Differentiators

AeroSpect seamlessly integrates three decades of expertise in drones and robotics technology. Our CEO and Head of Aerial Operations, brings a unique perspective, having served as an Air Intelligence Officer in the Marine Corps for a decade. Having served as a senior pilot for DJI, the world's largest drone manufacturer, for five years, our CEO actively contributed to drone-related accident investigations in NYC, collaborating closely with the FAA and FBI. Together with his business partner, he played a pivotal role in single-handedly reforming laws that previously restricted drones in NYC, a significant step toward enhancing public safety. Additionally, CEO Edward Kostakis has been instrumental in demonstrating new drone technology and supporting the FDNY robotics unit during the pandemic. AeroSpect takes pride in establishing the benchmark for drone-related services throughout New York City.

Executive Summary:

Firm Overview

AeroSpect Inc., established in 2019, is a service-disabled, minority-owned business headquartered in Greenpoint, Brooklyn. The company is renowned for its expertise in providing high-quality drone services, particularly to architectural and engineering firms across the five boroughs of New York City. AeroSpect's services cater to a diverse clientele, including corporate, government, and higher education institutions.

Company Structure

AeroSpect Inc. operates under the leadership of its CEO, Edward Kostakis, who brings extensive experience in drones and robotics technology.

The company's COO, Pablo Barrera, is instrumental in managing operations and client relations. AeroSpect's structure supports a seamless integration of drone technology and data acquisition services, ensuring precise and efficient outcomes for various projects.

Key Qualities and Services

AeroSpect distinguishes itself through its comprehensive suite of services, including:

- **Surveying Data Acquisition and Mapping:** Utilizing state-of-the-art UAV technology to provide precise mapping solutions.
- **Building Facade Inspections:** Conducting detailed inspections to ensure compliance and safety.
- **Roof Condition Reports:** Offering thorough assessments of roof conditions using thermal imaging and other advanced techniques.
- **Thermal Reports:** Employing thermal imaging to detect energy inefficiencies and structural issues.
- **LIDAR Scanning:** Providing high-resolution 3D mapping and topographical data.
- **Accident Forensics and Scene Reconstruction:** Assisting law enforcement and legal teams with accurate reconstructions.
- **Emergency Items Delivery via Drone:** Rapid delivery of essential items in emergency situations.

- **Reconnaissance with Live Video Feed:** Offering real-time video for search and rescue operations.
- **Emergency Search and Rescue:** Deploying drones for efficient search and rescue missions.
- **Drone Operations Training:** Training clients in safe and effective drone operation.

The firm's past performance includes significant projects such as the Empire State Building facade inspection for Local Law 11 compliance and the 3D building reconstruction for exterior renovation at 1 Bowling Green. These projects demonstrate AeroSpect's ability to deliver beyond client expectations, both in the private and public sectors.

Differentiators

AeroSpect's unique strengths lie in its integration of three decades of expertise in drone technology, spearheaded by a team with backgrounds in military intelligence and senior positions within the world's leading drone manufacturer. This experience is complemented by AeroSpect's proactive role in reforming drone-related laws in NYC, significantly enhancing public safety. Additionally, during the pandemic, the CEO's support for the FDNY robotics unit underscored the company's commitment to public service.

Consultant's Approach

AeroSpect's approach to the RFP project involves a detailed and systematic method, leveraging advanced camera technology to capture high-resolution imagery across the specified areas.

The process includes:

1. **Preparation and Planning:** Detailed planning to ensure coverage of all target areas while minimizing disruptions.
2. **Data Acquisition:** Utilizing state-of-the-art high-resolution cameras and LIDAR technology to capture comprehensive imagery.
3. **Processing and Analysis:** Employing advanced software for data processing, ensuring the imagery is clear, accurate, and ready for integration with GIS systems.
4. **Delivery and Support:** Providing the West Virginia Department of Environmental Protection with the processed imagery along with the necessary tools and training for effective utilization.

Consultant's Capability

AeroSpect Inc. has a proven track record of delivering high-quality services that meet and exceed client requirements. The company's ability to handle large-scale projects, combined with its innovative approach and robust technological infrastructure, makes it a suitable candidate for providing the required street-level imagery services for the West Virginia Department of Environmental Protection.

This organizational structure and staffing plan ensure that the project will be managed effectively with a highly experienced team, ensuring high-quality deliverables and adherence to the project timeline

Methodology:

The project will be executed in several phases to ensure thorough coverage and high-quality deliverables:

1. Field Surveys:

- Conduct horizontal and vertical control surveys using conventional and robotic total stations, terrestrial imaging, and GPS survey equipment.
- Establish control data for compiling maps from aerial photography and ground-surveyed check sections

2. Aerial Photography and LiDAR Data Acquisition:

- Deploy drones equipped with high-resolution cameras and LiDAR sensors to collect aerial imagery and LiDAR data.
- Ensure data accuracy and completeness by covering the specified project areas comprehensively.

