In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

Chief Financial Officer
WV Department of Administration
State Capitol, Room E-119

March 17, 2022

Dear Ms. Long:

We respectfully request the opportunity to audit and report on the basic financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information, all of which collectively comprise the basic financial statements of the State of West Virginia (the State) for the year ending June 30, 2022.

We will conduct the audit of the financial statements in accordance with the standards for financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States and thus we will also provide a report on internal control over financial reporting related to the financial statements and compliance with laws, regulations and the provisions of contracts or grant agreements and other matters, noncompliance with which could have a material effect on the financial statements, as required by Government Auditing Standards. We will also audit and report on each major program of the State for the year ended June 30, 2022 in accordance with the Single Audit Act Amendments of 1996, and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) (collectively "the Audit Services").

We propose that the terms, conditions, amounts, pricing and specifications of the agreement related to the Audit Services for the year ending June 30, 2022 are consistent with the scope in the original contract CCT FAR1800000002. Our proposed fees for these Audit Services would remain unchanged from the 2021 audit. We estimate that our fees for the 2022 Audit Services will be \$900,000 including expenses, the 2022 wvoASIS SSAE 16 Service Organization Control 1 report will be \$55,000, and the 2022 audit of the West Virginia State Rail Authority will be \$29,000.

Our fees outside the scope outlined above will be billed on an hourly basis as incurred and the specified rates by level are outlined below.
