TO: Lesley Walizer, Director
Bureau for Public Health Purchasing

FROM: Charlene Hickman, Director
WVBCCSP/WISEWOMAN Program

RE: Renewal for CCT MCH2000000001 McCallie Associates, Inc.

The purpose of this request is to renew the above-named contract for the web-based data collection, reporting, and billing system for the West Virginia WISEWOMAN Program. The Centers for Disease Control and Prevention (CDC) funds the WISEWOMAN Program which serves low-income, uninsured/underinsured WV women ages 40-64 and provides them with preventive health services such as health screenings for the detection and prevention of cardiovascular disease (CVD) and healthy behavior support services (HBSS). The CDC requires the development, implementation, and use of a minimum data element (MDE) collection system and other data collection activities for program monitoring and reporting.

The RFQ for this system allowed for an initial installment and ~~two~~ three optional renewals. I am requesting to renew this contract for the upcoming year beginning March 15, 2022 through March 14, 2023.

Thank you in advance for your cooperation in this matter.
