**GENERAL TERMS AND CONDITIONS:
(Agency Delegated Procurements Only)**

1. 2.2. "Bid" or "Proposal" means the vendors submitted response to this solicitation.

2.3. "Contract" means the binding agreement that is entered into between the State and the Vendor to provide the goods or services requested in the Solicitation.

2.4. "Director" means the Director of the West Virginia Department of Administration, Purchasing Division.

2.5. "Purchasing Division" means the West Virginia Department of Administration, Purchasing Division.

2.6. "Award Document" means the document signed by the Agency that identifies the Vendor as the contract holder.

2.8. "State" means the State of West Virginia and/or any of its agencies, commissions, boards, etc. as context requires.

2.9. "Vendor" or "Vendors" means any entity submitting a bid in response to the Solicitation, the entity that has been selected as the lowest responsible bidder, or the entity that has been awarded the Contract as context requires.

3. CONTRACT TERM; RENEWAL; EXTENSION: The term of this Contract shall be determined in accordance with the category that has been identified as applicable to this Contract below:

Term Contract

Initial Contract Term: This Contract becomes effective on _____ and the initial contract term extends until _____.

Renewal Term: This Contract may be renewed upon the mutual written consent of the Agency, and the Vendor. Any request for renewal should be delivered to the Agency thirty (30) days prior to the expiration date of the initial contract term or appropriate renewal term. A Contract renewal shall be in accordance with the terms and conditions of the original contract. Unless otherwise specified below, renewal of this Contract is limited to _____ successive one (1) year periods or multiple renewal periods of less than one year, provided that the multiple renewal periods do not exceed the total number of months available in all renewal years combined. Automatic renewal of this Contract is prohibited.

Alternate Renewal Term – This contract may be renewed for _____ successive _____ year periods or shorter periods provided that they do not exceed the total number of months contained in all available renewals. Automatic renewal of this Contract is prohibited. Renewals must be approved by the Vendor and Agency.

Delivery Order Limitations: In the event that this contract permits delivery orders, a delivery order may only be issued during the time this Contract is in effect. Any delivery order issued within one year of the expiration of this Contract shall be effective for one year from the date the delivery order is issued. No delivery order may be extended beyond one year after this Contract has expired.

Fixed Period Contract: This Contract becomes effective upon Vendor's receipt of the notice to proceed and must be completed within _____ days.

Fixed Period Contract with Renewals: This Contract becomes effective upon Vendor's receipt of the notice to proceed and part of the Contract more fully described in the attached specifications must be completed within _____ days. Upon completion of the work covered by the preceding sentence, the vendor agrees that maintenance, monitoring, or warranty services will be provided for _____ year(s) thereafter.

One Time Purchase: The term of this Contract shall run from the issuance of the Award Document until all of the goods contracted for have been delivered, but in no event will this Contract extend for more than one fiscal year.

Construction/Project Oversight: This Contract becomes effective on the effective start date listed on the first page of this Contract, identified as the State of West Virginia contract cover page containing the signatures of the State Agency (or another page identified as _____), and continues until the project for which the vendor is providing oversight is complete.

Other: See attached.

4. AUTHORITY TO PROCEED: Vendor is authorized to begin performance of this contract on the date of encumbrance listed on the front page of the Award Document unless either the box for “Fixed Period Contract” or “Fixed Period Contract with Renewals” has been checked in Section 3 above. If either “Fixed Period Contract” or “Fixed Period Contract with Renewals” has been checked, Vendor must not begin work until it receives a separate notice to proceed from the State. The notice to proceed will then be incorporated into the Contract via change order to memorialize the official date that work commenced.

5. QUANTITIES: The quantities required under this Contract shall be determined in accordance with the category that has been identified as applicable to this Contract below.

Open End Contract: Quantities listed in this Solicitation/Award Document are approximations only, based on estimates supplied by the Agency. It is understood and agreed that the Contract shall cover the quantities actually ordered for delivery during the term of the Contract, whether more or less than the quantities shown.

Service: The scope of the service to be provided will be more clearly defined in the specifications included herewith.

Combined Service and Goods: The scope of the service and deliverable goods to be provided will be more clearly defined in the specifications included herewith.

One Time Purchase: This Contract is for the purchase of a set quantity of goods that are identified in the specifications included herewith. Once those items have been delivered, no additional goods may be procured under this Contract without an appropriate change order approved by the Vendor, Agency, Purchasing Division, and Attorney General’s office.

Construction: This Contract is for construction activity more fully defined in the specifications.

6. EMERGENCY PURCHASES: The Purchasing Division Director may authorize the Agency to purchase goods or services in the open market that Vendor would otherwise provide under this Contract if those goods or services are for immediate or expedited delivery in an emergency. Emergencies shall include, but are not limited to, delays in transportation or an unanticipated increase in the volume of work. An emergency purchase in the open market, approved by the Purchasing Division Director, shall not constitute a breach of this Contract and shall not entitle the Vendor to any form of compensation or damages. This provision does not excuse the State from fulfilling its obligations under a One Time Purchase contract.

7. REQUIRED DOCUMENTS: All of the items checked below must be provided to the Agency by the Vendor as specified below.

LICENSE(S) / CERTIFICATIONS / PERMITS: In addition to anything required under the Section of the General Terms and Conditions entitled Licensing, the apparent successful Vendor shall furnish proof of the following licenses, certifications, and/or permits upon request and in a form acceptable to the State. The request may be prior to or after contract award at the State's sole discretion.

