A Contract renewal shall be in accordance with the terms and conditions of the original contract. Unless otherwise specified below, renewal of this Contract is limited to FOUR (4) successive one (1) year periods or multiple renewal periods of less than one year, provided that the multiple renewal periods do not exceed the total number of months available in all renewal years combined. Automatic renewal of this Contract is prohibited. Renewals must be approved by the Vendor, Agency, Purchasing Division and Attorney General's office (Attorney General approval is as to form only)

☐ **Alternate Renewal Term** – This contract may be renewed for _____ successive _____ year periods or shorter periods provided that they do not exceed the total number of months contained in all available renewals. No delivery order may be extended beyond one year after this Contract has expired.

☐ **Fixed Period Contract:** This Contract becomes effective upon Vendor's receipt of the notice to proceed and must be completed within _____ days.

Upon completion of the work covered by the preceding sentence, the vendor agrees that:

☐ the contract will continue for _____ years;

☐ the contract may be renewed for _____ successive _____ year periods or shorter periods provided that they do not exceed the total number of months contained in all available renewals. Automatic renewal of this Contract is prohibited. Renewals must be approved by the Vendor, Agency, Purchasing Division and Attorney General's Office (Attorney General approval is as to form only).

4. AUTHORITY TO PROCEED: Vendor is authorized to begin performance of this contract on the date of encumbrance listed on the front page of the Award Document unless either the box for "Fixed Period Contract" or "Fixed Period Contract with Renewals" has been checked in Section 3 above. If either "Fixed Period Contract" or "Fixed Period Contract with Renewals" has been checked, Vendor must not begin work until it receives a separate notice to proceed from the State. The notice to proceed will then be incorporated into the Contract via change order to memorialize the official date that work commenced.

5. QUANTITIES: The quantities required under this Contract shall be determined in accordance with the category that has been identified as applicable to this Contract below.

☒ **Open End Contract:** Quantities listed in this Solicitation/Award Document are approximations only, based on estimates supplied by the Agency. An emergency purchase in the open market, approved by the Purchasing Division Director, shall not constitute a breach of this Contract and shall not entitle the Vendor to any form of compensation or damages. A Vendor's inclusion of price adjustment provisions in its bid, without an express authorization from the State in the Solicitation to do so, may result in bid disqualification. Notwithstanding the foregoing, Vendor must extend any publicly advertised sale price to the State and invoice at the lower of the contract price or the publicly advertised sale price.

14. PAYMENT IN ARREARS: Payments for goods/services will be made in arrears only upon receipt of a proper invoice, detailing the goods/services provided or receipt of the goods/services, whichever is later. Including such fees or charges as notes to the solicitation may result in rejection of vendor's bid. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

18. FUNDING: This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. Non-appropriation or non-funding shall not be considered an event of default.

19. CANCELLATION: The Purchasing Division Director reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. The Purchasing Division Director may also cancel any purchase or Contract upon 30 days written notice to the Vendor in accordance with West Virginia Code of State Rules § 148-1-5.2.b.

25. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

26. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/default.html>.

31. YOUR SUBMISSION IS A PUBLIC DOCUMENT: Vendor's entire response to the Solicitation and the resulting Contract are public documents. As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia Code §§ 5A-3-1 et seq., 5-22-1 et seq., and 5G-1-1 et seq. and the Freedom of Information Act West Virginia Code §§ 29B-1-1 et seq.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to be licensed, in good standing, and up-to-date on all state and local obligations as described in this section. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. 37. NO DEBT CERTIFICATION: In accordance with West Virginia Code §§ 5A-3-10a and 5-22-1(i), the State is prohibited from awarding a contract to any bidder that owes a debt to the State or a political subdivision of the State. REQUEST FOR QUOTATION
Professional Auditing Services

SPECIFICATIONS

- 1. PURPOSE AND SCOPE:** The West Virginia Purchasing Division, on behalf of the West Virginia State Treasurer's Office, Unclaimed Property Division ("STO"), is soliciting bids to establish a master agreement contract for Professional Auditing Services to provide examinations of unclaimed property Holders' records.

1.1 OPERATIONAL INFORMATION:

The West Virginia State Treasurer is a constitutional officer responsible for accepting and managing unclaimed property reported by Holders. Under the *West Virginia Uniform Unclaimed Property Act* (the "Act"), set forth in *W.Va. Code §36-8-1, et seq.* Holders of property presumed abandoned shall pay or deliver such property to the West Virginia State Treasurer and shall file annual reports with the STO.

