Nature of Work
An employee in this class is responsible for the management, operation, maintenance, and protection of a state-owned, non-concessioned, very complex, extensively developed, large resort state park providing services and facilities to the public which emphasize a full range of recreational facilities and services including but not limited to: camping; lodging; cabins; dining; golf and natural, historic, or scenic resource preservation. May have "off-facility" responsibilities or special assignments that take them from their principal area of assignment including technical research projects, special events, supervision of satellite areas located within the region of the principal area of assignment, statewide temporary managerial assignments, firefighting and law enforcement duties. Direction is provided by statements of policy and outlined assignments from supervisory personnel but is required to exercise an extraordinary level of discretionary judgement and initiative in planning and directing facility programs in the area of building maintenance, equipment maintenance, grounds maintenance, housekeeping, sanitation, public relations, law enforcement, personnel management and training, visitor activity programming, historical and nature interpretation, conservation, preservation, public work programs, federal and state regulatory compliance, accounting, recordkeeping, revenue production, budget preparation and control, concession contract administration, public safety. Performs related work as required.

Distinguishing Characteristics
This class level is distinguished from surrounding levels by the following: manages very complex, extensive, non-concessioned resort park operations which include lodge(s), cottages, golf courses and a full range of recreational facility development and services. Law enforcement demands, regular "off-facility" responsibilities, attendance levels, revenue levels, contractual oversight, and other factors may be a distinguishing factor.
