Subject: Renewal of CMA ISC20*03 (Data Cabling and Supplies)

Dear Mr./Ms. Phillips:

Provisions were included in the original contract documents to renew the subject contract under the same terms, conditions, and pricing contained in the original agreement and subsequent Change Orders. The renewal dates are November 1, 2021, through October 31, 2022. I have included the WV Purchasing Affidavit, which will also need to be signed and notarized to complete this renewal. If your company agrees, please sign below and return to my attention as soon as possible.

Please contact me if you have any questions.

Sincerely,

Andrew Lore
WVOT Procurement Manager/ISMII

SUBJECT: CMA ISC20*03 Change Order 2 – Cabling Contract Renewal

DATE: October 26, 2021

The WVOT is requesting Change Order 2 to CMA ISC20*03. This Change Order is to renew the contract under the same specifications and terms; however, the pricing does increase. Per the agreement, the Vendor can modify its catalog at the time of renewal. Due to COVID and on-going supply chain issues, the Vendor has updated its catalog to accurately reflect its expenses. The WVOT has reviewed the contract and agrees that the request appears reasonable. We are, therefore, requesting the catalog be updated.

Attached are the Vendor's Memo, Purchasing Affidavit, and other relevant documentation.

Please let us know if you need anything further to support this request.

405 12th Street • Dunbar, WV 25064 • Phone 304.768.3600 • Fax 304.768.3698 • Nat Wats 1.800.344.5202

To Whom It May Concern,

In preparation to renew the data cabling contract that we currently possess with the WV Office of Technology. Due to market volatility and increases in wholesale goods in the past year, we are forced to make the following price increases.

- Leviton (Lines 1 – 134) Included below are letters received from Leviton highlighting each increase. On June 1st there was an increase of 3%. On October 4th there was another increase of 9%. The updated contract pricing below indicates each increase.
- Belden/Mohawk (Lines 135 – 142) Included below are letters received from Belden/Mohawk highlighting each increase. On January 18th, there was an increase of 2-5%. On April 5th, there was an increase of 1-12%. On June 21st, there was an increase of 1-12%. Finally, on October 11th, there was an increase of 3-5%. These increases were all summed up as an average on the contract. Therefore, the January 18th increase is 3%. The April 5th increase is 6%. The June 21st increase is 6%. The October 11th increase is 4%. These increases are updated on the contract pricing below.

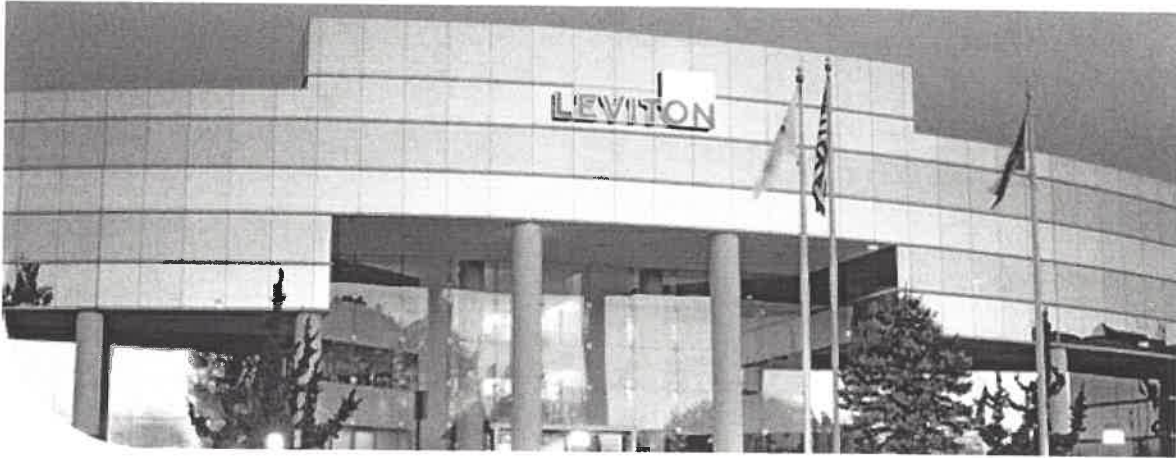

Please feel free to reach out to me if there are any questions at (304) 768-3600.

Sincerely,

Josh Phillips

Dear Valued Distribution Business Partners,

As we all have faced many unforeseen challenges in 2020 and into the first half of 2021, the good news is that normalcy appears to be on the horizon. Like many other industries, we continue to incur significant pricing pressures on many raw materials, freight and labor costs. As we adapt to the "New Norm", we are doing all we can to deliver the exceptional customer service that you expect from Leviton. Your continued prosperity and success remain our top priority. As we persevere through these increased costs in all sectors and work diligently to improve productivity, we are forced to implement a price increase to offset some of these incurred costs.