The apparent successful Vendor shall also furnish proof of any additional licenses or certifications contained in the specifications regardless of whether or not that requirement is listed above.

8. INSURANCE: The apparent successful Vendor shall furnish proof of the insurance identified by a checkmark below on each policy prior to Contract award. 9. WORKERS' COMPENSATION INSURANCE: Vendor shall comply with laws relating to workers compensation, shall maintain workers' compensation insurance when required, and shall furnish proof of workers' compensation insurance upon request.

10. LIQUIDATED DAMAGES: This clause shall in no way be considered exclusive and shall not limit the State or Agency's right to pursue any other available remedy. Vendor shall pay liquidated damages in the amount specified below or as described in the specifications:

_____ for _____

Liquidated Damages Contained in the Specifications.

Liquidated Damages Are Not Included in this Contract.

11. ACCEPTANCE: Vendor's signature on its bid, or on the certification and signature page, constitutes an offer to the State that cannot be unilaterally withdrawn, signifies that the product or service proposed by vendor meets the mandatory requirements contained in the Solicitation for that product or service, unless otherwise indicated, and signifies acceptance of the terms and conditions contained in the Solicitation unless otherwise indicated.

12. PRICING: The pricing set forth herein is firm for the life of the Contract, unless specified elsewhere within this Solicitation/Contract by the State. A Vendor's inclusion of price adjustment provisions in its bid, without an express authorization from the State in the Solicitation to do so, may result in bid disqualification. Notwithstanding the foregoing, Vendor must extend any publicly advertised sale price to the State and invoice at the lower of the contract price or the publicly advertised sale price.

13. PAYMENT IN ARREARS: Payments for goods/services will be made in arrears only upon receipt of a proper invoice, detailing the goods/services provided or receipt of the goods/services, whichever is later. Notwithstanding the foregoing, payments for software licenses, subscriptions, or maintenance may be paid annually in advance.

14. PAYMENT METHODS: Vendor must accept payment by electronic funds transfer or P-Card. (The State of West Virginia's Purchasing Card program, administered under contract by a banking institution, processes payment for goods and services through state designated credit cards.)

15. ADDITIONAL FEES: Vendor is not permitted to charge additional fees or assess additional charges that were not either expressly provided for in the solicitation published by the State of West Virginia, included in the Contract, or included in the unit price or lump sum bid amount that Vendor is required by the solicitation to provide. Including such fees or charges as notes to the solicitation may result in rejection of vendor's bid. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

16. TAXES: The Vendor shall pay any applicable sales, use, personal property or any other taxes arising out of this Contract and the transactions contemplated thereby. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.

17. FUNDING: This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. Non-appropriation or non-funding shall not be considered an event of default.

18. CANCELLATION: The State reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. The Agency may also cancel any purchase or Contract upon 30 days written notice to the Vendor in accordance with West Virginia Code of State Rules § 148-1-5.2.b.

19. TIME: Time is of the essence with regard to all matters of time and performance in this Contract.

20. APPLICABLE LAW: This Contract is governed by and interpreted under West Virginia law without giving effect to its choice of law principles. Any information provided in specification manuals, or any other source, verbal or written, which contradicts or violates the West Virginia Constitution, West Virginia Code or West Virginia Code of State Rules is void and of no effect.

20A. VENUE: All legal actions for damages brought by Vendor against the State shall be brought in the West Virginia Claims Commission. Other causes of action must be brought in the West Virginia court authorized by statute to exercise jurisdiction over it.

21. COMPLIANCE WITH LAWS: Vendor shall comply with all applicable federal, state, and local laws, regulations and ordinances. By submitting a bid, Vendor acknowledges that it has reviewed, understands, and will comply with all applicable laws, regulations, and ordinances. Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to comply with all applicable laws, regulations, and ordinances.

22. ARBITRATION: Any references made to arbitration contained in this Contract, Vendor's bid, or in any American Institute of Architects documents pertaining to this Contract are hereby deleted, void, and of no effect.

23. MODIFICATIONS: This writing is the parties' final expression of intent. Notwithstanding anything contained in this Contract to the contrary, no modification of this Contract shall be binding without mutual written consent of the Agency, and the Vendor.

24. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

25. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.

26. ASSIGNMENT: Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency and any other government agency or office that may be required to approve such assignments.

27. WARRANTY: The Vendor expressly warrants that the goods and/or services covered by this Contract will: (a) conform to the specifications, drawings, samples, or other description furnished or specified by the Agency; (b) be merchantable and fit for the purpose intended; and (c) be free from defect in material and workmanship.

28. STATE EMPLOYEES: State employees are not permitted to utilize this Contract for personal use and the Vendor is prohibited from permitting or facilitating the same.

29. PRIVACY, SECURITY, AND CONFIDENTIALITY: The Vendor agrees that it will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the Agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the Agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in www.state.wv.us/admin/purchase/privacy.

30. YOUR SUBMISSION IS A PUBLIC DOCUMENT: Vendor's entire response to the Solicitation and the resulting Contract are public documents. As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia Code §§ 5A-3-1 et seq., 5-22-1 et seq., and 5G-1-1 et seq. and the Freedom of Information Act West Virginia Code §§ 29B-1-1 et seq.

DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.

Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled "confidential," "proprietary," "trade secret," "private," or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

31. LICENSING: In accordance with West Virginia Code of State Rules § 148-1-6.1.e, Vendor must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agency or political subdivision. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities. Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to be licensed, in good standing, and up-to-date on all state and local obligations as described in this section.

32. ANTITRUST: In submitting a bid to, signing a contract with, or accepting an Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

33. VENDOR NON-CONFLICT: Neither Vendor nor its representatives are permitted to have any interest, nor shall they acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency.

34. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing. Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

35. INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

36. NO DEBT CERTIFICATION: In accordance with West Virginia Code §§ 5A-3-10a and 5-22-1(i), the State is prohibited from awarding a contract to any bidder that owes a debt to the State or a political subdivision of the State. By submitting a bid, or entering into a contract with the State, Vendor is affirming that (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither Vendor nor any related party are in employer default as defined in the statute cited above unless the debt or employer default is permitted under the statute.

37. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

38. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.division@wv.gov.

39. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

40. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.

b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:

c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or

d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

41. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the

item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

42. PROHIBITION AGAINST USED OR REFURBISHED: Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

43. VOID CONTRACT CLAUSES – This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

1. Acceptance; Agreement

a. Should Customer accept the Proposal or place an order, these Terms shall, together with the Proposal, form the agreement (the "Agreement") of the Company and Customer for the services described in the Proposal (the "Work").

b. The Proposal shall remain valid only for 30 days from the date thereof. If Customer's adds to, deletes from, or alters in any manner, these Terms or the Proposal, Customer's proposed modifications are automatically rejected by the Company and shall not become a part of the Agreement. Customer's acceptance of the Work by Company will, in any event, constitute an acceptance by Customer of these Terms and the Proposal as originally delivered to Customer as the terms of the Agreement without modification.

c. The Proposal is subject to credit approval by Company of Customer. Company may delay or suspend performance or, at its option, renegotiate prices and/or the Terms or the Proposal should Customer's credit profile be determined to be unacceptable to Company in Company's exclusive discretion. If Company and Customer are unable to agree on revisions following an unfavorable credit finding, the Proposal shall be cancelled by Company without any liability, other than Customer's obligation to pay for Work rendered by Company to the date of cancellation.

2. Pricing; Taxes

a. Unless otherwise specifically noted, the price in the Proposal includes, if required by law, all sales, consumer, use and similar taxes legally enacted as of the date hereof for Work provided by Company. Customer agrees to pay all applicable taxes, and should Company inadvertently fail to charge applicable taxes to Customer, Customer shall pay the same when invoiced by Company.

b. If Customer claims that it is exempt from certain tax requirements, Customer shall, within three (3) business days of the date of this Proposal, furnish appropriate certificates evidencing Customer's tax exempt status. Customer shall indemnify Company for any costs, fines, fees, taxes, penalties, or other charges or expenses of any kind or character (including reasonable attorneys' fees and costs) related to any tax liabilities imposed upon Company for which Customer had asserted to Company that it was exempt.

c. Company shall charge Customer, and Customer agrees to pay Company for any additional costs related to any bonds agreed to be provided, whether or not such costs are included on the Proposal.

d. Any delay in the Work as a result of Customer's act(s) or failure(s) to act, may cause prices to increase during the period of delay and Company may charge Customer with its out of pocket costs associated with the delay. Additionally, Customer shall indemnify Company from and against any costs to Company or losses suffered by Company as a result of delays caused by Customer's act(s) or failure(s) to act.

e. Unless a separate and distinct price or arrangement is quoted in the Proposal, Customer shall pay Company's overtime, special or emergency rates for all work performed outside of Company's normal business hours.

3. Payment

a. Customer shall pay Company's invoices on a net 30 days basis from the date of the invoice. Company may invoice Customer for all equipment or material furnished, whether delivered to the installation site or to an off-site storage facility and for all Work performed on-site or off-site.

b. No retention shall be withheld from any payments except as expressly agreed in writing by Company, in which case retention shall be reduced per the contract documents and released in full no later than the date of substantial completion.

c. If payment is not received as required, Company may suspend performance and the time for completion shall be extended for a reasonable period of time not less than the period of suspension. Customer shall be liable to Company for all reasonable shutdown, standby and start-up costs as a result of the suspension. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due and otherwise enforcing these terms and conditions. If requested, Company will provide appropriate lien waivers upon receipt of the payment of all sums to Company.

4. Customer Breach

a. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement or suspend performance by delivery of written notice declaring termination or suspension, upon which event Customer shall be liable to Company for all Work furnished to date and all damages sustained by Company (including lost profit and overhead):

(1) Any failure by Customer to pay amounts when due;

(2) Any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer;

(3) Any representation or warranty furnished by Customer in this Agreement is false or misleading in any material respect when made; or

(4) Any failure by Customer to perform or comply with any provision of this Agreement.

b. No delay or failure by Company to exercise any right under this Agreement, and no partial or single exercise of any right under this Agreement, shall constitute a waiver of such or any other right, unless otherwise expressly provided herein.

c. Nothing in this Agreement is intended to, and the parties agree that this Agreement does not, waive, limit, supplant or replace any other remedies that may be available to Company at law or in equity, including but not limited to the use of statutory liens.

