☐ **Alternate Renewal Term** – This contract may be renewed for _____ successive _____ year periods or shorter periods provided that they do not exceed the total number of months contained in all available renewals. 4. AUTHORITY TO PROCEED: Vendor is authorized to begin performance of this contract on the date of encumbrance listed on the front page of the Award Document unless either the box for "Fixed Period Contract" or "Fixed Period Contract with Renewals" has been checked in Section 3 above. If either "Fixed Period Contract" or "Fixed Period Contract with Renewals" has been checked, Vendor must not begin work until it receives a separate notice to proceed from the State. ☐ Liquidated Damages Contained in the Specifications.

13. PRICING: The pricing set forth herein is firm for the life of the Contract, unless specified elsewhere within this Solicitation/Contract by the State. A Vendor's inclusion of price adjustment provisions in its bid, without an express authorization from the State in the Solicitation to do so, may result in bid disqualification. Notwithstanding the foregoing, Vendor must extend any publicly advertised sale price to the State and invoice at the lower of the contract price or the publicly advertised sale price.

14. PAYMENT IN ARREARS: Payments for goods/services will be made in arrears only upon receipt of a proper invoice, detailing the goods/services provided or receipt of the goods/services, whichever is later. Notwithstanding the foregoing, payments for software maintenance, licenses, or subscriptions may be paid annually in advance.

15. PAYMENT METHODS: Vendor must accept payment by electronic funds transfer and P-Card. (The State of West Virginia's Purchasing Card program, administered under contract by a banking institution, processes payment for goods and services through state designated credit cards.)

16. TAXES: The Vendor shall pay any applicable sales, use, personal property or any other taxes arising out of this Contract and the transactions contemplated thereby. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.

17. ADDITIONAL FEES: Vendor is not permitted to charge additional fees or assess additional charges that were not either expressly provided for in the solicitation published by the State of West Virginia, included in the Contract, or included in the unit price or lump sum bid amount that Vendor is required by the solicitation to provide. Including such fees or charges as notes to the solicitation may result in rejection of vendor's bid. Requesting such fees or charges be paid after the contract has been awarded may result in cancellation of the contract.

18. FUNDING: This Contract shall continue for the term stated herein, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise made available, this Contract becomes void and of no effect beginning on July 1 of the fiscal year for which funding has not been appropriated or otherwise made available. If that occurs, the State may notify the Vendor that an alternative source of funding has been obtained and thereby avoid the automatic termination. Non-appropriation or non-funding shall not be considered an event of default.

19. CANCELLATION: The Purchasing Division Director reserves the right to cancel this Contract immediately upon written notice to the vendor if the materials or workmanship supplied do not conform to the specifications contained in the Contract. The Purchasing Division Director may also cancel any purchase or Contract upon 30 days written notice to the Vendor in accordance with West Virginia Code of State Rules § 148-1-5.2.b.

20. TIME: Time is of the essence regarding all matters of time and performance in this Contract.

21. APPLICABLE LAW: This Contract is governed by and interpreted under West Virginia law without giving effect to its choice of law principles. Any information provided in specification manuals, or any other source, verbal or written, which contradicts or violates the West Virginia Constitution, West Virginia Code, or West Virginia Code of State Rules is void and of no effect.

22. COMPLIANCE WITH LAWS: Vendor shall comply with all applicable federal, state, and local laws, regulations and ordinances. By submitting a bid, Vendor acknowledges that it has reviewed, understands, and will comply with all applicable laws, regulations, and ordinances.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to comply with all applicable laws, regulations, and ordinances. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

23. ARBITRATION: Any references made to arbitration contained in this Contract, Vendor's bid, or in any American Institute of Architects documents pertaining to this Contract are hereby deleted, void, and of no effect.

24. MODIFICATIONS: This writing is the parties' final expression of intent. Notwithstanding anything contained in this Contract to the contrary no modification of this Contract shall be binding without mutual written consent of the Agency, and the Vendor, with approval of the Purchasing Division and the Attorney General's office (Attorney General approval is as to form only). Any change to existing contracts that adds work or changes contract cost, and were not included in the original contract, must be approved by the Purchasing Division and the Attorney General's Office (as to form) prior to the implementation of the change or commencement of work affected by the change.

25. WAIVER: The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.

26. SUBSEQUENT FORMS: The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by Vendor to the Agency or Purchasing Division such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. Acceptance or use of Vendor's forms does not constitute acceptance of the terms and conditions contained thereon.

