The "Named Insured" shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the Company at the end of the policy period as the Company may direct.

2. Inspection and Audit

The Company shall be permitted but not obligated to inspect the "Named Insured's" property and operations at any time. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the "Named Insured" or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

The Company may examine and audit the "Named Insured's" books and records at any time during the policy period and extension thereof and within three years after the final termination of the policy, as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws

When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for "bodily injury" liability or for "property damage" liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The "insured" agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. The "insured" must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- 1) How, when and where the "occurrence" or offense took place;
- 2) The names and addresses of any injured persons and witnesses; and
- 3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or suit is brought against the "insured", the "insured" shall immediately record the specifics of the claim, suit, demand, notice, summons or other process and the date received.

c. The "insured" shall:

- 1) Immediately send the Company copies of any demands, notices, summonses or legal papers received in connection with the claim or suit.

“insured” because of injury or damage with respect to which insurance is afforded under this policy.

- 5) The “insured” shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses.

No “insureds” shall, except at their own cost, voluntarily make a payment, assume any obligation, waive any statutory or common law immunity, or incur any expense, other than for first aid, without the consent of the Company.

5. Legal Action Against Company

No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the “insured’s” obligation to pay shall have been finally determined by judgment against the “insured” after actual trial or by written agreement of the “insured”, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No other person or organization shall have any right under this policy to join the Company as a party to any action against the “insured” to determine the “insured’s” liability, nor shall the Company be impleaded by the “insured” or his legal representative. Bankruptcy or insolvency of the “insured” or of the “insured’s” legal estate shall not relieve the Company of any of its obligations hereunder.

6. Other Insurance

The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the “insured” has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Company’s liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

- A. Contribution By Equal Shares. If all of such other valid and collectible insurance provides for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of loss until each such insurer has paid its limit in full or the full amount of the loss is paid.
- B. Contribution By Limits. If any of such other insurance does not provide for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation

In the event of any payment under this policy, the Company shall be subrogated to all of the “insured’s” rights to recovery therefore against any person or organization and the “insured” shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The “insured” shall do nothing after loss to impair or prejudice such rights. At the Company’s request, the “insured” will bring suit or transfer those rights to the Company and help the Company enforce them.

8. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company for asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

9. Assignment

Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon; if, however, the "Named Insured" shall die, such insurance as is afforded by this policy shall apply (1) to the "Named Insured" but only while acting within the scope of his duties as such, and (2) with respect to the property of the "Named Insured", to the person having proper temporary custody thereof, as "insured", but only until the appointment and qualification of the legal representative.

10. Nonrenewal by the Company

If the Company decides not to renew this policy, the Company shall mail or deliver to the first "Named Insured" shown in the Declarations written notice of the nonrenewal not less than 120 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

11. Cancellation

This policy may be canceled by the "Named Insured" by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the Company by mailing to the "Named Insured" at the address shown in the Declarations of this policy, written notice stating when not less than one hundred twenty (120) days thereafter such cancellation shall be effective, unless the policy is being canceled for non-payment of premium, in which case the Company shall provide not less than thirty (30) days notice. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the "Named Insured" or by the Company shall be equivalent to mailing.

LARGE RISK RATING PLAN ENDORSEMENT

PLAN TYPE

This endorsement changes the policy to which it is attached effective on the inception date of the policy unless a different date is indicated below.

(The following "attaching clause" needs to be completed only when this endorsement is issued subsequent to the preparation of the policy.)

This Endorsement, effective 12:01 AM 07/01/2010 forms a part of Policy Number GL 4360719

Issued to STATE OF WEST VIRGINIA

By National Union Fire Insurance Company of Pittsburgh, Pa.

PART I. GENERAL TERMS and CONDITIONS

This endorsement determines the *Final Premium* for the insurance provided during the Rating Period by this policy, any other policy described in this endorsement in Section 1 of PART II, and the renewals and replacements of each (the "policies"). The Rating Period begins and ends at 12:01 AM on the respective dates shown in Section 1 of PART II. If the Plan Type of this endorsement states Construction Project, this endorsement applies only to, and for the duration of, the construction project described in Section 1 of PART II.

The rates and the basis types described in PART II will remain fixed for the duration of the Rating Period, except (if applicable) Section 7 "Claims Service Charges on Fee Basis", Section 8 "Taxes, Assessments and Surcharges", and any applicable items set forth in Section 11 "Exceptions". These exceptions will be subject to change at each anniversary of the beginning of the Rating Period.

Section 1. Premium Calculation

The *Final Premium* for the policies will be the sum of the total *Subject Premium* and the total *Non-Subject Premium*. The way that the total *Subject Premium* will be determined is described below and is shown in Section 9, Item A of PART II. The way that the total *Non-Subject Premium* will be determined is described below and is shown in Section 9, Item B of PART II.

A. **Total Subject Premium:** The total *Subject Premium* for the policies will be determined separately by state and kind of insurance. For each state and kind of insurance, the *Subject Premium* shall be the sum of *Subject Losses* and the Charges for the Insurance Charge, Expenses and Profit divided by the Tax/Assessment Divisor as determined below.

1. **Subject Losses:** The first part of the *Subject Premium* will be the sum of all *Subject Losses* under any applicable terms of the policies described in Section 1 of PART II and as identified in Section 5, Item A of PART II.
2. **Charges for Insurance Charge, Expenses and Profit:** The second part of the *Subject Premium* will be the component parts of the *Subject Premium* other than *Subject Losses* that are identified as line items in Section 9, Item A of PART II.

