3Phase begins its midwestern expansion with a well-known West Virginia market leader.

CANTON, Mass. & CHARLESTON, W. Va.--(BUSINESS WIRE)--3Phase Elevator, a leading independent elevator and escalator services provider, today announced that it has merged with West Virginia Elevator, the largest independent elevator services provider in West Virginia. This news follows 3Phase's announcement earlier this month that it had received an investment from Berkshire Partners to expand nationally through acquisitions and partnerships. The strategic combination with West Virginia Elevator is the first step in 3Phase's plan to expand toward the Midwest from its current footprint in the eastern United States.

West Virginia Elevator provides a range of local elevator services, including maintenance, safety testing, modernizations, repairs, new installations, and performance upgrades. West Virginians Dustin Bozek and Chris Bradley founded the company in 2012 and will continue to lead and grow West Virginia Elevator with 3Phase's support. West Virginia Elevator has earned a strong reputation of high quality and prompt service, which is consistent with 3Phase's mission.

"Our customers choose us because we deliver the best service in our state, any time of the day or week, and have highly skilled mechanics who are reliable," said West Virginia Elevator co-founder Dustin Bozek. "As a fellow independent, 3Phase is committed to the same level of customer service, and we are excited to partner with their team."

"We will continue to be a locally led company delivering on our promise of great service by West Virginians to West Virginians and Dustin and I will remain owners in the combined organization," added co-founder Chris Bradley.

"We are thrilled to partner with Dustin and Chris, as well as the entire West Virginia Elevator team," said Mike Strachan, CEO of 3Phase Elevator. "Our national expansion strategy hinges on successful founders like Dustin and Chris placing their trust in us to continue to support them in their growth. We are excited about where we can take the combined companies together, all while enhancing the services customers receive, and adding opportunities for our mechanics."

Maven Group served as financial advisor to West Virginia Elevator, and Harvey & Company served as financial advisor to 3Phase and Berkshire Partners.

"We also wanted to thank Maven Group for their support over the last four years during which they gave us invaluable advice on how to grow our company. When we made the decision to partner with 3Phase, the team at Maven stayed involved and provided calm and comprehensive guidance throughout the entire transaction," added Bozek and Bradley.

Regarding CMA VNF18*01, I finally got some paperwork from the vendor, see attached. The CMA expired 9/14. They did not renew the registration for WV Elevator (v/c# 000000189288), but have registered 3Phase Elevator (v/c # VS0000038531). We have invoices from WV Elevator that we need to pay for work done under the CMA before it expired. Please advise what we need to do.

By the way, Mike has sent a letter of award recommendation for this same vendor for the new elevator contract. Not sure how this vendor registration mess will affect the new contract.

Thanks,
Peggy

Do you have a current contract with them as an agency delegated or central procurement?

If so and if the contract is through our office, you will need to do a cancel and re-issue which means a change order to cancel the contract and then we do a new or reissued contract under the new name. We'll need paperwork to show the name change, new purchasing affidavit, etc.

If it is an agency delegated contract, then you will most likely need to do the same thing. I have copied David on this reply.

I am out of the office today but we can work on this on Monday, if it has to go through our office.

Thanks,
Tara

Tara, can you help please? We're holding 3 invoices for WV Elevator because their on hold in OASIS. They've now changed to 3Phase Elevator in OASIS. I don't know how to get these invoices entered or if we even have to pay them since we didn't/don't have a contract with 3Phase, only with WV Elevator. How do we handle this? By the way, elevator maintenance is out for bid as we speak. Our contract expires 9/14/21.

Thanks,
Peggy

Hi Peggy – with 3Phase's acquisition of West Virginia Elevator, we have a new Oasis account that you may need to link those under.

The user ID is 3PhaseElevator. I think once that change is made, then you should be good....thanks!

Leanne, did you have any luck with this? OASIS is still showing "prevent new orders". Please advise as we'd like to be able to pay your invoices.

Peggy can you help these people out as I am unaware how to tell them to get this paid other than contact the Secretary of State's office?
