendum, and the Three-Way Contract, then the terms of the Three-Way Contract will govern and control. Except as provided herein, all other provisions of the Agreement not inconsistent with this Duals Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Duals Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Three-Way Contract and the remainder of the Agreement.

. Provider furthermore represents and warrants that, with respect to all such aforementioned individuals and/or entities: (a) Provider's contracts therewith shall be in writing and shall specify, as applicable, the delegated activities and reporting responsibilities of those individuals and/or entities; (b) Provider shall cause those individuals and/or entities to comply with this Duals Addendum, including the Medicare Services Exhibit to the Agreement, and with all applicable State and federal laws and regulations (including applicable CMS instructions and directives), to the extent applicable to the services that those individuals and/or entities actually provide; and (c) Provider either has the authority to bind those individuals and/or entities in that regard (and shall provide written evidence of same to MCO upon request), or shall include in Provider's contracts with such individuals and/or entities all of the contractual and legal obligations and duties imposed upon Provider in the Agreement in order for such individuals and/or entities to comply with applicable State and federal laws and regulations, including applicable CMS instructions and directives (and again Provider shall provide written evidence of same to MCO upon request). This includes any such aforementioned individuals and/or entities that may perform services under the Agreement in Provider's offices, on behalf of Provider, for which Provider bills such services under the Agreement. To the extent that the State and/or CMS requires additional provisions to be included in Provider's contracts with such aforementioned individuals and/or entities, Provider shall amend its contracts in conformance therewith. [42 C.F.R. § 422.504]

All provisions of this Duals Addendum that by their nature should survive termination of the Agreement and/or termination of Provider's provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, or, as the case may be, Provider's provision of administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract and the Demonstration, shall survive such termination.

To the extent applicable to the services performed by vendor under the Agreement, the parties agree as follows:

REQUIREMENTS FOR THE MMAI

D. Illinois State Requirements

The State of Illinois requires that specific terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the following requirements with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way

Contract and the MMAI:

3. Hold Harmless of Enrollees. Provider agrees that in no event, including but not limited to the nonpayment by Company of amounts due to Provider under the Agreement, the insolvency of Company, or any breach of the Agreement by Company, shall Provider or its assignees or subcontractors have a right to seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against the Member or persons acting on the Member's behalf (other than Company) for services provided pursuant to the Agreement except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Members and all persons acting on the Members' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider and the Member or persons acting on the Member's behalf (other than Company). [215 ILCS 125/2-8(a)]

4. Quality Assurance. Provider shall provide, arrange for, or participate in the quality-assurance programs mandated by the Illinois Health Maintenance Organization Act, unless the Illinois Department of Public Health has certified that such programs will be fully implemented without any participation or action from Provider. [215 ILCS 125/2-8(a); 50 Ill. Admin. Code § 5241.50(a)(4)]

5. Termination of Agreement. Notwithstanding anything in the Agreement to the contrary, if either Company or Provider seeks (i) to terminate the Agreement "with cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least sixty (60) days' written notice to the other party; or (ii) to terminate the Agreement "without cause" (as that term is used and defined in the Agreement), the terminating party shall provide at least ninety (90) days' written notice to the other party. Furthermore, Provider shall cooperate with Company with respect to Company's obligation to provide timely notice to Enrollees of any termination that would curtail or eliminate services to such Enrollees, with such notice to be sent (i) at least sixty (60) days prior to that termination, or (ii) immediately, if Company receives less than sixty (60) days' notice of that termination from Provider. The notice to be sent to Enrollees shall include instructions regarding referrals that have previously been issued and appointments that may be pending. [50 Ill. Admin. Code § 5241.50(a)(5)–(6); 305 ILCS 5/5F-40(a)]

6. No Discrimination. Provider will not discriminate against Enrollees or potential Enrollees on the basis of payment source. [77 Ill. Admin. Code § 240.50(d)(4)]

7. Anti-Gag Clause; Prohibition on Retaliation. Provider shall not be prohibited or otherwise restricted or discouraged from, and shall not prohibit or otherwise restrict or discourage its downstream providers or subcontractors from, taking any of the following actions so long as those actions are within the lawful scope of the acting party's practice: (a) advocating for medically appropriate health care services for Enrollees, which may include without limitation appealing denials and protesting decisions, policies, and practices; and/or (b) discussing with Enrollees, prospective Enrollees, or the public any health care services, health care providers, utilization review policies, quality assurance policies, or terms and conditions of plans and plan policy. Furthermore, Company shall not retaliate against Provider, and Provider shall not retaliate against its downstream providers or subcontractors, for any of the foregoing actions. Notwithstanding the foregoing, nothing in this provision shall be construed to prohibit: (a) Company or Provider from making a determination not to pay for a particular health care service, from enforcing reasonable peer review or utilization review protocols, or from determining whether a physician or other health care provider has complied with those protocols; and/or (b) a Provider that is a hospital from taking disciplinary actions against a physician as authorized by law. [215 ILCS 134/30(a); 215 ILCS 134/35(a)–(d)]

8. Cooperation with Company. Provider shall cooperate with Company with respect to Company's

obligations and responsibilities relating to the "HMO self-evaluation structure" and associated activities set forth in 77 Ill. Admin. Code § 240.60. [77 Ill. Admin. Code § 240.50(d)(1)(C)]

9. Pharmacy Benefits. Company and Provider shall not permit or allow, whether by contract, written policy, or procedure, any individual or entity to dispense a different drug in place of the drug or brand of drug ordered or prescribed without the express permission of the person ordering or prescribing the drug, except as provided under Section 3.14 of the Illinois Food, Drug and Cosmetic Act (codified at 410 ILCS 620/3.14). [215 ILCS 134/30(b)]

10. Use of Hospitalists. Neither Company nor Provider shall require or otherwise mandate, whether by contract, written policy, or procedure, any Enrollee to substitute his or her participating primary care provider (PCP) during inpatient hospitalization, such as with a hospitalist physician, without the agreement of that Enrollee's participating primary care provider (PCP). Company and Provider (if applicable) shall inform Enrollees of any policies, recommendations, or guidelines concerning the substitution of the Enrollee's primary care provider (PCP) when hospitalization is necessary in the manner set forth in 215 ILCS 5/15(d)–(e). [215 ILCS 134/30(c)]

11. No Transfer of Liability to Downstream Providers. Neither Company nor Provider shall transfer or attempt to transfer to any health care provider, by indemnification, hold harmless, or contribution requirements that are set forth in any contract, written policy, or procedure, any liability relating to activities, actions, or omissions of Company and/or Provider or their respective officers, employees, or agents; provided, however that nothing in this provision shall relieve any health care provider from liability for his, her, or its own negligence in the performance of his, her, or its duties arising from treatment of an Enrollee. [215 ILCS 134/95]

12. Medical Records. With respect to Enrollee medical records:

a. Provider shall maintain Enrollee medical records in a timely, legible, accurate, current, complete, and organized manner, with appropriate dates and identification and initialing/signature of the Provider, to facilitate retrieval and compilation of records and to ensure Enrollee continuity of care. For each encounter or episode of care that Provider has with an Enrollee, Provider shall place the following information into the Enrollee's medical records: (1) the reason for the encounter; (2) evidence of the Provider's assessment of the Enrollee's health problems; (3) current diagnosis of the Enrollee, including the results of any diagnostic tests; (4) the plan of treatment, including any therapies and health education; (5) any medical history relevant to the current episode of care; and (6) confirmation that all outcomes of ancillary reports, such as laboratory tests and x-rays, have been reviewed by the individual or entity who ordered the reports and that follow-up actions have been taken regarding report results that are deemed significant by the individual or entity who ordered those reports. [77 Ill. Admin. Code §§ 240.50(c)(1), 240.90(a)–(b)]

b. If Provider is an Enrollee's primary care provider (PCP), Provider shall furthermore maintain an Enrollee medical record that contains, with respect to each routine, scheduled appointment with that primary care provider (PCP): (1) identification; (2) patient history; (3) known past surgical procedures; (4) known past and current diagnoses and problems; and (5) known allergies and untoward reactions to drugs. [77 Ill. Admin. Code § 240.90(c)]

13. Capitated Contracts. If Company compensates Provider under the Agreement on a capitated basis for furnishing, arranging, or providing health care services:

a. Provider agrees that in no event, including but not limited to nonpayment by Company of amounts due to Provider under the Agreement, insolvency of Company, or any breach of the Agreement by Company, shall Provider or its assignees or subcontractors have a right to or seek any type of payment from, bill, charge, collect a deposit from, or have any recourse against, the Member or persons acting on the

Member's behalf (other than Company) for services provided pursuant to the Agreement, except for the payment of applicable copayments or deductibles for services covered by Company or fees for services not covered by Company. The requirements of this provision shall survive any termination of the Agreement for services rendered prior to such termination, regardless of the cause of such termination. Company's Members and persons acting on the Members' behalf (other than Company) shall be third-party beneficiaries of this provision. This provision supersedes any oral or written agreement now existing or hereafter entered into between Provider and the Member or persons acting on the Member's behalf (other than Company). [50 Ill. Admin. Code § 5241.50(e)]

b. If Provider is a "Managed Care Organization" as that term is defined in 50 Ill. Admin. Code § 5241.20, Provider shall submit to Company copies of Provider's quarterly financial statements, which shall include Provider's balance sheet and statements of income and cash flow within forty-five (45) days after the end of each fiscal period. In addition, Provider shall submit, within ninety (90) days after the end of Provider's fiscal year, copies of Provider's audited annual financial statements prepared in accordance with generally accepted accounting principles, if available. Provider acknowledges and agrees that the Illinois Department for Healthcare and Family Services ("HFS"), at its discretion, may require Company to submit for HFS's inspection the financial statements that Company has received from Provider (which such financial statements shall be deemed confidential by HFS). Provider agrees to fully cooperate with, and disclose all relevant information requested by, Company's actuaries for the preparation of such actuaries' opinion in accordance with the Actuarial Standards Board Actuarial Standards of Practice No. 16. Company acknowledges that in the event of Provider's insolvency, Company is secondarily liable as the ultimate risk bearer for unpaid health care services rendered to Company's Enrollees. [50 Ill. Admin Code §5241.50(d)] For purposes of this provision, "Managed Care Organization" or "MCO" means a partnership, association, corporation, or other legal entity, including but not limited to individual practice associations (IPAs) and physician hospital organizations (PHOs), that delivers or arranges for the delivery of health care services through providers it has contracted with or otherwise made arrangements with to furnish those health care services. [50 Ill. Admin. Code § 5241.20]

E. Medicare Requirements

Without limiting any obligation of Provider under the Agreement, Provider shall comply with, and shall cause its Downstream Entities to comply with, the requirements set forth in this **Section B** (including any delegated function-specific Schedules appended hereto) and the Medicare Services Exhibit to the Agreement (the "Medicare Services Exhibit") with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider), as applicable, that relate to those Covered Services or to the Three-Way Contract and the Demonstration (the "Medicare Services"). The term "Downstream Entities" shall have the meaning that is ascribed to it in the Medicare Services Exhibit. Furthermore, with respect to the requirements set forth in this **Section B**: (a) the term "Provider" shall include Provider's permanent and temporary employees; (b) the Members who are dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration shall collectively be referred to as the "Medicare Members"; and (c) the managed-care plan that MCO offers under the Three-Way Contract and the Demonstration shall be referred to as the "Medicare Plan." Provider furthermore acknowledges and agrees that all terms of the Medicare Services Exhibit hereto shall apply equally to services provided in connection with the Three-Way Contract and the Demonstration, even if the Medicare Services Exhibit only refers to Medicare Advantage products. The requirements set forth in this **Section B** (including the Medicare Services Exhibit) shall be governed by federal laws, regulations, and agency requirements that are applicable to the Medicare program. In the event that changes to such governing laws, regulations, or agency requirements occur, the new law, regulation, or agency requirement that is applicable to the Medicare program shall supersede to the extent required by any such later required changes.

Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. PROVIDER OBLIGATIONS.

Q. Compliance; Cooperation. Provider agrees that all Medicare Services and other activities performed by Provider under the Agreement, including without limitation any activities and responsibilities that MCO is delegating to Provider in connection with the Three-Way Contract and the Demonstration, will be performed consistent with and will comply with MCO's contractual and legal obligations and duties imposed on MCO under the Three-Way Contract and under applicable Medicare laws, regulations, rules, and other directions of CMS. Upon request, Provider shall immediately provide to MCO any information that is required by MCO to meet its reporting obligations to CMS, including without limitation, physician incentive plan information, if applicable. Provider agrees to cooperate with and participate in internal and external review procedures necessary to allow MCO to process Medicare appeals and grievances in accordance with Medicare laws, regulations, and CMS instructions. [42 C.F.R. § 422.504(i)(3)(iii)]

R. Compliance Program and Anti-Fraud Initiatives. Provider shall (and shall cause its Downstream Entities, if any, to) institute, operate, and maintain an effective compliance program to detect, correct, and prevent the incidence of non-compliance with CMS requirements and the incidence of fraud, waste, and abuse ("FWA") relating to the operation of the Medicare Plan. Such compliance program shall be appropriate to the organization and operations of Provider and Provider's Downstream Entities and shall include:

(6) Written compliance policies and standards of conduct that are comparable to Aetna's compliance policies/Aetna Code of Conduct and articulate the entity's commitment to comply with federal and state laws, ethical behavior, and compliance program operations. Provider will disseminate either Aetna's compliance policies/Aetna Code of Conduct or comparable versions to Provider's employees, officers, and Downstream Entities within ninety (90) days of hire/contracting, when updates are made, and annually thereafter.

(7) Reporting mechanisms communicated to Provider's employees and Downstream Entities for their use in adhering to the expectation that Provider, its employees, and its Downstream Entities report potential non-compliance or FWA issues (internally and to MCO, as applicable) and understand their obligation to report. Provider must publicize the reporting methods to Provider employees and Downstream Entities along with a no-tolerance policy for retaliation or retribution for good-faith reporting.

(8) Completion of CMS's Medicare Learning Network® "Medicare Parts C and D Fraud, Waste, and Abuse Training and Medicare Parts C and D General Compliance Training" by Provider employees, officers, and Downstream Entities initially within ninety (90) days of hire/contracting and at least annually thereafter, unless exempt from such training under relevant CMS regulations. Training may be completed in one of two ways: (1) by completing the general compliance and FWA training modules located on the CMS Medicare Learning Network; or (2) by downloading, viewing or printing the content of the then current CMS standardized training modules from the CMS website to incorporate into Provider's and/or Downstream Entity's organization's existing compliance training materials/systems. The CMS training content may not be changed but Provider and/or its Downstream Entities may add to it to cover topics specific to its organization.

(9) Processes to oversee and ensure that Provider and Provider's Downstream Entities maintain compliance with processes to oversee and ensure that: (1) Provider and Provider's Downstream Entities maintain compliance with CMS compliance program requirements, and (2) Provider's Downstream Entities perform Medicare Services consistent with this Agreement and the agreement between Provider and such Downstream Entities. Provider's oversight under this Agreement shall include: (1) imposition of disciplinary actions, as needed, to ensure employee compliance with CMS compliance program requirements, and (2) implementation of corrective actions (up to and including contract termination), as needed, with respect to its Downstream Entities to ensure Downstream Entity compliance with applicable CMS requirements, including the CMS compliance program requirements, this Agreement, and Provider's contract with the Downstream Entity.

(10) Retention of evidence showing that Provider and Provider's Downstream Entities complied with the requirements set forth in this Section. Such evidence must be maintained for at least the period of time specified in Section B.1.F. hereof and shall be made available to MCO and CMS, upon request. Provider shall complete attestations in the form and manner requested by Company to confirm its compliance with this section on an annual basis.

[Chapter 21 of the Medicare Managed Care Manual]

S. Federal Fund Obligations. Provider understands and agrees that payments received by MCO for the Medicare Plan from CMS pursuant to the Three-Way Contract, as well as payments that Provider receives from MCO for performing services and functions under the Agreement, constitute the receipt of federal funds. As a result, Provider, by entering into the Agreement and the terms of this Duals Addendum, is subject to laws applicable to individuals/entities receiving federal funds, including but not limited to Title VI of the Civil Rights Act of 1964 as implemented by regulations at 45 C.F.R. part 84, the Age Discrimination Act of 1975 as implemented by regulations at 45 C.F.R. part 91, the Rehabilitation Act of 1973, and the Americans with Disabilities Act. [Section 120 of Chapter 11 of the Medicare Managed Care Manual]

T. Continuation of Services. In the event the Three-Way Contract terminates or MCO becomes insolvent, Provider shall continue to provide Covered Services to Medicare Members who are hospitalized through the date of discharge. Provider is prohibited by law from billing Medicare Members for such Covered Services. This provision shall survive the termination of the Agreement, regardless of the reason for termination, including the insolvency of MCO, and shall supersede any oral or written agreement between Provider and a Medicare Member. [42 C.F.R. § 422.504(g)(2)(i) and (ii)]

U. Policies, Programs & Procedures. Provider agrees to comply with MCO's policies and procedures (which MCO shall provide to Provider upon request) which operationalize many of the requirements of the Agreement, this Duals Addendum, and the Three-Way Contract and Demonstration. Provider agrees to comply with MCO's quality improvement, administrative processes and procedures, utilization review, peer review, grievance procedures, credentialing and recredentialing procedures, and any other policies MCO may implement, including amendments made to the above mentioned policies, procedures and programs from time to time. In the event that an MCO policy or procedure conflicts with a provision in the Agreement, then the language in the Agreement (including all amendments, exhibits, and attachments thereto) shall govern. [Section 100.4 of Chapter 11 of the Medicare Managed Care Manual]

V. Maintenance of Records. Provider, on behalf of itself and its Downstream Entities (if any), shall preserve records applicable to Medicare Members and/or to MCO's participation in the Three-Way

Contract and Demonstration, for the longer of: (i) the period of time required by state and federal law, or (ii) ten (10) years. In addition, to the extent applicable to Provider, Provider, on behalf of itself and any Downstream Entities with whom Provider has contracted, agrees to comply with 42 C.F.R. § 422.2480(c) and to maintain all records, if any, containing data used by MCO to calculate Medicare medical loss ratios ("MLRs") for MCO's Medicare products and/or evidence needed by MCO and/or federal governmental authorities with jurisdiction to validate MLRs (collectively, "MLR Records") for a minimum of ten (10) years from the date such MLRs were reported by MCO to CMS. This provision shall survive the termination of the Agreement, regardless of the cause of termination. [42 C.F.R. § 422.504(i)(2)(i)(ii) and 42 C.F.R. § 422.2480(c)(1)]

W. Contracts with Excluded Entities. Provider understands and agrees that no person or entity that provides Medicare Services, directly or indirectly, for MCO's Medicare Plan, may be an individual or entity excluded from participation in Medicare under Section 1128 or 1128A of the Social Security Act. Provider hereby certifies that no such excluded person or entity will be employed by or utilized by Provider or by any of Provider's Downstream Entities to directly or indirectly perform Medicare Services under this Agreement. Provider agrees to review the Department of Health and Human Services ("HHS") Office of Inspector General List of Excluded Individuals and Entities and the General Services Administration System for Awards Management (collectively, "Exclusion Lists") to ensure that no persons or entities employed by or utilized by Provider or by any of Provider's Downstream Entities are included on such Exclusion Lists. Provider agrees to review the Exclusion Lists prior to initially hiring, appointing, or contracting with any new employee, temporary employee, or Downstream Entity, and at least once per month thereafter to confirm that such persons and entities are not included on such Exclusion Lists. Provider agrees that if any such person or entity utilized by Provider to directly or indirectly perform Medicare Services under this Agreement appears on an Exclusion List and/or is excluded from participation in any federally-funded health program, Provider will immediately remove the employee, temporary employee, or Downstream Entity from any work related directly or indirectly to MCO's Medicare Plan, and take all corrective actions required under applicable laws, rules, or regulations. In the event Provider or any employee, temporary employee, or Downstream Entity of Provider that directly or indirectly performs Medicare Services under this Agreement is listed in an Exclusion List after the Effective Date of this Duals Addendum, MCO shall have the right, in its sole discretion and judgment, to terminate Provider's participation in MCO's Medicare Plan in accordance with the Agreement or to disqualify any such person or entity on the Exclusion List from providing any part of the Medicare Services. [42 C.F.R. §§ 422.503(b)(4)(vi)(F), 422.752(a)(8), 423.504(b)(4)(vi)(F), 423.752(a)(6) & 1001.1901 and Section 50.6.8 of the Medicare Managed Care Manual]

X. Offshore Services. Provider is prohibited from performing, and is prohibited from engaging or paying any individual or entity to perform, any services for the Medicare Plan if Provider or such individual or entity, as the case may be, is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless MCO, in its sole discretion and judgment, agrees in advance and in writing to the provision of such Offshore Services by Provider and/or such individual or entity. Provider furthermore agrees that MCO has the right to audit Provider and/or such individual or entity prior to the provision of Offshore Services for the Medicare Plan. Additionally, Provider represents and warrants that it does not and will not permit any Medicare Member's protected health information (PHI), or any other information that MCO or Provider has obtained in connection with the Three-Way Contract and Demonstration, to be accessible by any individual or entity that is physically located outside of one of the fifty United States or one of the United States Territories without prior written notice to MCO and without MCO's prior written approval of same. In the event that MCO agrees in advance and in writing to the provision of Offshore Services that involve Medicare Member protected health information (PHI), such Offshore Services are subject to CMS reporting within thirty (30) days of: (1) performing, or contracting to perform, such Offshore Services, and (2) any time Provider changes the Offshore Services being performed. [CMS Memo dated July 23, 2007 on "Sponsor Activities Performed Outside of the United States" and CMS Questions and Answers dated September 20, 2007 on "Sponsor Activities Performed Outside of the United States"]

Y. Submission of Encounter Data. Provider hereby acknowledges that MCO is required to

provide CMS and other federal and state regulatory agencies and accrediting organizations with encounter data as requested by such agencies and organizations. Such data may include medical records and all other data necessary to characterize each encounter between Provider and a Medicare Member. Provider agrees to cooperate with MCO and to provide MCO with all such information in such form and manner as requested by MCO. Provider agrees to immediately notify MCO if any encounter data that Provider submitted to MCO for Medicare Members is inaccurate, incomplete, or erroneous, and to cooperate with MCO to correct erroneous encounter data to ensure MCO's compliance with Medicare laws, rules, and regulations and CMS instructions. [42 C.F.R. § 422.310]

Z. Certification of Data. Provider recognizes that MCO is required to certify the accuracy, completeness, and truthfulness of data that CMS requests. Such data include encounter data, payment data, and any other information provided to MCO by its contracted providers and Downstream Entities. To the extent that Provider generates and/or compiles and provides to Company (either on its own or through its Downstream Entities) any data that MCO, in turn, submits to CMS, Provider certifies, to the best of its knowledge and belief, that such data is accurate, complete, and truthful. Upon request, Provider shall make such certification in the form and manner prescribed by MCO. [42 C.F.R. § 422.504(l)(3)]

AA. Medicare Member Complaints. Provider agrees to cooperate with MCO in resolving any Medicare Member complaints related to coverage or the provision of Covered Services. MCO will notify Provider as necessary concerning all Medicare Member complaints involving Provider. Provider shall, in accordance with the Provider's regular procedures, investigate such complaints and respond to MCO in the required time. Provider shall use best efforts to resolve complaints in a fair and equitable manner. [42 C.F.R. § 422.562(a)]

BB. Enrollment as Medicare Provider. To the extent that Provider prescribes drugs covered under Medicare Part D to Medicare Members who have Medicare prescription drug ("MA-PD") coverage offered by MCO, Provider agrees to comply with the requirements set forth in 42 C.F.R. § 423.120(c)(6), including without limitation the requirement that Provider be enrolled in Medicare in an approved status in order for its prescriptions to be covered under Medicare Part D. [42 C.F.R. § 423.120(c)(6)]

CC. Home Infusion Drugs. The following provisions shall only apply to Provider if Provider dispenses to a Medicare Member home infusion drugs that are covered under Medicare Part D and the Medicare Member has MA-PD coverage offered by MCO ("Home Infusion Drug"):

12. With respect to Home Infusion Drugs, MCO will pay clean claims (as defined in 42 C.F.R. § 423.520(b)) submitted by Provider on behalf of Medicare Members within 14 days for electronic claims and within 30 days for claims submitted otherwise. [42 C.F.R. § 423.505(i)(3)(vi)]

13. Home Infusion Drugs will be reimbursed (as applicable) in accordance with a fee schedule, or the third-party pricing source (*e.g.*, Medi-Span) otherwise agreed upon as set forth in the Agreement or Provider's agreement with MCO's Pharmacy Benefit Manager ("PBM"). [42 C.F.R. § 423.505(i)(3)(viii)(B)]

14. If a prescription drug pricing standard is used for reimbursement of Home Infusion Drugs, updates to such a standard will occur not less frequently than once every 7 days beginning with an initial update on January 1 of each year, to accurately reflect the market price of acquiring the Home Infusion Drug. [42 C.F.R. § 423.505(i)(3)(viii)(A)]

15. In accordance 42 C.F.R.§ 423.120(c)(3), Provider agrees to submit claims for Home Infusion Drugs to MCO or its PBM whenever the Medicare Member's ID card is presented or is on file at the Provider, unless the Medicare Member expressly requests that the claim not be submitted to MCO or its PBM. [42 C.F.R.§ 423.120(c)(3)]

16. Provider must submit claims for Home Infusion Drugs in real time by means of point of service claims adjudication systems in compliance with CMS standards. [42 C.F.R. § 423.505(b)(17)]

17. Provider must provide Medicare Members with access to the negotiated prices (as defined in 42 C.F.R. § 423.100) for Home Infusion Drugs to Members. [42 C.F.R. § 423.104(g)(1)]

18. Provider must charge/apply the correct cost-sharing amount to the Medicare Member for Home Infusion Drugs. [42 C.F.R. § 423.104]

19. At the time of purchase by a Medicare Member, Provider must inform the Medicare Member of any differential between the price of the Home Infusion Drug being dispensed and the price of the lowest priced generic version of that Home Infusion Drug available from Provider, unless the Home Infusion Drug being dispensed is the lowest priced generic version of that Home Infusion Drug. [42 C.F.R. § 423.132]

20. Provider agrees to ensure that the professional services and ancillary supplies necessary for Home Infusion Drugs are in place before dispensing Home Infusion Drugs to a Medicare Member in his/her place of residence. [42 C.F.R. § 423.120(a)(4)(iii)]

21. Provider agrees to provide delivery of Home Infusion Drugs within 24 hours of a Medicare Member's discharge from an acute setting, or later if so prescribed. [42 C.F.R. § 423.120(a)(4)(iv)]

22. Provider shall submit to MCO (not PBM) claims for equipment, supplies, and professional services associated with Home Infusion Drugs dispensed by Provider to a Medicare Member that are covered under Medicare Part C.

DD. Marketing. Consistent with federal laws, regulations, and agency requirements applicable to the Medicare program, Provider shall not: (1) engage in any marketing or sales activities that could mislead or confuse Medicare Members, or (2) market or advertise non-health care related products to Medicare Members or prospective Medicare Members. Further, Provider shall at all times comply with the then-current Medicare Marketing Guidelines. [2017 Medicare Marketing Guidelines, as amended from time to time]

EE. Non-Covered Services. Provider shall not hold a Medicare Member financially responsible for payment of a service not covered under the MCO's Medicare Plan ("Non-Covered Service") unless the Medicare Member has received a pre-service organization determination notice of denial from MCO before such services are rendered. Provider acknowledges and agrees that if Provider renders Non-Covered Services to a Medicare Member who has not received a pre-service organization determination notice of denial from MCO, the Provider must hold the Medicare Member harmless for the Non-Covered Services and cannot charge the Medicare Member any amount beyond the normal cost-sharing amounts (*i.e.*, copayments,

coinsurance, and/or deductibles). With respect to those Non-Covered Services that are clearly listed as exclusions under the MCO's Medicare Plan, a pre-service organization determination is not required in order for Provider to hold the Medicare Member financially liable for such Non-Covered Services. [CMS Memo dated May 5, 2014 "Improper Use of Advance Notices of Non-coverage"]

FF. Dual-Eligible Hold Harmless. Provider acknowledges and agrees that Medicare Members are not responsible for paying to Provider any copayments, coinsurance, or deductibles for Medicare Part A and Part B services ("Cost Sharing Amounts") when the State Medicaid plan is responsible for paying such Cost Sharing Amounts. Provider furthermore agrees that it will not collect Cost Sharing Amounts from Medicare Members when the State is responsible for paying such Cost Sharing Amounts, and will, instead, either accept the MCO's payment for Covered Services as payment in full for Covered Services and applicable Cost Sharing Amounts, or bill the applicable State Medicaid plan for the appropriate Cost Sharing Amounts owed by the State Medicaid plan. [42 C.F.R. § 422.504(i)(3)(i)]

2. OTHER TERMS.

C. MCO shall not pay any amounts beyond the amounts set forth in the applicable Services and Compensation Schedule (or other analogous compensation schedule appended to the Agreement), including but not limited to any incentive payments that may be payable under traditional Medicare, except as expressly required by the Agreement or applicable law. Furthermore, Provider and MCO each acknowledge and agree that payments under the Medicare program to providers, suppliers, and MCO may be adjusted as the result of legislation, regulation, executive order, or other federal mandate ("Medicare Payment Adjustment"). Furthermore, any such Medicare Payment Adjustment could result in an increase or decrease in Medicare payments. In accordance with the terms of this Agreement, Provider and MCO agree that, in the event of a Medicare Payment Adjustment, MCO's payment to Provider will be adjusted in accordance with the Medicare Payment Adjustment. MCO shall adjust payments under the Agreement for Covered Services rendered by Provider on and after the effective date of the Medicare Payment Adjustment, and shall continue to adjust payments to Provider for Covered Services until the earlier of (i) the discontinuation of the Medicare Payment Adjustment, or (ii) the replacement of the Medicare Payment Adjustment by a subsequent Medicare Payment Adjustment.

D. Pursuant to Section B.1.J. of this Duals Addendum, Provider certifies that the diagnosis codes submitted to MCO for Medicare Members that MCO is required to submit to CMS will be accurate, complete, and truthful (the "Certification"). Provider acknowledges and agrees that MCO may impose a penalty on Provider not to exceed five thousand dollars ($5,000) for each instance that Provider submits a diagnosis code to MCO for a Medicare Member that does not comply with this Certification because the diagnosis code was not submitted in the format described in 42 C.F.R. § 422.310 or any subsequent or additional federal regulations. For purposes of this Section, "diagnosis code" shall mean an International Classification of Diseases-10th Edition-Clinical Modification (ICD-10-CM) code or its successor.

F. Requirements Under the MMAI Three-Way Contract

The Three-Way Contract requires that specific additional terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the requirements set forth in this **Section C** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract and the MMAI. With respect to the requirements set forth in this **Section C**, any capitalized terms that are used but not defined herein shall have the meanings that are ascribed to them in

the Three-Way Contract. Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

71. The delegated activities and reporting requirements for which Provider is responsible are contained in the Agreement. Provider shall ensure that it and its downstream and related entities perform all such delegated activities and reporting requirements in compliance with 42 C.F.R. §§ 422.504, 423.505, 438.6(l), and 438.230(b)(1), as applicable. [Appendix C, ¶ A of Three-Way Contract]

72. HHS, the Comptroller General, the State of Illinois Department of Healthcare and Family Services (the "Department"), the Department's Office of Inspector General, the Medicaid Fraud Control Unit of the Illinois State Police, the Illinois Auditor General, and their designees, and other state and federal agencies with monitoring authority related to Medicare and Medicaid, have the right to audit, evaluate, and inspect any books, contracts, computer, or other electronic systems, including medical records and documentation, of Provider and its downstream and related entities, and the foregoing rights to inspect, evaluate, and audit any pertinent information for any particular contract period shall exist for ten years from the final date of the contract period or from the date of completion of any audit, whichever is later. [Appendix C, ¶ B of Three-Way Contract]

73. Provider and its downstream and related entities shall not hold Enrollees liable for payment of any fees that are the obligation of MCO. [Appendix C, ¶ C.1 of Three-Way Contract]

74. Any services or other activity performed by Provider and/or its downstream and related entities shall be performed in accordance with the MCO's contractual obligations to CMS and the Department. [Appendix C, ¶ C.2 of Three-Way Contract]

75. MCO shall revoke the delegation activities and reporting requirements or specify other remedies in instances where CMS, the Department, or the MCO determine that Provider and/or its downstream and related entities have not performed their delegated activities or reporting requirements satisfactorily. [Appendix C, ¶ C.4 of Three-Way Contract]

76. The performance of Provider and its downstream and related entities under the Agreement will be monitored by MCO on an ongoing basis and MCO may impose corrective action as necessary. [Appendix C, ¶ C.5 of Three-Way Contract]

77. Provider and its downstream and related entities agree to safeguard Enrollee privacy and confidentiality of Enrollee health records. [Appendix C, ¶ C.6 of Three-Way Contract]

78. Provider and its downstream and related entities must comply with all federal and state laws, regulations, and CMS instructions. [Appendix C, ¶ C.7 of Three-Way Contract]

79. To the extent that Provider and/or its downstream and related entities provide credentialing of medical providers under the Agreement:

A. The credentials of medical professionals affiliated with the Provider and/or its downstream and related entities will be reviewed by MCO; or

B. The credentialing process will be reviewed and approved by MCO and MCO shall audit the credentialing process on an ongoing basis.

[Appendix C, ¶ D of Three-Way Contract]

80. To the extent that MCO has delegated the selection of providers under the Agreement to Provider or its downstream and related entities, MCO retains the right to approve, suspend, or terminate that arrangement. [Appendix C, ¶ E of Three-Way Contract]

81. MCO has the right to terminate its contract with Provider with cause upon sixty (60) days' notice, and without cause upon 120 days' notice, and Provider shall assist with transitioning Enrollees to new providers, including sharing the Enrollee's medical record and other relevant Enrollee information as directed by the MCO or Enrollee. If a for-cause termination, MCO must have an internal grievance procedure that allows Provider to contest the grounds for the termination prior to the effective date of the termination. [Appendix C, ¶ F of Three-Way Contract]

82. MCO shall provide a written statement to Provider of the reason or reasons for termination for cause. [Appendix C, ¶ G of Three-Way Contract]

83. MCO is obligated to pay Provider under the terms of the Agreement, which includes a prompt-payment provision that has been developed and agreed to by both MCO and Provider. [Appendix C, ¶ H.1 of Three-Way Contract]

84. Provider and its downstream and related entities shall provide all services under the Agreement in a Culturally Competent manner to all Enrollees, including those with limited English proficiency or reading skills, and diverse culturally and ethnic backgrounds. [Appendix C, ¶ H.2 of Three-Way Contract]

85. Provider and its downstream and related entities shall abide by all applicable federal and state laws and regulations regarding confidentiality and disclosure of medical records, or other health and enrollment information. [Appendix C, ¶ H.3 of Three-Way Contract]

86. Provider and its downstream and related entities shall ensure that medical information is released in accordance with applicable federal or state law, or pursuant to court orders or subpoenas. [Appendix C, ¶ H.4 of Three-Way Contract]

87. Provider and its downstream and related entities shall maintain Enrollee records and information in an accurate and timely manner. [Appendix C, ¶ H.5 of Three-Way Contract]

88. Provider and its downstream and related entities shall ensure timely access by Enrollees to the records and information that pertain to them. [Appendix C, ¶ H.6 of Three-Way Contract]

89. Provider and its downstream and related entities shall not hold Enrollees liable for Medicare Part A

and B cost sharing, and all Medicare Parts A and B services must be provided at zero cost-sharing to Enrollees. [Appendix C, ¶ H.7 of Three-Way Contract]

90. Provider and its downstream and related entities shall ensure that their EMTALA obligations are fulfilled as required by law and the Agreement and must not create any conflicts with any hospital actions required to comply with EMTALA. [Appendix C, ¶ H.8 and Section 2.9.9.1 of Three-Way Contract]

91. Provider and its downstream and related entities, including without limitation all primary care providers, shall not close or otherwise limit acceptance of Enrollees as patients unless the same limitations apply to all commercially insured Enrollees. [Appendix C, ¶ H.9 of Three-Way Contract]

92. MCO shall not refuse to contract or pay Provider for the provision of Covered Services solely because Provider has in good faith:

(a) Communicated with or advocated on behalf of one or more of the prospective, current, or former patients of Provider or its downstream and related entities regarding the provisions, terms, or requirements of the MCO's health benefit plans as they relate to the needs of such patients; or

(b) Communicated with one or more of the prospective, current, or former patients of Provider or its downstream and related entities with respect to the method by which such provider is compensated by the MCO for services provided to the patient.

[Appendix C, ¶ H.10 of Three-Way Contract]

93. Provider and its downstream and related entities are not required to indemnify MCO for any expenses and liabilities, including, without limitation, judgments, settlements, attorneys' fees, court costs, and any associated charges, incurred in connection with any claim or action brought against MCO based on MCO's management decisions, utilization review provisions, or other policies, guidelines, or actions. [Appendix C, ¶ H.11 of Three-Way Contract]

94. Provider and its downstream and related entities shall comply with all MCO's requirements and MCO Policies for utilization review, quality management and improvement, credentialing, and the delivery of preventive health services. [Appendix C, ¶ H.12 of Three-Way Contract]

95. MCO shall notify Provider in writing of modifications in payments, modifications in Covered Services or modifications in MCO's procedures, documents or requirements, including those associated with utilization review, quality management and improvement, credentialing, and preventive health services, that have a substantial impact on the rights or responsibilities of Provider, and the effective date of the modifications. The notice shall be provided 30 calendar days before the effective date of such modification unless such other date for notice is mutually agreed upon between MCO and Provider or unless such change is mandated by CMS or the Department without 30 calendar days' prior notice. [Appendix C, ¶ H.13 of Three-Way Contract]

96. Provider must comply with all Enrollee payment restrictions, including balance billing restrictions, and

MCO may revoke or impose other specified remedies against Provider if Provider does not comply with such provisions. [Appendix C, ¶ H.14 of Three-Way Contract]

97. Provider and its downstream and related entities shall not bill Enrollees for charges for Covered Services other than pharmacy co-payments, if applicable. [Appendix C, ¶ H.15 of Three-Way Contract]

98. No payment shall be made by MCO to Provider, and Provider shall not seek payment from MCO, for a Provider Preventable Condition as defined in 42 C.F.R. § 447.26(b), and Provider shall, as a condition of payment from MCO, comply with reporting requirements on Provider Preventable Conditions as described at 42 C.F.R. § 447.26(d) and as may be specified by MCO and/or the Department. [Section 2.7.3.2 and Appendix C, ¶¶ H.16 and H.17 of Three-Way Contract]

99. To the extent Provider is a Primary Care Physician or a specialty provider, Provider shall ensure coverage for its practice twenty-four (24) hours a day, seven (7) days a week and have a published after-hours telephone number; voicemail alone after hours is not acceptable. [Section 2.9.2.1 and 2.10.4.1 of Three-Way Contract]

100. MCO shall monitor and ensure that all Utilization Management activities provided by Provider comply with all provisions of the Three-Way Contract, and Provider and its downstream and related entities shall cooperate with and utilize MCO's quality assurance program. [Section 2.13.2.1.2.2 and Appendix C, ¶ H.18 of Three-Way Contract]

101. Provider shall not bill Enrollees for missed appointments or refuse to provide services to Enrollees who have missed appointments. Providers must work with Enrollees and MCO to assist Enrollees in keeping their appointments. [Appendix C, ¶ H.19 of Three-Way Contract]

102. Provider shall not refuse to provide services to an Enrollee because the Enrollee has an outstanding debt with the Provider from a time prior to the Enrollee becoming a member. [Appendix C, ¶ H.20 of Three-Way Contract]

103. Provider shall comply with all applicable requirements governing physician incentive plans, including but not limited to such requirements appearing at 42 C.F.R. Parts 417, 422, 434, 438.6(h), and 1003. Contracts or arrangements with First Tier, Downstream and Related Entities shall not include incentive plans that include a specific payment to Provider or its downstream and related entities as an inducement to deny, reduce, delay, or limit specific, Medically Necessary Services, and (a) Provider and/or its downstream and related entities shall not profit from provision of Covered Services that are not Medically Necessary or medically appropriate, and (b) MCO shall not profit from denial or withholding of Covered Services that are Medically Necessary or medically appropriate. Nothing herein shall be construed to prohibit contracts that contain incentive plans that involve general payments such as capitation payments or shared-risk agreements that are made with respect to physicians or physician groups or that are made with respect to groups of Enrollees if such agreements, which impose risk on such physicians or physician groups for the costs of medical care, services, and equipment provided or authorized by another physician or health care provider, comply with Paragraph 34 immediately below. [Appendix C, ¶¶ H.14 and I, and Section 5.1.7 of Three-Way Contract]

104. MCO shall not impose a financial risk on Provider or its downstream and related entities for the costs of medical care, services, or equipment provided or authorized by another Physician or health care provider unless such contract includes specific provisions with respect to the following:

C. Stop-loss protection;

D. Minimum patient population size for the Physician or Physician group; and

C. Identification of the healthcare services for which Physician or Physician group is at risk.

[Appendix C, ¶ J of Three-Way Contract]

105. All contracts or arrangements with First Tier, Downstream and Related Entities for laboratory testing sites that provide services must include an additional provision that such laboratory testing sites must have either a Clinical Laboratory Improvement Amendment (CLIA) certificate or waiver of a certificate of registration along with a CLIA identification number. [Appendix C, ¶ K of Three-Way Contract]

106. Nothing shall be construed to restrict or limit the rights of MCO to include as providers religious non-medical providers or to utilize medically based eligibility standards or criteria in deciding provider status for religious nonmedical providers. [Appendix C, ¶ L of Three-Way Contract]

107. Provider shall meet all terms and requirements of the Three-Way Contract that are applicable to Provider. [Section 2.7.2.2.1 of Three-Way Contract]

108. Provider will collaborate with MCO on documentation systems reporting, communications, policies, and any other matters necessary for any readiness review required under the Three-Way Contract. [Section 2.2.1 of Three-Way Contract]

109. Provider shall collaborate with MCO, as requested and required under the Three-Way Contract, on activities relating to Care Coordination and the Enrollee Care Plans. [Section 2.5 of Three-Way Contract]

110. As requested and required under the Three-Way Contract, Provider shall actively participate as a member of the Interdisciplinary Care Team, and shall collaborate with the Enrollee and other members of the Interdisciplinary Care Team to perform the functions and tasks that are required of the Interdisciplinary Care Team under the Three-Way Contract. [Section 2.5.2 of Three-Way Contract]

111. Provider must maintain locations that are accessible to Enrollees with disabilities and that are ADA compliant. [Section 2.8.1.4 of Three-Way Contract]

112. Provider shall be responsive to the linguistic, cultural, ethnic, racial, religious, age, gender and other unique needs of any minority, homeless population, Enrollee with disabilities (both congenital and acquired disabilities), or other special population served by the MCO. [Section 2.7.1.6 of Three-Way Contract]

113. To the extent that Provider is multilingual, Provider shall understand and comply with its obligations

under state or federal law to assist Enrollees with skilled medical interpreters and the resources that are available to assist Provider to meet these obligations. [Section 2.7.1.8 of Three-Way Contract]

114. Provider shall maintain a strong understanding of disability culture and Long Term Supports and Services. [Section 2.7.1.14 of Three-Way Contract]

115. To the extent that Provider provides Medicare-covered services, Provider shall be enrolled as a Medicare provider in order to submit claims for reimbursement or otherwise participate in the Medicare program. To the extent that Provider provides Medicaid-covered services, Provider shall be enrolled in the Illinois Medicaid program, if such enrollment is required by the Department's rules or policy, in order to submit claims for reimbursement or otherwise participate in the Illinois Medicaid program. [Section 2.8.1.2 of Three-Way Contract]

116. If a Provider provides any Emergency Services to an Enrollee, the Provider must promptly notify the Enrollee's Primary Care Physician of the Enrollee's screening and treatment. [Section 2.9.8.1.7 of Three-Way Contract]

117. If any Grievance or Appeal is filed with Provider, Provider must immediately forward it to MCO. [Section 2.11.1.1 of Three-Way Contract]

118. Provider must comply with the American with Disabilities Act (ADA) (28 C.F.R. § 35.130) and Section 504 of the Rehabilitation Act of 1973 (Section 504) (29 U.S.C. § 794) as outlined in the Three-Way Contract, and must maintain capacity to deliver services in a manner that reasonably accommodates the needs of Enrollees. [Section 2.9.1.6 of Three-Way Contract]

119. Upon MCO's request, Providers must provide the following information: (a) its name, address, and telephone number; (b) its training in and experience treating, including any expertise in treating the MMAI population; (c) its office hours, including the name of any provider site open after 5:00 p.m. (Eastern Time) weekdays and/or open on weekends; (d) whether it has completed cultural competence training; (e) its licensing information; (f) whether it has specific accomodations for people with physical disabilities; (g) whether it is accepting new patients; (h) whether it is on a public-transportation route; (h) any languages other than English, including ASL, spoken by Provider or offered by skilled medical interpreters at Provider's site, and whether Provider has access to language line interpreters; (i) if Provider is a behavioral-health provider, its training in and experience treating trauma, child welfare, and substance abuse. [Section 2.14.5.2 of Three-Way Contract]

120. As requested and required, Provider must provide any information that CMS and/or the Department require (a) under the Three-Way Contract related to the performance of MCO's responsibilities, including non-medical information for the purposes of research and evaluation; (b) to comply with all applicable federal or state laws and regulations; and (c) for external rapid cycle evaluation including program expenditures, service utilization rates, rebalancing from institutional to community settings, Enrollee satisfaction, Enrollee Grievances and Appeals and enrollment/disenrollment rates. [Section 2.16.1 of Three-Way Contract]

121. Collaborate with MCO in the collection and maintenance of all Encounter Data for all Covered Services that Provider provides to Enrollees, ensuring that all such data can be linked to the Department eligibility data. [Section 2.17 of Three-Way Contract]

122. In connection with the MMAI, Provider shall act in an independent capacity and not as an officer, employee, or agent of the federal government or the State of Illinois. [Section 5.1.3.1 of Three-Way Contract]

123. Provider shall not have any interest that will conflict, as determined by CMS and the Department, with the performance MCO's services under the Three-Way Contract, including without limitation any financial, legal, contractual or other business interest in any entity performing enrollment functions for the Department. [Section 5.3.17 of Three-Way Contract]

124. If requested by the State of Illinois in response to a background check of any officer, employee, or agent of the Provider, the Provider shall immediately reassign any such individual who, in the opinion of the State of Illinois, does not pass the background check. [Section 5.3.21.1 of Three-Way Contract]

125. Provider is prohibited from giving gifts to Department employees, and from giving gifts to, or accepting gifts from, any person who has a contemporaneous contract with the Department involving duties or obligations related to the Three-Way Contract. [Section 5.3.21.8 of the Three-Way Contract]

126. As requested by MCO, Provider shall submit disclosures in accordance with 42 C.F.R. § 455 and 42 C.F.R. § 1002.3. [Section 5.1.6 of Three-Way Contract]

127. Provider shall notify MCO immediately if Provider has lost any required license or state or federal approval, or has been excluded from participation in federal health care programs under either Section 1128 or Section 1128A of the Social Security Act, and implementing regulations at 42 C.F.R. Part 1001 *et seq.* [Sections 2.7.1.3 and 5.3.4 of Three-Way Contract]

128. Provider and its downstream and related entities shall allow MCO to access the medical records of Enrollees, and such access shall include the right to make and/or obtain a copy (in either electronic or hardcopy form) of such records. [Section 2.13.4.2.3 of Three-Way Contract]

129. If the Provider is discharging an Enrollee from a hospital, Provider must assure that the Enrollee receives a written notice in compliance with requirements set forth in 42 C.F.R. §§ 422.620–422.622. [Section 2.12.7.1 of Three-Way Contract]

130. Providers shall offer hours of operation that are no less than the hours of operation offered to individuals who are not Enrollees. [Section 2.8.6 of Three-Way Contract]

131. Provider must be appropriately and continually licensed or certified, as applicable, pursuant to federal and statement requirements. [Section 2.7.2.2.4 of Three-Way Contract]

132. Provider shall conduct all activities in accordance with the Enrollee rights and protections set forth under 42 C.F.R. § 438.100, 42 C.F.R. §422 Subpart C, and Appendix B ("Enrollee Rights") of the Three-Way Contract. [Appendix B of Three-Way Contract]

133. Provider may not reuse or provide other entities access to the CMS or Illinois information systems, or data obtained from the CMS or Illinois information systems, to support any line of business other than the MMAI for which the MCO contracted with CMS and the State of Illinois. [Appendix F of Three-Way Contract]

134. Provider acknowledges and agrees that compliance with Sections 5.3.22 through 5.3.32 of the Three-Way Contract and each subsection thereof (collectively, the "Standard Certifications") is a material requirement and condition of this Agreement during the entire term thereof, including during any renewal periods. By executing the Agreement, Provider certifies compliance with the Standard Certifications in their entirety, and Provider is under a continuing obligation to remain in compliance with, and to report any non-compliance with respect to, the Standard Certifications. Furthermore, Provider shall include the Standard Certifications in any subcontracts or other contracts with downstream entities or related entities that Provider enters into with respect to the provision of Covered Services to Enrollees dually eligible for both Medicare and Medicaid under the Three-Way Contract and the MMAI, including the performance of any activities delegated to Provider in connection with the Three-Way Contract and the MMAI; if the Agreement extends over multiple fiscal years, including the initial term and all renewals, Provider and any such subcontractors, downstream entities, or related entities shall confirm compliance with the Standard Certifications in the manner and format determined by the State of Illinois by the date specified by the State of Illinois, and in no event later than July 1 of each year that the Agreement remains in effect.