5. Performance

a. Company shall perform the Work in accordance with industry standards generally applicable under similar circumstances as of the time Company performs the Work.

b. Company may refuse to perform any Work where working conditions could endanger property or put at risk the safety of persons including but not limited to Company's employees or contractors. Unless otherwise agreed to by Customer and Company, Customer will provide any necessary access platforms, catwalks and all other environmental requirements on site, at Customer's expense and before the Work begins, in order to permit Company to safely perform

6. **Exclusions** Company's obligation is limited to the Work, as defined, and does not include any modifications to the Work or the worksite under any law or building code(s), including but not limited to the Americans With Disabilities Act. In no event shall Company be required to perform work Company reasonably believes is outside of the defined Work without a written change order signed by Customer and Company. Unless expressly included in the Proposal, the Services do not include, and Company shall not be liable for, any of the following: (1) Any guarantee of room conditions or system performance; (2) Inspection, operation, maintenance, repair, replacement or performance of work or services outside the Services; (3) Damage, repairs or replacement of parts made necessary as a result of the acts or omission of Customer or any Event of Force Majeure, as hereinafter defined; (4) Any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the premises prior to the commencement of Services ("Pre-Existing Conditions") including, without limitation, damages, losses, or expenses involving a Pre-Existing Condition of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or fungi; or (5) Replacement of refrigerant.

7. **Time for Completion** Except to the extent otherwise expressly agreed in writing signed by an authorized representative of Company, all dates provided by Company or its representatives for commencement, progress or completion are estimates only. While Company shall use commercially reasonable efforts to meet such estimated dates, Company shall not be responsible for any damages for its failure to do so.

8. **Access** Company and its subcontractors shall be provided access to the Work site during regular business hours, or such other hours as may be requested by Company and acceptable to the Work site owner or tenant for the performance of the Work, including sufficient areas for staging, mobilization, and storage. Company's access to correct any emergency condition shall not be restricted. Customer represents and warrants that Customer has all requisite right to authorize access to the Work site by the Company and its agents, employees, officers and contractors. Access to the Work site shall include, but not necessarily be limited to, physical access to all areas of the Work site relevant to the Work to be performed, ingress and egress rights over and through areas necessary for access to the Work site and the corresponding rights to transport personnel, equipment, merchandise, tools and other necessary persons and materials to and from the Work site. Customer hereby agrees to indemnify and defend Company, its agents, employees, subcontractors, contractors officers and directors from and against any claims, losses or liabilities arising from Company's access to the Work site.

9. Completion

a. For any task performed as a part of the Work, when Company informs Customer that the task has been completed, Company may (but shall not be obligated to) request, and in the event of such a request Customer agrees to comply, that Customer inspect the Work in the presence of Company's representative. Upon such an inspection Customer shall either (a) accept the Work related to the task in its entirety by executing Company's paperwork to that end, or (b) accept the Work related to the task in part and specifically identify, in writing, any exception items. Customer agrees to re-inspect any and all excepted items as soon as Company informs Customer that all such excepted items have been completed.

b. In the event of a request under Sub-Section (a), the initial acceptance inspection shall take place within ten (10) days from the date when Company informs Customer that the Work associated with a task has been completed. Any subsequent re-inspection of excepted items shall take place within five (5) days from the date when Company informs Customer that the excepted items have been completed. Customer's failure to cooperate and complete any of said inspections within the required time limits shall constitute complete acceptance of the Work related to that task as of ten (10) days from date when Company informs Customer that the Work, or the excepted items, if applicable, has/have been completed.

10. Permits and Governmental Fees; Easements and Approvals

a. Company shall secure (with Customer's assistance) and pay for building and other permits and governmental fees, licenses, and inspections necessary for proper performance and completion of the Work which are legally required when bids from Company's subcontractors are received, negotiations thereon concluded, or the effective date of a relevant Change Order, whichever is later. Customer agrees that it shall be responsible for the costs of such permits, fees, licenses, and inspections and if those costs are not separately included in the Proposal, Company will invoice Customer for such costs over and above the costs and fees set forth in the Proposal and Customer agrees to pay all such invoices on the same terms and conditions as any other payment that is a part of this Agreement.

b. Customer is responsible for obtaining any necessary approvals, easements, assessments and charges for construction, use or occupancy of permanent structures or for permanent changes to existing facilities prior to the beginning of any Work.

11. Utilities During Construction

Customer shall provide, without charge to Company, all water, heat, electricity, and other utilities required for performance of the Work (which shall include garbage or refuse disposal and haul away costs and fees unless specifically agreed in the Proposal). Customer shall be responsible for any delays in the performance of the Work by Company occurring as a result of a lack of availability of required utilities. Company may invoice Customer, and Customer agrees to pay such invoices, for costs incurred by Company as a result of such delays. Continuing failure by Customer to provide necessary utilities services may result in the termination of this Agreement by Company.

12. Concealed or Unknown Conditions

a. In the performance of the Work, if Company encounters conditions at the Work site that are (i) concealed physical conditions that differ materially from those indicated on drawings, plans, schematics, or other depictions or descriptions of the conditions on site that impact the Work that have been discussed by the parties or have been incorporated into the Proposal or (ii) unknown physical conditions of an unusual nature that differ materially from those conditions ordinarily found to exist and generally recognized as inherent in construction activities of the type and character as the Work, Company shall notify Customer of such conditions promptly, prior to significantly disturbing same.

b. If such conditions differ materially and cause an increase in Company's cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.