27. ASSIGNMENT: Neither this Contract nor any monies due, or to become due hereunder, may be assigned by the Vendor without the express written consent of the Agency, the Purchasing Division, the Attorney General's office (as to form only), and any other government agency or office that may be required to approve such assignments.

28. WARRANTY: The Vendor expressly warrants that the goods and/or services covered by this Contract will: (a) conform to the specifications, drawings, samples, or other description furnished or specified by the Agency; (b) be merchantable and fit for the purpose intended; and (c) be free from defect in material and workmanship.

29. STATE EMPLOYEES: State employees are not permitted to utilize this Contract for personal use and the Vendor is prohibited from permitting or facilitating the same.

30. PRIVACY, SECURITY, AND CONFIDENTIALITY: The Vendor agrees that it will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the Agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the Agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/default.html>.

31. YOUR SUBMISSION IS A PUBLIC DOCUMENT: Vendor's entire response to the Solicitation and the resulting Contract are public documents. As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia Code §§ 5A-3-1 et seq., 5-22-1 et seq., and 5G-1-1 et seq. and the Freedom of Information Act West Virginia Code §§ 29B-1-1 et seq.

DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.

Submission of any bid, proposal, or other document to the Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal, or document. The Purchasing Division will disclose any document labeled "confidential," "proprietary," "trade secret," "private," or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by West Virginia Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

32. LICENSING: In accordance with West Virginia Code of State Rules § 148-1-6.1.e, Vendor must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agency or political subdivision. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to be licensed, in good standing, and up-to-date on all state and local obligations as described in this section. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

33. ANTITRUST: In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

34. VENDOR NON-CONFLICT: Neither Vendor nor its representatives are permitted to have any interest, nor shall they acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency.

Revised 11/1/2022

35. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

36. INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

37. NO DEBT CERTIFICATION: In accordance with West Virginia Code §§ 5A-3-10a and 5-22-1(i), the State is prohibited from awarding a contract to any bidder that owes a debt to the State or a political subdivision of the State. By submitting a bid, or entering into a contract with the State, Vendor is affirming that (1) for construction contracts, the Vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, neither the Vendor nor any related party owe a debt as defined above, and neither the Vendor nor any related party are in employer default as defined in the statute cited above unless the debt or employer default is permitted under the statute.

38. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

39. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

☒ Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

☐ Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.division@wv.gov.

40. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

41. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process.
- c. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
 1. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
 2. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

42. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

43. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the Vendor must submit to the Agency a disclosure of interested parties prior to beginning work under this Contract. Additionally, the Vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

44. PROHIBITION AGAINST USED OR REFURBISHED: Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

45. VOID CONTRACT CLAUSES: This Contract is subject to the provisions of West Virginia Code § 5A-3-62, which automatically voids certain contract clauses that violate State law.

46. ISRAEL BOYCOTT: Bidder understands and agrees that, pursuant to W. Va. Code § 5A-3-63, it is prohibited from engaging in a boycott of Israel during the term of this contract.

CRFQ LOT2300000003

Vendor Questions

1. **Section 3.6.1 (pp. 29-30):** Would the Lottery confirm that an annual audit report conducted in compliance with SOC I (Type 1) audit standards along with ISO 27001 and WLA certifications is an acceptable alternative to the SOC I (Type 2) and SOC II (Type 2) reports requested? We follow a similar approach for numerous other lotteries that require operational audits. We do not have any lotteries that require SOC I/II audits.

Audited financial statements in compliance with SOC 1, Type 1, ISO 27001 and WLA-SCS certification will be accepted in lieu of the SOC audit requirements. ISO 27001 and WLA certification must be maintained for the duration of the contract period and confirmed annually.

2. **Section 4.1.4.3 Lottery Inspection of Production Tickets (pp. 34-35):** Will the Lottery clarify if it anticipates conducting production inspections (i.e., press checks) for every game? If yes, will the cost for additional production checks beyond the three per contract year (paid for by the Vendor) be covered by the Lottery?

The Lottery will not be doing press checks for every game. Any press checks will be random samples and fall within the terms of the agreement.

3. **Section 4.1.4.5 Prevent Ticket Compromise (pp. 35-36):** Would the Lottery please confirm how many random pool sample live game packs will be required to be provided to the Lottery?

Each game delivered should provide six (6) random pool samples as a minimum. If there are more than two (2) pulses, there should be at least two (2) samples per pulse. The lottery prefers to randomly select packs from provided pack ranges of the packs to be pulled.