3. Data Processing and Analysis:

- Process collected data using advanced software to generate topographic maps, orthomosaics, and 3D models.
- Classify LiDAR data for the recovery of bare Earth data and other relevant features

4. Topographic Mapping:

- Prepare topographic base maps on 24" x 36" standard sheets with every 10' contour interval accentuated.
- Plot and mechanically transcribe maps to a scale of 1" = 50' with a contour interval of 1 foot, unless otherwise specified by the DEP

5. Quality Assurance:

- Implement rigorous quality control measures to validate data accuracy and ensure compliance with project specifications.
- Conduct continuous monitoring and inspection of the work by authorized representatives to ensure compliance

IF YOU WRITE, ATTACH THE
STUB AT THE END OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 84-4144621. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

Form 1120

04/15/2020

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

IMPORTANT INFORMATION FOR S CORPORATION ELECTION:

If you intend to elect to file your return as a small business corporation, an election to file a Form 1120-S must be made within certain timeframes and the corporation must meet certain tests. All of this information is included in the instructions for Form 2553, *Election by a Small Business Corporation*.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

The IRS is committed to helping all taxpayers comply with their tax filing obligations. If you need help completing your returns or meeting your tax obligations, Authorized e-file Providers, such as Reporting Agents (payroll service providers) are available to assist you. Visit the IRS Web site at www.irs.gov for a list of companies that offer IRS e-file for business products and services. The list provides addresses, telephone numbers, and links to their Web sites.

To obtain tax forms and publications, including those referenced in this notice, visit our Web site at www.irs.gov. If you do not have access to the Internet, call 1-800-829-3676 (TTY/TDD 1-800-829-4059) or visit your local IRS office.

IMPORTANT REMINDERS:

- * Keep a copy of this notice in your permanent records. **This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you.** You may give a copy of this document to anyone asking for proof of your EIN.
- * Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.
- * Refer to this EIN on your tax-related correspondence and documents.

If you have questions about your EIN, you can call us at the phone number or write to us at the address shown at the top of this notice. If you write, please tear off the stub at the bottom of this notice and send it along with your letter. If you do not need to write us, do not complete and return the stub.

Your name control associated with this EIN is AERO. You will need to provide this information, along with your EIN, if you file your returns electronically.

Thank you for your cooperation.

XM CREATIVE STUDIO INC. AND XIZMO MEDIA PRODUCTIONS AND
AEROSPECT INC.
67 WEST ST STE 714
BROOKLYN, New York 11222
USA

Policy No. 9020767 issued by one or more member companies of Global Aerospace Pool through Global Aerospace, Inc.

Policy Period: from December 28, 2023 to December 28, 2024 Policy Territory: Worldwide

AIRCRAFT AND COMMERCIAL GENERAL AVIATION LIABILITY

Coverages

Limits of Liability

Single Limit Bodily Injury and Property Damage

\$5,000,000 Each Occurrence

Third Party War Liability

\$5,000,000 Aggregate

AIRCRAFT PHYSICAL DAMAGE

Policy includes Physical Damage Coverage including war risk with insured values as set forth in the policy.

Solely as respects an occurrence arising out of the ownership, maintenance or use of an unmanned aircraft insured under this policy and solely to the extent required in an agreement with the Named Insured, the following provisions shall apply:

The WHO IS AN INSURED section of the policy is amended to include the certificate addressee as an insured, but only as respects the Named Insured's use of the aircraft and only with respect to the certificate addressee's liability because of acts or omissions of the Named Insured. However, no such person or organization is an Insured if he, she, or it, or any of his, her, or its agents or employees is engaged in the manufacture, maintenance, repair, or sale of aircraft, aircraft engines, components or accessories, or in the operation of any airport, hangar, flying school, flight service, or aircraft or piloting service, as respects any occurrence arising out of such activity.

The insurance, as to the interest of the certificate addressee, shall be primary without right of contribution by any other valid and collectible insurance available to the certificate addressee.

We waive any right of recovery we may have against the certificate addressee because of payments it makes for physical damage to aircraft described in this certificate, but only to the same extent that the Named Insured has waived its right for recovery for such physical damage against the certificate addressee.

Notwithstanding any requirement, term or condition of any contract or other document with respect to which this certificate may be issued or may pertain, the insurance afforded by the policies described herein is subject to all the terms, exclusions and conditions of such policies. This certificate does not amend, extend or otherwise alter the coverages afforded by the policies described herein. Limits may have been reduced by paid claims.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – CERTIFICATE HOLDERS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SECTION II – WHO IS AN INSURED is amended to include any person or organization as identified on the Certificate of Insurance issued to the respective Certificate holder.

Insurance provided to any additional insured applies as follows:

That person or organization is only an additional insured with respect to liability caused by the negligent acts or omissions of the Named Insured.

The limits of insurance applicable to the additional insured are the lesser of the policy limits or those limits specified in a contract or agreement. These limits are inclusive of and not in addition to the limits of insurance shown in the declarations.

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Person Or Organization:

Any Person or organization where required by written contract that was executed prior to a loss.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The following is added to Paragraph 8. **Transfer Of Rights Of Recovery Against Others To Us** of **Section IV – Conditions:**

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization shown in the Schedule above.