13. Pre-Existing Conditions

Company is not liable for any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the Work site before the date that Company began Work on the site ("Pre-Existing Conditions"), including, without limitation, damages, losses, or expenses involving Pre-Existing Conditions of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or fungi. Company also is not liable for any claims, damages, losses, or expenses, arising from or related to work done by or services provided by individuals or entities that are not employed by or hired by Company. If such pre-existing conditions differ materially from the

the Work in compliance with OSHA or state industrial safety regulations.

6. **Exclusions** Company's obligation is limited to the Work, as defined, and does not include

understanding of the parties or the anticipated circumstances on the Work site and cause an increase in Company's cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.

14. Asbestos and Hazardous Materials

a. Company's Work and other services in connection with this Agreement expressly excludes any identification, abatement, cleanup, control, disposal, removal or other work connected with asbestos, polychlorinated biphenyl ("PCB"), or other hazardous materials (hereinafter, collectively, "Hazardous Materials").

b. Customer represents and warrants that, except as set forth in a writing signed by Company, there are no Hazardous Materials on the Work site that will in any way affect Company's Work and Customer has disclosed to Company the existence and location of any Hazardous Materials in all areas within which Company will be performing the Work.

c. Should Company become aware of or suspect the presence of Hazardous Materials, Company may immediately stop work in the affected area and shall notify Customer. Customer will be exclusively responsible for taking any and all action necessary to correct the condition in accordance with all applicable laws and regulations. Customer shall be exclusively responsible for and, to the fullest extent permitted by law, shall indemnify and hold harmless Company (including its employees, agents and subcontractors) from and against any loss, claim, liability, fees, penalties, injury (including death) or liability of any nature, and the payment thereof arising out of or relating to any Hazardous Materials on or about the Work site, not brought onto the Work site by Company. Company shall be required to resume performance of the Work in the affected area only in the absence of Hazardous Materials or when the affected area has been rendered harmless.

d. In no event shall Company be obligated to transport or handle Hazardous Materials, provide any notices to any governmental agency, or examine the Work site for the presence of Hazardous Materials.

15. Limited Warranty; Warranty Exclusions

a. Company warrants that the labor portion of the Services is warranted to have been properly performed for a period of 90 days from date of completion, including, but not limited to, any obligation of Company for equipment start-up, if provided in the Proposal (the "Warranty Period"). Defects in the Service must be reported to Company within the Warranty Period. Company's obligation under the warranty is limited to correcting any improperly performed labor. No liability whatsoever shall attach to Company until the Services have been paid for in full.

b. Company does not make, and expressly disclaims, any representations or warranties for any materials, equipment, manufactured goods, parts, machinery, or components nor for any damages or failures related to the foregoing arising from any cause, including but not limited to: (a) wear and tear; corrosion, erosion, deterioration; (b) Customer's failure to follow any maintenance plan as provided by Company or the manufacturer; (c) or any damages or losses resulting from modifications made by others to equipment. Some components of the equipment described in the Proposal may be warranted directly from the component supplier or manufacturer, in which event the warranty given by such component supplier or manufacturer may apply, however, such coverage claims shall be made by Customer not by Company.

c. Notwithstanding the foregoing, all warranties provided herein shall terminate upon termination or cancellation of this Agreement.

d. THE WARRANTY AND LIABILITY SET FORTH IN THIS SECTION ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR FITNESS FOR A PARTICULAR PURPOSE AND/OR OTHERS ARISING FROM COURSE OF DEALING OR TRADE. UNLESS EXPRESSLY WARRANTED IN WRITING THE COMPANY MAKES NO REPRESENTATION OR WARRANTY EXPRESS OR IMPLIED REGARDING PREVENTION BY THE SCOPE OF SERVICES, OR ANY COMPONENT THEREOF, OF MOLD/MOULD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR ANY OTHER CONTAMINATES. COMPANY SPECIFICALLY DISCLAIMS ANY LIABILITY IF THE SCOPE OF SERVICES OR ANY COMPONENT THEREOF IS USED TO PREVENT OR INHIBIT THE GROWTH OF SUCH MATERIALS. THE WARRANTY AND LIABILITY SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

16. Indemnity.

a. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or tangible personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

b. Customer shall indemnify Company for any costs, fines, fees, taxes, penalties or other charges or expenses of any kind or character (including reasonable attorneys' fees and costs) related to any claims against Company that arise from any failure of Customer to obtain any necessary approvals, easements, assessments and charges for construction, use or occupancy of permanent structures or for permanent changes to existing facilities prior to the beginning of any Work as required by this Agreement.

c. Customer shall indemnify Company, its employees, contractors, agents, officers and directors, from any and all claims of any kind or character stemming from any assertion by any party that Company or its employees, contractors, agents, officers and directors were not permitted, or properly authorized to, access to the Work site during regular business hours, or such other hours as may be requested by Company, including sufficient areas for staging, mobilization, and storage and for any claims related in any way to Company's access to correct any emergency condition.

d. The requirements of Section 16(b) and 16(c) shall not be subject to the limitation on actions set forth in Section 21(b) of this Agreement.

17. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE OR EXEMPLARY DAMAGES OF ANY NATURE (INCLUDING WITHOUT LIMITATION PRODUCT LOSS, LOST REVENUE, OR LOST PROFITS), WHETHER CLAIMED UNDER CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER LEGAL THEORY OR FACTS. In the event that Company nevertheless is found liable for any damages, they shall be limited to the purchase price of the Services for any one location of Customer over a 12 month term. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGES RESULTING FROM ANY MOLD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR OTHER CONTAMINATES OR AIRBORNE BIOLOGICAL AGENTS FOUND AT ANY OF CUSTOMER'S LOCATIONS.