If the Parties determine that any Standard Certification is not applicable to the Agreement, such Standard Certification may be stricken without affecting the remaining Standard Certifications.

As part of each Standard Certification, Provider acknowledges and agrees that if Provider or its subcontractors, downstream entities, or related entities provide false information, or fail to be or remain in compliance with the Standard Certifications, one or more of the following sanctions will apply: (a) the Agreement may be void by operation of law; (b) the State of Illinois may void the Agreement; and (c) the Provider and its subcontractors, downstream entities, or related entities may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty. Identifying a sanction or failing to identify a sanction in relation to any of the Standard Certifications does not waive imposition of other sanctions or preclude application of sanctions not specifically identified.

a. Provider certifies it and its employees will comply with applicable provisions of the United States Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101, *et seq.*), and applicable rules in performance of this Agreement.

b. Provider certifies, if applicable, that it is a properly formed and existing legal entity (30 ILCS 500/1.15.80, 20-43); and as applicable has obtained an assumed name certificate from the appropriate authority, or has registered to conduct business in Illinois and is in good standing with the Illinois Secretary of State.

c. Provider certifies it has neither been convicted of bribing or attempting to bribe an officer or employee of the State of Illinois or any other state, nor made an admission of guilt of such conduct that is a matter of record. 30 ILCS 500/50-5.

d. If Provider employs twenty-five (25) or more employees and the Agreement is worth more than $5,000, Provider certifies that it will provide a drug free workplace pursuant to the Drug Free Workplace Act (30 ILCS 580).

e. Provider certifies that neither Provider nor any substantially owned affiliate of Provider is participating or shall participate in an international boycott in violation of the U.S. Export Administration Act of 1979 or the applicable regulations of the U.S. Department of Commerce. This applies to contracts that

exceed $10,000 (30 ILCS 582).

f. Provider certifies that it has not been convicted of the offense of bid rigging or bid rotating or any similar offense of any state or of the United States (720 ILCS 5/33E-3, E-4).

g. Provider certifies that it complies with the Illinois Department of Human Rights Act and rules applicable to public contracts, including equal employment opportunity, refraining from unlawful discrimination, and having written sexual harassment policies (775 ILCS 5/2-105).

h. Provider warrants and certifies that it and, to the best of its knowledge, its subcontractors, downstream entities, or related entities, have and will comply with Executive Order No. 1 (2007). That Order generally prohibits contractors and subcontractors from hiring the then-serving Illinois Governor's family members to lobby procurement activities of the State of Illinois, or any other unit of government in Illinois including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State of Illinois employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

i. Provider certifies that it is not currently barred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or agency, and is not currently barred or suspended from contracting with the State of Illinois under Section 50-35(f), 50-35(g) or 50-65 of the Illinois Procurement Code, 30 ILCS 500/1-1 *et seq.* If at any time during the term of this Agreement, Provider becomes barred, suspended, or excluded from participation in this transaction, Provider shall, within thirty (30) days after becoming barred, suspended, or excluded, provide to the Department a written description of each offense causing the exclusion, the date(s) of the offense, the action(s) causing the offense(s), any penalty assessed or sentence imposed, and the date any penalty was paid or sentence complete.

j. Provider certifies that, to the best of its knowledge and belief, no federally appropriated funds have been paid or will be paid by or on behalf of Provider, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal loan or grant, or the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan or cooperative agreement, Provider shall complete and submit Standard Form LLL, "Disclosure Forms to Report Lobbying," in accordance with its instructions. Such form is to be obtained at Provider's request from the Department's Bureau of Fiscal Operations. Provider shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this Agreement was executed. Submission of this certification is a prerequisite for making or entering into the transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

135. Provider acknowledges and agrees that MCO shall not pay for any item or service (other than an emergency item or service, not including items or services furnished in an emergency room or hospital): (a) furnished under the Three-Way Contract by any individual or entity during any period when that individual or entity is

excluded from participation under Titles V, XVIII, XIX, or XX or Sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act; (b) furnished at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under Titles V, XVIII, XIX, or XX or Sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such item or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person); or (c) furnished by an individual or entity to whom the State has failed to suspend payments during any period when there is a pending investigation of a credible allegation of fraud against the individual or entity, unless the State determines there is good cause not to suspend such payments. Provider furthermore acknowledges and agrees that MCO shall not pay for any item or service: (a) for which funds may not be used under the Assisted Suicide Funding Restriction Act of 1997; or (b) furnished by a home health care services agency or organization, unless that agency or organization provides the State with a surety bond upon the implementation of Section 1861(o)(7) of the Social Security Act. [Section 2.7.1 of Three-Way Contract]

Individual Sites Regulatory Addendum – Signature Page

Individual Sites Regulatory Compliance Addendum - Exhibit B-11

Louisiana Medicaid/CHIP Compliance Addendum

Aetna Better Health of Louisiana ("Company" or "MCO") is under contract with the Louisiana Department of Health and Hospitals, ("Healthy Louisiana" f/k/a "Bayou Health" "State Agency" or "DHH") to provide Medicaid managed care services to Enrollees as part of the Healthy Louisiana program. This Addendum (the "Addendum") is incorporated by reference into the Agreement. The provisions of this Addendum are required by the State Contract for all of Company's downstream providers and subcontractors, including but not limited to suppliers and/or vendors of ABH.

For purposes of this Addendum, the term "Supplier" shall mean the individual or entity executing the Agreement, which may be a health care physician, provider, group, facility, hospital, individual or entity executing the Agreement, as identified on the first page of the Agreement. Capitalized terms used and not otherwise defined in this Addendum shall have the meanings set forth in the Agreement or, if not defined in the Agreement, as defined in the State Contract or under Louisiana law. Pertinent information regarding the Healthy Louisiana program, RFP and contracts with the MCOs can be found on the Medicaid page of the Department of Health and Hospitals website at: http://new.dhh.louisiana.gov

If there is any conflict between the terms of this Addendum and any of the other terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum will govern and control; provided, however, if there is any conflict between any of the terms of the Agreement, including this Addendum, and the State Contract, including but not limited to any Waiver Services and/or SPA, then the terms of the State Contract will govern and control. [RFP § 7.1.5].

If any requirement in the Agreement or this Addendum is determined by DHH to conflict with the contract between DHH and Company, such requirement shall be null and void and all other provisions shall remain in full force and effect.

To the extent applicable to the services provided by Supplier pursuant to the Agreement, the following provisions apply.

1. DEFINITIONS

When used in the Agreement, all capitalized terms shall have the following meanings:

Bayou Health (now known as Healthy Louisiana). The full risk-bearing MCO health care delivery system, authorized by La. R.S. 36:254 and operated by DHH under the authority of the Medicaid State Plan, as amended, responsible for

providing specified Medicaid core benefits and services included in the Medicaid State Plan and Waiver Services to Medicaid recipients. [RFP § 2.2.1].

Basic Behavioral Health Services ("Basic BHS"). Mental health and substance abuse services, which are provided to Members with emotional, psychological, substance abuse, psychiatric symptoms and/or disorders that are provided in the Member's PCP office by the Member's PCP as part of primary care service activities. Basic BHS shall include, but not be limited to, screening, prevention, early intervention, medication management, treatment and referral services as defined in the Medicaid State Plan (or as otherwise authorized by the Healthy Louisiana program) Basic BHS are further defined as those provided in the Member's PCP or medical office by the Member's non-specialist physician (i.e., D.O., M.D., A.P.R.N.) as part of routine physician evaluation and management activities. All such services shall be Covered Services for Members with both physical and behavioral health coverage. [RFP §§ 6.4.1.1 & Definitions].

Care Management. Overall system of medical management encompassing Utilization Management, Referral, Case Management, Care Coordination, Continuity of Care and Transition Care, Chronic Care Management, Quality Care Management, and Independent Review.

Children's Health Insurance Program ("CHIP"). The program created in 1997 by Title XXI of the Social Security Act and known in Louisiana as CHIP. [RFP § Definitions].

Claim. In addition to the provisions of the Agreement, Claim means (1) a bill for services, (2) a line item of service or (3) all services for one recipient within a bill. [RFP § Definitions].

Clean Claim. A Clean Claim means one that can be processed without obtaining additional information from the provider of the service or from a third party. It includes a Claim with errors originating in a State's claims system. It does not include a Claim from a provider who is under investigation for fraud or abuse, or a Claim under review for medical necessity. [RFP § Definitions].

Covered Services. Those health care benefits and services, including Waiver Services, to which an individual eligible for Medicaid/CHIP is entitled under the Medicaid State Plan. Covered Services shall be accessible to all Members in comparable timeliness, amount, duration and scope as those available to insured individuals in the same service area. [RFP § 7.1.2; Appendix O, #13].

Emergency Services. Covered inpatient and outpatient services, including Specialized BHS, that are furnished by a provider that is qualified to furnish these services under 42 C.F.R. § 438.114(a) and Section 1932(b)(2) of the Social Security Act and that are needed to screen, evaluate and stabilize an emergency medical condition. Services defined as such under Section 1867(e) of the Social Security Act ("anti-dumping provisions"). If an emergency medical condition exists, the MCO is obligated to pay for the Emergency Service. Coverage of Emergency Services must not include any

prior authorization requirements, and the "prudent layperson" standard shall apply to both in-plan and out-of-plan coverage. [RFP § Definitions].

Enrollee. A Louisiana Medicaid or CHIP recipient who is currently enrolled in an MCO or other Medicaid Managed Care Program. [RFP § Definitions].

Louisiana Department of Health and Hospitals ("DHH"). The state department responsible for promoting and protecting health and ensuring access to medical, preventive and rehabilitative services for all citizens in the state of Louisiana.

Managed Care Organization ("MCO"). A private entity that contracts with DHH to provide core benefits and services to Enrollees in exchange for a monthly prepaid capitated amount per Member. The entity is regulated by the Louisiana Department of Insurance with respect to licensure and financial solvency, pursuant to La. R.S. 22:1016, but shall, solely with respect to its products and services offered pursuant to the Louisiana Medicaid program be regulated by DHH.

Managed Care Program. The Louisiana Medicaid program providing statewide leadership to most effectively utilize resources to promote the health and well-being of Enrollees in DHH's Healthy Louisiana program. [RFP § Definitions].

Material Changes. Material Changes are changes affecting the delivery of care or services provided under the State Contract. Material Changes include, but are not limited to, changes in composition of the provider network, subcontractor network, the MCO's complaint and grievance procedures; health care delivery systems, services, changes to expanded services; benefits; enrollment of a new population; procedures for obtaining access to or approval for health care services; any and all policies and procedures that require DHH approval prior to implementation; and the MCO's capacity to meet minimum enrollment levels. DHH shall make the final determination as to whether a change is material. [RFP § Definitions].

Medicaid. A means tested federal-state entitlement program enacted in 1965 by Title XIX of the Social Security Act Amendment. Medicaid offers federal matching funds to states for costs incurred in paying health care providers for serving covered individuals. [RFP § Definitions].

Medicaid State Plan. The binding written agreement between DHH and CMS, which describes how the Medicaid program is administered and determines the services for which DHH will receive federal financial participation.

Medical Record(s). A single complete record kept at the site of the Member's treatment(s), which documents medical or allied goods and services, including, but not limited to, outpatient and emergency medical health care services whether provided by the MCO, its subcontractor or any out-of-network providers. The records may be electronic, paper,

magnetic material, film or other media. In order to qualify as a basis for reimbursement, the records must be dated, legible and signed or otherwise attested to, as appropriate to the media, and meet the requirements of 42 C.F.R. § 456.111 and 42 C.F.R. § 456.211; however, Supplier shall provide such Medical Record(s) upon request and without cost unless such production is deemed excessive or unreasonable by Company. [RFP § Definitions].

Medically Necessary Service(s) or Medical Necessity. Those health care services that are in accordance with generally accepted, evidence-based medical standards or that are considered by most physicians (or other independent licensed practitioners) within the community of their respective professional organizations to be the standard of care. In order to be considered Medically Necessary, services must be: (1) deemed reasonably necessary to diagnose, correct, cure, alleviate or prevent the worsening of a condition or conditions that endanger life, cause suffering or pain or have resulted or will result in a handicap, physical deformity or malfunction; and (2) not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease. Any such services must be clinically appropriate, individualized, specific and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and neither more nor less than what the recipient requires at that specific point in time. Services that are experimental, non-FDA approved, investigational, or cosmetic are specifically excluded from Medicaid coverage and will be deemed "not Medically Necessary." Additionally, the Medicaid director, in consultation with the Medicaid medical director, may consider authorizing services at his discretion on a case-by-case basis. [RFP § Definitions].

Member. As it relates to the Louisiana Medicaid/CHIP programs, the State Contract and the Agreement, Member refers to a Medicaid/CHIP eligible who enrolls in an MCO under the provisions of the State Contract and also refers to an "Enrollee" as defined in 42 C.F.R. § 438.10(a). [RFP § Definitions].

Policies. In addition to the policies and procedures promulgated by Company, that relate to the duties and obligations of the Parties under the terms of the Agreement, Policies include the general principles and practices by which DHH is guided in its management of the Title XIX program, as further set forth and defined by DHH promulgations and by state and federal rules and regulations. [RFP § Definitions].

Preventive Care. Refers to the treatment to avert disease/illness and/or its consequences. The term is used to designate prevention and early detection programs rather than restorative or treatment programs. There are three (3) levels of Preventive Care: primary, such as immunizations, aimed at preventing disease; secondary, aimed at early detection of disease; and tertiary, such as physical therapy, aimed at restoring function after the disease has occurred and requires a face-to-face visit within four (4) weeks of Member request.

Primary Care Provider ("PCP"). An individual physician, nurse practitioner or physician assistant who accepts responsibility for the management of a Member's health care. The Primary Care Provider is the patient's point of access for Preventive Care or an illness and may treat the patient directly, refer the patient to a specialist (secondary/tertiary care) or admit the patient to a hospital. [RFP § Definitions].

Provider Preventable Condition. Preventable healthcare-acquired or other provider- preventable conditions and events, also known as never events, identified by DHH for nonpayment, such as but not limited to, bed pressure ulcers or decubitus ulcers; or events such as surgical or invasive procedures performed on the wrong body part or wrong patient; wrong surgical procedure performed on a patient.

Specialized Behavioral Health Services ("Specialized BHS"). Specialized behavioral health services shall include, but are not limited to, services specifically defined in the Medicaid State Plan and provided by a psychiatrist, psychologist and/or mental health rehabilitation provider. Specialized BHS shall also include any other BHS subsequently amended into the State Contract, Medicaid State Plan or approved Waiver Services. Effective December 1, 2015, these services shall be Covered Services for all covered populations except for Specialized BHS covered by the Coordinated System of Care ("CSoC") for youth enrolled with the CSoC coordinator. [RFP § 6.4.1.1].

State Contract. The written agreement between Company and DHH, the Government Sponsor, a copy of which shall be furnished to Supplier upon request. The State Contract is comprised of and incorporates all provisions of the RFP and any addenda, appendices, attachments or amendments thereto, as well as any Member handbook, provider handbook and/or other applicable policy guides, manuals and materials. [RFP §2.3.2].

Waiver Services. Those Medicaid services covered under the Section 1915(c) Home and Community Based Services ("HCBS") programs which in Louisiana are New Opportunities Waiver ("NOW"), Children¹s Choice, Adult Day Health Care ("ADHC"), Elderly Disabled and Adult ("EDA"), Supports Waiver, Residential Options Waiver ("ROW"), other 1915(c) waiver or other waiver program service that may be implemented. Participants in waivers are excluded from enrolling in an MCO. [RFP § Definitions].

2. SUPPLIER SERVICES AND OBLIGATIONS

2.1 Licensing Requirements. Supplier must be currently licensed and/or certified under applicable state and federal statutes and regulations and shall maintain, throughout the term of the Agreement, all necessary licenses, certifications, registrations, permits and accreditations as required to provide Covered Services or perform other activities delegated by Company or as required by the State Contract. If DHH or Company discovers that Supplier is not properly licensed by the appropriate authority, Supplier shall immediately discontinue providing services to Members. Upon proper licensing by the appropriate authority and approval by DHH, Company may reinstate Supplier to provide services to Members. [RFP § 7.15.3; Appendix O, #12].

2.2 Exclusion, Suspension and/or Debarment and Screening. The MCO, as well as its subcontractors and providers, whether contract or non- contract, shall comply with all federal requirements (42 C.F.R. §1002) on exclusion and debarment screening. Supplier agrees and understands that any unallowable funds made to excluded individuals as full or partial wages and/or benefits shall be refunded to and/or obtained by Company or the State, dependent upon the entity that identifies the payment of unallowable funds to excluded individuals. Supplier acknowledges and understands that Company shall not execute contracts with any provider who has been excluded from participation in federal healthcare programs under § 1128, § 1128A (42 U.S.C. § 1320a-7) or § 1156 (42 U.S.C. § 1320 c-5) of the Social Security

Act or state-funded health care programs. Supplier further acknowledges that Company is prohibited from entering into any relationship with anyone debarred, suspended or otherwise excluded from participating in procurement activities under the Federal Acquisition Regulation or from non-procurement activities under regulations issued under Executive Orders. Supplier shall comply with all federal requirements on exclusion and debarment screening. If Supplier is a tax-reporting entity that bills or receives Louisiana Medicaid funds flowing from the State Contract, Supplier shall screen its owners and employees against the federal exclusion databases (such as LEIE and System for Award Management). [RFP §§ 4.1.2, 7.6.2.1, 7.13.6, 15.1.11 & 25.14.1; 42 C.F.R. § 1002].

2.3 Requirements of Covered Services. Supplier must provide, or arrange for the provision of, Covered Services or coverage of core benefits and services in the amount, duration and scope of core benefits and services specified in the Medicaid State Plan, as well as all specific requirements of the State Contract and the court-ordered requirements applicable to the *Chisholm vs. Kliebert* class, under the Agreement to Members through the last day that this Agreement is in effect. Supplier acknowledges that all final Medicaid benefit determinations are within the sole and exclusive authority of DHH or its designee. In the event that Supplier is unable or unwilling to provide services to Members, Supplier shall notify Company within one (1) business day. [RFP § 7.11.6.7; Appendix O, #12 & 15].

Additionally, Supplier agrees and understands that the services to be provided hereunder shall be performed entirely within the fifty (50) United States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands and American Samoa. Supplier agrees that he, she or it will not hire any individual to perform any services under the Agreement if that individual is required to have a work visa approved by the U.S. Department of Homeland Security and such individual has not met this requirement. [RFP § 25.27.1; Appendix O, #43].

2.4 Fraud and Abuse Policies. To the extent applicable, Supplier, on behalf of itself and any subcontractors, agrees to comply with applicable provisions of the State Contract, including all provisions of Section 15 of the State Contract, and Company's Fraud and Abuse Compliance Plan, including its methods to identify, investigate and refer suspected fraud cases, or other compliance program developed by Company to prevent, reduce, detect, correct and report known or suspected fraud, waste and abuse in the administration and delivery of health care services. Supplier shall abide by all requirements of the State Contract regarding right of review and recovery by Company and DHH for possible acts of fraud, waste and abuse for services under this Agreement, including those rules governing complex reviews and potential overpayments and/or underpayments.

Company has the exclusive right of review and recovery for three hundred sixty-five (365) days from the original date of service to initiate a complex review of the Claim to determine a potential underpayment or overpayment. A complex review requires Company's review of medical, financial or other records, including on-site reviews is necessary to determine the existence of an improper payment. Supplier understands that Company is prohibited from giving notice to Supplier in instances resulting from suspected fraud that Company has identified to DHH, MFCU or other appropriate law enforcement agency, unless approved by DHH.

Company and Supplier shall, upon request and as required by the State Contract or state and/or federal law, make available to the MFCU any and all administrative, financial and Medical Records relating to the delivery of items or services for which Louisiana Medicaid monies are expended. Such records will be made available at no cost to the

requesting agency. In addition, the MFCU shall, as required by the State Contract or state and/or federal law, be allowed access to the place of business and to all Medicaid records of any contractor, subcontractor, supplier or provider during normal business hours, except under special circumstances when after hour admission shall be allowed. Special circumstances shall be determined by the MFCU. [RFP §§ 15.1.16.2, 15.1.18-19 & 15.7.2].

2.5 Byrd Anti-Lobbying Amendment. Supplier further agrees to comply with the Byrd Anti-Lobbying Amendment, which provides that contractors who apply or submit bids shall file the required certification that each tier will not use federal funds to pay a person or employee or organization for influencing or attempting to influence an officer or employee of any federal agency, a member of Congress, officer or employee of Congress or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with nonfederal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient (45 C.F.R. § 3). [RFP § 25.3.1.13].

2.6 Referrals. As applicable to services provided under the Agreement, Supplier shall adhere to Company's referral system and guidelines to ensure that services are furnished to Enrollees promptly and without compromise to care. Supplier agrees to accurately document and cooperate with Company regarding requested referral reporting and monitoring activities, documentation of specialty health care and out-of-network referrals, services and follow-up activities and ensure that all are included in the Medical Record maintained by the Member's PCP. Supplier also agrees to adhere to Company's procedures and criteria for making referrals and coordinating care in accordance with the court-ordered *Chisholm vs. Kliebert* requirements and with behavioral health providers and agencies that will promote continuity, as well as, cost-effective care. [RFP §§ 6.1.12 & 6.28.1].

2.7 Responsibilities of Primary Care Providers. If Supplier is a PCP, the PCP shall serve as the Member's initial and most important point of interaction. The PCP shall also be responsible for the following:

(a) Managing and coordinating the medical and behavioral health care needs of Members to assure that all Medically Necessary services are made available in a timely manner [RFP § 7.8.2.1];

(b) Referring patients to subspecialist and subspecialty groups and hospitals as they are identified for consultation and diagnostics according to evidence-based criteria for such referrals as it is available [RFP § 7.8.2.2];

(c) Communicating with all other levels of medical care to coordinate and follow-up the care of individual patients, including real time consultations with behavioral health providers for behavioral health issues and medication consultations [RFP §§ 2.3.10.5 & 7.8.2.3];

(d) Providing the coordination necessary for the referral of patients to behavioral health providers and specialists and for the referral of patients for Basic BHS, Specialized BHS and/or services that may be available through Medicaid fee-for-service ("FFS") [RFP §§ 6.29.2.2 & 7.8.2.4];

(e) Maintaining a Medical Record of all services rendered by the PCP and record of referrals to other providers and any documentation provided by the rendering provider to the PCP for follow-up and/or coordination of care [RFP § 7.8.2.5];

(f) Development of a plan of care to address risks and medical needs and other responsibilities regarding Care Management as set forth in Company Policies and the State Contract and as required by 42 C.F.R. § 438.208 [RFP §§ 6.29.1 & 7.8.2.6];

(g) Ensuring that in the process of coordinating care, each Enrollee's privacy is protected consistent with the confidentiality requirements of state law and 45 C.F.R. Parts 160 and 164, which set forth the requirements regarding the privacy of individually identifiable health information [RFP § 7.8.2.7];

(h) Providing after-hours availability to patients who need medical advice. At a minimum, PCP offices must have a return call system staffed and monitored in order to assure that the Member is connected to a designated medical practitioner within thirty (30) minutes of the call [RFP § 7.8.2.8];

(i) Maintaining hospital admitting privileges or arrangements with a physician who has admitting privileges at an MCO participating hospital[RFP § 7.8.2.9];

(j) Provide Basic BHS and refer Members to the appropriate health care specialist as deemed necessary for Specialized BHS. [RFP §7.8.2.1];

(k) Participate in training provided by Company regarding the appropriate utilization of basic behavioral health screenings in the primary care setting [RFP § 6.35.8];

(l) Cooperate with Company to increase screening for developmental, behavioral and social delays, as well as screening for child maltreatment risk factors, trauma and adverse childhood experiences. [RFP § 6.4.9.1];

(m) Working with Company case managers to develop plans of care for Members receiving Case Management services [RFP § 7.8.2.10];

(n) Participating with Company's Case Management team, as applicable and Medically Necessary [RFP § 7.8.2.11]; and

(o) Conducting screens for common behavioral issues, including, but not limited to, depression, anxiety, trauma/adverse childhood experiences and substance use, to determine whether the Member needs BHS. [RFP §§ 6.4.5.6.4.9 & 7.8.2.12].

2.8 Medically Necessary/Preventive Services. Supplier may not refuse to provide Medically Necessary or preventive Covered Services to Members covered under the Agreement or the State Contract for non-medical reasons (except those services allowable under federal law for religious or moral objections). However, Supplier is not required to accept or continue treatment of a patient with whom Supplier feels he/she cannot establish and/or maintain a professional relationship.

2.9 Emergency Services. Supplier shall render Emergency Services, including Specialized BHS, without the requirement of prior authorization of any kind. Supplier agrees to cooperate with Company's obligations to monitor utilization of Emergency Services and correct inappropriate emergency department utilization. [RFP § 6.8.1.1; Appendix O, #14].

2.10 Laboratory Services. If Supplier performs laboratory services, Supplier must meet all applicable federal and state law requirements, including CLIA requirements and the provisions of 42 C.F.R. § 493.1 and § 493.3. [RFP § 7.8.12.1; Appendix O, #15].

2.11 Behavioral Health Services. DHH and Company support the integration of physical services and BHS through screening and strengthening prevention/early intervention at the primary care level of care. As applicable, Supplier shall utilize behavioral health screening tools and protocols consistent with industry standards. [RFP § 6.4.9].

PCP and Company shall cooperate and collaborate with behavioral health specialists and other service providers who serve Medicaid Members to ensure the coordination and provision of services to Members as specified in the Medicaid State Plan. In addition, Supplier is not permitted to encourage or suggest, in any way, that Members be placed in state custody to receive medical or specialized BHS covered by DHH. [RFP §§ 6.27.2.1,6.29.2.2 & 7.12].

2.12 Treatment Decisions. As applicable to services provided under the Agreement, Supplier shall be familiar with the package of benefits offered by DHH set forth in the State Contract and DHH's requirement that providers make treatment decisions based upon individual medical needs. Supplier must comply with DHH's requirements governing Member rights and responsibilities as set forth in State Contract, Company Policies and applicable state and federal law. [RFP § 12.17.15.1].

2.13 Access Standards and Appointment System. As applicable to services provided under the Agreement, Supplier shall abide by the appointment availability and access standards for core benefits and/or expanded services, when applicable, to ensure that Members' needs are sufficiently met. Supplier shall ensure that appointments are on a timely basis, as follows: [RFP §§ 7.1.3, 7.2.1 & 7.5.1.1; Appendix SS].

(a) Routine, non-urgent or Preventive Care visits scheduled within six (6) weeks. For BHS, routine, non-urgent appointments shall be arranged within fourteen (14) days of referral [RFP § 7.2.1.4];

(b) Urgent care visits within twenty-four (24) hours. Supplier must provide or make arrangements, as directed by Company or through other arrangements, for a patient to obtain urgent care, including behavioral health care, twenty-four (24) hours per day, seven (7) days per week. Urgent care may be provided directly by the PCP or directed by Company through other arrangements. An appointment shall be arranged within forty-eight (48) hours of request [RFP § 7.2.1.2];

(c) Emergent or emergency visits immediately upon presentation at a service delivery site. Emergency Services must be available at all times. Emergent, crisis or emergency BHS must be available at all times, and an appointment shall be arranged within one (1) hour of request [RFP § 7.2.1.1];

(d) Non-urgent sick care within seventy-two (72) hours or sooner if medical condition(s) deteriorates into an urgent or emergency condition [RFP § 7.2.1.3];

(e) In office waiting times for scheduled appointments should not routinely exceed forty-five (45) minutes, including time in the waiting room and examining room. If Supplier is delayed, patients shall

be notified immediately. If the wait is anticipated to be more than ninety (90) minutes, the patient shall be offered a new appointment [RFP § 7.2.1.9-10];

(f) Maternity Care:

(i) Initial appointments for prenatal visits for newly enrolled pregnant women, who must be treated without unreasonable delay, shall meet the following timetables from the postmark date the MCO mails the Member's welcome packet:

(1) In the first trimester within fourteen (14) days;

(2) In the second trimester within seven (7) days;

(3) In the third trimester within three (3) day;

(ii) Initial appointments for high risk pregnancies within three (3) days of identification of high risk by Company or maternity care provider, or immediately if an emergency exists [RFP § 7.2.1.7];

(g) Specialty care consultation within one (1) month of referral or as clinically indicated [RFP § 7.2.1.5];

(h) Lab and X-ray services (usual and customary) not to exceed three (3) weeks for regular appointments and forty-eight (48) hours for urgent care or as clinically indicated [RFP § 7.2.1.6];

(i) Follow-up to emergency department visits in accordance with emergency department attending provider discharge instructions [RFP § 7.2.1.8];

(j) Walk-in patients with non-urgent needs should be seen if possible or scheduled for an appointment consistent with written scheduling procedures [RFP § 7.2.1.11]; and

(k) Direct contact with a qualified clinical staff person must be available through a toll-free number at all times. [RFP § 7.2.1.12].

2.14 Insurance. As required by the laws applicable to Supplier, Supplier shall secure and maintain throughout the term of the Agreement, all necessary, and in the amounts required by the State Contract and/or Company, liability, workers' compensation and malpractice insurance or other coverage as is necessary to adequately protect Members and Company under the Agreement. Supplier shall furnish Company with written verification of the existence of such coverage at all times during the Agreement. Supplier shall not commence performance under the Agreement until all insurance requirements have been obtained and approved by Company. To the extent FQHCs are exempt from maintaining any type of insurance, Company shall waive this requirement. [RFP § 2.5.2.2; Appendix O, #33].

2.15 No Interference by Company. Subject to the limitations set forth in 42 C.F.R. § 438.102(a)(2), Company agrees that it shall not prohibit or otherwise restrict Supplier, acting within the lawful scope of practice, from advising or advocating on behalf of an Enrollee who is his or her patient, regardless of whether benefits for such care or treatment are provided under the State Contract, for the following:

(a) The Enrollee's health status, medical care, or treatment options, including any alternative treatment that may be self-administered;

(b) Any information the Enrollee needs in order to decide among all relevant treatment options;

(c) The risks, benefits, and consequences of treatment or non-treatment; and

(d) The Enrollee's right to participate in decisions regarding his or her health care, including the right to refuse treatment and to express preferences about future treatment decisions.

[RFP § 7.16.1].

2.16 Required Disclosures. Supplier shall comply with the disclosure provisions of 42 C.F.R. § 455, Subpart B and disclose all required information regarding significant business transactions, ownership and control information to Company, including disclosure of business transactions with wholly-owned suppliers or subcontractors, as well as otherwise required by applicable law. Supplier agrees to submit the required disclosures of ownership to Company at the time of initial contracting, contract renewal, within thirty-five (35) days of any change to disclosure information, at least annually or upon request. Supplier shall also comply with any and all disclosures required to ensure mental health parity, including, but not limited to requirements of the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act ("MHPAEA"), the State Contract and DHH. [RFP §§ 7.15.2.8.3.35 & 15.1.10; Appendix O, #19; 42 C.F.R. §§ 455.104-.105].

2.17 Training. Supplier shall participate in applicable training sessions provided by Company and/or DHH to ensure that Supplier, and any subcontractors, adhere to Company policies and procedures and Medicaid regulations to fulfill its requirements, including, but not limited to, but not limited to, training on integrated care, Permanent Supportive Housing ("PSH"), appropriate utilization of basic physical health screenings in the behavioral health setting and marketing guidelines, restrictions and limitations. [RFP §§ 2.3.10.3 (integrated care), 4.6.1, 4.6.7.4 (PSH), 6.4.5.6.4.9, 6.4.11.4, 6.35.8. 6.35.9.1.6, 3.35.9.1.12, 7.6.6, 7.9.5.7, 7.15.2.8.3.33, 10.5.1 & 10.5.4.2-.4].

2.18 Covered Population. Supplier shall provide services to the enrollment populations identified in and in accordance with the State Contract, as amended from time to time. [Appendix O, #10].

2.19 Self-Assessment. If applicable, Supplier shall complete, at least annually unless otherwise requested by Company or DHH, a self-assessment using the Integrated Practice Assessment Tool or other assessment method provided by Company. In addition, Supplier shall cooperate with Company in providing data necessary for Company to meet its reporting obligations to DHH on behavioral health integration. [RFP § 2.3.10.1-.2].

2.20 Prescription Data Inquiry Requirements. Provider shall utilize the electronic Medicaid Clinical Data Inquiry system ("e-CDI"), accessible via www.lamedicaid.com, to perform medication searches within a Member's medical history to ensure that appropriate medication management is conducted. [RFP § 7.15.2.8.3.11].

2.21 Audit Requirements. If Supplier performs a key internal control, Supplier shall submit to an independent SSAE 16 SOC type I and/or type II audit of its internal controls and other financial and performance audits from outside companies to assure both the financial viability of the (outsourced) program and the operational viability, including the policies and procedures placed into operation. The audit firm will conduct tests and render an independent opinion on the operating effectiveness of the controls and procedures. When required by DHH, Supplier must provide a quality control plan, such as third party Quality Assurance ("QA"), Independent Verification and Validation ("IV&V"), and other internal project/program reviews and audits. [RFP § 21.9; Appendix O, #30].

2.22 Health Information Technology ("HIT"). Supplier agrees and understands that Company encourages and DHH may later require Supplier to adopt HIT and its meaningful use, with specific emphasis on connection to the Louisiana Health Information Exchange ("LaHIE") and development of a secure, web-accessible health record for Members, such as a personal health record ("PHR"). [RFP § 16.3.4].

2.23 Emergency Departments. All emergency departments ("EDs") shall exchange admit discharge transfer ("ADT") data with LaHIE's ED visit registry to aid in identification and creation of Policies around high utilizers, drug-seeking behavior and chronic disease management. The visit registry consists of three basic attributes: (i) the ability to capture and match patients based on demographics information, (ii) the ability to identify the facility at which care is being sought and (iii) at minimum, the chief complaint of the visit. These three (3) pieces of information are commonly available through the HL7 ADT message standard and in use by most ED admission systems in use today across the country. [RFP § 16.3.5].

2.24 Hospitals. Hospitals shall comply with the data submission requirements of state law. Including, but not limited to, syndromic surveillance data under the Sanitary Code of the State of Louisiana (LAC 51:II.105). All Suppliers are encouraged to use LaHIE where direct connections to public health reporting information systems are not feasible or are cost prohibitive. [RFP § 16.3.6].

2.25 Immunizations. Provider shall use vaccines available without charge under the Vaccine for Children ("VFC") Program for Medicaid children eighteen (18) years old and younger. Immunizations shall be given in conjunction with EPSDT/Well Child visits or when other appropriate opportunities exist. Supplier shall report the required immunization data into the Louisiana Immunization Network for Kids "(LINKS") administered by the DHH/Office of Public Health. [RFP §§ 6.7.2 & 6.7.4].

2.26 Coordination with Other Service Providers. Supplier shall make best efforts to cooperate and communicate with other service providers who serve Medicaid members. Such other service providers may include: Head Start programs, Healthy Start programs, Aging and Disability Councils, Areas on Aging, Nurse Family Partnership, Early Intervention programs and school systems. Such cooperation may include performing annual physical examinations for schools and the sharing of information (with the consent of the Enrollee). [RFP § 7.12].

2.27 Prescription Monitoring Program ("PMP"). Upon writing the first prescription for a controlled substance and then annually thereafter, Supplier, which is a licensed prescriber, shall utilize and conduct Member-specific inquiries in the PMP for Members with behavioral health diagnosis and/or substance use disorders. The physician shall print the PMP query and file it as part of the recipient's record. Company shall conduct sample audits to verify compliance. Prescribers are encouraged to conduct additional PMP queries depending on the Member's specific medical history and diagnosis. [RFP § 6.3.6.6].

2.28 Incident Reporting. Supplier agrees to comply with Company's incident reporting procedures, including utilizing Company's or DHH's incident reporting management system, and timely report quality of care concerns and adverse incidents to Company. [RFP § 14.8].

3. CLAIMS SUBMISSION, COMPENSATION AND MEMBER BILLING

3.1 Compensation. Supplier shall promptly submit accurate information needed to make payment under the terms of the Agreement, identifying the name and address of the official payee to whom payment shall be made and the method and amount of compensation. Supplier shall make full disclosure of the method and amount of compensation or other consideration received from Company. In accordance with 42 C.F.R. § 438.12(e), Supplier is not compensated to provide incentives for Company to deny, limit, or discontinue Medically Necessary Services to any Member. [RFP § 7.15.2.8.3.28; Appendix O # 26].

3.2 Payment of Claims. Supplier agrees to comply with DHH's Claims processing guidelines and timely filing guidelines as set forth in the State Contract and shall (i) submit Claims associated with Covered Services for Members directly to Company or Company's subcontractor and (ii) unless unreasonable under the Agreement, agree to submit to and receive from Company, Claims information through electronic data interchange. Company agrees to pay 90% of all Clean Claims submitted by Supplier within fifteen (15) business days of the date of receipt and 99% of all Clean Claims submitted by Supplier within thirty (30) business days of the date of receipt. The date of receipt is the date that Company receives the Claim, as indicated by the date stamp on the Claim. The date of payment is the date of the check or other form of payment. Company and Supplier may, by mutual agreement, establish an alternative payment schedule herein. Supplier must submit all Medicaid only Claims for Covered Services for payment no later than three hundred sixty-five (365) days from the date of service. Supplier shall submit Claims involving third-party liability within the lesser of (i) one hundred eighty (180) days of resolution by the third party or (ii) three hundred sixty-five (365) days from the date of service.

Supplier must identify potential Medicare or third-party liability coverage to Company before submitting Claims or encounters to Company. Pursuant to federal and state law, the Medicaid program by law is intended to be the payor of last resort; thus, all other available third-party liability resources must meet their legal obligation to pay Claims before Company pays for the care of a Medicaid Member. Provider shall make best efforts to ensure it receives compensation first from all other available resources before accepting compensation from Company. [RFP §§ 5.13.1.1, 7.15.2.8.3.9, 17.2.8, 17.3.2, 17.3.5 & 17.8.8; Appendix O, # 27-28].

3.3 Capitation Arrangement Payments. With respect to payments made through a capitation arrangement, Supplier shall submit all encounter data to the same standards of completeness and accuracy as required for receiving and settling of FFS Claims. If Supplier becomes aware for any reason that he or she is not entitled to a PMPM payment for a particular Member (i.e., patient dies), Supplier shall immediately notify both Company and DHH by certified mail, return receipt requested. Supplier acknowledges and understands that such capitation arrangements may be subject to adjustment. [RFP § 17.8.3].

3.4 Timely Reimbursement. In the event that DHH deems Company unable to timely process and reimburse Claims, and requires Company to submit Claims for reimbursement to an alternate Claims processor, if applicable, to ensure timely reimbursement, Supplier agrees to accept reimbursement at no more than the Company's contracted reimbursement rate or DHH's established FFS rate. [RFP § 9.1].

3.5 In-Network Reimbursement. Unless mutually agreed upon by the Parties, Suppliers who are in-network providers shall not be reimbursed by Company for defined core benefits and services at less than the Medicaid FFS rate in effect on the date of service or its equivalent (such as a DRG case rate). Supplier agrees and understands that DHH is responsible for setting and defining minimum rates for Covered Services. [RFP § 9.1].

