WV Purchasing Division
Toby Welch, Buyer

Charleston, WV 25305

Dear Mr. Welch:

The Agreement, CCT AUD1900000003, between the WWSAO and Carahsoft, Inc expired on 04/27/2022. The WWSAO has been working with developers on the various projects utilizing the Carahsoft products and were hopeful we could non-renew this contract in its entirety. The WWSAO's in-house programmers have been working toward eliminating the need for this costly OpenGov software provided through this contract and were on target to do so; however, we have encountered unexpected delays slowing our progress.

After many conversations both internally and with representatives from both Carahsoft and OpenGov, we have determined that we do need to renew this software at this time in order to avoid disruptions in our transparency reporting. While we realize this renewal request is well beyond the expiration date, we respectfully request the contract renewal be processed.

Should you need additional information, please feel free to contact me via email at Kelly.Vickers@wvsao.gov or by phone at 304-558-2251 xt. 2157.

Thank you for your consideration in this matter.

Regards,
Kelly Vickers
