Tara,

DOH needs the Asphalt contracts to be set up as commodity item based contracts instead of service based contracts. We've developed a work around, so we are not in a rush to get them changed. We would like to have them corrected when it is most convenient for both Purchasing and the AG's Office. We are concerned that since paving season has started, we don't want to risk the contracts being unavailable.

Thanks

MEMORANDUM

TO: Frank Whittaker, CPPB, Assistant Director, WV Purchasing Division

FROM: James Meadows, CPPO, General Counsel, WV Purchasing Division 

DATE: April 4, 2022

RE: HB 4499; Purchasing Affidavit; Interested Party Disclosure

Pursuant to your request, I have investigated the impact of the recently passed House Bill 4499 on the bidding/contract award process as it relates to the Purchasing Affidavit and the Interested Party Disclosure Form. More specifically, you asked if the buying staff would need to continue collecting the two forms for contracts put out to bid, but not yet awarded, prior to the law change. My conclusion is that continuing to collect those forms is not necessary.

House Bill 4499 was a bill sponsored by the Governor's office, and made effective from passage, that made changes to various provisions of the West Virginia Code to make the procurement process more efficient. Two notable changes are the elimination of the need to collect the Purchasing Affidavit (previously found in W. Va. § Code 5A-3-10a) and the Interested Party Disclosure form (previously found in W. Va. Code § 6D-1-2) prior to award. Since the need for those forms prior to award was statutorily driven, and the statutes have now been modified, I see no reason to continue collecting them.

Once concern was that the solicitations issued prior to the laws passage reference the applicable statutes and indicate that the two forms will be needed prior to award. Those references were found in term 37 and term 43 of the General Terms and Conditions. From a priority standpoint, the change to the law would certainly trump the solicitation's terms and conditions. To help explain that inaccurate statement and the lack of the two forms in the procurement file, However, please request that procurement staff include a copy of this memo in all solicitation files that went out to bid prior to HB 4499 passing and contain the old versions of term 37 and term 43.
