Extended Description:

Change Order No. 1 - Administrative change order to deactivate the Commodity Line 1 since it was set-up as a "service" line type rather than an "item" line type and to add Commodity Line 2 as an "item" line type for ordering and payment purposes. All terms, conditions, prices and specifications contained in the original contract remain the same.

All provisions of the original Contract and subsequent Change Orders not modified herein shall remain in full force and effect.

No other changes.

Tara,

DOH needs the Asphalt contracts to be set up as commodity item based contracts instead of service based contracts. We've developed a work around, so we are not in a rush to get them changed. We would like to have them corrected when it is most convenient for both Purchasing and the AG's Office. We are concerned that since paving season has started, we don't want to risk the contracts being unavailable.

Thanks

Kristy James