Effective June 10, 2022, HB 4511 revised some dormancy periods for certain property types and incorporated virtual currency.

Pursuant to *W.Va. Code §36-8-20*, the STO, or the STO's designated agent, may examine the records of any person to determine compliance with the Act and the corresponding legislative rules, 112 CSR 5¹. Thus, the STO may contract with other persons to conduct Holder audits, collect, and process various forms of unclaimed property. Any unclaimed property identified during these examinations must be remitted to the STO for return to the rightful owners.

The STO determined that the examination, processing, and delivery of unclaimed property, as it relates to Holders with a presence in the State of West Virginia, may be more cost-effective by the utilization of one or more Vendors. Multiple contracts may be awarded for Vendors deemed to be best qualified to provide the Services requested under the Request for Quotation ("RFQ") at a fair and reasonable price.

The STO safeguards unclaimed property until it is returned to its rightful owners, the rights of the owners are never forfeited. Pursuant to *W.Va. Code §36-8-9*, advertisements identifying property held by STO or instructions for accessing the searchable database of unclaimed property and for filing claims on the STO's website are periodically placed in West Virginia newspapers to expedite the return of property.

Additional information regarding the Unclaimed Property Division of the STO is available on the STO website located at <https://wvtreasury.com>.

Vendor Questions

Question 1: SOC Report Submission Requirements

It is understood that CRFQ Section 3 states that information concerning Vendor minimum qualifications is requested with the bid response to expedite evaluation and that CRFQ Section 3.5.6 requires a Vendor to provide SOC Reports, ISO Certification, with corresponding bridge letters. Keeping in mind the requirements of CRFQ *Instructions to Vendors Submitting Bids* Section 21 and *General Terms and Conditions* Section 31, instructing a Vendor not to submit material considered to be confidential, a trade secret, or otherwise not subject to public disclosure, please confirm if a detailed overview description of all external quality control reviews of a Vendor's work is considered acceptable for the evaluation of a vendor's bid response.

Answer 1:

The STO recognizes that some of this information may be considered sensitive information. With that thought in mind, the STO is revising the requirement to allow for the submission to be sent directly to the STO post award and will remain confidential. The revised requirement is as follows:

3.5.6 Within one month of a contract award pursuant to this solicitation, and annually thereafter, Vendor must provide American Institute of Certified Public Accountants (AICPA) SOC-1, Type 2; or SOC 2, Type 2; or ISO 27001:2013 Certification from an ANSI accredited certification body; or CSTAR Level 2 State RAMP Moderate Certification to the state with bridge letters to provide assurance that controls are operating during any intervening periods. The SOC-1, Type 2 report should cover all the requirements listed in AICPA's Statement on Standards for Attestation Engagements No. 18 (SSAE No. 18). If the requirements are not met annually, the STO will not authorize audits and may cancel participation in existing multi-state audits.

Question 2: Multi-state Audit Authorization Requirements

Upon review of the multi-state audit requirements of the CRFQ, including *Requesting Multi-state Audit Examinations* Section 4.1.3, specifically provision 4.1.3.1, as well as *Multi-state Audit Authorizations* Section 4.1.6, it is respectfully requested that STO consider the potential conflict these requirements pose to existing legal and contractual obligations of vendors and to the existing processes by which other states initiate examinations.

For example, by law in several states the fact of an examination and/or the identity of the holder under examination is confidential; in other states, such information is confidential by contract. In either instance, the participation of the state in the examination cannot be revealed by the auditor when inviting or soliciting another state(s) to join. Most states have their own processes and procedures for initiating audits as well as deadlines to begin

Vendor Questions

the examination, including West Virginia's requirement for initiating an audit within 90 days under CRFQ Section 4.1.8.

In our experience, most states send the notice of audit letters to the holder directly and not through the auditor, so the auditor generally will not be able to collect letters from all participating states to forward together to initiate an audit. In addition, because states have different timelines for deciding whether to join audits, waiting until all states have joined may extend the start of an examination beyond the state's deadline. With these considerations in mind, will the STO consider amending these specific requirements that impact the rights of other states in a multi-state audit, allowing a vendor to appropriately serve the STO, while also adhering to all existing laws, contractual obligations, and processes associated with performing multi-state audits?

