ADDITIONAL TERMS AND CONDITIONS

See attached document(s) for additional Terms and Conditions

Idemia Response:

Our Proposal is subject to the Idemia Terms and Conditions included attached hereto. However, we agree that the State's terms will govern in the event of any conflict between the State's terms and the Idemia terms.

Idemia Identity & Security USA LLC Short Form Sales Agreement

1. Scope. Idemia Identity & Security USA LLC, ("IDEMIA" or "Seller") having a place of business at 11951 Freedom Drive, Reston VA, ("Customer"), having a place of business at _____,

_____ enter into this Sales Agreement ("Agreement"), pursuant to which IDEMIA will sell to Customer and Customer will purchase from Seller the equipment, parts, software, or services related to the equipment (e.g., installation) described in Seller's Proposal or Letter Quote dated _____. These terms and conditions, together with the Proposal or Quote, comprise the "Agreement." Customer may indicate its acceptance of this Agreement by signing below or by issuing a purchase order that refers to either the Proposal/Quote or to a Customer solicitation to which the Proposal/Quote responds. Only these terms and conditions apply to the transaction, notwithstanding any inconsistent or additional terms and conditions contained in the purchase order or Customer solicitation.

2. Price, Payment and Sales Terms. The Contract Price is U.S. \$_____, excluding applicable sales, use, or similar taxes and freight. Seller will submit invoices to Customer for products when they are shipped and, if applicable, for services when they are performed. Customer will make payments to Seller within twenty (20) days after the invoice date. Unless otherwise stipulated with the Seller when an Order is accepted, any equipment to be provided hereunder ("Equipment") will be delivered by Seller "FCA" (Free Carrier), with named place being the Seller's premises where the Goods are being dispatched, (Incoterms 2010). Title to the Equipment will pass to Customer upon payment in full of the Contract Price as outlined above, except that title to Software will not pass to Customer at any time. Risk of loss will pass to Customer upon delivery at the agreed named place in accordance with the Incoterm in the contract. Seller will pack and ship all Equipment in accordance with good commercial practices.

3. Software. Not Applicable

4. Express Limited Warranty and Warranty Disclaimer.

4.1 Software. Not Applicable

4.2 Equipment. For one (1) year from the later of delivery and the completion of any installation to be conducted by IDEMIA hereunder, IDEMIA warrants that the Equipment under normal use and service will be free from material defects in materials and workmanship.

4.3 Exclusions. The warranties under Sections 4.1 and 4.2 do not apply to: (i) defects or damage resulting from use of the Equipment in other than its normal, customary, and authorized manner; (ii) defects or damage occurring from misuse, accident, liquids, neglect, or acts of God; (iii) defects or damage occurring from testing, maintenance, disassembly, repair, installation, alteration, modification, or adjustment not provided or authorized in writing by IDEMIA; (iv) breakage of or damage to antennas unless caused directly by defects in material or workmanship; (v) defects or damage caused by Customer's failure to comply with all applicable industry and OSHA standards; (vi) Equipment that has had the serial number removed or made illegible; (vii) batteries (because they carry their own separate limited warranty); (viii) freight costs to ship Equipment to the repair depot; (ix) scratches or other cosmetic damage to Equipment surfaces that does not affect the operation of the Equipment; and (x) normal wear and tear.

4.4 Claims. For Customer to assert a claim that the Equipment does not conform to these warranties, Customer must notify IDEMIA in writing of the claim before the expiration of the warranty period. Upon receipt of such notice, Seller will investigate the warranty claim. If this investigation confirms a valid warranty claim, Seller will (at its option and at no additional charge to Customer) repair the defective Equipment, replace it with the same or equivalent product, or refund the price of the defective Equipment. Such action will be the full extent of Seller's liability hereunder. If this investigation indicates the warranty claim is not valid, then Seller may invoice Customer for responding to the claim on a time and materials basis using Seller's current labor rates. Repaired or replaced product is warranted for the balance of the original applicable warranty period. All replaced products or parts will become the property of Seller.

4.5 Original End User. These express limited warranties are extended by IDEMIA to the original user purchasing the System or Products for commercial, industrial, or governmental use only, and are not assignable or transferable.

4.6 **DISCLAIMER OF OTHER WARRANTIES. THESE WARRANTIES ARE THE COMPLETE WARRANTIES FOR THE EQUIPMENT PROVIDED UNDER THIS AGREEMENT AND ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES. SELLER DISCLAIMS**

ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

5. Delays and Disputes.

5.1 Neither party will be liable for its non-performance or delayed performance if caused by an event, circumstance, or act of a third party that is beyond a party's reasonable control (a "Force Majeure"). Each party will notify the other if it becomes aware of a Force Majeure that will significantly delay performance.

5.2 The schedule for delivery and any installation by IDEMIA is as provided in the Proposal/Quote or as otherwise agreed to by the parties in writing. Notwithstanding Section 5.1, in the event delivery or installation is delayed for reasons other than IDEMIA's fault, Customer shall compensate IDEMIA for any costs IDEMIA incurs as result of such delay, with any additional labor made necessary by such delay being invoiced at the rate of \$175 per hour.

5.3 The parties will try to settle any dispute arising from this Agreement (except for a claim relating to intellectual property or breach of confidentiality) through good faith negotiations. If necessary, the parties will escalate the dispute to their appropriate higher-level managers. If negotiations fail, the parties will jointly select a mediator to mediate the dispute and will share equally the mediation costs. Neither party will assert a breach of this Agreement without first giving the other party written notice and a thirty (30) day period to cure the alleged breach.

