Re: CMA 0803 0070 DOT2100000028 / CDO DOT2200000014
41k GVWR Single Axel Dump

Regarding CMA 0803 0070 DOT2100000028 / CDO DOT2200000014, it's our deepest regret to inform you we will not be able to deliver the additional units we were awarded the order for.

Worldwide Equipment was asked in June 2021 if we could honor the last order pricing if they placed an additional order. Unfortunately, due to the circumstances of today we communicated that we were unable to do so. Upon communicating that WE were unable to, we were asked to submit for a price increase, and we started that process late June. In late July the OEM, International no longer were accepting Orders.

WE spoke with our International Representative and was informed that there was a possibility there could be some potential slots. We continued to push on with the process of the price adjustment, receiving approval late September and the order shortly after.

By this time all potential slots had been taken, the International was sold out for 2022 with no new orders being taken at this time.

This along with the circumstances surrounding today's parts shortages from many suppliers, the demand is much greater than the production can achieve, we regret to inform you that WE will not be able to supply you with the International Product for Calendar year 2022.

Sincerely,

Matt Cochran

Re: Order Renewal of CDO 0803 0070 DOT2100000045 1
41k GVWR Single Axel Dump

We would like to present the proposed price increases below. Increased pricing is due to steel pricing tripling and of IH and Viking Cives pricing increase. Please view the attached reporting to support the price increases.

The new proposed pricing is:

	<u>Current</u>	<u>Increase</u>	<u>New Price</u>	<u>% Increase</u>
Item 1: \$142,675.04 Truck and dump body with spreader controls		\$14,435.03	\$157,110.07	10.117%
Item 2: \$ 12,632.00 11 foot Plow		\$ 1,871.00	\$ 14,503.00	14.811%
Item 3: \$ 11,682.00 10 foot plow		\$ 1,871.00	\$ 13,553.00	16.016%
Item 4: \$ 19,955.00 V-box spreader		\$ 3,175.00	\$ 23,130.00	15.910%

If the State is willing to accept the price increase, orders must be placed by 12/31/21.

I look forward to hearing from you soon.

Sincerely,

Matt Cochran