3.6 Member Billing. Supplier shall accept payment for Covered Services made by Company under the terms of this Agreement as payment-in-full and shall not solicit or accept any surety or guarantee of payment from DHH or any Member, which shall include the patient, parent(s), guardian, spouse or any other legally or potentially legally responsible person of the Member being served. In accordance with federal law and regulations, Supplier shall not bill Members any amount greater than would be owed if Company provided the services directly. Members shall not be held liable for the costs of any and all services not covered by Company or in cases where Supplier failed to obtain required authorization. [RFP §§ 5.12, 6.31.4 & 25.26; Appendix O, # 31].

Supplier may impose cost sharing on Members in accordance with 42 C.F.R. § 447.50-.57; provided, however, it does not exceed the cost sharing amounts set forth in the Medicaid State Plan. To the extent cost sharing is required of a Member, Supplier shall not deny services because of the Member's inability to pay. Supplier agrees and understands that DHH reserved the right to amend cost sharing requirements. [RFP §§ 5.12.2-.3].

3.7 Encounter Claim Errors. If Supplier discovers an error or conflict with a previously adjudicated Claim, Supplier shall immediately notify Company and Company shall be required to adjust or void the encounter Claim within fourteen (14) days of notification by DHH, or, if circumstances exist that prevent Supplier from meeting this time frame, a specified date shall be approved by DHH. [Appendix O, #29].

3.8 FQHC/RHC ("Rural Health Center") Reimbursement. Company shall reimburse a contracted FQHC/RHC at an amount equal to the Prospective Payment System ("PPS") rate in effect on the date of service of each encounter. As applicable, Supplier agrees and understands that Company shall not enter into alternative reimbursement arrangements with FQHCs or RHCs. [RFP §§ 9.2.1-.2].

3.9 Compensation for UM Activities. In accordance with federal law and regulations, any compensation to Company, entities or individuals that conduct utilization management activities is not structured so as to provide incentives for the entity, individual or Company to deny, limit or discontinue Medically Necessary Services to any Member. [RFP § 8.21; 42 C.F.R. § 438.12(e)].

3.10 Reimbursement for Court-Ordered Services. All court-order behavioral health services are subject to medical necessity review. To be eligible for payment, the service must be Medically Necessary and a Covered Service, as determined by Company within DHH's medical necessity definition. [RFP § 8.15.1].

3.11 Payments to Excluded Suppliers. Supplier agrees and understands that federal financial participation is not available for services, except for Emergency Services, delivered by providers excluded from Medicare, Medicaid or CHIP. If Supplier has been excluded, Supplier shall return all amounts paid by Company for services rendered as an excluded provider. Supplier agrees and understands that any outstanding payments due to an excluded supplier or provider for dates of service before the effective date of exclusion shall be suspended, and release of such funds is contingent upon DHH approval. [RFP § 15.4].

3.12 Offset. Supplier agrees and understands that DHH or Company on behalf of DHH may recover any overpayments from Supplier identified through an automated or similar review, and such funds shall be returned to DHH. Supplier further agrees that Company shall not offset any payments made to a behavioral health provider for BHS and recouped by DHH when, and only when, DHH has verified that Company was at fault for the error in payment. [RFP §§ 7.15.2.8.3.20 & 15.7.7].

3.13 Provider Preventable Conditions. Company shall not reimburse and shall not be obligated to reimburse Supplier for Provider Preventable Conditions as defined herein. [RFP § 7.13.3.7].

3.14 Location of Services. Supplier r understands and agrees that it will not request or accept reimbursement or payment for items or services provided under the Agreement by any individual or entity located outside of the United States. The term "United States" means the fifty (50) states, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa. [RFP § 5.3.2].

4. COMPLIANCE WITH POLICIES

4.1 Compliance with Applicable Law. Supplier agrees to recognize and abide by all state and federal laws, rules and regulations and guidelines applicable to the provision of services under the Healthy Louisiana program, including Title VI and VII of the Civil Rights Act of 1964, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, the Rehabilitation Act of 1973, Section 202 of Executive Order 11246 and all applicable

requirements imposed by or pursuant to the regulations of HHS and as named in the State Contract. Provider shall provide physical access for Medicaid Members with disabilities. [RFP §§ 7.6.3.2 & 25.3; Appendix O, # 34].

4.2 Reporting Communicable Diseases. Supplier shall comply with the La. Admin. Code; Sanitary Code, Title 51, Part II, Chapter 1 and La. R.S. 40:4 *et seq.* by reporting all cases of communicable diseases such as tuberculosis, sexually transmitted diseases and Human Immunodeficiency Virus/Acquired Immune Deficiency Syndrome infection to the state public health agency within twenty-four (24) hours of notification from the date of service.

4.3 Program Compliance. To the extent applicable to Supplier, Supplier shall adhere to and measure compliance with the Quality Assessment and Performance Improvement Program ("QAPI"), Utilization Management ("UM") requirements and Provider Incentive Programs ("PIP") specified by DHH and/or Company, including, as applicable based on type of Supplier, those set forth in the State Contract, PIPs or corrective action plans. Such programs and requirements shall be incorporated into the Agreement. [RFP §§ 7.15.2.8.3.12, 7.15.2.8.3.21, 8.1.19 & 8.1.21; Appendix O, # 38].

4.4 Grievance System. Company will provide Supplier with information regarding Company's grievance system that complies with state and federal laws, including 42 C.F.R. § 438, Subpart F. Supplier agrees to adhere to the requirements of Company's grievance and appeals procedures and adverse incident reporting requirements. Supplier shall comply with Company's Policies for grievance and appeal procedures as well as facilitate Member grievance and appeals, assist Members as required and timely implement Company and DHH decisions and recommendations related to grievances, appeals, Claim disputes and adverse incidents. No punitive action will be taken against any provider who files on behalf of a Member. [RFP §§ 7.15.2.8.3.23, 7.15.2.8.3.26-.27 & 13; Appendix O, #20; 42 C.F.R. § 438.10(g)(1)].

4.5 Record Keeping System. Supplier shall maintain an adequate record system for recording clinical services with appropriate billing, service providers, charges, dates and all other commonly accepted information elements for Covered Services rendered to Members under the terms of the Agreement (including but not limited to such records as are necessary for the evaluation of the quality, appropriateness, and timeliness of services performed). Company, Members and their representatives shall be given access to and can request copies of Members' Medical Records to the extent and in the manner provided by La. R.S. 40:1299.96 and 45 C.F.R. § 164.524 and as subject to reasonable charges. [RFP § 7.15.2.8.3.10; Appendix O, #16].

4.6 Maintenance of Medical Records. Supplier shall maintain a unified Medical Record for each Member following Company's documentation guidelines regarding Medical Records, and the medical record documentation guidelines set forth in the State Contract. The Medical Record must be (i) accurate and legible; (ii) safeguarded against loss, destruction or unauthorized use, be maintained in an organized fashion, for all Members evaluated or treated, and be accessible for review and audit; and (iii) readily available for review and provide medical and other clinical data required for QAPI and UM review. [RFP §§ 15.6.1-.2].

At a minimum, the Medical Record must include the following:

(a) Member identifying information, including name, identification number, date of birth, sex and legal guardianship, if applicable;
(b) Primary language spoken by the Member and any translation needs of the Member;
(c) Services provided through Company, date of service, service site and name of service provider;
(d) Medical history, diagnoses, treatment prescribed, therapy prescribed and drugs administered or dispensed, beginning with, at a minimum, the first Member visit with or by Company;
(e) Referrals including follow-up and outcome of referrals;
(f) Documentation of emergency and/or after-hours encounters and follow-up;
(g) Signed and dated consent forms, as applicable;
(h) Documentation of immunization status;
(i) Documentation of advance directives, as appropriate;
(j) Documentation of each visit must include:

(i) Date and begin and end times of service;
(ii) Chief complaint or purpose of the visit;
(iii) Diagnoses or medical impression;
(iv) Objective findings;
(v) Patient assessment findings;
(vi) Studies ordered and results of those studies (*e.g.* laboratory, x-ray, EKG);
(vii) Medications prescribed;
(viii) Health education provided;
(ix) Name and credentials of the provider rendering services (*e.g.* MD, DO, OD) and the signature or initials of the provider; and
(x) Initials of providers must be identified with correlating signatures.

(k) Documentation of EPSDT requirements including but not limited to:

(i) Comprehensive health history;
(ii) Developmental history;
(iii) Unclothed physical exam;
(iv) Vision, hearing and dental screening;
(v) Appropriate immunizations; and
(vi) Appropriate lab testing including mandatory lead screening; and health education and anticipatory guidance.
(vii) Health education & anticipatory guidance.

4.7 Record Retention Policy. All records originated or prepared in connection with Supplier's performance of its obligations under the Agreement, including but not limited to, working papers related to the preparation of fiscal reports, Medical Records, progress notes, charges, journals, ledgers, and electronic media, will be retained and safeguarded by Supplier in accordance with the terms and conditions of the State Contract and the Agreement. Supplier agrees to retain all financial and programmatic records, supporting documents, statistical records and other records of Members relating to the delivery of care or service under the Agreement, and as further required by DHH, for a period of six (6) years after the last payment was made for services provided to a Member and retained further if the records are under review, audit, or related to any matter in litigation until the review, audit, or litigation is complete. If any litigation, claim or other actions involving the records have been initiated prior to the expiration of the six (6) year period, the records shall be retained until completion of the action and resolution of all issues that arise from it or until the end of

the six (6) year period, whichever is later. Unless required production of records is deemed excessive or unreasonable by Company or if Supplier stores records on microfilm or microfiche, Supplier shall produce, at its expense, legible hard copy records upon the request of state or federal authorities, within twenty one (21) calendar days of the request. [RFP §§ 15.6.4 & 25.43; Appendix O, # 17].

4.8 Medicaid Records Retention. Except for Medical Records pertaining to once-in-a-lifetime events, Supplier shall retain any and all Member records (financial, medical, etc.) for a period of six (6) years after the last payment was made for Covered Services provided to a Member (or any greater period of time required by applicable federal and state law) or longer if the records are under review, audit, or related to any matter in any administrative or judicial action brought by or on behalf of the federal or state government until the review, audit or litigation is complete. This requirement pertains to the retention of records for Medicaid purposes only. Other state or federal laws may require longer retention periods. Per La. R.S. 40:1299.96, providers must retain their records for at least six (6) years. These minimum record keeping periods run from the last date of treatment. After these minimum record-keeping periods, destruction of records is permitted. Supplier shall ensure that any and all Member records are made available for fiscal audit, medical audit, medical review, utilization review and other periodic monitoring upon request of DHH or its authorized representative. [La. R.S. 40:1299.96; RFP § 15.6.4; Appendix O, # 17].

4.9 Access to Information and Records. Supplier acknowledges and understands that state authorities, such as DHH, the State Auditor's Office and the Louisiana Attorney General's Office, shall have the right to evaluate, through audit, inspection or other means, whether announced or unannounced, any records pertinent to the State Contract and the Agreement, including documents related to mental health parity, the quality, appropriateness and timeliness of services and the timeliness and accuracy of encounter data and Claims submitted to Company. Such evaluation, when performed, shall be performed with the cooperation of Supplier. Upon request, Supplier shall assist in such review. [RFP §§ 7.15.2.8.3.24 & 25.48; Appendix O, # 18].

4.10 Program Procedures. Supplier agrees to participate and cooperate in any internal and external quality assessment review, utilization management and grievance procedures and abide by all marketing and Member education guidelines established by Company, DHH and/or its designee, whether announced or unannounced. Supplier further agrees to comply with all limitations on Supplier marketing and any corrective action plan initiated by Company and/or required by DHH. Supplier shall monitor and report the quality of services provided under the Agreement and, if necessary, initiate a plan of correction or comply with a DHH or Company initiated corrective action plan to improve the quality of care in accordance with that level of care which is recognized as acceptable professional practice in Supplier's community and/or the standards established by Company, DHH and/or its designee. [RFP § 12.1.6; Appendix O, # 20-22].

4.11 Reports to Company. Supplier shall provide and cooperate with Company to provide all reports and clinical information, data and information relative to the provision of Specialized BHS necessary for reporting requirements and deliverables established by the State Contract, Behavioral Health Companion Guide, DHH, federal and state laws and any require follow-up to such other deliverables, including, but not limited to, providing additional information, on-site monitoring by Company or DHH, tracking of issues, service quality monitoring, performance accountability, access to services, housing and employment rates. [RFP §§ 7.15.2.8.3.18-.19, 7.15.2.8.3.30 & 18, *et al*; Appendix O, # 24].

4.12 Member Rights and Responsibilities. Supplier shall comply with all applicable state and federal laws pertaining to Member rights and privacy and shall consider and respect those rights when providing services to Members. Additionally, Supplier shall safeguard Member information in accordance with applicable state and federal laws and regulations and the policies and safeguards established by Company. [RFP § 12.17.15.1; Appendix O, # 25].

4.13 Notice of Legal or Administrative Actions. Supplier shall provide Company with immediate notification in writing by certified mail of any litigation, investigation, administrative legal action, complaint, claim or transaction that may reasonably be considered to have a material impact on Supplier's ability to provide services under the Agreement. Supplier shall also provide prompt notice of any claim made against Supplier by a third party, including a Member, that may result in litigation related in any way to Company's State Contract with DHH. [Appendix O, #39].

4.14 Reporting of Births. To the extent applicable, Supplier must report the births of newborns within twenty-four (24) hours of birth for enrolled Members using DHH's web-based Facility Notification System. If Supplier is a hospital, Supplier shall accurately register all births through the Louisiana Electronic Event System ("LEERS") administered by DHH/Vital Records Registry. [RFP §§ 11.10.4.2-.3].

4.15 Records Upon Termination. Company and Supplier recognize and agree that in the event of termination of the State Contract between Company and DHH, Supplier shall immediately make available to Company or its designated representative and to DHH or its designated representative, in a usable form, any and all records, whether medical or financial, related to Company's and Supplier's activities undertaken pursuant to this Agreement. The provision of such records shall be at no expense to DHH. [RFP § 24.3; Appendix O, # 7].

4.16 Failure to Comply with Contractual or Credentialing Requirements. In the event Supplier fails to comply with specific contractual and/or credentialing requirements as set forth in the Agreement or Company Policies, Supplier may be subject to monetary penalties, sanctions or reductions in payment, which shall include, but may not be limited to Supplier's failure or refusal to respond to Company's request for information, the request to provide medical records, credentialing information, etc. Penalties shall be imposed at the Company's discretion or by a directive of DHH that Company impose, at a minimum, financial consequences against Supplier as appropriate. [Appendix O, # 23].

4.17 Assistance to Members. In accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d, *et seq.*) and 45 C.F.R. Part 80, Supplier must take adequate steps, including coordination with Company, to ensure that persons with limited English skills receive free of charge the language assistance necessary to afford them meaningful and equal access to the benefits and services provided under this Agreement. Suppliers shall deliver services in a culturally competent manner to all Members, including those with limited English proficiency and diverse cultural and ethnic backgrounds and provide for cultural competency and linguistic needs, including the Member's prevalent language(s) and sign language interpreters in accordance with 42 C.F.R. § 438.206(c)(2). Company shall ensure that effective, equitable, understandable, and respectful quality care and services that are responsive to diverse cultural health beliefs and practices, preferred languages, health literacy, and other communication needs are provided. Assurances shall be achieved by:

(a) Collecting Member demographic data, including but not limited to ethnicity, race, gender, sexual orientation, religion, and social class, so that the provider or supplier will be able to respond appropriately to the cultural needs of the community being served (note: Members must be given the opportunity to voluntarily disclose this information, it cannot be required);

(b) Assessing the cultural competency of Supplier on an ongoing basis, at least annually;

(c) Assessing Member satisfaction of the services provided as it pertains to cultural competence at least annually. Assessment shall capture necessary demographics of the Member including, but not limited to, race/ethnicity, age, gender, parish, etc.;

(d) Assessing supplier satisfaction of the services provided by Company at least annually; and

(e) Requiring and providing training on cultural competence, including tribal awareness, (or obtaining proof of attendance at other trainings on cultural competence) to Company staff, behavioral health network providers and applicable suppliers for a minimum of three (3) hours per year and as directed by the needs assessments.

[RFP §§ 7.1.6 & 7.15.2.8.3.33-.34; Appendix O, # 40].

4.18 Covered Population. Supplier shall provide Covered Services to Members as required by the Healthy Louisiana program. If Supplier is a PCP, PCP confirms that his/ her total number of Medicaid Members shall not exceed 2,500 Medicaid/CHIP lives. Non-compliance with this provision may result in sanctions, including, but not limited to, financial sanctions, transfer of Members to another PCP within the Company or termination of the Agreement.

If Supplier provides BHS, Supplier shall provide Covered Services and BHS to at the minimum number of Members as required under the State Contract. The services and benefits provided under the Agreement shall be in accordance with the Covered Services of the Healthy Louisiana program and appropriate levels of care as defined by DHH and are incorporated herein by reference. [RFP § 7.15.2.8.3.32; Appendix O, # 10].

4.19 Coding Requirements. Supplier shall follow Company's requirements and guidelines for Claims coding and processing that are specific to each provider type. Company shall notify Supplier ninety (90) days before implementing changes to Claims coding and processing guidelines applicable to Supplier. The State and HHS may inspect and audit any financial records of Company, Supplier or its subcontractors. There shall be no restrictions on the right of the state or federal government to conduct whatever inspections and audits are necessary to assure quality, appropriateness or timeliness of services and reasonableness of their costs. [RFP § 9.5.6].

4.20 Encounter Data. If Company has entered into any alternative reimbursement arrangement with Supplier under the terms of this Agreement, Supplier shall submit to Company all encounter data in a manner consistent with the same standards of completeness and accuracy as required for proper adjudication of FFS Claims by Company. [RFP §17.8 & Appendix O, #56]

4.21 Mental Health Parity. To ensure compliance with mental health parity requirements, Supplier agrees to comply with Company's and DHH's mental health parity Policies, procedures and practices and federal and state laws, including collecting and reporting data elements and taking any such action necessary for Company to comply with mental health parity requirements under the State Contract. Supplier agrees to comply with mental health parity regulations and any enforcement action, including, but not limited to, termination and restitution. Supplier shall complete mental health parity disclosure on provider enrollment forms as mandated by DHH. [RFP § 2.3.9.3].

4.22 HIPAA Policies. Supplier agrees and understands that Company's HIPAA and Medical Record Policies may change from time to time to comply with applicable state or federal law requirements, including requirements set forth by state or federal government agencies. As such, Supplier agrees that any required administrative or governmental changes shall be incorporated into the Agreement without formal amendment hereto, and Supplier shall execute any and all required HIPAA agreements, including business associate agreements. Moreover, Supplier shall request and obtain if possible a standardized release of information from each Member to allow Supplier to coordinate treatment with the Member's PCP. Supplier agrees to adhere to HIPAA and all applicable HIPAA regulations issued by the federal Department of Health and Human Services, including, but not limited to, the requirements and obligations imposed by those regulations regarding the conduct of electronic health care transactions and the protection and security of individual health information and any additional regulatory requirements imposed under HIPAA. Supplier understands and acknowledges that the State contract provides it with access to electronic databases, including but not limited to the Electronic Medicaid Eligibility Verification System ("eMEVS"), the e-CDI, and the Electronic Claims Status Inquiry ("e-CSI"), which Supplier acknowledges can provide, in some cases, access to information on individuals with whom Supplier has no treatment or other relationship, and Supplier shall abide by all requirements under HIPAA and ensure that the confidentiality of said information is fully maintained. [RFP §§ 7.15.2.8.3.14, 12.10.4 & 25.7.3].

4.23. Supplier Marketing Guidelines. To the extent applicable, Supplier agrees to adhere to the following marketing communication requirements:

(a) Supplier acknowledges and agrees that all marketing and Member education guidelines outlined in the State Contract are applicable to Company, its agents, subcontractors, volunteers, and/or providers. [RFP § 12.1.6]

(b) Supplier may not solicit or distribute MCO-specific materials or materials regarding enrollment or disenrollment in an MCO [RFP § 12.7.5];

(c) If Supplier discloses MCO affiliations to a patient, Supplier must list and disclose each MCO with whom they have contracts [RFP § 12.7.7.1];

(d) Although Supplier is not required to display and/or distribute health care materials provided by an MCO, Supplier may (i) display and/or distribute health education materials for all contracted MCOs or (ii) choose not to display and/or distribute for any contracted MCOs. All displayed and/or distributed health education materials shall meet the following requirements:

  (i) Health education posters cannot be larger than 16" x 24";
  (ii) Children's books donated by MCOs must be in common areas;
  (iii) Materials may include an MCOs name, logo, phone number and web site; and
  (iv) Supplier can choose which items to display as long the distribution and display of items from each contracted MCO is equitable [RFP § 12.7.7.2].

(e) Supplier may display marketing materials for MCOs, provided that such materials are conspicuously and equitably posted, in both size and type set, for all contracted MCOs [RFP § 12.7.7.3];

(f) Supplier may display MCO participation stickers, but Supplier must display stickers for all contracted MCOs or choose not to display stickers for any contracted MCOs. Stickers indicating that Supplier participates with a particular MCO cannot be larger than 5" x 7" and cannot indicate anything more than "the MCO is accepted or welcomed here" [RFP § 12.7.7.4-.5];

(g) Supplier may inform patients of the benefits, services and specialty care services offered through the MCOs in which they participate; however, Supplier shall not recommend one MCO over another MCO, offer patients incentives for selecting one MCO over another or assist a patient in decided to select a specific MCO in any way, including, but not limited to, faxing, using the office phone or using a computer in the office [RFP § 12.7.7.6]; and

(h) Supplier shall not display nor distribute any branded materials instructing Members on how to change an MCO; rather, Supplier may only refer Members directly to the Enrollment Broker for needed assistance [RFP § 12.7.7.8].

4.24 Mainstreaming. When applicable, Supplier shall accept Members for treatment and not intentionally segregate Members in any way from other persons receiving services. Supplier shall provide Covered Services without regard to race, color, creed, sex, religion, age, national origin ancestry, marital status, sexual preference, health status, income status, program membership, gender identity or physical or behavioral disability, except where medically indicated. To ensure mainstreaming of Members, Supplier shall comply with the non-discrimination provisions of the Agreement and may not engage in prohibited practices, including, but not limited to:

(a) Denying or not providing a Covered Service or availability of a facility to a Member;

(b) Providing a Covered Service to a Member that is different, or is provided in a different manner or at a different time, from that provided to other Members, public or private patients or the public at large;

(c) Discriminatory practices with regard to Members such as separate waiting rooms, separate appointment days, separate physical locations or preference to private pay or Medicaid FFS patients; and

(d) Excluding treatment or placement of Members for authorized BHS solely on the basis of state agency (DCFS, OJJ, etc.) involvement or referral.

[RFP § 7.7].

5. TERM AND TERMINATION

5.1 Termination for Failure to Re-credential. Supplier shall be subject to re-credentialing by Company during the term of the Agreement. If Supplier fails to submit all appropriate documents for re-credentialing as required under the Agreement or if Supplier's re-credentialing materials are not received by Company, the Agreement may be terminated within thirty (30) days of expiration of Supplier's current credentialing. [RFP § 7.14.1.1.2].

5.2 Termination for Cause. The Parties agree and understand that if the Agreement is terminated for cause, the effective date of such termination may be extended to provide adequate notice to DHH, or to otherwise comply with the requirements of the State Contract or applicable law. [RFP § 7.11].

5.3 Immediate Termination. Company may terminate this Agreement immediately at any time upon the following events:

(a) Supplier's actions or the actions of Supplier's subcontractor(s) pose a serious threat to the health of Members enrolled with Company; [RFP §25.54]

(b) In the event DHH determines that Company has become financially unstable and terminates the State Contract between Company and DHH; [RFP §25.55] and

(c) Supplier fails to disclose any ownership changes within thirty-five (35) calendar days as required by 42 C.F.R. § 455.104 or violates any provision therein. [RFP §§ 7.15.2.8.3.34 & 25.55].

5.4 Termination Without Cause. Either Party may terminate the Agreement without cause by providing ninety (90) days advance written notice to the other Party; however, such shorter periods as applicable under state law and/or the Healthy Louisiana program to Supplier, where Supplier is not a group or hospital. [RFP § 7.11.7].

5.5 Patient Notification Upon Termination. In the event the Agreement is terminated and to the extent applicable, Supplier may notify his or her patients of the change in status and the impact of such change on the patient on the date of termination. Supplier shall continue to see current patients enrolled with Company until the Agreement is terminated, according to all terms and conditions specified in the Agreement. [RFP § 12.7.7.7].

6. GENERAL PROVISIONS

6.1 Disputes. Company and Supplier shall be responsible for resolving any disputes that may arise between the Parties. Supplier's rights to appeal a Claims dispute under the Agreement are set forth in the Provider Manual, as applicable. The Parties agree that no dispute shall disrupt or interfere with the provisions of services to Members. [RFP § 7.2.8.3.22; Appendix O, # 36].

6.2 No Assignment. Unless otherwise provided in the Agreement, Supplier shall not assign any of its duties and/or responsibilities under the Agreement and the State Contract without the prior written consent of MCO. [RFP § 22.6].

6.3 Incorporation of Contractual Requirements, Laws, Guidance and Regulations. The Agreement incorporates and Supplier agrees to adhere to the requirements of all applicable federal and state laws, administrative guidance, rules or regulations, including, but not limited to, Company's provider manual, the Service Definitions Manual, State Contract (specifically including all terms and conditions set forth in Section 25), Medicaid State Plan and contract between DHH and Company. Any revisions or amendments thereto shall automatically be incorporated into the Agreement as they become effective. [RFP §§ 7.13.10 & 7.15.2.8.3.16; Appendix O, # 1 & 35].

6.4 Modifications and Amendments. No modification, alteration, variation, waiver, extension of termination date, early termination of the Agreement or change of any provision of the Agreement shall be made unless such modification is reduced to writing, duly signed and attached as a written amendment to the Agreement; however, Company may provide amendments by written notification through Company bulletins, if mutually agreed to by the Parties and with prior notice to DHH. [Appendix O, #5-6].

If the modification or change constitutes a Material Change affecting Company's ability to deliver or administer health care services, prior approval is required by DHH of at least thirty (30) days in advance of the proposed change implementation. Notwithstanding the foregoing, the Parties acknowledge that the Agreement has been executed based upon a draft of the State Contract and related materials and that the provisions of such documents may be revised prior to the Effective Date. The Agreement shall be automatically amended to conform to the terms and provisions of the final State Contract and related materials. In the event of any inconsistency between the terms of the Agreement and the terms of the final requirements for provider agreements as set forth in the final State Contract and related materials, the terms of the final State Contract and the Policies shall control and take precedence. [RFP §§ 7.6 & 7.13.5].

6.5 Entire Agreement. The Agreement, including the State Contract, any DHH guidance or materials, schedules, appendices, exhibits and/or addenda (which may be provided upon request), constitutes the complete and sole contract, and all terms and conditions, between the Parties regarding the subject matter described above and supersedes any and all prior or contemporaneous oral or written representations, communications, proposals or agreements not expressly included in the Agreement and may not be contradicted or varied by evidence of prior, contemporaneous or subsequent oral representations, communications, proposals, agreements, prior course of dealings or discussions of the Parties. [RFP § 2.3.2; Appendix O, #4].

6.6 Non-Discrimination. Supplier and Company agree that no person, on the grounds of physical or behavioral disability, age, race, color, creed, religion, sex, sexual orientation/preference, marital status, national origin ancestry or basis, program membership of health or income status for health care services shall be excluded from participation in, or be denied benefits of the Government Program administered by Company. Supplier shall post notices of non-discrimination in conspicuous places, available to all employees and applicants. [RFP §§ 7.7.2, 12.13.3.6 & 25.3, *et al*].

6.7 Indemnification and Hold Harmless. Unless Supplier is a state agency, Supplier shall indemnify, defend, protect and hold harmless DHH and any of its officers, agents and employees from:

(a) Any claims for damages or losses arising from services rendered by any contractor, person or firm performing or supplying services, materials or supplies for Supplier in connection with the performance of the Agreement;

(b) Any claims for damages or losses to any person or firm injured or damaged by erroneous or negligent acts, including disregard of state or federal Medicaid regulations or legal statutes, by Supplier, its agents, officers, employees or contractors in the performance of the Agreement;

(c) Any claims for damages or losses resulting to any person or firm injured or damaged by Supplier, its agents, officers, employees, or contractors by Supplier's publication, translation, reproduction, delivery, performance, use or disposition of any data processed under the Agreement in a manner not authorized by the Agreement or by federal or state regulations or statutes;

(d) Any failure of Supplier, its agents, officers, employees or contractors to observe the federal or state laws, including, but not limited to, labor laws and minimum wage laws;

(e) Any claims for damages, losses or reasonable costs associated with legal expenses, including, but not limited to, those incurred by or on behalf of DHH in connection with the defense of claims for such injuries, losses, claims or damages specified above; and

(f) Any injuries, deaths, losses, damages, claims, suits, liabilities, judgments, costs and expenses which may in any manner accrue against DHH or their agents, officers or employees, through the intentional conduct, negligence or omission of Supplier, its agents, officers, employees or contractors.

[RFP § 25.25; Appendix O, #32].

In the event that, due to circumstances not reasonably within the control of Supplier, Company or DHH, (i.e., a major disaster, epidemic, complete or substantial destruction of facilities, war, riot or civil insurrection), neither Supplier, Company, DHH or contractor(s), will have any liability or obligation on account of reasonable delay in the provision or the arrangement of Covered Services; provided, however, that so long as the Agreement remains in full force and effect, Supplier shall be liable for the Covered Services required to be provided or arranged for in accordance with the Agreement. [RFP § 25.25.2].

DHH will provide prompt notice of any claim against it that is subject to indemnification by Supplier under the Agreement. Supplier may, at its sole option, assume the defense of any such claim. DHH may not settle any claim subject to indemnification hereunder without the advance written consent of Supplier, which shall not be unreasonably withheld. [RFP § 25.25.3; Appendix O, # 32].

6.8 Conflict of Interest. Supplier may not contract with Company unless such safeguards at least equal to federal safeguards (41 U.S.C. 423) are in place per the state Medicaid director letter dated December 30, 1997 and 1932 (d)(3) of the Social Security Act addressing the 1932 Medicaid State Plan and the default enrollment process under the SPA option. [RFP § 25.8; Appendix O, #37].

6.9 Severability. If any provision or requirement of the Agreement, including items incorporated by reference, is determined by DHH to conflict with the State Contract between DHH and Company, such requirement shall be null and void and all other provisions shall remain in full force and effect. In addition, if the laws or regulations governing the State Contract should be amended or judicially interpreted as to render fulfillment of the State Contract impossible or economically infeasible, such that Company is discharged from its obligations under the State Contract, Supplier shall also be discharged from further obligations created under the terms of the Agreement. [RFP § 25.51; Appendix O, #9].

6.10 Non Exclusive Clause. Nothing in the Agreement shall be construed to prohibit Supplier from entering into a contract or arrangement with any other health plan or managed care entity. Nor shall anything in the Agreement be construed to prohibit Company from entering into a contract or arrangement with any other provider. Company shall not advertise or otherwise hold itself out as having an exclusive relationship with Supplier or any service provider. [RFP § 7.13.1; Appendix O, #41].

6.11 Transfer of Agreement. The Agreement may not be transferred by Supplier without prior written consent of Company. However, Supplier assigns to the State of Louisiana any and all rights or claims he, she or it currently has or may acquire under any state or federal antitrust laws and that are attributable to any product units purchased or reimbursed through any state program or payment mechanism, including, but not limited to, product units purchased or reimbursed under Healthy Louisiana. For purposes of this assignment clause, Supplier shall include any direct or indirect owner to whom the right or claim to be assigned actually belongs, including any and all parents, branches, departments or subsidiaries. [La. Atty. Gen. antitrust directive, 8/28/15].

7. DELEGATION AND ANCILLARY SERVICES

7.1 Delegation. Supplier shall not enter into any subsequent agreements with subcontractors for any of the work contemplated under the Agreement without Company's prior approval. [Appendix O, #8]. In the event that duties are delegated hereunder, Company shall:

(a) Along with Supplier, oversee all of subcontractor's performance for delegated activities;
(b) Ensure, along with Supplier (if applicable), that subcontracts fulfill the requirements of 42 C.F.R. Part 438, as appropriate to the delegated activities;
(c) Submit to DHH who has the right to review, approve and/or disapprove or any and all subcontracts entered into for the provision of services hereunder;
(d) Evaluate, in its discretion, subcontractor's ability to perform the activities to be delegated;
(e) Require a written agreement with subcontractor, specifying the activities and reporting responsibilities delegated to subcontractor, including revocation of delegation, contract termination or imposition of sanctions for subcontractor's inadequate performance;
(f) Monitor subcontractor's performance on an ongoing basis, subject to formal review, according to a periodic schedule consistent with industry standards;
(g) Identify areas of deficiencies or improvement and take corrective action; and
(h) Deny payments for provider preventable conditions, per the State Contract.

[RFP §§ 7.13.3-.4].

7.2 Credentialing. If applicable, the Agreement shall set forth a written description of the delegation of credentialing activities delegated to subcontractor. The subcontractor must provide assurance, at all times during the Agreement, that all medical professionals are credentialed in accordance with DHH's credentialing requirements and that specialty behavioral health providers are certified in accordance with DHH's certification requirements. The Parties and

subcontractor understand that DHH shall have final approval over a delegated entity, including the delegation of credentialing and certification of specialized behavioral health providers. [RFP §§ 7.14.6-.7]. The Parties agree that subcontractor shall:

(a) Load provider files into its Claims processing system within thirty (30) calendar days of receipt [RFP § 7.14.8];

(b) Notify Company immediately, or within such other time required by DHH, if a provider credentialing application is denied for reasons related to program integrity or otherwise limits the ability of a provider to participate for program integrity reasons[RFP § 7.14.9];

(c) Process re-credentialing not less than once every three (3) years [RFP § 7.14.10];

(d) Adopt policies or implement Company's policies and procedures to approve, terminate or suspend providers to ensure compliance with the Agreement and the State Contract [RFP § 7.14.11];

(e) Implement and/or assist with a provider dispute or appeal process [RFP § 7.14.13]; and

(f) Develop and implement a mechanism, subject to DHH approval, for reporting quality deficiencies which result in suspension or termination of a network provider. This process shall be submitted for review and approval thirty (30) days from the date the State Contract is signed and at the time of any change. [RFP § 7.14.12].

Supplier and/or subcontractor agrees and understands that, pursuant to the State Contract, DHH and/or the State of Louisiana or its representative, reserved the right to contract with a single Credential Verification Organization ("CVO") under the State Contract. In such event, Supplier and/or subcontractor agree that the Agreement shall be terminated concurrent with the minimum notice of ninety (90) days as provided to Company by DHH of such implementation of any CVO contract. [RFP § 7.14.14].

7.3 Audits. In addition to the provisions set forth above, Supplier shall comply with audits, inspections and reviews in accordance with Company's Provider Manual, including any review the Company of DHH may conduct. [RFP §§ 7.15.2.8.3.24 & 17.11.2.5].

7.4 Pharmacy Services and Pharmacy Benefit Managers ("PBMs"). "Pharmacy Services" are defined as the provision of pharmacy benefits under the State Contract, including the dispensing of prescription drugs by pharmacies and the third-party administration of drug programs by a PBM. PBMs and Suppliers of Pharmacy Services shall meet the following requirements:

(a) Provide a pharmacy network that complies with DHH requirements, including a network of only licensed and registered pharmacies that conform to the Louisiana Board of Pharmacy rules regarding records maintained by a pharmacy and not prohibit any pharmacy or pharmacist participating in the Medicaid program as a network provider if the pharmacy or pharmacist is licensed and in good

standing with the Louisiana Board of Pharmacy and accepts the terms and conditions of the contract offered to them. [RFP §§ 7.17.1.1-.2].

(b) Assist Company in maintaining an up-to-date pharmacy provider directory on its website for public access. {RFP §7.17.1.3].

(c) Maintain a network audit program approved by DHH that includes, at a minimum, random audits (that may not be contingency fee based audits) to determine provider compliance with the program policies, procedures and limitations outlined in the provider's contract. [RFP § 7.17.1.5].

(d) Educate network providers regarding online access to the formulary and preferred drug list and provide provider education on claims processing and payment policies and procedures [RFP §§ 7.17.1.6-.7].

(e) If negotiating ingredient cost-reimbursement in provider contracts, PBM or Supplier shall [RFP § 7.17.1.8]:

1. Pay a per-prescription dispensing fee at a rate no less than $2.50 to all "local pharmacies" as defined in Act 399 of the 2015 Regular Session of the Louisiana Legislature;
2. Add any state imposed provider fees for Pharmacy Services on top of the minimum dispensing fee required by DHH;
3. Update ingredient costs of medications at least weekly,
4. Make drug pricing lists available to pharmacies for review;
5. Afford individual pharmacies a change to appeal inadequate reimbursement; and
6. Provide for a "local pharmacy" appeals process in accordance with Act 399 of the 2015 Regular Session of the Louisiana Legislature and as specified by DHH.

(f) PBM or Supplier shall not charge pharmacy providers claims processing or provider enrollment fees, excluding sanctions. [RFP § 7.17.1.9].

(g) PBM or Supplier shall not require Members to use a mail service pharmacy and shall not charge Members anything above applicable copays (i.e., shipping and handling fees). [RFP § 7.17.2].

(h) With Company's approval, PBM or Supplier may limit the distribution of specialty drugs, as defined by the State Contract, to a network of specialty pharmacies that meet reasonable requirements to distribute specialty drugs and are willing to accept the terms of the provider agreement. [RFP §7.17.3].

(i) PBM and/or Supplier agrees and understands that Company is required under the State Contract to disclose to DHH all financial terms and arrangements for remuneration of any kind that apply between Company and Company's pharmacy supplier, other subcontractor, prescription drug wholesaler, manufacturer or labeler, including, without limitation, formulary management, educational support, claims processing, pharmacy network fees, drug product sales, pricing agreements, data sales fees and any other fees. Pursuant to the State Contract, PBM and/or Supplier agrees and understands that DHH or state auditors may audit such information at any time. DHH agrees to maintain the confidentiality of information disclosed by PBM or Supplier to Company to the extent that such information is confidential under state and/or federal law. [RFP § 5.15].

7.5 Referral Requirements. Supplier shall not require a PCP referral for in-network eye care and vision services. [RFP § 8.5.4.2].

7.6 Non-Emergency Medical Transportation ("NEMT"). Supplier agrees to comply with Company's NEMT policies and Louisiana Medicaid guidelines to ensure Members' access to care. Supplier must be available to provide services to Members upon 48 hours advance notice. Supplier shall schedule the transportation so that the Member arrives on time but no sooner than one (1) hour before the appointment, does not have to wait more than one (1) hour after the conclusion of the treatment for transportation home and is not picked up prior to completion of the Member's treatment. [RFP §§ 6.23.3 & 7.8.9.1-.2].

Louisiana State Compliance Addendum

This Louisiana State Compliance Addendum (the "State Compliance Addendum") is incorporated by reference in the Agreement. This State Compliance Addendum shall supplement the Addendum and control, unless such provision conflicts with the State Contract or Louisiana Department of Health and Hospitals' ("DHH") rules and regulations.

For purposes of this State Compliance Addendum, the term "Supplier" shall mean the individual or entity executing the Agreement, and may include a health care physician, provider, group, facility, hospital, individual or entity. Capitalized terms used in this State Compliance Addendum that are not defined herein shall have the meaning set forth in the Addendum and/or the main Agreement.

To the extent applicable to the services Supplier performed under the Agreement, the parties agree as follows:

1.0 SUPPLIER SERVICES AND OBLIGATIONS

1.1 Non-Compliant Members. If Supplier desires to discharge a Member, Supplier shall follow the rules and Policies of Company. Supplier agrees to continue to provide Covered Services to such Member under the same terms and conditions as set forth in the Agreement until such time as Company makes appropriate arrangements for another Participating Provider to accept such Member as a patient.

1.2 Emergency Management Plan. When applicable, Supplier agrees to become familiar with and abide by the terms and procedures set forth in Company's emergency or catastrophe response, management or operations plan as required and approved by DHH, Louisiana Department of Insurance ("LDI") or other governmental body, including, but not limited to, the execution of a memorandum of understanding with Company if Supplier is located in a parish where services may be provided to evacuated Members, when required by Company. Supplier acknowledges and understands that said plan is confidential and the Proprietary Information of Company. This provision shall survive termination of the Agreement. La. R.S. 22:572.

2.0 COMPANY OBLIGATIONS

2.1 No Interference by Company. Company agrees that it will not prohibit or restrict Supplier from filing a complaint, making a report or commenting to an appropriate governmental body regarding the policies or practices of Company which may negatively impact upon the quality of, or access to patient care in accordance with state and federal law. La. R.S. 22:1007; 42 C.F.R. § 438.102(a)(1)(i)-(iv).

2.2 Open Communication with Members. Nothing in this Agreement shall be construed to impede the open clinical dialogue and clinical communication between Supplier and Members or otherwise interfere with Supplier's ability to communicate with a Member regarding his or her health care, including but not limited to communications regarding treatment options, medical alternatives or other coverage arrangements. Company encourages Supplier to freely communicate with Members about clinical treatment options, including medications, available to them, regardless of benefit coverage limitations. Notwithstanding the foregoing, Supplier shall not solicit for alternative coverage arrangements for the primary purpose of securing financial gain. La. R.S. 22:1007(B).

2.3 Required Disclosures by Company. To ensure that Company does not have any "silent PPO" arrangements, Company shall disclose within forty-five (45) days following the written request of Supplier:

(a) The list of clients or other payors entitled to a contracted rate under Company's contract with Supplier; and

(b) The specific clients or other payors by whom a contracted rate was applied to a particular claim under Company's contract with Supplier.

La. R.S. 40:2203.1.

2.4 Communication of Plan and Health Benefit Program Changes. In order to prevent or reduce the risk of misinformation, Supplier agrees that Company shall have the exclusive right and responsibility to communicate changes in the Plan or other health benefit programs to Members. It is understood, however, that this shall not be interpreted as restricting in any way Supplier's ability to freely communicate medical advice to Members, and shall not be construed as prohibiting any communication subject to the protections of La. R.S. 22:1007.

3.0 CLAIMS SUBMISSION, COMPENSATION AND MEMBER BILLING

3.1 Compensation; Reimbursement Rates. The payments rendered or to be rendered to Suppliers under this Agreement, as may be amended from time to time, shall be deemed and shall remain confidential information. This provision shall survive any termination of the Agreement. La. R.S. 22:263(F).

3.2 Prohibited Inducements. Nothing in this Agreement shall be construed to provide an incentive or specific payment from Company, directly, indirectly or in any form, to Supplier as an inducement to deny, reduce, limit or delay Medically Necessary and appropriate services provided with respect to a specific Member or group of Members with similar medical conditions. La. R.S. 22:263(E); La. R.S. 22:1008.

4.0 TERM AND TERMINATION

4.1 Continuity of Care. In the event the Agreement is terminated, Supplier shall notify Company of any Member who has begun a course of treatment by Supplier before the effective date of the termination. Upon such notice, Company shall notify the Member of the termination of Supplier from Company's network and the Member's right to continuity of care. Upon termination of this Agreement, the following provisions shall apply:

(a) In the event Member has been diagnosed as being in a high-risk pregnancy or is past the twenty-fourth (24th) week of pregnancy, Member shall be allowed to continue receiving Covered Services, subject to the consent of Supplier, through delivery and postpartum care related to the pregnancy and delivery.

(b) In the event a Member has been diagnosed with a life-threatening illness (a severe, serious or acute condition for which death is probable), Member shall be allowed to continue receiving Covered Services, subject to the consent of Supplier, until the course of treatment is completed, not to exceed three (3) months from the effective date of such termination.

(c) In the event Supplier advises Company of a Member who meets the criteria of the foregoing paragraphs, Company shall continue payment to Supplier at the rate that was in effect prior to the termination of this Agreement. In addition, the contractual requirements for Supplier to follow Company's utilization management and quality management policies and procedures, when applicable, shall remain in effect for the applicable period described above.

(d) Supplier shall be prohibited from discount billing and dual billing as prohibited by the Louisiana Health Care Consumer Billing and Disclosure Protection Act (La. R.S. 22:1871 *et seq.*); however, Supplier shall be deemed to be a contracted Supplier with Company for payment purposes for services provided pursuant to this Section.

La. R.S. 22:1005(B).

4.2 Continuity of Care; Exceptions. Notwithstanding the foregoing, the continuity of care provisions above shall not apply when:

(a) The reason for such termination is due to suspension, revocation, or applicable restriction of the Supplier's license to practice in this state by the Louisiana State Board of Medical Examiners or for another documented reason related to quality of care;

(b) The Member chooses to change Suppliers;

(c) The Member moves out of the geographic service area of the health care provider or health insurance issuer; and

(d) The Member requires only routine monitoring for a chronic condition but is not in an acute phase of the condition.

