Re: Inorganic and Organic Analysis Services – CMA DEP210000015E

After reviewing current lab certifications, some tests will be removed from the contract as Pace does not have those certifications.

Item 14- Color (ADMI)
Item 184- Tritium (Solid)
Items 209, 210, 211- Method 604 Phenols
Items 223, 224, 225- Polynuclear Aromatic Hydrocarbons

If your company can show WV lab certifications for the test, or alternate explanation, please reply via email to me at Katrina.J.Dufourny@wv.gov by January 12, 2023. Otherwise, the renewal will be processed without these items.

Please let me know if you have any questions.

Sincerely,

Katrina Dufourny, Procurement Specialist, Sr.