18. Commencement of Statutory Limitation Period. Except as to warranty claims and any claims by Company for indemnification under this Agreement, any applicable statutes of limitation for acts or failures to act shall commence to run, and any alleged cause of action stemming therefrom shall be deemed to have accrued, in any and all events not later than the last date that Casto Technical Services, Inc. or its subcontractors physically performed work on the project site.

19. Insurance. Company agrees to maintain the following insurance during the term of this Agreement with limits not less than shown below and will, upon request from Customer, provide a Certificate of Insurance evidencing the following coverage:

In no event does Company waive its right of subrogation.

20. Force Majeure. Company's duty to perform under this Agreement is contingent upon the non-occurrence of an Event of Force Majeure. If Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or, at Company's option, (ii) be terminated upon 10 days notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor disputes; labor or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid), and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

21. General.

a. Government Law; Venue. Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the State of West Virginia, without regard to choice of law principles which might otherwise call for the application of a different state's law. b. Time Limitation on Claims. Any action or suit arising out of or related to this Agreement must be commenced within one year after the cause of action has accrued.

c. Entire Agreement; Modification. This Agreement, together with all of the attachments and exhibits included herewith, contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the subject matter hereof. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto.

d. Provisions Severable. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto.

e. Assignment. Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. Company may assign, transfer or convey this Agreement at any time without the consent of the Customer.

f. Counterparts. This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

24. No Third Party Beneficiaries. This Agreement is for the benefit of the parties who are signatories hereto and it shall not give rise to any claims by, nor be enforced against either party by, or for the benefit of, any third party.

b. No delay or failure by Company to exercise any right under this Agreement, and no partial or single exercise of any right under this Agreement, shall constitute a waiver of such or any other right, unless otherwise expressly provided herein.

c. Nothing in this Agreement is intended to, and the parties agree that this Agreement does not, waive, limit, supplant or replace any other remedies that may be available to Company at law or in equity, including but not limited to the use of statutory liens.

5. Performance

a. Company shall perform the Work in accordance with industry standards generally applicable under similar circumstances as of the time Company performs the Work.

b. Company may refuse to perform any Work where working conditions could endanger property or put at risk the safety of persons including but not limited to Company's employees or contractors. Unless otherwise agreed to by Customer and Company, Customer will provide any necessary access platforms, catwalks and all other environmental requirements on site, at Customer's expense and before the Work begins, in order to permit Company to safely perform

6. **Exclusions** Company's obligation is limited to the Work, as defined, and does not include any modifications to the Work or the worksite under any law or building code(s), including but not limited to the Americans With Disabilities Act. In no event shall Company be required to perform work Company reasonably believes is outside of the defined Work without a written change order signed by Customer and Company. Unless expressly included in the Proposal, the Services do not include, and Company shall not be liable for, any of the following: (1) Any guarantee of room conditions or system performance; (2) Inspection, operation, maintenance, repair, replacement or performance of work or services outside the Services; (3) Damage, repairs or replacement of parts made necessary as a result of the acts or omission of Customer or any Event of Force Majeure, as hereinafter defined; (4) Any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the premises prior to the commencement of Services ("Pre-Existing Conditions") including, without limitation, damages, losses, or expenses involving a Pre-Existing Condition of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or fungi; or (5) Replacement of refrigerant.

7. **Time for Completion** Except to the extent otherwise expressly agreed in writing signed by an authorized representative of Company, all dates provided by Company or its representatives for commencement, progress or completion are estimates only. While Company shall use commercially reasonable efforts to meet such estimated dates, Company shall not be responsible for any damages for its failure to do so.

8. **Access** Company and its subcontractors shall be provided access to the Work site during regular business hours, or such other hours as may be requested by Company and acceptable to the Work site' owner or tenant for the performance of the Work, including sufficient areas for staging, mobilization, and storage. Company's access to correct any emergency condition shall not be restricted. Customer represents and warrants that Customer has all requisite right to authorize access to the Work site by the Company and its agents, employees, officers and contractors. Access to the Work site shall include, but not necessarily be limited to, physical access to all areas of the Work site relevant to the Work to be performed, ingress and egress rights over and through areas necessary for access to the Work site and the corresponding rights to transport personnel, equipment, merchandise, tools and other necessary persons and materials to and from the Work site. Customer hereby agrees to indemnify and defend Company, its agents, employees, subcontractors, contractors officers and directors from and against any claims, losses or liabilities arising from Company's access to the Work site.

9. Completion

a. For any task performed as a part of the Work, when Company informs Customer that the task has been completed, Company may (but shall not be obligated to) request, and in the event of such a request Customer agrees to comply, that Customer inspect the Work in the presence of Company's representative. Upon such an inspection Customer shall either (a) accept the Work related to the task in its entirety by executing Company's paperwork to that end, or (b) accept the Work related to the task in part and specifically identify, in writing, any exception items. Customer agrees to re-inspect any and all excepted items as soon as Company informs Customer that all such excepted items have been completed.

b. In the event of a request under Sub-Section (a), the initial acceptance inspection shall take place within ten (10) days from the date when Company informs Customer that the Work associated with a task has been completed. Any subsequent re-inspection of excepted items shall take place within five (5) days from the date when Company informs Customer that the excepted items have been completed. Customer's failure to cooperate and complete any of said inspections within the required time limits shall constitute complete acceptance of the Work related to that task as of ten (10) days from date when Company informs Customer that the Work, or the excepted items, if applicable, has/have been completed.