The entire estimated amount of each such charge can be found in Section 9, Item A of PART II subject to any applicable Minimum Premium shown for it.

We will apportion the entire amount of each such charge to each kind of insurance and state covered under the policies in proportion to the respective *Standard Premium* of each, except that:

- a. Charges for claims service expenses will be allocated in proportion to respective *Subject Losses*, and
- b. Charges for administrative expenses and profit for the kinds of insurance in the states described in Section 2 of PART II will be the difference between:
 - i. the *Final Premium* for such kinds of insurance and states determined as provided for in the policy other than by this Endorsement, and
 - ii. the sum of *Subject Losses*, all other charges for the Insurance Charge, Expenses and Profit included in this item 2, taxes and assessments determined through the application of the Tax/Assessment Divisor, and *Non-Subject Premiums* for such states.

3. **Tax/Assessment Divisor:** One (1.000) less the Tax/Assessment Rate as shown in Section 9 Item A of PART II. The rate is calculated as indicated in Section 8 of PART II.

B. **Total Non-Subject Premium:** The part of the *Final Premium* for the kinds or layers of insurance described in Section 9, Item B of PART II will be calculated as shown therein. If no *Basis* of premium determination for *Non-Subject Premium* is shown in Section 9, Item B of PART II, the *Non-Subject Premium* will be determined as set forth in the policy under which such insurance is provided.

LARGE RISK RATING PLAN ENDORSEMENT

Section 2. Schedule of Premium Adjustments

- A. The estimated *Final Premium* is shown in Section 9, Item C of PART II. We will recalculate the estimated *Final Premium* as soon as practicable after the First Valuation Date shown in Section 5 of PART II. We will recalculate the estimated *Final Premium* annually thereafter until you and we agree in writing that no more recalculations will be done.
- B. Additional premium due us, or return premium due you, resulting from the calculation or recalculation of the *Final Premium*, will be payable in its entirety promptly unless otherwise specified in a premium finance agreement between you and us.

Section 3. Expected Total Cost

In addition to *Final Premium*, you may be liable under the terms of the policies for reimbursements of certain losses and *Allocated Loss Adjustment Expenses* we pay, subject to any *Minimum Cost* and *Maximum Cost* as described below, and surcharges. Our estimated amounts for such additional costs, if any, are shown in Section 9, Item C of PART II.

- A. **Minimum Cost:** If a *Minimum Cost* is applicable, that amount is the minimum you must pay for the *Subject Premium* and, if applicable, *Non-Subject Premium*, *Reimbursable Losses*, *Deductible Losses*, *Self-Insured Losses* and *ALAE* itemized in Section 6 Item A. c. of PART II. Component items not itemized in Section 6, Item A. c. of Part II are not included in the *Minimum Cost*. If an Adjustment Rate and a *Basis* of Adjustment are shown in Section 6, Item A. a. of PART II, the *Minimum Cost* will be determined by multiplying the Adjustment Rate by the actual *Basis* of Adjustment as determined by our final audit of your books and records.
- B. **Maximum Cost:** If a *Maximum Cost* is applicable, that amount is the maximum you must pay for *Subject Premium* and, if applicable, *Non-Subject Premium*, *Reimbursable Losses*, *Deductible Losses*, *Self-Insured Losses* and *ALAE* itemized in Section 6 Item B. c. of PART II. Component items not itemized in Section 6, Item B. c. of Part II are not included in the *Maximum Cost*. If an Adjustment Rate and a *Basis* of Adjustment are shown in Section 6, Item B. a. of PART II, the *Maximum Cost* will be determined by multiplying the Adjustment Rate by the actual *Basis* of Adjustment as determined by our final audit of your books and records.

Section 4. Definitions

- c. **Option C:** *Subject Loss* includes all or a part of *ALAE* calculated according to the following formula:

That percentage is shown in Section 3 of PART II under "Option C Excess %"; or

LARGE RISK RATING PLAN ENDORSEMENT

 - 2. if the foregoing does not apply, the largest part of any damages or benefits paid or payable under a policy because of any single accident, occurrence, claim or suit, that we will include in the computation of the *Subject Premium*.

Such amount is shown in Section 4 of PART II for each type of insurance afforded under the policies described in Section 1 of PART II.

- M. "*Self-Insured Loss*" or "*SIR*" means any loss you incur under a Self-Insured Retention of the policies described in Section I of PART II.

The *Aggregate Stop Amount* and the *Aggregate Stop Limit*, if any, shown in the Schedule below will be applied as explained below.

Section I. Aggregate Stop Amount

1. If an *Aggregate Stop Amount* is shown in the Schedule below, we will not include more than the *Aggregate Stop Amount* in the computation of the *Final Premium* and determination of maximum benefits, damages and "ALAE" payable or reimbursable by you under the terms of the policies described in Section I of PART II, subject to any *Aggregate Stop Limit* shown in the Schedule below.

The maximum benefits, damages and ALAE to be included in the computation of the *Final Premium* will be the *Aggregate Stop Amount* shown in the Schedule below, less the following:

The *Aggregate Stop Amount* will be finally determined by multiplying the Adjustment Rate by the final Adjustment *Basis* as determined by our audit of your books and records. The *Aggregate Stop Amount* will not be less than the estimated amount shown in the Schedule below, unless otherwise set forth in Section 11 of PART Two
 3. The *Aggregate Stop Amount* will not be reduced on account of the cancellation of any policy to which this Endorsement applies.
