CRFQ DOT2100000082

Mon Valley Integration, LLC. (MVI) pleased to quote WV DOH 32-Channel Security Camera System that is based on the bid documents that were posted and during the prebid walk-through.

- SCOPE OF WORK:
 - MVI will provide labor, tools, materials, and supervision for the following scopes within Division 28 (Security). BICSI and TIA/EIA Standards apply.
- Security Camera Installation:
 - Provide and Install fifteen (15) new Security Cameras, three (3) Security Data Switches & one (1) Security Server at the West Virginia Department of Highways Equipment Depot.
 - Provide and install, terminate, label & test the cabling and conduit for the fifteen (15) new Security Cameras.
 - Provide the demolition of the existing cameras, cabling infrastructure and conduit.
 - Install, terminate, label & test fifteen (15) CAT6 Outlets for Security Cameras.
 - Provide and install approximately one thousand-fifty (1000) feet of 1" Rigid Conduit with connecting hardware for horizontal cable runs.
- Clarifications & Assumptions:
 - MVI is quoting true 4K cameras with Facial Detection.
 - In the addendum it was stated that "True Facial Recognition is needed". This is a programming software and databasing item that was not requested in the scope of work or a part number given for what is required. The scope was general on this point and would require more information.
 - If there are any problems with the underground piping using standard cable pulling practices between the 3 buildings involved in this proposal. A change order will be required before new underground conduits may need to be installed.
 - WV DOH will provide the IP addresses for the cameras.
 - MVI has made provisions for our personnel to be onsite for the duration of the project. Any deviation from the bid scope or accelerated schedule would effect additional charges which would require a change order.

Discussion:

- Price is valid for 30 days.
- Exclusions:
 - Any finishes other than standard
 - GPR & Facility X-Rays
 - Concrete trenches, concrete saw cutting
 - RCDD Design
 - All high voltage wiring panels or breakers
 - No bid bond has been included in this bid.
 - Monitoring Services/ True Facial Recognition

- Due to the recent COVID-19 epidemic/pandemic Mon Valley Integration may be required to comply to federal government guidance and/or manufacturer supply chain hold ups that would affect this project timeline. MVI will communicate any issues.

If you have any questions, please give me a call.

Sincerely,

Aaron Dlugos

Disclosure of Interested Parties to Contracts

Pursuant to *W. Va. Code* § 6D-1-2, a state agency may not enter into a contract, or a series of related contracts, that has/have an actual or estimated value of \$1 million or more until the business entity submits to the contracting state agency a Disclosure of Interested Parties to the applicable contract. In addition, the business entity awarded a contract is obligated to submit a supplemental Disclosure of Interested Parties reflecting any new or differing interested parties to the contract within 30 days following the completion or termination of the applicable contract.

For purposes of complying with these requirements, the following definitions apply:

"Business entity" means any entity recognized by law through which business is conducted, including a sole proprietorship, partnership or corporation, but does not include publicly traded companies listed on a national or international stock exchange.

"Interested party" or *"Interested parties"* means:

- (1) A business entity performing work or service pursuant to, or in furtherance of, the applicable contract, including specifically sub-contractors;
- (2) the person(s) who have an ownership interest equal to or greater than 25% in the business entity performing work or service pursuant to, or in furtherance of, the applicable contract. (This subdivision does not apply to a publicly traded company); and
- (3) the person or business entity, if any, that served as a compensated broker or intermediary to actively facilitate the applicable contract or negotiated the terms of the applicable contract with the state agency. (This subdivision does not apply to persons or business entities performing legal services related to the negotiation or drafting of the applicable contract.)

"State agency" means a board, commission, office, department or other agency in the executive, judicial or legislative branch of state government, including publicly funded institutions of higher education: Provided, that for purposes of *W. Va. Code* § 6D-1-2, the West Virginia Investment Management Board shall not be deemed a state agency nor subject to the requirements of that provision.

The contracting business entity must complete this form and submit it to the contracting state agency prior to contract award and to complete another form within 30 days of contract completion or termination.

This form was created by the State of West Virginia Ethics Commission, 210 Brooks Street, Suite 300, Charleston, WV 25301-1804. Telephone: (304)558-0664; fax: (304)558-2169; e-mail: ethics@wv.gov; website: www.ethics.wv.gov.

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