Answer 2:

STO agrees to amend the following requirements for the two (2) sections of the specification to ensure that the vendor will not have any legal or contractual conflicts with other vendors as well as other conflicts.

4.1.3 Requesting Multi-State Audit Examinations: Prior to the commencement of any audit, Vendor shall draft and submit electronically, to the Unclaimed Property Compliance Director, a request for audit. The request for audit should include the following information, if available. The auditor is not required to submit information regarding another state if confidential by law or by contract. Failure to provide sufficient information may result in the rejection of the audit.

4.1.6 Multi-state Audit Authorizations: In the event of multi-state audits, and if in agreement with some or all participating states, Vendor will request and receive approval from a majority of participating states prior to initiation of the audit, if possible. The authorization letters will be sent in a single batch or minimal batches from all states that are in agreement with this process to serve as notice to the Holder of the initiation of the multi-state audit and as a signal of uniformity by the participating states.

Question 3: Identification and Collection Fees

It is understood that CRFQ Section 4.1.21.1 requires all vendor fees for the identification and collection of unclaimed property to be the lesser of a flat 10 percent (10%) of the net unclaimed property remitted to STO or the lowest fee percentage charged to any other state for the same holder multi-state audit.

CRFQ STO2300000001
AUDIT SERVICES FOR UNCLAIMED PROPERTY
Vendor Questions

Upon review of this fee requirement, along with the qualifications and mandatory requirements of the CRFQ, it is respectfully requested that the STO consider the overall cost of providing the audit services sought, including the financial obligations to maintain the professional and technical resources required to provide professional auditing services of the highest quality and standards, the fees incurred to provide short-term custody services of remitted unclaimed property from holders, the expense of procuring the necessary professional and cyber security insurance, the cost of hiring external third-party auditors to perform required quality control reviews, as well as the rising costs of doing business in today's economy. With these factors in mind, would the STO consider increasing the cap on the fee percentage by less than 1% for the identification and collection of unclaimed property?

Answer 3:

The fee per Section 4.1.21 is a flat 10% or the lowest fee charged by any other state, whichever rate is lower. See Section 4.1.21 of the RFQ for the complete language and there is no update to this section.

Question 4: STO Requested and Approved Services – Bid Requirements

Upon review of the requested and approved services of the CRFQ, it is noted that there are three distinct commodity line items under this solicitation for bids:

- 1) Audit/Collection of Property per Specifications Section 4.1.21,
- 2) Audit/Voluntary Compliance Program per Specifications Section 4.2.10, and
- 3) Audit/Other Services per Specifications Section 4.3.1.

Would the STO please clarify if a Vendor must bid on all three commodity line items to be considered for contract award? Alternatively, if a Vendor does not wish to participate in the provision of services for certain commodity line items of the solicitation may a Vendor indicate that it “does not wish to participate in...” for one or more of the commodity line items when responding to *Mandatory Requirements* Section 4 and when completing *Exhibit A – Pricing Page* of the CRFQ?

Answer 4:

The Vendor is required to bid on the mandatory services, per Section 4.1.21.

The Vendor is not required to bid on the optional services, per Section 4.2.10 and 4.3.1. See revised Exhibit A Pricing Page.

Vendor Questions

Question 5: In the CRFQ, Section 3.5 Internal Controls, Security and Technology (pages 29 and 30 of 48), there is a list of requirements. These are numbered as 3.5.1-3.5.4 and 3.5.6. There is no 3.5.5. Is this a numbering anomaly or is requirement 3.5.5 missing from this section?

Answer 5:

Section 3.5.5 is a numbering anomaly – no section exists. In addition, Section 3.54 should read as 3.5.4.

Question 6: In the CRFQ, in Section 5: Contract Award, 5.2 Pricing Page (pages 39 and 40 of 48), it states:

"Vendor should complete the Pricing Page (Exhibit A) by affirming it accepts the set reimbursement fees listed in subsections 4.1.21, 4.2.10, and 4.3.1. Vendor should complete the Pricing Page in full as failure to complete the Pricing Page in its entirety may result in Vendor's bid being disqualified."

Is the vendor permitted to bid on only the unclaimed property auditing services (Per Section 4.1.21) and thereby decline to bid on the Voluntary Compliance Program and the hourly rate services? Alternatively, is the bidder required to bid on all three service types?

