Vendor Questions and Answers:

CRFQ AGR25\*15 – Meraki Access Points

---

Q1: Does the WVDA have 63 existing 5yr licenses for the APs and only need 1 additional license? Or was this a typo and quantity 64 are needed?

A1: Per sections 3.1.1.13 and 3.1.2.11 in the specifications, we need a license for each access point.

Q2: The above RFQ is requesting a total of 64Ap's but only 1 cloud license. If we are bidding an equivalent product, do we need to bid 1-5yr cloud license or 64 (1 for each Ap)?

A2: See answer to Question 1.

**Correction:**

Commodity line 3 has been revised from a quantity of one (1) to a quantity of sixty-four (64) licenses. One license for each access point.

## Executive Summary

AlxTel Inc. is a Technology Service Provider. Incorporated in 2008, ALXTEL has been providing digital transformation and robotics solutions for consumers, businesses, and state and federal government agencies, and it has cultivated a track record of success. Headquartered in Silver Spring, Maryland, with two other offices in Lanham, MD, and Chevy Chase, MD, we can leverage our company's best assets to support our customers in ways others cannot.

**We have no exceptions to the requirements of this RFP, the Contract, addendums, or any other attachments.**

Challenges faced - West Virginia Department of Agriculture, like many states, needs to modernize IT, with limited resources and funds to do so. West Virginia Department of Agriculture must rely on experts to understand the unique challenges of delivering West Virginia Department of Agriculture agencies to the residents of Maryland. The involvement of experts enables West Virginia Department of Agriculture to focus on the critical functions of meeting its constituency's new and evolving demands and basic operational functions, instead of IT development. These IT tasks include - empowering implementation, delivering secure agility and open standards for DevSecOps, and seamless integration.

Empower - AlxTel Professional Services helps teams to quickly apply and mature the skills needed to adopt modern cloud-native technologies, along with adopting best practices of modern application development processes and techniques such as agile, DevSecOps, etc. AlxTel's Cloud Services for Application Under All public and private clouds, AlxTel's site reliability engineers (SREs) deliver expertise in hybrid cloud implementation, application modernization, data transformation, and enterprise automation. This enables West Virginia Department of Agriculture to gain development agility, reduce operational complexity, and deliver business value faster. AlxTel Solutions and Professional Services provides systems management and maintenance services. West Virginia Department of Agriculture gains the ability to scale confidently and with stability while keeping costs down.

AlxTel is interconnected with almost every major global infrastructure provider, application services, cloud-native application development, and automation solutions. Our enterprise-grade open-source commercial off-the-shelf (COTS) platforms maintain infrastructural interoperability. For 17 years, AlxTel has been one of the world's leading providers of modern, innovative enterprise software, built through an open-source development model, whereby COTS software is developed within an open-source community, and provides commercial quality and security assurance with subscription-based customer support. AlxTel solutions are designed to capitalize on agency architectures and State IT standards. This provides West Virginia Department of Agriculture interoperability with other systems and networks, reliability, and maintainability while making the most cost-effective use of COTS products, Information Technology, and agency-wide resources.

Secure - Our experts assist you in building a secure, reliable, flexible foundation for hybrid cloud workloads to lower operational costs, reduce downtime, and increase productivity. Our team works to ensure that information and computing resources at all organizational levels meet security compliance requirements; including software/application and data security support, as well as disaster recovery planning and risk assessment.

In partnering with West Virginia Department of Agriculture, AlxTel subject-matter experts (SMEs) and consultants adopt a mentor-based approach to provide technical expertise by educating, enabling, and empowering them to be able to adopt, operate, and maintain Red Hat technologies on their own, helping to provide security both inside and out.

Modernize - AlxTel Professional Services focuses on accelerating cloud adoption and acting as an enabling force for container platforms, DevOps, and other modernization initiatives. Our public sector team of experts has demonstrated the ability to break down the siloed nature of State government agencies and drive collaboration using a proven successful methodology for transformation that takes a holistic approach encompassing people, process, and technology.

AlxTel's approach to modernization empowers West Virginia Department of Agriculture to extend the value of legacy systems, while incrementally transforming useful components. We accomplish this via agile development sprints and integration of modern open, API-enabled, interfaces. Our proposed solution enables new and existing systems to share data in real time and helps to drive automated and seamless business process flows. AlxTel solutions are all architected and built as loosely coupled technologies that compose an overall highly optimized architecture, enabling the many benefits of cloud environments and cloud provider services. At the same time, our platforms provide the same characteristics as on-premises data centers. Together, AlxTel provides a common, consistent foundation, which is highly portable among hybrid infrastructures. They enable both legacy and new applications to be more adaptable across West Virginia Department of Agriculture Agencies environments.

ALXTEL differentiates itself well from similar companies by our tailoring services. We recognize that one size does not fit all. Rather than making you fit our solutions, we tailor the solutions to fit your unique requirements. We provide a variety of Professional Services that tailor our solutions to meet your specific industry and business needs. Whether you wish to implement a stand-alone application, or simply need some custom programming, our professional services are key to your success. Our professionals have the product knowledge, experience, and skills to assist you through any phase of your voice or speech project, ranging from requirements analysis to solution development/ customization, installation, rollout, and training. We specialize in deployments accomplished cost-effectively at the speed of need. On the other hand, we can be a one-stop shop for all technology needs through 100+ Technology partnerships and reseller agreements with almost every single major technology in the world.

AlxTel has an excellent performance record dealing with most of State of Maryland Departments such as the Maryland Department of Transportation (MDOT), Maryland Health Benefit Exchange (MHBE), Maryland Department of Information Technology (MDoIT), Maryland State Department of Education (MSDE), Maryland Department of Commerce(MDOC), Maryland Department of Labor (MDOL) Maryland State Board of Elections (SBE), Montgomery Collage and Baltimore Washington International Airport (BWI), Maryland Department of Public Safety & Correctional Services (DPSCS). In addition to different state governments such as North Carolina and the State of Hawaii plus many Federal agencies such as the Social Security Administration (SSA), Human and Health Services (HHS), Department of Homeland Security (DHS), US Coast Guard (USCG), Administration for Children Families (ACF).

# Request for Taxpayer Identification Number and Certification

Go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9) for instructions and the latest information.

Give form to the  
requester. Do not  
send to the IRS.

**Before you begin.** For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	<b>1</b> Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.) <b>AlxTel, Inc.</b>	
	<b>2</b> Business name/disregarded entity name, if different from above.	
	<b>3a</b> Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only <b>one</b> of the following seven boxes. <input type="checkbox"/> Individual/sole proprietor <input type="checkbox"/> C corporation <input checked="" type="checkbox"/> S corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate <input type="checkbox"/> LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . . <b>Note:</b> Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. <input type="checkbox"/> Other (see instructions) _____	<b>4</b> Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):  Exempt payee code (if any) _____  Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____  (Applies to accounts maintained outside the United States.)
	<b>3b</b> If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . <input type="checkbox"/>	
	<b>5</b> Address (number, street, and apt. or suite no.). See instructions. <b>8403 Colesville Road Suite 1100</b>	Requester's name and address (optional)
<b>6</b> City, state, and ZIP code <b>Silver Spring, MD 20910</b>		
<b>7</b> List account number(s) here (optional)		

## Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

<b>Social security number</b>

## Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

## What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

## Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