Effective August 1, 2021, we will be implementing a price increase on average of up to 3% across our various product lines, including GFCIs, but not affecting our award-winning Load Center and Decora Smart product lines. We will also be applying an increase which will be reflected on any SPAs, LPAs, Quotes, and Blankets that are currently in place and are expiring on or before July 31, 2021.

With our ongoing commitment to keeping you informed in an easy and timely manner, we will have available no later than July 1, 2021, your updated Customer price List, as well as your SPAs, LPAs, Quotes, and Blankets. These can be accessed on the new Leviton B2B Partner Portal (Leviton.com/B2B) by contacting your Leviton sales representative or by requesting your updated price file via email at edinsidesales@leviton.com. Kindly include your Leviton account number with your request.

We pledge to consistently serve you in the manner you have come to expect from the Leviton Manufacturing Company. Thank you for your loyal partnership and commitment to further growth together in the years to come. During these challenging times, we wish you and your colleagues' safety and good health.

Revised - U.S. August 2021 Price Change Notification (Effective: October 1st, 2021)

September 3, 2021

Dear Distribution Business Partners,

As previously announced on August 4th, 2021, Leviton Manufacturing will be implementing a price increase on October 4th, 2021. Due to the continued volatility in key commodity costs, supply chains, and the ongoing logistics limitations, we have adjusted our price increase from 5% to an average of 9% effective October 4th, 2021. This increase will be for all Leviton products and includes all customer price lists as well as SPAs or quotes. All new pricing will include the 9% average increase effective immediately.

We have made this additional correction to our price increase to combat the most recent and near-term volatility. However, we do not anticipate these cost increases to subside and expect even further pressures in 2022.

With our commitment to getting you this information in an easy and timely manner, we will have your new pricing available for you no later than September 20th, 2021. As a reminder, your pricing can be accessed one of three ways: on the new Leviton B2B Partner Portal (Leviton.com/B2B), by contacting your Leviton sales representative or by requesting your updated price file via email at edinsidesales@leviton.com. Kindly include your Leviton account number with your request.

We continue to value engineer our products, improve productivity, and aggressively negotiate with our suppliers, all in an effort to retain our position as your valued supplier. We look forward to your continued support and thank you, as always, for your business. During these challenging times, we continue to wish you and your colleagues' safety and good health.

A handwritten signature in cursive script, reading "Randy Mortensen".

December 18, 2020

To: All Belden Channel Partners
Subject: **January 18, 2021 Price Change Notification**
Smart Buildings and Industrial Cable Solutions Portfolios

In response to increasing inflationary pressures and metals cost increases, Belden will be implementing price increase across select Smart Buildings and Industrial Cable product portfolios effective on January 18, 2021.

Increases on individual products will vary by construction. Select products in Industrial Cable Solutions increase between 1.9% and 3.4%, with higher percentages on some outliers. Smart Buildings increases to category cables are limited to select legacy products. Smart Buildings broadcast and A/V products will increase between 2% and 5%.

Below you will find the guidelines on how future orders will be handled:

- All orders placed prior to the date of this announcement will be honored at current prices
- All orders placed after this announcement which are shippable before January 18, 2021 will be honored at current prices
- All orders placed after this announcement which are not shippable until January 18, 2021 or beyond will be at the new prices

Price sheets will be available online by December 18, 2020 to provide you with adequate time to update your systems. We continue to offer access to your price files through a secure link on our distributor desk at www.Belden.com. Please select "Price Sheet Inquiry" and you will have access to your price files in PDF or Excel format.

We thank you for your partnership and continued support of Belden as we carry on our commitment to provide the highest level of quality and service. We will continue to monitor all external factors and adjust prices as our markets and costs dictate. If you have any further questions on these processes, please contact your inside sales representative or call 1-800-BELDEN1.

March 5, 2021

To: All Belden Channel Partners
Subject: **April 5, 2021 Price Change Notification**
Smart Buildings and Industrial Cable Solutions Portfolios

Our industry, like many others, continues to face significant inflationary pressures on key raw materials. Some include copper, PVC, polyethylene, polypropylene and wood. As a result, Belden will be implementing price increases across select Smart Buildings and Industrial Cable product portfolios effective on April 5, 2021.

Increases on individual products will vary by construction and you may see some exceptions to the following guidance for outliers. Prices on select Industrial Cable Solutions products will increase between 2% and 11% on average. Prices for select Smart Buildings products will increase between 1% and 12% on average. These increases exclude Mohawk 6LAN CMP cables as they are decreasing near 28%.

