Nature of Work
An employee in this class is responsible for the management, operation, maintenance, and protection of significantly developed state-owned park and forest areas providing services and facilities to the public which may emphasize recreation; camping; lodging; dining; natural, historic, or science resource preservation and interpretation or assisting in the management of more complex operations. Manages operations at seasonal vacation parks of a complex nature or other areas with significant camping, recreational, or historical development.

May have "off-facility" responsibilities or special assignments that take them from their principal area of assignment including technical research projects, special events, supervision of satellite areas located within the region of the principal area of assignment, statewide temporary managerial assignments, fire-fighting, and law enforcement duties. Employee is guided by statements of policy and outlined assignments from supervisory personnel but is required to exercise considerable discretionary judgement and initiative in planning and directing facility programs in the areas of building maintenance, equipment maintenance, grounds maintenance, housekeeping, sanitation, public relations, law enforcement, personnel management and training, programmed visitor activity programming, historical and nature interpretation, conservation, preservation, public work programs, federal and state regulatory compliance, accounting, recordkeeping, revenue production, budget preparation and control, concession contract administration, public safety, and all related endeavors. Performs related work as required.
