Re: Inorganic and Organic Analysis Services – CMA DEP210000015B

After reviewing current lab certifications, one test will be removed from the contract as Acculab is no longer certified.

Item 41, Barium (High Level)
Item 42, Barium (Low Level)

If your company can show WV lab certifications for the test, please reply via email to me at Katrina.J.Dufourny@wv.gov by January 12, 2023. Otherwise, the renewal will be processed without these items.

Please let me know if you have any questions.

Sincerely,

Katrina Dufourny, Procurement Specialist, Sr.
