The above referenced contract expires on October 15, 2023. In accordance with regulations set forth by the FCC and USAC, applicants must have a contract that covers all services for that funding year with the service provider before certifying the FCC Form 471. The contract cannot expire during the E-rate funding year.

Therefore, the decision to extend the contract must occur before the FCC Form 471 is filed for the 2023 E-rate Funding Year when the contract would otherwise expire.

The Library Section of the WV Department of Arts, Culture and History agrees to and is requesting an early renewal of the contract referenced above for one (1) year under the original terms, conditions, prices, specifications, and any authorized change orders thereto.

To align with the E-rate Funding Year, the renewal term of the contract will be October 16, 2023, through June 30, 2024. Subsequent renewal terms will run July 1 through June 30. Two renewals remain and, if all renewals are exercised, the contract will end June 30, 2026.

If you agree to renew this contract, please sign below using blue ink, and return to Monica Keeney via email to monica.m.keeney@wv.gov at your earliest convenience.

Respectfully Submitted,

Monica M. Keeney
