Re: State of WV – CRFQ DOT22*52 – LeeBoy Parts & Components – Price Increases

To Whom It May Concern:

I am writing regarding the above referenced contract that is up for renewal. Since the start of the contract there have been several price increases from our supplier, Leeboy. We are requesting the pricing be adjusted accordingly within the contract for this upcoming renewal. Please see attached updated pricing sheet. If there are any questions, please contact Tom Mrozinski at 301-733-7414.

Sincerely,

 11/30/2022

Subject Contract Renewal: CMA DOT 22*42 (7022C003) CO# 01
Procurement folder: 939834

Tom,

The Department of Transportation of West Virginia is offering to renew the original contract according to all terms, conditions, prices and specifications contained in the original contract including all authorized change orders.

The renewal dates are 12/1/22 through 11/30/23 . If your company agrees to this renewal, please sign below and return as soon as possible. You may return all renewal documents via email to tammy.l.clevenger@wv.gov

Also attached is an Affidavit that is to be part of the renewal change order and is required to be signed.

Please contact the email listed above if you have any questions.

Thank you,

Tammy Clevenger

WV DOH - Equipment Division

Attachment

We agree to renew the contract for the period as state above under the same terms, conditions, prices, and specifications in the original purchase order and any change orders thereto.