10. Permits and Governmental Fees; Easements and Approvals

a. Company shall secure (with Customer's assistance) and pay for building and other permits and governmental fees, licenses, and inspections necessary for proper performance and completion of the Work which are legally required when bids from Company's subcontractors are received, negotiations thereon concluded, or the effective date of a relevant Change Order, whichever is later. Customer agrees that it shall be responsible for the costs of such permits, fees, licenses, and inspections and if those costs are not separately included in the Proposal, Company will invoice Customer for such costs over and above the costs and fees set forth in the Proposal and Customer agrees to pay all such invoices on the same terms and conditions as any other payment that is a part of this Agreement.

b. Customer is responsible for obtaining any necessary approvals, easements, assessments and charges for construction, use or occupancy of permanent structures or for permanent changes to existing facilities prior to the beginning of any Work.

11. **Utilities During Construction** Customer shall provide, without charge to Company, all water, heat, electricity, and other utilities required for performance of the Work (which shall include garbage or refuse disposal and haul away costs and fees unless specifically agreed in the Proposal). Customer shall be responsible for any delays in the performance of the Work by Company occurring as a result of a lack of availability of required utilities. Company may invoice Customer, and Customer agrees to pay such invoices, for costs incurred by Company as a result of such delays. Continuing failure by Customer to provide necessary utilities services may result in the termination of this Agreement by Company.

12. Concealed or Unknown Conditions

a. In the performance of the Work, if Company encounters conditions at the Work site that are (i) concealed physical conditions that differ materially from those indicated on drawings, plans, schematics, or other depictions or descriptions of the conditions on site that impact the Work that have been discussed by the parties or have been incorporated into the Proposal or (ii) unknown physical conditions of an unusual nature that differ materially from those conditions ordinarily found to exist and generally recognized as inherent in construction activities of the type and character as the Work, Company shall notify Customer of such conditions promptly, prior to significantly disturbing same.

b. If such conditions differ materially and cause an increase in Company's cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.

13. **Pre-Existing Conditions.** Company is not liable for any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the Work site before the date that Company began Work on the site ("Pre-Existing Conditions"), including, without limitation, damages, losses, or expenses involving Pre-Existing Conditions of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or fungi. Company also is not liable for any claims, damages, losses, or expenses, arising from or related to work done by or services provided by individuals or entities that are not employed by or hired by Company. If such pre-existing conditions differ materially from the

the Work in compliance with OSHA or state industrial safety regulations.

6. Exclusions Company's obligation is limited to the Work, as defined, and does not include

understanding of the parties or the anticipated circumstances on the Work site and cause an increase in Company's cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.

14. Asbestos and Hazardous Materials

a. Company's Work and other services in connection with this Agreement expressly excludes any identification, abatement, cleanup, control, disposal, removal or other work connected with asbestos, polychlorinated biphenyl ("PCB"), or other hazardous materials (hereinafter, collectively, "Hazardous Materials").

b. Customer represents and warrants that, except as set forth in a writing signed by Company, there are no Hazardous Materials on the Work site that will in any way affect Company's Work and Customer has disclosed to Company the existence and location of any Hazardous Materials in all areas within which Company will be performing the Work.

c. Should Company become aware of or suspect the presence of Hazardous Materials, Company may immediately stop work in the affected area and shall notify Customer. Customer will be exclusively responsible for taking any and all action necessary to correct the condition in accordance with all applicable laws and regulations. Customer shall be exclusively responsible for and, to the fullest extent permitted by law, shall indemnify and hold harmless Company (including its employees, agents and subcontractors) from and against any loss, claim, liability, fees, penalties, injury (including death) or liability of any nature, and the payment thereof arising out of or relating to any Hazardous Materials on or about the Work site, not brought onto the Work site by Company. Company shall be required to resume performance of the Work in the affected area only in the absence of Hazardous Materials or when the affected area has been rendered harmless.

d. In no event shall Company be obligated to transport or handle Hazardous Materials, provide any notices to any governmental agency, or examine the Work site for the presence of Hazardous Materials.

15. Limited Warranty; Warranty Exclusions

a. Company warrants that the labor portion of the Services is warranted to have been properly performed for a period of 90 days from date of completion, including, but not limited to, any obligation of Company for equipment start-up, if provided in the Proposal (the "Warranty Period"). Defects in the Service must be reported to Company within the Warranty Period. Company's obligation under the warranty is limited to correcting any improperly performed labor. No liability whatsoever shall attach to Company until the Services have been paid for in full.

b. Company does not make, and expressly disclaims, any representations or warranties for any materials, equipment, manufactured goods, parts, machinery, or components nor for any damages or failures related to the foregoing arising from any cause, including but not limited to: (a) wear and tear; corrosion, erosion, deterioration; (b) Customer's failure to follow any maintenance plan as provided by Company or the manufacturer; (c) any damages or losses resulting from modifications made by others to equipment. Some components of the equipment described in the Proposal may be warranted directly from the component supplier or manufacturer, in which event the warranty given by such component supplier or manufacturer may apply, however, such coverage claims shall be made by Customer not by Company.