4. **Section 4.1.4.5 Prevent Ticket Compromise (pp. 35-36), Section 4.1.4.6 Non-Conforming Tickets (pp. 36), and Section 9.2 Late Delivery (p. 59):** These sections refer to liquidated damages. These requirements appear to conflict with paragraph 11 of the General Terms and Conditions (p. 15), in which the box checked reads "Liquidated Damages Are Not Included in this Contract." Would the Lottery confirm if there are liquidated damages associated with this contract; if yes, please provide additional details.

Section 11 of the General Terms and Conditions are amended to state:

Liquidated Damages Contained in the Specifications

5. **Section 4.1.5.2 Paper/Stock/Substrate (pp. 36-37):** Would the Lottery please confirm the type of stock(s) currently used for instant games, including caliper and material (i.e., 8 point or 10 point, foil and card stock)?

The Lottery currently uses 10 point ticket stock. Point of sale materials must be durable and easily placed into dispensers.

CRFQ LOT2300000003

Vendor Questions

6. **Section 4.1.5.2 Paper/Stock/Substrate (pp. 36-37):** Could the Lottery advise what type of ticket dispensers and instant ticket vending machines (ITVMs) are currently used by the Lottery (including supplier and model number, if possible)?

The Lottery currently uses vending provided by IGT, using the Gemini 28, Gemini 24, and Gemini 20. Bin dispensers include Henschel dual modules and Schafer 4 inch bins, 6 inch bins, in-counters, and promoters.

7. **Section 4.1.5.15 Retailer Point of Sale Pieces (p. 41):** Would the Lottery please clarify if specialty point of sale tickets with specialty features are included in the standard pricing?

Yes. The percentage use of features is calculated on the pricing page and is inclusive of the base price. Example of invoice pricing provided in EXHIBIT D.

8. **4.1.6.1.2 (p. 42):** This section reads, "Creative design of artwork for 4" x 4" and 4" x 5" per game per pulse and occasional posters...." We understand this to mean that all other ticket size art would be supplied to the Vendor by the Lottery or by an agency on behalf of the Lottery. Please confirm if this interpretation is correct (or whether the Vendor creates all art for all ticket sizes).

All ticket art and associated POS pieces are to be provided by the print vendor and based on the ticket art provided by the print vendor. The Lottery will review and provide input on art and any tag-lines required. Sample of standard pieces in use are supplied with this response. Native files are then provided to the Lottery to create social, digital, and other POS.

9. **Exhibit A Pricing Page (Items 22 to 26):** The Lottery specifies in 4.1.5.15 Retailer Point of Sale Pieces (p. 41) a minimum of two thousand (2,000) 4" x 4" and one thousand (1,000) 4" x 5". Would the Lottery please confirm the sizes and quantities for items 22 to 26?

The Lottery currently requires two thousand (2,000) 4" x 4", one thousand (1,000) 4" x 5", and two thousand (2,000) of any of the special size or posters. This would be the same for any of the special process POS pieces needed to match the ticket. This would be additional cost for the special process (items 23 through 26) plus the Point of Sale Piece cost (item 22). Example of invoice pricing provided in EXHIBIT D.

10. **Exhibit A Pricing Page (Items 22 to 26):** Would the Lottery please confirm that the price per square inches for the Point of Sale Pieces, as noted in 4.1.5.15 Retailer Point of Sale Pieces (p. 41) and listed as items 22 to 26 on the Pricing Page, should be based on the total instant ticket square inches (just as in items 1 to 21) and NOT the total square inches of the inserts themselves?

Pricing is to be based on the per square inch for Point of Sale materials. When invoicing, each piece will be priced based on that items square inch size and the pricing per square inch applied. Most recent usage and quantities were supplied to aid in costing average. Example of invoice pricing provided in EXHIBIT D.

11. **Exhibit A Pricing Page (Item 2. PULSES SPLIT QUANTITIES WITHIN A GAME and Item 4. SCENES/COLOR SEQUENTIALLY WITHIN A GAME):** Would the Lottery please confirm that the per square inch price for these options are per each additional pulse and per each additional scene?

CRFQ LOT2300000003

Vendor Questions

Pricing per square inch for Item 2 and Item 4 in the Pricing Page is to be per each additional pulse or scene beyond one (1). Example of invoice pricing provided in EXHIBIT D.

- 12. Exhibit A Pricing Page (Item 2. PULSES SPLIT QUANTITIES WITHIN A GAME and Item 4. SCENES/COLOR SEQUENTIALLY WITHIN A GAME):** We understand how many TOTAL GAMES utilized pulses and scenes. However, would the Lottery please provide an average of additional pulses/scenes PER GAME that utilized these two options?

