Nature of Work
Under general supervision, performs managerial work in coordinating and evaluating operational and administrative programs for the Division of Corrections and Rehabilitation (DCR) at adult correctional facilities, prisons, jails and centers. The managerial work is accomplished through the direction of subordinate department supervisors. These positions exercise managerial responsibility and authority for an assigned major operational or administrative component of the facility organizational structure, such as the: Security Division, Rehabilitation Programs and Treatment Division, or Operations Division. These positions will review and evaluate effectiveness and efficiency of institution programs within their division. Provides direction and oversight by developing short and long-range plans; develops and oversees the implementation of policies and procedures; reviews the concerns of staff and inmates, offenders or residents; provides oversight for organizational compliance with applicable statutes, rules, policies, procedures and standards. These positions will assist the Superintendent and Deputy Superintendent in determining long-range operational objectives and will serve as a member of the institution’s senior management team to evaluate and prioritize budget needs. Work is effectuated through supervisor, and subordinate staff. Exercises independent judgment and considerable latitude in the execution of assigned duties and responsibilities. Performs related work as required.

Distinguishing Characteristics
These positions are distinguished from the Corrections Associate Superintendent 1 by the operational mission and bureau assignment of the facility. The Corrections Associate Superintendent 2 classification is specific to facilities assigned to the Bureau of Prisons and Jails.
