WV Purchasing Division
Toby Welch, Buyer
2019 Washington St., East
Charleston, WV 25305

Dear Mr. Welch:

The West Virginia State Auditor's Office agrees to renew the existing agreement, CMA AUD1900000003, between the WWSAO and Unisys Corp. with an increase in pricing.

Change Order No 3. Is requested with increase due to changes in support and pre-paid warranty periods expiring on some line items, as outlined in the accompanying pricing detail. As each year passes, many items listed for EMC Equipment reach their pre-paid warranty expiration, requiring a paid warranty as well as the requirement for additional support related to aging equipment. While the base maintenance price decreased on the overall pricing, the addition of these warranty and support items resulted in an overall increase in pricing.

The WWSAO has no objection to this increase, and accepts the pricing as provided by Unisys Corp. As this is a required service for the ongoing support and maintenance of our mainframe, we request the contract renewal be processed accordingly.

Sincerely,

Kelly Vickers
