Corrections Superintendent 2

Nature of Work
Under administrative direction, performs advanced administrative, managerial and supervisory duties for the Division of Corrections and Rehabilitation (DCR) in directing the operations of an adult correctional facility, prison, jail and/or center. These positions function as the chief executive officer over the facility and shall have charge of its internal policy, management, and programs and shall function with latitude to exercise initiative and independent judgment. Performs high level administrative and major policy functions, including policy and program development and the development of positive cooperative relationships with a wide variety of customers and stakeholders. Analyzes complex and emergent issues, recommends and takes effective courses of action, makes independent, sound ethical decisions regarding highly sensitive matters, and maintains confidentiality using collaborative, evidence-based processes. These positions will be responsible for promptly enforcing all orders and maintaining discipline, preserving state property, and shall have all care, custody and control of personal property belonging to inmates and/or residents of the facility.

Distinguishing Characteristics
These positions are distinguished from the Corrections Superintendent 1 by the operational mission and bureau assignment of the facility. The Corrections Superintendent 2 classification is specific to facilities assigned to the Bureau of Prisons and Jails.

Examples of Work
Directs the overall operation of the facility, including planning and management of the fiscal, administrative and operational implementation of policies and procedures.
Supervises, coordinates and reviews the work of subordinate personnel; evaluates performance of staff.
Manages and evaluates methods in program management and operations; determines the effectiveness in achievement of program objectives and goals.
Develops and implements program policies and procedures.
Oversees compliance with laws, rules, policies and procedures.
Reviews and responds to offender grievances.
Prepares periodic reports concerning facility operations, progress, problems and recommendations for action.

Knowledge, Skills and Abilities
Knowledge of the principles of administration involved in operating a state correctional or juvenile facility.
Knowledge of federal and state laws, rules and regulations.
Knowledge of the budgetary process.
Ability to establish effective relationships with inmates, social service officials and agencies.
Ability to supervise the work of professional and support personnel.
Ability to analyze information and create reports.
Ability to communicate effectively, both orally and in writing.
