To Whom It May Concern,

Our contract, CMA DOT21*20, is up for renewal November 11, 2022. Leaving all other terms and conditions unaltered, we request the opportunity for a catalog modification. This modification will be in response to factors that have changed, since the agreement took place:

- Economic/supply chain issues have brought about new vendors of the same OEM parts.
- Additional parts have been added to the catalog.
- Part numbers have changed/have been added for new model years.

Let us know of any other information needed to aid in the decision of our request.

Regards,

Beau G Newlon
