## JOB FAIR HOSTING PLATFORM

Our platform can help you manage and host in-person, virtual, and hybrid job fairs.

We understand that Workforce Development Organizations are tasked to connect local employers with job seekers and our goal is to make that process as easy and effective as possible.

**45%**

Increase in attendance

**30+**

Average hours saved from managing each event

**3-4x**

Increase in event outcome analytics

**#1**

Easy to use platform

## Why Jobs Connected?

[We Are Focused On Solving Your Problems](#)

We are not just a platform but a partner in making sure that your event is as successful as possible. This is why we work closely with customers to identify and solve their problems.

---

### Increase Attendance

Workforce Development Organizations have indicated that low attendance is one of their biggest concerns. As a result, Jobs Connected has developed (and will continue to develop) special features to help Workforce Development Organizations get the highest attendance possible. Organizations have reported attendance increases of 45% or more after using the Jobs Connected platform.

### Detailed Analytics and Event Outcomes

Whether your event is in-person or virtual, we provide you with detailed analytics for the event and event outcomes! This includes the number of job seekers that visited each booth, the job seekers that were hired, and more.

### Easiest Platform To use

Our platform is easy to use for job seekers, employers, and hosts. The platform is a responsive web application, so no downloads are required while being accessible to those using smartphones.

### Best-In-Class Support

Our support staff will make sure to help you, your employers, and your job seekers before the event, during the event, and even after the event with blazing fast response times.
