Commodity Line Comments: I hope this message finds you well. Allow me to refresh your memory. I am Purvesh Patel, the Vice President of Operations at Aarnest Inc. We are a small business, minority-women-owned company specializing in IT consulting, Software Development, Cloud Migration, Database Administration, Development & Management, Reporting and Staffing services. Aarnest Inc has served and is currently working with various Federal & State agencies in the DC Metro area. We are constantly looking for growth opportunities by collaborating with organizations like yours.

What Sets Us Apart At our company, we stand out from the competition for several reasons. Firstly, we have a team of highly educated and well-trained professionals who are equipped with the latest technology updates. This ensures that we can meet any software development needs you may have. Additionally, we are proud to offer our expertise at a rate that is 20% lower than the market average. In some cases, we may even be able to offer more competitive pricing. Choose us for your software development needs and experience the difference.

Extended Description:

Fill out an hourly rate into the unit price field. The quantity amount is estimated for evaluation purposes only. The actual hours used may vary depending on usage.