Please see EXHIBIT B version 2.

- 13. WV Oasis Electronic Portal (Pricing Section):** Would the Lottery confirm if Vendors must provide the overall contract value (there is a box requesting this figure during the electronic submission process)? If so, would the Lottery please provide details on how this contract value should be calculated?

Yes. The directions for calculating this figure are on Exhibit A. The Exhibit A excel spreadsheet should automatically fill the total in for you as well.

- 14. Would WV Purchasing confirm that a hard copy response to this RFQ is required vs an electronic submission via either the wvOASIS portal or email directly to the RFQ Procurement Contact?**

A hard copy is not required. Proposals can be submitted electronically through Oasis.

- 15. How will vendors receive notification of response to vendor questions – via direct communication from RFQ coordinator (T Welch) or via the wvOASIS procurement site?**

Responses to vendor questions will be posted to Oasis via an addendum. Direct communication will not be provided.

- 16. With such compressed timeline between response to vendor questions and bid due date, would WV Purchasing consider extending the RFQ submission due date by a minimum of two weeks to allow all information received via vendor question process to be integrated into the necessary RFQ response?**

Bid due date is currently 3/30/23 and is not expected to be extended.

- 17. Would the WV Division of Purchasing please confirm to all vendors exactly what documents need to be provided as part of the request for quotation due by February 28th? Are vendors required to respond to all Specifications (RFQ Sections 1, 2, 3 and 4 – pages 25-58) at this time or only provide Exhibit A?**

Vendors entire proposal is due at the bid due date/time.

Vendor Questions

- 19. Would the WV Division of Purchasing please provide a copy of the current vendor (IGT) instant game pricing schedule – including any amendments/extension revisions to the pricing?**

Bids for the last RFQ are available through wvOasis.

- 20. Would the WV Division of Procurement please provide a copy of the last evaluation scoring showing results from all vendors who responded to the previous 2017 RFQ for instant games?**

There is no evaluation scoring for an RFQ. Contract was awarded to vendor with lowest cost meeting all mandatory requirements. Bids for the last RFQ are available through wvOasis.

- 21. Would the WV Division of Procurement please confirm whether or not a responding vendor must complete the Page 1 and 2 document of the RFQ and submit with response or will this information be provided for the apparent successful vendor at contract award?**

Page 1 and 2 does not need completed if bid is being submitted electronically.

- 22. 4.1.9.1.1.6 p. 51 States “Must include any promotional cards or other informational materials in or on packs prior to packaging when specified in the Working Papers.”**

- a. Question: Would the Lottery please clarify whether the 4" x 4' Point of Sale pieces described in various places in the RFQ are inserted into packs, or alternatively, ship in bulk to the Lottery?**

They are shipped in bulk to the system vendor warehouse along with the instant games. They should, however, be bundled into fifties for ease of distribution by our field staff.

- 23. Exhibit A, Pricing Page, Items 20 through 26 refer to Point of Sale Piece cards**

- a. Question: When pricing Point of Sale piece cards would the Lottery please confirm that the per square inch prices submitted refer to the size of Point of Sale Piece (4" x 4"), rather than the ticket size of the instant ticket game to which the piece refers?**

Pricing is to be based on the per square inch for Point of Sale materials. When invoicing, each piece will be priced based on that items square inch size and the pricing per square inch applied. Most recent usage and quantities were supplied to aid in costing average. Example of invoice pricing provided in EXIBIT D.

26. General Terms and Conditions General Would the Lottery agree to add a reasonable force majeure clause?

The following clause is added to General Terms and Conditions:

Force Maieure. A Force Majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. "Force Majeure" means an act of God or public enemy, and includes acts of terrorism, earthquake, fire, flood, explosion, quarantine restrictions and/or regulations set forth by the West Virginia State Government or Federal Government, strikes, freight embargoes or closure of all major access roads to a geographic area, action of the elements, other governmental interference, rationing or any other cause which is beyond the control of the party affected and which a party is unable to control with reasonable diligence. No party to this Agreement shall be liable for any delay or failure of performance under this Agreement due to a Force Majeure provided that each party exercises reasonably diligent effort to avoid or minimize the impact of Force Majeure on the party's performance. Any delay or failure of performance caused by a Force Majeure shall not constitute default or give rise to any liability for damages. Delay or failure to perform resulting from a Force Majeure shall extend the period for performance by the extent necessary to enable complete performance by each party so long as reasonable diligence is exercised after the Force Majeure has been removed.

