RE: Vendor Registration

Dear Mr. Whittaker,

I wanted to notify you that Strategic Networks Group, Inc. has started the Vendor Registration process for the State of West Virginia (WV-1). As per the RFP# DEV1224 document on page 12, section 4.5, we understand that there is no requirement for SNG to apply until the contract is awarded. We wanted to make sure you are aware that we have started that process today and will be submitting our completed information and check to the State this week.

Once again, we are pleased to be able to respond to your RFP and we look forward to working with you through this process.

Please let me know if you have any questions – I can be reached at (613) 234-1549.

Best regards,
