SUPERVISOR 3

Nature Of Work: Under general supervision, performs advanced level supervisory work overseeing the activities of high-level technical or administrative staff. Completes annual performance appraisals, approves sick and annual leave, makes recommendations and is held responsible for the performance of the employees supervised. Work is reviewed by supervisors through results produced and through meetings to evaluate output. Provides information on the units' accomplishments for the agency's annual report. Represents the agency before committees and the general public. Performs related work as required.

Distinguishing Characteristics: The Supervisor 3 is distinguished from the Supervisor 2 by the nature of the work supervised, the degree of external contacts, the number of units supervised and by the level of collateral work assigned to the position. The work supervised is typically of a technical or administrative nature as opposed to clerical. Contacts are often with other public officials at the state and federal level. Supervises two or more related units. The level of related work assigned is often administrative and technical in nature.

Examples of Work
