Re: PF1347719, CDO BMS24\*21-Prospective Year One (1) 9 months Delivery Order

The West Virginia Bureau for Medical Services (BMS) respectfully requests approval of the above referenced Centralized Delivery Order (CDO) for base year one (1), which includes nine (9) months of operations in accordance with the terms and conditions of the Utilization Management and Prior Authorization Contract (CMA BMS23\*07) with Keystone Peer Review Organization LLC. This delivery order is being issued to replace CDO - BMS24\*05. Due to system limitations a new delivery order was needed to convert the payment schedule from a yearly fixed rate to monthly payment installments. The service period is 08/01/2023-04/30/2024 and all invoices will be paid under delivery order BMS24\*21.

Due to WVOasis rounding system the cost balance reflected is ten (10) cents more than previous encumbrance reflected on CDO BMS 24\*05. Total Cost: \$21,429,316.26. The last month of the invoice will be paid at the lesser amount and the difference between the delivery order and invoice will be liquidated at that time.

Thank you for your time and consideration in this matter. If you have any questions or need additional information, please feel free to contact me at 304-352-3924 or by email at [althea.m.greenhowe@wv.gov](mailto:althea.m.greenhowe@wv.gov)
