Good afternoon Ms. Ruffin,

Changing Technologies, Inc. wants to first and foremost acknowledge and thank you for awarding Contract/Purchase Order No. CMA DEP2200000003 to our company.

Unfortunately, we are experiencing difficulties in engaging qualified candidates for this contract due to the low pay rate. We have interviewed qualified candidates for the Database Administrator position, however, they have not accepted our offer due to receiving more competitive offers from other companies. The qualified candidates that we do have in our pipeline are requesting a minimum annual salary of \$85K-\$90K. Is there any chance that the contract can be modified to meet the current market demands?

Any consideration that can be given to this request would be appreciated.

.....
