RE: DOT2000000166 Ventrac OEM or Equal Parts

Recently we have seen price inflation of all parts, overhead, and transportation due to Covid and supply chain shortages. To date, we have absorbed these increases and challenges, but at this time, it is necessary to re-align our pricing with costs. Middletown Tractor Sales wishes to ask for a catalog modification at this time on contract DOT2000000166 for Ventrac Parts. We would like the opportunity to maintain the contract and align pricing so that we can position ourselves to be able to continue providing the West Virginia DOT Division of Highways with exceptional service.

Thank you for the ongoing opportunities to provide these products to the state of West Virginia. If you have any questions, please feel free to contact me.

As always it is our pleasure to provide equipment and services to the State of West Virginia.

Sincerely,
