SUBJECT: CCT ISC22*01 Change Order 1 – Park Place Mainframe Five-Month Renewal

DATE: February 7, 2023

The WVOT is requesting Change Order 1 to CCT ISC22*01. This Change Order is to renew the contract under the same pricing, terms and conditions, and specifications contained in the Original Contract and subsequent Change Orders.

The WVOT and Vendor have agreed to only a five-month renewal at this point. Ongoing migration to the hosted mainframe contract will negate the need for this contract. Because of the negotiations necessary to get to a five-month renewal, the WVOT recognizes this request is late.

Attached are the Vendor's Memo and other relevant documentation.

Please let me know if you need anything further to support this request.
