To Whom It May Concern:

As you know, the Library Commission has been merged into the Department of Arts Culture and History as a unit/department. This change was prompted by West Virginia Code §29-1-8c, House Bill 524. The change was under legislative action during regular session of 2022 and was not issued an executive order number. The new name of the Library Commission is the Library Section of the Department of Arts Culture and History ("Library Section"). In addition to the name change, the department code for the Library Commission has been changed from 0433 to 0432. Accordingly, we are requesting a unilateral change order to the contract identified as CMA LIB2200000006, to add the new department code and memorialize the agency name change. I understand that complexities in wvOASIS, e-rate, and others can be problematic should the State issue an entirely new contract number in wvOASIS, which would normally be the standard procedure for this type of change. As a result, the Library Department would request that we maintain the existing contract number. The Library Department is less concerned about the face of the change order reflecting the new name as long as the new department code is added and the name change is memorialized somewhere in the change order.

Sincerely,

Cara M. Suppa 8/26/22