6. **LIMITATION OF LIABILITY. Except for personal injury or death, Seller's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the purchase price of the products or services for which losses or damages are claimed. SELLER WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE PRODUCTS, OR THE PERFORMANCE OF SERVICES BY SELLER PURSUANT TO THIS AGREEMENT. No action for contract breach or otherwise relating to the transactions contemplated by this Agreement may be brought more than one year after the accrual of the cause of action. This limitation of liability survives the expiration or termination of this Agreement.**

7. Confidential Information and Preservation of Proprietary Rights. As to any information marked "Confidential" and provided by one party to the other, the receiving party will maintain the confidentiality of the information and not disclose it to any third party; take necessary and appropriate precautions to protect the information; and use the information only to further the performance of this Agreement. Confidential information is and will remain the property of the disclosing party, and no grant of proprietary rights in the confidential information is given or intended. Seller and any third party manufacturer own and retain all of their proprietary rights in the equipment, parts and software, and nothing herein is intended to restrict their proprietary rights. Except as explicitly provided in the SLA, this Agreement does not grant any right, title or interest in Seller's proprietary rights, or a license under any Seller patent or patent application.

8. Miscellaneous: Each party will comply with all applicable laws, regulations and rules concerning the performance of this Agreement or use of the products to the extent they do not conflict with the laws of the United States. This Agreement and the rights and duties of the parties will be governed by and interpreted in accordance with the laws of the State in which the products are installed to the extent they do not conflict with the laws of the United States. This Agreement constitutes the entire agreement of the parties regarding this transaction, supersedes all previous agreements and proposals relating to this subject matter, and may be amended only by a written instrument executed by both parties. Seller is not making, and Customer is not relying upon, any representation or warranty except those expressed herein. There are no certifications or commitments binding Seller applicable to this transaction unless they are in writing and signed by an authorized signatory of Seller.

Any Vendor bidding an alternate model or brand should clearly identify the alternate items in its bid and should include manufacturer's specifications, industry literature, and/or any other relevant documentation demonstrating the

equality of the alternate items. Failure to provide information for alternate items may be grounds for rejection of a Vendor's bid.

This Solicitation is based upon a standardized commodity established under W. Va. Code § 5A-3-61. Vendors are expected to bid the standardized commodity identified. Failure to bid the standardized commodity will result in your firm's bid being rejected.

Vendor shall clearly mark any exceptions, clarifications, or other proposed modifications in its bid. Exceptions to, clarifications of, or modifications of a requirement or term and condition of the Solicitation may result in bid disqualification.

A request form to help facilitate the request can be found at:

<http://www.state.wv.us/admin/purchase/vrc/Venpref.pdf>.

15A. RECIPROCAL PREFERENCE: The State of West Virginia applies a reciprocal preference to all solicitations for commodities and printing in accordance with W. Va. Code § 5A-3-37(b). In effect, non-resident vendors receiving a preference in their home states, will see that same preference granted to West Virginia resident vendors bidding against them in West Virginia. A request form to help facilitate the request can be found at:

<http://www.state.wv.us/admin/purchase/vrc/Venpref.pdf>.

16. SMALL, WOMEN-OWNED, OR MINORITY-OWNED BUSINESSES: For any solicitations publicly advertised for bid, in accordance with West Virginia Code §5A-3-37(a)(7) and W. Va. 18. ELECTRONIC FILE ACCESS RESTRICTIONS: Vendor must ensure that its submission in wvOASIS can be accessed and viewed by the Purchasing Division staff immediately upon bid opening. The Purchasing Division will consider any file that cannot be immediately accessed and viewed at the time of the bid opening (such as, encrypted files, password protected files, or incompatible files) to be blank or incomplete as context requires, and are therefore unacceptable. A vendor will not be permitted to unencrypt files, remove password protections, or resubmit documents after bid opening to make a file viewable if those documents are required with the bid. A Vendor may be required to provide document passwords or remove access restrictions to allow the Purchasing Division to print or electronically save documents provided that those documents are viewable by the Purchasing Division prior to obtaining the password or removing the access restriction.

19. NON-RESPONSIBLE: The Purchasing Division Director reserves the right to reject the bid of any vendor as Non-Responsible in accordance with W. Va. As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia Code §§ 5A-3-1 et seq., 5-22-1 et seq., and 5G-1-1 et seq. and the Freedom of Information Act West Virginia Code §§ 29B-1-1 et seq.

DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.

Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled “confidential,” “proprietary,” “trade secret,” “private,” or labeled with any other claim against public disclosure of the documents, to include any “trade secrets” as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

22. INTERESTED PARTY DISCLOSURE: West Virginia Code § 6D-1-2 requires that the vendor submit to the Purchasing Division a disclosure of interested parties to the contract for all contracts with an actual or estimated value of at least \$1 Million. That disclosure must occur on the form prescribed and approved by the WV Ethics Commission prior to contract award. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

23. WITH THE BID REQUIREMENTS: In instances where these specifications require documentation or other information with the bid, and a vendor fails to provide it with the bid, the Director of the Purchasing Division reserves the right to request those items after bid opening and prior to contract award pursuant to the authority to waive minor irregularities in bids or specifications under W. Va. CSR § 148-1-4.6. This authority does not apply to instances where state law mandates receipt with the bid.

25. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

26. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. 42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.
