Commodity Line Comments: 115 Voltage Required for new electric operators.
 Primary 115V Power Circuits for these newly installed electric operators, would be state of WV or other trades responsibility.
 Stepp and Sons will install new machines and test off temporary power and make final adjustments after permanent power is run to the new operators. We will coordinate all with property owner.
 We are not quoting new electrical circuits.
 Ben Stepp -- Sandi Inc. dba Stepp and Sons Garage Door

Extended Description:

Labor, materials and all associated costs to remove and dispose of old garage doors and to install 16 new garage doors per the attached documentation.
