Worldwide Equipment, Inc. is requesting a price increase on Contract CMA 0803 DOT2100000028. Presently there is a CDO order open against this contract, CDO 0803 DOT2100000045. Due to circumstances beyond our control our Manufacturers will only honor the current price for 20 of the 60 units that are on order, therefore asking for a price increase on CMA contract for the remaining 40 units that should be produced in Cycle 2023. This pricing increase is due to steel pricing increasing which has affected both IH and Viking. If this pricing increase is granted, we will do a change order on CDO order CDO DOT2100000045 to reflect the pricing increase on the 40 remaining units.

The new proposed pricing is:

	Current	Increase	New Price	% Increase
Line 5: Truck & Dump Body with Spreader Controls	\$157,110.07	\$21,908.73	\$179,018.80	13.94%
Line7: 11 Foot Plow	\$14,503.00	\$0.00	\$14,503.00	0.00%
Line 8: V-Box Spreader	\$23,130.00	\$2,602.00	\$25,732.00	11.25%

Please let me know if this is accepted, as we will need to cancel the order with International if not.

Sincerely,

Matt Cochran

Mon, Jul 18, 2022 at 8:19 AM

Tara,

To summarize what we discussed with regard to the open World Wide Orders:

1. CDO 21\*45 - will be reduced to 20 trucks using the pricing based on Change Order 1:

Cab Chassis/Dump Body	\$157,110.07
Front 11 Foot Snow Plow	\$14,503.00
V-Box Spreader	\$23,130.00

2. A new delivery order will be created for the remaining 40 trucks based on pricing in Change order 2 (not yet approved).

Cab Chassis/Dump Body	\$179,018.80
Front 11 Foot Snow Plow	\$14,503.00
V-Box Spreader	\$25,732.00

2. CDO 22\*14 - will be canceled per vendor request due to the fact that International will not honor pricing.

Please confirm.

Thanks

Kristy James