27. General Terms and Conditions, Item 36 – Indemnification 19 Would the Lottery be willing to consider incorporating standard indemnification terms, including provisions that: 1) the successful vendor shall have sole control of the defense and settlement, and 2) the Lottery shall cooperate, as reasonably necessary, with the successful vendor and its counsel in the defense or settlement of the claim?

General Terms and Conditions Section 36 is amended as follows:

INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees; or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws. Lottery shall tender sole defense and control of any claim or

cause of action requiring indemnification to the successful vendor. Lottery shall cooperate, as reasonably necessary, with the successful vendor and its counsel in the defense and settlement of the same. The successful vendor shall reimburse the Lottery for any reasonable legal expenses incurred directly from providing such assistance. Successful vendor shall have the right to consent to the entry of judgment with respect to, or otherwise settle, an indemnified claim only with the prior written consent of the Lottery, which consent shall not be unreasonably withheld; provided, however, that the Lottery may withhold its consent if any such judgment or settlement imposes an unreimbursed monetary or continuing non-monetary obligation on the Lottery or does not include an unconditional release of the Lottery and State of West Virginia from all liability with respect to claims that are the subject matter of the indemnified claim.

- 28. Exhibit A Pricing Page Exhibit A Pricing Page** Because the game pulsing approach described in the RFQ often requires time and effort equivalent to the development of a new game, will the Lottery add a pricing line to include the additional programing costs associated with pulses including multiple game designs?

- 29. Exhibit A Pricing Page Exhibit A Pricing Page** Would the Lottery please provide a ticket art example of a game that was pulsed with 2 different play areas and play styles?

LIQUIDATED DAMAGES

Determination of Damages: Nothing in this section, or the following section relating to Liquidated Damages, shall be construed as relieving the Vendor from performing all contract requirements whether or not said requirements are set forth herein. Breach of any of the foregoing, or any action of the Vendor or any associate, agent or subcontractor of the Vendor involved in the contract, which reflects upon the integrity, credibility, honesty, or security of the Lottery will result in decisive remedial action that may include cancellation of the Contract by the State of West Virginia.

Damages Dispute: The Lottery Director will have the sole discretion to determine whether damages, as described in this section of the RFQ, will be assessed. The Lottery's determination shall not be arbitrary or capricious. In the event of a dispute regarding the imposition or the amount of the following damages, the Vendor must designate one onsite individual to discuss the dispute with the Lottery. In all possible areas of assessment of damages, there will be no pro-ration unless otherwise expressed. Excessive damages, and events leading to such, may be grounds for termination of the contract.

Warranty on High Tier Prizes: The Vendor shall warrant that only the number of high tier prizes approved by the Lottery will be included in a game. The Vendor and the Lottery agree that the actual damages for claimed additional prize tickets not printed in accordance of the Lottery approved prize structure and allowable variance will be the amount of the prize paid per occurrence.

Improper Ticket Validation: In addition, the Vendor MUST be financially liable for all claims resulting in prize payouts for tickets improperly validated due to printing errors or misprints, programming, or other Vendor-controlled causes. Damages will be assessed in the amounts of any actual claims.

Omitted Packs: The Vendor and the Lottery agree that the damages for the Vendor shipping omitted packs to the Lottery MUST be the sales value of the pack(s) shipped plus the amount of any validations redeemed from said packs.

Scratch-ability and Shelf Life: The Lottery reserves the right, at its discretion, to pull any game that it determines to be difficult to scratch and hold the Vendor responsible. Vendor will be responsible for the actual ticket print cost plus fifteen percent of the sales value of the returned tickets.

Non-conformity of Printed Tickets: If a single ticket in a pack fails to conform to specifications set forth in the Working Papers for that game or are otherwise defective due to manufacturing error, then the entire pack may be deemed to be non-conforming. A ticket may be deemed non-conforming if incomplete or not printed in accordance with the Working Papers as specified and approved by the Lottery. These tickets may be withdrawn

from the field and the Vendor will be responsible for the actual ticket print costs plus fifteen percent of sales value of tickets withdrawn from the field.

Unusable Games: If any game delivered by the Vendor is unusable and must be recalled by the Lottery because of concerns about security, integrity, quality, trademark, the ability to validate, or is otherwise defective due to manufacturing error as determined by the Lottery, the Vendor MUST be required to pay actual ticket print costs plus fifteen percent of sales value of tickets withdrawn from the field. The Vendor also WILL be financially responsible for the destruction of any unusable games.