La. R.S. 22:1005(C).

5.0 DISPUTE RESOLUTION

5.1 Grievance Procedure. A grievance procedure has been established for the processing of any Member complaints regarding Covered Services furnished by Supplier. Supplier shall comply with and, subject to Supplier's rights of appeal, shall be bound by such grievance procedure. In addition, Supplier shall adhere to all appeal/expedited appeal procedures for Medicare and/or Medicaid beneficiaries, including the gathering and forwarding of information on appeals to the Company, as necessary. La. R.S. 22:263(A)(3).

5.2 Assistance with Member Grievance Dispute Resolution. When required by Company or applicable law, Supplier shall display notices of a Member's right to appeal any adverse action affecting Covered Services in public areas of Supplier's facility(ies). Upon request from Supplier, Company shall furnish Supplier with additional copies of public notices and appeal forms. At Supplier's discretion, Supplier may file a grievance on behalf of a Member; however, Supplier shall adhere to the requirements and grievance and appeals procedures outlined by Company, CMS, DHH or other governmental body. Notwithstanding any Company, CMS or DHH grievance and appeal process, rule or contractual provision to the contrary, Supplier is not precluded from pursuing relief through a court of appropriate jurisdiction for the resolution of a provider initiated grievance or appeal. With respect to emergency appeals and when appropriate, Supplier shall comply with all appeal processes and shall assist Members by providing appeal forms and contact information, including the appropriate address, telephone number and/or fax number for submitting appeals for Company and/or state level review. La. R.S. 22:267.

Exhibit B-12

Aetna Better Health Inc.

d/b/a Aetna Better Health of Ohio

Medicaid Addendum

This Addendum supplements the Base Contract between **Aetna Life Insurance Company on behalf of Aetna Better Health Inc. d/b/a Aetna Better Health of Ohio ("Aetna Better Health")** and Cotiviti LLC effective April 1, 2017 and runs concurrently with the terms of the Base Contract. This Addendum is limited to the terms and conditions governing the provision of and payment for health services provided to Medicaid members.

ADDENDUM DEFINITIONS

Agreement/Base Contract	The contract between the MCP and the Provider.
Managed Care Plan (MCP)	A Medicaid managed care plan that enters into a provider agreement with ODM to serve Medicaid consumers, which may include dually-eligible consumers who are enrolled in MyCare Ohio Plans.
Medicaid	Medical assistance provided under a state plan approved under Title XIX of the Social Security Act.
Member	A Medicaid recipient enrolled under the care management system pursuant to ORC 5167.
OAC	Ohio Administrative Code.
ODM	Ohio Department of Medicaid.
ORC	Ohio Revised Code.
Provider	A hospital, health care facility, physician, dentist, pharmacy or otherwise licensed, certified, appropriate individual or entity, which is authorized to or may be entitled to reimbursement for health care services rendered to an MCP's member.

ADDENDUM PROVISIONS

The provisions of this Medicaid Addendum supersede any language to the contrary which may appear elsewhere in the Base Contract.

Participating providers providing health care services to **Aetna Better Health's** Medicaid and/or MyCare members agree to abide by all of the following specific terms:

1. Provider agrees with the exception of any member co-payments the MCP elected to implement in accordance with OAC rule 5160-26-12, the MCP's payment constitutes payment in full for any covered service and will not charge the member or ODM any co-payment, cost sharing, down-payment, or similar charge, refundable or otherwise. This agreement does not prohibit Nursing Facilities (NFs) or waiver entities from collecting patient liability payments from members, as specified in OAC rule 5160:1-3-24, or Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs) from submitting claims for supplemental payments to ODM as specified in OAC rules 5160-28-07 and 5160-16-05.

    A. MCP shall notify the provider whether the MCP elected to implement any member co-payments and, if applicable, under what circumstances member co-payments are imposed in accordance with OAC rule 5160-26-12.

    B. Provider agrees member notification regarding any applicable co-payment amounts must be carried out in accordance with OAC rule 5160-26-12.

2. Provider agrees not to hold liable ODM and the member in the event the MCP cannot or will not pay for covered services performed by the provider pursuant to the Base Contract with the exceptions that:

    A. FQHCs and RHCs may be reimbursed by ODM in the event of MCP insolvency pursuant to Section 1902(bb) of the Social Security Act.

    B. The provider may bill the member when the MCP denied prior authorization or referral for the services and the following conditions are met:

        i. The provider notified the member of the financial liability in advance of service delivery;

        ii. The notification, by the provider, was in writing, specific to the service being rendered, and clearly states that the member is financially responsible for the specific service. A general patient liability statement

signed by all patients is not sufficient for this purpose; and

iii. The notification is dated and signed by the member.

3. Provider agrees to cooperate with the MCP's quality assessment and performance improvement (QAPI) program in all the MCP's provider subcontracts and employment agreements for physician and nonphysician providers.

4. The MCP shall disseminate written policies including detailed information about the False Claims Act and other provisions named in 42 U.S.C. Section 1396a(a)(68), any related State laws pertaining to civil or criminal penalties, whistleblower protections under such laws, as well as the MCP's policies and procedures for detecting and preventing fraud, waste and abuse; and the provider agrees to abide by the MCP's written policies regarding the False Claims Act and the detection and prevention of fraud, waste and abuse.

5. Provider agrees to cooperate with the ODM external quality review as required by 42 C.F.R. 438.358, and on-site audits, as deemed necessary based on ODM's periodic analysis of financial, utilization, provider panel, and other information in OAC Chapter 5160, including rule 5160-26-07.

6. The terms of the Base Contract relating to the beginning date and expiration date or automatic renewal clause, as well as the applicable methods of extension, renegotiation and termination apply to this Addendum.

7. Notwithstanding Item 6 of this Addendum, the MCP must give the provider at least sixty days prior notice for the nonrenewal or termination of the Base Contract except in cases where an adverse finding by a regulatory agency or health or safety risks dictate that the Base Contract be terminated sooner.

8. Notwithstanding Item 6 of this Addendum, the provider may non-renew or terminate the Base Contract if one of the following occurs:

   A. The provider gives the MCP at least fifty-five days prior notice for the nonrenewal or termination of the Base Contract. The effective date for the nonrenewal or termination must be the last day of the month; or

   B. ODM proposed action in accordance with OAC Chapter 5160, including rule 5160-26-10(G), regardless whether the action is appealed. The provider's nonrenewal or termination notice must be received by the MCP within fifteen working days prior to the end of the month in which the provider is proposing nonrenewal or termination. If the notice is not received by this date, the provider must extend the nonrenewal or termination date to the last day of the subsequent month.

9. The procedures to be employed upon the ending, nonrenewal, or termination specified in the Base Contract, apply to this Addendum including an agreement to promptly supply all records necessary for the settlement of outstanding claims.

10. Notwithstanding Items 7 and 8 of this Addendum, in the event of a hospital provider's proposed non-renewal or termination of the Base Contract, the hospital provider agrees to notify in writing all providers who have admitting privileges at the hospital of the impending non-renewal or termination of the Base Contract and the last date the hospital will provide services to members under the Base Contract. This notice must be sent at least forty-five days prior to the effective date of the proposed non-renewal or termination. If the hospital provider issues fewer than forty-five days prior notice to the MCP, the notice to providers who have admitting privileges at the hospital must be sent within one working day of the hospital provider issuing notice of non-renewal or termination of the Base Contract.

11. Provider agrees to release to the MCP any information necessary for the MCP to perform any of its obligations under the ODM provider agreement, including, but not limited to, compliance with reporting and quality assurance requirements. Provider agrees the released information will be shared with ODM upon request to the MCP.

12. Provider must supply, upon request, the business transaction information required under 42 C.F.R. 455.105.

13. Provider and all employees of the provider are duly registered, licensed or certified under applicable state and federal statutes and regulations to provide the health care services that are the subject of the Base Contract and provider and all employees of the provider are not excluded from participating in federally funded health care programs.

14. If the provider is a Medicaid provider, provider must meet the qualifications specified in OAC Chapter 5160, including rule 5160-26-05(C).

15. All laboratory testing sites providing services to members must have either a current Clinical Laboratory Improvement Amendments (CLIA) certificate of waiver, certificate of accreditation, certificate of compliance, or a certificate of registration along with a CLIA identification number.

16. Home health providers must meet the eligible provider requirements specified in OAC Chapter 5160-12 and comply with the requirements for home care dependent adults as specified in section 121.36 of the Ohio Revised Code.

17. Provider shall be compensated pursuant to the method and in the amounts specified in Exhibit A, Statement of Work, Section 13.

18. Provider agrees to provide services to all eligible Medicaid consumer populations as specified in the Ohio Department of Medicaid Provider Agreement. NA:

☐Medicaid non-dual populations ☐MyCare Ohio Medicare/Medicaid populations

19. Provider agrees to provide services to MyCare Ohio consumers within the designated service area.

20. If the provider is a third party administrator (TPA), the provider agrees to include all elements of OAC rule 5160-26-05(D) in its subcontracts and will ensure that its subcontractors will forward information to ODM as requested.

21. Provider agrees to provide services as enumerated in **Attachment D** of this Addendum (within the provider's scope of practice).

22. Provider agrees to serve members through the last day the Base Contract is in effect.

23. Any amendment to the Attachment D and (and the Schedule, Exhibit, and/or Appendix) specified in item 17 of the addendum must be agreed to in writing by both parties.

24. If provider is a primary care provider (PCP), provider agrees to participate in the care coordination requirements outlined in OAC Chapter 5160, including rule 5160-26-03.1.

25. If provider is a hospital or hospital system, the Addendum must include the completed ODM Hospital Services Form, Attachment C of this addendum, which specifies which services of the hospital are included in the Base Contract.

26. MCP agrees not to prohibit, or otherwise restrict a provider acting within the lawful scope of practice, from advising or advocating on behalf of a member who is his or her patient, for the following:

    A. The member's health status, medical care, or treatment options, including any alternative treatment that may be self-administered.

    B. Any information the member needs in order to decide among all relevant treatment options.

    C. The risks, benefits, and consequences of treatment versus non-treatment.

    D. The member's right to participate in decisions regarding his or her health care, including the right to refuse treatment, and to express preferences about future treatment decisions.

27. Provider agrees in providing health care services to members to identify and where indicated arrange, pursuant to the mutually agreed upon procedures between the MCP and provider for the following at no cost to the member:

    A. Sign language services.

B. Oral interpretation and oral translation services.

28. MCP agrees to fulfill the provider's responsibility to mail or personally deliver notice of the member's right to request a state hearing whenever the provider bills a member due to the MCP's denial of payment of a Medicaid service, as specified in OAC Chapter 5160 including rule 5160-26-08.4, utilizing the procedures and forms as specified in OAC rule 5101:6-2-35.

29. Provider agrees to contact the MCP's designated twenty-four-hour post-stabilization services phone line to request authorization to provide post-stabilization services in accordance with OAC Chapter 5160, including rule 5160-26-03(G).

30. Provider agrees not to identify the addressee as a Medicaid consumer on the outside of the envelope when contacting members by mail.

31. **Provider agrees not to bill members for missed appointments.**

32. Provider shall not discriminate in the delivery of services based on the member's race, color, religion, gender, sexual orientation, age, disability, national origin, military status, genetic information, ancestry, health status, or need for health services.

33. Provider, in performance of the subcontract or in the hiring of any employees for the performance of services under the contract, shall not by reason of race, color, religion, gender, sexual orientation, age, disability, national origin, military status, genetic information, health status or ancestry, discriminate against any citizen of Ohio in the employment of a person qualified and available to perform the services to which the subcontract relates.

34. Provider shall not in any manner discriminate against, intimidate, or retaliate against any employee hired for the performance of services under the subcontract on account of race, color, religion, gender, sexual orientation, age, disability, national origin, military status, genetic information, health status, or ancestry.

35. Provider shall be bound by the same standards of confidentiality which apply to ODM and the state of Ohio as described in OAC rule 5160:1-1-51.1 and 45 CFR Parts 160 and 164, including standards for unauthorized uses of or disclosures of protected health information (PHI).

36. Provider agrees their applicable facilities and records will be open to inspection by the MCP, ODM or its designee, or other entities as specified in OAC rule 5160-26-06.

37. Provider agrees the Base Contract and Addendum are governed by, and are construed in accordance with all applicable laws, regulations, and contractual obligations of the MCP.

A. ODM will notify the MCP and the MCP shall notify the provider of any changes in applicable state or federal law, regulations, waiver, or contractual obligation of the MCP.

B. This Addendum shall be automatically amended to conform to such changes without the necessity for executing written amendments.

C. The MCP shall notify the provider of all applicable contractual obligations.

38. Provider agrees to comply with the provisions for record keeping and auditing in accordance with OAC Chapter 5160-26.

39. Provider must retain and agrees to allow the MCP access to all member medical records for a period of not fewer than eight years from the date of service or until any audit initiated within the eight year period is completed and allow access to all record keeping, audits, financial records, and medical records to ODM or its designee or other entities as specified in OAC rule 5160-26-06. At least three of the eight year-period of documentation must be readily available.

40. Provider agrees to make patient medical records for Medicaid eligible individuals available for transfer to new providers at no cost to the patient.

41. Provider agrees that if the base contract, with the MCP, provides for assignment to another entity, no assignment, in whole or in part, shall take effect without sixty days prior notice to the MCP.

42. Provider agrees to immediately forward any information regarding a member appeal or grievance, as defined in OAC 5160-26-08.4 or 5160-58-08.4, for processing.

The Ohio Department of Medicaid permits changes to Attachments A, B, C and/or D by mutual written agreement of both parties and without renegotiation of the Base Contract or this Addendum.

Exhibit B-13

Regulatory Compliance Addendum

Governing Medicare-Medicaid Dual-Eligible Services

(Aetna Better Health of Ohio)

This Regulatory Compliance Addendum Governing Medicare-Medicaid Dual-Eligible Services (the "Duals Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under, as well as the provision of any administrative or health-benefit management services/functions that relate to:

(8) the *Contract Between United States Department of Health and Human Services Centers for Medicare & Medicaid Services, In Partnership with the State of Ohio Department of Medicaid and Aetna Better Health Inc., an Ohio Corporation*, issued on April 13, 2016 (the "Three-Way Contract");

(9) the *Ohio Department of Medicaid MyCare Ohio Provider Agreement for MyCare Ohio Plan*, by and between the Ohio Department of Medicaid ("ODM" or the "State") and Aetna Better Health Inc. d/b/a Aetna Better Health of Ohio (the "Two-Way Contract"); and

(10) any successor contracts to or amendments of any of the foregoing;

to the extent that the terms and conditions of this Duals Addendum are applicable to Provider's services and obligations. The Three-Way Contract and Two-Way Contract collectively govern the program known as the MyCare Ohio Duals Demonstration (the "Demonstration"), under which Aetna Better Health Inc. d/b/a Aetna Better Health of Ohio ("Company") serves as a managed-care organization.

This Duals Addendum is incorporated by reference into the Agreement between Company (or its affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing the Agreement, as identified on the first page of the Agreement (the "Provider"), and Provider must comply with the requirements set forth herein. Note that this Duals Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement, in the Three-Way Contract or Two-Way Contract, and in the policies, procedures, and provider manual of Company (or its affiliate, as the case may be). This Duals Addendum and the Agreement may be revised as directed by the State and/or by the Centers for Medicare and Medicaid Services ("CMS").

For purposes of this Duals Addendum, Company may be referred to as "MCO" or "the MCO" (a/k/a managed care organization), and the individuals who are enrolled with Company under the Demonstration may be referred to as the "Beneficiaries," "Members," or "Enrollees." All capitalized terms not defined in this Duals Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this Duals Addendum and any of the other terms of the Agreement, including any attachments, schedules, exhibits, and/or addenda made part of the Agreement, the terms of this Duals Addendum will govern and control with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract, the Two-Way Contract, and the Demonstration, and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract, the Two-Way Contract, and/or the Demonstration; provided, however, that if there is a conflict between any of the terms of the Agreement (including this Duals Addendum), on the one hand, and the Three-Way Contract, the Two-Way Contract, and/or the State-mandated Medicaid addendum referenced in **Section A** below, on the other, then the latter's terms will govern and control. Except as provided herein, all other provisions of the Agreement not inconsistent with this Duals Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this Duals Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Three-Way Contract, the Two-Way Contract, and the remainder of the Agreement.

Provider acknowledges and agrees that all provisions of this Duals Addendum shall apply equally to any employees, independent contractors, subcontractors, downstream entities, or related entities of Provider that provide Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, or that provide administrative or health-benefit management services/functions that relate to those Covered Services or to the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, and Provider represents and warrants that Provider shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this Duals Addendum and all applicable laws and regulations.

REQUIREMENTS FOR THE DEMONSTRATION

G. Ohio State Requirements

Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the requirements set forth in Exhibit B-12("Medicaid Addendum") to the Agreement with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, and furthermore acknowledges and agrees as follows:

136. To the extent that MCO is delegating to Provider any activities or responsibilities in connection with the Three-Way Contract, the Two-Way Contract, and/or the Demonstration:

a. the Agreement sets forth the sanctions to be imposed for Provider's inadequate performance with respect to those delegated activities or responsibilities, which sanctions specifically include MCO's authority to require Provider's corrective action for any deficiencies or areas for improvement and/or to revoke the delegation if MCO or the ODM determines that the delegation is not in the best interest of the Beneficiaries [OAC 5160-26-05(A)(3)(f)];

b. the Agreement sets forth the sanctions to be imposed for Provider's unauthorized use or disclosure of Beneficiaries' protected health information (PHI) [OAC 5160-26-05(A)(3)(g)]; and

c. all information that is required to be submitted to the ODM in connection with the Three-

Way Contract, the Two-Way Contract, and/or the Demonstration shall be submitted directly by the MCO rather than by the Provider, unless otherwise specified by the ODM [OAC 5160-26-05(A)(3)(h)].

137. To the extent that MCO is delegating to Provider any provider-credentialing/recredentialing activities or responsibilities in connection with the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, MCO shall retain the authority to approve, suspend, or terminate any such providers. [OAC 5160-26-05(C)(5)]

138. Provider shall retain and safeguard all hard copy or electronic records originated or prepared in connection with the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, including without limitation working papers or information related to the preparation of reports, medical records, progress notes, charges, journals, ledgers, and fiscal reports, all in accordance with applicable sections of the federal regulations, the Ohio Revised Code, and the Ohio Administrative Code. Records stored electronically must be produced at Provider's expense, upon request, in the format specified by state or federal authorities. All such records must be maintained for a minimum of eight years from the renewal, amendment, or termination date of the Agreement, or in the event that Provider has been notified that state or federal authorities have commenced an audit or investigation, until such time as the matter under audit or investigation has been resolved. For the initial three years of the eight-year retention period, Provider shall store the aforementioned records in a manner and place that provides readily available access. [OAC 5160-26-06(F)]

139. Provider shall not advise or recommend to any Beneficiary that he/she select membership in any particular Demonstration managed-care organization, including without limitation MCO. [OAC 5160-26-08(C)(1)]

140. With respect to MCO's coordination-of-benefits duty to pursue third-party resources that may be available for the payment of medical expenses for Covered Benefits:

a. If Provider receives payment from a third-party payor after MCO has made payment for the same Covered Benefits, Provider shall repay MCO for any amount that MCO has overpaid to Provider, and Provider shall not reimburse any overpaid amounts to the Beneficiary. [OAC 5160-26-09.1(C)(7)]

b. Provider shall not bill or hold a Beneficiary liable in the event that MCO cannot or will not pay for Covered Services unless all of the specifications set forth in OAC 5160-26-05 and OAC 5160-26-11 have been met. Furthermore, Provider shall not collect from and/or bill a Beneficiary for any difference between the MCO payment and Provider's charge, and shall not request that the Beneficiary share in the cost of the Covered Services through a deductible, coinsurance, co-payment, or other similar charge, other than MCO co-payments as permitted by law. [OAC 5160-26-09.1(C)(11)]

H. Medicare Requirements

Without limiting any obligation of Provider under the Agreement, Provider shall comply with, and shall cause its Downstream Entities and Related Entities to comply with, the requirements set forth in this **Section B** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider), as applicable, that relate to those Covered Services or to the Three-Way Contract and the Demonstration (the "Medicare Services"). (The terms "Downstream Entities" and "Related Entities" shall have the respective meanings that are ascribed to them in the Medicare Services Exhibit to the Agreement (the "Medicare Services Exhibit"), and shall include Provider's permanent and temporary employees.) For

purposes of this **Section B**, the Members dually eligible for both Medicare and Medicaid under the Three-Way Contract and the Demonstration shall collectively be referred to as the "Medicare Members," and the managed-care plan that MCO offers under the Three-Way Contract and the Demonstration shall be referred to as the "Medicare Plan." Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

14. PAYMENT.

E. In consideration of Provider's agreement to perform Covered Services in accordance with the Agreement, Provider shall be paid for Covered Services performed according to the terms of the applicable Services and Compensation Schedule (or other analogous compensation schedule appended to the Agreement).

F. MCO shall not pay any amounts beyond the amounts set forth in the applicable Services and Compensation Schedule (or other analogous compensation schedule appended to the Agreement), including but not limited to any incentive payments that may be payable under traditional Medicare, except as expressly required by the Agreement or applicable law. Further, the Parties acknowledge and agree that payments under the Medicare program to providers, suppliers, and MCO may be adjusted as the result of legislation, regulation, executive order, or other federal mandate ("Medicare Payment Adjustment"). Furthermore, any such Medicare Payment Adjustment could result in an increase or decrease in Medicare payments. In accordance with the terms of this Agreement, the Parties agree that, in the event of a Medicare Payment Adjustment, MCO's payment to Provider will be adjusted in accordance with the Medicare Payment Adjustment. MCO shall adjust payments under this Agreement for Covered Services rendered by Provider on and after the effective date of the Medicare Payment Adjustment, and shall continue to adjust payments to Provider for Covered Services until the earlier of (i) the discontinuation of the Medicare Payment Adjustment, or (ii) the replacement of the Medicare Payment Adjustment by a subsequent Medicare Payment Adjustment.

G. Pursuant to Section B.5.K. of this Duals Addendum, Provider certifies that the diagnosis codes submitted to MCO for Medicare Members that MCO is required to submit to CMS will be accurate, complete, and truthful (the "Certification"). Provider acknowledges and agrees that MCO may impose a penalty on Provider not to exceed five thousand dollars ($5,000) for each instance that Provider submits a diagnosis code to MCO for a Medicare Member that does not comply with this Certification because the diagnosis code was not submitted in the format described in 42 C.F.R. § 422.310 or any subsequent or additional federal regulations. For purposes of this Section, "diagnosis code" shall mean an International Classification of Diseases-9th Edition-Clinical Modification (ICD-9-CM) code or its successor.

H. Federal laws and regulations limit the timeframe within which CMS may recover overpayments made to physicians, providers, and suppliers who submit claims to Medicare contractors (such as fiscal intermediaries, regional home health intermediaries, carriers, Medicare Administrative Contractors, and Durable Medical Equipment Medicare Administrative Contractors) for services provided or supplied to Medicare beneficiaries enrolled in Original Medicare (the "Medicare Statute of Limitations"). If MCO makes an overpayment or payment in error to Provider for Medicare Members, MCO shall have the right to initiate overpayment recovery efforts within the same timeframe available to CMS under the Medicare Statute of Limitations; provided that no time limit shall apply to initiation of overpayment recovery efforts based on MCO's reasonable suspicion of fraud or other intentional misconduct.

I. In no event, including without limitation non-payment by MCO, insolvency of MCO, or breach of the Agreement, shall Provider bill, charge, collect a deposit from, seek remuneration or reimbursement from, or have any recourse against a Medicare Member or persons (other than MCO) acting on a Medicare Member's behalf for services covered under the Agreement. Provider further agrees that: (i) this provision shall survive termination of the Agreement regardless of the cause giving rise to termination and shall be construed for the benefit of Medicare Members, and (ii) this provision supersedes any oral or written agreement to the contrary now existing or hereafter entered into between Provider and a Medicare Member or

persons acting on a Medicare Member's behalf. No modification of this provision shall be effective without the prior written approval of the appropriate regulatory entities.

15. ASSIGNMENT. In addition to all other rights of MCO under the Agreement, the Agreement (including, but not limited to, as it relates to the line(s) of business described in this Duals Addendum) may be assigned by MCO, at any time and from time to time, in whole or in part, to any other affiliate or successor in interest of MCO. At MCO's option, the Agreement shall survive, without any other change in its terms, as a distinct, separate agreement with MCO for those products/lines of business designated by MCO and in duplicate form as a separate, distinct participating provider agreement with the applicable affiliate(s)/successor(s) for the products/lines of business assigned to such entity(ies). In the event of any assignment under this paragraph, MCO shall provide advance written notice to Provider. In the event of a conflict between this Section and any other provision of the Agreement, the terms of this Section shall supersede and prevail.

16. EFFECT OF TERMINATION. In the event this Duals Addendum is terminated for any reason, such termination shall not constitute termination of any of MCO's other products, plans, or programs.

17. MEDICARE REQUIRED PROVISIONS. Provider agrees to comply with all of the provisions of the Schedules attached hereto and incorporated into this Duals Addendum (including the Medicare Services Exhibit and any delegated function-specific Schedules that may be appended hereto), and agrees that all terms and conditions in the Agreement applicable to Provider shall also apply to any Downstream Entities of Provider. Provider further acknowledges and agrees that all terms of such Schedules shall apply equally to services provided in connection with the Three-Way Contract and the Demonstration, even if such Schedules only refer to Medicare Advantage products. Provider acknowledges that to the extent MCO is delegating to Provider any activities and responsibilities in connection with the Three-Way Contract and the Demonstration, MCO may only delegate such activities and responsibilities in a manner consistent with the contractual and legal obligations and duties imposed on MCO under the Three-Way Contract and under applicable Medicare laws, regulations, rules, and other directions of CMS.

18. PROVIDER OBLIGATIONS.

GG. Provision of Covered Services. Provider agrees to provide to Medicare Members the health care services for which Provider is licensed and customarily provides in accordance with accepted medical and surgical standards in the community. Provider shall make Covered Services available and accessible to Medicare Members, including telephone access to Provider, on a twenty-four (24) hours, seven (7) days per week basis.

HH. Compliance; Cooperation. Provider agrees that all Medicare Services and other activities performed by Provider under the Agreement will be consistent and comply with MCO's obligations under the Three-Way Contract. Upon request, Provider shall immediately provide to MCO any information that is required by MCO to meet its reporting obligations to CMS, including without limitation, physician incentive plan information, if applicable. To the extent that Provider generates and/or compiles and provides any data to MCO that MCO, in turn, submits to CMS, Provider certifies, to the best of its knowledge and belief, that such data is accurate, complete, and truthful. Provider agrees to cooperate with and participate in internal and external review procedures necessary to allow MCO to process Medicare appeals and grievances in accordance with Medicare laws, regulations, and CMS instructions.

II. Federal Fund Obligations. Provider understands and agrees that payments received by MCO for the Medicare Plan from CMS pursuant to the Three-Way Contract, as well as payments that Provider receives from MCO for performing services and functions under the Agreement, constitutes the receipt of federal funds. As a result, Provider, by entering into this Agreement and the terms of this Duals Addendum, is subject to laws applicable to individuals/entities receiving federal funds, including but not limited to, Title VI of the Civil Rights Act of 1964 as implemented by regulations at 45 C.F.R. part 84, the Age Discrimination Act of 1975 as implemented by regulations at 45 C.F.R. part 91, the Rehabilitation Act of 1973, and the Americans with Disabilities Act.

JJ. Continuation of Services. In the event the Three-Way Contract terminates or MCO becomes insolvent, Provider shall continue to provide Covered Services to Medicare Members who are hospitalized through the date of discharge. Provider is prohibited by law from billing Medicare Members for such Covered Services. This provision shall survive the termination of this Agreement or Duals Addendum, regardless of the reason for termination, including the insolvency of MCO, and shall supersede any oral or written agreement between Provider and a Medicare Member.

KK. Policies, Programs & Procedures. Provider agrees to comply with MCO's policies and procedures (which MCO shall provide to Provider upon request) which operationalize many of the requirements of the Agreement, this Duals Addendum, and the Three-Way Contract and Demonstration. Provider agrees to comply with MCO's quality improvement, administrative processes and procedures, utilization review, peer review, grievance procedures, credentialing and recredentialing procedures, and any other policies MCO may implement, including amendments made to the above mentioned policies, procedures and programs from time to time. In the event that an MCO policy or procedure conflicts with a provision in the Agreement, then the language in the Agreement (including all amendments, exhibits, and attachments thereto) shall govern.

LL. Maintenance of Records. Provider, on behalf of itself and its Downstream Entities (if any), shall preserve records applicable to Medicare Members or to MCO's participation in the Three-Way Contract and Demonstration, for the longer of: (i) the period of time required by state and federal law, or (ii) ten (10) years, whichever is longer. In addition, to the extent applicable to Provider, Provider, on behalf of itself and any Downstream Entities with whom Provider has contracted, agrees to comply with 42 C.F.R. § 422.2480(c) and 42 C.F.R. § 423.2480(c) and to maintain all records containing data used by MCO to calculate Medicare medical loss ratios ("MLRs") for MCO's Medicare products and/or evidence needed by MCO and/or federal governmental authorities with jurisdiction to validate MLRs (collectively, "MLR Records") for a minimum of ten (10) years from the date such MLRs were reported by MCO to CMS. Provider further agrees that with respect to Medicare Plans, MCO and federal governmental authorities having jurisdiction, and their designees, upon request, shall have access to all MLR Records, and that this right of inspection, evaluation, and audit of MLR Records shall continue for a minimum of ten (10) years from the date such MLRs were reported by MCO to CMS. This provision shall survive the termination of the Agreement, regardless of the cause of termination.

MM. Subcontractors. Provider shall require all of its subcontractors, if any, to comply with all applicable Medicare laws, regulations and CMS instructions.

(1) Provider shall include in Provider's contracts with subcontractors (a) all of the contractual and legal obligations and duties imposed on Provider in the Agreement, (b) all provisions required under Medicare laws, regulations, rules, and other directions of CMS (including all of MCO's obligations under such laws, regulations, rules, and other directions related to the scope of Provider's services under the Agreement), and (c) that any delegated services or activities to be performed by subcontractor shall be consistent and comply with the obligations in the Three-Way Contract. To the extent CMS requires additional provisions to be included in such subcontracts, Provider shall amend its contracts accordingly. Provider acknowledges that, with respect to any services or functions under the Agreement that Provider delegates to a subcontractor, such subcontractor shall be considered a Downstream Entity.

(2) Provider shall ensure that any vendors, subcontractors, or other such entities that have a need to know the terms of the Agreement also maintain the privacy and confidentiality of all financial terms of the Agreement.

(3) If Provider arranges for the provision of Covered Services from other health care providers for Medicare Members, such contracts shall be in writing and shall specify the delegated activities and reporting responsibilities, in addition to meeting the requirements described above. In

the event that MCO delegates to Provider the selection of providers, MCO retains the right to approve, suspend or terminate such delegation. If MCO delegates the selection of providers, MCO will either review the credentials of medical professionals affiliated with Provider or MCO will review, approve, and audit on an ongoing basis Provider's credentialing process.

The term "Subcontractor" as used in this Section shall not refer to employees or other individuals that perform services on behalf of Provider for which Provider bills such services under this Agreement. Provider represents and warrants that such persons are subject to all terms and conditions of this Agreement and Provider shall provide written evidence of such as described in the Agreement.

NN. Contracts with Excluded Entities. Provider understands and agrees that no person that provides health care services and/or utilization review, medical social work, or administrative services in support of services billed under this Agreement by Provider, may be an individual excluded from participation in Medicare under Section 1128 or 1128A of the Social Security Act. Provider shall not employ or contract with, with or without compensation, any individual or entity that has been disbarred, excluded, suspended or otherwise determined to be ineligible to participate in a federal health care program. Provider hereby certifies that no such excluded person will provide such services under this Agreement and no such excluded persons will be employed by or utilized by any Downstream Entity with which Provider contracts relating to the furnishing of these services to Medicare Members. Furthermore, neither Provider nor any of Provider's Downstream Entities who are and/or will be fully or partially responsible for Provider's performance of its obligations under the Agreement has (i) pled guilty or no contest to or been convicted of any felony involving dishonesty or breach of trust; (ii) been excluded from participation in any federal or state funded health program; or (iii) been listed in the Department of Health and Human Services Office of Inspector ("OIG") exclusion list or the General Services Administrative ("GSA") exclusion list. Provider agrees to immediately notify MCO in the event that Provider or any of its Downstream Entities that assist or are involved in Provider's performance of services for Medicare Plans under the Agreement are or become disbarred, excluded, suspended, or otherwise determined to be ineligible to participate in a federal health care program. In accordance with applicable laws, rules, and regulations and the Compliance Program Guidelines, Provider agrees to review the Department of Health and Human Services ("HHS") Office of Inspector General List of Excluded Individuals and Entities and the General Service Administrative Excluded Parties Lists System (collectively, the "Exclusion Lists") to ensure that Provider Related Parties are not included on such Exclusion Lists. Provider agrees to review the Exclusion Lists prior to initially hiring, appointing, or contracting with any new Provider Related Party and at least once per month thereafter to confirm that Provider Related Parties are not included on such Exclusion Lists. Provider agrees that if a Provider Related Party appears on an Exclusion List and/or is excluded from participation in any federally-funded health program, Provider will immediately remove the Provider Related Party from any work related directly or indirectly to the Medicare Plan, and take all corrective actions required under applicable laws, rules or regulations. In the event Provider or any Provider Related Parties are listed in an Exclusion List after the Effective Date of this Duals Addendum, MCO shall have the right, in its sole discretion and judgment, to terminate this Duals Addendum in accordance with the Agreement or to disqualify the listed person(s) from providing any part of the Covered Services. For the purpose of this Section, "Provider Related Parties" means Provider's permanent and temporary employees and Downstream Entities that are involved in the performance of Medicare Services.

OO. Offshore Services. Provider is prohibited from using any individual or entity (an "Offshore Entity") (including, but not limited to, any employee, contractor, subcontractor, agent, representative, or other individual or entity) to perform any services for the Medicare Plan if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless MCO, in its sole discretion and judgment, agrees in advance and in writing to the use of such Offshore Entity. Provider further agrees that MCO has the right to audit any Offshore Entity prior to the provision of Offshore Services for the Medicare Plan. Provider further represents and warrants that it does not and will not permit any Medicare Members' protected health information (PHI) or other personal information to be accessible by any Offshore

Entity, without prior written notice to MCO and MCO's prior written approval of such Offshore Entity. In the event that MCO agrees in advance and in writing to permit Provider to use an Offshore Entity to perform any services for Medicare Plans and MCO agrees that such Offshore Entity will receive, process, transfer, handle, store, or access Medicare Member PHI as defined at 45 C.F.R. § 160.103, Provider agrees that Offshore Services that involve Medicare Member PHI are subject to CMS reporting within thirty (30) days of: (1) performing, or contracting with an Offshore Entity to perform, Offshore Services, and (2) any time Provider changes the Offshore Services that an Offshore Entity will perform.

PP. Submission of Encounter Data. Provider hereby acknowledges that MCO is required to provide CMS and other federal and state regulatory agencies and accrediting organizations with encounter data as requested by such agencies and organizations. Such data may include medical records and all other data necessary to characterize each encounter between Provider and a Medicare Member. Provider agrees to cooperate with MCO and to provide MCO with all such information in such form and manner as requested by MCO. Provider agrees to immediately notify MCO if any encounter data that Provider submitted to MCO for Medicare Members is inaccurate, incomplete, or erroneous, and to cooperate with MCO to correct erroneous encounter data to ensure MCO's compliance with Medicare laws, rules and regulations and CMS instructions.

QQ. Certification of Data. Provider recognizes that MCO is required to certify the accuracy, completeness, and truthfulness of data that CMS requests. Such data include encounter data, payment data, and any other information provided to MCO by its contractors and subcontractors. Provider and its subcontractors, if any, hereby certify that any such data submitted to MCO will be accurate, complete, and truthful. Upon request, Provider shall make such certification in the form and manner prescribed by MCO.

RR. Medicare Member Complaints. Provider agrees to cooperate with MCO in resolving any Medicare Member complaints related to coverage or the provision of Covered Services. MCO will notify Provider as necessary concerning all Medicare Member complaints involving Provider. Provider shall, in accordance with the Provider's regular procedures, investigate such complaints and respond to MCO in the required time. Provider shall use best efforts to resolve complaints in a fair and equitable manner.

SS. Compliance Program and Anti-Fraud Initiatives. Provider shall (and shall cause its Downstream Entities, if any, to) institute, operate, and maintain an effective compliance program to detect, correct, and prevent the incidence of non-compliance with CMS requirements and the incidence of fraud, waste, and abuse ("FWA") relating to the operation of the Medicare Plan. Such compliance program shall be appropriate to the organization and operations of Provider and Provider's Downstream Entities and shall include:

(11) written compliance policies and standards of conduct that are comparable to Aetna's compliance policies/Aetna Code of Conduct and articulate the entity's commitment to comply with federal and state laws, ethical behavior, and compliance program operations. Provider will disseminate either Aetna's compliance policies/Aetna Code of Conduct or comparable versions to Provider's employees, officers, and Downstream Entities within 90 days of hire/contracting, when updates are made, and annually thereafter;

(12) reporting mechanisms communicated to Provider's employees and Downstream Entities for their use in adhering to the expectation that Provider, its employees, and its Downstream Entities report potential non-compliance or FWA issues (internally and to MCO, as applicable) and understand their obligation to report. Provider must publicize the reporting methods to Provider employees and Downstream Entities along with a no-tolerance policy for retaliation or retribution for good-faith reporting;

(13) completion of CMS's Medicare Learning Network® (MLN) "Medicare Parts C and D Fraud, Waste, and Abuse Training and Medicare Parts C and D General Compliance Training" by Provider employees, officers, and Downstream Entities initially within ninety (90) days of hire/contracting and at least annually thereafter, unless exempt from such training under relevant CMS regulations;

(14) processes to oversee and ensure that Provider and Provider's Downstream Entities maintain compliance with processes to oversee and ensure that: (1) Provider and Provider's Downstream Entities maintain compliance with CMS compliance program requirements, and (2) Provider's Downstream Entities perform Medicare Services consistent with this Agreement and the agreement between Provider and such Downstream Entities. Provider's oversight under this Agreement shall include: (1) imposition of disciplinary actions, as needed, to ensure employee compliance with CMS compliance program requirements, and (2) implementation of corrective actions (up to and including contract termination), as needed, with respect to its Downstream Entities to ensure Downstream Entity compliance with applicable CMS requirements, including the CMS compliance program requirements, this Agreement, and Provider's contract with the Downstream Entity; and

(15) retention of evidence showing that Provider and Provider's Downstream Entities complied with the requirements set forth in this Section. Such evidence must be maintained for at least the period of time specified in Section B.5.F. hereof and shall be made available to MCO and CMS, upon request.

TT. Marketing. Consistent with federal laws, regulations, and agency requirements applicable to the Medicare program, Provider shall not: (1) engage in any marketing or sales activities that could mislead or confuse Medicare Members, or (2) market or advertise non-health care related products to Medicare Members or prospective Medicare Members. Further, Provider shall at all times comply with the then current Medicare Marketing Guidelines.

UU. Dual-Eligible Hold Harmless. Provider acknowledges and agrees that Medicare Members are not responsible for paying to Provider any Copayments, Coinsurance, or Deductibles for Medicare Part A and Part B services ("Cost Sharing Amounts") when the State Medicaid plan is responsible for paying such Cost Sharing Amounts. Provider further agrees that it will not collect Cost Sharing Amounts from Medicare Members when the State is responsible for paying such Cost Sharing Amounts, and will, instead, either accept the MCO's payment for Covered Services as payment in full for Covered Services and applicable Cost Sharing Amounts, or bill the applicable State Medicaid plan for the appropriate Cost Sharing Amounts owed by the State Medicaid plan.

VV. Enrollment as Medicare Provider. To the extent that Provider prescribes drugs covered under Medicare Part D to Medicare Members who have Medicare prescription drug ("MA-PD") coverage offered by MCO, Provider agrees to comply with the requirements set forth in 42 C.F.R. § 423.120(c)(6), including without limitation the requirement that Provider be enrolled in Medicare in an approved status in order for its prescriptions to be covered under Medicare Part D.

WW. Home Infusion Drugs. The following provisions shall only apply to Provider if Provider dispenses to a Medicare Member home infusion drugs that are covered under Medicare Part D and the Medicare Member has MA-PD coverage offered by MCO ("Home Infusion Drug"):

23. With respect to Home Infusion Drugs, MCO will pay clean claims (as defined in 42 C.F.R. § 423.520(b)) submitted by Provider on behalf of Medicare Members within 14 days for electronic claims and within 30 days for claims submitted otherwise. 42 C.F.R. § 423.505(i)(3)(vi).

24. Home Infusion Drugs will be reimbursed (as applicable) in accordance with a fee schedule, or the third-party pricing source (*e.g.*, Medi-Span) otherwise agreed upon as set forth in this Agreement or Provider's agreement with MCO's Pharmacy Benefit Manager ("PBM"). 42 C.F.R. § 423.505(i)(3)(viii)(B).

25. If a prescription drug pricing standard is used for reimbursement of Home Infusion Drugs, updates to such a standard will occur not less frequently than once every 7 days beginning with an initial update on January 1 of each year, to accurately reflect the market price of acquiring the Home Infusion Drug. 42 CFR § 423.505(i)(3)(viii)(A).

26. In accordance 42 C.F.R.§ 423.120(c)(3), Provider agrees to submit claims for Home Infusion Drugs to MCO or its PBM whenever the Medicare Member's ID card is presented or is on file at the Provider, unless the Medicare Member expressly requests that the claim not be submitted to MCO or its PBM.

27. Provider must submit claims for Home Infusion Drugs in real time by means of point of service claims adjudication systems in compliance with CMS standards. 42 C.F.R. § 423.505(b)(17).

28. Provider must provide Medicare Members with access to the negotiated prices (as defined in 42 C.F.R. § 423.100) for Home Infusion Drugs to Members. 42 C.F.R. § 423.104(g)(1).

29. Provider must charge/apply the correct cost-sharing amount to the Medicare Member for Home Infusion Drugs. 42 C.F.R. § 423.104.

30. At the time of purchase by a Medicare Member, Provider must inform the Medicare Member of any differential between the price of the Home Infusion Drug being dispensed and the price of the lowest priced generic version of that Home Infusion Drug available from Provider, unless the Home Infusion Drug being dispensed is the lowest priced generic version of that Home Infusion Drug. 42 C.F.R. § 423.132.

31. Provider agrees to ensure that the professional services and ancillary supplies necessary for Home Infusion Drugs are in place before dispensing Home Infusion Drugs to a Medicare Member in his/her place of residence. 42 C.F.R. § 423.120(a)(4)(iii).

32. Provider agrees to provide delivery of Home Infusion Drugs within 24 hours of a Medicare Member's discharge from an acute setting, or later if so prescribed. 42 C.F.R. § 423.120(a)(4)(iv).

33. Provider shall submit to MCO (not PBM) claims for equipment, supplies, and professional services associated with Home Infusion Drugs dispensed by Provider to a Medicare Member that are covered under Medicare Part C.

XX. Non-Covered Services. Provider shall not hold a Member financially responsible for payment of a service not covered under the Member's Plan ("Non-Covered Service") unless the Member has received a pre-service organization determination notice of denial from MCO before such services are rendered. Provider acknowledges and agrees that if Provider renders Non-Covered Services to a Member who has not received a pre-service organization determination notice of denial from MCO, the Provider must hold the Member harmless for the Non-Covered Services and cannot charge the Member any amount beyond the normal cost-sharing amounts (*i.e.*, copayments, coinsurance, and/or deductibles). With respect to those Non-Covered Services that are clearly listed as exclusions in the Member's Evidence of Coverage or other similar Plan document, a pre-service organization determination is not required in order for Provider to hold the Member financially liable for such Non-Covered Services.

19. COMPANY OBLIGATIONS.

A. Fee Schedule. MCO shall arrange for Provider to be compensated for health care services

rendered to Medicare Members in accordance with Section B.1 of this Duals Addendum.

B. Prompt Pay. In accordance with 42 C.F.R. § 422.520(a)(1), MCO shall make best efforts to pay clean claims submitted by Provider for Covered Services provided to Medicare Members within thirty (30) calendar days of receipt. For purposes of this Duals Addendum, the term "clean claim" shall have the meaning assigned in 42 C.F.R. § 422.500.

