RE: CPO WWV23*01

It was recently brought to my attention by Jonathan Link, Information Systems Manager, that the goods covered under the above referenced CPO issued to Alpha-Technologies on September 28, 2022 had not been received due to an unfortunate supply chain delivery from your supplier.

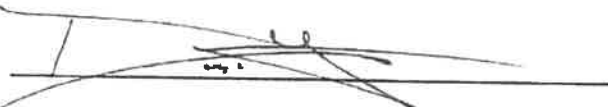

This was approved as an Emergency Award with expiring funds as one of the basis for the emergency as well as the fact that the agency was trying to avoid a catastrophic failure of our current storage array. Unfortunately, this event occurred on March 19th causing the agency's employment services website to be offline for four (4) days. The funding from the Department of Labor for this project has expired and any unused monies under this grant award by DOL is mandated to be returned to them once the encumbrance for the goods has been released by State Purchasing.

On March 29th you indicated by email that you would like to cancel the order placed by Alpha-Technologies with your supplier in case the goods were finally shipped

Will you please sign and date below signifying that Alpha Technologies agrees to the cancellation of CPO WWV23*01 in its entirety and that no monies are due Alpha Technologies as they would relate to this CPO?

WorkForce West Virginia looks forward to future opportunities through Alpha-Technologies to acquire goods and services required to meet the needs of the agency.

Thank you for your help in this matter.

Doug Tate, President, Alpha Technologies
