Subj: Terex-Ferroc Parts and Components Contract CMA DOT20*64 CO#2

Dear Ms. Clevinger:

As requested, we wish to renew the above subject contract for our Terex-Ferroc parts and components for one year from June 1, 2022 through May 31, 2023 under the same terms and conditions as the current contract with an effective start date of June 1, 2020 and an end date of May 31, 2022. This applies to the WVDOT Equipment Division and all districts that currently use this contract or would like to use this contract. However, the prices will be from a modified catalog due to price increases imposed due in part to COVID-19 factors.

I also understand price adjustments will be processed as a formal change order and that formal change orders require review and approval by the West Virginia Purchasing Division and review and approval as to form by the West Virginia Attorney General's office.

If you have any questions or need any additional information, please feel free to call me at any time. Thanks.

Sincerely,

Gary W. Grady