C. From time to time MCO may designate only certain Providers to take part in the provider delivery network for a particular product benefit plan(s).

20. GENERAL PROVISIONS.

A. Termination. This Duals Addendum may be terminated on its own without respect to the remainder of the Agreement with or without cause by either Party in accordance with the termination provisions of the underlying Agreement and the Three-Way Contract. This Duals Addendum shall terminate automatically in the event that the underlying Agreement is terminated in accordance with the termination provisions of the Agreement and the Three-Way Contract.

B. Governing Law. This Duals Addendum shall be governed by federal laws, regulations, and agency requirements applicable to the Medicare program. In the event that changes to the governing laws, regulations, or agency requirements applicable to the Medicare program occur, the new law, regulation, or agency requirement shall supersede to the extent required by any such later required changes.

C. Agreement Otherwise Unmodified. All other terms and provisions of the Agreement not amended hereby shall remain in full force and effect, without modification. In the event of any inconsistency between the terms of this Duals Addendum and the Agreement, the terms of this Duals Addendum shall govern and control.

D. Survival. All provisions of this Duals Addendum that by their nature should survive termination of Provider's provision of Medicare Services under this Agreement or termination of the Agreement as a whole, shall survive termination.

I. Requirements Under the Demonstration's Three-Way Contract and Two-Way Contract

The Three-Way Contract and Two-Way Contract require that specific additional terms and conditions be incorporated into the Agreement. As such, Provider shall comply with, and shall cause its downstream entities and related entities to comply with, the requirements set forth in this **Section C** with respect to the provision of Covered Services to Members dually eligible for both Medicare and Medicaid under the Three-Way Contract, the Two-Way Contract, and the Demonstration, and with respect to the provision of administrative or health-benefit management services/functions (or other functions delegated to Provider) that relate to those Covered Services or to the Three-Way Contract, the Two-Way Contract, and the Demonstration. With respect to the requirements set forth in this **Section C**, any capitalized terms that are used but not defined herein shall have the meanings that are ascribed to them in the Three-Way Contract or the Two-Way Contract, as applicable. Provider's obligations specifically include, and Provider expressly agrees to comply with, the following:

1. The delegated activities and reporting requirements for which Provider is responsible are contained in the Agreement. Provider shall ensure that it and its downstream and related entities perform all such delegated activities and reporting requirements in compliance with 42 C.F.R. §§ 422.504, 423.505, 438.6(l), and 438.230(b)(1), as applicable. [Appendix C, ¶ A of Three-Way Contract]

2. HHS, the Comptroller General, the Department, and their respective designees have the right to

audit, evaluate, and inspect any books, contracts, computer, or other electronic systems, including medical records and documentation, of Provider and its downstream and related entities, and the foregoing rights to inspect, evaluate, and audit any pertinent information for any particular contract period shall exist for ten years from the final date of the contract period or from the date of completion of any audit, whichever is later. [Appendix C, ¶ C of Three-Way Contract]

3. Provider and its downstream and related entities shall not hold Beneficiaries liable for payment of any fees that are the obligation of MCO. [Appendix C, ¶ D.1 of Three-Way Contract]

4. Any services or other activity performed by Provider and/or its downstream and related entities shall be performed in accordance with the MCO's contractual obligations to CMS and the Department. [Appendix C, ¶ D.2 of Three-Way Contract]

5. MCO shall revoke the delegation activities and reporting requirements or specify other remedies in instances where CMS, the Department, or the MCO determine that Provider and/or its downstream and related entities have not performed their delegated activities or reporting requirements satisfactorily. [Appendix C, ¶ D.4 of Three-Way Contract]

6. The performance of Provider and its downstream and related entities under the Agreement will be monitored by MCO on an ongoing basis and MCO may impose corrective action as necessary. [Appendix C, ¶ D.5 of Three-Way Contract]

7. Provider and its downstream and related entities agree to safeguard Beneficiary privacy and confidentiality of Beneficiary health records. [Appendix C, ¶ D.6 of Three-Way Contract]

8. Provider and its downstream and related entities must comply with all federal and state laws, regulations, and CMS instructions. [Appendix C, ¶ D.7 of Three-Way Contract]

9. To the extent that Provider and/or its downstream and related entities provide credentialing of medical providers under the Agreement:

   A. The credentials of medical professionals affiliated with the Provider and/or its downstream and related entities will be reviewed by MCO; or

   B. The credentialing process will be reviewed and approved by MCO and MCO shall audit the credentialing process on an ongoing basis.

   [Appendix C, ¶ E of Three-Way Contract]

10. To the extent that MCO has delegated the selection of providers under the Agreement to Provider or its downstream and related entities, MCO retains the right to approve, suspend, or terminate that arrangement. [Appendix C, ¶ F of Three-Way Contract]

11. MCO shall provide a written statement to Provider of the reason or reasons for termination for cause. [Appendix C, ¶ G of Three-Way Contract]

12. MCO is obligated to pay Provider under the terms of the Agreement, which includes a prompt-payment provision that has been developed and agreed to by both MCO and Provider. [Appendix C,

¶ H.1 of Three-Way Contract]

13. Provider and its downstream and related entities shall provide all services under the Agreement in a Culturally Competent manner to all Beneficiaries, including those with limited English proficiency or reading skills, and diverse culturally and ethnic backgrounds. [Appendix C, ¶ H.2 of Three-Way Contract]

14. Provider and its downstream and related entities shall abide by all applicable federal and state laws and regulations regarding confidentiality and disclosure of medical records, or other health and enrollment information. [Appendix C, ¶ H.3 of Three-Way Contract]

15. Provider and its downstream and related entities shall ensure that medical information is released in accordance with applicable federal or state law, or pursuant to court orders or subpoenas. [Appendix C, ¶ H.4 of Three-Way Contract]

16. Provider and its downstream and related entities shall maintain Beneficiary records and information in an accurate and timely manner. [Appendix C, ¶ H.5 of Three-Way Contract]

17. Provider and its downstream and related entities shall ensure timely access by Beneficiaries to the records and information that pertain to them. [Appendix C, ¶ H.6 of Three-Way Contract]

18. Provider and its downstream and related entities shall not hold Beneficiaries liable for Medicare Part A and B cost sharing, and all Medicare Parts A and B services must be provided at zero cost-sharing to Beneficiaries. [Appendix C, ¶ H.7 of Three-Way Contract]

19. Provider and its downstream and related entities shall ensure that their EMTALA obligations are fulfilled as required by law and the Agreement and must not create any conflicts with any hospital actions required to comply with EMTALA. [Appendix C, ¶ H.8 of Three-Way Contract]

20. Provider and its downstream and related entities, including without limitation all primary care providers, shall not close or otherwise limit acceptance of Beneficiaries as patients unless the same limitations apply to all commercially insured Beneficiaries. [Appendix C, ¶ H.9 of Three-Way Contract]

21. MCO shall not refuse to contract or pay Provider for the provision of Covered Services solely because Provider has in good faith:

    (a) Communicated with or advocated on behalf of one or more of the prospective, current, or former patients of Provider or its downstream and related entities regarding the provisions, terms, or requirements of the MCO's health benefit plans as they relate to the needs of such patients; or

    (b) Communicated with one or more of the prospective, current, or former patients of Provider or its downstream and related entities with respect to the method by which such provider is compensated by the MCO for services provided to the patient.

[Appendix C, ¶ H.10 of Three-Way Contract]

22. Provider and its downstream and related entities are not required to indemnify MCO for any expenses and liabilities, including, without limitation, judgments, settlements, attorneys' fees, court costs, and any associated charges, incurred in connection with any claim or action brought against MCO based on MCO's management decisions, utilization review provisions, or other policies, guidelines, or actions. [Appendix C, ¶ H.11 of Three-Way Contract]

23. Provider and its downstream and related entities shall comply with all MCO's requirements and MCO Policies for utilization review, quality management and improvement, credentialing, and the delivery of preventive health services. [Appendix C, ¶ H.12 of Three-Way Contract]

24. MCO shall notify Provider in writing of modifications in payments, modifications in Covered Services or modifications in MCO's procedures, documents or requirements, including those associated with utilization review, quality management and improvement, credentialing, and preventive health services, that have a substantial impact on the rights or responsibilities of Provider, and the effective date of the modifications. The notice shall be provided 30 calendar days before the effective date of such modification unless such other date for notice is mutually agreed upon between MCO and Provider or unless such change is mandated by CMS or the Department without 30 calendar days' prior notice. [Appendix C, ¶ H.13 of Three-Way Contract]

25. Provider must comply with all Beneficiary payment restrictions, including balance billing restrictions, and MCO may revoke or impose other specified remedies against Provider if Provider does not comply with such provisions. [Appendix C, ¶ H.14 of Three-Way Contract; Appendix C, Section 60 of Two-Way Contract]

26. Provider and its downstream and related entities shall not bill Beneficiaries for charges for Covered Services other than pharmacy co-payments, if applicable. [Appendix C, ¶ H.15 of Three-Way Contract; Appendix C, Section 60 of Two-Way Contract]

27. No payment shall be made by MCO to Provider, and Provider shall not seek payment from MCO, for a Provider Preventable Condition as defined in 42 C.F.R. § 447.26(b), and Provider shall, as a condition of payment from MCO, comply with reporting requirements on Provider Preventable Conditions as described at 42 C.F.R. § 447.26(d) and as may be specified by MCO and/or the Department. [Section 2.7.6.2 and Appendix C, ¶ H.16 of Three-Way Contract]

28. Provider shall ensure coverage for its practice twenty-four (24) hours a day, seven (7) days a week, when medically necessary. [Section 2.8.5.3 of Three-Way Contract; Appendix H, Section 1 of Two-Way Contract]

29. MCO shall monitor and ensure that all utilization management activities provided by Provider comply with all provisions of the Three-Way Contract with CMS and the Department, and Provider and its downstream and related entities shall cooperate with and utilize MCO's quality assurance program. [Section 2.11.2.2.3.2 of Three-Way Contract]

30. Provider shall comply with all applicable requirements governing physician incentive plans, including but not limited to such requirements appearing at 42 C.F.R. Parts 417, 422, 434, 438.6(h), and 1003. Contracts or arrangements with First Tier, Downstream and Related Entities shall not include incentive plans that include a specific payment to Provider or its downstream and related entities as an inducement to deny, reduce, delay, or limit specific, Medically Necessary Services, and (a) Provider and/or its downstream and related entities shall not profit from provision of Covered Services that

are not Medically Necessary or medically appropriate, and (b) MCO shall not profit from denial or withholding of Covered Services that are Medically Necessary or medically appropriate. [Appendix C, ¶¶ H.14 and I, and Section 5.1.7.2 of Three-Way Contract]

31. MCO shall not impose a financial risk on Provider or its downstream and related entities for the costs of medical care, services, or equipment provided or authorized by another Physician or health care provider unless such contract includes specific provisions with respect to the following:

E. Stop-loss protection;

F. Minimum patient population size for the Physician or Physician group; and

C. Identification of the health care services for which the Physician or Physician group is at risk.

[Appendix C, ¶ J of Three-Way Contract]

32. All contracts or arrangements with First Tier, Downstream and Related Entities for laboratory testing sites that provide services must include an additional provision that such laboratory testing sites must have either a Clinical Laboratory Improvement Amendment (CLIA) certificate or waiver of a certificate of registration along with a CLIA identification number. [Appendix C, ¶ K of Three-Way Contract]

33. Nothing shall be construed to restrict or limit the rights of MCO to include as providers religious non-medical providers or to utilize medically based eligibility standards or criteria in deciding provider status for religious nonmedical providers. [Appendix C, ¶ L of Three-Way Contract]

34. Provider shall meet all terms and requirements of the Three-Way Contract that are applicable to Provider. [Section 2.7.3.1 of Three-Way Contract]

35. Provider and its downstream and related entities shall allow MCO to access the medical records of Beneficiaries. [Section 2.7.7.1.4 of Three-Way Contract]

36. Provider will collaborate with MCO on documentation systems reporting, communications, policies, and any other matters necessary for any readiness review required under the Three-Way Contract. [Section 2.2.1.of Three-Way Contract]

37. Provider shall collaborate with MCO, as requested and required under the Three-Way Contract, on activities relating to Care Management, the Individualized Care Plan, the Centralized Enrollee Record, and the Care Management System. [Section 2.5.3 of Three-Way Contract]

38. As requested and required under the Three-Way Contract, Provider shall actively participate as a member of the Trans-Disciplinary Care Team, and shall collaborate with the Beneficiary and other members of the Trans-Disciplinary Care Team to perform the functions and tasks that are required of the Trans-Disciplinary Care Team under the Three-Way Contract. [Section 2.5.3 of Three-Way Contract]

39. Provider must comply with the United States Supreme Court's *Olmstead* decision, which requires that Beneficiaries be served in the most integrated setting appropriate to their needs. [Section 2.5.3.4.1.1

of Three-Way Contract]

40. Provider shall be responsive to the linguistic, cultural, ethnic, racial, religious, age, gender, and other unique needs of any minority, homeless population, Beneficiary with disabilities (both congenital and acquired disabilities), or other special population served by the MCO. [Section 2.6.1.10 of Three-Way Contract]

41. To the extent that Provider is multilingual, Provider shall understand and comply with its obligations under state or federal law to assist Beneficiaries with skilled medical interpreters and the resources that are available to assist Provider to meet these obligations. [Section 2.6.1.12 of Three-Way Contract]

42. Provider shall comply with timely access requirements pursuant to 42 C.F.R. § 438.206(c)(1). [Section 2.7.4 of Three-Way Contract]

43. Provider must be appropriately licensed or certified, as applicable, if required pursuant to federal and state requirements. [Section 2.7.3.4 of Three-Way Contract]

44. Provider shall notify MCO immediately if Provider has lost any required license or state or federal approval, or been excluded from participation in federal health care programs under either Section 1128 or Section 1128A of the Social Security Act. [Section 5.1.5.1 and 5.3.4 of Three-Way Contract]

45. Provider shall not engage in any practice with respect to any Beneficiary that constitutes unlawful discrimination under any state or federal law or regulation. [Section 2.3.1.2 of Three-Way Contract]

46. As requested by MCO, Provider shall submit disclosures in accordance with 42 C.F.R. § 455 Subpart B and 42 C.F.R. § 1002.3. [Section 5.1.6.1 of Three-Way Contract]

47. Providers shall offer hours of operation to Beneficiaries that are no less than the hours of operation offered to commercial beneficiaries or comparable to Medicaid fee-for-service (if the Provider serves only Medicaid beneficiaries). [Section 2.8.5.3 of Three-Way Contract; Appendix H, Section 1 of Two-Way Contract]

48. Provider must comply with the American with Disabilities Act (ADA) (28 C.F.R. § 35.130) and Section 504 of the Rehabilitation Act of 1973 (Section 504) (29 U.S.C. § 794) as outlined in the Three-Way Contract, and must maintain capacity to deliver services in a manner that accommodates the needs of Beneficiaries. [Section 2.8.1.3 of Three-Way Contract]

49. Upon MCO's request, Providers must provide the following information: (a) its name, address, and telephone number; (b) its areas of special experience, skills, and training, including any expertise in treating persons with physical disabilities, chronic illness, HIV/AIDS, or persons with serious mental illness; persons who are homeless; persons who are deaf, hard-of-hearing, blind, and/or visually impaired; or persons with co-occurring disorders; (c) its office hours, including the name of any Provider site open after 5:00 p.m. (Eastern Time) on weekdays and/or open on weekends; (d) whether the Provider has completed cultural competence training; (e) its licensing information, such as license number or National Provider Identifier; (f) whether it has specific accommodations for people with physical disabilities; (g) whether it is accepting new patients; (h) whether it is on a public

transportation route; (h) any languages other than English, including ASL, spoken by Provider or offered by skilled medical interpreters at Provider's site, and whether it has access to language line interpreters; and (i) for any behavioral-health Provider, whether it has training in and experience treating trauma, child welfare, and substance use. [Section 2.12.5.2 of Three-Way Contract]

50. As requested and required, Provider must provide any information that CMS and/or the Department require (a) under the Three-Way Contract related to the performance of MCO's responsibilities, including non-medical information for the purposes of research and evaluation; (b) to comply with all applicable federal or state laws and regulations; and (c) for external rapid cycle evaluation including program expenditures, service utilization rates, rebalancing from institutional to community settings, Beneficiary satisfaction, Beneficiary Grievances and Appeals, and enrollment/disenrollment rates. [Section 2.14.1.1 of Three-Way Contract]

51. Provider shall collaborate with MCO in the collection and maintenance of all Encounter Data for all Covered Services that Provider provides to Beneficiaries, and ensure that all such data can be linked to the Department eligibility data according to the specifications, format, and mode of transfer established by CMS and/or the State. As directed by CMS and/or the State, such Encounter Data shall include the National Provider Identifier (NPI) of the billing professional and any National Drug Code (NDC), and if available, information on ordering and referring physician must be included. [Section 2.15 of Three-Way Contract]

52. In connection with the Demonstration, Provider shall act in an independent capacity and not as an officer or employee of the federal government or the Department. [Section 5.1.3.1 of Three-Way Contract]

53. Provider shall not have any interest that will conflict, as determined by CMS and the Department, with the performance of MCO's services under the Three-Way Contract, or that may be otherwise anticompetitive, including without limitation any financial, legal, contractual, or other business interest in any entity performing enrollment functions for the Department. [Section 5.3.17.1 of Three-Way Contract]

54. Provider shall conduct all activities in accordance with the Beneficiary rights and protections set forth under 42 C.F.R. § 438.100, 42 C.F.R. § 422 Subpart C, and Appendix B ("Beneficiary Rights") of the Three-Way Contract, and shall otherwise comply with all applicable federal and state laws that pertain to member rights and shall ensure that its staff adhere to such laws when furnishing services to Beneficiaries. [Appendix B of Three-Way Contract; Appendix C, Section 21 of Two-Way Contract; OAC 5160-26-08.3]

55. Provider may not reuse or provide other entities access to the CMS information system, or data obtained from the system or the State of Ohio, to support any line of business other than the Medicare/Medicaid managed care and/or outpatient prescription drug benefit for which the MCO contracted with CMS and the Department. [Appendix E of Three-Way Contract]

56. If the Provider is discharging an Beneficiary from a hospital, Provider must comply with the requirements set forth in 42 C.F.R. §§ 422.620–422.622. [Section 2.10.4.1 of Three-Way Contract]

57. Provider shall not use any information, systems, or records that have been made available to it under the Three-Way Contract, the Two-Way Contract, and/or the Demonstration for any purpose other

than to fulfill the duties specified thereunder and under the Agreement. Provider agrees to be bound by the same standards of confidentiality that apply to the employees of the ODM and the State of Ohio, including without limitation the confidentiality requirements found in 42 C.F.R. Part 431 Subpart F and ORC 5160.45, as well as 42 C.F.R. § 2.12 and ORC 5119.27, as applicable. Provider must also implement procedures to ensure that in the process of coordinating care, each Beneficiary's privacy is protected consistent with the confidentialilty requirements of 45 C.F.R. Parts 160 and 164. [Article VIII, Section C of Two-Way Contract]

58. Provider shall indemnify and hold ODM and the State of Ohio harmless and immune from any and all claims for injury or damages resulting from the actions or omissions of Provider in the fulfillment of the Agreement, or arising from the Agreement that are attributable to Provider's own actions or omissions, or those of its trustees, officers, employees, agents, subcontractors, suppliers, third parties used by Provider, or joint venturers. Such claims shall include but are not limited to: any claims made under the Fair Labor Standards Act or under any other federal or state law involving wages, overtime, or employment matters and any claims involving patents, copyrights, trademarks, and applicable public-records laws. [Article X, Section A of Two-Way Contract]

59. Provider shall comply with all applicable state and federal laws regarding a smoke-free and drug-free workplace, and shall not purchase, transfer, use, or possess illegal drugs or alcohol, or abuse prescription drugs, in any way while performing duties under the Agreement. [Article XII, Section I of Two-Way Contract]

60. Unless otherwise requested by the ODM and/or the State of Ohio, Provider shall not communicate directly with the ODM or the State of Ohio regarding the Agreement or the Provider's services under the Three-Way Contract, the Two-Way Contract, and/or the Demonstration, unless the MCO is also participating in that discussion and the discussion is with the specific Contract Administrator assigned to the MCO. [Appendix C, Section 4.c. of Two-Way Contract]

61. If Provider or its employees have in-person contact with Beneficiaries in the Beneficiaries' homes, Provider shall comply with all criminal record check requirements as specified by the ODM. [Appendix C, Section 11 of Two-Way Contract]

62. In compliance with 45 C.F.R. Part 164, Provider shall ensure that if it creates, receives, maintains, or transmits Beneficiary protected health information (PHI) from or on behalf of the MCO and/or the ODM, it will abide by the same restrictions, conditions, and requirements that apply to the MCO with respect to the use or disclosure of such Beneficiary protected health information (PHI). [Appendix C, Section 30.f. of Two-Way Contract]

63. Notwithstanding anything to the contrary in Section B.5.I. of this Duals Addendum, Provider shall comply with Ohio Executive Order 2011-12K (available at http://governor.ohio.gov/MediaRoom/ExecutiveOrders.aspx). This Executive Order prohibits the use of public funds to purchase services that will be provided outside of the United States except under certain circumstances. Such services include the use of offshore programming or call centers. In addition, Provider shall not transfer Beneficiary protected health information (PHI) to any location outside the United States or its territories. [Appendix C, Section 61 of Two-Way Contract]

64. Provider shall cooperate with MCO with respect to MCO's obligations under the Three-Way

Contract, the Two-Way Contract, and/or the Demonstration, including without limitation:

i. MCO's obligation to abide by ODM's "Incident Management System" set forth in OAC 5160-58-05.3. [Section 2.5.3.3.5.4.4 of Three-Way Contract; OAC 5160-58-05.3]

ii. MCO's obligation to investigate and report fraud, waste, and abuse, with Provider reporting to MCO any suspected fraud, waste, or abuse of which Provider becomes aware. [Section 2.1.6 of Three-Way Contract; Appendix I, Section 1 of Two-Way Contract; OAC 5160-26-06]

iii. MCO's obligation to investigate, pursue, and report on coordination-of-benefit and third-party-liability resources and recoveries. [Sections 5.1.4 & 5.1.13 of Three-Way Contract; Appendix C, Section 53 of Two-Way Contract; OAC 5160-26-09.1]

iv. MCO's obligation to respond to any deficiency/non-performance notice, breach/default notice, or request for a corrective action plan that MCO receives from ODM or the State of Ohio relating to Provider or to the services that are within the scope of the Agreement. [Section 5.3.13 of Three-Way Contract; Appendix N of Two-Way Contract; OAC 5160-26-10]

v. MCO's obligation to submit financial and expense-related reports/data to ODM and/or the State of Ohio relating to risk-adjustment and Medical Loss Ratio (MLR) calculations set forth in the Three-Way Contract. [Section 4 of Three-Way Contract]

vi. MCO's obligation to submit reports and other data to ODM and/or CMS as set forth in the Three-Way Contract and Two-Way Contract, including HEDIS, CAHPS, and HOS data, and all other data that are required to satisfy MCO's reporting obligations to ODM and CMS. [Sections 2.11.3.4.1.6 & 2.14.2 of Three-Way Contract; Appendix M of Two-Way Contract]

vii. MCO's obligation to provide timely, substantive responses to information requests received from ODM and/or CMS in connection with the Three-Way Contract, the Two-Way Contract, and/or the Demonstration. [Section 2.2.2.1.7 of Three-Way Contract]

65. Pharmacy Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, if MCO delegates to Provider any pharmacy-related activities or obligations that MCO has under the Three-Way Contract, Provider shall comply with all pharmacy-related provisions and requirements set forth in the Three-Way Contract, including without limitation the following, as applicable:

(a) Provider shall ensure that all non-Part D covered outpatient drugs dispensed to Beneficiaries shall be subject to the same rebate requirements as the State is subject to under section 1927 of the Social Security Act and that the State shall collect such rebates from pharmaceutical manufacturers. [Section 5.1.13.4.1 of Three-Way Contract]

(b) Provider shall cooperate with MCO with respect to MCO's obligation under the Three-Way Contract to submit to the State, on a timely and periodic basis, information on the total number of units of each dosage form and strength and package size by National Drug Code of each non-Part D covered outpatient drug dispensed to Beneficiaries for

which MCO is responsible for coverage, and other data as specified by the State. [Section 5.1.13.4.2 of Three-Way Contract]

AMENDMENT NO. 001 ("Amendment")
TO
SCHEDULE NO. 012 ("Schedule")
to the
PROFESSIONAL SERVICES AGREEMENT ("PSA")
between
AETNA LIFE INSURANCE COMPANY ("AETNA")
and
COTIVITI ("SUPPLIER")

This amendment ("Amendment") to Schedule No. 012 to the Professional Services Agreement dated July 10, 2000 between Cotiviti, LLC ("Supplier") and Aetna Life Insurance Company ("Aetna") ("Agreement") is made on January 1, 2019. The following amendments are incorporated into and made a part of the Agreement. All sections and paragraphs of the Agreement not hereby amended shall remain in full force and effect. Capitalized terms not otherwise herein defined shall have the meanings ascribed to them in the Agreement. In the case of a conflict, the terms of this Amendment will control and prevail over those contained in the Agreement. The Agreement shall remain in full force and effect, and except as hereby amended, is ratified and confirmed.

WHEREAS, the Parties wish to amend certain provisions applicable to the Services, add three Medicaid Plans (Kansas, Maryland and New York) and add Regulatory Compliance Addenda applicable to Kansas, California and Maryland;

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties agree to amend Schedule No. 012 to the Professional Services Agreement as follows:

1. Exhibit B of the Schedule is modified by adding following line items and Compliance Addenda:

   14. Exhibit B-14 Regulatory Compliance Addendum Governing Kansas Medicaid (Aetna Better Health of Kansas)
   15. Exhibit B-15 California Medicaid Compliance Addendum (Aetna Better Health of California)
   16. Exhibit B-16 Maryland Medicaid Compliance Addendum (Aetna Better Health of Maryland)

2. Section 4.A. ***Assignment Location,*** is hereby deleted and replaced with the following:

   A. Assignment Location (Where Services will be delivered):
   - 50 Danbury Road, Wilton, CT 06897
   - 785 Arbor Way, Suite 300, Blue Bell, PA 19422
   - 462 South Fourth Street, Louisville, KY 40202

3. The Schedule is hereby revised to add the following subsections:

   14 Aetna Training Course Completion by Aetna due date
   Supplier agrees that it will cause its personnel who are assigned log-on IDs to the Aetna claims system for purposes of performing audits to complete an annual training course supplied by Aetna. Aetna agrees to provide advance written notice that the training course is available and ready to be completed. If Supplier personnel with log on IDs to Aetna's systems do not complete the Aetna training courses by the due date assigned by Aetna in the applicable email communication, the Supplier will be placed on a corrective action plan to complete the training course. Supplier will make a good faith effort to complete the training course in accordance with Aetna's time frame, however, Supplier will be allowed at least a month to complete the training course before a corrective action plan is put in place. If the Supplier fails to complete the corrective action plan, a credit equal to $1,000 for each week the correction plan remains incomplete will be assessed.

   15 Privacy Inappropriate Disclosures
   Any improper disclosure of personally identifiable information (an "Improper Disclosure") in excess of one per calendar quarter will result in a performance credit being assessed upon Supplier in the amount of $1000 per

Improper Disclosure. If the Improper Disclosure is determined to have resulted from Supplier's failure obtain an affidavit of destruction, a performance credit of $5,000 for each such incident will be assessed. In the event that Supplier is responsible for more than two (2) Improper Disclosure per calendar quarter, a written corrective action plan will be imposed upon Supplier. Supplier's agrees that its failure to complete a corrective action plan and/or ongoing Improper Disclosures while a corrective action plan is in place will be considered a material breach of the Agreement. For the avoidance of doubt, nothing in this section shall be interpreted as excusing or permitting an Improper Disclosure or otherwise waiving or limiting Aetna's rights to pursue any and all other rights and remedies that may be available to it under this Agreement, including but not limited to the business associate agreement between the Parties, in law, in equity, or otherwise. At Aetna's election, performance credits assessed pursuant to this section will be realized as either a credit on the subsequent invoice or remitted to Aetna via check or another methodology agreed by the Parties.

The above paragraph notwithstanding, an Improper Disclosure for purposes of this Section is one personally identifiable information disclosure that result from a common cause regardless of the number of members affected in a single incident or disclosure. It will not be considered Supplier's responsibility, or an Improper Disclosure under this contract subject to credit unless Supplier was at fault for the Improper Disclosure, including scenarios where Supplier relied on information provided by Aetna and such reliance led to the disclosure (e.g., Aetna supplies an inaccurate provider address), if the mail delivery service made an error or if a lockbox error was made by a banking institution.

4. Exhibit C of the Schedule is modified by adding following table:

Affiliate Name	Address	City	State	Zip
Aetna Better Health of Kansas	9401 Indian Creek Parkway, Suite 1300	Overland Park	KS	66210
Aetna Better Health of Maryland	509 Progress Drive	Linthicum	MD	21090
Aetna Better Health of New York	55 West 125th Street, Suite 1300	New York	NY	10027

IN WITNESS WHEREOF, the Parties have hereto by their duly authorized representatives executed this Amendment.

Regulatory Compliance Addendum Governing Kansas Medicaid

Aetna Better Health of Kansas Inc. ("Company" or "MCO") has contracted with the Kansas Department of Health and Environment ("KDHE-DHCF" or "State Agency" or "Government Sponsor") to provide Medicaid managed care services to Members as part of the KanCare program ("KanCare"). The provisions of this Addendum are required by the State Contract, state or federal law for all Providers and/or Subcontractors. While every attempt is made to include all requirements herein, the State Contract shall control and this Addendum should not be considered exhaustive of all State Contract requirements. [State Contract § 1.21]

For purposes of this Addendum, "Provider" means the health care provider, group, facility, hospital, delegated entity, including any supplier, vendor, subcontractor, individual or entity contracted with Company (as identified on the first page of the Agreement) and engaged in the delivery of Covered Services, or ordering or referring for those Covered Services, and is legally authorized to do so by the State in which it delivers the Covered Services under the State Contract. For purposes of this Addendum, "Subcontractor" means the individual or entity with a Subcontract with Company (as identified on the first page of the Agreement) that relates directly or indirectly to the performance of the Company's obligations under the State Contract. For purposes of this Addendum, "Subcontract" means the written Agreement between the Company and Subcontractor. Capitalized terms used and not otherwise defined in this Addendum shall have the meanings set forth in the Agreement or, if not defined in the Agreement, as defined in the State Contract or under Kansas law. Pertinent information regarding the KanCare program, RFP and contracts with MCOs can be found on the Medicaid page of the KDHE website at: http://www.kancare.ks.gov/ or Company's State Contract.

If there is any conflict between the terms of this Addendum and any terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum shall govern and control; provided, however, if there is any conflict or ambiguity between any of the terms of the Agreement, including this Addendum and the State Contract, then the terms of the State Contract shall govern and control. If any requirement in the Agreement or this Addendum is determined by KDHE to conflict with the State Contract, such requirement shall be null and void, and all other provisions shall remain in full force and effect.

Each provision contained herein shall apply to Provider and/or Subcontractor only to the extent applicable to the services rendered by Provider and/or Subcontractor pursuant to the Agreement.

1. Subcontractor shall warrant that all persons it assigns to the performance of the Agreement shall be employees of Subcontractor and shall be fully qualified to perform the work required. Failure of Subcontractor to provide qualified staffing at the level required by the State Contract specifications may result in termination of the Agreement or damages. [See §1.20]

2. All terms, conditions and requirements of the State Contract shall apply without qualification to any services performed or goods provided under the Agreement. [See §1.21]

3. Subcontractor, and all lower tiered subcontractors under Subcontractor, shall properly classify workers as employees rather than independent contractors and treat them accordingly for purposes of workers' compensation insurance coverage, unemployment taxes, social security taxes, and income tax withholding. Failure to do so may result in termination of the Agreement. [See §1.23]

4. Subcontractor shall comply with the Immigration and Reform Control Act of 1986 (IRCA), as may be amended from time to time. This Act, with certain limitations, requires the verification of the employment status of all individuals who were hired on or after November 6, 1986, by Company, Subcontractor as well as any subcontractor or sub-contractors. The usual method of verification is through the Employment Verification (I-9) form. Subcontractor hereby certifies without exception that it has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the State's option, may subject the Agreement to termination for cause and any applicable damages. Unless provided otherwise herein, all Subcontractors and contractors are expected to be able to produce for

Company or the State any documentation or other such evidence to verify Subcontractor's IRCA compliance with any provision, duty, certification, or like item under the State Contract. [See §1.24 and Appendix B, #4]

5. If, during the term of the Agreement, Subcontractor plans to move work previously performed in the United States to a location outside of the United States, Subcontractor shall immediately notify Company who will notify KDHE in writing, indicating the desired new location, the nature of the work to be moved and the percentage of work that would be relocated. The State of Kansas, Director of Purchases, with the advice of the respective agency, must approve any changes prior to work being relocated. Failure to obtain Company's and the Director's approval may be grounds to terminate the Agreement for cause. [See §1.34]

6. Subcontracts shall (a) comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase ""equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if Company or Subcontractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of the Agreement and/or State Contract, and the Agreement may be cancelled, terminated or suspended, in whole or in part, by Company, the contracting state agency or the Kansas Department of Administration; (f) if it is determined that Subcontractor has violated applicable provisions of ADA, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated or suspended, in whole or in part, by Company, the contracting state agency or the Kansas Department of Administration. Subcontractor agrees to comply with all applicable state and federal anti-discrimination laws. [See §1.5 of DA-146a]

7. Subcontractor and any of its subcontractors shall certify to Company and the State, in accordance with section 1932(d)(1) of the SSA 42 CFR § 438.610, that they do not have any prohibited affiliations. [See §5.1.4.A.2]

8. Subcontractor shall provide its Business Continuity/Disaster Recovery Plan and Security Management Plan to Company for state approval as defined and detailed in the State Contract. [See §5.1.4.1 & 5.1.4.2]

9. Each employee, including the employees of Subcontractor or any other person to whom Company or Subcontractor grants access to information under the State Contract, shall sign a statement indicating he or she has been informed of, understands, and will abide by State and Federal laws, rules, statutes, guidelines, and regulations concerning confidentiality, privacy, and security. A system of sanctions for any employee, Subcontractor, officer, or director who violates the privacy and security policies shall be enforced. [See §5.1.4.2.C.15]

10. Subcontractor shall submit the approved User Security Agreement (initial and annually) required of all of their subcontractors who will come into contact with any secure information or data. [See §5.1.4.2.C.16]

11. Subcontractor shall have procedures and processes for securing data access across organizational boundaries, through the internet and other leased lines, or shared with and between Company and Subcontractor facilities, and all onsite and offsite data storage facilities. [See §5.1.4.2.C.20]

12. Subcontractor shall engage a third party, of the State's choosing, to conduct thorough system penetration testing. Subcontractor will develop a Corrective Action Plan for all vulnerabilities discovered during the penetration testing. Subcontractor will conduct additional penetration testing annually and report the results to the State. [See §5.1.4.2.C.21]

13. Provider, Subcontractor and subcontractors shall make all Service Coordination data, inclusive of Social Determinants of Health and Independence, available to Company and the State upon request. [See §5.4.15.D]

14. Home and Community Based Services ("HCBS") providers shall be credentialed and re-credentialed consistent with applicable Waiver Provider qualification requirements and credentialing standards identified by the State for HCBS Providers and verify HCBS Provider compliance with Federal settings requirements at 42 CFR § 441.301(c)(4). [See §5.5.1.F.3]

15. Provider and Subcontractor shall ensure that Members are provided Covered Services without regard to race, color, national origin, sex, sexual orientation, gender identity, age, or disability and will not use any policy or practice that has the effect of discriminating on the basis of race, color, national origin, sex, sexual orientation, gender identity, age, or disability. [See §5.5.4.A.3]

16. Provider and Subcontractor shall incorporate in its policies, administration, and service practice the values of (i) honoring Member's beliefs, (ii) sensitivity to cultural diversity, and (iii) fostering in staff attitudes and interpersonal communication styles which respect Members' cultural backgrounds. [See §5.5.4.A.4]

17. Provider and Subcontractor shall not undertake any work that represents a potential conflict of interest, or which is not in the best interest of KDHE-DHCF or the State without written approval by KDHE-DHCF. Any work that involves LTSS or Behavioral Health Providers will need written approval from KDADS. [See §5.5.12.B]

18. The following provisions apply to any agreement wherein Company has delegated its responsibilities under the Agreement or State Contract. Provider or Subcontractor shall assist Company as necessary to successfully comply with each applicable requirement. [See §5.5.13]

    A. Subcontractor agrees to perform the delegated activities and reporting responsibilities as specified in compliance with the State Contract. Subcontractors shall fully disclose all terms and conditions, including disclosure of all financial or other requested information.
    B. Subcontractor shall pay providers at no less than the State of Kansas FFS schedule. Subcontractors are to be compliant with changes to the fee schedule by the effective date of relevant fee schedules.
    C. Subcontractor shall be subject to ongoing performance review and shall have a formal review at least annually or more frequently if requested by KDHE-DHCF. Any deficiencies shall be subject to a corrective action plan by Subcontractor. The results of the performance review and the corrective action plan shall be communicated to KDHE-DHCF upon completion.
    D. Subcontractor shall inform KDHE-DHCF in writing if a subcontractor is noncompliant to the extent it would affect its ability to perform the duties and responsibilities of the Agreement or Subcontract.
    E. Company may revoke the delegation activities or obligations or impose liquidating damages, in instances where KDHE-DHCF or Company determine that Subcontractor or a subcontractor has not performed satisfactorily.
    F. Comply with 42 CFR § 438.10(g)(2)(xi) about the Grievance and Appeal System.
    G. Each Subcontract, and, upon the request of the State, any further delegations by Subcontractor, shall be subject to review and/or written approval by Company and the State.

19. The following are minimum Subcontract Requirements. [See §5.5.14]
    A. Subcontractor agrees to comply with all applicable Medicaid laws, State laws, policies, and regulations, including applicable sub-regulatory guidance and State Contract provisions.
    B. Any services described in the Agreement that directly serve the State of Kansas or its Members and involve access to secure or sensitive data or personal Member data shall be performed within the defined territories of the United States.
    C. Subcontractor shall adhere to the requirements regarding disclosure of Ownership and control and disclosure of information on persons convicted of crimes as outlined in 42 CFR § 438.610.

D. Subcontractors and providers shall report all suspected Fraud, Waste, or Abuse to KDHE-DHCF regardless of funding source.
E. A merger, reorganization or change in Ownership of Subcontractor shall require an amendment to the Agreement and prior approval of KDHE-DHCF.
F. Subcontractor shall identify Medicare and other TPL coverage and to seek Medicare or TPL payment before submitting claims to Company.
G. Subcontractor shall safeguard confidential information in accordance with Federal and State laws, regulations, policies, and HIPAA.
H. Subcontractor must retain, as applicable, Member Grievance and Appeal records, base data and audited financial reports, and data requested to support the Company's Medical Loss Ratio (MLR) reporting requirements.
I. Subcontractor shall comply with KDHE-DHCF and the Company's quality management programs, medical management programs, and shall comply with the utilization control and review procedures in conformance with CMS rules and regulations and the KDHE-DHCF Quality Strategy.
J. KDHE-DHCF is responsible for enrollment, re-enrollment and disenrollment of the covered population.
K. Subcontractor must comply with Encounter reporting and claims submission requirements as applicable to the Company.
L. Subcontractor shall develop and follow written policies and procedures for the processing of requests for initial and continuing authorization of services.
M. Compensation to individuals or entities that conduct UM and concurrent review activities is not structured so as to provide incentives for the individual or entity to deny, limit, or discontinue medically necessary services to any Member.
N. Subcontractor shall not arbitrarily deny or reduce the amount, duration, or scope of a required service solely because of the diagnosis, type of illness, or condition of the Member.
O. Subcontractor shall assist Members in understanding their right to file grievances and appeals in conformance with all KDHE-DHCF Grievance and Appeal System and Member rights policies.
P. Subcontractor agrees that the State, CMS, or their designees have the right to audit, evaluate, and inspect any books, records, contracts, computer, or other electronic systems of Subcontractor or Subcontractor's contractor(s) that pertain to any aspect of services and amounts payable under the State Contract. For purposes of an audit, evaluation, or inspection, Subcontractor shall make available its premises, physical facilities, equipment, books, records, contracts, computer, or other electronic systems relating to Members at no cost.
Q. Company may suspend, deny, refuse to renew, or terminate any Subcontract in accordance with the terms of the State Contract and applicable law and regulation.
R. Subcontractor shall maintain a fully executed original or electronic copy of all Subcontracts, which shall be accessible to Company and KDHE-DHCF within five (5) business days of request.

20. Provider and Subcontractor shall report all suspected Fraud, Waste, or Abuse to KDHE-DHCF regardless of funding source. [See §5.5.14.9]

21. Provider shall identify Provider Preventable Conditions as a condition of payment and comply with the prohibition against payment for Provider Preventable Conditions as set forth in 42 CFR § 434.6(a)(12) and 447.26. Provider shall report all Provider preventable conditions in a form and frequency as specified by Company and in accordance with KDHE-DHCF requirements. [See §5.5.15.H]

22. Subcontractor shall be responsible for developing, hosting, and maintaining a public website. [See §5.6.3.A]

23. If Provider or Subcontractor performs Customer Service pursuant to the Agreement, Subcontractor shall meet the following requirements. [See §5.6.5]
    1. 100% of incoming and outgoing calls must be documented and recorded.
    2. 99% of calls will be answered by an individual or an electronic device without receiving a busy signal.

3. 80% of all calls will be answered in thirty (30) seconds or less. The average speed for answering calls will be thirty (30) seconds or less. The average abandonment rate will be 4% or less.
4. 90% of calls answered will be resolved during the initial contact.
5. 100% of received phone calls are recorded and the recordings maintained.
6. 100% of calls left on voice mail during or after working hours will be retrieved and returned within one (1) business day.
7. 95% of all inquiries shall be resolved within two (2) business days of receipt.
8. 98% of all inquiries shall be resolved within five (5) business days.
9. 100% of all inquiries shall be resolved within fifteen (15) business days.
10. 100% of all email inquiries will be answered within one (1) business day.
11. 90% quality monthly average for fully trained staff based upon the standards of the State approved training plan.
12. 95% hold times equal to or less than one (1) minute for all inbound and outbound calls

24. If Subcontractor performs peer reviews, it will primarily utilize Kansas-licensed physicians, pharmacists and dentists to render any adverse determination regarding service requests. However, Subcontractor may utilize a non-Kansas licensed physician, pharmacist or dentist for such determinations on a short-term basis in cases of temporary absence or business disruption so long as the use of this option is reported to Company and the State on a per- use basis; the non-Kansas licensed physician, pharmacist and dentist is of equal licensure as the person for whom he/she is substituting; the non-Kansas licensed physician, pharmacist and dentist is familiar with the KanCare program and has an existing relationship with Subcontractor; and the absence or disruption does not exceed ten (10) business days or as otherwise approved by Company and KDHE. If Subcontractor intends to utilize the short- term option, Subcontractor shall first provide Company and KDHE a description of how it will be structured and implemented. [See §5.8.1.I]

25. Utilization Management (UM) activities shall not be performed unless and until approved by the State. [See §5.8.1.J]

26. Subcontractor and delegates shall comply with all requirements for State and Federal Monitoring found at 42 CFR § 438.230 and the following. [See §5.9.2]
    A. Subcontractor shall cooperate with any State or Federal monitoring of its performance under the State Contract, which may include but is not limited to external quality reviews (EQR), operational reviews, performance audits, and evaluations.
    B. Subcontractor must identify, collect and provide any data, medical records, or other information requested by the State or its authorized representative or the Federal agency or its authorized representative in the format or process specified by the State/Federal agency or its authorized representative. Subcontractor shall provide the requested data, medical records and other information at no charge and in the required timeframe to the State/Federal agency or its authorized representative.
    C. If requested, Subcontractor shall provide, at no cost, an adequate workspace at Subcontractor's local offices for the State/Federal agency or its authorized representative to review requested data, medical records, or other information.
    D. Federal law (Section 1902(a)(30)(C) of Title XIX of the SSA) requires entities which are external to and independent of the State and its contractors and subcontractors to perform, on an annual basis, a review of the quality of Medicaid MCS furnished by each such contractor or subcontractor. Requirements relating to the EQR are further defined and described under 42 CFR § 433 and 438 updated in the new managed care final rule. Subcontractor shall cooperate and participate in EQR activities in accordance with protocols identified under 42 CFR § 438, Subpart E.
        1. The external quality review organization ("EQRO") will conduct annual, external, independent reviews of the quality Outcomes, timeliness of, and access to the services covered in the Agreement and State Contract.
        2. Subcontractor shall collaborate with the EQRO to develop studies, surveys and other QAPI activities to access the quality of care and services provided to Members and to identify

opportunities for Subcontractor improvement. Subcontractor must also work collaboratively with the State and the EQRO to annually measure identified performance measures.

