HEARINGS EXAMINER

Nature of Work
Under limited supervision, performs advanced professional work adjudicating administrative hearings for a state agency. Issues addressed stem from agency regulatory responsibilities such as denial of social and economic services. Researches cases, reviews physical, financial or employment information, and drafts decisions. May supervise some paraprofessional or office support staff. Makes decisions based on admissible evidence. Performs related work as required.

Distinguishing Characteristics
Positions in this classification adjudicate first level appeals for individuals who have been determined to be no longer eligible for financial assistance, disability benefits, licenses or other social benefits. Candidates must be familiar with the federal guidelines and state law, and precedents relevant to the area of jurisdiction.

Examples of Work
Receives notice of departmental actions applying sanctions under regulatory responsibilities; advises parties at interest of right of appeal and appeal procedures. Presides over and conducts hearing on claims and other appeals of cases relating to services or benefits of the agency. Travels the state to conduct hearings. Administers oaths, examines witnesses, and receives testimony in hearing cases; determines credibility of witnesses and weights evidence. Studies proposed regulations, performs necessary research, prepares reports and makes recommendations based on law and facts, supervises and participates in the drafting of and orders. Interviews attorneys, company officials, physicians, and the general public; answers correspondence on matters relating to legal matters of the department. Directs the gathering of additional facts and data to objectively evaluate cases. Serves as professional legal resource person to the departmental administrative personnel and advises on interpretation of laws and regulations and the problems involved in their application. May make rulings affecting the competency, relevancy, and the materiality of evidence and motions to be presented and render final decisions, orders, or awards.
Knowledge, Skills and Abilities
Knowledge of the function, organization and regulations of the area of assignment.
Knowledge of adjudicative guides, operating standards and instructions pertaining to the credence of evidence of testimony.
Knowledge of terminology and standards related to the area of assignment, medical or psychological fiscal and economic implications, vocational information, or legal terminology.