c. Notwithstanding the foregoing, all warranties provided herein shall terminate upon termination or cancellation of this Agreement.

d. THE WARRANTY AND LIABILITY SET FORTH IN THIS SECTION ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR FITNESS FOR A PARTICULAR PURPOSE AND/OR OTHERS ARISING FROM COURSE OF DEALING OR TRADE. UNLESS EXPRESSLY WARRANTED IN WRITING THE COMPANY MAKES NO REPRESENTATION OR WARRANTY EXPRESS OR IMPLIED REGARDING PREVENTION BY THE SCOPE OF SERVICES, OR ANY COMPONENT THEREOF, OF MOLD/MOULD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR ANY OTHER CONTAMINATES. COMPANY SPECIFICALLY DISCLAIMS ANY LIABILITY IF THE SCOPE OF SERVICES OR ANY COMPONENT THEREOF IS USED TO PREVENT OR INHIBIT THE GROWTH OF SUCH MATERIALS. THE WARRANTY AND LIABILITY SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

16. Indemnity.

a. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or tangible personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

b. Customer shall indemnify Company for any costs, fines, fees, taxes, penalties or other charges or expenses of any kind or character (including reasonable attorneys' fees and costs) related to any claims against Company that arise from any failure of Customer to obtain any necessary approvals, easements, assessments and charges for construction, use or occupancy of permanent structures or for permanent changes to existing facilities prior to the beginning of any Work as required by this Agreement.

c. Customer shall indemnify Company, its employees, contractors, agents, officers and directors, from any and all claims of any kind or character stemming from any assertion by any party that Company or its employees, contractors, agents, officers and directors were not permitted, or properly authorized to, access to the Work site during regular business hours, or such other hours as may be requested by Company, including sufficient areas for staging, mobilization, and storage and for any claims related in any way to Company's access to correct any emergency condition.

d. The requirements of Section 16(b) and 16(c) shall not be subject to the limitation on actions set forth in Section 21(b) of this Agreement.

17. **Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE OR EXEMPLARY DAMAGES OF ANY NATURE (INCLUDING WITHOUT LIMITATION PRODUCT LOSS, LOST REVENUE, OR LOST PROFITS), WHETHER CLAIMED UNDER CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER LEGAL THEORY OR FACTS. In the event that Company nevertheless is found liable for any damages, they shall be limited to the purchase price of the Services for any one location of Customer over a 12 month term. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGES RESULTING FROM ANY MOLD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR OTHER CONTAMINATES OR AIRBORNE BIOLOGICAL AGENTS FOUND AT ANY OF CUSTOMER'S LOCATIONS.

18. **Commencement of Statutory Limitation Period.** Except as to warranty claims and any claims by Company for indemnification under this Agreement, any applicable statutes of limitation for acts or failures to act shall commence to run, and any alleged cause of action stemming therefrom shall be deemed to have accrued, in any and all events not later than the last date that Casto Technical Services, Inc. or its subcontractors physically performed work on the project site.

19. **Insurance.** Company agrees to maintain the following insurance during the term of this Agreement with limits not less than shown below and will, upon request from Customer, provide a Certificate of Insurance evidencing the following coverage:

If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to the use of an Additional Insured endorsement form that has been approved by the appropriate state insurance department for use under its primary Commercial General Liability policy. In no event does Company waive its right of subrogation.

20. **Force Majeure.** Company's duty to perform under this Agreement is contingent upon the non-occurrence of an Event of Force Majeure. If Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or, at Company's option, (ii) be terminated upon 10 days notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor disputes; labor or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid); and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

d. **Provisions Severable.** If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto.

e. **Assignment.** Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. Company may assign, transfer or convey this Agreement at any time without the consent of the Customer.

f. **Counterparts.** This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

Parts 60-1 through 60-60, 29 U.S.C. Section 793 and the applicable regulations contained in 41 C.F.R. Part 60-741; and 38 U.S.C. Section 4212 and the applicable regulations contained in 41 C.F.R. Part 60-250 and Executive Order 13496 and Section 29 CFR 471, appendix A to subpart A, regarding the notice of employee rights in the United States.

23. **Subcontractors.** Nothing in this Agreement shall limit the right of Company to utilize contractors and subcontractors to complete the Work as called for in this Agreement.

24. **No Third Party Beneficiaries.** This Agreement is for the benefit of the parties who are signatories hereto and it shall not give rise to any claims by, nor be enforced against either party by, or for the benefit of, any third party.

MEMORANDUM

To: Tara Lyle, Buyer Supervisor, WV Purchasing Division
From: Jamie Jones, Procurement Administrator *James R Jones*
Date: March 18, 2025
Ref: Emergency Purchase Order, Building 11 Chiller Plant (APO GSD250000264)

Tara,

Please let this memorandum serve as justification for the issuance of the referenced purchase order. On Monday, January 20, 2025, a vehicle crashed into Building 11 (Central Chiller Plant) and caused damage to Chiller # 5. The Agency made the determination to utilize Casto Technical Services to perform the services, as they hold our contract for preventive/corrective maintenance. Having another vendor perform any work would complicate any future issues that may arise with who would be responsible for making repairs. The work included in this purchase order addresses repairs to valves, flanges, and gaskets that needed to be repaired to maintain the operability of the damaged chiller.