3. Subcontractor shall respond to recommendations made by the EQRO within the timeframe established by the EQRO. For the purposes of the Agreement and State Contract, these requirements shall apply to all Medicaid and CHIP managed care services.
4. Federal law (Section 1902(a) (30)(C) of Title XIX of the SSA) requires entities which are external to and independent of the State and its contractors and subcontractors to perform, on an annual basis, a review of the quality of Medicaid managed care services furnished by each such contractor and subcontractor.

27. Provider, Subcontractor and subcontractors shall maintain clinical and medical records in a manner that is current, detailed and organized; and, which permits effective and confidential patient care and quality review, administrative, civil and/or criminal investigations and/or prosecutions. [See §5.9.12.A]

28. Subcontractors with responsibility for coverage of services and payment of claims must establish arrangements or procedures that include, at a minimum the elements required in 42 CFR § 438.608(a)(1). [See §5.12.1.A]. Specifically:
    1. Written policies, procedures, and standards of conduct that articulate the Subcontractors' commitment to comply with all applicable requirements and standards under the State Contract, and all applicable Federal and State laws.
    2. The designation of a compliance officer who is responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements of the State Contract and who reports directly to the CEO and the board of directors.
    3. The establishment of a regulatory compliance committee on the Board of Directors and at the senior management level charged with overseeing the Subcontractors' compliance program and its compliance with the requirements under the State Contract.
    4. A system for training and education for the compliance officer, the Subcontractors' senior management, and the Subcontractors' employees for the Federal and State standards under the State Contract.
    5. Effective lines of communication between the compliance officer and the Subcontractors' employees.
    6. Enforcement of standards through well-publicized disciplinary guidelines.
    7. Establishment and implementation of procedures and a system with dedicated staff for routine internal monitoring and auditing of compliance risks, prompt response to compliance issues as they are raised, investigation of potential compliance problems as identified in the course of self-evaluation and audits, correction of such problems promptly and thoroughly (or coordination of suspected criminal acts with law enforcement agencies) to reduce the potential for recurrence, and ongoing compliance with the requirements under the State Contract.

29. Providers shall be enrolled with KDHE-DHCF as Medicaid Providers consistent with the Provider disclosure, screening and enrollment requirements of 42 CFR § Part 455, subparts B and E as incorporated in 42 CFR § 438.608(b) prior to executing a Provider agreement. [See §5.12.1.C]

30. The State, or any agent including the State's Fiscal Agent, has the right to review, audit, and recover from Providers. Subcontractors have a duty to cooperate with reviews and audits and must respond to State requests. [See §5.12.1.F]

31. Providers shall report overpayments and specify the reason for the overpayment in writing. The overpayment shall be returned to the Company within sixty (60) calendar days after the date on which the payment was identified. [See §5.12.1.L.3]

32. Subcontractor shall comply with 42 CFR § 455.23 by suspending all payments to a Provider after KDHE-DHCF determines that there is a credible allegation of Fraud for which an investigation is pending under the Medicaid program against an individual or entity unless KDHE-DHCF has identified in writing a good cause reason for not suspending payments or to suspend payments only in part. Subcontractor shall issue a notice of payment suspension that comports in all respects with the obligations set forth in 42 CFR §

455.23(b) and maintain the suspension for the durational period set forth in 42 CFR § 455.23(c). In addition, the notice of payment suspension shall state that payments are being withheld in accordance with 42 CFR § 455.23(g). Subcontractor shall maintain all materials related to payment suspensions for a minimum of five (5) years in compliance with the obligations set forth in 42 CFR § 455.23(g). [See §5.12.1.N]

33. Providers shall disclose the identity of any person described in 42 CFR § 1001.1001(a)(1). [See §5.12.1.Q]

34. Subcontractor may not knowingly have a relationship with any of the following. [See §5.12.R.1]
    a. An individual or entity who is debarred, suspended, or otherwise excluded from participating in procurement activities under the Federal Acquisition Regulation or from participating in non-procurement activities under regulations issued under Executive Order No.12549 or under guidelines implementing Executive Order No. 12549.
    b. An individual or entity who is an affiliate, as defined in the Federal Acquisition Regulation, of an individual or entity described in Section 5.12.1.R.1.a.

35. Subcontractor may not have a relationship with an individual or entity that is excluded from participation in any Federal health care program under section 1128 or 1128A of the SSA. [See §5.12.1.R.3]

36. Any Provider or Subcontractor that receives or makes $5 million in annual payments from KDHE-DHCF, must comply with section 1902(a)(68) of the SSA and 42 CFR § 438.608(a)(6) as a condition of receiving payment. The $5 million amount will be based on paid claims, net of any adjustments to those claims. It will be the responsibility of Provider or Subcontractor to make the determination as to whether they meet the $5 million threshold. To comply with Section 1902(a)(68) of the SSA and 42 CFR § 438.608(a)(6), the Provider or Subcontractor must ensure that it has implemented all of the following requirements. [See §5.12.1.R.5]
    a. Must establish written policies that provide detailed information about the Federal laws identified in Section 1902(a)(68) of the SSA and any State laws imposing civil or criminal penalties for false claims and statements, or providing whistleblower protections under such laws.
    b. In addition to the detailed information regarding the Federal and State laws, the written policies must contain detailed information regarding the policies and procedures to detect and prevent Fraud, Waste, or Abuse in Federal health care programs, including the Medicare and Medicare Advantage Programs.
    c. Must provide a copy of its written policies to all of its employees, contractors and agents of the vendor.
    d. If Provider or Subcontractor maintains an employee handbook, the handbook must include a specific discussion of the Federal and State laws described in its written policies, policies and procedures for detecting and preventing Fraud, Waste, or Abuse and the right of its employees to be protected from discharge, demotion, suspension, threat, harassment, discrimination, or retaliation in the event the employee files a claim pursuant to the Federal False Claims Act or otherwise makes a good faith report alleging Fraud, Waste, or Abuse in a Federal health care program, including the Medicare and KDHE-DHCF Programs, to the Provider, Subcontractor, or to the appropriate authorities.

37. Provider and Subcontractor shall conduct program integrity data analytics specific to Kansas data. [See §5.12.1.R.7.d]

38. Claims shall be filed within one-hundred eighty (180) calendar days from the date of service, and a three hundred and sixty five (365) calendar day limit shall apply for any correction or rebilling of a timely filed claim. [See §5.14.1.H.2]

39. Provider, Subcontractor and subcontractors with access to Protected Health Information shall comply with the Health Insurance Portability and Accountability Act and Health Information Technology for Economic and Clinical Health Act. Subcontractors shall comply with 45 CFR § 205.50, and 42 CFR § Part 2, Safeguarding Information for the Financial Assistance and Social Service Program, 42 CFR § 431 Subpart F, as well as 41 USC 423 27. Provider, Subcontractor and subcontractors must comply with any other applicable Federal and State laws (such as Title VI of the Civil Rights Act of 1964, 42 CFR § Part 2, etc.) and other laws regarding privacy and confidentiality. As deemed necessary, the State or its designated

agent, and the Federal government shall be allowed access to this data. All information, except as noted above, as to personal facts and circumstances shall be treated as privileged communications, shall be held confidential, and shall not be divulged without the written consent of the State and the written consent of the Member, or his/her attorney, or his/her responsible parent or guardian. [See §5.15.2]

40. For a period of ten (10) years after termination of the State Contract or from the date of completion of an audit in accordance with 42 CFR § 438.3(h), Provider, Subcontractor and subcontractors shall provide to any duly authorized representative of the State or Federal government access to its premises, during normal business hours, for the purpose of inspecting, monitoring, auditing and reproducing records and materials created pursuant to the provision of contractual activities under the Agreement or State Contract. Provider, Subcontractor and subcontractors shall make available staff to assist in the audit or inspection effort, and provide adequate space on the premises to reasonably accommodate the State or Federal representatives conducting the audit or inspection effort. [See §5.16.1.F]

41. Subcontractor shall upon request provide and make available staff to assist in the audit or inspection effort, and provide adequate space on the premises to reasonably accommodate the State or Federal representatives conducting the audit or inspection effort. [See §5.16.1.H]

42. Provider, Subcontractor and subcontractors shall inform their employees working on any Federal award they are subject to the whistleblower protections under 41 U.S.C. 4712. [See §5.22]

43. Provider, Subcontractor and subcontractors shall preserve and make available at reasonable times all of its books, documents, papers, records, and other evidence involving transactions related to State Contract for a period of no less than ten (10) years from the date of the expiration or termination of the State Contract. Matters involving litigation shall be kept for one (1) year following the termination of litigation, including all appeals, if the litigation exceeds five (5) years. Authorized Federal and State representatives, including but not limited to, personnel of the using agency; independent auditors acting on behalf of state and/or Federal agencies shall be permitted access to and the right to examine records and access the physical premises during the State Contract period, and during the ten (10) years post State Contract period or ten (10) years from the date of completion of any audit, whichever is later. Delivery of and access to the records shall be within five (5) business days at no cost to the State. [See §5.24]

44. Subcontractor shall forward to the State a report indicating when the Front End Billing ("FEB") related files were loaded into its system. Subcontractor will work with the State regarding the required format and data elements. [See Attachment I, §1.5.7]

45. Any Provider or Subcontractor authorized to process and pay claims shall process 90% of Clean Claims within 10 days of receipt. [State checklist]

The following definitions from the State Contract shall replace any contradictory definitions in the Agreement:

Appeal	A request for a review by Company of an Adverse Benefit Determination, as "Adverse Benefit Determination" is defined in 42 CFR § 438.400, or an Action, as "Action" is defined in the State Agreement.
Clean Claim	A claim that can be processed without obtaining additional information from the Provider of the service or from a third party. It does not include a claim from a provider who is under investigation for Fraud or Abuse, or a claim under review for Medical Necessity.
Emergency Care	A. All emergency care is immediate, at the nearest facility available, regardless of whether the Emergency Room (ER) is a Participating Provider. B. Emergency services must be available twenty-four (24) hours a day, seven (7) days a week.
Grievance	An expression of dissatisfaction about any matter other than an Adverse Benefit Determination, as "Adverse Benefit Determination" is defined in the State Contract, or an Action.
Medical Necessity	Defined in K.A.R. 30-5-58. In addition, Company is responsible for covering services related to the following: (1) The prevention, diagnosis, and treatment of health impairments. (2) The ability to achieve age-appropriate growth and development. (3) The ability to attain, maintain or regain functional capacity.
Member	A Title XIX or Title XXI Beneficiary who has been certified by the State as eligible to enroll and whose name appears on Company's enrollment information.
Post-Pay Recovery and Third Party Liability (TPL)	TPL refers to any individual, entity or program that may be liable for all or part of a Member's health coverage. Under section 1902(a)(25) of the SSA, the State is required to take all reasonable measures to identify legally liable third parties and treat verified TPL as a resource of the Medicaid Member. Company shall also follow all Federal regulations and all State of Kansas statutes and regulations for TPL and medical Subrogation. Company shall have procedures in place to collect TPL funds when primary coverage is identified after payment has been made.
Prior Authorization	Approval granted for payment purposes by Company to a Provider to provide specified Covered Services to a specified Member.
Prudent Lay Person	A person who possesses an average knowledge about health, health care, and medicine.
Specialty Care and Urgent Care	Referral appointments to specialists (e.g., specialty physician services, hospice care, home health care, rehabilitation services, etc.) shall not exceed thirty (30) days for routine care or forty-eight (48) hours for Urgent Care and waiting times shall not exceed forty-five (45) minutes.
State Fair Hearing (SFH)	An administrative hearing involving the presentation of evidence and argument before a presiding officer from the Kansas Office of Administrative Hearings concerning an Adverse Benefit Determination or an Action.
Telemedicine	Connecting Participating Providers with Members at distant sites for purposes of evaluation, diagnosis, and treatment through two-way, real time interactive communication.
Telementoring	Technologies such as the Project ECHO model to connect community primary care providers with specialists remotely located to provide consultations, grand rounds, education, and to fully extend the range of care available within a community practice.
Telemonitoring	Technologies that target specific disease type (i.e., congestive heart failure) or high utilizers of health services, particularly emergency room services and medication regimen management. Technologies are available that measure health indicators of patients in their homes and transmit the data to an overseeing provider. The provider, who might be a physician, nurse, social worker, or even a non-clinical staff Member, can filter Member questions and report to a clinical team as necessary.
Timely Filing	Company will adopt and implement standardized timely filing requirements, applying a one-hundred eighty (180) calendar day filing limit for all claims for all services, and a 365 day limit for any correction or rebilling of a timely filed claim, unless the Provider agrees through the Agreement to an alternate timely filing timeframe.

Exhibit B-15

CALIFORNIA MEDICAID COMPLIANCE ADDENDUM (VENDOR)

This California Compliance Addendum ("Addendum") is made part of the Agreement entered into between Company and Vendor. Company and Vendor each agree to be bound by the terms and conditions contained in both Article I and Article II of this Addendum. In the event of a conflict or inconsistency between this Addendum and any term or condition contained in the Agreement, this Addendum shall apply. Vendor shall also include the terms of this Addendum in any subcontracts entered into in connection with the Agreement. For purposes of this California Compliance Addendum, the term "Vendor" shall mean the business entity executing the Agreement, as identified on the first page of the Agreement.

This Addendum will be deemed to be updated to incorporate any changes to the laws and regulations referenced herein, including any changes to definitions referenced herein, effective as of the date of such changes. Unless otherwise defined in this Addendum, all capitalized terms contained in this Addendum will be defined as set forth in the Agreement.

The California Department of Managed Health Care ("DMHC") regulates products governed by the Knox-Keene Act. The DMHC's address is 980 Ninth Street, Suite 500, Sacramento, CA 95814-2725, and the DMHC's website is www.dmhc.ca.gov.

Article I. Knox-Keene Act Administrative Service Delegation and Oversight Requirements

1.1 Control Retained in Company. Company shall, throughout the term of the Agreement, exercise ultimate control over its assets and operations.

1.2 Company Policies and Procedures. Company's Board of Directors shall be and remain ultimately responsible for the development, approval and implementation of policies and procedures for Company's operations. Company shall review, at least annually, for accuracy and potential updates, the policies and procedures for Company's functions that are delegated under the Agreement. Changes to these policies and procedures resulting from this review shall be made and distributed by Company to Vendor within two weeks after completion of the revisions to the policies and procedures.

1.3 Delegated Functions and Oversight. Company shall supervise all medical, professional, and ethical affairs of its business and shall establish general operating policies. Company shall designate oversight personnel to oversee the functional manager of the delegated functions. Vendor shall perform or arrange for the provision of the functions described in the Agreement in accordance with the policies and directives and standards of performance given to Vendor by Company in the Agreement and with adequate staffing and resources, including information technology, as needed to result in compliance with the Knox- Keene Act.

1.4 Policy Recommendations and Proposals. Company may adopt policy recommendations or proposals made by Vendor. Company will, according to the terms of the Agreement, direct Vendor to implement existing or future policies, which Vendor shall implement in the performance of services under the Agreement.

1.5 Monitoring. Company shall perform periodic monitoring evaluations, at least annually, to monitor the functions delegated under the Agreement. For purposes of the Agreement, "periodic monitoring evaluations" means the following: a review of operational metrics to ensure performance meets state regulatory requirements. "Periodic monitoring evaluations" also means that, at least annually, Company shall perform an audit on-site at the offices of Vendor and at any other location(s) where delegated functions, such as pharmacy, are performed by other entities. Company shall generate a written report documenting the on-site audit procedures, findings and corrective actions taken to resolve deficiencies, if any, identified in the audit.

1.6 Limitations on Delegation. By entering into the Agreement, Company has not delegated any of the powers, duties, and responsibilities required to be performed by Company under any statute, ordinance, code, or other law, rule, regulation, order, standard, requirement or procedure enacted, adopted, promulgated, applied or followed by any governmental authority or court, judge, justice, magistrate, including the Knox-Keene Act.

1.7 Monitoring and Oversight of Services. The provision or arrangement by Vendor of services pursuant to the Agreement shall at all times be subject to the supervision and authority of Company, which shall retain discretion and authority to direct and control any aspect of Vendor's provision or arrangement of such services. Company shall implement a system for continuous monitoring and oversight of Vendor's services to ensure that Vendor's provision or arrangement of services pursuant to the Agreement complies with all applicable law, including but not limited to the Knox-Keene Act. Such monitoring and oversight system shall include the following:

A. Monthly Operations Reports. Vendor shall provide monthly operations reports to Company that include adequately detailed data elements to present an accurate report of Vendor's performance. If and to the extent that Vendor provides the following types of services, such monthly operations reports shall include, at a minimum: medical and clinical management services reports, accounts payable processing reports, payroll reports, periodic ad hoc financial reports, tax payment reports, incurred but not reported claims reports, claims performance reports, customer services performance reports, and intercompany transaction and investment reports.

B. Special Reports. Vendor shall prepare and submit to Company's management any special reports as requested by Company regarding any proposed or rendered Services under the Agreement.

C. Notices of Deficiency and Corrective Action Plans. Company's oversight shall include, but shall not be limited to, notices of deficiencies to Vendor and establishment of corrective action plans. For deficiencies in Vendor's services which Company determines are capable of being corrected, Company shall provide Vendor with written notice of deficiency and shall specify the corrective actions to be taken by Vendor and a timeline to correct the identified deficiency. Vendor shall cooperate with the corrective action plan and comply with the reasonable timelines established by Company.

1.8 Removal of Records. The Parties shall not remove, or require, permit, or cause the removal of their books and records, as defined in the Knox-Keene Act, from California before filing a Notice of Material Modification and receiving written approval from the DMHC, as applicable. Notwithstanding any failure or omission on a Party's part, or that of an Affiliate, to maintain Company's records in California, the Parties agree that they shall return to California, as may be required by the DMHC, within the timeframe specified by the DMHC, any such books and records that have been removed from California without the DMHC's express, written permission. This provision shall not restrict the Parties from maintaining books and records in an electronic format, as long as electronic books and records are contemporaneously available in California.

1.9 Access to Records. Upon demand by Company, Vendor shall provide Company with access, at reasonable times, to inspect books, papers and records relating to the performance of the Agreement by Vendor.

1.10 Maintenance of Records. The Parties shall maintain for two (2) years at their principal administrative offices adequate books and records of all transactions related to the services provided pursuant to the Agreement. The Parties shall maintain such books and records for the duration of the Agreement and for a period of not less than five (5) years thereafter, unless a different retention period is specified by applicable law, then such books and records shall be maintained for such period as required by applicable law. The DMHC and any other regulatory authority with jurisdiction over the Agreement shall have access to books and records maintained by the Parties for the purpose of examination, audit, inspection and investigation during normal business hours.

1.11 Disaster Recovery Program. With respect to all records related to services provided pursuant to the Agreement, Vendor shall comply with Vendor's disaster recovery program.

Article II. Provisions applicable to California Medi-Cal Plans as required by the California Department of Health Care Services and the State Contract.

Vendor acknowledges that Company is a party to the State Contract which requires that certain terms and conditions be included in contracts with contracting entities such as Vendor. This Article sets forth such requirements as well as related requirements under the laws of California, which are in addition those requirements set forth elsewhere in the Agreement. To the extent that the terms and conditions of the Agreement directly conflict with or contradict any terms and conditions set forth in this Article, the terms and conditions of this Article shall control. Defined terms that are not otherwise defined in this Article or the Agreement shall have the meaning set forth in the State Contract. In addition, terms utilized in Sections 2.42 and 2.43 and in Appendix A shall have the meaning set forth in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") if not defined in the Agreement, this Addendum, or the State Contract.

2.1 Vendor agrees to make all of its premises, facilities, equipment, books, records, contracts, computer and other electronic systems pertaining to the goods and services furnished under the terms of the Agreement, available for the purpose of an audit, inspection, evaluation, examination or copying: (A) By the California Department of Health Care Services ("DHCS"), the United States Centers for Medicare and Medicaid Services ("CMS"), the United States Department of Health and Human Services ("DHHS") Inspector General, the Comptroller General of the United States, the United States Department of Justice, DMHC, or their designees; (B) At all reasonable times at the Vendor's place of business or at such other mutually agreeable location in California; (C) In a form maintained in accordance with the general standards applicable to such book or record keeping; (D) For a term of at least ten (10) years from the final date of the State Contract period or from the date of completion of any audit, whichever is later, or such longer period as required by Law; (E) Including all encounter data for a period of at least ten (10) years, or such longer period as required by Law; (F) If DHCS, CMS, or the DHHS Inspector General determines there is a reasonable possibility of fraud or similar risk, DHCS, CMS or the DHHS Inspector General may inspect, evaluate, and audit the Vendor at any time; and (G) Vendor acknowledges that upon resolution of a full investigation of fraud, DHCS reserves the right to suspend or terminate Vendor from participation in the Medi-Cal Program, seek recovery of payments made to Vendor, impose other sanctions provided under the State Contract, and direct Company to terminate the Agreement due to fraud. [[State Contract Exhibit A, Attachment 6, No. 14.B.8 & 14.B.10; Exhibit E, Attachment 2, No. 19 & 20; 22 CCR 53250(e)(1); Exhibit G, No. III.H; Exhibit G, No. V.A]]

2.2 Vendor shall provide Company, within the time requested by Company, with all such reports and information as Company may require to allow it to meet the reporting requirements under the State Contract or any applicable Law. [[State Contract Exhibit A, Attachment 6, No. 14.B.6; Exhibit A, Attachment 2 Nos. 3 and 10.A; Exhibit A, Attachment 3 No. 2; 22 CCR § 53250(c)(5)]]

2.3 To the extent applicable, if the State Contract with the Company terminates for any reason, Vendor will assist the Company in the transfer of care pursuant to State Contract Exhibit E, Attachment 2, No. 15 Phase Out Requirements. [[State Contract Exhibit A, Attachment 6, No. 14.B.11, Exhibit E, Attachment 2, No. 15]

2.4 Vendor shall notify DHCS in the event the Agreement is terminated. Notice to the Department is considered given when properly addressed and deposited in the United States Postal Service as first-class registered mail, postage attached. [[State Contract Exhibit A, Attachment 6, No. 14.B.13]]

2.5 Vendor agrees that the assignment or delegation of any part of the Agreement shall be void unless prior written approval is obtained from DHCS. [[State Contract Exhibit A, Attachment 6, No. 14.B.14]]

2.6 To the extent applicable, Vendor shall ensure that Members are informed of the full array of covered contraceptive methods when appropriate and that informed consent is obtained from Members for

sterilization consistent with requirements of applicable Law. [[22 CCR §§ 51305.1, 51305.3; State Contract Exhibit A, Attachment 9, No. 9.A]]

2.7 To the extent applicable, Vendor shall comply with the Medi-Cal Minor Consent Services program. Minors do not need parental consent in order to access services related to sexual assault, including rape, drug or alcohol abuse (for children 12 years of age or older), pregnancy, family planning, and STDs and HIV/AIDS (in children 12 years of age or older). [[State Contract Exhibit A, Attachment 9, No. 9.D]]

2.8 Vendor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Vendor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or DHCS, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state Vendor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees. [[State Contract Exhibit D(F) , No. 1-A]]

2.9 Vendor will, in all solicitations or advancements for employees placed by or on behalf of Vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. [[State Contract Exhibit D(F), No. 1-B]]

2.10 Vendor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Vendor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment. [[State Contract Exhibit D(F), No. 1-C]]

2.11 Vendor will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 C.F.R. 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor. [[State Contract Exhibit D(F), No. 1-D]]

2.12 Vendor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 C.F.R. 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor", and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. [[State Contract Exhibit D(F), No. 1-E]]

2.13 In the event of the Vendor's noncompliance with the requirements of the provisions herein or with any Federal rules, regulations, or orders which are referenced herein, the Agreement may be cancelled, terminated, or suspended in whole or in part and the Vendor may be declared ineligible for further Federal

and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 C.F.R. 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor", or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law. [[State Contract Exhibit D(F), No. 1-F]]

2.14 By signing the Agreement, Vendor agrees that if any performance under the Agreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereto. [[State Contract Exhibit A, Attachment 4 No. 12(A)]]

2.15 Smoke-Free Workplace Certification

A. The following provisions only apply to Vendors that provide "children's services" as described in Public Law 103-227 (the Pro-Children Act of 1994). "Children's services" means the provision on a routine or regular basis of health, day care, education, or library services—
   a. that are funded, after March 31, 1994, directly by the Federal Government or through State or local governments, by Federal grant, loan, loan guarantee, or contract programs—
      i. administered by either the Secretary of Health and Human Services or the Secretary of Education (other than services provided and funded solely under titles XVIII and XIX of the Social Security Act [42 U.S.C.A. §§ 1395 et seq. and 1396 et seq.]); or
      ii. administered by the Secretary of Agriculture in the case of a clinic (as defined in 7 C.F.R. 246.2) under section 17(b)(6) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)(6)), or
   b. that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds, as determined by the appropriate Secretary in any enforcement action under this subchapter. 20 U.S.C. § 6082.

B. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

C. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.

D. By signing the Agreement, Vendor certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

E. The Company must insert this certification into any subcontracts entered into that provide for children's services as described in the Act. [[State Contract, Exhibit D(F), No. 20; Public Law 103-227]]

2.16 Vendor shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to the State Contract or persons whose names or identifying

information become available or are disclosed to the Company, its employees, agents, or subcontractors as a result of services performed under the State Contract, except for statistical information not identifying any such person. Vendor shall not use such identifying information for any purpose other than carrying out the Company's and Vendor's obligations under the State Contract. Vendor shall promptly transmit to the DHCS program contract manager all requests for disclosure of such identifying information not emanating from the Member. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will be attached to the Agreement or incorporated into the Agreement by reference. [[State Contract, Exhibit D(F), No. 13]]

2.17 If Vendor is required to file monthly Financial Statements with DMHC, Vendor shall file an exact copy of the monthly Financial Statements with DHCS. Vendor shall submit monthly financial statements to the DHCS upon request, if deemed necessary, to monitor Vendor's financial viability. [[State Contract Exhibit A, Attachment 2, No. 4]]

2.18 Lobbying. If the Agreement involves a sub-award of $100,000 or more to Vendor, Vendor agrees to comply with the following requirements related to lobbying:

A. Prohibition on Use of Federal Funds for Lobbying: Vendor certifies to the best of Vendor's knowledge and belief, pursuant to 31 U.S.C. Section 1352 and 45 C.F.R. 93, as may be amended from time to time, that no federally appropriated funds have been paid or will be paid to any person by or on Vendor's behalf for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the award of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

B. Disclosure Form to Report Lobbying: If any funds other than federally appropriated funds have been paid or will be paid to any person for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the award of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan, or cooperative agreement and the value of the Agreement exceeds $100,000, Vendor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. [[State Contract Exhibit D, No.14]]

2.19 Vendor shall maintain and make available to DHCS, upon request, copies of all Vendor's subcontracts under the Agreement and to ensure that all such sub-subcontracts are in writing and require that the subcontractor: (1) makes all premises, facilities, equipment, applicable books, records, contracts, computer, or other electronic systems relating to the State Contract, available at all reasonable times for audit, inspection, examination, or copying by DHCS, CMS, the DHHS Inspector General, the Comptroller General, DOJ, and DMHC, or their designees, and (2) retain such books and records for a term of at least ten (10) years from the final date of the State Contract period or from the date of completion of any audit, whichever is later. [[State Contract Exhibit A, Attachment 6, No.14.B.10; 22 CCR § 53250(e)(3)]]

2.20 Vendor agrees to assist Company in the transfer of care in the event of a Company sub-subcontract termination for any reason. [[State Contract Exhibit A, Attachment 6, No.14.B.12]]

2.21 Vendor shall comply with all monitoring provisions of the State Agreement and any monitoring request by DHCS. [[State Contract Exhibit A, Attachment 6, No.14.B.7]]

2.22 Vendor agrees to timely gather, preserve, and provide to DHCS, any records in Vendor's possession, in accordance with the State Contract's requirements for records related to recovery for litigation. [[State Contract, Exhibit A, Attachment 6, No.14.B.16]]

2.23 Vendor agrees to provide interpreter services for Members at all Vendor sites. [[State Contract, Exhibit A, Attachment 6, No.14.B.17]]

2.24 Vendor has the right to submit a grievance in accordance with Company's process to resolve provider grievances. [[State Contract, Exhibit A, Attachment 6, No. 14.B.18]]

2.25 Vendor shall provide Company with any necessary disclosure statements including: 1) the statement set forth in Title 22 CCR Section 51000.35, and available at: https://files.medi-cal.ca.gov/pubsdoco/Publications/masters-other/provappsenroll/14enrollment_DHCS6216.pdf; 2) a completed disclosure form, attached to this Addendum, for officers and other persons associated with Vendor as required by California Welfare & Institutions Code § 14452(a); and 3) and a completed Conflict of Interest Compliance Certificate, attached to this Addendum. [[State Contract, Exhibit A, Attachment 6, No.14.B.23 and 14.E; RFA 2015, Attachment 5]]

2.26 The Agreement shall be governed by and construed in accordance with all laws and contractual obligations incumbent upon Company. Vendor shall comply with all applicable Law, now or hereafter in effect, to the extent that they directly or indirectly affect Vendor or Company, and bear upon the subject matter of the Agreement. Vendor shall comply with the applicable provisions of the State Contract, and Chapters 3 and 4 of Subdivision 1 of Division 3 of Title 22 of the California Code of Regulations related to the services Vendor is required to perform. In addition, Company is subject to the requirements of Chapter 2.2 of Division 2 of the California Health and Safety Code and Title 28 of the California Code of Regulations. Any provision required to be in the Agreement by either of the above laws shall bind the Parties whether or not provided in the Agreement. [[State Contract, Exhibit A, Attachment 6, No.14.B.2 and 14.B.21; W&I § 14452(a); 22 CCR § 53250(c)(2); Knox-Keene Act]]

2.27 When required by law, amendments to the Agreement shall be submitted by Company to the DHCS for prior approval at least thirty (30) days before the effective date of any proposed changes governing compensation, services or term. Proposed changes, which are neither approved nor disapproved by DHCS, shall become effective by operation of law thirty (30) days after the DHCS has acknowledged receipt, or upon the date specified in the amendment, whichever is later. Subcontracts between Company and Vendor shall be public records on file with the DHCS. [[State Contract, Exhibit A, Attachment 6, No.14.B.3, 14.C.2 & 14.E; 22 CCR §§ 53250(a), (c)(3), & (e)(4)]]

2.28 Vendor shall submit financial information consistent with DMHC filing requirements unless otherwise specified by DHCS [[State Contract, Exhibit A, Attachment 2, No. 3.C]]

2.29 If Company delegates quality improvement functions to Vendor, Company and Vendor agree that such functions shall be performed in a manner consistent with Medi-Cal requirements and the Agreement shall contain the following: (a) a description of the quality improvement responsibilities, and specific delegated functions and activities; (b) Company's oversight, monitoring, and evaluation processes and Vendor's agreement to such processes; (c) Company's reporting requirements and approval processes; (d) Vendor's responsibility to report findings and actions taken as a result of the quality improvement activities at least quarterly; and (d) Company's actions/remedies if Vendor's obligations are not met. [[State Contract, Exhibit A, Attachment 6, No. 14.B.20; State Contract Exhibit A, Attachment 4, No.6]]

2.30 Except in specified circumstances, Vendor shall not submit a claim or demand, or otherwise collect reimbursement for any services provided under the State Contract from a Medi-Cal Member or person acting on behalf of Member. Collection of claims may be made under those circumstances described in 22 CCR 53866, 53220, and 53222. [[State Contract, Exhibit A, Attachment 8, No. 6]]

2.31 Vendor shall ensure that medical decisions are not unduly influenced by fiscal or administrative management. [[State Contract Exhibit A, Attachment 1, No. 5]]

2.32 In the event that CMS, DHCS, or Company determines that Vendor has not performed delegation activities and reporting requirements satisfactorily, they may revoke the delegation activities or obligations (including reporting requirements), or specify other remedies. [[State Contract Exhibit A, Attachment 6, No. 14.B.22]]

2.33 Company shall share any utilization data that Company receives from DHCS with Vendor. Vendor agrees to receive and use the utilization data as able for the purpose of Member care coordination. To the extent that Vendor is not equipped to receive the utilization data, Company shall make it available to Vendor. [[State Contract Exhibit A, Attachment 6, No. 14.B.23; Exhibit A, Attachment 13, No. 7.G]

2.34 Company agrees to inform Vendor of prospective requirements added by DHCS before the requirement would be effective, and Vendor agrees to comply with the new requirements within thirty (30) days of the effective date, unless otherwise instructed by DHCS and to the extent possible. [[State Contract Exhibit A, Attachment 6 No. 14.B.24]]

2.35 To the extent applicable, when Vendor provides Emergency Services to a Member and such Member's treatment requires the use of drugs, Vendor shall provide to the Member at least a 72-hour supply of Medically Necessary drugs, which may include an initial dose and a prescription for additional drugs. [[State Contract Exhibit A, Attachment 10, No. 8.G.3]]

2.36 Vendor shall comply with all applicable federal requirements in Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972 (regarding education programs and activities, as amended); the Age Discrimination Act of 1975; the Rehabilitation Act of 1973, as amended; the Americans with Disabilities Act of 1990, as amended; Section 1557 of the Patient Protection and Affordable Care Act; and all other laws regarding privacy and confidentiality. [[State Contract Exhibit E, Attachment 2, No. 29]]

2.37 Vendor shall provide written disclosure of any prohibited affiliation under 42 CFR 438.610, provide written disclosures of information on ownership and control as required under 42 CFR 455.104, and report to DHCS within sixty (60) calendar days when it has identified the capitation payments or other payments in excess of the amounts specified in the State Contract. [[State Contract Exhibit E, Attachment 2, No. 33]]

2.38 To the extent applicable, Vendor shall maintain a provider enrollment agreement with DHCS pursuant to Social Security Act Section 1902(a)(27) and Welfare and Institutions Code Section 14043.1 and in accordance with Medi-Cal Managed Care Division Policy Letter 17-019. [[APL 17-019]]

2.39 To the extent Company delegates responsibility for coverage of services and payment of claims, Vendor shall implement and maintain procedures that are designed to detect and prevent fraud, waste, and abuse. The procedures must include a compliance program, as set forth in 42 CFR 438.608(a), and contain the required elements from the State Contract. [[State Contract, Exhibit E, Attachment 2, No. 26(B)]]

2.40 Compensation of staff or subcontractors that conduct utilization management activities shall not be structured to provide incentives to deny, limit, or discontinue Medically Necessary services. [[State Contract, Exhibit A, Attachment 5, No. 1(B)]]

2.41 To the extent applicable, Vendor shall notify Company within five (5) business days of either of the following: i) the Vendor or one of its participating providers is no longer accepting new patients; or ii) the Vendor or one of its participating providers had previously not accepted new patients, but is currently accepting new patients. [[H&S Code Section 1367.27(j)]]

2.42 Vendor shall comply with all applicable provisions of HIPAA, the Health Information Technology for Economic and Clinical Health ("HITECH") Act and the HIPAA regulations in accordance with federal and state law and the State Contract. Certain required terms are listed below; however Vendor must reference

the publicly accessible State Contract for all the comprehensive requirements, which include definitions, forms, reports, deadlines and detailed instructions for protecting Protected Health Information ("PHI") and Personal Information ("PI"). [[State Contract, Exhibit G, HIPAA]]

2.43 Vendor, its Business Associates, agents and subcontractors, acting on Company's behalf under the State Contract shall protect the privacy and security of the PHI and PI created, received, maintained, transmitted, used or disclosed pursuant to the Agreement. Accordingly, Vendor agrees as follows:

2.43.1 To comply with all of the data system security precautions listed in Appendix A, Additional Security Requirements. [[State Contract, Exhibit G.III.C.3]]

2.43.2 To comply and to enter into written agreements requiring any and all of its agents, including subcontractors and vendors, to comply with the same restrictions and conditions that apply to Company with respect to PHI and PI under the State Contract, and to comply with all applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, including the implementation of reasonable and appropriate administrative, physical, and technical safeguards to protect PHI and PI. [[State Contract, Exhibit G.III.E.1]]

2.43.3 To incorporate, as applicable, the relevant provisions of this Addendum and the State Contract into each Vendor subcontract or subaward to such agents, subcontractors and vendors, including the requirement that any security incidents or breaches of unsecured PHI or PI be reported to Company timely, per the State Contract. [[State Contract, Exhibit G, HIPAA, No. III.E.1]]

2.43.4 To comply with all applicable information availability requirements of the State Contract, including but not limited to, providing access as DHCS may require, and in the time and manner designated by DHCS (upon reasonable notice and during normal business hours) to PHI in a Designated Record Set, to DHCS (or, as directed by DHCS), to an Individual, in accordance with 45 CFR section 164.524. Vendor shall use the forms and processes developed by DHCS for this purpose and shall respond to requests for access to records transmitted by DHCS within fifteen (15) calendar days of receipt of the request by producing the records or verifying that there are none. [[State Contract, Exhibit G, No. III.F.1]]

2.43.5 If Vendor maintains an Electronic Health Record with PHI, and an individual requests a copy of such information in an electronic format, to provide such information in an electronic format to enable DHCS to fulfill its obligations under the HITECH Act, including but not limited to, 42 U.S.C. section 17935(e). [[State Contract, Exhibit G, No. III.F.2]]

2.43.6 If Vendor receives data from DHCS that was provided to DHCS by the Social Security Administration, upon request by Company or DHCS, to provide DHCS with a list of all employees, contractors and agents who have access to the Social Security data, including employees, contractors and agents of its subcontractors and agents. [[State Contract, Exhibit G, No. III.F.3]]

2.43.7 To make any amendment(s) to PHI that DHCS directs or agrees to pursuant to 45 CFR section 164.526, in the time and manner designated by DHCS. [[State Contract, Exhibit G, No. III.G]]

2.43.8 To document and make available to DHCS or (at the direction of DHCS) to an Individual such disclosures of PHI, and information related to such disclosures, necessary to respond to a proper request by the subject Individual for an accounting of disclosures of PHI, in accordance with the HITECH Act and its implementing regulations, including but not limited to 45 CFR section 164.528 and 42 U.S.C. section 17935(c). If Vendor maintains electronic health records for DHCS as of January 1, 2009, Vendor must provide an accounting of disclosures, including those disclosures for treatment, payment or health care operations, effective with disclosures on or after January 1, 2014. If Vendor acquires electronic health records for DHCS after January 1, 2009, Vendor must provide an accounting of disclosures, including those disclosures for treatment,

payment or health care operations, effective with disclosures on or after the date the electronic health record is acquired, or on or after January 1, 2011, whichever date is later. The electronic accounting of disclosures shall be for disclosures during the three (3) years prior to the request for an accounting. [[State Contract, Exhibit G, No. III.I]]

2.43.9 To implement reasonable systems for the discovery and prompt reporting of any breach or security incident, and to take the following steps: [[State Contract, Exhibit G, No. III.J.1 - 6]]

- To notify Company and DHCS immediately by telephone call plus email or fax upon the discovery of a breach of unsecured PHI or PI in electronic media or in any other media if the PHI or PI was, or is reasonably believed to have been, accessed or acquired by an unauthorized person, or upon the discovery of a suspected security incident that involves data provided to DHCS by the Social Security Administration.
- To notify Company and DHCS within twenty-four (24) hours by email or fax of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI in violation of the Agreement or State Contract, or potential loss of confidential data affecting the State Contract in the manner outlined in the State Contract.
- To immediately investigate any security incident, breach, or unauthorized access, use or disclosure of PHI or PI and to submit all required reports, updates, conclusions and corrective action plans in accordance with the instructions outlined in the State Contract.
- If the cause of a breach of PHI or PI is attributable to Vendor or its subcontractors, agents or vendors, Vendor shall notify Company and work with Company to provide notice to individuals of the breach or unauthorized use or disclosure when notification is required under Law and shall pay any costs of such notifications, as well as any costs associated with the breach. Prior to notification, Vendor shall receive approval from DHCS officials and other government agencies, where required under the State Contract or Law, regarding the time, manner, and content of such notifications.

2.43.10 To promptly remedy any violation of any provision of Exhibit G of the State Contract caused by Vendor and to certify the same to the DHCS Privacy Officer in writing. [[State Contract, Exhibit G, No. V.A]]

2.43.11 If Vendor is the subject of an audit, compliance review, or complaint investigation by the Secretary or the Office of Civil Rights, U.S. Department of Health and Human Services, that is related to the performance of its obligations pursuant to this Addendum, to notify Company and DHCS and provide Company and DHCS with a copy of any PHI or PI that Vendor provides to the Secretary or the Office of Civil Rights concurrently with providing such PHI or PI to the Secretary. Vendor is responsible for any civil penalties assessed due to an audit or investigation of Vendor, in accordance with 42 U.S.C. Section 17934(c). [[State Contract, Exhibit G, No. V.B]]

2.43.12 The term of this Addendum shall extend beyond the termination of the Agreement and shall terminate when all the PHI provided by DHCS to Vendor, or created or received by Vendor on behalf of DHCS, is destroyed or returned to DHCS, to the extent and as directed by DHCS and in accordance with 45 CFR 164.504(e)(2)(ii)(I). [[State Contract, Exhibit G, No. VI.A]]

2.43.13 To notify Company and DHCS if Vendor is named as a defendant in a criminal proceeding for a violation of HIPAA. Company or DHCS may terminate the Agreement if Vendor is found guilty of a criminal violation of HIPAA. Company or DHCS may terminate the Agreement if a finding or stipulation that the Vendor has violated any standard or requirement of HIPAA, or other security or privacy laws is made in any administrative or civil proceeding in which Vendor is a party or has been joined. [[State Contract, Exhibit G, No. VI.D]]

2.43.14 To promptly enter into negotiations with Company and DHCS concerning an amendment to this Addendum embodying written assurances consistent with the standards and requirements of

HIPAA, the HITECH Act, the HIPAA regulations or other applicable laws. Company or DHCS may terminate the Agreement upon thirty (30) days written notice in the event: (a) Vendor does not promptly enter into negotiations to amend this Addendum when requested by Company or DHCS pursuant to this Section, or (b) Vendor does not enter into an amendment providing assurances regarding the safeguarding of PHI that Company and DHCS, in their sole discretion, deem sufficient to satisfy the standards and requirements of HIPAA and the HIPAA regulations. [[State Contract, Exhibit G, No. VII.B]]

2.43.15 To make itself available to DHCS at no cost to DHCS to testify as a witness, or otherwise, in the event of litigation or administrative proceedings being commenced against DHCS, its directors, officers or employees based upon claimed violation of HIPAA, the HIPAA regulations or other laws relating to security and privacy, which involves inactions or actions by the Vendor, except where Vendor is a named adverse party. [[State Contract Exhibit G, No. VII.C]]

DISCLOSURE FORM

CONFLICT OF INTEREST COMPLIANCE CERTIFICATE

A. DHCS intends to avoid conflicts of interest or the appearance of conflicts of interest on the part of the Contractor, subcontractors, or employees, officers and directors of the Contractor or subcontractors. Thus, DHCS reserves the right to determine, at its sole discretion, whether any information received from any source indicates the existence of a conflict of interest.

B. Either of the following instances would be considered a "conflict of interest", including, but not limited to:

   1. An instance where the Contractor or any of its subcontractors, or any employee, officer, or director of the Contractor or any subcontractor has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the contract would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of the contract.

   2. An instance where the Contractor's or any subcontractor's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.

   3. Any other conflict of interest identified in federal or State statute or regulation.

C. If any proposed subcontractor has a suspected or potential conflict of interest, the proposed subcontractor shall attach to this form a description of the activity, a plan for ensuring that the activity will not adversely affect DHCS, and procedures to guard against the existence of an actual conflict of interest. Based on that information, and any other information DHCS may require, DHCS will determine whether a conflict of interest exists and whether it can be resolved to the satisfaction of DHCS.

D. This Certificate shall bear the signature of an official or employee of the proposed subcontractor who is authorized to bind the proposed subcontractor.

E. It is understood that the requirements set forth in this Certificate shall be in effect for the entire term of the State Contract.

