RE: PF559571, CMA BMS20*01

The West Virginia Bureau for Medical Services (BMS) respectfully requests approval of the above-referenced contract, Change Order 4. this will be Optional Renewal year 3 (3) of potential three (3) optional one-year renewals. The term for this renewal is 08/01/2022-07/31/2023, and the cost is \$765,076.00. There is zero (0) renewal remaining. Blanket WVOT/MIS approval has been previously received.

The Vendor, Public Consulting Group, LLC. (PCG) provides School-Based Health Services for the West Virginia Medicaid program. This renewal will ensure continued services, which allows for Medicaid coverage of certain medical services in a school setting. This contract is required for BMS to comply with State Plan Amendment (SPA) 12006. This SPA includes a required time study and cost reporting by each of the 56 Local Education Agencies (LEA's) within WV. Without this renewal, BMS would not be able to maintain compliance with the SPA, resulting in a loss of matching funds to the Medicaid program, at an estimated \$50 million per year.

Thank you for your time and consideration in this matter. If you have questions or need additional information, please feel free to contact me at 304-352-4319 or James.W.Atkins@wv.gov