Liquidated Damages:

According to West Virginia Code §SA-3-4(8), Vendor agrees that liquidated damages shall be imposed (per day, per week, per unit, or some other agreed measure) for failure to provide deliverables, meet milestones identified to keep the project on target, or failure to meet specified deadlines as detailed in the following section. This clause is not exclusive and in no way limits the State or Lottery's right to pursue any other additional remedy which the State or Lottery may have legal cause for action.

The Contract resulting from this RFQ contains liquidated damages for Vendor default as determined by the Lottery, which include, but are not limited to failure to effectively carry out the contract provisions, untimely performance, and questionable security practices and security breaches. Specific cases and their liquidated damages are cited in the sections to follow. The parties agree that it would be impractical and extremely difficult to measure actual damages, and, therefore, agree that the amounts stipulated in the following sections are reasonable.

Liquidated Damage Assessment and Payment: The Lottery MUST notify the Vendor, in writing, of the assessment of liquidated damages for any default specified herein.

Liquidated Damage Payment: All liquidated damages notifications will be delivered within forty-five (45) days of the incident. All liquidated damage payments are due within thirty (30) calendar days of the damages being incurred by the Vendor. Any sum due to the Lottery for such damages MAY be deducted and retained by the Lottery from any balance that may otherwise be due to the Vendor. In addition, should the Lottery obtain a monetary judgment against the Vendor as a result of a breach of the Contract, the Vendor consents to such judgment being set-off against moneys owed the Vendor by the Lottery under this Contract. If sufficient funds are not available, in either case, the required performance bond will be collected to satisfy the liquidated damages amount. Payment of liquidated damages will not alter or waive any obligation or liability of the Vendor's surety to perform according to the terms of its bond and the Contract.

Vendor Liability: Partial performance of the contract will not relieve the Vendor from liability for liquidated damages if any material portion of the contract remains unperformed upon the date performance is to be completed. The Vendor's liability for liquidated damages

shall cease at such time as the Lottery obtains complete substituted performance, as determined by the Lottery from the Vendor. Delay due to a subcontractor's conduct, negligence, or failure to perform MUST NOT excuse the Vendor from the liquidated damages provisions of the contract unless caused by a "force majeure" event beyond the reasonable control of the contractor.

Liquidated Damages Dispute: The Lottery Director will have the sole discretion to determine whether liquidated damages, as described in this section of the RFQ, will be assessed. The Lottery's determination will not be arbitrary or capricious. In the event of a dispute regarding the imposition or the amount of liquidated damages, the Vendor must designate one on-site individual to discuss the dispute with the Lottery. In all possible areas of liquidated damages assessment, there shall be no pro-ratio of damages unless otherwise expressed. Excessive liquidated damages, and events leading to such, may be grounds for termination of the contract.

Vendor Error: All tickets within a game may be rejected in any case of a major error by the Vendor. For all cases of Vendor error, the Vendor is solely liable for all repercussions from said error, including operational costs, direct costs, prizes that result from erroneous tickets, as well as liquidated damages.

Missing / Incomplete Trademarks: Prior to execution of game working papers, the Vendor MUST conduct a trademark search. If this search is not performed or performed incompletely or incorrectly, substantial damages may be sustained by the Lottery. If the game is printed, but not yet distributed to the field, the Vendor MUST provide a replacement game specified by the Lottery within forty-five (45) business days at no charge. The Vendor also WILL be financially responsible for the destruction of any unusable games. If this date cannot be met, liquidated damages in the amount of ten thousand (\$10,000) per day MUST accrue until such time as an acceptable replacement game is delivered.

Delay in Ticket Delivery: Unapproved delays in the production and delivery of a game may result in the Lottery assessing liquidated damages in the amount of \$10,000 per incident.

Incorrect Instant Lottery Game Files: If an inventory file or validation file for a specific game supplied by the Vendor does not conform to the specifications set forth in the working papers, and the Lottery is unable to: Activate or distribute tickets as a result thereof, the Lottery may require the Vendor to pay the sum of fifty thousand dollars (\$50,000) per game; Validate tickets or correctly validate tickets as a result thereof, the Lottery may require the Vendor to pay fifty thousand dollars (\$50,000) for the first day, and ten thousand dollars (\$10,000) per day thereafter per game until the issue is resolved.

Questionable Security Practices and Security Breaches: For failures in security that breach any of the provisions detailed in section 4.1.10 of this RFQ, the Lottery may assess liquidated damages in the amount of \$10,000 per incident.