F. Company or Plan shall obtain a completed Certificate from any proposed subcontractor and submit it to DHCS prior to approval of the subcontractor by DHCS.

G. Each subcontractor shall notify DHCS, Managed Care Operations Division within ten (10) working days of any change to the information provided on or attached to this Certificate.

H. If DHCS becomes aware of a suspected or potential conflict of interest, the subcontractor will be given an opportunity to submit additional information as described in Paragraph C above or to resolve the conflict. The subcontractor will have five (5) working days from the date of notification of the conflict by DHCS to provide complete information regarding the conflict. If DHCS determines that a conflict of interest exists and it cannot be resolved to the satisfaction of DHCS, before or after the award of the contract, the conflict will be grounds for termination of the subcontract.

The undersigned herby affirms that: (check one)

☐ The statements above have been read and that no conflict of interest exists that would jeopardize the ability of the proposed subcontractor to perform independently from DHCS' influence.

☐ A suspected or potential conflict of interest does exist, and additional information (as described B.3. above) is attached along with a plan to address the possible conflict of interest.

Typed or Printed Name of Authorized Representative: _____

APPENDIX A – ADDITIONAL SECURITY REQUIREMENTS

To the extent applicable to Vendor as a subcontractor to Company under the State Contract with DHCS, or as otherwise required by Law, Vendor agrees to implement a written information privacy and security program (which must be provided to Company upon reasonable request) that implements steps to ensure the continuous security of all computerized data systems containing PHI. Such steps shall include, at a minimum:

- Complying with all of the data system security precautions listed below in this Appendix A;
- Achieving and maintaining compliance with 45 C.F.R. Parts 160 and 164, subparts A and C, as necessary in conducting operations on behalf of Company under the State Contract;
- Providing a level and scope of security that is at least comparable to the level and scope of security established by the Office of Management and Budget in OMB Circular No. A-130, Appendix III - Security of Federal Automated Information Systems, which sets forth guidelines for automated information systems in federal agencies; and
- In case of a conflict between any of the security standards contained in any of these enumerated sources of security standards, the most stringent shall apply. The most stringent means that safeguard which provides the highest level of protection to PHI from unauthorized disclosure. Further, Vendor must comply with changes to these standards that occur after the effective date of the State Contract.

1. Personnel Controls

A. ***Employee Identification***: Vendor shall maintain a current list of its employees, agents, and Subcontractors with access to PHI provided by Company. Upon request, Vendor shall provide such list to Company within a reasonable amount of time.

B. ***Employee Training.*** All workforce members who assist in the performance of functions or activities on behalf of Company, or access or disclose Company PHI must complete information privacy and security training, at least annually, at Vendor's expense. Each workforce member who receives information privacy and security training must sign a certification, indicating the member's name and the date on which the training was completed. These certifications must be retained for a period of six (6) years following termination of the Agreement.

C. ***Employee Discipline.*** Appropriate sanctions must be applied against workforce members who fail to comply with privacy policies and procedures or any provisions of these requirements, including termination of employment where appropriate.

D. ***Confidentiality Statement.*** All persons that will be working with Company PHI must sign a confidentiality statement that includes, at a minimum, general use, security and privacy safeguards, unacceptable use, and enforcement policies. The statement must be signed by the workforce member prior to access to Company PHI. The statement must be renewed annually. The Vendor shall retain each person's written confidentiality statement for Company's inspection for a period of six (6) years following termination of the Agreement.

E. ***Background Check.*** Before a member of the workforce may access Company PHI, a thorough background check of that worker must be conducted, with evaluation of the results to assure that there is no indication that the worker may present a risk to the security or integrity of confidential data or a risk for theft or misuse of confidential data. The Vendor shall retain each workforce member's background check documentation for a period of three (3) years following termination of the Agreement.

F. ***Security Officer Designation.*** Vendor shall designate a Security Officer to oversee its data security program who shall be responsible for carrying out the requirements of this section and for communicating on security matters with Company.

2. Technical Security Controls

A. ***Workstation/Laptop encryption.*** All workstations and laptops that process and/or store Company PHI must be encrypted using a FIPS 140-2 certified algorithm which is 128 bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk unless approved by the Company.

B. ***Server Security.*** Servers containing unencrypted Company PHI must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.

C. ***Minimum Necessary.*** Only the minimum necessary amount of Company PHI required to perform necessary business functions may be copied, downloaded, or exported.

D. ***Removable media devices.*** All electronic files that contain Company PHI data must be encrypted when stored on any removable media or portable device (i.e. USB thumb drives, floppies, CD/DVD, Blackberry, backup tapes etc.). Encryption must be a FIPS 140-2 certified algorithm which is 128 bit or higher, such as AES.

E. ***Antivirus software.*** All workstations, laptops and other systems that process and/or store Company PHI must install and actively use comprehensive anti-virus software solution with automatic updates scheduled at least daily.

F. ***Patch Management.*** All workstations, laptops and other systems that process and/or store Company PHI must have critical security patches applied, with system reboot if necessary. There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within thirty (30) days of vendor release.

G. ***User IDs and Password Controls.*** All users must be issued a unique user name for accessing Company PHI. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within twenty-four (24) hours. Passwords are not to be shared. Passwords must be at least eight (8) characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. Passwords must be changed every ninety (90) days, preferably every sixty (60) days. Passwords must be changed if revealed or compromised. Passwords must be composed of characters from at least three of the following four groups from the standard keyboard:

   - Upper case letters (A-Z)
   - Lower case letters (a-z)
   - Arabic numerals (0-9)
   - Non-alphanumeric characters (punctuation symbols)

H. ***Data Destruction.*** When no longer needed, all Company PHI must be wiped using the Gutmann or US Department of Defense (DOD) 5220.22M (7 Pass) standard, or by degaussing. Media may also be physically destroyed in accordance with NIST Special Publication 800-88. Other methods require prior written permission of Company.

I. ***System Timeout.*** The system providing access to Company PHI must provide an automatic timeout, requiring re-authentication of the user session after no more than twenty (20) minutes of inactivity.

J. ***Warning Banners.*** All systems providing access to Company PHI must display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only by authorized users. User must be directed to log off the system if they do not agree with these requirements.

K. ***System Logging.*** The system must maintain an automated audit trail which can identify the user or system process which initiates a request for Company PHI, or which alters Company PHI. The audit trail must be date and time stamped, must log both successful and failed accesses, must be read only, and must be restricted to authorized users. If Company PHI is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least three (3) years after occurrence.

L. ***Access Controls.*** The system providing access to Company PHI must use role based access controls for all user authentications, enforcing the principle of least privilege.

M. ***Transmission encryption.*** All data transmissions of Company PHI outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm which is 128 bit or higher, such as AES. Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI in motion such as website access, file transfer, and E-Mail.

N. ***Intrusion Detection.*** All systems involved in accessing, holding, transporting, and protecting Company PHI that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution.

3. **Audit Controls**

A. ***System Security Review.*** All systems processing and/or storing Company PHI must have at least an annual system risk assessment/security review which provides assurance that administrative, physical, and technical controls are functioning effectively and providing adequate levels of protection. Reviews should include vulnerability scanning tools.

B. ***Log Reviews.*** All systems processing and/or storing Company PHI must have a routine procedure in place to review system logs for unauthorized access.

C. ***Change Control.*** All systems processing and/or storing Company PHI must have a documented change control procedure that ensures separation of duties and protects the confidentiality, integrity and availability of data.

4. **Business Continuity / Disaster Recovery Controls**

A. ***Emergency Mode Operation Plan.*** Vendor must establish a documented plan to enable continuation of critical business processes and protection of the security of electronic Company PHI in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under the Agreement for more than twenty-for (24) hours.

B. ***Data Backup Plan.*** Vendor must have established documented procedures to backup Company PHI to maintain retrievable exact copies of Company PHI. The plan must include a regular schedule for making backups, storing backups offsite, an inventory of backup media, and an estimate of the amount of time needed to restore Company PHI should it be lost. At a minimum, the schedule must be a weekly full backup and monthly offsite storage of Company data.

5. **Paper Document Controls**

A. ***Supervision of Data.*** Company PHI in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an employee authorized to access the information. Company PHI in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

B. ***Escorting Visitors.*** Visitors to areas where Company PHI is contained shall be escorted and Company PHI shall be kept out of sight while visitors are in the area.

C. ***Confidential Destruction.*** Company PHI must be disposed of through confidential means, such as cross cut shredding and pulverizing.

D. ***Removal of Data.*** Company PHI must not be removed from the premises of Vendor except with express written permission of Company.

E. ***Faxing.*** Faxes containing Company PHI shall not be left unattended and fax machines shall be in secure areas. Faxes shall contain a confidentiality statement notifying persons receiving faxes in error to destroy them. Fax numbers shall be verified with the intended recipient before sending the fax.

F. ***Mailing.*** Mailings of Company PHI shall be sealed and secured from damage or inappropriate viewing of PHI to the extent possible. Mailings which include five hundred (500) or more individually identifiable records of Company PHI in a single package shall be sent using a tracked mailing method which includes verification of delivery and receipt, unless the prior written permission of Company to use another method is obtained.

Exhibit B-16

Maryland Medicaid Compliance Addendum

This Maryland Medicaid Compliance Addendum ("Addendum") is incorporated by reference into the Agreement and applies to Medicaid products covered by the State Contract. Company and Provider agree that their duties and responsibilities under the Agreement, with respect to the Company's Maryland Medicaid operations, are modified as set forth in this Addendum. If there is any conflict between the terms of this Addendum and any of the other terms of the Agreement, including any attachments, schedules, exhibits and/or addenda made part of the Agreement, the terms of this Addendum will govern and control; provided, however, if there is any conflict between any of the terms of the Agreement, including this Addendum, and the State Contract, then the terms of the State Contract will govern and control.

For purposes of this Addendum, the term "Provider" shall mean the health care provider, physician, group, facility or hospital executing the Agreement, as identified on the first page of the Agreement.

Capitalized terms used and not otherwise defined in this Addendum shall have the meanings set forth in the Agreement, or, if not defined in the Agreement, in the State Contract or under State law.

I. PROVIDER MANUAL

Company shall develop and make available to Provider, either electronically or by hard copy, a Medicaid requirements manual ("Provider Manual") referencing the policies and procedures established by the Company and applicable to Providers in accordance with applicable law and Medicaid program requirements including, without limitation, utilization review, quality assurance, access, referrals, provider grievances, appeals and such other policies and procedures necessary to effect the delivery of Covered Services and facilitate Providers' compliance with federal and State Medicaid requirements. Provider shall comply with the Provider Manual and perform all services under the Agreement in a manner that is consistent with Company's Policies. [COMAR 10.09.66.04]

II. MARYLAND MEDICAID PROGRAM REQUIREMENTS

1. Incorporation by Reference. Provider is subject to all of the requirements to which Company is subject under its contract with the Maryland Department of Health and Mental Hygiene ("the Department") and pursuant to the Department's regulations. [COMAR 10.09.65.17A(5)(a)]

2. Covered Services. Provider shall provide all health benefit services that are Covered Services under the Maryland Medicaid Program in which the Company participates and which are applicable to the Maryland Medicaid Member at issue and which are within the scope of Provider's license. [COMAR 10.09.65.17A(5)(b)]

3. Release of Records to Company and the Department. Upon request, Provider shall release to Company and to the Department any information necessary for Company to perform any of its contractual and regulatory obligations under its contract with the Department, including, but not limited to, its records, reporting, and quality assurance duties. [COMAR 10.09.65.17A(5)(c)]

4. Books and Records; Government Audits and Inspection. Provider's facilities and records shall be open to inspection by Company, the Department, and other government agencies. Provider is subject to all audits and inspections to the same extent that audits and inspections may be required of Company under law or under its contract with the Department. [COMAR 10.09.65.17A(5)(d)]

5. Transfer of Member Records Upon Termination of Agreement. If the Agreement is terminated, Provider shall, upon request, provide Members' medical records to Company for transfer to a subsequent provider in the event of a termination of the Agreement. [COMAR 10.09.65.17A(5)(e)]

6. Written Notice to the Department of Termination. No termination of the Agreement shall be effective without prior written notice to the Department. [COMAR 10.09.65.17A(5)(f)]

7. Member Hold Harmless. Provider agrees to look solely to Company for compensation for Covered Services provide to Company's Members under the Agreement, except for Copayments or any other charges as set forth in the Provider Manual or permitted by the Plan. [COMAR 10.09.65.17A(5)(g)]

8. Evidence of Professional Liability Coverage. At least annually, Provider shall submit to Company evidence of Provider's professional liability coverage. [COMAR 10.09.65.17A(5)(h)]

9. Assignment. No assignment of the Agreement by Provider is effective without prior written notice to the Department. [COMAR 10.09.65.17A(5)(i)]

10. Uniform Consultation Referral Form. If authorized to make referrals, Provider, when referring the Members, shall use the uniform consultation referral form adopted by the Maryland Insurance Administration available at COMAR 31.10.12.06. [COMAR 10.09.65.17A(5)(j)]

11. Required Regulatory Provisions Controlling. Each provision in this Addendum required by COMAR 10.09.65.17A(5) supersedes and is controlling over any conflicting terms that appear in the Agreement. [COMAR 10.09.65.17A(5)(k)]

12. Representation Regarding Crimes and Sanctions under Social Security Act. Provider hereby represents and warrants that neither it nor any of its Participating Providers has been convicted of certain crimes or received certain sanctions as specified in Section 1128 of the Social Security Act. [COMAR 10.09.65.17A(4)]

13. Provider Selection. Company shall credential and re-credential Providers according to Company's documented process and shall follow the credentialing and re-credentialing policies established by the Department for managed care organizations. Company shall not discriminate against providers serving high-risk populations or those that specialize in conditions requiring costly treatments. [COMAR 10.09.65.17A(5) and 42 CFR 438.214]

14. Disclosure of Information Related to Business Transactions. Provider agrees to provide information necessary for Company to comply with federal regulatory requirements including any applicable requirements under 42 CFR 455.105. [COMAR 10.09.65.17A(5)]

15. Compliance with Fixed Price Contracting Regulation. If Provider is a hospital or an entity related to a hospital, Provider hereby represents and warrants that Provider is in compliance with COMAR 10.37.12.02 (i.e., fixed price contracting regulation). [COMAR 10.09.65.17A(6)]

16. Referral Records. If Provider is a Primary Care Provider, then Provider shall maintain records of referral arrangements, and the feedback and outcomes of those referrals, within each Member's medical records. [COMAR 10.09.66.05B(3)]

17. Hospital Emergency Facility and Providers. Company shall reimburse a hospital emergency facility and provider, which is not required to obtain authorization or approval for payment from Company in order to obtain reimbursement, for: (a) Emergency Services that are provided in a hospital emergency facility after the sudden onset of an Emergency Medical Condition; (b) The medical screening services that meet the requirements of the Federal Emergency Medical Treatment and Active Labor Act; (c) Medically Necessary services which the Company authorized, referred, or instructed the enrollee to be treated at the emergency facility and the Medically Necessary services that relate to the condition which presented when the Member was allowed to use the emergency room facility; and (d) Medically Necessary services that relate to the

condition presented and that are provided by the provider in an emergency facility to the Member, if Company fails to provide 24-hour access to a physician. [COMAR 10.09.65.20B]

18. Hospital Provider Compensation. Notwithstanding any provision in the Agreement to the contrary, Company shall pay Maryland hospital providers on the basis of rates approved by the Maryland Health Services Cost Review Commission (HSCRC). [COMAR 10.09.65.02G(4)]

Regulatory Compliance Addendum

Regulatory Compliance Addendum
Governing West Virginia Medicaid Services

This Regulatory Compliance Addendum Governing West Virginia Medicaid Services (the "West Virginia Medicaid Addendum") shall govern the provision of Covered Services to Members who are eligible and covered under the *Purchase of Service Provider Agreement Between State of West Virginia Department of Health and Human Resources Bureau for Medical Services and Coventry Health Care of West Virginia, Inc. d/b/a Aetna Better Health of West Virginia* (the "State Contract"), under which contract Coventry Health Care of West Virginia, Inc. d/b/a Aetna Better Health of West Virginia (the "Company") serves as a managed-care organization, as well as the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contract.

The State of West Virginia, its Department of Health and Human Resources, and/or its Bureau for Medical Services (collectively, the "State") require that specific terms and conditions be incorporated into the Agreement. As such, this West Virginia Medicaid Addendum is incorporated by reference into the Agreement between Company (or its Affiliate, as the case may be) and the provider, vendor, contractor, or other entity executing this Agreement (as identified on the first page thereof), and such provider, vendor, contractor, or other entity must comply with the requirements set forth herein. Note that this West Virginia Medicaid Addendum contains some, but not all, of the terms and requirements with which you must comply. Other terms and requirements with which you must comply are set forth in the Agreement and in the policies, procedures, and provider manual of Company (or its Affiliate, as the case may be). This West Virginia Medicaid Addendum and the Agreement may be revised as directed by the State.

For purposes of this West Virginia Medicaid Addendum, the individuals who are enrolled with Company under the State Contract will be referred to as the "Members" or "Enrollees." All capitalized terms not defined in this West Virginia Medicaid Addendum shall have the respective meanings that are ascribed to them in the Agreement.

If there is any conflict between the terms of this West Virginia Medicaid Addendum and any of the other terms of this Agreement, including any attachments, schedules, exhibits, and/or addenda made part of this Agreement, the terms of this West Virginia Medicaid Addendum will govern and control with respect to the provision of Covered Services to Members who are eligible and covered under the State Contract and with respect to the provision of any administrative or health-benefit management services/functions that relate to those Covered Services or to the State Contract. Except as provided herein, all other provisions of the Agreement not inconsistent with this West Virginia Medicaid Addendum shall remain in full force and effect, and to the extent possible under applicable law, the terms of this West Virginia Medicaid Addendum shall be construed to be supplementary to, and not in conflict with, the terms and conditions of the Agreement.

The provider, vendor, contractor, or other entity identified on the first page of the Agreement acknowledges and agrees that all provisions of this West Virginia Medicaid Addendum shall apply equally to its/their employees, independent contractors, subcontractors, downstream entities, or related entities that provide Covered Services to Members who are eligible and covered under the State Contract, or that provide administrative or health-benefit management services/functions relating to those Covered Services or to the State Contract, and it/they represent and warrant that it/they shall take all steps necessary to cause such employees, independent contractors, subcontractors, downstream entities, or related entities to comply with this West Virginia Medicaid Addendum and all applicable laws and regulations.

CONTRACTUAL AND STATUTORY/REGULATORY REQUIREMENTS

A. Definitions

The following additional definitions shall apply with respect to the requirements set forth in this West Virginia Medicaid Addendum:

1. "Provider" – an individual or entity that is engaged in the delivery of health services, or ordering or referring for those services, who meets the requirements of the West Virginia Medicaid program and is a member

of Company's network. [State Contract, Article II § 1]

2. "Subcontract" – any written agreement between Company and another party to fulfill any requirements of the State Contract. [State Contract, Article II § 1]

3. "Subcontractor" – any party contracting with Company to perform any services related to the requirements of the State Contract, including without limitation affiliates, subsidiaries, and affiliated and unaffiliated third parties. [State Contract, Article II § 1]

B. Requirements Applicable to Provider/Subcontractor Contracts and Services

1. Provision of Covered Services. Provider/Subcontractor agrees to provide Covered Services to Members as set forth in the Agreement and in compliance with all applicable provider requirements specified by the State Medicaid program, including without limitation the following:

a. If a Member requires emergency medical services: (i) Provider/Subcontractor shall provide such services on a 24 hour per day, 7 day per week basis, or else will immediately refer the Member to an emergency facility; and (ii) will notify the Member's primary care provider (PCP) of the Member's screening and treatment within 10 calendar days of presentation for such emergency services. Provider/Subcontractor will provide urgent care services within 48 hours of request. [State Contract, Article III §§ 1.2.2, 2.1.2, 2.7.5]

b. If a Member requires routine care, other than clinical preventive services, Provider/Subcontractor shall provide such services within 21 days of request. [State Contract, Article III § 2.1.2]

c. If a Member requires Early and Periodic Screening, Diagnosis and Treatment (EPSDT) services, Provider/Subcontractor shall schedule those services in accordance with applicable EPSDT guidelines and the EPSDT Periodicity Schedule for Members under the age of 21. [State Contract, Article III § 2.1.2]

d. If a Member requires prenatal care, Provider/Subcontractor shall schedule the initial prenatal care visit within 14 days of the date on which the woman is found to be pregnant. [State Contract, Article III § 2.1.2]

e. If a Member requires specialty care, including women's health services, Provider/Subcontractor shall take the Member's input into consideration as part of any proposed treatment plan. [State Contract, Article III § 2.1.3]

f. If Provider/Subcontractor is a primary care provider (PCP), Provider/Subcontractor shall (i) provide 24-hour access and physician coverage for Members; (ii) maintain continuity of each Member's healthcare; (iii) make referrals, as needed, for specialty care and other medically necessary services, including dental referrals as part of the EPSDT process, consistent with Company's utilization-management policies; (iv) maintain a current medical record for the Member, including documentation of all services provided to the Member, as well as any specialty or referral services; (v) adhere to the EPSDT Periodicity Schedule for Members under the age of 21; (vi) follow Company-established procedures for coordination of in-network and out-of-network services for Members, and serve as the coordination-of-care manager for the Member's overall care; (vii) identify and refer Members, as needed, to behavioral-health providers; and (viii) cooperate with Company with respect to Company's obligation under the State Contract to monitor PCP actions to ensure compliance with Company and State Medicaid program policies. [State Contract, Article III §§ 2.1.2, 2.2.1, 5.6.1, 9.5, 10.5]

g. Provider/Subcontractor shall ensure that its EMTALA obligations are fulfilled as required by law and by the State Contract, and shall not create any conflicts with any hospital actions required to comply with EMTALA. [State Contract, Article III § 1.2.2]

h. Provider/Subcontractor shall maintain convenient hours of operation that do not discriminate against Members and that are no less than the hours of operation offered to commercial enrollees or to comparable Medicaid fee-for-service enrollees. Provider/Subcontractor shall also ensure that waiting times at sites of care are kept to a minimum and that the waiting-time standard for Members is the same standard used for commercial enrollees. Furthermore, Provider/Subcontractor shall not discriminate against Members in the order that patients are seen or that appointments are given. [State Contract, Article III § 2.1.2]

i. Provider/Subcontractor shall not segregate Members in any manner from other persons receiving services, and furthermore shall not, based on the Members' status as Medicaid recipients: (i) deny or refuse to provide Covered Services or facility access to Members; (ii) provide to Members any Covered Services that are different, or that are provided in a different manner or at a different time, from that provided to other enrollees, to other public or private patients, or to the public at large; (iii) subject Members to segregation or separate treatment in any manner related to the receipt of any Covered Service; or (iv) assign times or places for the provision of services to Members on the basis of the race, color, creed, religion, age, sex, national origin, ancestry, marital status, sexual preference, income status, program membership, or physical or mental disability. [State Contract, Article III § 2.5]

j. Provider/Subcontractor shall ensure that its facilities are readily accessible to and usable by Members with physical and mental disabilities (with Provider/Subcontractor making reasonable accommodations and providing accessible equipment for those disability Members), and that auxiliary aids and services are provided to ensure effective communication, all in compliance with Title III of the Americans with Disabilities Act of 1990, as amended. [State Contract, Article III §§ 2.1.2, 3.7.4]

k. If Provider/Subcontractor is a primary care provider (PCP): (i) it shall not close its panel to Members or Medicaid enrollees alone (*i.e.*, if a PCP's panel is closed, it must be closed to all enrollees); and (ii) if its panel later reopens, it shall admit patients on a first-come, first-served basis (provided, however, that if it already has the maximum of 2,000 Medicaid enrollees, it may admit additional, non-Medicaid patients). [State Contract, Article III § 2.5]

l. Provider/Subcontractor shall provide Covered Services in a culturally competent manner to all Members, including those with limited English proficiency or reading skills, those with diverse cultural and ethnic backgrounds, those who are homeless, and those with physical and mental disabilities. [State Contract, Article III §§ 2.1.2, 3.7.3]

m. When providing Covered Services to a Member, Provider/Subcontractor shall take into consideration and act in accordance with the Member rights enumerated in Section 3.6 ("Enrollee Rights") of Article III of the State Contract, and shall cooperate with Company with respect to Company's obligation under the State Contract to monitor Provider/Subcontractor actions to ensure compliance with those Member rights. [State Contract, Article III § 3.6]

2. Claims; Payment. Provider/Subcontractor acknowledges and agrees that Company's payment of claims for Covered Services rendered to Members is subject to the provisions and requirements set forth in the Agreement and State Contract (including Section 2.7 of Article III thereof), and Provider/Subcontractor furthermore agrees as follows:

a. Provider/Subcontractor acknowledges and agrees that with respect to any Covered Services, Company shall be prohibited from paying for any item or service that is: (i) furnished by any individual or entity during any period when that individual or entity is excluded from participation under Titles V, XVIII, or XX of the Social Security Act or sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act; (ii) furnished at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under Titles V, XVIII, or XX or sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such item or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person); (iii) furnished by an individual or entity with respect to which the State has determined that there is a credible allegation of fraud in accordance with 42 C.F.R. § 455.23, unless the State has good cause not to suspend such payments; (iv) with respect to any amount expended for which

funds may not be used under the Assisted Suicide Funding Restriction Act of 1997; (v) with respect to any amount expended for roads, bridges, stadiums, or any other item or service not covered under the State Medicaid plan; or (vi) for home health care services provided by an agency or organization, unless the agency provides the State with a surety bond as specified in section 1861(o)(7) of the Social Security Act. [State Contract, Article II § 8.6.1 and Article III § 8.2; 42 C.F.R. § 455.23]

b. Provider/Subcontractor acknowledges and agrees that Company shall not pay Provider/Subcontractor, and if Provider/Subcontractor has engaged a downstream provider, that Provider/Subcontractor shall not pay such downstream provider, for any provider-preventable condition (PPC), health care-acquired condition (HCAC), or other provider-preventable condition (OPPC) that meets the definitions thereof under section 2702 of the Patient Protection and Affordable Care Act of 2010. Such conditions include conditions not present on hospital admission, wrong surgical or other invasive procedures performed on a patient, surgical or other invasive procedures performed on the wrong body part, and/or surgical or other invasive procedures performed on the wrong patient. In accordance and compliance with 42 C.F.R. § 447.26(d), Provider/Subcontractor shall report all provider-preventable conditions associated with claims for payment or Member treatments for which payment would otherwise be made, and if Provider/Subcontractor has engaged a downstream provider, shall similarly require such downstream provider to report all provider-preventable conditions associated with claims for payment or Member treatments for which payment would otherwise be made, as a condition of payment. [State Contract, Article III §§ 2.6.3, 2.7.8]

c. Unless Provider/Subcontractor has agreed to a later payment in writing, Company shall pay all Clean Claims (as that term is defined below) within 30 days of receipt for medically necessary Covered Services that Provider/Subcontractor has provided to Members, when such Covered Services (i) were rendered to treat a medical emergency, (ii) were rendered in accordance with the terms of the Agreement, or (iii) were prior authorized. If Provider/Subcontractor, in turn, is responsible for paying a downstream provider of Provider/Subcontractor, then Provider/Subcontractor shall pay any in-network downstream provider all Clean Claims (as that term is defined below) within 30 days of receipt (unless such downstream provider has agreed to a later payment from Provider/Subcontractor in writing) for medically necessary Covered Services that such downstream provider of Provider/Subcontractor has provided to Members, when such Covered Services (i) were rendered to treat a medical emergency, (ii) were rendered in accordance with the terms of the agreement between Provider/Subcontractor and its downstream provider, or (iii) were prior authorized. Company must pay Provider/Subcontractor interest at 7% per annum, calculated daily, for the full period during which any Clean Claim remains unpaid beyond the 30-day deadline for payment of Clean Claims; such interest must be paid to Provider/Subcontractor on the same date on which the claim is paid. For purposes of this provision, the term "Clean Claim" means a bill for services, a line item of service, or all services for one Member within a bill that can be processed without obtaining additional information from the provider of such services or from a third-party, but does not include any claim that is under review for medical necessity or that has been submitted by a person or entity that is under investigation for fraud or abuse. [State Contract, Article III §§ 2.6.3, 2.7.1, 2.7.2, 2.7.7]

d. Company shall accept claims from Provider/Subcontractor in either electronic or paper form. Company shall specify (i) the date of claim receipt as the date on which Company receives the claim, as indicated on the date stamp on the claim or other notation as appropriate to the medium used to file a claim, and (ii) the date of claim payment as the date of the check release or other form of payment release to Provider/Subcontractor. [State Contract, Article III §§ 2.7.1, 2.7.7]

3. No Billing of Members; Hold Harmless. With respect to Provider/Subcontractor's provision of Covered Services to Members under the Agreement:

a. Provider/Subcontractor shall not directly receive payment or any type of compensation from Members for providing Covered Services. Provider/Subcontractor may not bill, charge, collect a deposit, seek compensation, remuneration, or reimbursement from, or have any recourse against Members or any persons acting on their behalf, for services rendered in accordance with the Agreement. This prohibition applies even if Company becomes insolvent, fails to pay Provider/Subcontractor for services rendered, or otherwise breaches the Agreement; in each case Company, rather than the Members, shall remain liable for any amounts that remain unpaid to Provider/Subcontractor for services rendered under the

Agreement, and Provider/Subcontractor shall hold the Members, the State, and the State's officers and employees harmless from any debts of Company. This prohibition similarly applies if Provider/Subcontractor engages any downstream providers or subcontractors and thereafter becomes insolvent, fails to pay those downstream entities for services rendered, or otherwise breaches its agreement with those downstream entities; in each case Provider/Subcontractor, rather than the Members, shall remain liable for any amounts that remain unpaid by Provider/Subcontractor for services rendered under its agreement with its downstream entities, and Provider/Subcontractor's downstream entities shall hold the Members, the State, and the State's officers and employees harmless from any debts of Provider/Subcontractor. The State shall not be liable or responsible for payment of any Covered Services rendered under the Agreement, or under any agreement that Provider/Subcontractor has with its downstream providers or subcontractors. If at any time during the provision of services under the Agreement, Provider/Subcontractor or its agents are aware that the Member is an enrollee of Company, neither that Provider/Subcontractor nor any representative/agent thereof may (i) collect or attempt to collect from that Member any money for services covered by Company, or (ii) maintain any action at law against that Member to collect any money that Company owes to that Provider/Subcontractor. If Provider/Subcontractor violates this paragraph of the West Virginia Medicaid Addendum, the State Insurance Commissioner may impose a civil monetary penalty against Provider/Subcontractor. Notwithstanding the foregoing, this paragraph of the West Virginia Medicaid Addendum does not prohibit the collection from Members of State-authorized co-payments for providing Covered Services. [W. Va. Code §§ 33-25A-7a(1)–(5), 33-25A-14a(b), 33-25A-23a; State Contract, Article III §§ 2.6.3, 7.1, 7.6]

b. Provider/Subcontractor shall not bill or collect any payment from Members for care that was determined not to be medically necessary. Furthermore, if Provider/Subcontractor knowingly and willfully charges a Member for any service provided to that Member under the State Contract at a rate in excess of the rates established by the State or under the State Contract, Provider/Subcontractor may be guilty of a felony and upon conviction may be fined no more than $25,000 or imprisoned for no more than five years, or both. [State Contract, Article III § 1.5]

c. *No Charges*. Provider/Subcontractor shall hold harmless and not impose any charges on Members for benefits provided under the State Contract and shall regard Company's payment as payment in full for all benefits covered by this Agreement, with the exception of co-payments specifically authorized in the State Contract or otherwise by the State, and any amounts due for services that are not Covered Services under the State Contract. Provider/Subcontractor shall also be entitled to receive payment for third-party claims. Provider/Subcontractor will never, under any circumstances, including non-payment by Company, the insolvency of Company, or breach or termination of this Agreement, seek compensation from, have any recourse against, or impose any additional charge on any Member for benefits provided under the State Contract. Provider/Subcontractor shall look only to Company for payment for benefits provided under the State Contract. If Company receives notice that Provider/Subcontractor has billed or collected from a Member for any Covered Services or non-authorized benefits, Company may refund that amount to Member and may offset that amount from any payment to Provider/Subcontractor, with prior notice to the Provider/Subcontractor.

d. *No Collection Action Against Members*. Neither Provider/Subcontractor, nor any trustees or assignees thereof, may maintain any action at law against a Member to collect sums owed by Company.

e. *Collection of Copayments*. The provisions in this paragraph of the West Virginia Medicaid Addendum ("No Billing of Members; Hold Harmless") shall not preclude Provider/Subcontractor from collecting the copayments that are specifically authorized by the State Contract or otherwise by the State.

f. *Non-Covered Services*. A Provider/Subcontractor may bill a Member for services if: (i) prior to receiving such services the Member is advised that such services are not Covered Services; and (ii) after being advised of same and of the cost thereof, the Member nevertheless elects in writing to receive such non-Covered Services.

g. *State Hold Harmless*. Company shall indemnify, defend, and hold harmless, and Provider/Subcontractor and its downstream providers and subcontractors (if any) shall hold harmless, the

State and its officers and employees from: (i) any claims or losses for services rendered by Provider/Subcontractor and/or its downstream providers or subcontractors (if any), or by any other person or firm performing or supplying services, materials, or supplies in connection with the performance of the State Contract; (ii) any claims or losses to any person or firm injured or damaged by the erroneous or negligent acts, including without limitation disregard of federal or State Medicaid statutes or regulations, of Provider/Subcontractor and/or its downstream providers or subcontractors (if any) in the performance of any services relating to the State Contract; (iii) any claims or losses resulting to any person or entity injured or damaged by Provider/Subcontractor and/or its downstream providers or subcontractors (if any) by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used in connection with the State Contract in a manner not authorized by the State Contract or by federal or State statutes or regulations; and (iv) any failure of Provider/Subcontractor and/or its downstream providers or subcontractors (if any) to observe State and federal laws, including but not limited to labor and minimum wage laws.

h. *Survival of Covenants*. Provider/Subcontractor further agrees that the provisions in this paragraph of the West Virginia Medicaid Addendum ("No Billing of Members; Hold Harmless") shall survive the termination of this Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Member and the State, and that these provisions supersede any oral or written agreement to the contrary now existing or hereafter entered into between Provider/Subcontractor and Member or any persons acting on their respective behalf.

[W. Va. Code § 33-25A-7a(1)–(5); State Contract, Article II § 5.6 and Article III §§ 2.6.3, 7.1]

4. Member Copayments & Cost-Sharing Obligations. With respect to Provider/Subcontractor's collection of Member copayments:

a. Provider/Subcontractor is prohibited from collecting copayments from the Member for missed appointments. [State Contract, Article III § 2.6.3]

b. If Provider/Subcontractor is a provider of emergency care, Provider/Subcontractor shall inform Members of the copayment amount for any non-emergency services provided in an emergency department prior to providing such non-emergency services, and shall furthermore provide Members with the name and location of an available and accessible alternative non-emergency services provider. [State Contract, Article III §§ 2.6.3, 3.9]

c. Provider/Subcontractor shall impose Member copayments for Covered Services in the amounts determined by the State in accordance with the requirements specified in the State Medicaid Plan and the requirements of 42 C.F.R. §§ 447.50–447.82. Provider/Subcontractor acknowledges and agrees that the State Contract requires a reduction of the payment made to the provider of Covered Services by the amount of the Member's copayment, regardless of whether the copayment is successfully collected. Neither the Provider/Subcontractor nor its downstream providers (if applicable) shall routinely waive required Member copayments. [State Contract, Article III § 3.9]

d. Provider/Subcontractor shall charge copayments to the following Members and on the following Covered Services: (i) inpatient and outpatient services; (ii) physician office visits, including without limitation office visits to a nurse practitioner; (iii) non-emergency use of an emergency department; (iv) caretaker relatives age 21 and over; (v) transitional Medicaid members age 21 and over; and (vi) any other Members identified by Contractor that are not specifically exempt. [State Contract, Article III § 3.9.2]

e. Notwithstanding the foregoing, neither Provider/Subcontractor nor its downstream providers (if applicable) shall charge copayments to the following Members or with respect to the following Covered Services: (i) family-planning services; (ii) emergency services; (iii) pregnancy-related services; (iv) services furnished to women who are receiving medical assistance on the basis of the breast- or cervical-cancer eligibility group; (v) preventative services for Members under the age of 18; (vi) services for provider-preventable conditions; (vii) Members under the age of 21; (viii) pregnant Members (including the 60-day postpartum period following the end of pregnancy); (ix) American Indians and Alaska Natives;

(x) Members receiving hospice care; (xi) Members in nursing homes; (xii) behavioral-health services; (xiii) any additional Members or services excluded under the State Medicaid Plan; and (xiv) Members who have met their household maximum limit for the cost-sharing obligations per calendar quarter. Furthermore, Provider/Subcontractor shall not charge copayments with respect to "Value-Added Services" (as that term is defined in Section 1 of Article II of the State Contract and used in Section 3.10 of Article III of the State Contract) that it may provide to Members covered under the State Contract. Finally, Members who have primary insurance other than Medicaid are exempt from Medicaid cost-sharing obligations. When a third party has made a payment for a Covered Service and Company is the secondary payer, the Medicaid-allowed amount shall be calculated as the difference between the paid amount and the Medicaid-allowed amount compared to the sum of the co-insurance, copayment, and deductible amounts. Company is responsible for paying the lesser of either the difference amount or the summed amount. [State Contract, Article II § 1 and Article III §§ 3.9.1, 3.9.3, 3.10]

5. Offshore Services. Provider/Subcontractor is prohibited from engaging or paying any individual or entity (an "Offshore Entity") (including, but not limited to, any employee, contractor, subcontractor, agent, representative, or other individual or entity) to perform any services for Company in connection with the State Contract if the individual or entity is physically located outside of one of the fifty United States or one of the United States Territories (*i.e.*, American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands) ("Offshore Services"), unless Company, in its sole discretion and judgment, agrees in advance and in writing to the use of such Offshore Entity. Provider/Subcontractor further agrees that Company has the right to audit any Offshore Entity prior to the provision of Offshore Services for Company. Provider/Subcontractor further represents and warrants that it does not and will not permit any Member's protected health information (PHI), or any other information that Company or a Provider or Subcontractor has obtained in connection with the State Contract, to be accessible by any Offshore Entity without prior written notice to Company and without Company's prior written approval of such Offshore Entity. In the event that Company agrees in advance and in writing to permit Provider/Subcontractor to engage, pay, and/or send any information to an Offshore Entity to perform any services for Company in connection with the State Contract, Provider/Subcontractor agrees that the Offshore Entity and the related Offshore Services may be subject to mandatory reporting to CMS and/or other applicable government regulators. [State Contract, Article II § 5.22]

6. State Review, Approval, and Modification. Provider/Subcontractor acknowledges and agrees that the Agreement is subject to State review and that the State Insurance Commissioner has the power to require immediate cancellation or renegotiation of the Agreement if the Commissioner determines that the Agreement provides for excessive payments, fails to include reasonable incentives for cost control, or otherwise substantially and unreasonably contributes to escalation of the costs of providing health care services to Members. Furthermore, Provider/Subcontractor acknowledges and agrees that the State has the right (a) to disallow a proposed contractual arrangement between Company and Provider/Subcontractor if Provider/Subcontractor has been formally restricted from participating in a federal entitlement program (*e.g.*, Medicare or Medicaid), (b) to object to the selection of a Provider/Subcontractor, and/or (c) to require the replacement of, or implementation of a corrective action plan with respect to, any Subcontractor that the State has found to be unacceptable or unable to meet the requirements of the State Contract. [W. Va. Code § 33-25A-7(c); State Contract, Article II § 8.4]

7. Family-Planning Services. To the extent that Provider/Subcontractor provides family-planning services under the Agreement, Company reserves the right to require Provider/Subcontractor to submit claims and/or reports in specified formats before reimbursing for such family-planning services. Furthermore, any Provider/Subcontractor that provides cost, quality, or medical-appropriateness reviews, or that provides coordination-of-benefits or subrogation services, must keep family-planning information and records (including any information and records received from non-participating providers) confidential in favor of the individual patient, even if that patient is a minor. [State Contract, Article III § 1.2.4]

8. Member Identification & Eligibility. Upon its Members' enrollment and/or reenrollment with Company, Company shall provide Members with an identification card as a means to identify themselves to Provider/Subcontractor as a Medicaid-eligible enrollee of Company. Prior to Company's issuance of that Member identification card, the separate Medicaid identification card issued by the State will serve as the Member's identification card. Provider/Subcontractor must ask to see both the State's Medicaid identification card and Company's Member identification card to verify the Member's eligibility and enrollment. [State Contract, Article III § 3.4.2]

9. Information for Provider Directory. Upon Company's request, Provider/Subcontractor shall provide the following information to Company: (a) Provider/Subcontractor's name, location(s), telephone number(s), and website URLs (as appropriate); (b) any languages other than English spoken by Provider/Subcontractor, and whether Provider/Subcontractor has completed cultural competence training; (c) whether Provider/Subcontractor is accepting new patients; (d) Provider/Subcontractor's provider group affiliations and provider specialties (as appropriate); and (e) whether Provider/Subcontractor has office accommodations for people with physical disabilities (including offices, exam room(s), and equipment). [State Contract, Article III § 3.4.4]

10. Encounter Data and Other Reporting Obligations. Provider/Subcontractor shall submit accurate and complete encounter records in such manner, format, and certification, and pursuant to such timeframes, as requested by Company so as to permit Company to meet its encounter-reporting obligations under the State Contract. Furthermore, Provider/Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to monitor Provider/Subcontractor to ensure that Provider/Subcontractor's encounter data are accurate, complete, and timely submitted. To the extent that Provider/Subcontractor directly furnishes services to Members, Provider/Subcontractor shall comply with all applicable State reporting requirements related to those services. [State Contract, Article III §§ 5.11, 5.11.4, 6.5]

11. Reporting of Required Reportable Diseases. Provider/Subcontractor shall comply with all State requirements related to the mandatory reporting of certain infectious diseases, including sexually transmitted diseases (STDs), tuberculosis, and other communicable diseases. [State Contract, Article III § 5.11.9]

12. Subcontracts. With respect to any and all Subcontracts:

a. Subcontractor does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and does not permit its employees to perform their services at any location under Subcontractor's control where segregated facilities are maintained; Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to provide to the State or other applicable authorities a copy of a certification attesting to same. The breach of this certification is a violation of Equal Opportunity in federal employment. In addition, Company and Subcontractor must comply with the Federal Executive Order 11246 entitled "Equal Employment Opportunity" as amended by Executive Order 11375 and as supplemented in the United States Department of Labor Regulations (41 C.F.R. Part 30). As used herein, the term "segregated facilities" includes any waiting rooms, restaurants and other eating areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated on the basis of race, color, religion, or national origin, because of habit, local custom, national origin, or otherwise. [State Contract, Article II § 5.3]

b. Subcontractor must act in an independent capacity and must not hold itself out to be an officer or employee of the State in connection with the State Contract. [State Contract, Article II § 5.8]

c. If Subcontractor seeks to terminate its Subcontract with Company for any reason, Subcontractor must provide to Company a written notice of Subcontractor's intent to terminate within the following timeframes: (i) within 90 days prior to the termination date of the Subcontract for systems operations or reporting; (ii) within 30 days prior to the termination date of the Subcontract for administrative services; and (iii) within 30 days prior to the termination date of any other Subcontract. [State Contract, Article II § 8.4]

d. If Company delegates to Subcontractor the performance of any duties for which Company is responsible under the State Contract, Subcontractor shall perform such delegated duties to the same extent and under the same requirements as if performed directly by Company. Subcontractor shall comply with all provisions of the State Contract that relate to the services or activities that Company has delegated to Subcontractor under the Agreement. [State Contract, Article II § 8.4 and Article III § 11]

e. If Company delegates to Subcontractor the performance of any duties relating to operation of a call center, Subcontractor's call center must meet or exceed the phone-line performance

standards set forth in the State Contract (and in particular Section 2.6.1 of Article III thereof). [State Contract, Article III § 2.6.1]

f. If Company delegates to Subcontractor the selection of Providers under the Agreement, Company shall retain the right to approve, suspend, or terminate any Provider selected by that Subcontractor. [State Contract, Article III § 11]

g. If Company delegates to Subcontractor any credentialing or recredentialing activities/obligations, Subcontractor shall conduct such activities/obligations in compliance with all applicable credentialing/recredentialing standards and requirements set forth in the State Contract (and in particular Section 2.1 of Article III thereof) and in applicable federal and State laws, regulations, and written policies. [State Contract, Article III §§ 2.1.4, 2.1.5, 2.1.6]

h. If Company delegates to Subcontractor any activities or obligations of Company under the State Contract: (i) Subcontractor acknowledges and agrees that prior to such delegation, Company shall be entitled and obligated to evaluate Subcontractor's ability to perform such delegated functions; and (ii) Company may revoke such delegation or impose other sanctions if the Subcontractor's performance is inadequate, all in accordance with the terms set forth in the Agreement. [State Contract, Article III § 11]

i. Subcontractor acknowledges and agrees that Company is entitled and obligated to monitor Subcontractor's performance on an ongoing basis consistent with 42 C.F.R. § 438.230. Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to monitor Subcontractor's performance. [State Contract, Article II § 8.4 and Article III § 11]

j. If Company identifies deficiencies or areas for improvement in the Subcontractor's performance under the Agreement, Subcontractor shall cooperate with Company in taking all necessary corrective actions. [State Contract, Article II § 8.4 and Article III § 11]

k. The Subcontract shall be in writing and shall be agreed upon in compliance with Company's obligations under the State Contract (and to the extent that Subcontractor engages any downstream providers or subcontractors, any such downstream agreements shall be in writing and so agreed-upon as well), including without limitation any agreement under which Company receives rebates, recoupments, discounts, payments, incentives, fees, free goods, bundling arrangements, or any other consideration from Subcontractor or any other third party as related to the State Contract. The Subcontract shall not terminate the legal liability of Company under the State Contract, including without limitation any liability for damages, penalties, or disallowances imposed on the State or Company arising from any non-compliance or non-performance related to the delivery of Covered Services or other deliverables under the State Contract by Company or its Subcontractors or agents, and Company shall remain solely responsible for fulfillment of the State Contract and shall assume prime contractor responsibility under the State Contract. Furthermore, if Company delegates to Subcontractor any functions or responsibilities under the State Contract, Company shall remain accountable and liable to the State for any such functions/responsibilities, and Subcontractor shall cooperate with Company with respect to Company's obligations in this regard. [State Contract, Article II § 8.4]

l. Company shall have the right to revoke any subcontract or impose sanctions if the Subcontractor's performance is inadequate, all in accordance with the terms set forth in the Agreement. [State Contract, Article III § 8.4]

