Larry:

Attached is an APO for an emergency purchase of a generator rental. Per our engineer:

"This an Emergency Purchase Order for the weekly rental of the mobile Generator provided by RPM. On 7-17-28 our site on Montgomery hill rd. in Parkersburg took lightning damage and resulted in our generator having Controller/fuel distributing issues. Because this site is shared with SIRM and Wood county EMS it was critical that the site have failover power ASAP or risk losing Emergency management communication. Don Cook from RPM immediately responded to the outage and took a mobile generator to the site and brought power back up to ensure that no critical coms were lost."

Please let me know if you have questions.

Thank you.
