INSURANCE ASSISTANT 2

Nature of Work: Under general supervision, at the full-performance level, assists members, providers and general public via telephone, walk-in or correspondence concerning benefits and claims in the administration of the Public Employees Insurance Agency Benefits Program and/or the West Virginia Children Health Insurance Program. Performs a variety of basic customer service work by answering inquiries, resolving complaints and explaining benefits, rules, regulations and agency policies. Must be knowledgeable about all benefits administered by the agency. May train other personnel. May travel throughout the state. Performs related work as required.

Distinguishing Characteristics
This is full-performance level work in assisting members, providers and general public with insurance benefits and claims. It is further distinguished from the Insurance Assistant 1 by the complexity of tasks assigned and the level of knowledge needed in eligibility rules; agency and vendor computer systems; benefit coordinator responsibilities; and ability to independently provide training to Insurance Assistant 1's, benefit coordinators, vendor representatives, and insured members. The allocations of positions to this class is determined by the higher complexity of the work performed relative to that assigned to the Insurance Assistant 1 class.