13. Pharmacy Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to pharmacy benefits under the State Contract:

a. For physician-administered drugs provided under managed care, Provider/Subcontractor shall ensure that each pharmacy and medical encounter includes a 340B indicator, supplied by the provider at the time of billing, that verifies whether or not a 340B drug was dispensed/administered to the Member. Provider/Subcontractor must report this information using a standardized template supplied by the State. [State Contract, Article III §§ 5.11.12]

14. Dental Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to dental benefits under the State Contract:

a. Provider/Subcontractor shall administer all dental benefits in accordance with the provisions and requirements of Section 9 ("MHT Children's Dental Services") of Article III of the State Contract, including without limitation all credentialing/recredentialing, licensing, reimbursement, and continuity-of-care provisions and requirements therein, and in accordance with all applicable State and federal laws and regulations. [State Contract, Article III §§ 9.1–9.7]

b. If Company delegates to Provider/Subcontractor any activities or obligations related to dental benefits under the State Contract, Provider/Subcontractor shall comply with the provisions and requirements set forth in Section 9 ("MHT Children's Dental Services") of Article III of the State Contract. [State Contract, Article III §§ 9.1–9.7]

c. For those Providers that induce central nervous system anesthesia, Provider shall maintain an anesthesia permit and/or certificate from the West Virginia Board of Dental Examiners. [State Contract, Article III § 2.1.6]

15. Behavioral-Health Benefits. In addition to the other requirements set forth herein that are applicable to Covered Services, with respect to behavioral-health benefits under the State Contract:

a. Provider/Subcontractor shall administer all behavioral-health benefits in accordance with the provisions and requirements of Section 10 ("Behavioral Health Services") of Article III and Appendix A ("Description of MCO Covered and Excluded Services") of the State Contract, including without limitation all licensure and service-authorization provisions and requirements therein. Provider/Subcontractor shall also administer all behavioral-health benefits in accordance with all applicable State and federal laws and regulations, including without limitation 42 C.F.R. Subpart K, Parity in Mental Health and Substance Use Disorder Benefits, and shall not impose any aggregate lifetime, annual dollar limits, or other cumulative financial limits on mental-health or substance use disorder services. [State Contract, Article III §§ 10.1–10.11]

b. If Company delegates to Provider/Subcontractor any activities or obligations related to behavioral-health benefits under the State Contract, Provider/Subcontractor shall comply with the provisions and requirements set forth in Section 10 ("Behavioral Health Services") of Article III of the State Contract. [State Contract, Article III §§ 10.1–10.11]

c. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract to enhance available substance use disorder prevention and treatment services available to Members, as set forth more fully in Section 10.11 ("Substance Use Disorder Services") of Article III of the State Contract. [State Contract, Article III §§ 10.11]

16. Physician Incentive Plan Requirements. In the event compensation to Provider/Subcontractor under the Agreement includes Physician Incentive Plans (PIPs) as defined by federal law, those PIPs shall comply with 42 C.F.R. §§ 417.479, 422.208, 422.210, and 438.6(h) (as they may be amended from time to time and/or any successor regulations thereto). Company, as applicable, shall make no specific payment directly or indirectly under a PIP to Provider/Subcontractor as an inducement to reduce or limit medically necessary Covered Services furnished to a Member. PIPs shall not contain provisions that provide incentives, monetary or otherwise, for the withholding of medically necessary care. Provider/Subcontractor further acknowledges and agrees that in the event Provider/Subcontractor is deemed to be at substantial financial risk under applicable PIP regulations, Provider/Subcontractor shall (i) cooperate and assist Company in conducting satisfaction surveys of Members who have used Provider/Subcontractor's services and in fulfilling Company's PIP-related reporting obligations under the State Contract; and (ii) obtain, at Provider/Subcontractor's sole expense, any additional stop loss insurance required pursuant to the PIP regulations. [State Contract, Article III § 2.8]

17. Quality Assessment/Performance Improvement (QAPI) Program. Provider/Subcontractor shall participate in Company's quality assessment/performance improvement program (QAPI) activities, shall cooperate with Company with respect to Company's QAPI obligations under the State Contract, and shall cooperate with

Company's quality-improvement committee. Provider/Subcontractor's QAPI participation shall include, but is not limited to, providing access to medical records, cooperation with data-collection activities, and compliance with credentialing/recredentialing of healthcare providers. [W. Va. Code § 33-25A-17a; State Contract, Article III § 6.5]

18. Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Services. Provider/Subcontractor shall provide EPSDT services to Members in compliance with the State Contract (and in particular Section 1.2.1 of Article III thereof), with applicable State and federal laws, regulations, and policy statements, and with applicable Company policies and procedures relating to EPSDT. Provider/Subcontractor shall cooperate with Company with respect to Company's EPSDT-related obligations under the State Contract. [State Contract, Article III § 1.2.1]

19. Third Party Liability. Provider/Subcontractor acknowledges and agrees that Medicaid payment, under the State Contract or otherwise, is secondary to other sources of payment for Covered Services provided to Members, and that Medicaid (and consequently Company, as a Medicaid MCO of the State) is the payer of last resort. Provider/Subcontractor furthermore acknowledges and agrees that when Company is aware of third-party sources of payment for Covered Services, Company is required by the State Contract to "cost avoid" (*i.e.*, deny) the associated claim and to redirect Provider/Subcontractor to bill that third-party source of payment as the primary payer. Provider/Subcontractor may not interfere with or place any liens upon the State's right or Company's right, acting as the State's agent, to recover from third-party resources. Notwithstanding the foregoing, neither Company nor Provider/Subcontractor may refuse to furnish Covered Services to Members on account of a third party's potential liability for those Covered Services. [State Contract, Article III §§ 2.6.3, 7.5]

20. Cooperation with Company. Provider/Subcontractor shall cooperate with Company with respect to Company's obligations under the State Contract, including without limitation:

a. Company's obligation to cooperate with the State as part of any readiness review under the State Contract prior to Provider/Subcontractor's operational start date. [State Contract, Article II § 7]

b. Company's obligation to submit financial and expense-related reports/data to the State relating to the Risk Corridor Payment Adjustment and the Medical Loss Ratio (MLR) calculation set forth in the State Contract. [State Contract, Article III §§ 7.1–7.3]

c. Company's obligation to investigate, pursue, recover, and report on overpayments (including those due to fraud, waste, and abuse), and on coordination-of-benefit and third-party-liability resources and recoveries. [State Contract, Article III §§ 7.5, 8.3]

d. Company's obligation to submit reports and other data to the State as set forth in the State Contract. [State Contract, Article II §§ 4.14, 8.4 and Article III § 5.11]

e. Company's obligation to supply employment/affirmative-action information to the State, as set forth in the State Contract, for State compliance with Title VI and Title VII of the Civil Rights Act of 1964. [State Contract, Article II § 5.5]

f. Company's obligation to provide timely, substantive responses to information requests received from the State in connection with the State Contract. [State Contract, Article II § 5.12]

g. Company's obligation to maintain and keep current a Subcontractor monitoring plan and to provide a copy of such monitoring plan to the State within ten (10) business days of the State's request. [State Contract, Article II § 8.4]

h. Company's obligation to disclose to the State and/or other applicable governmental agencies the ownership-and-control and prohibited-affiliation information required under Section 8.6 of Article II of the State Contract and/or 42 C.F.R. § 455.100 through 42 C.F.R. § 455.106 and 42 C.F.R. § 438.610. [State Contract, Article II § 8.6]

i. Company's obligation to timely communicate with the Provider/Subcontractor's emergency department (if applicable) regarding emergency Covered Services to expedite postevaluation or

poststabilization services in order to avoid material deterioration of the Member's condition. [W. Va. Code § 33-25A-8a(b)(4)]

j. Company's obligation to provide a "patient-centered medical home" for its Members. [State Contract, Article III § 1.6.1]

k. Company's obligation to develop and implement Performance Improvement Projects as set forth in the State Contract. [State Contract, Article III § 6.2]

l. Company's obligation to ensure continuity and coordination of care with respect to healthcare services provided to Members, including timely communication of clinical information among providers. [State Contract, Article III §§ 5.3, 5.6]

m. Company's obligation to investigate and report fraud, waste, and abuse, with Provider/Subcontractor reporting to Company any suspected fraud, waste, or abuse of which Provider/Subcontractor becomes aware. [State Contract, Article III § 8.1]

n. Company's obligation to respond to any deficiency/non-performance notice, notice of conditions endangering contract performance, breach/default notice, or request for a corrective action plan that Company receives from the State relating to Subcontractor or to the services that are within the scope of the Agreement. [State Contract, Article II, §§ 6.2–6.4, 8.4 and Article III § 6.3]

o. If Provider/Subcontractor is a primary care provider (PCP), Company's obligation to monitor PCP panel status and capacity. [State Contract, Article III § 2.2.7]

p. Company's provider complaint and appeal processes. [State Contract, Article III § 2.6.3]

q. Company's obligation (i) to design, develop, implement, and conduct annual provider-satisfaction surveys to evaluate provider and provider-staff satisfaction with Company, and (ii) to collect, analyze, and submit to the State the results of such provider-satisfaction surveys on an annual basis. [State Contract, Article III § 2.6.5]

r. Company's obligation to maintain a Transition Plan (as that term is defined and used in the State Contract) relating to termination or expiration of the State Contract and related documentation. [State Contract, Article II § 6.15]

21. Termination of Agreement and Effect Thereof. In the event the Agreement is terminated, such termination shall not constitute termination of any other agreement that Provider/Subcontractor has entered into with Company or an Affiliate of Company unless otherwise agreed to in writing by the Parties. Furthermore, in the event this West Virginia Medicaid Addendum is terminated, such termination shall not constitute termination of any other Product Addendum or product participation that Provider/Subcontractor has entered into with Company pursuant to the Agreement unless otherwise agreed to in writing by the Parties. In addition, Provider must provide at least 60 days' prior written notice to Company and the State Insurance Commissioner before terminating this Agreement for any reason. Nonpayment for goods or services rendered by Provider to Company under the Agreement is not a valid reason for avoiding such 60-day advance notice of termination. Upon receipt by Company of a 60-day cancellation notice, Company may terminate the Agreement in less than 60 days if requested by Provider and if Company is not financially impaired or insolvent. [W. Va. Code § 33-25A-7a(7)–(8)]

22. Confidentiality; Protected Health Information. With respect to the confidentiality of data and records:

a. Provider/Subcontractor shall abide by the same statutes and regulations regarding the confidentiality of protected health information that Company is itself subject to under the State Contract and state and federal law, including the Health Insurance Portability and Accountability Act (42 U.S.C. § 1320d), the Health Information Technology for Economic and Clinical Health Act (42 U.S.C. § 17931, *et seq.*), and 45 C.F.R. Parts 160 and 164. All information that Provider/Subcontractor obtains through the services that it performs in connection with the State Contract, including without limitation information

relating to Members or other applicants or recipients of State programs (*e.g.*, medical records and data or data elements collected, maintained, or used, adolescent and/or STD appointment records, etc.) is confidential to the extent that confidential treatment is provided under state and federal law, rules, and regulations, must be protected from unauthorized disclosure, and shall only be used in a manner as is necessary for the proper discharge of obligations and securing of rights in connection with the State Contract. Provider/Subcontractor must furthermore establish procedures: (i) to develop and promulgate policies in accordance with federal and State law establishing who is authorized to receive such information; (ii) to safeguard the privacy of any information that identifies a particular Member by ensuring that information from Company or copies of records may be released only to authorized individuals, that unauthorized individuals cannot gain access to or alter patient records, and that original medical records are released only in accordance with federal or State law, court orders, or subpoenas; (iii) to address the confidentiality and privacy for minors, subject to applicable federal and State law; and (iv) to abide by all federal and State laws regarding confidentiality and disclosure for mental health records, medical records, other health information, and any information about Members. This confidentiality provision shall survive termination of the Agreement. [State Contract, Article II § 8.4 and Article III §§ 2.6.3, 5.10]

b. If Provider/Subcontractor provides cost, quality, or medical-appropriateness reviews, or coordination-of-benefits or subrogation services, it shall maintain the confidentiality of all Member medical records and shall not release that information without the written consent of the Member or other responsible party, except as specified below:

(i) Written consent is not required for the transmission of medical record information to physicians, other practitioners, or facilities that are providing services to Members under a Subcontract with Company. This provision also applies to specialty providers who are retained by the Company to provide services that are infrequently used or are of an unusual nature. This also allows for transfer of information (written or verbal) to the State and its staff and subcontractors.

(ii) Written consent is not required for the transmission of medical record information to physicians or facilities providing emergency care, or to the Company, its staff, its contracted Providers, or its Subcontractors that are providing cost, quality, or medical-appropriateness reviews, or coordination-of-benefits or subrogation services.

(iii) Written consent is required for the transmission of the medical record information of a former Member to any physician not connected with Company, except as set forth in subparagraph (ii) immediately above.

The extent of medical record information to be released in each instance above will be based upon tests of medical necessity and a "need to know" basis on the part of the practitioner or facility requesting the information. [State Contract, Article III § 5.10]

23. Inspection of Facilities. Provider/Subcontractor shall provide the State and any other legally authorized governmental entity (including without limitation the Centers for Medicare and Medicaid Services ("CMS") and the Office of the Inspector General of the United States Department of Health and Human Services (the "OIG")), or their authorized representatives, the right to enter and/or inspect Provider/Subcontractor's premises, physical facilities, and equipment (or other places where work under the State Contract is performed) at any time to inspect and monitor or otherwise evaluate the quality, appropriateness, and timeliness of services performed in connection with the State Contract in accordance with the terms set forth in 42 C.F.R. § 434.6 and in Section 8.1 of Article II of the State Contract. In the event of such inspection/audit, Provider/Subcontractor must, upon request, (i) provide and make available staff to assist in the audit or inspection effort, and provide adequate space on the premises to reasonably accommodate the State or federal representatives conducting the audit or inspection effort, and (ii) provide reasonable facilities and assistance for the safety and convenience of the persons performing inspections. The foregoing rights to inspect, evaluate, and audit shall exist for ten (10) years from the final date of the contract period or from the date of completion of any audit, whichever is later. The State or any other legally authorized governmental entity conducting any such inspection (i) shall request access to Provider/Subcontractor in writing, except in cases of suspected fraud and abuse, (ii) shall not unduly interfere with the work being performed by Provider/Subcontractor, and (iii) shall give Provider/Subcontractor ten (10) working days to respond to any audit

findings before the State finalizes those findings, with the State according confidential treatment to all information so obtained. [State Contract, Article II § 8.1; 42 C.F.R. §§ 438.3(h), 438.3(u), 438.230(c)(3)(iii)]

24. Maintenance and Examination of Records; Separate Accounting Records. Provider/Subcontractor shall maintain records, books, documents, papers, and files relating to State's Medicaid managed-care program and to related services and expenditures, including reports to the State and source information used in preparation of those reports, and including without limitation financial statements, records relating to quality of care, and medical records. Provider/Subcontractor shall furthermore maintain accounting records related to the services performed in connection with the State Contract, and shall maintain those records (a) in accordance with generally accepted accounting principles, and (b) in separate books, records, documents, files, or other evidence pertaining to the administrative costs and expenses related to the State Contract to the extent and in such detail as must properly reflect all revenues and all costs of whatever nature for which reimbursement is claimed under the State Contract. Furthermore, Provider/Subcontractor shall provide the State and its authorized agents with prompt, reasonable, and adequate access to any records, books, documents, papers, and files that Provider/Subcontractor maintains regarding the services performed in connection with the State Contract (including the aforementioned accounting records), at no cost to the State or its authorized agents and in a manner that clearly identifies the requested documents as pertaining to the State Contract, all in compliance and accordance with the terms set forth in Section 8.3 of Article II of the State Contract. The State and its authorized agents shall request such access in writing except in cases of suspected fraud and abuse. Provider/Subcontractor shall submit all such records, books, documents, papers, and files to the State or its authorized agents in a manner that maintains the confidentiality of the involved parties (*e.g.*, by blacking out members' and providers' names, as necessary). Provider/Subcontractor shall furthermore comply with the record-retention requirements of 45 C.F.R. §§ 74.21–74.23, and all such records maintained shall be the property of the State, with the exception of medical records and member and provider quality-assurance and quality-improvement records, when confidentiality is protected by applicable law. Provider/Subcontractor shall maintain all of the foregoing records, books, documents, papers, and files (including the aforementioned accounting records and all source records for its data reports) during the entire term of the State Contract, and thereafter during the entire ten (10) year period after the completion date of the State Contract or until final resolution of all pending audits, litigation, claims, negotiations, or other actions involving those records, whichever is later; Provider/Subcontractor must have written policies and procedures in place to govern the storage and maintenance of the foregoing records. Furthermore, upon any non-renewal or termination of the State Contract, Provider/Subcontractor shall turn over to the State and/or its authorized agents, upon that party's request and at no cost to the requesting party, any records (with the exception of patient medical records), books, documents, papers, files, and operational information (including correspondence, documentation of ongoing or outstanding issues, operations support documentation, and operational information regarding subcontractors) that Provider/Subcontractor maintains regarding the services performed in connection with the State Contract, including without limitation all information necessary for the reimbursement of any outstanding Medicaid claims, in order to ensure the orderly transfer of activities under the State Contract and/or to transition data or documentation to the State or to a subsequent MCO or contractor as part of an MCO transition. Provider/Subcontractor shall make all requested medical records available within 10 working days of any State request. [State Contract, Article II §§ 6.14, 6.15, 8.2, 8.3, 8.3.1, 8.3.2, 8.3.3, 8.4; 42 C.F.R. §§ 438.3(h), 438.3(u), 438.230(c)(3)(iii)]

25. Access to Records. Provider/Subcontractor shall provide to the State (a) all information required under the State Contract, including but not limited to the reporting requirements and other information related to Provider/Subcontractor's performance of its obligations under the Agreement; and (b) any information in Provider/Subcontractor's possession sufficient to permit the State to comply with the federal Balanced Budget Act of 1997 or other federal or state laws, rules, and regulations. If Provider/Subcontractor places any required records in another legal entity's records, such as a hospital, Provider/Subcontractor is responsible for obtaining a copy of these records for use by Company, the State, and/or the State's representatives. Furthermore, Provider/Subcontractor must provide the State and any other legally authorized governmental entity (including without limitation CMS and the OIG), or their authorized representatives, the right to inspect Provider/Subcontractor's records to monitor or otherwise evaluate the quality, appropriateness, and timeliness of services performed in connection with the State Contract in accordance with the terms set forth in 42 C.F.R. § 434.6 and in Section 8 of Article II of the State Contract. In the event of such State inspection/audit, Provider/Subcontractor must, upon request, provide and make available staff to assist in the audit or inspection effort, and provide adequate space on the premises to reasonably accommodate the State or federal representatives conducting the audit or inspection effort. The foregoing rights to inspect, evaluate, and audit shall exist for ten (10) years from the final date of the contract period or from the date of completion of any audit, whichever is later.

[State Contract, Article II §§ 8.1, 8.4 and Article III § 2.6.3; 42 C.F.R. §§ 438.3(h), 438.3(u), 438.230(c)(3)(iii)]

26. Audit Accounting and Retention of Records. Provider/Subcontractor acknowledges and agrees that the State and other legally authorized governmental agencies, at their option, may conduct (i) an audit of Provider/Subcontractor's operations as they pertain to services and recoveries related to the State Contract, and/or (ii) an audit of, or an inspection of any books or records of, Provider/Subcontractor pertaining to the ability of the Company and/or Provider/Subcontractor to bear the risk of financial losses and services performed or payable amounts under the State Contract. For purposes of any audit, Provider/Subcontractor must provide to the State (including the State Auditor), to the Secretary of the United States Department of Health and Human Services ("HHS"), to any other legally authorized state or federal governmental agency, and/or to any of the foregoing's respective authorized agents, the right to access and examine any materials and information of the Provider/Subcontractor that are relevant to the services performed in connection with the State Contract, at no cost to the requesting party and at any time during the term of the State Contract, and thereafter at any time during the ten (10) year period after the completion date of the State Contract or until final resolution of all pending audit questions and litigation, whichever is later, all in compliance and accordance with the terms set forth in Section 8.3 of Article II of the State Contract. The State and its authorized agents shall request such access in writing except in cases of suspected fraud and abuse. [State Contract, Article II §§ 8.2, 8.3; 42 C.F.R. §§ 438.3(h), 438.3(u), 438.230(c)(3)(iii)]

27. Medical Records. A Provider/Subcontractor that furnishes services to Members shall maintain an enrollee health record for each such Member. Furthermore, if Provider/Subcontractor is the primary care provider (PCP) for a Member, Provider/Subcontractor shall (a) establish and maintain a confidential, centralized medical record that details the care received by that Member, and (b) if the Member changes PCPs, promptly forward to the new PCP all Member medical records or copies thereof to ensure continuity of care. All medical records maintained by Provider/Subcontractor should demonstrate coordination of patient care, including without limitation inclusion in the Member's medical records of any relevant information from referral sources. Provider/Subcontractor shall maintain all medical records in accordance with applicable Company standards, which shall take professional standards into account. These standards include Provider/Subcontractor's duty to maintain Member medical records in a timely, legible, current, detailed, organized, and complete manner to permit quality/utilization review and to disclose the quantity, quality, appropriateness, and timeliness of services provided under the State Contract. Upon request, Provider/Subcontractor shall make its Member health records available and accessible to Company, and to appropriate state and federal authorities and/or their delegates, to permit an assessment of the quality of care and/or an investigation of Member grievances or complaints. [State Contract, Article II § 8.2 and Article III § 5.9]

28. Licensing and Credentialing Requirements; Malpractice Insurance.

a. Provider/Subcontractor shall procure all necessary permits and licenses and abide by all applicable laws, regulations, and ordinances of the United States, the State, and any political subdivision thereof in which work under the Agreement is performed. If Provider/Subcontractor is a home health care provider, Provider/Subcontractor shall maintain a surety bond as specified in Section 1861(o)(7) of the Social Security Act. [State Contract, Article II § 5.14 and Article III §§ 2.1.6, 2.6.3]

b. Provider/Subcontractor shall maintain adequate malpractice coverage, with minimum coverage requirements of $1 million per individual episode and $1 million in the aggregate, to protect against allegations arising out of the rendering of professional services or the alleged failure to render professional services by Provider/Subcontractor and/or its employees. [State Contract, Article III § 2.6.3]

c. Provider/Subcontractor shall comply with all credentialing and recredentialing policies and procedures that Company implements to verify Provider/Subcontractor's credentials, including without limitation by completing a credentialing application in accordance with the State's policies and procedures. Furthermore, Provider/Subcontractor shall comply with all applicable credentialing/recredentialing standards and requirements set forth in the State Contract (and in particular Section 2.1 of Article III thereof), and in applicable federal and State laws, regulations, and written policies, including without limitation W. Va. C.S.R. § 114-53-6. [State Contract, Article III §§ 2.1.4, 2.1.5, 2.1.6]

d. To the extent that Provider/Subcontractor orders, refers, or renders Covered Services, Provider/Subcontractor must enroll as a Medicaid provider with the State, through the State's fiscal agent,

as required by 42 C.F.R. 438.602(b). Provider/Subcontractor acknowledges that (i) enrollment with the State does not obligate Provider/Subcontractor to offer services under the fee-for-service delivery system, and (ii) Company is not required to contract with a provider enrolled with the State if that provider does not meet Company's credentialing or other requirements. [State Contract, Article III §§ 2.1.4]

29. Disclosure of Ownership and Control, Business Transactions, and Interlocking Relationships; Prohibited Affiliations.

a. Consistent with federal disclosure requirements described in 42 C.F.R. § 455.100 through 42 C.F.R. § 455.106 and 42 C.F.R. § 438.610, and to ensure that Company does not make a payment to an individual or entity that has been criminally convicted of a felony, that is debarred, suspended, or otherwise excluded from participating in federal health care programs (including without limitation Medicare, Medicaid, or Title XX programs), or that is excluded from participating in procurement activities under the Federal Acquisition Regulation, or from participating in non-procurement activities under regulations issued under Executive Order No. 12549 or under guidelines implementing Executive Order No. 12549, Provider/Subcontractor shall disclose to Company: (i) any ownership and control, relationship, and financial interest information that is required to be disclosed under the State Contract or applicable law (including without limitation names and tax IDs); (ii) any changes to such ownership and control, relationship, and financial interest information within 35 days of such changes; and (iii) information on any healthcare-related criminal convictions of Provider/Subcontractor and/or any director, owner, principal, partner, agent, or managing employee thereof (or other person with an ownership or control interest of 5% or more in the Provider/Subcontractor), to be provided to Company at the time the Agreement is executed, at the time of Provider/Subcontractor's application for or renewal of Medicaid participation, at any time upon request, and immediately upon Provider/Subcontractor's receipt of notice of any such conviction. [State Contract, Article II § 8.6 and Article III § 2.6.3]

b. Upon request by Company, the State, and/or the Secretary of the United States Department of Health and Human Services, or their respective designees, Provider/Subcontractor must submit, within thirty-five (35) days of that request, full and complete information about (i) the ownership of any subcontractor with whom Provider/Subcontractor has had business transactions totaling more than $25,000 during the 12-month period ending on the date of the request, and (ii) any significant business transactions between Provider/Subcontractor and any wholly owned supplier, or between the Provider/Subcontractor and any subcontractor thereof, during the 5-year period ending on the date of the request. [42 C.F.R. § 455.105; State Contract, Article II § 8.6 and Article III § 2.6.3]

c. Provider/Subcontractor will not acquire any direct or indirect interest that would conflict with, or compromise in any manner or degree, the performance of its services under the Agreement. Furthermore, Provider/Subcontractor shall not pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value to an employee or agent of the State with the intent to influence work related to the State Contract. Provider/Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to provide to the State or other applicable authorities a copy of a certification attesting to same. [State Contract, Article II §§ 5.18, 5.21 and Article III § 2.6.3]

d. Provider/Subcontractor shall certify upon Company's request that neither Provider/Subcontractor, nor any individual who has a direct or indirect ownership or controlling interest of 5% or more of that Provider/Subcontractor, nor any officer, director, principal, partner agent, or managing employee thereof (*i.e.*, general manager, business manager, administrator, director, or like individual who exercises operational or managerial control over that Provider/Subcontractor or who directly or indirectly conducts the day-to-day operation of that Provider/Subcontractor) is an entity or individual: (i) who has been convicted of any offense under section 1128(a) of the Social Security Act (42 U.S.C. § 1320a-7(a)) or of any offense related to fraud or obstruction of an investigation or a controlled substance described in section 1128(b)(1)–(3) of the Social Security Act (42 U.S.C. § 1320a-7(b)(1)–(3)); (ii) against whom a civil monetary penalty has been assessed under section 1128A or 1129 of the Social Security Act (42 U.S.C. § 1320a-7a; 42 U.S.C. § 1320a-8); or (iii) who has been excluded, suspended, debarred, revoked, or any other synonymous action from participation in any program under Title XVII, sections 1902(a)(39) and (41) of the Social Security Act, under Title XVIII (Medicare), under Title XIX (Medicaid), under section 4724 of

the Balanced Budget Act, under the provisions of Executive Order 12549, or under any state or federal healthcare program (to comply with this certification, Provider/Subcontractor shall at a minimum review the exclusion lists maintained by the Department of Health and Human Services Office of Inspector General (namely, the HHS OIG List of Excluded Individuals/Entities a/k/a LEIE), by the General Services Administration (namely, the GSA Excluded Persons List System a/k/a EPLS), and by the State). Furthermore, Provider/Subcontractor shall notify Company if any action described in this subparagraph of the West Virginia Medicaid Addendum has been taken or is being taken against any person or entity described above, and shall provide such notice to Company immediately upon Provider/Subcontractor's receipt of notice of such action. [State Contract, Article II § 8.6 and Article III § 2.6.3]

e. For purposes of this paragraph of the West Virginia Medicaid Addendum, the following definitions shall apply:

(i) "Convicted" means that (a) a judgment of conviction has been entered against an individual or entity by a federal, state, or local court, regardless of whether there is a post-trial motion or an appeal pending or the judgment of conviction or other record relating to the criminal conduct has been expunged or otherwise removed; (b) a federal, state, or local court has made a finding of guilt against an individual or entity; (c) a federal, state or local court has accepted a plea of guilty or *nolo contendere* by an individual or entity; or (d) an individual or entity has entered into participation in a first offender, deferred adjudication or other program or arrangement where judgment of conviction has been withheld.

(ii) "Disclosing entity" means a Medicaid provider (other than an individual practitioner or group of practitioners), or a fiscal agent.

(iii) "Indirect ownership interest" means an ownership interest in an entity that has an ownership interest in the disclosing entity. This term includes an ownership interest in any entity that has an indirect ownership interest in the disclosing entity.

(iv) "Ownership Interest" means the possession of equity in the capital, the stock, or the profits of the disclosing entity pursuant to 42 C.F.R. § 455.101.

(v) "Person with an ownership or control interest" means a person or corporation that (a) has an ownership interest totaling 5% or more in a disclosing entity; (b) has an indirect ownership interest equal to 5% or more in a disclosing entity; (c) has a combination of direct and indirect ownership interests equal to 5% or more in a disclosing entity; (d) owns an interest of 5% or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5% of the value of the property or assets of the disclosing entity; (e) is an officer or director of a disclosing entity that is organized as a corporation; or (f) is a partner in a disclosing entity that is organized as a partnership.

[42 C.F.R. § 455.101; 42 C.F.R. § 1001.2; State Contract, Article II § 8.6 and Article III § 2.6.3]

30. Marketing Activities. Provider/Subcontractor shall comply with 42 C.F.R. § 438.104 and with "Appendix D: Marketing Policies," the latter of which is attached to and incorporated into the State Contract, with respect to marketing activities and practices, and shall not engage in any direct marketing to Members that is designed to increase enrollment in a particular MCO. Provider/Subcontractor is not prohibited from engaging in permissible marketing activities consistent with broad outreach objectives and application assistance, but shall submit to Company (and, if requested, to the State Insurance Commissioner) for review any marketing materials of Provider/Subcontractor that relate to the State Contract prior to disseminating same. Provider/Subcontractor shall not knowingly use or permit the use of any advertising that is untrue, misleading, or deceptive. [W. Va. Code § 33-25A-14(a); State Contract, Article III §§ 2.6.3, 3.1 and Appendix D]

31. Compliance with Section 6032 of the Deficit Reduction Act of 2005. If Provider/Subcontractor receives annual Medicaid payments of at least $5 million (cumulative, from all sources), then it shall: (a) establish written policies for its employees, managers, officers, contractors, subcontractors, and agents that provide detailed

information about the False Claims Act, administrative remedies for false claims and statements, any state laws about civil or criminal penalties for false claims, and whistleblower protections under such laws, as described in Section 1902(a)(68)(A) of the Social Security Act (codified at 42 U.S.C. § 1396a(a)(68)(A)); (b) include as part of such written policies detailed provisions regarding Provider/Subcontractor's policies and procedures for detecting and preventing fraud, waste, and abuse; and (c) include in any employee handbook of Provider/Subcontractor a specific discussion of the laws described in Section 1902(a)(68)(A) of the Social Security Act (codified at 42 U.S.C. § 1396a(a)(68)(A)), the rights of employees to be protected as whistleblowers, and Provider/Subcontractor's policies and procedures for detecting and preventing fraud, waste, and abuse. [42 U.S.C. § 1396a(a)(68); State Contract, Article III §§ 2.6.3, 8.1]

32. Advance Directives. Provider/Subcontractor shall comply with 42 C.F.R. § 422.128 and the West Virginia Health Care Decisions Act relating to advance directives. [State Contract, Article III §§ 2.6.3, 3.5.4]

33. Compliance with Applicable Laws, Rules, and Policies; Request for Policies.

a. Provider/Subcontractor shall comply with all applicable federal and State laws, regulations, and written policies, including those pertaining to licensing and those affecting the rights of Members, and including without limitation: (i) the federal requirements set forth in Title 45, Part 74 and Title 42, Part 434 the Code of Federal Regulations; (ii) section 504 of the Rehabilitation Act of 1973; (iii) Title IX of the Education Amendments of 1972; (iv) the Age Discrimination Act of 1975; (v) the Americans with Disabilities Act of 1990, as amended; (vi) section 542 of the Public Health Service Act, pertaining to nondiscrimination against substance abusers; (vii) Title 45, Part 46 of the Code of Federal Regulations, pertaining to research involving human subjects; (viii) Title 45, Parts 160 and 164 Subparts A and E of the Code of Federal Regulations, pertaining to privacy and confidentiality; (ix) Title 42, Parts 434 and 438 of the Code of Federal Regulations, pertaining to managed care; (x) section 29a of the West Virginia Code; (xi) the Copeland Anti-Kickback Act; (xii) the Davis-Bacon Act; (xiii) Contract Work Hours and Safety Standards; (xiv) Right to Inventions Made Under a Contract or Agreement; (xv) the Clean Air Act and the Federal Water Pollution Control Act; (xvi) the Byrd Anti-Lobbying Amendment; (xvii) Debarment and Suspension; (xviii) the Patient Protection and Affordable Care Act (PPACA); (xix) the Health Care and Education Reconciliation Act of 2010 (HCERA); (xx) all applicable federal and State laws, regulations, policies, or reporting requirements needed to comply with the policies and regulations set forth in the Patient Protection and Affordable Care Act (PPACA), P.L. 111-148, enacted on March 23, 2010, and the Health Care and Education Reconciliation Act of 2010 (HCERA), P.L. 111-152, enacted on March 30, 2010; (xxii) the Mental Health Parity and Addition Equity Act of 2008 and its respective regulations (including without limitation Parts 438, 440, and 457 of Title 42 of the Code of Federal Regulations); (xxiii) the Assisted Suicide Funding Restriction Act of 1997; and (xxiv) any other pertinent federal, State or local laws, regulations, or policies. Provider/Subcontractor shall furthermore comply with all requirements and regulations pertaining to: (i) copyrights, data, and reporting and patent rights under any contract involving research, developmental, experimental, or demonstration work with respect to any discovery or invention which arises or is developed in the course of the State Contract; (ii) applicable standards, orders, or requirements under section 306 of the Clean Air Act (42 U.S.C. § 1857(h)), section 508 of the Clean Water Act (33 U.S.C. § 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 C.F.R. Part 15); and (iii) energy efficiency, which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94-165). [State Contract, Article II §§ 4.11, 5.14 and Article III § 3.7]

b. Company shall make available to Provider/Subcontractor within 20 business days of receipt of a request, reasonable access either electronically or otherwise, to all the policies that are applicable to Provider/Subcontractor or to particular health care services identified by Provider/Subcontractor. In the event the provision of the entire policy would violate any applicable copyright law, Company may instead comply by timely delivering to Provider/Subcontractor a clear explanation of the policy as it applies to Provider/Subcontractor and to any health care services identified by Provider. [W. Va. Code § 33-45-2(a)(5)]

34. Non-Discrimination. Provider/Subcontractor shall comply with all federal and State laws relating to non-discrimination, including but not limited to: (a) Title VI of the Civil Rights Act of 1964, (42 U.S.C. § 2000d *et seq.*) and as applicable 45 C.F.R. Part 80 or 7 C.F.R. Part 15; (b) section 504 of the Rehabilitation Act of 1973 (29

U.S.C. § 794); (c) the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 *et seq.*); (d) the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101–6107); (e) Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681–1688); (f) the Food Stamp Act of 1977 (7 U.S.C. § 200 *et seq.*); (g) Executive Order 11246 and its implementing regulations at 41 C.F.R. Part 60; (h) Executive Order 13279, and its implementing regulations at 45 C.F.R. Part 87 or 7 C.F.R. Part 16; and (i) the Immigration Reform and Control Act of 1986 (8 U.S.C. § 1101 *et seq.*). Furthermore, Provider/Subcontractor may not discriminate in enrollment, delivery of health care, or any other activity against Members on the basis of health status, conditions of or type of enrollment in the geographic areas within the State's Medicaid managed-care program, or need for health care services. [State Contract, Article II § 5.15 and Article III § 3.7]

35. Eligibility for Federal Agreements and Grants. Provider/Subcontractor shall comply with any applicable federal requirements and assurances relating to eligibility for federal agreements and grants, as set forth in federal Office of Management and Budget (OMB) Standard Form 424B and in 45 C.F.R. Part 76. [State Contract, Article II § 5.16 and Article III § 2.6.3]

36. Lobbying. Provider/Subcontractor, as provided by 31 U.S.C. § 1352 and 45 C.F.R. § 93.100 *et seq.*, will not pay federally appropriated funds to any person for influencing or attempting to influence an officer or employee of any agency, a member of the U.S. Congress, an officer or employee of the U.S. Congress, or an employee of a member of the U.S. Congress in connection with the awarding of any federal contract, the making of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement. Provider/Subcontractor shall cooperate with Company with respect to Company's obligation under the State Contract to provide to the State or other applicable authorities a copy of a certification attesting to same, including without limitation any disclosure form as provided in 45 C.F.R. § 93.110 and Appendix B to 45 C.F.R. Part 93, if any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of the U.S. Congress, an officer or employee of the U.S. Congress, or an employee of a member of the U.S. Congress in connection with the State Contract. [State Contract, Article II § 5.17]

37. State's Data Files. Provider/Subcontractor shall establish and maintain at all times reasonable safeguards against the destruction, loss, or alteration of the State's data and any other data in the possession of Provider/Subcontractor necessary to the performance of operations under the State Contract. [State Contract, Article II § 5.19]

38. Disclosure of Legal Proceedings and Related Events. If Provider/Subcontractor, its parent, or one of its affiliates becomes a party to any litigation, investigation, or transaction that may reasonably be considered to have a material impact on Provider/Subcontractor's ability to perform under the Agreement, Provider/Subcontractor shall immediately notify Company in writing. Furthermore, Provider/Subcontractor shall notify Company in writing within twenty (20) calendar days of becoming aware of any of the following matters involving Provider/Subcontractor, its parent, or one of its affiliates: (a) any whistleblower or *qui tam* actions, complaints, or litigation, (b) any class-action complaints or lawsuits, (c) any legal actions or governmental investigations that allege fraud or the possibility of fraud, (d) any bankruptcy proceedings or petitions in which Provider/Subcontractor, its parent, or one of its affiliates is named as a debtor, (e) any litigation, mediation, or arbitration between Company and Subcontractor, and (f) any criminal actions brought against Provider/Subcontractor, its parent, or one of its affiliates. [State Contract, Article II § 8.7]

39. Member Grievances, Appeals, and Fair Hearings. To the extent applicable, Provider/Subcontractor must comply with all State and federal laws, regulations, and policies governing Member grievance, appeal, and fair-hearing procedures, and with all statutory and regulatory timelines related thereto, including the requirements for both standard and expedited requests. If any grievance, appeal, or fair-hearing request is filed with Provider/Subcontractor, Provider/Subcontractor must immediately forward it to Company. Upon entering into the Agreement, Company shall provide Provider/Subcontractor with the same information pertaining Company's grievance, appeal, and fair-hearing procedures as Company provided to its Members, all as described in Section 3.8 of Article III of the State Contract. [State Contract, Article II § 8.7, Article III § 3.8]

40. Service Authorizations. Provider/Subcontractor shall comply with the prior-authorization requirements and processes set forth in Company's policies and procedures, and to the extent applicable shall have in place, and follow, written policies and procedures for submitting and processing requests for initial and continuing authorizations of services for Members. [42 C.F.R. § 438.210(b)(1); State Contract, Article III § 5.4]

41. Member Materials. If Company delegates to Provider/Subcontractor the preparation and distribution to Members of any written materials relating to the Medicaid program, Provider/Subcontractor shall ensure that: (a) all such written materials, whether in hardcopy or electronic format, are in a manner and format consistent with the requirements of 42 C.F.R. § 438.10, using a font size no smaller than twelve (12) point; (b) all such materials are readable at the sixth (6th) grade level, are easily understood, and are available in alternative formats and in an appropriate manner that takes into consideration the special needs of those who, for example, are visually limited or have limited reading proficiency; (c) Provider/Subcontractor informs all Members and potential Members that the information is available in alternative formats, including how to access those formats; (d) Provider/Subcontractor establishes a methodology for identifying the prevalent non-English languages spoken by Members and potential Members throughout the State, and makes available written information in each prevalent non-English language free of charge to any Member or potential Member; (e) Provider/Subcontractor makes available auxiliary aids and services, as well as oral interpretation services, free of charge to each Member or potential Member, for all non-English languages spoken by Members or potential Members (not just those that the State has identified as prevalent); (f) Provider/Subcontractor notifies Members or potential Members that oral interpretation is available for any language and that written information is available in prevalent languages and how to access those services, if applicable; (g) Provider/Subcontractor notifies Members or potential Members that information is available in paper form without charge upon request, with such information provided within five (5) business days; (h) Provider/Subcontractor makes electronic information available on a website that is prominent and readily accessible, in an electronic form that can be electronically retained and printed; and (i) all written materials include taglines in the prevalent non-English languages and large print (in a font size no smaller than eighteen (18) point) explaining the availability of written translation or oral interpretation and a toll-free and TYY/TDY telephone number. [42 C.F.R. § 438.10; State Contract, Article III § 3.4]

42. Overpayments. Provider/Subcontractor acknowledges (i) that Company is responsible for the recovery in full of all overpayments, including those due to fraud, waste, and abuse, unless the associated investigation is accepted by the State, in which case Company shall take no action unless notified otherwise by the State; and (ii) that 42 C.F.R. §438.608(d)(2) requires Company to have a mechanism in place for Provider/Subcontractor to identify, report on, and return to Company any overpayment that Provider/Subcontractor has received. As such, Provider/Subcontractor shall promptly advise Company if Provider/Subcontractor has received any overpayment, shall return the full amount of the overpayment to Company within sixty (60) calendar days after the date on which the overpayment was identified, and shall notify Company in writing of the reason for the overpayment. Provider/Subcontractor furthermore acknowledges that any overpayments due to fraud, waste, and abuse that are collected by the State will result in reimbursement to all impacted Medicaid managed-care organizations, and that (i) dollars allocated to the managed-care program will first be determined by comparing claim volume under managed care and fee-for-service Medicaid, (ii) the calculated managed-care dollars will then be divided amongst the impacted managed-care organizations based on their respective claim volume for the time period in question, not to exceed the total amount paid by each managed-care organization to Provider/Subcontractor, and (iii) the amount of money returned will be reduced by the applicable Federal Medical Assistance Percentage, with the remainder of the collected monies to be retained by the State. [42 C.F.R. § 438.608(d)(2); State Contract, Article III §§ 2.6.3, 8.3]