Answer 6:

Vendor is permitted to bid on only the unclaimed property auditing services, mandatory service, per Section 4.1.21. See response to Question 4 and revised Exhibit A Pricing Page.

Question 7: Please confirm that the fees outlined in Exhibit A – Pricing Page would be prospective only for newly commenced audits and audits commenced under the current contract would be compensated according to the pricing schedule at the time the audit was authorized.

Answer 7:

Correct. The fees in Exhibit A will be effective for newly commenced audits. These audits will be identified by an audit authorization letter dated after a new contract period begins.

Question 8: Please confirm that type of response you are looking for on Exhibit A – Pricing Page in the blank space before “affirmation” – a signature, initials, other?

CRFQ STO2300000001
AUDIT SERVICES FOR UNCLAIMED PROPERTY
Vendor Questions

Answer 8:

See revised Exhibit A Pricing Page. Vendor will only need to mark 'Yes' or 'No' for the Optional Services items if they are choosing to offer those services.

Question 9: Please confirm that proposals may be submitted in wvOASIS.

Answer 9:

The preferred method to submit bid responses is online at wvOASIS.gov. Other methods include physical delivery, etc. See Section/item 6 Bid Submission, Instructions to Vendors Submitting Bids document for additional information.

Question 10: Section 4.1.6 states that the vendor shall request and receive approval from all participating states prior to initiation of the audit. As each state has its own authorization and audit commencement requirements and most states send authorization letters directly to the holders, we suggest that the language be amended to state that the Vendor will make its best efforts to limit the number of times audit authorization letters are sent from a Vendor to the Holder for those authorizations that are not sent directly by a participating state.

Answer 10:

This response is consistent with the answer to Question 2. The section is amended as follows:

4.1.6 Multi-state Audit Authorizations: In the event of multi-state audits, and if in agreement with some or all participating states, Vendor will request and receive approval from a majority of participating states prior to initiation of the audit, if possible. The authorization letters will be sent in a single batch or minimal batches from all states that are in agreement with this process to serve as notice to the Holder of the initiation of the multi-state audit and as a sign of uniformity by the participating states.

Question 11: In section 4.1.8 Timeframe, the RFP states that audits are authorized for two years, with not more than one (1) year extension unless there are extenuating circumstances. We request that the initial period be extended to three years, as many large-scale multi-state audits take at least that long to complete.

CRFQ STO2300000001
AUDIT SERVICES FOR UNCLAIMED PROPERTY
Vendor Questions

Answer 11:

WV will amend section 4.1.8 Timeframe to authorize audits for three (3) years. The amended section, second paragraph, will now read as follows:

Audits shall be authorized for three (3) years from the date of the authorization letter. Should the auditor not complete the audit in that time, they shall request an extension of the audit. Extensions may be granted in one (1) year increments. If an extension is not received at least forty-five (45) days prior to the expiration of the audit, the extension request may not be reviewed, and the audit will set to expire. Unless extenuating circumstances are adequately demonstrated, no more than one (1) extension may be granted under any audit.

Question 12: Is the bidder permitted to submit a redacted version of their solicitation? There are items that are confidential in nature, but key to our response for this solicitation. Perhaps better said, if a page is marked as "Confidential", will it be treated as such?

Answer 12:

Please see response to Question 1. If additional information is required from the Vendor to complete an evaluation, and/or assign audits, the STO will permit submission of information that is especially sensitive in nature for review in determining whether the information meets specific requirements at a later date, per item 22 of Instructions to Vendors Submitting Bids document.

Question 13: Is the bidder permitted to submit their response to this solicitation by way of email to the address indicated in the solicitation (Toby.L.Welch@wv.gov)? This would be in lieu of submitting on the WV Oasis website. If the preferred method of submission is through the WV Oasis website, that is not a problem.

Answer 13:

Submission within the WV OASIS website portal is the preferred method. Bid responses will not be accepted via email per Section/item 6 of the Instructions to Vendors Submitting Bids document.

Vendor Questions

Question 14: With regards to the references requested (Section 3.6), does the State require a written response from the reference, or will just their contact information suffice?

Answer 14:

A written response from the reference is not required to be submitted with your response. However, the vendor must provide names of at least three (3) governmental agencies, which includes a contact name, phone number and type of audit services performed for the reference. The STO reserves the right to contact any person or entity it believes is prudent to inquire about the vendor.
