Executive Summary

DLS Medical Billing and Coding LLC, provides medical billing and coding service to include services such as Project Management, Consulting, and Practice Management. DLS Medical Billing and Coding LLC, teaches medical staff and individuals in the medical field, the fine-tuning that is needed for reimbursement measures, that can increase their accounts receivables by 50-75% of the normal accounts receivables rate, within a 3-6 month period. DLS Medical Billing and Coding, LLC is looking to expand their market and income potential over the next five years. Part of this success will be the securing of government contracting and client collections. This increase in this market will allow DLS Medical Billing and Coding, LLC to expand their work force, marketing, and evolve regionally into an international medical practice that can allow anyone 18 years of age and older to secure a career in the business world of Medical Billing, Coding, and Project Management.

Past Performance

The Market: The Billing and Claims' target market consists of any medical practice or health care delivery. This includes family practice, internal medicine, surgeons, psychologists, chiropractors, physical therapists, podiatrists, specialists, ambulance services, medical laboratories, FQHC, etc. New practices are particularly appealing to DLS Medical Billing and Coding, LLC. By equipping physicians and hospitals with a well trained staff in claims handling and putting an efficient billing program into place, DLS Medical Billing and Coding, LLC can reduce the stress of start-up and ensure greater likelihood of a practice's success due in part to increased cash flow.
