Vendor Name: Nutrien Ag Solutions, Inc.

Vendor Instructions: Please read the instructions below for Part I, II, and III carefully, and provide all required information with the bid submission. Vendor shall complete Parts I, II and III below in their entirety, as failure to do so will result in the disqualification of the Vendor's Contract Items bid. This is a multiple vendor award contract. Vendors may bid any or all contract items. A contract will be awarded to the low bid Vendor, per contract item bid, meeting all contract specification requirements.

**Part I: HERBICIDES** - Vendor shall bid either the Product Trade name product listed, or an "equal to" product (reference Section 3.3.4.) "Equal to" products must be listed by brand name in the "Equal To Product Bid." All herbicide products bid, regardless of whether the product bid is the Product Trade Name requested or an "equal to" product, MUST have the EPA registration number and the WVDA registration number (aka Brand ID) for every herbicide product bid. Failure to list the EPA registration number and WVDA # will result in the bid being disqualified for the corresponding Contract Item. Bids shall be calculated per the unit of measure indicated for the Contract Item, when distributed in the case/pallet/container size requested within the Description column. Vendor must supply the product label for EVERY Herbicide Contract Item, regardless of whether the product bid is the Product Trade name requested or an "equal to" product, WITH their bid submission. Failure to provide product labels for Contract Items bid in Part I: Herbicide Products with the bid submission will result in the bid being disqualified for the corresponding Contract Item for which the product label was omitted.

**Part II: ADJUVANTS** - Vendor shall bid either the Product Trade name product listed, or an "equal to" product (reference Section 3.3.4.) Bids shall be calculated per the unit of measure indicated for the Contract Item, when distributed in the case/pallet/container size requested within the Description column. Vendor must supply the product label for EVERY Adjuvant Contract Item, regardless of whether the product bid is the Product Trade name requested or an "equal to" product, WITH their bid submission. Failure to provide product labels for Contract Items bid in Part II: Adjuvant Products with the bid submission will result in the bid being disqualified for the corresponding Contract Item for which the product label was omitted.

**Part III: MISCELLANEOUS PRODUCTS** - Vendor shall bid either the Product Trade name product listed, or an "equal to" product (reference Section 3.3.4.) Bids should be calculated per the unit of measure indicated for the Contract Item. Vendor must supply the product label and/or the product specifications for EVERY Miscellaneous products bid, for product evaluation. Failure to provide product labels and/or product specifications for Contract Items bid in Part III: Miscellaneous Products with the bid submission will result in the bid being disqualified for the corresponding Contract Item for which the product label and/or product specifications was omitted.