Below you will find the guidelines on how future orders will be handled:

- All orders placed prior to the date of this announcement will be honored at current prices
- All orders placed after this announcement which are shippable before April 5, 2021 will be honored at current prices
- All orders placed after this announcement which are not shippable until April 5, 2021 or beyond will be at the new prices

Price sheets will be available online March 5, 2021 to provide you with adequate time to update your systems. We continue to offer access to your price files through a secure link on our distributor desk at www.Belden.com. Please select "Price Sheet Inquiry" and you will have access to your price files in PDF or Excel format.

We thank you for your partnership and continued support of Belden as we carry on our commitment to provide the highest level of quality and service. We will continue to monitor all external factors and adjust prices as our markets and costs dictate. May 21, 2021

To: All Belden Channel Partners
Subject: **June 21, 2021 Price Change Notification**
Smart Buildings and Industrial Cable Solutions Portfolios

As Belden continues to navigate these unprecedented times, we continue to encounter significant inflationary pressures on key raw materials used to manufacture our quality Belden products. Material prices for copper, PVC, polyethylene, polypropylene, wood, and cardboard continue to climb with some surpassing decade highs. As a result, Belden will be implementing price increases across select Smart Buildings and Industrial Cable product portfolios effective on June 21, 2021.

List price increases on individual products will vary by construction and you may see some exceptions to the following guidance for outliers. Prices on select Industrial Cable Solutions products will increase 4-14% on average. Prices for select Smart Buildings products will increase between 1% and 12% on average. Select list prices remain unchanged as a continued effort to help manage your inventory carrying cost. These products will be subject to discount reviews upon renewal of your agreement(s).

Below you will find the guidelines on how future orders will be handled:

- Orders placed prior to the date of this announcement will be honored at current prices
- Orders placed after this announcement which are shippable before June 21, 2021 will be honored at current prices
- Orders placed after this announcement which are not shippable until June 21, 2021 or beyond will be at the new prices

In addition to the aforementioned actions, the duration of select discount agreements will be condensed to facilitate the rapidly changing market conditions.

Price sheets will be available online May 21, 2021 to provide you with adequate time to update your systems. We continue to offer access to your price files through a secure link on our distributor desk at www.Belden.com. Please select "Price Sheet Inquiry" and you will have access to your price files in PDF or Excel format.

We thank you for your partnership and continued loyalty to Belden as we carry on our commitment to provide the highest level of quality and service. We will continue to monitor all external factors and adjust prices as our markets and costs dictate. If you have any further questions on these processes, please contact your inside sales representative or call 1-800-BELDEN1.

September 10, 2021

To: All Belden Channel Partners
Subject: **October 11, 2021 Price Change Notification**
Industrial Cable Solutions, Industrial Connectivity (Lumberg Automation & Hirschmann brands), and Smart Buildings Portfolios

As the global economic recovery continues, Belden continues to encounter significant inflationary pressures caused by supply chain disruptions. Global supply constraints on freight and materials such as non-copper metals, electronic components, packaging, and plasticizers persist and continue to drive cost increases on key materials used to produce our quality Belden products. As a result, Belden will be implementing price increases across select Industrial Cable, Industrial Connectivity (Lumberg Automation & Hirschmann brands), and Smart Buildings product portfolios effective October 11, 2021.

List price increases on individual products will vary by construction and you may see some exceptions to the following guidance for outliers.

- Industrial Cable Solutions products will increase between 3.7% and 3.9% on average
- Industrial Connectivity (Lumberg Automation & Hirschmann connectors) products will increase by an average of 5.3%
- Smart Buildings will increase between 3% and 5% on average for a very select number of legacy and connectivity products; Most list prices remain unchanged as a continued effort to help manage your inventory carrying cost.

Below you will find the guidelines on how future orders will be handled:

- Orders placed prior to the date of this announcement will be honored at current prices
- Orders placed after this announcement which are shippable before October 11, 2021 will be honored at current prices
- Orders placed after this announcement which are not shippable until October 11, 2021 or beyond will be at the new prices

Price sheets will be available September 10, 2021 to provide you with adequate time to update your systems. We continue to offer access to your price files through a secure link on our distributor desk at www.Belden.com. Please select "Price Sheet Inquiry" and you will have access to your price files in PDF or Excel format. [Refer to this link for Industrial Connectivity \(Lumberg Automation & Hirschmann connectors\) pricing.](#) Please be sure to apply your discount multiplier to these list prices to calculate your standard pricing.

We thank you for your partnership and continued loyalty to Belden as we carry on our commitment to provide the highest level of quality and service. We will continue to monitor all external factors and pursue opportunities to cushion the impacts of inflation we are all experiencing.
